ANNUAL MEETING OF STOCKHOLDERS
MARCH 9, 2016
PROXY STATEMENT
GENERAL INFORMATION

The enclosed proxy is solicited by the Board of Directors of Asta Funding, Inc. (the Company, we or us) for use at the Annual Meeting of Stockholders to be held at the Crowne Plaza Englewood, 401 South Van Brunt Street, Englewood, New Jersey 07631 on Wednesday, March 9, 2016, at 11:00 AM, EST, and at any adjournments or postponements thereof (the Meeting) for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders. A stockholder giving a proxy has the right to revoke it by giving written notice of such revocation to the Secretary of the Company at any time before it is voted, by submitting to the Company a duly-executed, later-dated proxy, or by voting the shares subject to such proxy by written ballot at the Meeting. The presence at the Meeting of a stockholder who has given a proxy does not revoke such proxy unless such stockholder files the aforementioned notice of revocation or votes by written ballot.

This proxy statement and the enclosed form of proxy are first being mailed to stockholders on or about January 28, 2016. All shares represented by valid proxies pursuant to this solicitation (and not revoked before they are exercised) will be voted as specified in the proxy. The Board of Directors recommends a vote FOR proposals 1 and 2. If no directions are given by the person(s) executing the proxy, the shares will be voted in favor of proposals 1 and 2 the election of management s nominees to the Board of Directors, and the ratification of the independent registered public accounting firm.

The solicitation of proxies may be made by directors, officers and regular employees of the Company or any of its subsidiaries by mail, telephone, facsimile or e-mail or in person without additional compensation payable with respect thereto. Arrangements will be made with brokerage houses and other custodians, nominees and fiduciaries to forward proxy-soliciting material to the beneficial owners of stock held of record by such persons, and we will reimburse them for reasonable out-of-pocket expenses incurred by them in so doing. All costs relating to the solicitation of proxies will be borne by us.

Important Notice Regarding the Availability of Proxy Materials for the Annual Meeting of Stockholders to Be Held on March 9, 2016. Table of Contents

How to Vote; How Proxies Work

Our Board of Directors is asking for your proxy. Whether or not you plan to attend the Meeting, we urge you to vote by proxy. Please complete, date and sign the enclosed proxy card and return it at your earliest convenience. Instead of using the paper proxy card provided along with this proxy statement, you may vote over the Internet. If you have Internet access you may vote your shares by following the Internet instructions on the proxy card. The cost of soliciting proxies will be borne by us including expenses in connection with the preparation and mailing of the proxy statement, form of proxy and any other material furnished to the stockholders by us in connection with the Meeting. In addition to the solicitation of proxies by mail, our employees may also solicit proxies by telephone or personal contact. These employees will not receive any special compensation in connection therewith. Our Annual Report on Form 10-K for the year ended September 30, 2015, which includes our consolidated financial statements, is being mailed to stockholders together with these proxy materials on or about January 28, 2016.

Any proxy signed and returned to us and not specifying to the contrary, and not designated as an abstention or broker non-vote as described below, will be voted:

FOR the election of the directors; and

FOR the ratification of the selection of WeiserMazars LLP as our independent registered public accounting firm for the 2016 fiscal year.

Should any matters not described above be properly presented at the Meeting, the persons named in the proxy card will vote in accordance with their judgment. The proxy card authorizes these persons, in their discretion, to vote upon such matters as may properly be brought before the Meeting or any adjournment(s), postponement(s), or continuation(s) thereof.

What Constitutes a Quorum

The presence at the Meeting in person or by proxy of holders of outstanding Common Stock entitled to cast a majority of all the votes entitled to be cast at the Meeting will constitute a quorum.

What Vote is Required

Directors are elected by a plurality of the votes cast with a quorum present. The five persons who receive the greatest number of votes of the holders of Common Stock represented in person or by proxy at the Meeting will be elected directors of the Company. The affirmative vote of a majority of the Common Stock present in person or represented by proxy at the Meeting and entitled to vote is required to approve the ratification of the selection of WeiserMazars LLP as our independent registered public accounting firm for the 2016 fiscal year.

How Abstentions and Broker Non-Votes Are Treated

Abstentions will be counted as shares that are present for purposes of determining a quorum. For the election of directors, abstentions are excluded entirely from the vote and do not have any effect on the outcome. Broker non-votes occur when a broker or other nominee holding shares for a beneficial owner does not have discretionary voting power on a matter and has not received instructions from the beneficial owner. Broker non-votes are included in the determination of the number of shares represented at the Meeting for purposes of determining whether a quorum is

present. If you do not provide your broker or other nominee with instructions on how to vote your street name shares, your broker or nominee will not be permitted to vote them on non-routine matters such as proposal 1. Shares subject to a broker non-vote will not be considered entitled to vote with respect to proposal 1 and will not affect the outcome of proposal 1. In most instances, brokers will have discretionary authority to vote for the selection of the independent registered public accounting firm, and therefore broker non-votes will have no effect on the outcome of proposal 2.

How to Revoke

Any person giving a proxy in the form accompanying this proxy statement has the power to revoke it at any time before its exercise. The proxy may be revoked by filing with our Secretary an instrument of revocation or a duly executed proxy bearing a later date, or by electing to vote in person at the Meeting. A stockholder who attends the Meeting need not revoke the proxy and vote in person unless he or she wishes to do so. The mere presence at the Meeting of the person appointing a proxy does not, however, revoke the appointment. If you are a stockholder whose shares are not registered in your own name, you will need additional documentation from your record holder to vote personally at the Meeting.

**PROPOSAL TWO RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED
PUBLIC ACCOUNTING FIRM**

WeiserMazars LLP was appointed as of April 9, 2013 and served as our independent registered public accounting firm since that time.

Our Audit Committee has the responsibility to select, retain and oversee the work of outside auditors and, when appropriate, to replace the outside auditors. Stockholder ratification of the appointment of WeiserMazars LLP as our independent registered public accounting firm for the fiscal year ending September 30, 2016 is not required by law, by the NASDAQ Global Select Market listing requirements or by our Certificate of Incorporation or By-laws. However, the Board of Directors is submitting the selection of WeiserMazars LLP to our stockholders for ratification as a matter of good corporate governance and practice. If the stockholders fail to ratify the appointment, we will reconsider whether or not to retain that firm. Even if the selection is ratified, we may appoint a different independent registered public accounting firm during the year if the Audit Committee determines that such a change would be in the best interests of us and our stockholders.

A representative of WeiserMazars LLP is expected to be present at the Meeting, will make such statements as WeiserMazars LLP may desire and will be available to respond to appropriate questions from the stockholders. To pass, this proposal requires the affirmative vote of a majority of the Common Stock present in person or by proxy at the Meeting and entitled to vote.

During fiscal years 2015 and 2014 WeiserMazars LLP provided audit services. The following table summarizes the fees:

	2015	2014
Audit Fees:	\$ 791,000	\$ 527,512
Audit Related Fees:	\$	\$
Tax Fees:	\$	\$
All Other Fees:	\$	\$
Total Fees:	\$ 791,000	\$ 527,512

Included in Audit Fees for fiscal year 2015 was work related to the inquiry of the Securities and Exchange Commission Division of Corporation Finance.

Securities Exchange Act of 1934, as amended (Exchange Act) rules generally require any engagement by a public company of an accountant to provide audit or non-audit services to be pre-approved by the audit committee of that company. This pre-approval requirement is waived with respect to the provision of services other than audit, review or attest services if certain conditions as set forth in Rule 2-01(c)(7)(i)(C) under the Exchange Act are met. All of the services described above were pre-approved by our Audit Committee and, therefore, were not provided pursuant to a waiver of the pre-approval requirements set forth in such rule.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE RATIFICATION OF THE APPOINTMENT OF WEISERMAZARS LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.

COMPENSATION DISCUSSION & ANALYSIS

We seek to have compensation programs for our named executive officers that are intended to achieve a variety of goals, including, but not limited to:

attracting and retaining talented and experienced executives in the competitive debt buying industry;

motivating and fairly rewarding executives whose knowledge, skills and performance are critical to our success; and

providing fair and competitive compensation.

In determining executive compensation for fiscal year 2015 (ended on September 30, 2015), the Compensation Committee articulated as its central goal the continuation of its policy of having the compensation paid to the named executive officers reward them for Company-wide and individual performance and better link pay and performance. This policy is intended to assure that our compensation practices are competitive with those in the industry. Our Chief Executive Officer, as he did for certain prior fiscal years, assisted the Compensation Committee in determining compensation for the other named executive officers.

For compensation payable in fiscal year 2016 (ending on September 30, 2016), the Compensation Committee, as it has done for certain prior fiscal years, engaged a professional compensation consultant, Adams Consulting Group, LLC (Adams) to provide benchmarking data (using, principally, relevant published survey analysis and proxy analysis), make suggestions, and assist it in the compensation process. The baseline for Adams analysis for fiscal year 2016 was the report it issued in October 2014 (the Prior Year Adams Report), which the Compensation Committee used in determining executive compensation payable in fiscal year 2015. In particular, Adams issued a report to the Compensation Committee in October 2015 (the Current Year Adams Report) incorporating the material elements of the Prior Year Adams Report. First, data for the salary surveys were selected based upon one or more of the following criteria: (i) industry group; (ii) geographic location; and (iii) company revenue. Second, Adams conducted a competitive market analysis of comparable positions, for the named executive officers, by utilizing, for base salary, surveys from Towers Watson, World at Work and The Conference Board, and for annual cash bonuses and long-term incentive compensation, certain of the surveys used in the Prior Year Adams Report; for director compensation, the Current Year Adams Report is based on compensation data contained in the Prior Year Adams Report. Third, Adams used proxy analysis to assess executive officer and director compensation. Such analysis was based on the proxy data used in the Prior Year Adams Report, which included 16 public companies within the same industry and approximate revenue size as us. Fourth, Adams focused on the base salary, annual bonus and long-term incentive/equity compensation of the Chief Executive Officer (who also serves as our president), the Chief Financial Officer (who also serves as our secretary), the Senior Vice President (who also serves as president of GAR Disability Advocates, LLC (GAR Disability Advocates) and the General Counsel (who also serves as our chief compliance officer), and on the annual retainers (as chairman and member) and equity compensation of the various committee members, as well as the separate annual retainer for each independent director.

With respect to the named executive officers, the Current Year Adams Report recommended that the Compensation Committee consider recommending to the Board that it (i) adjust annual base salaries by 4.0% to 7.0%, depending upon individual performance and other relevant factors and (ii) increase annual cash bonuses, basing such bonuses on performance. However, the Current Years Adams Report also recommended that the Board retain the flexibility to

offer extraordinary compensation to any or all of the named executive officers, in the form of cash or equity, to reflect, as applicable, individual or group accomplishments, changing business objectives or needs and retention issues.

With respect to the directors, the Current Year Adams Report recommended that the Compensation Committee consider recommending to the Board that it consider making an annual equity award to each Board member approximately equal to \$50,000, \$5,000 more than the annual retainer of \$45,000. This recommendation was based on Adams finding that total direct compensation (annual retainer plus equity) for the Board members was very low compared to market values.

Table of Contents

On November 10, 2015 the Compensation Committee met to review the Current Year Adams Report and formulate its recommendations to the Board with respect to executive base salary and Board retainers, as applicable, for fiscal year 2016 and for cash bonus (named executive officers only) and equity or equity-based grants to be made in fiscal year 2016 but which relate to fiscal year 2015 performance. With respect to executive compensation for the named executive officers, the Compensation Committee determined, in pertinent part, that (i) no increases should be made to the base salary of any of the executive officers, (ii) no annual bonuses should be paid to any of the executive officers, and (iii) no equity or equity-based compensation awards should be made to any of the executive officers.

Underlying the Compensation Committee's determination that the base salaries of the Chief Executive Officer, the Chief Financial Officer, the General Counsel and the Senior Vice President should be kept at fiscal year 2014 levels were three main factors: (i) individual performance levels; (ii) market risks; and (iii) retention dynamics within the Company and the industry.

The same considerations informed the Compensation Committee's determination with respect to bonuses and equity or equity-based awards to these officers, with one exception. In particular, the Compensation Committee took note of the Company's payment to the Chief Financial Officer, in August 2015, of a one-time bonus of \$100,000, in recognition of his hard work in assisting the Company resolve two governmental reviews, one by the IRS and one by the SEC, in fiscal year 2015. These reviews related to an inquiry by the IRS with respect to the Company's 2009 through 2013 federal income tax returns and by the Division of Corporation Finance of the SEC principally with respect to the Company's Annual Report on Form 10-K for the fiscal year ended September 30, 2013. The Compensation Committee took note, in evaluating whether the Chief Financial Officer should be paid a bonus in fiscal year 2016 for fiscal year 2015 performance, that the \$100,000 bonus reflected fiscal year 2015 performance.

With respect to director compensation, the Compensation Committee determined that it would recommend to the Board that annual retainers be kept at fiscal year 2014 (ending on September 30, 2014) and fiscal year 2015 levels and, consistent with the treatment of the executive officers, that no equity or equity-based awards should be made to any of the directors.

The Board approved the Compensation Committee's recommendations for executive and director compensation for fiscal year 2016.

Elements of Executive Officer Compensation

Overview. Total compensation paid to our executive officers is divided among three principal components. Base salary is generally fixed and does not vary based on our financial and other performance. Other components, such as cash bonuses and stock options or other equity or equity-based awards, are variable and dependent upon our market performance. Historically, judgments about these elements have been made subjectively. In the case of stock options, the value is dependent upon our future stock price and, accordingly, such awards are intended to reward the named executive officers for favorable Company-wide performance.

Our Compensation Committee reviews total compensation to see if it falls in line with peer companies and may also look at overall market data. For compensation payable in fiscal year 2016, the Compensation Committee determined that our compensation program was generally competitive with the members of our peer group. Our goal to promote pay for performance emphasizes the variable elements of overall compensation over fixed base salaries. In this regard, it is our policy to emphasize long-term equity awards over short-term cash bonuses, as the long-term awards are intended to align with goals such as total shareholder return. Each of the three elements of executive compensation has been determined by evaluating the recommendations set forth in the Current Year Adams Report, as well as our analysis of our financial performance, overall economic conditions and certain individual achievements, such as

successful completion of assigned tasks.

Table of Contents

Base Salary. We pay our executives a base salary, which we review and determine annually. We believe that a competitive base salary is a necessary element of any compensation program. Base salaries are established, in part, based on the executive's individual position, responsibility, experience, skills, historic salary levels and the executive's performance during the prior year. We are also seeking over a period of years to align base compensation levels comparable to our competitors and other companies similarly situated. We generally do not view base salaries as primarily serving our objective of paying for performance.

For compensation payable in fiscal year 2015, based on our financial performance, uncertain macroeconomic conditions, the recommendations contained in Prior Year Adams Report and our evaluation thereof with respect to the relative performance of our named executive officers and the SEC and IRS reviews described above, we generally held the salary levels of the named executive officers constant. The sole exception was the Senior Vice President, whose salary was increased by 40%, to \$280,000 annually. This increase was the second part of an increase in the base salary for the senior vice president decided earlier in fiscal year 2014 and planned to be effective as of the end of such fiscal year or soon thereafter. It actually took effect as of January 1, 2015.

For compensation payable in fiscal year 2016, based on our financial performance, uncertain macroeconomic conditions, the recommendations contained in the Current Year Adams Report and our evaluation thereof with respect to the relative performance of our named executive officers, we held the salary levels of the named executive officers constant. We believe that for fiscal year 2016, our salary levels are sufficient to retain our existing executive officers and hire new executive officers when and as required.

Cash Incentive Bonuses. Consistent with our emphasis on pay-for-performance incentive compensation programs, our executives are eligible to receive annual cash incentive bonuses primarily based upon their performance during the year.

For fiscal year 2014 service and performance, based on our on our financial performance, uncertain macroeconomic conditions, the recommendations contained in the Adams Report and our evaluation thereof with respect to the relative performance of our named executive officers and the SEC and IRS reviews described above, we did not award cash bonuses to any of our named executive officers to be paid in fiscal year 2015.

For fiscal year 2015 service and performance, based on our financial performance, uncertain macroeconomic conditions, the recommendations contained in the Current Year Adams Report and our evaluation thereof with respect to the relative performance of our named executive officers we awarded a cash bonus only to our Chief Financial Officer, in recognition of his hard work in assisting the Company resolve the SEC and IRS reviews. The amount of this bonus, which was paid in August 2015, was \$100,000.

Equity and Equity-Based Compensation. We believe that stock options and other forms of equity or equity-based compensation are an important long-term incentive for our executive officers and other employees and generally align officer interest with that of our stockholders. They are intended to further our emphasis on pay-for-performance.

For fiscal year 2014 service and performance, based on our financial performance, uncertain macroeconomic conditions, the recommendations contained in the Prior Year Adams Report and our evaluation thereof with respect to the relative performance of our named executive officers and the SEC and IRS investigations described above, we did not award stock options or any other forms of equity or equity-based compensation.

For fiscal year 2015 service and performance, based on our financial performance, uncertain macroeconomic conditions, the recommendations contained in the Current Year Adams Report and our evaluation thereof with respect to the relative performance of our named executive officers and the SEC and IRS investigations described above, we

did not award stock options or any other forms of equity or equity-based compensation.

Table of Contents

We do not have any formal plan or obligation that requires us to grant equity or equity-based compensation to any executive officer on specified dates. In recent years, we have developed the practice of considering equity or equity-based grants (and bonuses) at about the time our audit of the prior fiscal year is completed to reward executives for work in the completed year. However, we reserve the right to re-visit these matters during the year. The authority to make equity or equity-based grants to our executive officers rests with our full Board of Directors based upon recommendations made by the Compensation Committee. The Committee considers the input of our Chief Executive Officer in setting the compensation of our other executive officers, including in the determination of appropriate levels of equity or equity-based grants.

Severance and Change-in-Control Benefits. We are currently not a party to any employment agreements, although historically we have provided our executive officers with employment contracts. In January 2007, we entered into a three-year employment agreement with Gary Stern. Mr. Stern's employment agreement expired on December 31, 2009. This agreement was not renewed and Mr. Stern is continuing in his current roles at the discretion of the Board of Directors until a new agreement is signed.

Share Retention

We have a share retention policy which is applicable to members of our Board of Directors. Under this policy, each Board member is expected to maintain on an ongoing basis at least 5,000 shares of the Company's common stock. Shares received through stock options and restricted stock grants count toward satisfying this requirement.

Director Compensation

For fiscal year 2015 performance, based on our financial performance, uncertain macroeconomic conditions, the recommendations contained in the Current Year Adams Report and our evaluation thereof with respect to the relative performance of our named executive officers and the SEC and IRS investigations described above, we held retainers for directors, committee chair positions and committee member positions constant and did not award stock options or any other forms of equity or equity-based compensation.

Regulatory Considerations

We account for the equity compensation expense for our employees under the rules of FASB Accounting Standard Codification 718, Compensation—Stock Compensation, or ASC 718.

We are contemplating the adoption of claw back policies with respect to performance-based bonuses and equity grants and any other incentive compensation with respect to which the Dodd-Frank Act requires such claw back policies. We anticipate adopting such claw back policies when applicable Securities and Exchange Commission rules under the Dodd-Frank Act are adopted. In this regard, we take note that, on July 8, 2015, the SEC issued a proposed rule on claw back requirements under the Dodd-Frank Act. Compliance with this rule will not be required, however, until the SEC finalizes it and the applicable stock exchange issues listing standards with respect to the final rule and such listing standards become effective.

In addition, we take note that, on April 29, 2015, the SEC issued a proposed rule relating to the pay-for-performance disclosure requirements under the Dodd-Frank Act. This rule has yet to be finalized, and once it is finalized and becomes effective for the Company, our compensation disclosures will reflect the requirements of such rule.

We also take note that, on April 5, 2015, the SEC issued a final rule implementing the chief executive officer pay ratio disclosure requirements under the Dodd-Frank Act. The disclosure requirements take effect for the Company for its

fiscal year beginning on October 1, 2017.

GRANTS OF PLAN BASED AWARDS

No grants of options or restricted stock were awarded during fiscal year 2015.

Narrative Disclosure to Summary Compensation Table and Grant of Plan Based Awards Table**Incentive Compensation Plans****2012 Stock Option and Performance Award Plan**

On February 7, 2012, the Board of Directors adopted the 2012 Plan. The 2012 Plan, which is administered by our Compensation Committee, was adopted by our stockholders on March 21, 2012. The purpose of the 2012 Plan is to provide for our success and enhance our value by linking participants' personal interests with those of our stockholders and employees, by providing participants with an incentive for outstanding performance, and to motivate, attract and retain the services of participants upon whom our success depends. The 2012 Plan is flexible in that it provides for the grant of stock options (Options), stock appreciation rights (SARs), shares of restricted stock (Restricted Stock), restricted stock units (RSUs), performance shares and performance units (Performance Shares and Performance Units), and cash incentives (the Cash Incentives), singularly or in combination as determined by the Compensation Committee. The 2012 Plan authorizes the grant of awards relating to 2,000,000 shares of our Common Stock, with 1,511,179 available for awards as of September 30, 2015 and 1,315,775 available for awards as of December 31, 2015.

Equity Compensation Plan

On December 1, 2005, the Board of Directors adopted our Equity Compensation Plan (the Equity Compensation Plan), which was approved by our stockholders on March 1, 2006. The Equity Compensation Plan was adopted to supplement our existing 2002 Stock Option Plan. In addition to permitting the grant of stock options as are permitted under the 2002 Stock Option Plan, the Equity Compensation Plan provides us with flexibility with respect to equity

awards by also providing for grants of stock awards (i.e. restricted or unrestricted), stock purchase rights and stock appreciation rights.

The general purpose of the Equity Compensation Plan is to provide an incentive to our employees, directors and consultants, including executive officers, employees and consultants of any subsidiaries, by enabling them to share in the future growth of our business. The Board of Directors believes that the granting of stock options and

Table of Contents

other equity awards promotes continuity of management and increases incentive and personal interest in our welfare by those who are primarily responsible for shaping and carrying out our long range plans and securing our growth and financial success.

On February 29, 2012, our board of directors adopted an amendment to the Equity Compensation Plan providing that, effective upon receiving stockholder approval of the 2012 Plan, no additional awards would be granted under the Equity Compensation Plan. On March 21, 2012, our stockholders approved the 2012 Plan.

2002 Stock Option Plan

On March 5, 2002, our Board of Directors adopted the Asta Funding, Inc. 2002 Stock Option Plan (the 2002 Plan), which was approved by our stockholders on May 1, 2002. The 2002 Plan was adopted in order to attract and retain qualified directors, officers and employees of, and consultants to, the Company. The 2002 Plan authorizes the granting of incentive stock options (as defined in Section 422 of the Code) and non-qualified stock options to our eligible employees, including officers and directors of the Company (whether or not employees) and consultants of the Company.

On February 29, 2012, our board of directors adopted an amendment to the 2002 Plan providing that, effective upon receiving stockholder approval of the 2012 Plan, no additional awards would be granted under the 2002 Plan. On March 21, 2012, our stockholders approved the 2012 Plan.

Ricky Stern was granted stock options to purchase 20,000 shares of our common stock for his fiscal year 2013 performance. These options vest in three annual installments beginning on December 12, 2014, the first anniversary of the award. The options granted to Ricky Stern have an exercise price of \$8.49 per share. These options vest in three annual installments beginning on December 12, 2014, the first anniversary of the award. The options granted to Mr. Berman have an exercise price of \$8.49 per share. The foregoing awards issued to Messrs. Stern, Stern and Berman in 2013 were issued under the 2012 Plan. Under the 2012 Plan, upon the occurrence of a corporate transaction event , defined as the merger of the Company with or into another corporation, the sale of substantially all of our assets, the liquidation of the Company, or the acquisition by

any person of our securities the result of which such person becomes the beneficial owner, directly or indirectly, of our securities representing greater than 50% of the combined voting power of our then outstanding securities, the Board may take any number of actions. For instance, under the 2012 Plan, upon the occurrence of a merger, consolidation, sale of substantially all of the assets of the Company or the acquisition of more than 50% of the Company's voting securities, if the applicable transactions do not provide otherwise, option awards become exercisable and restricted stock awards fully vest immediately prior thereto.

BOARD ORGANIZATION AND MEETINGS

Composition of the Board of Directors. Since the adoption of the Sarbanes-Oxley Act in July 2002, there has been a growing public and regulatory focus on the independence of directors. Additional requirements relating to independence are imposed by the Sarbanes-Oxley Act with respect to members of the Audit Committee. The Board has established procedures consistent with the Sarbanes-Oxley Act of 2002, regulations of the Securities and Exchange Commission, and listing requirements of The NASDAQ Stock Market. The Board of Directors has also determined that the following members of the Board satisfy the NASDAQ definition of independence: Edward Celano, Harvey Leibowitz, and David Slackman. (Herman Badillo, who passed away on December 3, 2014, also was an independent director under the NASDAQ rules as of such date.)

During the fiscal year ended September 30, 2015, the Board of Directors held 8 meetings, the Audit Committee held 4 meetings, the Compensation Committee held 2 meetings, and the Governance Committee held 1 meeting. During fiscal year 2015, all members of the Board of Directors, when acting in such capacity, attended at least 75% of all the meetings of the Board of Directors that such director was eligible to attend, and committees of the Board of Directors of which such director was a member. Our policy states that all Board members should attend the annual meeting of stockholders, and all directors attended our annual meeting held on September 17, 2015.

Board's Leadership Structure and Role in Risk Oversight. The Board currently comprises five directors, three of whom the Board has determined satisfy the NASDAQ definition of independence: Edward Celano, Harvey Leibowitz, and David Slackman. Mr. Gary Stern serves as both as Chairman of the Board and President and Chief Executive Officer of the Company. The Board has determined that this dual role for Mr. Gary Stern is appropriate given the specific experience of Mr. Stern and characteristics and circumstances of the Company. Prior to becoming Chief Executive Officer, Mr. Gary Stern served as Vice President, Secretary, Treasurer and a director of Asta Group since 1980 and held other positions with Asta Group prior thereto. In such capacities, he has obtained substantial experience in distressed consumer credit analysis and receivables collections. In the view of the Board, Mr. Stern's combined longstanding experience as both a director of the Board and a leader in the distressed consumer credit analysis and receivables collections markets, our core businesses, make his dual role as Chairman of the Board and President and Chief Executive Officer appropriate.

Compensation Committee Matters

Compensation Committee. As of September 30, 2015, the Compensation Committee consisted of David Slackman (Chairman), Harvey Leibowitz and Ed Celano. The Compensation Committee is empowered by the Board of Directors to review the executive compensation of our officers and directors and to recommend any changes in compensation to the full Board of Directors. As noted above, all three members of the Compensation Committee have been determined to be independent within the meaning of SEC and NASDAQ regulations. As required under NASDAQ Rule 5605(d)(1), the Compensation Committee assesses the adequacy of its charter on an annual basis.

Compensation Committee Charter. The Board of Directors has adopted a Compensation Committee charter to govern its Compensation Committee. The Compensation Committee charter was filed as [Appendix A](#) to our 2015 proxy statement.

Audit Committee Matters

Audit Committee. As of September 30, 2015, the Audit Committee consisted of Harvey Leibowitz (Chairman), David Slackman and Edward Celano. Mr. Slackman became a member of the Audit Committee effective as of January 1, 2015, replacing Mr. Badillo, who passed away in December 2014. The Audit Committee is empowered by the Board of Directors to, among other things: serve as an independent and objective party to monitor our financial reporting process, internal control system and disclosure control system; review and appraise the audit efforts of our independent accountants; assume direct responsibility for the appointment, compensation, retention and oversight of the work of the outside auditors and for the resolution of disputes between the outside auditors and our management regarding financial reporting issues; and provide an open avenue of communication among the independent accountants, financial and senior management, and the Board of Directors.

Audit Committee Financial Expert. The Board of Directors has determined that Harvey Leibowitz is an audit committee financial expert as such term is defined by the SEC. As noted above, Mr. Leibowitz, as well as the other members of the Audit Committee, has been determined to be independent within the meaning of SEC and NASDAQ regulations.

Audit Committee Charter. The Audit Committee performed its duties during Fiscal 2015 under a written charter approved by the Board of Directors. The Audit Committee charter was filed as Appendix B to our 2015 proxy statement.

Independence of Audit Committee Members. Our Common Stock is listed on the NASDAQ Global Select Market and we are governed by the listing standards applicable thereto. All members of the Audit Committee of the Board of Directors have been determined to be independent directors pursuant to the definition contained in Rule 5605(a)(2) of the NASDAQ Listing Rules and under the Rule 10A-3 under the Exchange Act.

Audit Committee Report. In connection with the preparation and filing of our Annual Report on Form 10-K for the fiscal year ended September 30, 2015:

- (1) The Audit Committee reviewed and discussed the audited financial statements with our management.
- (2) The Audit Committee discussed with our independent registered public accounting firm the matters required to be discussed by Auditing Standard No. 16, *Communication with Audit Committees*.

The Audit Committee received and reviewed the written disclosures and the letter from our independent registered public accounting firm required by the Independence Standards Board Standard No. 1, as may be modified or supplemented, and discussed with our independent registered public accounting firm any relationships that may impact their objectivity and independence and satisfied itself as to the auditors' independence.

Based on the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the 2015 Annual Report on Form 10-K.

Nominating and Corporate Governance Committee Matters

Nominating and Corporate Governance Committee (Governance Committee). As of September 30, 2015, the Governance Committee consisted of Ed Celano (Chairman) and Harvey Leibowitz. (Mr. Badillo served as a member of the Governance Committee through his death on December 3, 2014.) The Governance Committee is empowered by the Board of Directors to, among other things, recommend to the Board of Directors qualified individuals to serve on our Board of Directors and to identify the manner in which the Governance Committee evaluates nominees recommended for the Board.

Independence of Governance Committee Members. Members of the Governance Committee of the Board of Directors have been determined to be independent directors pursuant to the definition contained in Rule 5605(a)(2) of the NASDAQ Listing Rules.

Procedures for Considering Nominations Made by Stockholders. The Governance Committee's charter and guidelines developed by the Governance Committee describe procedures for nominations to be submitted by stockholders and other third-parties, other than candidates who have previously served on the Board of Directors or who are recommended by the Board of Directors. The guidelines state that a nomination must be delivered to the Secretary of the Company at our principal executive offices not later than the close of business on the 90th day nor earlier than the close of business on the 120th day prior to the first anniversary of the preceding year's annual meeting; *provided, however,* that if the date of the annual meeting is more than 30 days before or more than 60 days after such anniversary date, notice to be timely must be so delivered not earlier than the close of business on the 120th day prior to such annual meeting and not later than the close of business on the later of the 90th day prior to such annual meeting or the close of business on the 10th day following the day on which public announcement of the date of such meeting is first made by us. The public announcement of an adjournment or postponement of an annual meeting will not commence a new time period (or extend any time period) for the giving of a notice as described above. The guidelines require a nomination notice to set forth as to each person whom the proponent proposes to nominate for election as a director: (a) all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors in an election contest, or is otherwise required, in each case pursuant to Regulation 14A under the Exchange Act, as amended (including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected) and (b) information that will enable the Governance Committee to determine whether the candidate or candidates satisfy the criteria established pursuant to the charter and the guidelines for director candidates.

Qualifications. The charter and guidelines developed by the Governance Committee describe the minimum qualifications for nominees and the qualities or skills that are necessary for directors to possess. The Nominating and Corporate Governance Committee Charter is filed as Appendix A to this proxy statement. Each nominee:

must satisfy any legal requirements applicable to members of the Board of Directors;

must have business or professional experience that will enable such nominee to provide useful input to the Board of Directors in its deliberations;

must have a reputation, in one or more of the communities serviced by the Company, for honesty and ethical conduct;

must have a working knowledge of the types of responsibilities expected of members of the board of directors of a public company; and

must have experience, either as a member of the board of directors of another public or private company or in another capacity, which demonstrates the nominee's capacity to serve in a fiduciary position.

Identification and Evaluation of Candidates for the Board. Candidates to serve on the Board of Directors will be identified from all available sources, including recommendations made by stockholders. The guidelines developed by the Governance Committee provide that there will be no differences in the manner in which the Governance Committee evaluates nominees recommended by stockholders and nominees recommended by the

Table of Contents

Committee or management, except that no specific process shall be mandated with respect to the nomination of any individuals who have previously served on the Board of Directors. The evaluation process for individuals other than existing Board members will include:

a review of the information provided to the Governance Committee by the proponent;

a review of reference letters from at least two sources determined to be reputable by the Governance Committee;

a personal interview of the candidate; and

a review of such other information as the Governance Committee shall determine to be relevant.

Third Party Recommendations. In connection with the Meeting, the Governance Committee did not receive any nominations from any stockholder or group of stockholders which owned more than 5% of our Common Stock for at least one year.

Diversity Considerations. We do not have a formal policy with regard to the consideration of diversity in identifying director nominees, but the Board strives to nominate directors with a variety of complementary skills so that, as a group, the Board will possess the appropriate talent, skills, and expertise to oversee our businesses.

Code of Ethics

We have adopted a written code of ethics that applies to our directors, officers and employees, including our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. Our Code of Ethics is available without charge upon written request directed to Asta Funding, Inc., Attn: Robert J. Michel, 210 Sylvan Avenue, Englewood Cliffs, New Jersey 07632.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Procedures for the Approval of Related Person Transactions

The Audit Committee Charter provides that the Audit Committee has the authority to establish, and communicate to the full Board and management, policies that restrict us and our affiliates from entering into related person transactions without the Audit Committee's prior review and approval. In accordance with these policies, the Audit Committee on a timely basis reviews and, if appropriate, approves all related person transactions.

At any time in which an executive officer, director or nominee for director becomes aware of any contemplated or existing transaction that, in that person's judgment may be a related person transaction, the executive officer, director or nominee for director is expected to notify the Chairman of the Audit Committee of the transaction. Generally, the Chairman of the Audit Committee reviews any reported transaction and may consult with outside legal counsel regarding whether the transaction is, in fact, a related person transaction requiring approval by the Audit Committee. If the transaction is considered to be a related person transaction, then the Audit Committee will review the transaction at its next scheduled meeting or at a special meeting of the committee.

Related Person Transactions

On December 28, 2011, we, through a newly-formed indirect subsidiary, ASFI Pegasus Holdings, LLC (APH), entered into a joint venture (the Venture) with Pegasus Legal Funding, LLC (PLF) to form Pegasus Funding, LLC (Pegasus) for a period of five (5) years (the Term) in accordance with an Operating Agreement between PLF and APH. In connection with the Venture, Piccolo Business Advisory which is owned by Louis Piccolo, a non-independent director of the Company, will receive a fee from Pegasus which is calculated at \$350,000 per \$10,000,000 loaned to Pegasus by Fund Pegasus, LLC, a subsidiary of the Company, up to a maximum of \$700,000, which fee is payable over eight years with payments being made in part from Pegasus's operating expenses during the Term and thereafter by PLF and its affiliates. Piccolo Business Advisory has been paid \$424,000 to date. One of our subsidiaries is advancing to Pegasus funds to cover Pegasus's operating expenses, which include payments to Piccolo Business Advisory. We expect these advances to be repaid by Pegasus after generating revenue from its litigation funding operations.

On September 17, 2015, the Company agreed to terms on a consulting agreement (the Consulting Agreement) for a two-year, \$80,000 contract with Piccolo Business Advisory. The Consulting Agreement provides that Piccolo Business Advisory will provide consulting services to us, which includes analysis of proposed debt and equity transactions, due diligence and financial analysis and management consulting services (Services). The compensation is to be paid quarterly. For the fiscal year ended September 30, 2015, the Company paid Mr. Piccolo approximately \$3,000 for the Services.

Principles of Corporate Governance

Adopted by the Board of Directors

Purpose and Nature of Principles

These principles have been adopted by Board resolution as a definitive statement of the elements of governance by which the Board will manage its affairs. These principles will be reviewed and modified by the Board as needed on recommendation of the Nominating and Corporate Governance Committee.

1. *Responsibilities of the Board.* The Directors' most basic responsibility is to exercise their business judgment to act in a manner that they reasonably believe is in the best interest of the Company and its shareholders, and, in discharging this obligation, may rely on members of the Company's management and on the Company's outside advisors and auditors. Directors must fulfill their responsibilities consistent with their fiduciary duties to the Company's shareholders and in compliance with all applicable laws and regulations. Each Director must also comply with all of the Company's policies, including its Code of Ethics.

2. *Functions of the Board.* The Board has four scheduled meetings a year at which it reviews and discusses reports by management on the financial, as well as operating, performance of the company, its plans and prospects, as well as immediate issues facing the Company. In addition to its general oversight of management, the Board also performs a number of specific functions including:

- a. selecting and evaluating the CEO and overseeing CEO succession planning;
- b. ensuring processes are in place for maintaining the integrity of the company, the integrity of the financial statements, the integrity of compliance with law and ethics, the integrity of relationships with customers and suppliers, and the integrity of relationships with other stakeholders.

3. *Board Size.* It is the policy of the Company that the number of Directors not exceed or be less than a number that can function efficiently as a body.

4. *Director Independence.* It is the policy of the Company that the Board consists of a majority of independent Directors. The Nominating and Corporate Governance Committee of the Board shall determine director independence utilizing the definition of director independence established by NASDAQ.

5. *Committees.* It is the general policy of the Company that the Board as a whole considers all major decisions. As a consequence, the committee structure of the Board is limited to those committees considered to be basic to, or required for, the operation of a publicly owned company. Currently these committees are the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee.

The Nominating and Corporate Governance Committee recommends the members and chairs of these committees to the Board.

The Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee are made up of only independent Directors as required by NASDAQ.

6. Board and Committee Self Evaluation. Annually, the Board and the committees of the Board shall discuss the performance of the Board and the committees during the year, focusing on the successes, as well as areas in which improvements would be beneficial to the performance of the Board.

7. Director Education. Each director is expected to participate in one or more director education programs regarding directors' legal duties and responsibilities over each two-year period of service.

Table of Contents

8. Presiding Director. On an annual basis, the non-employee Directors will select a non-employee member of the Board to serve as Presiding Director. The Presiding Director will chair executive sessions of the Board when the non-employee Directors meet without the Chairman and Chief Executive Officer and other inside Directors present. The Presiding Director will perform such other functions as the Board may direct, including, acting as an intermediary between the non-employee Directors and management when special circumstances exist or communication out of the ordinary course is necessary, participating in the performance evaluation of the Chief Executive Officer and reviewing the schedule of Board and Committee meetings and the agendas for Board meetings.

9. Board Meetings. Directors are expected to attend Board meetings and meetings of the Committees on which they serve, to spend the time needed and to meet as frequently as necessary to properly discharge their responsibilities. Meetings should include presentations by management and, when appropriate, outside advisors or consultants, as well as sufficient time for full and open discussion. In addition to regularly scheduled Board meetings, the Audit Committee shall meet at least four times per year, the Compensation Committee shall meet at least one time per year and the Nominating and Corporate Governance Committee shall meet at least two times per year.

10. Written Materials. Written materials that are important to the Board's understanding of the agenda items to be discussed at a Board or Committee meeting should be distributed to the Directors sufficiently in advance of the meeting to allow the Directors the opportunity to prepare. Directors are expected to review these materials thoroughly in advance of the meeting.

11. Agenda for Board Meetings. The Chairman of the Board will set the agenda for Board meetings with the understanding that certain items necessary for appropriate Board oversight will be brought to the Board periodically for review, discussion and decision-making. The Presiding Director will have the opportunity to review the agenda for each Board meeting in advance of the meeting and may request changes, as he or she deems appropriate in order to ensure that the interests and requirements of the non-employee Directors are appropriately addressed. Any Director may request that an item be included on any meeting agenda.

12. Executive Sessions of Non-Employee Directors. The non-employee Directors will meet in regular executive sessions without any members of management present at least two times each year. The Presiding Director will chair these executive sessions.

13. Conflicts of Interest. Every employee and Director has a duty to avoid business, financial or other direct or indirect interests or relationships which conflict with the interests of the Company or which may affect his or her loyalty to the Company. Each Director must deal at arm's length with the Company and should disclose to the Chairman or Presiding Director any conflict or any appearance of a conflict of interest. Any activity which even appears to present such a conflict must be avoided or terminated, unless after appropriate disclosure and discussion, it is determined that the activity is not harmful to the Company or otherwise improper.

14. Other Company Directorships. The Board recommends that, except in unusual circumstances, if a Director is employed full-time by a public company, such Director limit the number of boards on which he or she sits to the boards of two other public companies (in addition to the Company's Board and that of his or her employer). If the Director is not employed full-time by a public company, the Board recommends that, except in unusual circumstances, he or she sit on the boards of no more than four other public companies (in addition to the Company's Board). The Nominating and Corporate Governance Committee shall review on a case-by-case basis situations concerning significant involvement by a Director in non-profit or charitable organizations.

15. Change in Director Occupation. When a Director's principal occupation or business association changes substantially during his or her tenure as a Director, that Director shall tender his or her resignation for consideration

by the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee will recommend to the Board the action, if any, to be taken with respect to the resignation.

A-4

Table of Contents

16. *Term Limits*. The Board does not endorse arbitrary term limits on Directors' service, nor does it believe in automatic annual renomination until they reach the mandatory retirement age. The Board self-evaluation process is an important determinant for continuing service.

17. *Succession Planning/Management Development Review*. The Board shall oversee the senior management development and succession planning process in order to ensure that the process is rigorous and effective. In furtherance of this objective, the Nominating and Corporate Governance Committee will focus upon succession planning for the Chairman/CEO and the Chairman/CEO will annually conduct a review of the Senior Management Team (the SMT) with the Nominating and Corporate Governance Committee. This review will be shared with the full Board in connection with its broader oversight responsibilities.

18. *Communication with Stakeholders*. The Chairman and CEO are responsible for establishing effective communications with the Company's stakeholder groups, i.e., shareholders, customers, company associates, communities, suppliers, creditors, governments and corporate partners.

It is the policy of the Company that management speaks for the Company. This policy does not preclude outside Directors from meeting with shareholders, but it is suggested that in the majority of circumstances, any such meetings be held with management present.

WHISTLE-BLOWER POLICY FOR EMPLOYEES AND ON-SITE CONTRACTORS

OF

ASTA FUNDING, INC.

AS ADOPTED BY THE COMPANY'S BOARD OF DIRECTORS

Asta Funding, Inc. and Subsidiary Companies (the Company) has established a procedure by which employees and on-site contractors can report to the Company allegations of known or suspected alleged Improper Activities (as hereinafter defined).

Improper Activities include, but are not limited to, (i) questionable accounting, internal accounting controls or auditing matters; (ii) disclosures in documents filed by the Company with the Securities and Exchange Commission (the SEC) and other public disclosures made by the Company that may not be complete or accurate; (iii) violations of any written policies of the Company as may be in effect from time to time; (iv) violations of federal or state securities laws or other laws applicable to the Company; (v) wire fraud, mail fraud, bank fraud, or any fraud against the Company's stockholders or under statute; (vi) forgery or alteration of documents; (vii) misappropriation or misuse of Company resources, such as funds or other assets; (viii) authorizing or receiving compensation for goods not received or services not performed; or (ix) any other activity by an employee or on-site contractor that is undertaken in the performance of the employee's or on-site contractor's official duties, whether or not that action is within the scope of his or her employment, and that is in violation of any state or federal law or regulation, or constitutes malfeasance, bribery, fraud, misuse of Company property, or willful omission to perform his or her duties, or involves gross misconduct.

Employees are encouraged to use the guidance provided by this policy for reporting Improper Activities in accordance with the following:

1. Reporting Requirement. All officers, directors and employees or outside contractors are required to report information concerning Improper Activities. Such reports are encouraged to be made in writing so as to assure a clear understanding of the issues, but may be oral. Such reports should be factual rather than speculative or conclusory, and should contain specific information to allow for proper assessment of the nature, extent and urgency of the issues raised in the report.

Reporting employees or on-site contractors should refrain from (i) obtaining evidence for which they do not have a right of access and (ii) conducting their own investigative activities.

It is the Company's policy that no employee or on-site contractor shall be subject to disciplinary or retaliatory action by the Company or any of its employees or agents or on-site contractors as a result of the employee's or on-site contractor's submitting a report hereunder. However, employees or on-site contractors who file reports of Improper Activities or provide evidence which they know to be false or without a reasonable belief in the truth and accuracy of such information will not be protected by the above policy statement and may be subject to disciplinary action and legal claims.

Reporting employees or on-site contractors that report Improper Activities on an anonymous basis must provide sufficient corroborating evidence to justify the commencement of an investigation. Unspecified wrongdoing or broad

allegations without verifiable evidentiary support may not lead to an investigation. Because of the inability of investigators to interview anonymous reporting employees or on-site contractors, it may be more difficult to evaluate the credibility of an Improper Activity and therefore, it is less likely that an investigation will be initiated.

2. Procedure for Reporting Improper Activities.
