**3. Earnings Target for the Fiscal Year ending March 31, 2016 (Consolidated)**

MUFG has the target of 950.0 billion yen of profits attributable to owners of parent for the fiscal year ending March 31, 2016. (There is no change to our earnings target released on May 15, 2015.)

MUFG is engaged in financial service businesses such as banking business, trust banking business, securities business and credit card/loan businesses. Because there are various uncertainties caused by economic situation, market environments and other factors in these businesses, MUFG discloses a target of its profits attributable to owners of parent instead of a forecast of its performance.

ø Notes for using forecasted information etc.

1. This financial summary report contains forward-looking statements regarding estimations, forecasts, targets and plans in relation to the results of operations, financial conditions and other overall management of the company and/or the group as a whole (the forward-looking statements ). The forward-looking statements are made based upon, among other things, the company's current estimations, perceptions and evaluations. In addition, in order for the company to adopt such estimations, forecasts, targets and plans regarding future events, certain assumptions have been made. Accordingly, due to various risks and uncertainties, the statements and assumptions are inherently not guarantees of future performance, may be considered differently from alternative perspectives and may result in material differences from the actual result. For the main factors that may affect the current forecasts, please see Consolidated Summary Report, Annual Securities Report, Disclosure Book, Annual Report, and other current disclosures that the company has announced.
2. The financial information included in this financial summary report is prepared and presented in accordance with accounting principles generally accepted in Japan ( Japanese GAAP ). Differences exist between Japanese GAAP and the accounting principles generally accepted in the United States ( U.S. GAAP ) in certain material respects. Such differences have resulted in the past, and are expected to continue to result for this period and future periods, in amounts for certain financial statement line items under U.S. GAAP to differ significantly from the amounts under Japanese GAAP. For example, differences in consolidation basis or accounting for business combinations, including but not limited to amortization and impairment of goodwill, could result in significant differences in our reported

**(Reference)****Exposure to Securitized Products and Related Investments**

Our exposure to securitized products and related investments as of the end of December 2015 is outlined below. (Figures are on a managerial basis and rounded off to billion yen or to the second decimal point of trillion yen)

## 1. Balance, net unrealized gains (losses), realized gains (losses)

(1) The balance as of the end of December 2015 was ¥3.17 trillion in total, a decrease of ¥0.22 trillion from the balance as of the end of March 2015, mainly due to a decrease in CLOs.

(2) Net unrealized losses were ¥22 billion, worsened by ¥19 billion compared to the end of March 2015.

(3) P/L impact for the quarter ended December 31, 2015 was small, an increase of ¥0.2 billion.

1. Balance is the amount after impairment and before deducting net unrealized gains (losses).

The above table does not include mortgage-backed securities arranged and guaranteed by U.S. government sponsored enterprises, etc., Japanese RMBS such as Japanese Housing Finance Agency securities, and products held by funds such as investment trusts. These are also applicable to the tables in this document.

2. Following the publication of "Tentative Solution on Reclassification of Debt Securities" (Practical Issue Task Force No.26, The Accounting Standards Board of Japan, December 5, 2008), some of our securitized products were reclassified into securities being held to maturity from securities available for sale at and after the end of January 2009. The balance and net unrealized gains (losses) of the securities being held to maturity in the above table are based on book value before reclassification.

## 2. Distribution by rating

Edgar Filing: MITSUBISHI UFJ FINANCIAL GROUP INC - Form 6-K

- (1) AAA-rated products accounted for 88% of our investments in securitized products as of the end of December 2015, an increase of 1 percentage point from the end of March 2015. The volume of holdings of high-rated securitized product decreased, while the total volume of holdings of securitized product also decreased, resulted in an increase in the ratio.
- (2) AAA and AA-rated products accounted for 99% of our investments in securitized products.
