### Item 1.01 Entry into a Material Definitive Agreement.

On October 20, 2016, BBX Capital Corporation ( BBX Capital ), BFC Financial Corporation ( BFC ) and BBX Merger Subsidiary LLC, a wholly owned subsidiary of BFC ( Merger Sub ), entered into a letter agreement relating to the previously disclosed Agreement and Plan of Merger, dated as of July 27, 2016, between BBX Capital, BFC and Merger Sub (the Merger Agreement ). The letter agreement (the Amendment ), a copy of which is attached hereto as Exhibit 2.1, amends the Merger Agreement to add as a condition to closing the merger that, unless waived by the companies, (i) any litigation or threatened litigation against the companies or their affiliates relating to the merger shall be resolved to the satisfaction of BFC and BBX Capital or (ii) the holders of at least 2,250,000 shares of BBX Capital s Class A Common Stock shall execute and deliver to BBX Capital a waiver and release in form and substance acceptable to BFC and BBX Capital irrevocably (a) waiving their right to participate in, or receive any proceeds from, any shareholder class action lawsuit relating to the merger and (b) releasing and discharging BFC, BBX Capital, Merger Sub, the Surviving Company (as defined in the Merger Agreement) and each of their respective officers, directors, employees, members, managers and other affiliates from any and all claims, demands, controversies, causes of action, obligations, liabilities, costs, expenses, fees and damages arising out of the Merger Agreement other than in connection with the exercise of appraisal rights in respect of the merger or any failure to pay or issue to the shareholder the stock and/or cash consideration to which the shareholder is entitled pursuant to the terms of the Merger Agreement. The Amendment was approved by the special committee of BBX Capital s board of directors and the respective boards of directors of BBX Capital and BFC based on their consideration of, among other things, the costs and uncertainty involved in litigation and the potential negative impact that an adverse judgment in any class action lawsuit challenging the merger could have on the combined company. As previously disclosed, consummation of the merger is also subject to other closing conditions set forth in the Merger Agreement.
