Item 1.01. Entry Into a Material Definitive Agreement.

On August 14, 2018, Energen Corporation (Energen) entered into an Agreement and Plan of Merger (the Merger Agreement) with Diamondback Energy, Inc. (Diamondback) and Sidewinder Merger Sub Inc., a wholly owned subsidiary of Diamondback (Merger Sub).

The Merger Agreement provides that, among other things and subject to the terms and conditions of the Merger Agreement, (1) Merger Sub will be merged with and into Energen (the Merger), with Energen surviving and continuing as the surviving corporation in the Merger, and, (2) at the effective time of the Merger (the Effective Time), each outstanding share of common stock of Energen (other than shares held in treasury by Energen, shares owned by Diamondback or Merger Sub or shares with respect to which dissenters' rights have been validly exercised in accordance with Alabama law) will be converted into the right to receive 0.6442 of a share of common stock of Diamondback, plus cash in lieu of any fractional shares that otherwise would have been issued (the Merger Consideration).

Pursuant to the Merger Agreement, at the Effective Time, (1) each outstanding Energen stock option and stock appreciation right in respect of Energen common stock will convert into a stock option and stock appreciation right of equivalent value relating to shares of Diamondback common stock on the terms set forth in the Merger Agreement, (2) each outstanding Energen performance share award with a performance period that is scheduled to terminate on December 31, 2018 will vest immediately prior to the Effective Time and convert into the Merger Consideration with respect to each share subject to such award and (3) each outstanding Energen time-vesting restricted stock unit award and (other than as provided in clause (2)) performance share award will convert into a time-vesting Diamondback restricted stock unit award of equivalent value on the terms set forth in the Merger Agreement. Performance goals applicable to Energen performance share awards will be deemed satisfied at the greater of target and actual performance as of the Effective Time.

The board of directors of Energen has unanimously (1) determined that the Merger Agreement and the transactions contemplated thereby are fair to, and in the best interests of, Energen and its shareholders, (2) adopted and approved the Merger Agreement and the transactions contemplated hereby, (3) directed that the Merger Agreement be submitted to Energen's shareholders for approval and (4) resolved to recommend the approval of the Merger Agreement by Energen shareholders, who will be asked to vote on the approval of the Merger Agreement at a special shareholders meeting.

The completion of the Merger is subject to satisfaction or waiver of certain customary mutual closing conditions, including (1) the receipt of the required approvals from Energen shareholders and Diamondback stockholders, (2) the expiration or termination of the waiting period under the Hart-Scott-Rodino Act, as amended (the HSR Act), (3) the absence of any governmental order or law that makes consummation of the Merger illegal or otherwise prohibited, (4) the effectiveness of the registration statement on Form S-4 to be filed by Diamondback pursuant to which the shares of Diamondback common stock to be issued in connection with the merger are registered with the Securities and Exchange Commission (the SEC), (5) the authorization for listing of Diamondback common stock to be issued in connection with the merger on the NASDAQ and (6) the receipt by each party of a customary opinion that the Merger will qualify as a reorganization within the meaning of Section 368(a) of the U.S. tax code. The obligation of each party to consummate the Merger is also conditioned upon the other party's representations and warranties being true and correct (subject to certain materiality exceptions) and the other party having performed in all material respects its obligations under the Merger Agreement.

The Merger Agreement contains customary representations and warranties of Diamondback and Energen relating to their respective businesses, financial statements and public filings, in each case generally subject to customary materiality qualifiers. Additionally, the Merger Agreement provides for customary pre-closing covenants of Diamondback and Energen, including covenants relating to conducting their respective businesses in the ordinary course and refraining from taking certain actions

without the other party's consent. Diamondback and Energen also agreed to use their respective reasonable best efforts to cause the Merger to be consummated and to obtain expiration or termination of the waiting period under the HSR Act, subject to certain exceptions, including that Diamondback is not required to take any action that would reasonably be expected to have, individually or in the aggregate, a material adverse effect on the business, financial condition or operations of the combined company from and after the closing.

The Merger Agreement provides that, during the period from the date of the Merger Agreement until the Effective Time, each of Diamondback and Energen will be subject to certain restrictions on its ability to solicit alternative acquisition proposals from third parties, to provide non-public information to third parties and to engage in discussions with third parties regarding alternative acquisition proposals, subject to customary exceptions. Diamondback is required to call a meeting of its stockholders to approve the issuance of Diamondback common stock in connection with the merger (the Diamondback Stock Issuance) and, subject to certain exceptions, to recommend that its stockholders approve the Diamondback Stock Issuance. Energen is required to call a meeting of its shareholders to approve the Merger Agreement and, subject to certain exceptions, to recommend that its shareholders approve the Merger Agreement.

The Merger Agreement contains termination rights for each of Diamondback and Energen, including, among others, (1) if the consummation of the Merger does not occur on or before March 31, 2019, subject to extension to June 30, 2019 for the sole purpose of obtaining regulatory clearances and (2) subject to certain conditions, if such party wishes to terminate the Merger Agreement to enter into a definitive agreement with respect to a Parent Superior Proposal or a Company Superior Proposal (in each case, as such term is defined in the Merger Agreement), as applicable. Upon termination of the Merger Agreement under specified circumstances, including the termination by Energen in the event of a change of recommendation by Diamondback board of directors or by Diamondback to enter into an agreement providing for a Parent Superior Proposal (as such term is defined in the Merger Agreement), Diamondback would be required to pay Energen a termination fee of \$400 million. In addition, upon termination of the Merger Agreement under specified circumstances, including the termination by Diamondback in the event of a change of recommendation by the Energen board of directors or by Energen to enter into an agreement providing for a Company Superior Proposal (as such term is defined in the Merger Agreement), Energen would be required to pay Diamondback a termination fee of \$250 million. In addition, if the Merger Agreement is terminated because of a failure of Energen's shareholders or Diamondback's stockholders to approve the proposals required to complete the Merger, Energen and Diamondback, as applicable, may be required to reimburse the other party for its actual transaction expenses in an amount not to exceed \$40 million, in the case of Energen's expenses, and \$25 million, in the case of Diamondback's expenses. In no event will either party be entitled to receive more than one termination fee, net of any expense reimbursement.

The foregoing description of the Merger Agreement and the transactions contemplated thereby in this Current Report on Form 8-K is only a summary and does not purport to be complete and is qualified in its entirety by reference to the full text of the Merger Agreement, a copy of which is filed as Exhibit 2.1 hereto and incorporated by reference herein.

The Merger Agreement has been included to provide investors with information regarding its terms. It is not intended to provide any other factual information about Energen. The representations, warranties and covenants contained in the Merger Agreement were made only for purposes of the Merger Agreement as of the specific dates therein, were solely for the benefit of the parties to the Merger Agreement, may be subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosures made for the purposes of allocating contractual risk between the parties to the Merger Agreement instead of establishing these matters as facts, and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors. Investors are not third-party beneficiaries under the Merger Agreement and should not rely on the representations, warranties

and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of the parties thereto or any of their respective subsidiaries or affiliates. Moreover, information concerning the subject matter of representations and warranties may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in Energen's public disclosures.

Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On August 14, 2018, Energen entered into amendments to the severance compensation agreements with its named executive officers, James T. McManus, II, Charles W. Porter, Jr., John S. Richardson and David A Godsey. The amendments expand the geographic scope of the noncompetition covenant included in such agreements to include acreage subject to a mineral interest, leasehold interest or unit of Diamondback (in addition to Energen), acreage that is contiguous to such acreage, and several counties in which Energen and Diamondback have acreage, in consideration for Energen's agreement to reimburse any taxes that might become due under Section 4999 of the Internal Revenue Code in connection with the Merger or a termination of employment thereafter. If applicable, the reimbursement would be paid to the relevant taxing authorities to place the executives in the same after-tax position as if Section 4999 of the Internal Revenue Code did not apply. The amendments would terminate automatically if the Merger Agreement were terminated and the Merger were not consummated. In addition, the Merger Agreement provides that Energen may take actions to mitigate the impact of Sections 280G and 4999 of the Internal Revenue Code on Energen and the executives.

The foregoing description of the amendments to the severance compensation agreements is only a summary and does not purport to be complete and is qualified in its entirety by reference to the full text thereof, a copy of the form of which is filed as Exhibit 10.1 hereto and incorporated by reference herein.

Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On August 14, 2018, the Board of Directors of Energen amended and restated Energen's By Laws by adding a new Article VIII containing a forum selection provision (the Amendment). The Amendment provides that, unless Energen consents in writing to the selection of an alternative forum, the sole and exclusive forum for (1) any derivative action or proceeding brought on behalf of Energen, (2) any action asserting a claim for or based on a breach of a fiduciary duty owed by any current or former director or officer or other employee of Energen to Energen or to Energen's shareholders, including a claim alleging the aiding and abetting of such a breach of fiduciary duty, (3) any action asserting a claim against Energen or any current or former director or officer or other employee of Energen arising pursuant to any provision of the Alabama Business Corporation Law or Energen's certificate of incorporation or By Laws (as either may be amended from time to time) or (4) any action asserting a claim related to or involving Energen that is governed by the internal affairs doctrine will be the Circuit Court of Jefferson County, Alabama, Birmingham Division, or in the event that the Circuit Court of Jefferson County, Alabama, Birmingham Division, lacks jurisdiction, the U.S. District Court for the Northern District of Alabama.

The By Laws, as amended and restated, are filed with this Current Report on form 8-K as Exhibit 3.1 and are incorporated by reference herein. The foregoing summary of the Amendment is qualified in its entirety by reference to the full text of the By Laws, as amended by the Amendment.
