GENERAL INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

Who can vote?

Shareholders of record at the close of business on March 26, 2019, the record date, may vote at the Annual Meeting.

As of the record date, there were 24,100,611 shares of our common stock outstanding.

How many votes do I have?

You have one vote for each share of our common stock that you owned as of the record date. These shares include shares held by you as a shareholder of record and as a beneficial owner.

What is the difference between holding shares as a shareholder of record and as a beneficial owner ?

If your shares are registered directly in your name with our transfer agent, you are considered the shareholder of record with respect to those shares. We have sent these proxy materials directly to you.

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of the shares held in street name. Your broker, bank or other nominee who is considered the shareholder of record with respect to those shares has forwarded these proxy materials to you. Because only shareholders of record are entitled to vote at the Annual Meeting, as the beneficial owner, you must direct your broker, bank or other nominee on how to vote your shares by using the voting instruction form included in the mailing or by following their instructions for voting by telephone or the Internet.

What is a proxy?

If you legally designate another person to vote the shares you own at a meeting of shareholders according to your instruction, that person is your proxy. If you designate someone as your proxy in a written document, that document is also called a proxy or a proxy card. We have designated two of our officers to serve as proxies for the Annual Meeting. These officers are Alan Johnson and Matthew Revord.

How can I vote my shares?

Shareholders of Record. Shareholders of record may vote their shares or submit a proxy to have their shares voted by one of the following methods:

By Internet - You may vote your shares online via the Internet by following the instructions provided on the enclosed proxy card. Internet voting facilities will be available 24 hours a day and will close at 11:59 p.m., Eastern Time, on May 15, 2019.

By Telephone - You may vote your shares by touch-tone telephone by calling the toll-free number on the enclosed proxy card. Telephone voting facilities will be available 24 hours a day and will close at 11:59 p.m., Eastern Time, on May 15, 2019.

By Mail (if you received a paper copy of the proxy materials by mail) - You may vote your shares and submit your proxy by completing, signing and dating your proxy card and returning it in the reply envelope included with these proxy materials.

In Person - You may attend the Annual Meeting and vote your shares in person by completing a ballot. Attending the Annual Meeting without completing a ballot will not count as a vote. If you choose to vote in person, you must bring to the Annual Meeting proof of identification and either your Notice Regarding of Internet Availability of Proxy Materials or proxy card showing your control number. You are encouraged to complete, sign and date the proxy card and mail it in the enclosed postage pre-paid envelope regardless of whether or not you plan to attend the Annual Meeting.

Beneficial Owners. If you are the beneficial owner of your shares (that is, you hold your shares in street name through an intermediary such as a broker, bank or other nominee), you will receive a voting instruction form from your bank, broker or other nominee.

Your bank, broker or other nominee will not vote your shares on Proposals 1, 3, 4 or 5 unless you provide them instructions on how to vote your shares. You should instruct your bank, broker or other nominee how to vote your shares by following the

Table of Contents

GENERAL INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

directions provided by your bank, broker or other nominee. Alternatively, you may obtain a legal proxy from your bank, broker or other nominee and bring it with you to hand in with a ballot in order to be able to vote your shares in person at the Annual Meeting. If you choose to vote in person at the meeting, you must bring the following: (i) proof of identification, (ii) an account statement or letter from the bank, broker or other nominee indicating that you are the beneficial owner of the shares and (iii) a signed legal proxy from the shareholder of record giving you the right to vote the shares. The account statement or letter must show that you were the beneficial owner of the shares on March 26, 2019, the record date for the Annual Meeting.

General. If you submit your proxy using any of the methods above, Alan Johnson or Matthew Revord will vote your shares in the manner you indicate. You may specify whether your shares should be voted for all, some, or none of the nominees for director, for, against or abstain from voting for Proposals 2, 3, 5 and any other proposals properly introduced at the Annual Meeting, and for every year, every two years, or every three years or abstain from voting for Proposal 4. If you vote by telephone or Internet and choose to vote with the recommendation of our Board of Directors, or if you vote by mail, sign your proxy card, and do not indicate specific choices, your shares will be voted **FOR** the election of each of the seven director nominees (Proposal 1), **FOR** ratification of the appointment of Deloitte & Touche LLP to serve as our independent public accounting firm (Proposal 2); **FOR** the non-binding resolution to approve our 2018 named executive officer compensation (Proposal 3); to consider future advisory votes to approve named executive officer compensation **EVERY YEAR** (Proposal 4); and **FOR** approval of the Potbelly Corporation 2019 Long-Term Incentive Plan (Proposal 5).

If a matter to be considered at the Annual Meeting is timely submitted pursuant to Rule 14a-4(c)(1) promulgated under the Securities Exchange Act of 1934, as amended (the Exchange Act), your proxy will authorize Alan Johnson or Matthew Revord to vote your shares in their discretion with respect to any such matter subsequently raised at the Annual Meeting. At the time this Proxy Statement was filed, we knew of no matters to be considered at the Annual Meeting other than those referenced in this Proxy Statement.

How can I revoke my proxy?

You may revoke a proxy in any one of the following three ways:

submit a valid, later-dated proxy, or vote again by Internet or by phone after your original vote;

notify our corporate secretary in writing before the Annual Meeting that you have revoked your proxy; or

vote in person at the Annual Meeting.

If I have already voted by proxy on one or more proposals, can I change my vote?

Yes. To change your vote by proxy, simply sign, date and return the enclosed proxy card or voting instruction form in the accompanying postage pre-paid envelope, or vote by proxy via telephone or the Internet in accordance with the instructions on the proxy card or voting instruction form. We strongly urge you to vote by proxy **FOR** the election of each of the seven director nominees named in Proposal 1, **FOR** Proposals 2, 3, and 5, and **EVER YEAR** on Proposal 4. Only your latest dated proxy will count at the Annual Meeting.

What quorum is required for the Annual Meeting?

In order to have a valid shareholder vote, a quorum must exist at the Annual Meeting. At the Annual Meeting a quorum exists when shareholders holding a majority of the issued and outstanding shares entitled to vote are present in person or represented by proxy at the meeting.

Votes withheld, abstentions and broker-non votes (discussed below under **What is the effect of abstentions and broker non-votes?**) will be counted as present or represented for purposes of determining whether a quorum exists. In the absence of a quorum, the Annual Meeting may be adjourned by a majority of the votes entitled to be cast either present in person or represented by proxy or by any officer entitled to preside at the Annual Meeting.

Table of Contents**GENERAL INFORMATION ABOUT THE ANNUAL MEETING AND VOTING****What vote is required to approve each proposal?**

		Broker Discretionary
Proposal 1	Vote Required	Voting Allowed
Election of seven director nominees to serve a term of one year	Plurality of votes cast	No
Proposal 2		
Ratification of the appointment of Deloitte & Touche LLP to serve as our independent registered public accounting firm for the fiscal year ending December 29, 2019	Majority of shares present in person or represented by proxy and entitled to vote	Yes
Proposal 3		
Non-binding, advisory vote on resolution to approve our 2018 named executive officer compensation	Majority of shares present in person or represented by proxy and entitled to vote	No
Proposal 4		
Non-binding, advisory vote regarding the frequency of future advisory votes to approve named executive officer compensation	N/A	No

Proposal 5

Approval of the Potbelly Corporation 2019 Long-Term Incentive Plan	Majority of votes cast	No
---	------------------------	----

How are the voting results determined?

For the election of directors, your vote may be cast for each of the nominees or your vote may be withheld with respect to one or more of the nominees. The nominees receiving the largest number of for votes will be elected as directors, up to the maximum number of directors to be chosen for election. Each of Proposals 2, 3 and 5 will pass if the total votes cast for such proposal exceed the total number of votes cast against and abstain for such proposal. For Proposal 4, your vote may be cast for every year, every two years, every three years or abstain. Proposal 4 is an advisory vote and is not binding on the Company or the Board, and the Board will consider the frequency receiving the most votes cast at the Annual Meeting to be the preference of our shareholders. The Board may decide that it is in the best interests of the Company and our shareholders to hold future advisory votes more or less frequently than the frequency preferred by our shareholders.

What is the effect of abstentions and broker non-votes?

Because the election of directors is determined on the basis of a plurality of the votes cast, abstentions have no effect on the outcome of the election of seven nominees to the Board of Directors (Proposal 1), although abstentions will result in directors receiving fewer votes. Similarly, because the advisory vote regarding the frequency of future advisory votes to approve named executive compensation (Proposal 4) requires shareholders to either indicate a preference between three options (every year, every two years or every three years) or choose to abstain, abstentions will only result in fewer votes being cast for the other three options.

Because the approval of a majority of shares present and entitled to vote is required to ratify the appointment of Deloitte & Touche LLP as our independent public accountants for the fiscal year ending December 29, 2019 (Proposal 2), to approve on an advisory basis, the non-binding resolution to approve our 2018 named executive officer compensation (Proposal 3), and to adopt the Potbelly Corporation 2019 Long-Term Incentive Plan (Proposal 5), abstentions have the effect of a vote against those proposals.

Broker non-votes occur when brokers do not have discretionary voting authority to vote certain shares held in street name on particular non-routine proposals, including the election of directors, and the beneficial owner of those shares has not instructed the broker to vote on those proposals. Shares registered in the name of a broker, bank or other nominee, for which proxies are voted on some, but not all matters, will be considered to be represented at the Annual Meeting and voted only as to those matters for which the broker, bank or other nominee has authority to vote. Broker non-votes will have no direct effect on the outcome of the election of directors, on the advisory resolution on executive compensation, on the frequency of future advisory votes on executive compensation or to the approval of our long-term incentive plan.

GENERAL INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

Will my shares be voted if I do nothing?

If your shares are registered in your name, you must sign and return a proxy card in order for your shares to be voted, unless you vote via telephone or the Internet or vote in person at the Annual Meeting. If you submit (including by telephone or Internet) your proxy card with no instructions on how to vote, your shares will be voted in accordance with the recommendations of the Board.

If your shares of our common stock are held in street name, your bank, broker or other nominee has enclosed a proxy card or voting instruction form with this Proxy Statement. We strongly encourage you to authorize your bank, broker or other nominee to vote your shares by following the instructions provided on the proxy card or voting instruction form. If you sign (including electronic confirmation in the case of Internet or telephone voting) your broker voting instruction form with no instructions on how to vote, your stock will be voted in the broker's discretion only with respect to routine matters but will not be voted with respect to non-routine matters. The only routine matter on the ballot for the Annual Meeting is the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending December 29, 2019 (Proposal 2).

Please return your proxy card or voting instruction form to your bank, broker or other nominee by proxy by signing, dating and returning the enclosed proxy card or voting instruction form in the accompanying postage pre-paid envelope or vote by proxy via telephone or the Internet in accordance with the instructions in the proxy card or voting instruction form. Please contact the person responsible for your account to ensure that a proxy card or voting instruction form is voted on your behalf.

We strongly urge you to vote by proxy **FOR** the election of each of the seven director nominees named in Proposal 1, **FOR** Proposals 2, 3, and 5, and **EVERY YEAR** on Proposal 4 by signing, dating and returning the enclosed proxy card today in the envelope provided. You may also vote by proxy by telephone using the toll-free number on the proxy card or by Internet using the website address on the proxy card. If your shares are held in street name, you should follow the instructions on the voting instruction form provided by your bank, broker or other nominee, and provide specific instructions to your bank, broker or other nominee to vote as described above.

What are the fiscal year end dates?

This Proxy Statement provides information about the matters to be voted on at the Annual Meeting and additional information about Potbelly and its executive officers and directors. Overview

All of our corporate governance materials, including our corporate governance guidelines, our ethics code of conduct and Board committee charters, are published under the Governance section of our Investor website at <http://investors.potbelly.com/corporate-governance/governance-documents>. Information on our website does not constitute part of this Proxy Statement. These materials are also available in print to any shareholder without charge upon request made by telephone at (312) 951-0600 or by mail to our principal executive offices at Potbelly Corporation, 111 North Canal Street, Suite 850, Chicago, Illinois 60606, Attention: Corporate Secretary. The Board of Directors regularly reviews these materials, Delaware law, the rules and listing standards of the Nasdaq Global Select Market (NASDAQ) and SEC rules and regulations, as well as best practices suggested by recognized governance authorities, and modifies the materials as it believes is warranted.

Director Independence

Our Board of Directors reviews the independence of the current and potential members of the Board of Directors in accordance with independence requirements set forth in the NASDAQ rules and applicable provisions of the Exchange Act. During its review, the Board of Directors considers transactions and relationships between each director and potential director, as well as any member of his or her immediate family, and the Company and its affiliates, including those related-party transactions contemplated by Item 404(a) of Regulation S-K under the Exchange Act. The Board of Directors must affirmatively determine that the director has no material relationship with the Company, either directly or as a partner, shareholder or officer of an organization that has a relationship with the Company, that, in the opinion of the Board of Directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. The purpose of this review is to determine whether any such relationships or transactions exist that are inconsistent with a determination that the director is independent. Our Board of Directors has determined that all nominees except Alan Johnson, our President and Chief Executive Officer, are independent as such term is defined by NASDAQ rules, our corporate governance standards and the federal securities laws.

Corporate Environmental and Social Responsibility

We are committed to improving the world by improving the communities we serve. That means being a responsible community member in each of our neighborhoods and always looking for ways to reduce our footprint and improve our relationships with people. We believe it is important to conduct our business in an ethical, legal and socially responsible manner and have undertaken a number of initiatives to reduce our environmental impact and to ensure a healthy and safe workplace. We expect our suppliers and business partners to adhere to these ideals and to promote these values, and have adopted a Supplier Code of Conduct specifying the standards and principles we expect all of our suppliers to adhere to. A copy of the Supplier Code of Conduct and related information can be found in the

Corporate Responsibility section of the About Us page of our website at www.potbelly.com.

Ethics Code of Conduct

We have a written ethics code of conduct that applies to our directors, officers and employees. A copy of this code is available at <http://investors.potbelly.com/corporate-governance/governance-documents>. We will disclose information regarding any amendment to or waiver from the provision of this code by posting it on the same portion of our website.

Conflicts of Interest

Pursuant to our ethics code of conduct and our related party transaction policy, each director and executive officer has an obligation not to engage in any transaction that could be deemed a conflict of interest. Our directors may not engage in any transaction that could impact their independence on the Board of Directors. See Related Party Transactions, on page 48 of this Proxy Statement.

Structure of the Board of Directors

Our certificate of incorporation provides that our Board of Directors shall consist of not more than twelve directors, with the exact number as determined from time to time by resolution of the Board. Our Board of Directors currently consists of ten members: Pete Bassi, Joseph Boehm, Ann-Marie Campbell, Susan Chapman-Hughes, Sue Collyns, Dan Ginsberg, Marla Gottschalk, Alan Johnson, Harvey Kanter and Benjamin Rosenzweig. All current directors, except for Pete Bassi, Ann-Marie Campbell and Harvey Kanter, are nominees for election for a term expiring at our 2020 Annual Meeting of Shareholders (the 2020 Annual Meeting). Mr. Bassi, Ms. Campbell and Mr. Kanter have each given notice to the Board of his or her intent to not stand for re-election, as each will be retiring from service as a director effective upon the conclusion of his or her current term at the Annual Meeting. Our certificate of incorporation provides that if a director is removed or if a vacancy occurs, the vacancy may be filled by a majority of the directors then in office, even if less than a quorum.

Board Leadership Structure

Mr. Bassi currently serves as our Chairman of the Board. The Board appointed Mr. Bassi to the role of Chairman in August of 2017. Prior to that appointment, Mr. Bassi served as Lead Director and the role of Chairman of the Board and CEO were combined. Mr. Bassi has given notice to the Board of his intent not to stand for re-election to the Board at the Annual Meeting. The Board anticipates appointing Dan Ginsberg to the role of Chairman of the Board once Mr. Bassi's term has ended at the Annual Meeting. Mr. Ginsberg has been a member of our Board of Directors since 2014 and currently is a member of the Audit Committee and of the Nominating and Corporate Governance Committee. Our Board of Directors has carefully considered its leadership structure and believes at this time that the Company and its shareholders are best served by having the offices of Chairman of the Board and CEO held by different individuals. As part of our corporate governance principles, and as required in our Bylaws, in the event the Chairman of the Board and CEO positions are ever recombined, or the Chairman of the Board is not otherwise independent, the Board of Directors shall appoint an independent director to serve as lead independent director. The Bylaws also provide that the chairperson of each of our committees will rotate at least once every three years. Our Board of Directors believes that these and other features of our Board structure provide for substantial independent oversight of the Company's management.

Our Board of Directors recognizes that depending on future circumstances, other leadership models may become more appropriate. Accordingly, our Board of Directors will continue to periodically review its leadership structure.

DIRECTOR COMPENSATION

Director Stock Ownership Guidelines

The Board believes that all directors should hold a significant equity interest in Potbelly. Toward this end, the Board expects that all directors own, or acquire within five years of first becoming a director, shares of Potbelly common stock (including restricted shares, but not options, under Potbelly's equity-linked incentive plans) having a market value of at least four times the annual cash compensation for directors (excluding any additional retainer received for service as Chairman of the Board or Lead Director, or as Chair of any Board committee) offered to directors (regardless of whether the director elects to receive such compensation in cash).

As of December 30, 2018, all directors met or exceeded the stock ownership guidelines to which they were subject.

PROPOSAL 1

PROPOSAL 1

Election of Directors

Seven candidates will be elected at the Annual Meeting to serve for a one-year term that will expire at the 2020 Annual Meeting and until their successors shall have been elected and qualified. The election of directors requires the affirmative vote of a plurality of our shares of common stock present in person or by proxy at the Annual Meeting.

Our Board of Directors has nominated Joseph Boehm, Susan Chapman-Hughes, Sue Collyns, Dan Ginsberg, Marla Gottschalk, Alan Johnson, and Benjamin Rosenzweig for election as directors. Directors Pete Bassi, Ann-Marie Campbell and Harvey Kanter have each given notice to the Board of intent to not stand for re-election, as each will be retiring from the Board of Directors effective upon the conclusion of his or her current term at the Annual Meeting. The Board of Directors is not aware that any nominee will be unwilling or unable to serve as a director. All nominees have consented to be named in this Proxy Statement and to serve as a director of the Company if elected. Proxies may not be voted for a greater number of persons than the number of nominees named in this Proxy Statement.

The Board's nominees possess the requisite experience and skills to successfully oversee the Company's strategy and business, in the Board's view. The Board, and its nominees, are dedicated to analyzing objectively the Company's strategy, business operations, capital allocation and configuration and acting to maximize shareholder value.

For more information on the structure of our Board of Directors and our Board members and nominees, see Corporate Governance. The qualifications and experience of each nominee that led our Board and the Nominating and Corporate Governance Committee to conclude that such nominee should serve or continue to serve as director are discussed at the end of each of the nominees' biographies.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR EACH OF THESE NOMINEES.

Table of Contents**PROPOSAL 2****PROPOSAL 2****Ratification of Appointment of Independent Registered Public Accounting Firm**

The Audit Committee of our Board of Directors is responsible for recommending, for shareholder approval, our independent registered public accounting firm. The Audit Committee has selected the accounting firm of Deloitte & Touche LLP to serve as our independent registered public accounting firm for the fiscal year ending December 29, 2019. Deloitte & Touche LLP has served as our independent registered public accounting firm since before our Initial Public Offering and has also provided non-audit services from time to time.

Although ratification is not required by our Bylaws or otherwise, our Board of Directors is submitting the selection of Deloitte & Touche LLP to our shareholders for ratification because we value our shareholders' views on our independent registered public accounting firm and as a matter of good corporate practice. The Audit Committee will consider the outcome of this vote in its decision to appoint an independent registered public accounting firm but is not bound by our shareholders' vote. Even if the selection of Deloitte & Touche LLP is ratified, the Audit Committee may change the appointment at any time during the year if it determines a change would be in the best interests of the Company and our shareholders.

The following table sets forth the fees pertaining to audit services for the fiscal years ended December 30, 2018 and December 31, 2017 and for other services during those fiscal years:

	2018	2017
Audit fees ⁽¹⁾	\$ 683,666	\$ 503,000
Audit-related fees ⁽²⁾	10,000	5,000
Tax fees ⁽³⁾	392,645	339,525
All other fees	0	0
Total fees	\$ 1,086,311	\$ 847,525

- Audit fees include fees for audits of our annual financial statements and internal controls, reviews of the related quarterly financial statements, and services that are normally provided by the independent accountants in connection with statutory and regulatory filings or engagements, including reviews of documents filed with the SEC.*
- Audit-related fees were comprised of fees for services performed in connection with other audit-related services and our filing of a registration statement on Form S-8.*
- Tax fees relate to professional services rendered for tax compliance, tax return review and preparation, cost segregation study and related tax advice.*

Policy on Audit Committee Approval of Audit and Non-Audit Services

The Audit Committee's policy is to approve all audit and permissible non-audit services prior to the engagement of our independent registered public accounting firm to provide such services. The Audit Committee annually approves,

pursuant to detailed approval procedures, certain specific categories of permissible non-audit services. Such procedures include the review of (i) a detailed description by our independent registered public accounting firm of the particular services to be provided and the estimated fees for such services and (ii) a regular report to the committee regarding the services provided and the fees paid for such services. The Audit Committee must approve on a project-by-project basis any permissible non-audit services that do not fall within a pre-approved category and any fees for pre-approved permissible non-audit services that materially exceed the previously approved amounts. In making the determinations about non-audit services, the Audit Committee considers whether the provision of non-audit services is compatible with maintaining the auditor's independence.

All services provided to the Company by Deloitte & Touche LLP in fiscal 2018 and fiscal 2017 and related fees were pre-approved by the Audit Committee.

Representatives of Deloitte & Touche LLP are expected to be present at the Annual Meeting and to be available to respond to your questions. They have advised us that they do not presently intend to make a statement at the Annual Meeting, although they will have the opportunity to do so.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR RATIFICATION OF THE APPOINTMENT OF OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.

PROPOSAL 3

PROPOSAL 3

Advisory Vote on a Resolution To Approve Our 2018 Named Executive Officer Compensation

We are asking shareholders to approve, on an advisory basis, a non-binding resolution (commonly referred to as a say-on-pay resolution) to approve the Company's 2018 named executive officer compensation as reported in this Proxy Statement.

We urge shareholders to read the Compensation Discussion and Analysis section of this Proxy Statement, which describes how our executive compensation policies and procedures operate and are designed to achieve our compensation objectives, as well as the Summary Compensation Table and other related compensation tables and narrative, which provide detailed information on the compensation of our named executive officers. The Compensation Committee and our Board of Directors believe that the policies and procedures articulated in the Compensation Discussion and Analysis are effective in aligning the interests of our officer team with those of shareholders.

We have committed to holding say-on-pay votes at each year's annual meeting; the Compensation Committee will evaluate the frequency of future say-on-pay votes following this year's annual meeting and the outcome of the advisory vote called for in Proposal 4, below. In accordance Section 14A of the Exchange Act and as a matter of good corporate governance, we are asking shareholders to approve the following advisory resolution at the Annual Meeting:

RESOLVED, that the shareholders of the Company approve, on an advisory basis, the compensation of the Company's named executive officers, as disclosed under the Compensation Discussion and Analysis and 2018 Compensation Tables headings of this proxy statement.

This resolution is non-binding on the Board of Directors. Although non-binding, the Board and the Compensation Committee will review and consider the voting results when making future decisions regarding executive compensation.

THE BOARD OF DIRECTORS RECOMMENDS AN ADVISORY VOTE FOR THE RESOLUTION TO APPROVE OUR 2018 NAMED EXECUTIVE OFFICER COMPENSATION

PROPOSAL 4

PROPOSAL 4

Advisory Vote on the Frequency of Future Advisory Votes to Approve our Named Executive Officer Compensation

In addition to the say-on-pay vote, we are asking you to cast an advisory vote as required by Section 14A of the Exchange Act on whether future advisory votes to approve our named executive officer compensation should occur every year, every two years or every three years.

While the Company's executive compensation programs are designed to promote a long-term connection between pay and performance, the Board recognizes that executive compensation disclosures are made annually. Holding an annual advisory vote on our named executive officer compensation provides the Company with more direct and immediate feedback on our compensation disclosures. However, shareholders should note that because the advisory vote on named executive officer compensation occurs well after the beginning of the compensation year, and because the different elements of our executive compensation programs are designed to operate in an integrated manner and to complement one another, in many cases it may not be appropriate or feasible to change our named executive officer compensation programs in consideration of any one year's advisory vote on named executive officer compensation by the time of the following year's annual meeting of shareholders. We believe that an annual advisory vote on named executive officer compensation is consistent with our practice of seeking input and engaging in dialogue with our shareholders on corporate governance matters (including the Company's practice of having all directors elected annually and annually providing shareholders the opportunity to ratify the Audit Committee's selection of independent auditors) and our executive compensation philosophy, policies and practices.

This advisory vote on the frequency of future advisory votes on named executive officer compensation is non-binding on the Board of Directors. Shareholders will be able to specify one of four choices for this proposal on the proxy card: every one year, every two years, every three years or abstain. Shareholders are not voting to approve or disapprove the Board's recommendation. Although non-binding, the Board and the Compensation Committee will carefully review the voting results. Notwithstanding the Board's recommendation and the outcome of the shareholder vote, the Board may in the future decide to conduct advisory votes on a more or less frequent basis if circumstances were to warrant it.

THE BOARD OF DIRECTORS RECOMMENDS AN ADVISORY VOTE TO CONSIDER FUTURE ADVISORY VOTES TO APPROVE OUR NAMED EXECUTIVE OFFICER COMPENSATION EVERY YEAR.

PROPOSAL 5

PROPOSAL 5

Approval of the Potbelly Corporation 2019 Long-Term Incentive Plan

The Board recommends approval of the Potbelly Corporation 2019 Long-Term Incentive Plan (the Plan). We are submitting the Plan to our shareholders for approval in order to update our plan terms for certain technical matters and to increase the number of shares that we will have available for issuance for equity awards. The number of shares available for issuance under the Plan is equal to the sum of (1) 1,200,000 shares plus (2) the number of shares that are available under the Amended and Restated Potbelly Corporation 2013 Long-Term Incentive Plan (the Prior Plan) immediately prior to the date that the Plan is approved by our shareholders (the approval date) (and any shares that are subject to outstanding awards under the Prior Plan immediately prior to the approval date and that terminate by reason of expiration, forfeiture, cancellation, or otherwise, without the issuance of such shares, or that are settled in cash). As of March 26, 2019, there were 579,186 shares available for issuance under the Prior Plan and 1,114,008 shares were subject to outstanding awards under the Prior Plan. If our shareholders approve the Plan, no new awards can be made under the Prior Plan. The Board believes approval of the Plan is necessary to enable us to continue to attract, retain and motivate our officers and employees.

A summary of the principal features of the Plan is provided below, but it is qualified in its entirety by reference to the full text of the Plan that is attached to this Proxy Statement as Appendix A.

Background

The purpose of the Plan is to (a) align the interests of our shareholders and the recipients of awards under the plan by increasing the proprietary interest of such recipients in the our growth and success; (b) advance our interests by attracting and retaining qualified employees, outside directors and other persons providing services to us and/or our related companies; and (c) motivate such persons to act in the long-term best interests of our shareholders.

The Board approved the Plan on March 29, 2019. Approval of the Plan will result in 1,200,000 additional shares available for issuance in the form of equity awards, as described in greater detail below. No other material changes were made from the Prior Plan, provided that if the Plan is approved by our shareholders and becomes effective, we will be able to make awards under the Plan through its 2029 expiration date, while the Prior Plan expires in 2028.

On March 26, 2019, the closing price of a share of our common stock on NASDAQ was \$8.60.

If the Plan is not approved by the Company s shareholders, the Company will continue to operate the Prior Plan in accordance with its existing terms.

Summary of Plan

Administration. The Plan generally is administered by the Compensation Committee of our Board of Directors. The Compensation Committee selects award recipients under the Plan who will thereby become participants, the types of awards to be granted and the applicable terms, conditions, performance criteria, restrictions and other provisions of such awards, not inconsistent with the plan. The Compensation Committee also has the authority to conclusively interpret the Plan. Subject to the applicable securities exchange rules and applicable law, the Compensation Committee may delegate all or any portion of its responsibilities or powers under the Plan to persons selected by it.

Authorized Shares. We have reserved 1,200,000 shares of our common stock for issuance pursuant to the Plan. In addition, the number of shares that are available under the Prior Plan immediately prior to the approval date (and any shares that are subject to outstanding awards under the Prior Plan immediately prior to the approval date and that terminate by reason of expiration, forfeiture, cancellation, or otherwise, without the issuance of such shares, or that are settled in cash) will be available for issuance under the Plan. If the Plan is approved by our shareholders, no awards can be made under the Prior Plan. A share of common stock issued in connection with any award under the Plan shall reduce the total number of shares of common stock available for issuance under the Plan by one; provided, however, that shares issued in connection with Full Value Awards (described below) granted under the Plan shall reduce the total number of shares of common stock available for issuance under the Plan by a ratio of 2:1. Any shares of our common stock covered by an award (1) under the Plan or (2) granted under the Prior

Table of Contents**PROPOSAL 5**

Plan that is outstanding on the approval date (and immediately prior to approval), in each case, that terminates by reason of expiration, forfeiture, cancellation, or otherwise, without the issuance of shares, or that are settled in cash, (collectively Recycled Shares) will again be available for awards under the Plan. Recycled Shares shall be added back to the number of shares of common stock reserved for issuance under the Plan on the same basis that they were charged to the number of shares reserved for issuance under the Plan or the Prior Plan, as applicable, at the time the award relating thereto it was granted. The following shares of common stock may not again be made available for issuance under the Plan: (i) shares of common stock not issued or delivered as a result of the net settlement of an outstanding award; (ii) shares delivered to or withheld to pay the exercise price of an option or Stock Appreciation Right (SAR) or to pay the withholding taxes with respect to an award; or (iii) shares of common stock repurchased on the open market with the proceeds of the exercise price of an option.

Additional Limits. The following additional limits will apply to awards under the Plan: (a) no more than 1,200,000 shares of common stock may be subject to incentive stock options (ISOs) granted under the Plan; (b) the maximum number of shares of common stock that may be covered by options and SARs granted to any one participant in any one calendar year may not exceed 400,000 shares of common stock; and (c) the maximum number of shares of common stock that may be delivered pursuant to any Full Value Award granted to any one participant during any calendar year, regardless of whether settlement of the award is to occur prior to, at the time of, or after the time of vesting, may not exceed 400,000 shares of common stock. The aggregate value of all awards granted under the Plan to any outside director shall not exceed (y) \$300,000 in total value in any one calendar year or (z) in the event such outside director is first appointed or elected to the Board in such calendar year, \$400,000 in total value.

Adjustments. In the event of a corporate transaction, including a stock dividend, stock split, reverse stock split, extraordinary cash dividend, recapitalization, reorganization, merger, consolidation, split-up, spin-off, exchange of shares, sale of assets or subsidiaries, combination or other corporate transaction, that affects our common stock such that the Compensation Committee determines that an adjustment is warranted in order to preserve the benefits or prevent the enlargement of benefits of awards under the Plan, the Compensation Committee will make adjustments to awards in a manner that it determines to be equitable in its discretion. Actions that the Compensation Committee may take are: (i) adjustment of the number and kind of shares which may be delivered under the Plan (including adjustments to the individual limitations described above); (ii) adjustment of the number and kind of shares subject to outstanding awards; (iii) adjustment of the exercise price of outstanding options and SARs; and (iv) any other adjustments that the Compensation Committee determines to be equitable, which may include, without limitation, (A) replacement of awards with other awards which the Compensation Committee determines have comparable value and which are based on stock of a company resulting from the transaction, and (B) cancellation of the award in return for cash payment of the current value of the award, determined as though the award is fully vested at the time of payment, provided that in the case of an option or SAR, the amount of such payment may be the excess of the value of the shares of common stock subject to the option or SAR at the time of the transaction over the exercise price.

Eligibility. The Compensation Committee may grant awards under the Plan to any officer, director, employee, consultant, independent contractor or agent of the Company and/or a related company, and persons who are expected to become an officer, director, employee, consultant, independent contractor or agent of the Company or a related company. Awards to a person who is expected to become a service provider to the Company or a related company cannot be effective prior to the date on which such person's service begins. ISOs may only be granted to employees of the Company and its corporate related companies which satisfy certain requirements of the Internal Revenue Code of 1986, as amended (the Code). As of March 26, 2019, we had approximately 7,000 employees and ten directors, all of whom would be eligible to participate in the Plan if selected by the Compensation Committee.

Types of Awards. The Plan will provide for grants of options (including nonqualified stock options (NQOs) and ISOs), SARs, and Full Value Awards.

Options and SARs. The Compensation Committee may grant options to purchase shares of common stock, which options may be either ISOs or NQOs. ISOs may only be granted to employees of us and our permitted corporate subsidiaries and must satisfy other requirements of section 422 of the Code. An option that does not satisfy the requirements for an ISO will be treated as a NQO. An SAR entitles the participant to receive (in shares of common stock or cash) an amount that is equal to the excess of the fair market value of a specified number of shares of common stock on the exercise date over the exercise price of the SAR. The exercise price of an option or SAR must be no less than the fair market value of a share of common stock on the date the option or SAR is granted. Except for reductions approved by our shareholders or adjustments for business combinations, the exercise price of an option or SAR may not be decreased after the date of grant nor may an option or SAR be surrendered to us as consideration for the grant of a replacement option or SAR with a lower exercise price or a Full Value Award. In addition, except as approved by our shareholders, no option granted under the Plan may be surrendered to us in consideration of a cash payment if, at the time of such surrender, the exercise price of the option is greater than the then fair market value of a share of common stock. Except as provided by the Compensation Committee at

Table of Contents**PROPOSAL 5**

the time of grant, an option or SAR will expire on the earliest to occur of the following (i) the one-year anniversary after the participant's employment or service terminates for death or disability (as defined in the Plan), (ii) the three-month anniversary after the participant's employment or service terminates other than for death, disability or cause (as defined in the Plan), or (iii) the day preceding the date on which the participant's employment or service terminates for cause. In any event, an option or SAR will expire no later than the 10th anniversary of the date on which it is granted (or such shorter period required by the rules of any stock exchange on which the common stock is listed).

Full Value Awards. A Full Value Award is a grant of one or more shares of common stock or a right to receive one or more shares of common stock in the future (including restricted stock, restricted stock units, deferred stock units, performance stock and performance stock units). Any Full Value Awards will be subject to such conditions, restrictions and contingencies as the Compensation Committee determines including provisions relating to dividends or dividend equivalent rights and deferred payment or settlement, conformity with our recoupment or clawback policies in effect from time to time, compliance with restrictive covenants and other facts that the committee determines appropriate. Dividends or dividend equivalents will not be paid or settled on Full Value Awards that have not otherwise been earned or vested. Special vesting restrictions also apply to Full Value Awards made to employees.

Special Vesting Rules. Except for (a) awards granted under the Plan with respect to shares of common stock which do not exceed, in the aggregate, five percent of the total number of shares of common stock reserved for issuance pursuant to the Plan, (b) awards granted in lieu of other compensation, and (c) awards that are a form of payment of earned performance awards or other incentive compensation provided that the performance period relating to such performance or incentive awards was at least one year, if a participant's right to become vested in an award is conditioned on the completion of a specified period of service with us or our affiliates being required, then the required period of service shall be at least one (1) year, except if accelerated in the event of the participant's death or disability, or involuntary termination.

Transferability. Awards under the plan generally may not be transferred except through will or by the laws of descent and distribution; provided, however, that unless otherwise provided by the Compensation Committee, awards (other than an ISO) may be transferred to or for the benefit of the participant's family (including, without limitation, to a trust or partnership for the benefit of a participant's family) in accordance with rules established by the Compensation Committee.

Change in Control. In the event that (i) a participant is employed or in service on the date of a Change in Control (as defined in the Plan) and the participant's employment or service, as applicable, is terminated by us, our successor or a related company that is the participant's employer for reasons other than cause (as defined in the Plan) within 24 months following the Change in Control, or (ii) the Plan is terminated by us or our successor following a Change in Control without provision for the assumption, continuation or substitution of outstanding awards under the Plan, all options, SARs and related awards which have not otherwise expired will become immediately exercisable and all other awards will become fully vested; provided, however, that all awards with conditions and restrictions relating to the attainment of performance goals shall become vested assuming the higher of (A) achievement of all relevant performance goals at the target level of performance (pro-rated based upon the length of time within the performance period that has elapsed prior to the Change of Control) or (B) actual achievement of the performance goals as of the date of the Change of Control. A participant's employment or service will be deemed to have been terminated by us or our successor for reasons other than for cause if the participant terminates employment or service after a substantial

adverse alteration in the nature of the participant's status or responsibilities from those in effect immediately prior to the Change in Control or a material reduction in the participant's annual base salary and target bonus, or in the case of an outside director his annual compensation, as in effect immediately prior to the Change in Control. Special rules apply if, upon a Change in Control, awards in other shares or securities are substituted for outstanding awards under the Plan and if, immediately prior to the Change in Control, the participant becomes an employee or a director of, as applicable, the successor to us.

Amendment and Termination. The Board of Directors may, at any time, amend or terminate the Plan, and the Board of Directors or the Compensation Committee may amend any award agreement, provided that no amendment or termination may, in the absence of written consent to the change by the affected participant (or, if the participant is not then living, the affected beneficiary), adversely affect the rights of any participant or beneficiary under any award granted under the Plan prior to the date such amendment is adopted by the Board of Directors (or the Compensation Committee, if applicable). Adjustments to the Plan and awards on account of business transactions (as described above) are not subject to the foregoing prohibition. The provisions of the Plan that prohibit repricing of options and SARs or exchanges of an option or SAR for another award or cash payment if the exercise price is below fair market value on the date of the repricing or exchange cannot be amended unless the amendment is approved by our shareholders.

PROPOSAL 5

U.S. Federal Income Tax Implications of the Plan

The discussion that follows is a summary, based on U.S. federal tax laws and regulations presently in effect, of some significant U.S. federal income tax considerations relating to awards under the Plan. The applicable laws and regulations are subject to change, and the discussion does not purport to be a complete description of the federal income tax aspects of the Plan. This summary does not discuss state, local or foreign laws.

Stock Options. The tax treatment of a stock option depends on whether the option is an NQO or an ISO.

The grant of an NQO will not result in taxable income to the participant. Except as described below, the participant will realize ordinary income at the time of exercise in an amount equal to the excess of the fair market value of the shares of stock acquired over the exercise price for those shares of common stock, and we will be entitled to a corresponding deduction.

The grant of an ISO will not result in taxable income to the participant. The exercise of an ISO will not result in taxable income to the participant provided that the participant was, without a break in service, an employee of us and our eligible subsidiaries (determined under tax rules) during the period beginning on the date of the grant of the ISO and ending on the date three months prior to the date of exercise (one year prior to the date of exercise if the participant is disabled, as that term is defined in the Code).

The excess of the fair market value of the shares of common stock at the time of the exercise of an ISO over the exercise price is an adjustment that is included in the calculation of the participant's alternative minimum taxable income for the tax year in which the ISO is exercised. For purposes of determining the participant's alternative minimum tax liability for the year of disposition of the shares of common stock acquired pursuant to the ISO exercise, the participant will have a basis in those shares of common stock equal to the fair market value of the shares of common stock at the time of exercise.

If the participant does not sell or otherwise dispose of the shares of common stock within two years from the date of the grant of the ISO or within one year after receiving the transfer of such shares of common stock, then, upon disposition of such shares of common stock, any amount realized in excess of the exercise price will be taxed to the participant as capital gain, and we will not be entitled to any deduction for Federal income tax purposes.

If the foregoing holding period requirements are not met, the participant will generally realize ordinary income, and a corresponding deduction will be allowed to us, at the time of the disposition of the shares of common stock, in an amount equal to the lesser of (a) the excess of the fair market value of the shares of common stock on the date of exercise over the exercise price, or (b) the excess, if any, of the amount realized upon disposition of the shares of common stock over the exercise price.

Special rules apply if an option is exercised through the exchange of previously acquired stock

SARs. A participant will not be deemed to have received any income upon the grant of a SAR. Generally, when a SAR is exercised, the excess of the market price of common stock on the date of exercise over the exercise price will be taxable to a participant as ordinary income. We are entitled to a deduction in the year of exercise equal to the

amount of income taxable to the individual.

Full Value Awards. The federal income tax consequences of a Full Value Award will depend on the type of award. The tax treatment of the grant of shares of common stock depends on whether the shares are subject to a substantial risk of forfeiture (determined under Code rules) at the time of the grant. If the shares are subject to a substantial risk of forfeiture, the participant will not recognize taxable income at the time of the grant and when the restrictions on the shares lapse (that is, when the shares are no longer subject to a substantial risk of forfeiture), the participant will recognize ordinary taxable income in an amount equal to the fair market value of the shares at that time. If the shares are not subject to a substantial risk of forfeiture or if the participant elects to be taxed at the time of the grant of such shares under Code Section 83(b), the participant will recognize taxable income at the time of the grant of shares in an amount equal to the fair market value of such shares at that time, determined without regard to any of the restrictions. If the shares are forfeited before the restrictions lapse, the participant will be entitled to no deduction on account thereof. The participant's tax basis in the shares is the amount recognized by him or her as income attributable to such shares. Gain or loss recognized by the participant on a subsequent disposition of any such shares is capital gain or loss if the shares are otherwise capital assets.

In the case of other Full Value Awards, such as restricted stock units or performance stock units, the participant generally will not have taxable income upon the grant of the award provided that there are restrictions on such awards that constitute a substantial risk of forfeiture under applicable Code rules. Participants will generally recognize ordinary income when the restrictions on awards lapse, on the date of grant if there are no such restrictions or, in certain cases, when the award is settled. At that time, the participant will recognize taxable income equal to the cash or the then fair market value of the shares issuable in payment of

PROPOSAL 5

such award, and such amount will be the tax basis for any shares received. In the case of an award which does not constitute property at the time of grant (such as an award of units), participants will generally recognize ordinary income when the award is paid or settled.

We generally will be entitled to a tax deduction in the same amount, and at the same time, as the income is recognized by the participant.

Section 162(m) and Section 280G. Compensation that qualifies as Performance-Based Compensation is excluded from the \$1 million deductibility cap of Code Section 162(m), and therefore remains fully deductible by the Company paying it. The Tax Reform and Jobs Act of 2017 (the Act) eliminated the Performance-Based Compensation exception of Code Section 162(m) for taxable years beginning after December 31, 2017, such that compensation paid to our covered executive officers in excess of \$1 million will not be deductible (assuming that it would have had the exception not been eliminated). Although an exception applies for certain awards in effect in place as of November 2, 2017, we do not believe that awards under the Plan will be covered by the exception.

Compensation to certain employees resulting from the earning or vesting of awards in connection with a change in control or termination following a change in control also may be non-deductible under Code Sections 4999 and 280G.

The foregoing provides only a general description of the application of federal income tax laws to certain awards under the Plan. This discussion is intended for the information of shareholders considering how to vote at the Annual Meeting and not as tax guidance to participants in the Plan, as the consequences may vary with the types of awards made, the identity of the recipients and the method of payment or settlement.

New Plan Benefits

The number of options, SARs and Full Value Awards that will be granted under the Plan is not currently determinable.

COMPENSATION DISCUSSION AND ANALYSIS

COMPENSATION DISCUSSION AND ANALYSIS

This Compensation Discussion and Analysis section is intended to provide our shareholders with a clear understanding of our compensation philosophy, objectives and practices; our compensation setting process; our executive compensation program components; and the decisions with respect to the 2018 compensation of each of our Named Executive Officers (NEOs). For 2018 our NEOs were:

Alan Johnson, President and Chief Executive Officer

Tom Fitzgerald, Senior Vice President and Chief Financial Officer

Michael Coyne, Senior Vice President and Chief Financial Officer (resigned effective September 2018)

Julie Younglove-Webb, Senior Vice President and Chief Restaurant Operations Officer

Brandon Rhoten, Senior Vice President and Chief Marketing Officer

Matthew Revord, Senior Vice President, Chief Legal Officer, Chief People Officer and Secretary

Executive Summary

Performance Overview for 2018. Fiscal year 2018 was a transition year for our business and our leadership team as we realigned our strategies to return to sustainable and long-term profitable growth. Our objectives for 2018 were to learn what it takes to positively impact same store sales and drive industry-beating traffic trends. We made the investments required and tested new ideas to drive brand awareness, interest and purchase intent and to support our topline, margin, profitability and growth goals. While we achieved meaningful progress toward our objectives, we recognized that there is still work to be done as our actions did not translate into share price performance in 2018.

Our incentive compensation plans worked as intended in 2018. The payouts under those plans were strongly aligned with our financial and stock price performance demonstrating our commitment to structure an executive compensation program that pays for performance.

2018 Pay Actions. As a result of the above, our 2018 executive compensation was significantly impacted. There were no base salary increases for any of our named executive officers. In addition, aside from new-hire equity awards, none of our named executive officers received equity grants in 2018. Finally, cash bonuses to our named executive officers were limited.

Executive Leadership Transitions. Alan Johnson, our President and Chief Executive Officer, joined us in November of 2017, making fiscal year 2018 the first full year Mr. Johnson was in the position. The past year included several important changes to the senior leadership team reporting to the CEO. Tom Fitzgerald joined the Company as our Chief Financial Officer in December 2018 after Michael Coyne, our former Chief Financial Officer, resigned effective September 2018 to pursue other opportunities. Brandon Rhoten joined the Company in June 2018 as our Chief Marketing Officer and Jeff Welch joined the Company in April 2018 as our Senior Vice President, Development. In addition, two members of our senior leadership team assumed significant additional responsibilities. Julie Younglove-Webb was promoted to Chief Restaurant Operations Officer, from her prior position as Senior Vice President, Operations, and Matthew Revord, our Chief Legal Officer and Secretary, acquired the additional responsibility for the human resources department as our Chief People Officer. All bring exceptional qualifications to their important roles.

Compensation Philosophy and Objectives

Our compensation philosophy is to pay for performance, rewarding employees when performance targets are met. Merit increases, annual incentive compensation, equity awards, and incremental paid time off are all tied to performance and results. Our compensation programs are designed to attract, retain, motivate, and reward employees. Our pay program is designed to compensate employees commensurate with the scope and influence of the employee's role and the extent to which an employee contributes to the achievement of key initiatives and financial targets, and demonstrates our values. All of our compensation programs are designed to align and reward actions that we believe contribute to our competitiveness and encourage superior performance.

Table of Contents**COMPENSATION DISCUSSION AND ANALYSIS**

We evaluate our executives on a scale of one through five. A score of three means the executive is a Contributor, four is a High Contributor and five is a Star. Annual cash compensation varies based on the executive's score, other individual performance measures, Company performance, and contributions to Potbelly.

Executive pay is tied to both the Company's and the individual's annual performance. Merit increases, annual incentive compensation, equity compensation, when granted, and paid time off are generally awarded in March or April of each year, following completion of the first quarter annual performance review cycle, the annual financial audit, and approval from the Compensation Committee. The employment agreements of our named executive officers specify each executive's annual incentive bonus target under our current bonus program. In addition, at the discretion of the Compensation Committee in the case of our Chief Executive Officer, and at the discretion of our Chief Executive Officer and upon the approval of the Compensation Committee in the case of our other executive officers, there may be an increase or decrease applied to the annual bonus awarded to an executive, including the other named executive officers, in order to account for exceptional circumstances. However, it is anticipated that such bonuses would only be awarded under unusual circumstances to further the objectives of our compensation program.

Elements of Executive Compensation

The following table provides information regarding the elements of our executive compensation program.

Element	Form	Objectives and Basis
<i>Base Salary</i>	Cash	Attract and retain highly qualified executives. Determined based on the position's importance within the Company, the executive's experience, and external market data.
<i>Long-Term Incentive</i>	RSUs and stock options. Replacing stock options with PSUs in 2019.	Aligns the incentives of our executive officers with shareholder interests and rewards the creation of shareholder value; retain executives through long-term vesting.
<i>Annual Incentive Plan</i>	Cash	Determined under our Support Center Annual Incentive Plan, which provides for variable payouts based on financial performance against pre-established total company revenue and adjusted EBITDA targets and Compensation Committee discretion.

Other Compensation Policies. In addition to the principal compensation elements described above, we provide our executive officers with access to the same benefits we provide all of our full-time employees. Our officers also receive

certain limited perquisites and other personal benefits that we believe are reasonable and consistent with our compensation objectives. These perquisites have been identified in the Summary Compensation Table. We also provide sign-on bonuses and new-hire equity awards (subject to a time-based vesting period) when the Compensation Committee determines it is necessary and appropriate to advance the Company's interests, including attracting top executive talent from other companies. Sign-on bonuses and new-hire equity awards are an effective means of offsetting the compensation opportunities executives forfeit when they leave a former employer to join the Company.

Our Executive Compensation Process

Compensation for our named executive officers is comprised of base salary, target value of long-term incentive, and target annual incentive bonus. Executive compensation is designed to be competitive with peer companies and market data, as explained below under Role of Market Data and Our Peer Group.

Roles and Responsibilities of the Compensation Committee, Compensation Consultant and the CEO in Setting Named Executive Officer Compensation. The Compensation Committee is currently comprised of four independent directors and reports to the Board. In accordance with its obligations as set forth in its charter, the Compensation Committee retains independent consultants and counsel to assist it in evaluating compensation as well as working with the CEO and the CFO to set performance goals. The Compensation Committee determines and approves executive compensation annually, with base salaries, bonus payments (for performance the prior fiscal year), performance goals for long-term incentive grants and annual incentive bonuses approved during the first quarter of the fiscal year. This process allows the Compensation Committee to consider comprehensive information, including the Company's performance and each named executive officer's during the prior fiscal year, when making final compensation decisions.

Table of Contents**COMPENSATION DISCUSSION AND ANALYSIS**

In 2018, Aon Hewitt, which provides occasional consulting services to the Compensation Committee, advised the Compensation Committee on the appropriateness and competitiveness of our compensation programs relative to market practice, our strategy and our internal processes, Aon Hewitt also consulted with the Compensation Committee on restructuring our executive officer long-term incentive with consulting services concerning the introduction of performance share units, which the Company introduced as a new form of equity for executive officers beginning with grants in fiscal year 2019. Aon Hewitt attended Compensation Committee meetings when requested and works with management as necessary to gather and review information required to carry out its obligations.

Mr. Johnson, our CEO, and other members of the management team support the Compensation Committee in the executive compensation process and regularly attend portions of committee meetings. Mr. Johnson provides the Compensation Committee with his perspective regarding the performance of his executive leadership team, including the other named executive officers. Mr. Johnson makes recommendations to the Compensation Committee on the full range of annual executive compensation decisions, except with regard to his own compensation. In accordance with NASDAQ rules, Mr. Johnson was not present when his compensation for fiscal 2018 was being discussed and does not vote on executive compensation matters, and neither Mr. Johnson nor other members of management attended executive sessions of the Compensation Committee.

Role of Market Data and Our Peer Group. As part of the annual executive compensation process, the Compensation Committee reviews compensation levels and practices for executives holding comparable positions at peer group companies and also considers broader compensation survey data. Our market for executive recruiting is generally other restaurant or retail concepts. For non-operations executives, we recruit from the general restaurant industry. In evaluating the competitiveness of our executive compensation program, we compare our executive compensation against the restaurant industry, specifically the limited-service restaurant segment, and national and local competitors to help ensure we are competitive, focusing on items such as equity awards, merit pay, incentive pay and paid time off.

The Compensation Committee does not explicitly benchmark our executive officers' compensation to the peers, but the peer group data is one of multiple reference points used to evaluate our executive compensation programs.

2018 Peer Group. Our peer group consists of casual dining, fine dining, quick casual and quick service restaurants. The Compensation Committee and independent directors considered the peer group in connection with the fiscal 2018 executive compensation decisions. The Compensation Committee reviews the composition of the peer group periodically and will make adjustments to the peer group in response to changes in the size of business operations of the Company and of companies in the peer group, companies in the peer group being acquired or taken private, and other companies in the restaurant industry becoming public. The table below lists the companies that were considered for fiscal 2018.

Annual Incentive Plan

The Company has established the Support Center Annual Incentive Plan to provide annual cash incentive compensation to executives. The graphic below illustrates the weighting of the metrics and the calculation of the objective component of the Annual Incentive Plan.

This plan sets a threshold, target, and maximum level for each of these metrics applicable to all executive officers, and the amounts paid are based on the actual results achieved by the Company. The targets are set for the year by the Compensation Committee based on recommendations from the CEO and the CFO and are communicated to executives at the beginning of each year. To be eligible for an award under the plan, the named executive officer must receive an annual individual performance appraisal rating of Contributor or higher. The threshold, target and maximum criteria and actual fiscal year 2018 results for Total Company Revenue and Adjusted EBITDA are as follows:

	Threshold (80%)	Target (100%)	Maximum (150%)	2018 Actual Performance	Payout Percentage
Total Company Revenue (in millions)	\$ 427	\$ 447	\$ 467	\$ 422.6	0%
Adjusted EBITDA ⁽¹⁾ (in millions)	\$ 40.5	\$ 43.8	\$ 47.8	\$ 35	0%

(1) For additional information regarding and reconciliation of this non-GAAP financial measure, see Appendix B.

The chart below sets forth the threshold, target, and maximum percentages of base salary for awards under the Support Center Annual Incentive Plan in 2018, together with the actual bonus levels paid to our NEOs, based on actual Company results.

Named Executive Officer	Threshold	Target	Maximum	(%) of Target	Bonus Earned (\$)
Alan Johnson		100% of base salary	200% of base salary	0%	\$ 0
Tom Fitzgerald	48% of base salary	60% of base salary	90% of base salary	0%	\$ 0

Julie Younglove-Webb	48% of base salary	60% of base salary	90% of base salary	0%	\$ 0
Brandon Rhoten	48% of base salary	60% of base salary	80% of base salary	0%	\$ 0
Matthew Revord	48% of base salary	60% of base salary	90% of base salary	0%	\$ 0

Table of Contents**COMPENSATION DISCUSSION AND ANALYSIS****Other Cash Bonuses**

For fiscal year 2018, the Company did not achieve the threshold level for either of the metrics. Accordingly, no annual cash incentive awards were paid to the named executive officers under the Support Center Annual Incentive Plan for fiscal 2018 performance, however discretionary cash bonuses were awarded based on the named executive officer's individual performance ratings.

Mr. Johnson's employment agreement provides that for fiscal year 2018, Mr. Johnson's target level shall be 100% of base salary, but that his annual cash incentive award for fiscal year 2018 shall not be less than \$543,750. Accordingly, the independent members of the Board awarded Mr. Johnson an annual bonus in the amount of \$543,750. Mr. Johnson evaluated the performance of the other NEOs and presented those evaluations to the Compensation Committee during its meetings in the first quarter of 2019. The evaluations included an analysis of each executive's performance against his or her strategic priorities and operational initiatives. The Compensation Committee concurred with Mr. Johnson's recommendation to pay modest discretionary cash bonuses to Ms. Younglove-Webb, Mr. Rhoten and Mr. Revord. For Ms. Younglove-Webb and Mr. Revord the bonus was paid in consideration of the additional responsibilities they each assumed during 2018. Ms. Younglove-Webb was promoted to the position of Chief Restaurant Operations Officer and assumed responsibility for training and off-premise aspects of shop operations and Mr. Revord acquired the title of Chief People Officer, responsible for the human resources function. Mr. Rhoten's bonus was in recognition of the several marketing initiatives he spearheaded since joining the Company in June 2018. In addition, Mr. Coyne and Mr. Revord received a discretionary cash bonus of \$200,000 and \$150,000, respectively, during fiscal year 2018 in recognition of their contributions while the Company was exploring a potential sale.

Long-Term Incentive Awards

Equity awards represent an important component of our named executive officer compensation. We believe long-term incentive awards align the interests of our shareholders and our named executive officers by increasing the proprietary interest of our named executive officers in the Company's growth and success; advance the Company's interests by attracting and retaining qualified employees over time; and motivate our executives to act in the long-term best interests of our shareholders. Long-term incentive awards are currently granted under our Amended and Restated 2013 Long-Term Incentive Plan (the 2013 Long-Term Incentive Plan), which replaced the Potbelly Corporation 2004 Incentive Plan (the 2004 Incentive Plan) (provided that outstanding awards under the 2004 Incentive Plan will continue to be subject to the terms of the 2004 Incentive Plan). The 2013 Long-Term Incentive Plan provides for grants of options (including nonqualified stock options and incentive stock options), stock appreciation rights, and full value awards (including restricted stock units and performance stock units). The 2013 Long-Term Incentive Plan is administered by the Compensation Committee. We have adopted the 2019 Long-Term Incentive Plan which, if approved by our shareholders, will replace the 2013 Long-Term Incentive Plan. A description of the 2019 Long-Term Incentive Plan is included in Proposal 5.

The equity compensation for Mr. Johnson is determined by the Board of Directors (other than Mr. Johnson) upon the recommendation of the Compensation Committee. The equity compensation for our named executive officers (other than Mr. Johnson) is determined by the Compensation Committee upon the recommendation of the CEO. The

Compensation Committee did not award any long-term incentive plan awards to named executive officers in 2018, except as described below.

Mr. Johnson received a grant of 200,401 stock options and 78,125 restricted stock units in November of 2017 in connection with the signing of his employment agreement. The stock options vest in four equal annual installments, commencing on the first anniversary of the grant date. The restricted stock units vest in three equal annual installments, commencing on the first anniversary of the grant date. In May of 2018, pursuant to an amendment to his employment agreement, Mr. Johnson's stock options were modified to increase the original exercise price by 10% from \$12.80 per share to \$14.08 per share. Mr. Johnson received no equity compensation in 2018, as under the terms of his employment agreement Mr. Johnson was not eligible to receive equity compensation as part of the Company's long-term incentive compensation program until calendar year 2019.

Mr. Fitzgerald received a grant of 93,359 stock options and 37,353 full value awards in December 2018 in connection with the signing of his employment agreement. In June of 2018, in connection with the signing of his employment agreement, Mr. Rhoten received a grant of 47,513 stock options and 19,157 full value awards. For each of Mr. Fitzgerald and Mr. Rhoten, the stock options vest in four equal annual installments and the restricted stock units vest in three equal annual installments, in each instance commencing on the first anniversary of the grant date. Mr. Coyne, Ms. Younglove-Webb and Mr. Revord did not receive equity awards in 2018.

COMPENSATION DISCUSSION AND ANALYSIS

In 2018, the Compensation Committee engaged Aon Hewitt to review executive equity compensation and the design of the long-term incentive plan for executive officers. In consultation with Aon Hewitt, the Compensation Committee and the independent members of the Board approved a new long-term incentive structure. Beginning with grants in 2019, the equity mix for executive officers will change from 50% stock options and 50% restricted stock units to 50% performance stock units and 50% restricted stock units. The performance stock units will have a 3-year cliff vesting and will be earned based on our achievement of adjusted EBITDA and same store sales goals over the three-year performance period, with specific targets designated at the beginning of the performance period by the Compensation Committee. To reflect performance above or below target, each metric has a sliding scale that provides for payouts greater than target (up to a maximum 200% payout) or less than the target number if performance results are lower than target (down to a 50% payout for threshold performance, below which the payout would be 0%).

Other Plans

Our named executive officers are eligible to participate in our 401(k) plan. The Company matches 50% of the contributions that our employees, including our named executive officers, make to the 401(k) plan, with a maximum matching contribution of \$3,000 per year.

The Company established in fiscal 2014 a non-qualified deferred compensation plan which allows highly compensated employees to defer a portion of their base salary and variable compensation each plan year. The Company matches 50% of the contributions that our highly-compensated employees, including our named executive officers, make to the deferred compensation plan, with a maximum matching contribution of \$3,000 per year. If an employee participates in both the 401(k) plan and the non-qualified deferred compensation plan, the total maximum matching contribution is \$3,000 per year.

Executive Stock Ownership Guidelines

Our stock ownership guidelines were established for executive officers to encourage them to have a long-term equity stake in the Company and to align their interests with shareholders. The Board expects that all executive officers own, or acquire within the later of (i) August of 2022, and (ii) five years of first becoming an executive officer, shares of Potbelly common stock (including restricted shares, but not options, under Potbelly's equity-linked incentive plans) having a market value of a multiple of such executive officer's annual base salary. For the Chief Executive Officer, the multiple shall be four (4) times annual base salary and for all other executive officers the multiple shall be one and one-half (1.5) times annual base salary.

Employment Agreements

The following is a summary of the employment agreements and similar agreements the Company has entered into with each of the named executive officers.

Chief Executive Officer Employment Agreement. Mr. Johnson entered into an employment agreement with the Company effective as of November 29, 2017 and as amended effective May 14, 2018 (collectively, the Johnson Agreement) pursuant to which he will serve as our President and Chief Executive Officer. The Johnson Agreement provides for a base salary of \$725,000, subject to increase from time to time in the discretion of the Board. The Johnson Agreement provides that beginning with the 2018 calendar year, Mr. Johnson is eligible for an annual bonus amount to be determined by the Compensation Committee. For the 2018 calendar year, Mr. Johnson will be eligible for an annual target bonus of 100% of base salary, with a maximum bonus of 200% of base salary. Such bonus is subject to satisfaction of applicable Company and individual performance targets and, for the 2018 calendar year shall not be less than \$543,750 so long as Mr. Johnson's termination date does not occur prior to December 31, 2018. The Johnson Agreement also provides for the reimbursement of relocation expenses actually incurred, including transportation expenses, temporary housing, moving household goods, real estate commissions and closing costs incurred with the sale of his current residence and with the purchase of a residence in the Chicago area.

Pursuant to the Johnson Agreement, on November 29, 2017, Mr. Johnson was granted 78,125 restricted stock units with a grant date value of \$1,000,000 and granted 200,401 stock options with an exercise price of \$12.80 and with a Black-Scholes value of \$1,000,000. On May 14, 2018, pursuant to an amendment to his employment agreement, Mr. Johnson's stock options were modified to increase the original exercise price by 10% to \$14.08 per share. The increase in the exercise price lowered the fair value of the awards from the fair value calculated based on the original terms of the stock option awards. Under the Johnson Agreement, Mr. Johnson was not eligible for any equity awards under any Company equity incentive plan in calendar year 2018. The Johnson Agreement contemplates that Mr. Johnson may be granted equity awards under the Company's equity incentive plan beginning with calendar year 2019 with a target award value of \$1,000,000, with the actual value of the equity award for any year determined by the Compensation Committee in its sole discretion.

Table of Contents**COMPENSATION DISCUSSION AND ANALYSIS**

The Johnson Agreement terminates upon death, disability, termination by us with or without cause or resignation by Mr. Johnson with or without good reason. The Johnson Agreement generally defines cause as Mr. Johnson's (i) willful and continued failure to substantially perform his duties for the Company (other than due to his disability); (ii) willful engagement in conduct which is demonstrably and materially injurious to the Company, monetarily or otherwise; (iii) engaging in egregious misconduct involving serious moral turpitude to the extent that, in the reasonable judgment of the Board, Mr. Johnson's credibility and reputation no longer confirm to the standard of the Company's executives; (iv) indictment for the commission of a crime that constitutes a felony; or (v) a breach of his confidentiality, non-competition, non-interference and intellectual property agreement. The Johnson Agreement generally defines good reason as (1) assignment of duties that are materially inconsistent with his position and that result in a substantial diminution of the duties applicable to the position; (2) material reduction in base salary; (3) relocation to a place more than 50 miles from Chicago; or (4) material breach of the agreement by us.

Mr. Johnson is also a party to a confidentiality, noncompetition, noninterference and intellectual property agreement, with the noncompetition and noninterference covenants lasting for one year after termination of employment. For information regarding the severance benefits under the Johnson Agreement as well as the treatment of Mr. Johnson's outstanding equity awards upon a qualifying termination or a corporate transaction/change in control, see Potential Payments Upon Termination of Employment or a Corporate Transaction/Change in Control Alan Johnson Employment Agreement, on page 45 of this Proxy Statement.

Named Executive Officer Employment Agreements. Mr. Fitzgerald entered into an employment agreement with the Company effective as of December 3, 2018, pursuant to which Mr. Fitzgerald serves as our Senior Vice President and Chief Financial Officer. Mr. Rhoten serves as our Senior Vice President and Chief Marketing Officer pursuant to an employment agreement with the Company effective as of June 4, 2018. Mr. Coyne (our former Senior Vice President and Chief Financial Officer) and Ms. Younglove-Webb each entered into an employment agreement with the Company effective as of May 1, 2015. Her employment agreement designates Ms. Younglove-Webb as our Senior Vice President, Operations, however she has since been promoted to Senior Vice President and Chief Restaurant Operations Officer. Mr. Revord entered into a new employment agreement effective as of July 25, 2013, and amended effective April 22, 2015, designating him as our Senior Vice President, General Counsel and Secretary. Mr. Revord has since taken on additional responsibilities and currently serves as our Senior Vice President, Chief Legal Officer, Chief People Officer and Secretary.

Each NEO's employment agreement provides for a base salary subject to increase from time to time by the Compensation Committee at the recommendation of our President and Chief Executive Officer. Under the employment agreements, the NEOs are each eligible for annual bonus in accordance with incentive plan metrics recommended by the CEO and CFO and approved by the Compensation Committee. The employment agreements also provide the executives with standard benefits and perquisites. The employment agreements contemplate that the executives may be granted equity awards under our equity incentive plans.

Effective July 18, 2017, Mr. Coyne entered into a Letter Agreement with the Company which provided that, in consideration for his service as interim chief executive officer, the Company agreed to pay him additional compensation of \$25,000 per calendar month (\$12,500 for any calendar month for which he provides services as interim chief executive officer for 14 days or less). This additional compensation was in addition to Mr. Coyne's base salary, which remained unchanged. The additional compensation was not treated as base salary, bonus or other compensation for purposes of his employment agreement.

Our NEOs each continue to be parties to a confidentiality, noncompetition, noninterference and intellectual property agreement, with the noncompetition and noninterference covenants lasting for one year after termination of employment.

Table of Contents**2018 COMPENSATION TABLES****Option Exercises and Stock Vested**

The following table provides information regarding stock options that were exercised by our named executive officers and stock awards that vested during fiscal 2018. Option award value realized is calculated by subtracting the aggregate exercise price of the options exercised from the aggregate market value of the shares of common stock acquired on the date of exercise. Stock award value realized is calculated by multiplying the number of shares shown in the table by the closing price of our stock on the date the stock awards vested.

(1) The value realized on exercise is calculated by multiplying the number of shares of our common stock that were acquired by the difference between the fair market value of a share of our common stock at the time of exercise and the exercise price of the stock option. The fair market value of a share of our common stock is based on the price of a share of our common stock as reported on NASDAQ.

(2) The value realized on vesting is calculated by multiplying the number of shares of our common stock that vested by the fair market value of a share of our common stock on the vesting date. The fair market value of a share of our common stock is based on the closing price of a share of our common stock on the vesting date as reported on NASDAQ.

If the executive's termination is due to death or disability and occurs prior to the retention date but prior to the six month anniversary of the effective date of the retention agreement, the executive shall be entitled to a pro rata portion of the retention payment.

Options Granted Prior to 2011. Options granted to our named executive officers prior to 2011 generally contain the following termination and change in control provisions:

If an executive's employment with the Company terminates for any reason other than cause, disability or death, vested options may thereafter be exercised by the executive until the earlier to occur of: (i) the date that is 90 days after the effective date of the executive's termination of employment, and (ii) the expiration date of the option, and to the extent the options are not so exercised, they shall terminate upon such earlier date. If the executive dies following a termination for other than cause during the period described in the preceding sentence, vested options

may thereafter be exercised by the executive's legal representative until the earlier to occur of: (i) the date that is one year after the effective date of the executive's termination of employment, and (ii) the expiration date, and to the extent the options are not so exercised, they shall terminate upon such earlier date.

If an executive's employment with the Company terminates by reason of disability or death, vested options may thereafter be exercised by the executive or the executive's legal representative until the earlier to occur of: (i) the date that is one year after the effective date of the executive's termination of employment, and (ii) the expiration date, and to the extent the options are not so exercised, they shall terminate upon such earlier date.

If an executive is terminated for cause or the executive breaches a covenant in an agreement with the Company, the options automatically terminate.

In the event of a Corporate Transaction, the Board of Directors may take action such as (i) providing for the options to be assumed, or equivalent options to be substituted, by the acquiring company; (ii) providing for termination of vested but unexercised options unless exercised prior to the transaction; (iii) providing for receipt by the executive of a cash payment based on the difference between the transaction price and the exercise price; and/or (iv) providing for accelerated vesting prior to the transaction and termination following such transaction.

Table of Contents**2018 COMPENSATION TABLES**

The following table quantifies the potential payments and benefits to which the named executive officers would have been entitled to receive if one of several different termination of employment or change in control events occurred on December 30, 2018. All employees are also entitled to life insurance benefits of up to the amount of such employee's base salary, up to a maximum amount of \$125,000, if death occurs while actively employed, which benefit is also not included in the table below. With regard to all options and RSUs subject to time-based vesting at December 30, 2018, the assumed values of the awards are shown in the table in the applicable columns. The value of each stock option as to which vesting is accelerated is assumed to be equal to the product of the number of shares underlying the option multiplied by the difference between the exercise price per share and \$8.02, the closing price of our common stock on December 28, 2018 (the last business day of the fiscal year). For RSUs, the value shown in the table is based on the number of RSUs multiplied by \$8.02.

Review, Approval or Ratification of Transactions with Related Persons

We have adopted a written policy relating to the approval of related party transactions. Our Audit Committee will review certain financial transactions, arrangements and relationships between us and any of the following related parties:

any of our directors, director nominees or executive officers;

any beneficial owner of more than 5% of our outstanding stock;

any immediate family member of any of the foregoing; and

any entity in which any of the foregoing is employed or has more than a 5% beneficial ownership.

Any member of the Audit Committee who is a party to a transaction under review will not be permitted to participate in the discussions, consideration or approval of such transaction. Prior to entering into any related party transaction, the interested director or officer shall provide notice of such transaction to our Chief Legal Officer. The Audit Committee shall review any such submissions and shall consider all relevant facts and circumstances of such transaction. The Audit Committee shall approve only those proposed transactions that are in, or not inconsistent with, the best interests of Potbelly and its shareholders.

In the event management determines a related party transaction exists which was not approved by the Audit Committee, management will submit the transaction to the Audit Committee for consideration. The Audit Committee shall consider all relevant facts and circumstances of such transaction, and shall evaluate all options, including but not limited to ratification, amendment, termination or rescission of the transaction.

The policy lists certain types of transaction in which an officer or director may have an interest that are deemed not to require review as a related party transaction, including (i) transactions in the ordinary course of business not exceeding \$25,000, (ii) certain charitable contributions, and (iii) certain approved compensation arrangements.

Section 16(a) Beneficial Ownership Reporting Compliance

Compliance with Section 16(a) of the Exchange Act requires our executive officers and directors and persons who own more than 10% of a registered class of our equity securities to file reports of ownership and changes in ownership with the SEC. Officers, directors and greater than 10% shareholders are required by SEC rules to furnish us with copies of all Section 16(a) forms they file.

Based solely on a review of the copies of such forms furnished to the Company and on written representations from our officers and directors, we believe that during 2018 all Section 16(a) filing requirements were complied with on a timely basis, except that each of (1) Sue Collyns, (2) Matt Revord, and (3) Julie Younglove-Webb was late in filing one required report on Form 4 relating to one transaction, in each case due to administrative error.

OTHER MATTERS

OTHER MATTERS

Shareholder Proposals for the 2020 Annual Meeting

Pursuant to Rule 14a-8 under the Exchange Act, in order to be included in the Company's proxy materials for the 2020 Annual Meeting a shareholder proposal must be received in writing by the Company by the close of business on December 4, 2019 and otherwise comply with all requirements of the SEC for shareholder proposals. The Company's address is 111 N. Canal Street, Suite 850, Chicago, IL 60606.

In addition, our Bylaws provide that any shareholder who desires to bring a proposal before an annual meeting, or to nominate persons for election as directors, must give timely written notice of the proposal to the Company's Secretary. To be timely, the notice must be delivered to the above address not less than 90 nor more than 120 calendar days prior to the first anniversary of the date on which the Company held the preceding year's annual meeting. Accordingly, to be timely, a notice must be received no earlier than the close of business on January 17, 2020 and no later than the close of business on February 14, 2020 (assuming the meeting is held not more than 30 days before or more than 60 days after May 16, 2020). The notice must describe the shareholder proposal in reasonable detail and provide certain other information required by our Bylaws.

Form 10-K and Other Filings

Upon written request and at no charge, we will provide a copy of any of our filings with the SEC, including our Annual Report on Form 10-K, with financial statements and schedules for our most recent fiscal year. We may impose a reasonable fee for expenses associated with providing copies of separate exhibits to the report when such exhibits are requested. These documents are also available on our website at <http://investors.potbelly.com/financial-information/sec-filings>, and the website of the SEC at www.sec.gov.

Householding

SEC rules allow delivery of a single annual report and proxy materials to households at which two or more shareholders reside, unless the affected shareholder has provided contrary instructions. Accordingly, shareholders sharing an address who have been previously notified by their broker or its intermediary will receive only one set of the annual report and other proxy materials, unless the shareholder has provided contrary instructions. Individual proxy cards or voting instruction forms (or electronic voting facilities), as applicable, will, however, continue to be provided for each shareholder account. This procedure, referred to as "householding," reduces the volume of duplicate information received by shareholders, as well as our expenses. Shareholders having multiple accounts may have received householding notifications from their respective brokers and, consequently, such shareholders may receive only one set of the annual report and other proxy materials. Upon written or oral request, Potbelly Corporation will promptly deliver a separate set of our annual report and proxy materials to any beneficial owner at a shared address to which a single copy of any of those documents was delivered. To receive a separate set of our annual report and proxy

materials, you may write or call Potbelly Corporation at Potbelly Corporation, 111 North Canal Street, Suite 850, Chicago, Illinois 60606, Attention: Corporate Secretary, telephone (312) 951-0600. Shareholders currently sharing an address with another shareholder who wish to have only one set of our annual report and other proxy materials delivered to the household in the future should also contact our corporate secretary.

2. SHARES RESERVED AND LIMITATIONS

2.1 **Shares Available and Other Amounts Subject to the Plan.** The shares of Common Stock for which Awards may be granted under the Plan shall be subject to the following:

- (a) Shares of Common Stock with respect to which Awards may be made under the Plan shall be currently authorized but unissued shares of Common Stock or currently held or subsequently acquired by the Company as treasury shares (or a combination thereof), including shares purchased in the open market or in private transactions.

- (b) Subject to the provisions of subsection 2.2, the number of shares of Common Stock that may be issued with respect to Awards under the Plan shall be equal to the sum of (1) 1,200,000 plus (2) the number of shares of Common Stock available for issuance under the Prior Plan as of the Approval Date (and immediately prior to approval). Notwithstanding the foregoing:
 - (i) Shares of Common Stock covered by an Award shall only be counted as used to the extent that they are actually used. A share of Common Stock issued in connection with any Award under the Plan shall reduce the total number of shares of Common Stock available for issuance under the Plan by one provided, however, that shares issued in connection with Full Value Awards granted under the Plan shall reduce the total number of shares of Common Stock available for issuance under the Plan by a ratio of two to one.

 - (ii) Any shares of Common Stock (A) that are subject to Awards granted under the Plan or (B) that are subject to awards granted under the Prior Plan that are outstanding on the Approval Date (and immediately prior to approval), in any case that terminate by reason of expiration, forfeiture, cancellation, or otherwise, without the issuance of such shares, or that are settled in cash, shall thereafter again be available for issuance under the Plan (the shares described in subparagraphs (A) and (B), collectively, Recycled Shares). Recycled Shares shall be added back to the number of shares of Common Stock reserved for issuance under the Plan on a one for one basis; provided, however, that (A) Recycled Shares attributable to any Full Value Award granted under the Plan shall be added back on a ratio of two to one and (B) Recycled Shares attributable to any Full Value Awards granted under the Prior Plan shall be added back on the same basis that such award reduced the number of total shares available under the Prior Plan at the time such award was granted under the Prior Plan.

- (c) Notwithstanding any other provision of the Plan, following shares of Common Stock may not again be made available for issuance under the Plan pursuant to this subsection 2.1: (i) shares of Common Stock not issued or delivered as a result

of the net settlement of an outstanding Award; (ii) shares delivered to or withheld by the Company to pay the Exercise Price of an Option or SAR or to pay the withholding taxes with respect to an Award; or (iii) shares of Common Stock repurchased on the open market with the proceeds of the Exercise Price of an Option.

- (d) Except as expressly provided by the terms of this Plan, the issue by the Company of stock of any class, or securities convertible into shares of stock of any class, for cash or property or for labor or services, either upon direct sale, upon the exercise of rights or warrants to subscribe therefor or upon conversion of stock or obligations of the Company convertible into such stock or other securities, shall not affect, and no adjustment by reason thereof shall be made with respect to, Awards then outstanding hereunder.
- (e) To the extent provided by the Committee, any Award may be settled in cash rather than in Common Stock.
- (f) Substitute Awards shall not reduce the number of shares of Common Stock that may be issued under the Plan or that may be covered by Awards granted to any one Participant during any period pursuant to subsections 2.1(h) and 2.1(i).
- (g) Subject to the terms and conditions of the Plan, the maximum number of shares of Common Stock that may be delivered to or on behalf of Participants under the Plan with respect to Incentive Stock Options shall be 1,200,000; provided, however, that to the extent that shares not delivered must be counted against this limit as a condition of satisfying the rules applicable to Incentive Stock Options, such rules shall apply to the limit on Incentive Stock Options granted under the Plan.
- (h) The maximum number of shares of Common Stock that may be covered by Awards granted to any one Participant during any one calendar-year period pursuant to Section 3 (relating to Options and SARs) shall be 400,000 shares. For purposes of this subsection 2.1(h), if an Option is in tandem with an SAR, such that the exercise of the Option or SAR with respect to a share of Common Stock cancels the tandem SAR or Option right, respectively, with respect to such share, the tandem Option and SAR rights with respect to each share of Common Stock shall be counted as covering only one share of Common Stock for purposes of applying the limitations of this subsection 2.1(h).
- (i) For Full Value Awards, no more than 400,000 shares of Common Stock may be delivered pursuant to such Awards granted to any one Participant during any one calendar-year period (regardless of whether settlement of the Award is to occur prior to, at the time of, or after the time of vesting); provided that Awards described in this subsection 2.1(i) shall be subject to the following:

(i) If the Awards are denominated in Common Stock but an equivalent amount of cash is delivered in lieu of delivery of shares of Common Stock, the foregoing limit shall be applied based on the methodology used by the Committee to convert the number of shares of Common Stock into cash.

(ii) If delivery of Common Stock or cash is deferred until after the Common Stock has been earned, any adjustment in the amount delivered to reflect actual or deemed investment experience after the date the Common Stock is earned shall be disregarded.

2.2 Adjustments to Shares of Common Stock. In the event of a stock dividend, stock split, reverse stock split, extraordinary cash dividend, recapitalization, reorganization, merger, consolidation, split-up, spin-off, exchange of shares, sale of assets or subsidiaries, combination, or other corporate transaction that affects the Common Stock such that the Committee determines, in its sole discretion, that an adjustment is warranted in order to preserve the benefits or prevent the enlargement of benefits of Awards under the Plan, the Committee shall, in the manner it determines equitable in its sole discretion, (a) adjust the number and kind of shares which may be delivered under the Plan (including adjustments to the number and kind of shares that may be granted to an individual during any specified time as described in subsection 2.1); (b) adjust the number and kind of shares subject to outstanding Awards; (c) adjust the Exercise Price of outstanding Options and SARs; and (d) make any other adjustments that the Committee determines to be equitable (which may include, without limitation, (i) replacement of Awards with other awards which the Committee determines have comparable value and which are based on stock of a company resulting from the transaction, and (ii) cancellation of the Award in return for cash payment of the current value of the Award, determined as though the Award is fully vested at the time of payment, provided that in the case of an Option or SAR, the amount of such payment may be the excess of value of the shares of Common Stock subject to the Option or SAR at the time of the transaction over the exercise price).

2.3 Change in Control. In the event that (a) a Participant is employed or otherwise in service on the date of a Change in Control and the Participant's employment or service, as applicable, is terminated by the Company or the successor to the Company (or a Related Company which is his or her employer) for reasons other than Cause within 24 months following the Change in Control, or (b) the Plan is terminated by the Company or its successor following a Change in Control without provision for the assumption, continuation or substitution of outstanding Awards hereunder, all Options, SARs and related Awards which have not otherwise

expired shall become immediately exercisable and all other Awards shall become fully vested; provided, however, that all Awards with conditions and restrictions relating to the attainment of performance goals shall become vested assuming the higher of (A) achievement of all relevant performance goals at the target level of performance (pro rated based upon the length of time within the performance period that has elapsed prior to the Change in Control) or (B) actual achievement of the performance goals as of the date of the Change in Control. For purposes of this subsection 2.3, a Participant's employment or service shall be deemed to be terminated by the Company or the successor to the Company (or a Related Company) if the Participant terminates employment or service after (i) a substantial adverse alteration in the nature of the Participant's status or responsibilities from those in effect immediately prior to the Change in Control, or (ii) a material reduction in the Participant's annual base salary and target bonus, if any, or, in the case of a Participant who is an Outside Director, the Participant's annual compensation, as in effect immediately prior to the Change in Control. If, upon a Change in Control, awards in other shares or securities are substituted for outstanding Awards pursuant to subsection 2.2, and immediately following the Change in Control the Participant becomes employed by (if the Participant was an employee immediately prior to the Change in Control) or a board member of (if the Participant was an Outside Director immediately prior to the Change in Control) the entity into which the Company merged, or the purchaser of substantially all of the assets of the Company, or a successor to such entity or purchaser, the Participant shall not be treated as having terminated employment or service for purposes of this subsection 2.3 until such time as the Participant terminates employment or service with the merged entity or purchaser (or successor), as applicable.

2.4 Limits Applicable to Non-Employee Directors. Notwithstanding any other provision of the Plan to the contrary, the aggregate value of all Awards granted under the Plan to any Outside Director for any calendar year shall not exceed (a) \$300,00 in total value or (b) in the event such Outside Director is first appointed or elected to the Board in such calendar year, \$400,000 in total value. For purposes of the foregoing limitation, the value of an Award shall be its grant date fair value, as determined in accordance with ASC 718 or successor provision but excluding the impact of estimated forfeitures related to service-based vesting conditions.

3. STOCK OPTIONS AND STOCK APPRECIATION RIGHTS

3.1 Options and SARs. The Committee shall designate the Participants to whom Options or SARs are to be granted under this Section 3 and shall determine the number of shares of Common Stock subject to each such Option or SAR and the other terms and conditions thereof, not inconsistent with the Plan. Without limiting the generality of the foregoing, the Committee may not grant dividend equivalents (current or deferred) with respect to any Option or SAR granted under the Plan. An Option will be deemed to be a Non-Qualified Option unless it is specifically designated by the Committee as an Incentive Stock Option.

3.2 Exercise Price. The Exercise Price of each Option and SAR granted under this Section 3 shall be established by the Committee at the time the Option or SAR is granted; provided, however, that in no event shall such price be less than 100% of the Fair Market Value of a share of Common Stock on the date of grant (or, if greater, the par value of a share of Common Stock).

3.3 Limits on Incentive Stock Options. If the Committee grants Incentive Stock Options, then to the extent that the aggregate fair market value of shares of Common Stock with respect to which Incentive Stock Options are exercisable for the first time by any individual during any calendar year (under all plans of the Company and all Subsidiaries) exceeds \$100,000, such Options shall be treated as Non-Qualified Stock Options to the extent required by section 422 of the Code. Any Option that is intended to constitute an Incentive Stock Option shall satisfy any other requirements of section 422 of the Code and, to the extent such Option does not satisfy such requirements, the Option shall be treated as a Non-Qualified Stock Option.

3.4 Term and Exercisability. Except as otherwise expressly provided in the Plan, an Option or SAR granted under the Plan shall be exercisable in accordance with the following:

- (a) The terms and conditions relating to exercise and vesting of an Option or SAR shall be established by the Committee to the extent not inconsistent with the Plan, and may include, without limitation, conditions relating to completion of a specified period of service, achievement of performance standards prior to exercise or the achievement of Common Stock ownership guidelines by the Participant.
- (b) No Option or SAR may be exercised by a Participant prior to the date on which it is exercisable (or vested) or after the Expiration Date applicable thereto. In no event shall an Option or SAR expire later than the tenth anniversary of the grant date of such Option or SAR.

3.5 Payment of Exercise Price. The payment of the Exercise Price of an Option granted under this Section 3 shall be subject to the following:

- (a) Subject to the following provisions of this subsection 3.5, the full Exercise Price of each share of Common Stock purchased upon the exercise of any Option shall be paid at the time of such exercise (except that, in the case of an exercise through the use of cash equivalents (including broker-assisted cashless exercise), payment may be made as

Table of Contents

APPENDIX A

soon as practicable after the exercise) and, as soon as practicable thereafter, a certificate representing the shares of Common Stock so purchased shall be delivered to the person entitled thereto or shares of Common Stock so purchased or such shares of Common Stock shall otherwise be registered in the name of the Participant on the records of the Company's transfer agent and credited to the Participant's account.

- (b) Subject to applicable law, the Exercise Price shall be payable in cash or cash equivalents (including broker-assisted cashless exercise), by tendering, by actual delivery or by attestation (including by means of a net exercise), shares of Common Stock valued at Fair Market Value as of the day of exercise or by a combination thereof; provided, however, that shares of Common Stock may not be used to pay any portion of the Exercise Price unless the holder thereof has good title, free and clear of all liens and encumbrances.

3.6 Post-Exercise Limitations. The Committee, in its discretion, may impose such restrictions on shares of Common Stock acquired pursuant to the exercise of an Option as it determines to be desirable, including, without limitation, restrictions relating to disposition of the shares and forfeiture restrictions based on service, performance, Common Stock ownership by the Participant, conformity with the Company's recoupment or clawback policies as in effect from time to time, compliance with restrictive covenants, and such other factors as the Committee determines to be appropriate.

3.7 No Repricing. Except for either adjustments pursuant to subsection 2.2 of the Plan (relating to the adjustment of shares), or reductions of the exercise price approved by the Company's stockholders, the exercise price for any outstanding Option or SAR may not be decreased after the date of grant nor may an outstanding Option or SAR granted under the Plan be surrendered to the Company as consideration for the grant of a replacement Option or SAR with a lower exercise price or a Full Value Award. Except as approved by the Company's stockholders, in no event shall any Option or SAR granted under the Plan be surrendered to the Company in consideration for a cash payment if, at the time of such surrender, the exercise price of the Option or SAR is greater than the then current Fair Market Value of a share of Common Stock. In addition, no repricing of an Option shall be permitted without the approval of the Company's stockholders if such approval is required under the rules of any stock exchange on which the Common Stock is listed.

3.8 Tandem Common Stock Options and SARs. A Option may but need not be in tandem with an SAR, and an SAR may but need not be in tandem with an Option (in either case, regardless of whether the original award was granted under this Plan or another plan or arrangement). If an Option is in tandem with an SAR, the exercise price of both the Option and SAR shall be the same, and the exercise of the Option or SAR with respect to a share of Common Stock shall cancel the corresponding tandem SAR or Option right with respect to such share. If an SAR is in tandem with an Option but is granted after the grant of the Option, or if an Option is in tandem with an SAR but is granted after the grant of the SAR, the later granted tandem Award shall have the same exercise price as the earlier granted Award, but the exercise price for the later granted Award may not be less than the Fair Market Value of the Common Stock at the time of such grant.

3.9 Expiration Date. The Expiration Date with respect to an Option or SAR means the date established as the Expiration Date by the Committee at the time of the grant (as the same may be modified in accordance with the terms

of the Plan); provided, however, that the Expiration Date with respect to any Option or SAR shall not be later than the earliest to occur of the ten-year anniversary of the date on which the Option or SAR is granted or the following dates, unless the following dates are determined otherwise by the Committee:

- (a) if the Participant's Termination Date occurs by reason of death or Disability, the one-year anniversary of such Termination Date;
- (b) if the Participant's Termination Date occurs for reasons other than death or Disability or Cause, the three-month anniversary of such Termination Date; or
- (c) if the Participant's Termination Date occurs for Cause, the day preceding the Termination Date.

In no event shall the Expiration Date of an Option or SAR be later than the ten-year anniversary of the date on which the Option or SAR is granted (or such shorter period required by law or the rules of any stock exchange on which the Common Stock is listed).

4. FULL VALUE AWARDS

A Full Value Award is a grant of one or more shares of Common Stock or a right to receive one or more shares of Common Stock in the future (including restricted stock, restricted stock units, deferred stock units, performance stock and performance stock units). Such grants may be subject to one or more of the following, as determined by the Committee:

- (a) The grant may be in consideration of a Participant's previously performed services or surrender of other compensation that may be due.
- (b) The grant may be contingent on the achievement of performance or other objectives (including completion of service) during a specified period.

Table of Contents

APPENDIX A

- (c) The grant may be subject to a risk of forfeiture or other restrictions that will lapse upon the achievement of one or more goals relating to completion of service by the Participant or achievement of performance or other objectives.

The grant of Full Value Awards may also be subject to such other conditions, restrictions and contingencies, as determined by the Committee, including provisions relating to dividend or dividend equivalent rights and deferred payment or settlement, conformity with the Company's recoupment or clawback policies as in effect from time to time, compliance with restrictive covenants, and such other factors as the Committee determines to be appropriate.. Notwithstanding the foregoing, no dividends or dividend equivalent rights will be paid or settled on Full Value Awards that have not otherwise been earned or vested.

5. COMMITTEE

5.1 Administration. The authority to control and manage the operation and administration of the Plan shall be vested in the committee described in subsection 5.2 (the Committee) in accordance with this Section 5. If the Committee does not exist, or for any other reason determined by the Board, the Board may take any action under the Plan that would otherwise be the responsibility of the Committee.

5.2 Selection of Committee. So long as the Company is subject to Section 16 of the Exchange Act, the Committee shall be selected by the Board and shall consist of not fewer than two members of the Board or such greater number as may be required for compliance with Rule 16b-3 issued under the Exchange Act and shall be comprised of persons who are independent for purposes of applicable stock exchange listing requirements. Notwithstanding any other provision of the Plan to the contrary, with respect to any Awards to Outside Directors, the Committee shall be the Board.

5.3 Powers of Committee. The authority to manage and control the operation and administration of the Plan shall be vested in the Committee, subject to the following:

- (a) Subject to the provisions of the Plan, the Committee will have the authority and discretion to (i) select Eligible Persons who will receive Awards under the Plan, (ii) determine the time or times of receipt of Awards, (iii) determine the types of Awards and the number of shares of Common Stock covered by the Awards, (iv) establish the terms, conditions, performance targets, restrictions, and other provisions of Awards, (v) modify the terms of, cancel or suspend Awards, (vi) reissue or repurchase Awards, and (vii) accelerate the exercisability or vesting of any Award. In making such Award determinations, the Committee may take into account the nature of services rendered by the respective employee, the individual's present and potential contribution to the Company's or a Related Company's success and such other factors as the Committee deems relevant.

- (b) Subject to the provisions of the Plan, the Committee will have the authority and discretion to conclusively interpret the Plan, to establish, amend and rescind any rules and regulations relating to the Plan, to determine the terms and provisions of any agreements made pursuant to the Plan and to make all other determinations that may be necessary or advisable for the administration of the Plan.
- (c) Any interpretation of the Plan by the Committee and any decision made by it under the Plan is final and binding on all persons.
- (d) Except as otherwise expressly provided in the Plan, where the Committee is authorized to make a determination with respect to any Award, such determination shall be made at the time the Award is made, except that the Committee may reserve the authority to have such determination made by the Committee in the future (but only if such reservation is made at the time the Award is granted, is expressly stated in the Agreement reflecting the Award and is permitted by applicable law).

Without limiting the generality of the foregoing, it is the intention of the Company that, to the extent that any provisions of this Plan or any Awards granted hereunder are subject to section 409A of the Code, the Plan and the Awards comply with the requirements of section 409A of the Code and that the Plan and Awards be administered in accordance with such requirements and the Committee shall have the authority to amend any outstanding Awards to conform to the requirements of section 409A.

5.4 Delegation by Committee. Except to the extent prohibited by applicable law or the rules of any stock exchange on which the Common Stock is listed, the Committee may allocate all or any portion of its responsibilities and powers to any one or more of its members and may delegate all or any part of its responsibilities and powers to any person or persons selected by it. Any such allocation or delegation may be revoked by the Committee at any time.

5.5 Information to be Furnished to Committee. The Company and the Related Companies shall furnish the Committee such data and information as may be required for it to discharge its duties. The records of the Company and the Related Companies as to an employee's or Participant's employment or provision of services, termination of employment or cessation of the provision of services, leave of absence, reemployment and compensation shall be conclusive on all persons unless determined to be incorrect. Participants and other persons entitled to benefits under the Plan must furnish the Committee such evidence, data or information as the Committee considers desirable to carry out the terms of the Plan.

Table of Contents**APPENDIX A**

5.6 **Liability and Indemnification of Committee.** No member or authorized delegate of the Committee shall be liable to any person for any action taken or omitted in connection with the administration of the Plan unless attributable to his own fraud or willful misconduct; nor shall the Company or any Related Company be liable to any person for any such action unless attributable to fraud or willful misconduct on the part of a director or employee of the Company or Related Company. The Committee, the individual members thereof, and persons acting as the authorized delegates of the Committee under the Plan, shall be indemnified by the Company against any and all liabilities, losses, costs and expenses (including legal fees and expenses) of whatsoever kind and nature which may be imposed on, incurred by or asserted against the Committee or its members or authorized delegates by reason of the performance of a Committee function if the Committee or its members or authorized delegates did not act dishonestly or in willful violation of the law or regulation under which such liability, loss, cost or expense arises. This indemnification shall not duplicate but may supplement any coverage available under any applicable insurance.

5.7 **Special Vesting Rules.** Except for (a) Awards granted under the Plan with respect to shares of Common Stock which do not exceed, in the aggregate, five percent of the total number of shares of Common Stock reserved for issuance pursuant to subsection 2.1, (b) Awards granted in lieu of other compensation, or (c) Awards that are a form of payment of earned performance awards or other incentive compensation provided that the performance period relating to such performance or incentive awards was at least one year, if a Participant's right to become vested in an Award is conditioned on the completion of a specified period of service with the Company or any Related Company Subsidiaries being required, then the required period of service shall be at least one (1) year, except if accelerated in the event of the participant's death or Disability, or involuntary termination.

6. MISCELLANEOUS

6.1 **Effective Date and Term.** This Plan shall be effective as of the date that it is approved by the Board (the Effective Date); provided, however, that no Awards shall be granted under the Plan prior to the Approval Date. The Plan shall be unlimited in duration and, in the event of Plan termination, shall remain in effect as long as any shares of Common Stock awarded under it are outstanding and not fully vested; provided, however, that no new Awards will be made under the Plan on or after the tenth anniversary of the Effective Date. No awards will be made under the Prior Plan after the Approval Date; provided, however, that any awards granted under the Prior Plan prior to the Approval Date shall be subject to the terms and conditions of the Prior Plan.

6.2 **Limit on Distribution.** Distribution of Common Stock or other amounts under the Plan shall be subject to the following:

- (a) Notwithstanding any other provision of the Plan, the Company shall have no liability to deliver any Common Stock under the Plan or make any other distribution of benefits under the Plan unless such delivery or distribution would comply with all applicable laws and the applicable requirements of any securities exchange or similar entity.

(b) In the case of a Participant who is subject to Section 16(a) and 16(b) of the Exchange Act, the Committee may, at any time, add such conditions and limitations to any Award to such Participant, or any feature of any such Award, as the Committee, in its sole discretion, deems necessary or desirable to comply with Section 16(a) or 16(b) and the rules and regulations thereunder or to obtain any exemption therefrom.

(c) To the extent that the Plan provides for issuance of certificates to reflect the transfer of Common Stock, the transfer of such Common Stock may be effected on a non-certificated basis, to the extent not prohibited by applicable law or the rules of any stock exchange on which the Common Stock is listed.

6.3 Liability for Cash Payments. Subject to the provisions of this Section 6, each Related Company shall be liable for payment of cash due under the Plan with respect to any Participant to the extent that such payment is attributable to the services rendered for that Related Company by the Participant. Any disputes relating to liability of a Related Company for cash payments shall be resolved by the Committee.

6.4 Withholding. All Awards and other payments under the Plan are subject to withholding of all applicable taxes, which withholding obligations may be satisfied, with the consent of the Committee, through the surrender of Common Stock which the Participant already owns or to which a Participant is otherwise entitled under the Plan; provided, however, previously-owned Common Stock that has been held by the Participant or Common Stock to which the Participant is entitled under the Plan may only be used to satisfy the minimum tax withholding required by applicable law (or other rates that will not have a negative accounting impact).

6.5 Transferability. Awards under the Plan are not transferable except as designated by the Participant by will or by the laws of descent and distribution or, unless otherwise provided by the Committee, pursuant to a qualified domestic relations order (within the meaning of the Code and applicable rules thereunder). To the extent that the Participant who receives an Award under the Plan has the right to exercise such Award, the Award may be exercised during the lifetime of the Participant only by the Participant. Notwithstanding the foregoing provisions of this subsection 6.5, unless otherwise provided by the Committee,

Table of Contents

APPENDIX A

Awards may be transferred to or for the benefit of the Participant's family (including, without limitation, to a trust or partnership for the benefit of a Participant's family), subject to such procedures as the Committee may establish. In no event shall an Incentive Stock Option be transferable to the extent that such transferability would violate the requirements applicable to such option under section 422 of the Code.

6.6 Notices. Any notice or document required to be filed with the Committee under the Plan will be properly filed if delivered or mailed by registered mail, postage prepaid, to the Committee, in care of the Company or the Related Company, as applicable, at its principal executive offices. The Committee may, by advance written notice to affected persons, revise such notice procedure from time to time. Any notice required under the Plan (other than a notice of election) may be waived by the person entitled to notice.

6.7 Form and Time of Elections. Unless otherwise specified herein, each election required or permitted to be made by any Participant or other person entitled to benefits under the Plan, and any permitted modification or revocation thereof, shall be in writing filed with the applicable Committee at such times, in such form, and subject to such restrictions and limitations, not inconsistent with the terms of the Plan, as the Committee shall require.

6.8 Agreement With the Company or Related Company. At the time of an Award to a Participant under the Plan, the Committee may require a Participant to enter into an agreement with the Company or the Related Company, as applicable (the Agreement), in a form specified by the Committee, agreeing to the terms and conditions of the Plan and to such additional terms and conditions, not inconsistent with the Plan, as the Committee may, in its sole discretion, prescribe.

6.9 Limitation of Implied Rights.

- (a) Neither a Participant nor any other person shall, by reason of the Plan, acquire any right in or title to any assets, funds or property of the Company or any Related Company whatsoever, including, without limitation, any specific funds, assets, or other property which the Company or any Related Company, in its sole discretion, may set aside in anticipation of a liability under the Plan. A Participant shall have only a contractual right to the amounts, if any, payable under the Plan, unsecured by any assets of the Company and any Related Company. Nothing contained in the Plan shall constitute a guarantee by the Company or any Related Company that the assets of such companies shall be sufficient to pay any benefits to any person.
- (b) The Plan does not constitute a contract of employment or continued service, and selection as a Participant will not give any employee the right to be retained in the employ or service of the Company or any Related Company, nor any right or claim to any benefit under the Plan, unless such right or claim has specifically accrued under the terms of the Plan. Except as otherwise provided in the Plan, no Award under the Plan shall confer upon the holder thereof any right as a stockholder of the Company prior to the date on which he fulfills all service requirements and other conditions for receipt of such rights and shares of Common Stock are

registered in his name.

6.10 Evidence. Evidence required of anyone under the Plan may be by certificate, affidavit, document or other information which the person acting on it considers pertinent and reliable, and signed, made or presented by the proper party or parties.

6.11 Action by the Company or Related Company. Any action required or permitted to be taken by the Company or any Related Company shall be by resolution of its board of directors or governing body or by action of one or more members of the board or governing body (including a committee of the board or governing body) who are duly authorized to act for the board or, in the case of any Related Company which is a partnership, by action of its general partner or a person or persons authorized by the general partner, or (except to the extent prohibited by applicable law or the rules of any stock exchange on which the Common Stock is listed) by a duly authorized officer of the Company.

6.12 Gender and Number. Where the context admits, words in any gender shall include any other gender, words in the singular shall include the plural and the plural shall include the singular.

6.13 Applicable Law. The provisions of the Plan shall be construed in accordance with the laws of the State of Delaware, without giving effect to choice of law principles.

6.14 Foreign Employees. Notwithstanding any other provision of the Plan to the contrary, the Committee may grant Awards to eligible persons who are foreign nationals on such terms and conditions different from those specified in the Plan as may, in the judgment of the Committee, be necessary or desirable to foster and promote achievement of the purposes of the Plan. In furtherance of such purposes, the Committee may make such modifications, amendments, procedures and subplans as may be necessary or advisable to comply with provisions of laws in other countries or jurisdictions in which the Company or a Related Company operates or has employees. The foregoing provisions of this subsection 6.14 shall not be applied to increase the share limitations of Section 2 or to otherwise change any provision of the Plan that would otherwise require the approval of the Company's stockholders.

6.15 Recoupment/Forfeiture. Notwithstanding any other provision of the Plan or any Award Agreement to the contrary, unless otherwise specified by the Committee, any Awards under the Plan and any shares of Common Stock or cash issued pursuant to the Plan shall be subject to the Company's compensation recovery, clawback, and recoupment policies as in effect from time to time.

7. AMENDMENT AND TERMINATION.

The Board may, at any time, amend or terminate the Plan, and the Board or the Committee may amend any Award Agreement, provided that no amendment or termination may, in the absence of written consent to the change by the affected Participant (or, if the Participant is not then living, the affected beneficiary), adversely affect the rights of any Participant or beneficiary under any Award granted under the Plan prior to the date such amendment is adopted by the Board (or the Committee, if applicable); and further provided that adjustments pursuant to subsection 2.2 shall not be subject to the foregoing limitations of this Section 7; and further provided that the provisions of subsection 3.7 (relating to Option and SAR repricing) cannot be amended unless the amendment is approved by the Company's stockholders; and provided further that, no other amendment shall be made to the Plan without the approval of the Company's stockholders if such approval is required by law or the rules of any stock exchange on which the Common Stock is listed. It is the intention of the Company that, to the extent that any provisions of this Plan or any Awards granted hereunder are subject to section 409A of the Code, the Plan and the Awards comply with the requirements of section 409A of the Code and that the Board shall have the authority to amend the Plan as it deems necessary to conform to section 409A. Notwithstanding the foregoing, the Company does not guarantee that Awards under the Plan will comply with section 409A and the Committee is under no obligation to make any changes to any Award to cause such compliance.

Table of Contents**APPENDIX B****APPENDIX B Non-GAAP Measures**

The Company provides certain Non-GAAP financial measures in this Proxy Statement that are not in accordance with, or alternatives for, generally accepted accounting principles in the United States. Our Non-GAAP financial measure of adjusted EBITDA represents net income (loss) before depreciation and amortization expense, interest expense, provision for income taxes and pre-opening costs, adjusted to eliminate the impact of other items, including certain non-cash as well as certain other items that we do not consider representative of our on-going operating performance. The GAAP measure most directly comparable to adjusted EBITDA is net income (loss). Management uses adjusted EBITDA to evaluate the Company's performance and in order to have comparable financial results to analyze changes in our underlying business from quarter to quarter.
