If a shareholder wishes to receive a separate copy or has received multiple copies at one address and would like to receive a single copy in the future, please contact Computershare by phone toll free at (866) 641-4276 or by written request to Computershare C/O: Shareholder Services, 462 South 4th Street, Suite 1600, Louisville, KY 40202.

Who May Vote

You are a shareholder of record if you hold our shares directly in your name through our transfer agent, Computershare Trust Company, N.A. If you hold our shares through a broker, bank, financial institution, trust, or other nominee, then you are a holder of our shares in street name. If you hold your shares in street name, you must instruct the broker or other nominee about how to vote your shares.

Only those common shareholders of record as of March 26, 2019 (the Record Date) will be entitled to notice of, and to vote at, the Annual Meeting. On that date 9,648,269 shares of common stock were outstanding. The determination of shareholders entitled to vote at the Annual Meeting and the number of votes to which they are entitled was made on the basis of the Company's records as of the Record Date.

Voting of Proxies

If you are eligible to vote at the Annual Meeting and are a stockholder of record, you may submit your proxy or cast your vote in the following ways:

In Person You may vote in person at the Annual Meeting. In order to gain admittance to the Annual Meeting, you must present valid government-issued photo identification such as a driver's license or passport.

By Internet You can vote by following the instructions provided in the Notice. Proxies submitted via internet or telephone must be received by 5:00 p.m., Chamorro Standard Time, on May 20, 2019.

By Telephone You can vote by telephone by calling 1-800-652-8683 and entering the shareholder control number found on your Notice. Proxies submitted via internet or telephone must be received by 5:00 p.m., Chamorro Standard Time, on May 20, 2019.

By Mail If you received your proxy materials by mail, you can vote by signing, dating, and mailing the proxy card in the pre-paid enclosed envelope provided with the materials. Your proxy card must be received before the voting polls close at the Annual Meeting.

If your shares are held in street name by a broker or other nominee, you should review the voting form used by that firm to determine whether you may provide voting instructions to the broker or other nominee by telephone or the internet.

Revocability of Proxies

Any shareholder who executes and delivers such proxy has the right to revoke it at any time before it is exercised by filing with the Corporate Secretary of the Company an instrument revoking it or by filing a duly executed proxy bearing a later date. In addition, the powers of the proxy holder will be revoked if the person executing the proxy is present at the Annual Meeting and elects to vote in person by advising the chair of the Annual Meeting of such election. Subject to such revocation or suspension, all shares represented by a properly executed proxy received in time for the Annual Meeting and as described above under *Voting of Proxies* will be voted by the proxy holders in accordance with the instructions on the proxy.

IF NO INSTRUCTION IS SPECIFIED WITH REGARD TO A MATTER TO BE ACTED UPON, THE SHARES REPRESENTED BY THE PROXY WILL BE VOTED IN ACCORDANCE WITH THE RECOMMENDATIONS OF THE BOARD OF DIRECTORS: FOR THE ELECTION OF ALL NOMINEES FOR DIRECTORS LISTED HEREIN, FOR THE RATIFICATION OF THE SELECTION OF SQUAR MILNER LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE YEAR ENDING DECEMBER 31, 2019, AND, IF ANY OTHER BUSINESS IS PROPERLY PRESENTED AT THE ANNUAL MEETING, IN ACCORDANCE WITH THE RECOMMENDATIONS OF THE BOARD OF DIRECTORS.

Quorum and Vote Necessary for Action

The presence in person or by proxy (including internet and telephone voting) of a majority of the outstanding shares of stock entitled to vote at the Annual Meeting will constitute a quorum for the purpose of transacting business at the Annual Meeting. Abstentions, shares as to which voting authority has been withheld from any nominee and broker non-votes (as defined below), will be counted for purposes of determining the presence or absence of a quorum.

In accordance with the Company's Articles of Incorporation and By-Laws, each shareholder of record as of the Record Date is entitled to cast one vote for each share of stock held on each matter presented for a vote at the Annual Meeting. In the case of director elections, each such shareholder is entitled to cast one vote for up to four candidates. For example, a shareholder holding 100 shares may cast 100 or fewer (but not more) votes for each of four candidates. A shareholder may not cumulate

votes (i.e., you may not cast a number of votes greater than the number of shares that you own for any one candidate). Also, a shareholder may not vote for more than four of the nominees.

Directors are elected by a plurality standard, meaning that the winning candidate need only receive more votes than a competing candidate. If a director runs unopposed, he or she needs only one vote to be elected. The vote of a majority of the shares represented at the Annual Meeting is required for approval of Proposal 2 as well as for any other matter that may properly come before the Annual Meeting.

A broker or nominee holding shares for beneficial owners may vote on certain matters at the Annual Meeting pursuant to discretionary authority or instructions from the beneficial owners. However, with respect to other matters for which the broker or nominee may not have received instructions from the beneficial owners and may not have discretionary voting power under the applicable rule of the stock exchange or other self-regulatory organization to which the broker or nominee is a member, the shares held by the broker or nominee may not be voted. Such unvoted shares are called broker non-votes. Such rules of the stock exchange and other self-regulatory organizations generally permit a broker or nominee, in the absence of instructions, to deliver a proxy to vote for routine items, such as the ratification of independent auditors. Consequently, shares held by a broker or nominee will constitute broker non-votes regarding non-routine items, such as the election of directors. Broker non-votes will have no effect on the election of directors.

Person Making the Solicitation

This solicitation of proxies is being made by the Board of Directors of the Company. The Company will pay the costs of solicitation, including the expense of preparing, assembling, printing, and mailing this proxy statement and the material used in the solicitation of proxies for the Annual Meeting. It is contemplated that proxies will be solicited principally through the use of the mail, but officers, directors, and employees of the Company and Bank of Guam may solicit proxies personally or by telephone, without receiving special compensation therefor. Although there is no formal agreement to do so, the Company may reimburse banks, brokerage houses, and other custodians, nominees, and fiduciaries for their reasonable expense in forwarding these proxy materials to their principals.

Leon Guerrero's media relations experience and his extensive knowledge of the Company's market area, particularly Guam, well qualifies him to serve on our Board.

The Bank's Board of Directors meet monthly to discuss matters directly related to the Bank's business and more frequently as additional matters arise. While we do not have a formal policy regarding director attendance at meetings of shareholders, we strongly encourage each of our directors to attend shareholder meetings, and all members of the Board attended the 2018 Annual Meeting.

Joaquin P. L.G. Cook is the first cousin of Maria Eugenia Leon Guerrero.

*Denotes a committee at both the Company and the Bank.

+Denotes a committee at the Company only.

All other committees in the table not marked are at the Bank only.

In the number of meetings that are stated as a fraction, the number of Company meetings is the numerator and the number of Bank meetings is the denominator.

The following is a brief description of each Company and Bank committee of the Board of Directors.

Audit Committee: The Audit Committee discharges the Board of Directors' responsibility relating to the oversight of (i) the integrity of the financial statements and internal controls, (ii) the independent auditor's qualifications and

independence, (iii) the performance of the independent auditors and internal audit function, and (iv) compliance with legal and regulatory requirements. The Audit Committee, among other things, is responsible for the appointment, compensation and oversight of the independent auditors and review of the financial statements, audit reports, internal controls and internal audit procedures.

The Company has a separately-designated standing Audit Committee established in accordance with Section 3(a)(58)A of the Exchange Act. Each member of the Audit Committee has been determined to be an independent director, in accordance with the independence standards of the NASDAQ Stock Market and the SEC Rules and Regulations applicable to audit committees. The Board of Directors has determined that the Chairman of the Audit Committee, Roger P. Crouthamel,

qualifies as an audit committee financial expert. Mr. Crouthamel is independent as that term is defined in the NASDAQ Stock Market Rule 5605(a)(2) and SEC rules and regulations.

Compensation Committee: Among other things, the Compensation Committee is appointed by the Board of Directors to (i) review and approve annually the corporate goals and objectives applicable to the compensation of the President and Chief Executive Officer and the Executive Vice President and Chief Operating Officer (CEO and COO), (ii) evaluate at least annually the CEO s and COO s performance in light of those goals and objectives, and (iii) determine and approve the CEO s and COO s compensation level based on this evaluation. In determining the long-term incentive component of the CEO s and COO s compensation, the Committee considers the Company s performance and relative shareholder return. The Committee also makes recommendations to the Board regarding the compensation of all other executive officers.

Additionally, the Committee reviews and makes recommendations to the Board regarding incentive compensation plans and equity-based plans, and where appropriate or required, recommends them for approval by the shareholders of the Company, which includes the ability to adopt, amend and terminate such plans. The Committee also has the authority to administer the Company s incentive compensation plans and equity-based plans, including designation of the employees to whom the awards are to be granted, the amount of the award or equity to be granted, and the terms and conditions applicable to each award or grant, subject to the provisions of each plan. The Committee also reviews director compensation for service on the Board and Board committees at least once a year and to recommend any changes to the Board.

The Compensation Committee may delegate to the Director of Human Resources or other appropriate officer to administer, amend and interpret the Company s compensation and benefits programs. Each member of the Compensation Committee has been determined to be an independent director, in accordance with the independence standards of the NASDAQ Stock Market and SEC rules and regulations.

Nominating and Governance Committee: The Nominating and Governance Committee function is (1) to assist the Board, on an annual basis, by identifying individuals qualified to become Board members, and to recommend to the Board the director nominees for the next annual meeting of shareholders; (2) to assist the Board in the event of any vacancy on the Board by identifying individuals qualified to become Board members, and to recommend to the Board qualified individuals to fill any such vacancy; (3) to recommend to the Board, on an annual basis, director nominees for each Board committee; and (4) to establish procedures for the Committee to exercise oversight of the evaluation of the Board.

Each member of the Nominating and Governance Committee has been determined to be an independent director, in accordance with the independence standards of the NASDAQ Stock Market and SEC rules and regulations.

Stock Purchase Plan Committee: This Committee s function is to recommend and implement the Company stock purchase plan that is generally available for all employees of the Company and its subsidiaries such as the Bank. See additional details regarding the Stock Purchase Plan under the section entitled Employee Stock Purchase Plan.

The following is a brief description of the committees of the Bank s Board of Directors.

Loan Committee: The Loan Committee s principal function is to monitor and review the loan portfolio of the Bank and its branches. The Committee approves and confirms, as the case may be, all loans above a certain amount.

Executive Committee: The Executive Committee reviews the administration of the Bank and its branches, including the investment portfolio, loans in excess of \$125,000, personnel policies, and various management, credit and personnel reports.

Trust Committee: The Trust Committee's function is to oversee and direct all activities of the Trust department of the Bank, including approving all accounts opened and closed.

Asset Liability Committee: The Asset Liability Committee's principal function is to monitor and review the Bank's liquidity position (Asset/Liability management) to assure that appropriate resources are in place to meet anticipated funds demands. The Committee also manages rate sensitive assets and liabilities to provide acceptable levels of net interest income and Interest Rate Risk, which is the exposure to the Bank's Earnings and Equity Capital to future interest rate changes.

Director Compensation

The Company and the Bank use cash compensation to attract and retain qualified candidates to serve on its Board of Directors. In setting director compensation, the Company and the Bank considers the significant amount of time that directors

expend in fulfilling their duties as well as the skill-level required as a member of the Board of Directors. Presently, with the exception of the Company Stock Purchase Plan Committee, directors of the Company receive no compensation for any Board or Committee meeting attended. Bank directors are paid an attendance fee of \$2,000 for each Bank Board meeting attended. Bank Board members are also paid \$250 for each committee meeting attended, with the Chairman of the Bank Audit and Bank Trust Committee being paid \$300 per meeting. The Company pays each member of the Stock Purchase Plan Committee a fee of \$250 for each meeting attended.

The following table sets forth certain information regarding the compensation earned by or awarded to each non-employee director, and Keven F. Camacho, who is the Vice President and Chief Lending Officer, all of whom served on the Board of Directors in 2018. No outside director received perquisites or other personal benefits with a total value exceeding \$10,000 during 2018. Compensation paid to Joaquin P. L.G. Cook, our President and Chief Executive Officer, Lourdes A. Leon Guerrero, the Company's past President and Chief Executive Officer, and William D. Leon Guerrero for their service as directors is reported in the Summary Compensation Table. Because Maria E. Leon Guerrero was appointed to the Board in February 2019, she did not receive any director fees in 2018.

Survivor Income Plan and Group Policies

In 2011, the Bank Board approved entry into a survivor income plan (SIP) for Bank directors meeting certain age requirements. The SIP was implemented to help recruit, reward and retain key executives and directors. Under the SIP, upon a participating director's death while serving on the Board, the Bank will pay a death benefit to the director's beneficiary in the amount of \$303,030.

The Bank Board members are also enrolled in the Bank's group life insurance and some are enrolled in the group health and dental insurance. The group policies are made available on the same basis as all Bank employees.

CORPORATE GOVERNANCE

Board Leadership Structure

The Board of Directors is committed to strong, independent leadership and believes that objective oversight of management performance is a critical aspect of effective corporate governance. It is the role of the Nominating and Governance Committee to review annually, and when appropriate make recommendations to the Board of Directors concerning, board composition, structure, and functions. With the departure of Lourdes A. Leon Guerrero at the end of 2018 following her election to the Office of the Governor of Guam, the Nominating and Governance Committee initiated internal succession policies to identify her replacement. Following this process, and upon the

recommendation of the Nominating and Governance Committee, in March 2019 the Board deemed it appropriate to separate the Chairman of the Board and Chief Executive Officer positions. On March 20, 2019, the Board appointed William D. Leon Guerrero to be the Chairman of the Boards of the Company and the Bank, and appointed Joaquin P. L.G. Cook to be the President and Chief Executive Officer.

According to the Company's By-Laws, the Chairman of the Board presides at meetings of the Board of Directors and shareholders and exercises and performs such other powers and duties assigned to him/her by the Board of Directors. The By-Laws further provide that the president of the Company will be the chief executive officer and shall, subject to the control of the Board of Directors, have general supervision, direction, and control of the business and the officers of the Company.

During this time of transition, the Board believes it to be appropriate to have a Chairman with the sole job of leading the Board and a separate President who can focus his/her efforts on the day-to-day management of the Company. The Board does believe that it is important to have the President as a director. However, the Board may decide in the future to once again combine the positions of Chairman and Chief Executive Officer. Also, in addition to the Chairman, leadership is also provided through the respective chairs of the various committees of the Bank and Company Boards. All but four of the members of the Board of Directors are independent directors. In addition, our key committees of the Board of Directors – Audit, Compensation, and Nominating and Governance – are comprised solely of, and chaired by, independent directors.

Board's Role in Risk Oversight

It is a fundamental part of the Board's responsibility to understand the risks the Company faces and what steps management is taking to manage those risks. It is also important that the Board understands what level of risk is appropriate for the Company. While the Board of Directors has the ultimate oversight responsibility for the risk management process, various committees of the Board also have responsibility for risk management. In particular, the Audit Committee focuses on financial risk, including internal controls, and receives an annual risk assessment report from the Company's outside auditor. The Bank's Executive Committee fulfills its oversight responsibility with respect to the Bank's compliance and operational risk, by working with the Bank's Senior Vice President and General Counsel and Chief Risk Officer to understand regulatory and legislative issues and the Bank's processes and systems. In setting compensation, the Bank's Compensation Committee strives to create incentives that do not encourage excessive risk-taking beyond the Bank's ability to effectively identify and manage risk. The Bank's Asset Liability Committee focuses on investment risks and the Bank's Loan Committee functions focus on credit. Both Committees receive monthly reports from the chief credit officer and chief financial officer. Additionally, the Bank's Board of Directors is provided physical and information security risk reports by management on an annual basis.

Director Independence

For the fiscal year 2018, the Board of Directors determined that Lourdes A. Leon Guerrero, the former Chair of the Board of Directors, President and Chief Executive Officer who, from May 1, 2018 through November 26, 2018, had taken a temporary, unpaid leave of absence from her position as President and Chief Executive Officer; William D. Leon Guerrero, our Chairman and former Executive Vice President and Chief Operating Officer; Joaquin P. L.G. Cook, Board member, Executive Vice President and Chief Sales & Service Officer, as well as Interim President and Chief Executive Officer during Ms. Leon Guerrero's leave of absence (see section below under EXECUTIVE COMPENSATION); and Keven F. Camacho, Vice President and Chief Lending Officer, would not be considered independent directors as that term is defined in the listing standards of the NASDAQ Stock Market and SEC rules and regulations. Upon her appointment to the Board in February 2019, the Board also determined that Maria E. Leon Guerrero would not be considered an independent director. The Board of Directors has determined that all of the other seven directors are independent directors as that term is defined in the listing standards of the NASDAQ Stock Market and SEC rules and regulations. Such independence definition includes a series of objective tests, including that the director is not an employee of the Company and has not engaged in various types of business dealings with the Company. In addition, as further required by the NASDAQ Stock Market listing standards and SEC rules and regulations, the Board of Directors has made a subjective determination as to each independent director that no relationships exist which, in the opinion of the Board of Directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. See additional discussion under the section entitled Transactions with Related Persons.

Executive Sessions of Independent Directors

Independent directors meet at regularly scheduled sessions without the directors who are not independent.

Nomination of Directors

Our Nominating and Governance Committee is a joint committee of the Company and the Bank's Boards of Directors. Among its other duties and responsibilities assigned from time to time by the Board, the Committee functions as a nominations committee by identifying individuals who are qualified to become directors and recommending candidates to the Board for selection as nominees for election as directors at our Annual Meetings and for appointment to fill vacancies on our Board.

The Committee's charter provides that the Committee will recommend individuals who have high personal and professional integrity, who demonstrate ability and judgment, and who, with other members of the Board, will be effective in collectively serving the long-term interests of our shareholders. Candidates also must satisfy applicable requirements of state and federal banking regulators, and the Committee may develop other criteria or minimum qualifications for use in identifying and evaluating candidates. In identifying candidates to be recommended to the Board of Directors, the Committee will consider candidates recommended by shareholders. The Committee has not used the services of a third-party search firm. Shareholders who wish to recommend candidates to the Committee should send their recommendations in writing to:

BankGuam Holding Company

Attention: Roger Crouthamel, Corporate Secretary

P.O. Box BW

Hagåtña, Guam 96932

Each recommendation should be accompanied by the following:

The full name, address and telephone number of the person making the recommendation, and a statement that the person making the recommendation is a shareholder of record (or, if the person is a beneficial owner of our shares but not a record holder, a statement from the record holder of the shares verifying the number of shares beneficially owned), and a statement as to whether the person making the recommendation has a good faith intention to continue to hold those shares through the date of our next Annual Meeting;

The full name, address and telephone number of the candidate being recommended, information regarding the candidate's beneficial ownership of our equity securities and any business or personal relationship between the candidate and the person making the recommendation, and an explanation of the value or benefit the person making the recommendation believes the candidate would provide as a director;

A statement signed by the candidate that he or she is aware of and consents to being recommended to the Committee and will provide such information as the Committee may request in connection with its evaluation of candidates;

A description of the candidate's current principal occupation, business or professional experience, previous employment history, educational background, and any areas of particular expertise;

Information about any business or personal relationships between the candidate and any of our customers, suppliers, vendors, competitors, directors or officers, affiliated companies, or other persons with any special interest regarding our bank, and any transactions between the candidate and our bank; and

Any information in addition to the above regarding the candidate that would be required to be included in our proxy statement pursuant to the SEC's Regulation 14A (including without limitation information regarding legal proceedings in which the candidate has been involved within the past ten years).

Shareholder recommendations must be received by February 20, 2020 in order to be included in the Committee's consideration for directors to be elected in the 2020 Annual Meeting of Shareholders.

The Committee will evaluate candidates recommended by shareholders in a manner similar to its evaluation of other candidates. The Committee will select candidates to be recommended to the Board of Directors each year based on its assessment of, among other things, (1) candidates' business, personal and educational background and experience, community leadership, independence, geographic location within our service area, and their other qualifications, attributes and potential contributions; (2) the past and future contributions of our current directors, and the value of continuity and prior board experience; (3) the existence of one or more vacancies on the Board; (4) the need for a

director possessing particular attributes or particular experience or expertise; (5) the role of directors in our business development activities; and (6) other factors that it considers relevant, including any specific qualifications the Committee adopts from time to time. The Nominating and Governance Committee has not adopted a diversity policy for evaluating nominees.

Code of Ethics

The Company has adopted a written Code of Business Conduct and Ethics (the "Code of Ethics") that applies to all employees, officers and directors of the Company as well as any subsidiary company officers that are executive officers of the Company. The Code of Ethics is available on the Company's website at www.bankofguam.com and print copies are available to any shareholder that requests a copy. Stockholders may request a copy by writing to Corporate Secretary, BankGuam Holding Company, P.O. Box BW, Hagåtña, Guam 96910. Any amendments to the Code of Ethics, or waivers of these policies, to the extent applicable to the Chief Executive Officer, the Chief Financial Officer, the principal accounting officer or the controller, will be disclosed on the Company's website promptly following the date of such amendment or waiver, as applicable. Information on the Company's website does not form a part of this Annual Report. We do not have a policy that specifically prohibits employees, officers and directors from hedging the economic risk of stock ownership of our stock.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

This section addresses the compensation programs, philosophy and objectives of the Company, including the process for making compensation decisions, the role of management in the design of such programs, and its 2018 executive compensation components. This section also addresses the factors most relevant to understanding the Company's compensation programs and what they are designed to reward, including the essential elements of compensation, the reasons for determining payment of each element of compensation, and how each compensation element fits into the Company's overall compensation objectives and affects decisions regarding other compensation elements. Because the size and complexity of the Company and the Bank have not significantly increased, the executive officers receive no compensation to manage the affairs of the Company. All compensation is accomplished at the Bank level through the Board of Directors of the Bank.

Executive Summary

The Compensation Committee establishes and administers the compensation and benefit programs for the President and Chief Executive Officer and the Executive Vice President and Chief Operating Officer. The President and Chief

Executive Officer establish the compensation and benefit programs for the other named executive officers. The Compensation Committee may make recommendations relative to the compensation and benefits of the executive officers to the Bank Board. The Committee, as well as the President and Chief Executive Officer for the other named executive officers, carefully considers the components of the executive compensation programs to attract and retain high quality executive officers and to incent the behavior of executive officers to create shareholder value.

The Compensation Committee's and the President and Chief Executive Officer's (for the other named executive officers) philosophy, practices and policies have been developed over a number of years and have not historically been subject to sweeping, material changes. Unlike other insured financial institutions physically located in the United States, the Company and Bank are uniquely geographically situated thousands of miles from the mainland United States. Because of its location, it

cannot readily draw from the available pool of experienced officers that typically is available to mainland banks to manage the affairs of the Bank.

Philosophy

This Board believes that its executive compensation program should be designed and administered to provide a competitive compensation program that will enable it to attract, motivate, reward and retain executives who have the skills, education, experience and capabilities required to discharge their duties in a competent, efficient and professional manner. The Bank Board thinks that the most effective compensation program is one that is designed to reward the achievement of specific annual, long-term and strategic goals by the Bank, and which aligns executives interests with those of the shareholder by rewarding performance above established goals, with the ultimate objective of improving shareholder value without rewarding short-term risk-taking.

Process for Making Compensation Decisions

The Compensation Committee has the responsibility for establishing, implementing and continually monitoring adherence with the Bank's compensation philosophy. The Compensation Committee ensures that the total compensation paid to the President and Chief Executive Officer (the CEO) and the Executive Vice President and Chief Operating Officer (the COO) is fair, reasonable and competitive. Generally, the types of compensation and benefits provided to them are similar to other executive officers. The Compensation Committee is also responsible for the review and approval of corporate goals and objectives relevant to the compensation, including the incentive bonus, of the Bank's CEO and COO, to evaluate the performance of the CEO and COO in light of the goals and objectives, and to determine and approve the CEO's and COO's compensation levels based on this evaluation.

As to the other named executives, shortly following the conclusion of each calendar year, the CEO, assisted by the Director of Human Resources, conducts an annual performance evaluation process for all named executive officers, other than for herself and the COO. As part of each annual performance evaluation, the CEO considers, among other key factors: (i) the executive's performance of job responsibilities and achievement of individual and/or departmental objectives and (ii) management and leadership skills, such as effective communication, problem solving, business development and community involvement. In addition, the named executive's contributions to the Bank's overall financial goals are indirectly considered. The Compensation Committee then reviews the CEO's recommendations on the annual bonuses and salary increases for the named executive officers.

The Compensation Committee also periodically reviews the compensation levels of the Board of Directors. In its review, the Compensation Committee looks to ensure that the compensation is fair, reasonably competitive and commensurate to the amount of work required both from the individual directors as well as from the Board in the aggregate.

2018 Executive Compensation Components

To implement the compensation objectives of the Board, the Bank has entered into employment agreements with its named executive officers that it believes reward performance as measured against established goals. The Board believes that these agreements provide fair compensation for the named executives and enable the Bank to better retain key executives to manage its affairs and to comply with the numerous Guam, Commonwealth of the Northern Mariana Islands, Republic of the Marshall Islands, Federated States of Micronesia, Republic of Palau, California and federal laws and regulations in order to ensure the safety and soundness of the funds entrusted to it for safekeeping.

For the fiscal year ended December 31, 2018, the principal components of compensation under each named executive officer's employment agreements were as follows:

Base Salary. The Bank provides named executive officers and other employees with a base salary pursuant to their employment agreements to compensate them for services rendered during the fiscal year. Base salary ranges for each named executive officer are determined based on position and responsibility. The base salary is adjusted annually to reflect the increase, if any, in the cost-of-living by adding to the base salary an amount obtained by multiplying the base salary by the percentage of which the level of the Consumer Price Index for the United States has increased over its level as of the date of commencement of the term of the employment agreement (together with base salary, the Adjusted Base Salary).

Incentive Bonus. The Bank provides an incentive-based cash compensation plan for the named executive officers tied to meeting certain objectives as measured by return on assets, return on equity, Federal Deposit Insurance Corporation ratings, and level of adversely classified assets or the Bank's efficiency performance. See *Employment Agreements* for a summary explanation of the incentive bonus.

The incentive bonus varies with each named executive officer and is set at a maximum amount. The set amount is subject to adjustments and paid quarterly in capital stock or in cash, or combination, at the option of the named executive officer. The maximum amount is subject to review by the Compensation Committee of the Bank annually.

Adjustments To Bonus. On an annual basis, the Bank Board reviews the prior year's budget and strategic plan to adjust on a quarterly basis the incentive bonus of the executive officer as follows:

- a. If the then current Return on Equity (ROE) of the Bank is below the preceding three-year average ROE of the Bank, then the Incentive Bonus is reduced by ten percent (10%);
- b. If the then current Return on Assets (ROA) of the Bank is less than that of the Bank's peer group as published in the Federal Deposit Insurance Corporation's (FDIC) Uniform Bank Performance Report, then the Incentive Bonus is reduced by ten percent (10%);
- c. If the then current Bank's FDIC Commercial Examination Composite Rating (FDIC Rating) is 2 or better, there is no reduction to the Incentive Bonus; if the FDIC Rating is 3, then the Incentive Bonus is reduced by fifteen percent (15%); if the FDIC Rating is 4, then the Incentive Bonus is reduced by fifty percent (50%); if the FDIC Rating is 5, then the Incentive Bonus is reduced by one-hundred percent (100%);
- d. If the then current Total Adversely Classified Items to Tier 1 Capital of the Bank plus the Allowance for Loan and Lease Losses is greater than twenty-five percent (25%), then the Incentive Bonus is reduced by ten percent (10%); and
- e. If the Efficiency Ratio of the Bank is greater than various percentages for various years for each of the named executives, the incentive bonus is reduced by five percent (5%).

For purposes of these calculations, the ROA, ROE, FDIC Rating, Total Adversely Classified Items to Tier 1 Capital, Allowance for Loan and Lease Losses and Efficiency Ratio are derived from any report of management submitted to the Board of Directors at the Board meeting immediately preceding the date of any adjustment. If any dispute arises as to the calculations of any of such figures, the Compensation Committee, subject to Board approval, makes the sole determination of such figures using whatever resources the Compensation Committee shall deem reasonably necessary.

Employee s 401(k) Retirement Savings Plan

The Bank has an employee benefit plan called the Bank of Guam Employee 401(k) Retirement Savings Plan (the 401(k) Plan). For 2018, employees who met certain eligibility requirements based on length and amount of service could voluntarily contribute up to a maximum of \$18,000 to the 401(k) Plan. Employees who are 50 or older could elect to defer an additional \$6,000 on top of the \$18,000 for a maximum contribution of \$24,000 per year. The Bank made contributions equal to 100% of employee s salary deferrals that did not exceed 1% of employee s compensation, plus 50% of employee s salary deferrals that exceeded 1% but were less than 5% of employee s compensation. Employees rights to the Bank s contribution vest at the rate of 20% per annum, with 100% vesting after two years participation in the 401(k) Plan, or upon death or permanent disability. Employees may direct the investment of their 401(k) Plan accounts as set forth in the 401(k) Plan. Payments at retirement are based on the amount each employee contributed each year, the amount matched by the Bank and the performance success of the investments chosen by the employee. All eligible employees were automatically enrolled in the 401(k) Plan unless the employee actively opted out of participation in the 401(k) Plan. Joaquin P. L.G. Cook, William D. Leon Guerrero, Francisco M. Atalig and Lourdes A. Leon Guerrero were eligible to participate in the 401(k) Plan and did not opt out of the 401(k) Plan.

Long Term Incentive Program

On January 10, 1989, the Bank shareholders approved, and the Company assumed after it organized in 2011, a Tandem Phantom Stock Unit/Stock Option plan authorizing the Board of Directors to enter into employment agreements with certain executive officers allowing them to defer up to \$100,000 of their annual incentive bonuses and granting such officers, in lieu of cash, fully vested phantom stock units paying dividend equivalents, such phantom stock units to equal the value of the amount deferred, coupled with options to purchase three shares of common stock of the Bank for each one Phantom Stock Unit granted (the Tandem Phantom Stock Unit/Stock Option). The 2013 employment agreements with William D. Leon Guerrero and Lourdes A. Leon Guerrero granted them the right to (1) hold both the phantom stock units and the stock options and receive on each Phantom Stock Unit an amount equivalent to the dividend paid on each share of Common Stock (the Dividend Equivalent), or (2) tender their phantom stock units to the Bank for purchase by the Bank at the then fair market value, or (3) exercise their stock options. Upon tender by the holder of the holder s phantom stock units for cash, the holder will forfeit his or her rights to the stock options; or, upon exercise of the holder s stock options, the holder will forfeit his or her rights to the phantom stock units (and the Dividend Equivalents). The Board of Directors has not deferred an annual incentive bonus under the Tandem Phantom Stock Unit/Stock Option Plan for the years 2018 or 2017.

Employee Service Award Plan

The Company maintains an Employee Stock Service Award Plan that rewards all employees of the Company and the Bank for their time and service. After employment for five consecutive years, the employee is awarded 50 shares of the Company s common stock. Shares are again awarded every fifth consecutive year thereafter in increasing increments of shares as follows: 100 shares after 10 years, 300 shares after 15 years, 500 shares after 20 years, 750 shares after 25 years, 1,200 after 30 years, and 2,000 shares after 35 years. On January 1, 2012, this Plan was amended to provide the employee the option to choose the same amount of Company shares or cash up to the equivalent of such Company shares. In May 2015, the Plan was further amended to include 2,500 shares after 40 years of service. The named executive officers did not receive any stock awards under this plan for 2018 and 2017.

Supplemental Executive Retirement Plans

In 2013, the Bank Board approved entry into supplemental executive retirement agreements (SERPs) with the named executive officers. The SERPs were implemented to help build and retain key Bank employees at the level of Vice President and up, including the named executive officers. Under the terms of the plan, differing death, disability, change in control, and post-employment/retirement benefits are provided to each of the key employees. Pursuant to

the plan, agreements were entered into between the Bank and each of the key employees including the named executive officers. By defining and increasing, over each employee's term of employment, the amounts each employee will receive upon the occurrence of certain specified events, including retirement on or after 10 years after the SERP was entered, each employee has been provided what the Board believes to be a reasonable incentive to remain with the Bank until retirement. While several provisions have been included which will serve to reduce the overall amounts payable, the agreements are expected to provide a maximum annual benefit payment at retirement for a period of 15 years in the amount of \$100,000 to Joaquin P.

L.G. Cook, \$100,000 to William D. Leon Guerrero, \$50,000 to Francisco M. Atalig and \$150,000 to Lourdes A. Leon Guerrero.

In the event a participant terminates employment as a result of an early voluntary termination, change in control, early involuntary termination, or disability, his or her monthly payments or lump sum amounts will be based on annual benefit levels determined in accordance with a formula set forth in each participant's SERP that results in benefit amounts that increase over the participant's period of continued service, but not above the normal retirement benefit. No benefits are payable to the named executive officers if the named executive officer is terminated for cause.

In the event of the named executive's early voluntary retirement, the Bank is obligated to pay out the annual benefit multiplied by 0% if voluntary retirement occurs within the first five years, 50% if within the sixth year, 60% if within the seventh year, 70% if within the eighth year, 80% if within the ninth year, 90% within the tenth year and 100% after 10 years. There are no vested accrual balances as of December 31, 2018, for the named executive officers.

In the event of a change in control, the Bank is obligated to pay within 60 days of separation 100% of the accrual balance, as defined in the SERP agreement. If the change in control occurred on December 31, 2018, the amounts to be paid were: \$276,346 to Joaquin P. L.G. Cook, \$670,978 to William D. Leon Guerrero, \$335,489 to Francisco M. Atalig and \$1,006,468 to Lourdes A. Leon Guerrero.

In the event of a named executive officer's disability, the Bank is obligated to pay in 180 monthly payments 100% of the accrual balance, as defined in the SERP agreement. The agreements are expected to begin paying out at the executive's normal retirement date when defined in the SERP agreement on the first day of the month following determination of disability. The annual benefit payment under this scenario is as follows: \$25,396 to Joaquin P. L.G. Cook, \$62,312 to William D. Leon Guerrero, \$31,156 to Francisco M. Atalig and \$93,468 to Lourdes A. Leon Guerrero.

In the event of a named executive officer's death, the Bank is obligated to pay within 60 days of the participant's death 100% of the accrual balance, as defined in the SERP agreement. For example, if the death occurred on December 31, 2018, the amounts paid would be: \$279,346 to Joaquin P. L.G. Cook, \$670,978 to William D. Leon Guerrero, \$335,489 to Francisco M. Atalig and \$1,006,468 to Lourdes A. Leon Guerrero.

To comply with Internal Revenue Code Section 409A, generally, named executive officers are not eligible to commence receipt of benefits until six months after termination of employment.

Survivor Income Plan

The Bank Board also approved entry into a survivor income plan (SIP) for the named executive officers of the Bank in 2018. The SIP was implemented to help recruit, reward and retain key executives. Upon a participating executive officer's death while employed by the Bank, the Bank will pay a death benefit to the executive officer's beneficiary in the amount of \$1,060,606.

Employee Stock Purchase Plan

The Bank of Guam 2011 Employee Stock Purchase Plan (the 2011 Plan) was adopted by the Bank's Board of Directors and approved by the Bank's shareholders in May 2, 2011, and subsequently adopted by the Company after it organized in 2011. The 2011 Plan is open to all employees of the Company and the Bank who have met certain eligibility requirements.

Under the 2011 Plan, eligible employees can purchase, through payroll deductions, shares of common stock at a discount. The right to purchase stock is granted to eligible employees during a period of time that is established from

time to time by the Board of Directors of the Company. Eligible employees cannot accrue the right to purchase more than \$25,000 worth of stock, as valued at the beginning of each offer period. Eligible employees also may not purchase more than 1,500 shares of stock under any one offer period. The shares are purchased at 85% of the value of the stock price on the enrollment date or purchase date, whichever is less.

Outstanding Equity Awards at Fiscal Year-End

The named executive officers had no outstanding equity awards as of December 31, 2018.

PROPOSAL NUMBER 2:

RATIFICATION OF THE SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Board of Directors has appointed the firm of Squar Milner LLP as its independent registered public accounting firm to perform audit services for the Company and its subsidiary, Bank of Guam, for the fiscal year ending December 31, 2019. It is anticipated that a member of that firm will be present at the Annual Meeting. That representative is not expected to make a statement but will be available to answer any questions.

The approval of a majority of the shares represented at the Annual Meeting is required to ratify the selection of Squar Milner LLP.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS

A VOTE FOR THE RATIFICATION OF THE SELECTION OF SQUAR MILNER LLP FOR THE FISCAL YEAR

ENDING DECEMBER 31, 2019

INDEPENDENT PUBLIC ACCOUNTING FIRM'S FEES AND SERVICES

On April 12, 2018, the Audit Committee of the Company approved the engagement of Squar Milner LLP (Squar Milner), a PCAOB-registered firm, for the audit of the Company's December 31, 2018 financial statements. It is anticipated that a member of that firm will be present at the Annual Meeting. That representative is not expected to make a statement but will have the opportunity to do so and will be available to answer any questions.

The audit reports on the financial statements of the Company and the Bank as of and for the fiscal years ended December 31, 2018 and 2017 were issued by Squar Milner LLP and, except as noted below with respect to 2018 and 2017, did not contain an adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope, or accounting principles.

In 2018, Squar Milner was engaged to replace Crowe Horwath LLP (Crowe Horwath), who was dismissed on the same date. Crowe Horwath had served as the Company s independent registered public accounting firm since April 7, 2017. A discussion of the engagement of Crowe Horwath in 2017 is provided below. The decisions to dismiss Crowe Horwath and engage Squar Milner were approved by the Audit Committee.

Crowe Horwath never issued a report on the Company s financial statements; therefore, Crowe Horwath did not issue any report on the Company s financial statements containing an adverse opinion or disclaimer of opinion, and no such report was qualified or modified as to uncertainty, audit scope, or accounting principles.

At the time of Crowe Horwath s dismissal, in connection with the audit of the Company s financial statements for the year ended December 31, 2017, the Company and Crowe Horwath had been unable to agree regarding the adequacy of the

Company's allowance and provision for loan and lease losses (ALLL), the sufficiency of the Company's access and change management controls related to the core operating system, the completeness and accuracy of system reports, and various other operational controls. Crowe Horwath also indicated that while they had not completed their audit, based on their observations and procedures performed at that time, Crowe Horwath believed it to be unlikely that sufficient mitigating controls existed to preclude the identification of material weaknesses in the Company's internal control over financial reporting as of December 31, 2017, and that a significant increase in the sample sizes selected for testing on a substantive basis was needed to ensure that the financial statements are free of material misstatement.

Following multiple discussions with Crowe Horwath involving the Company's management and the Audit Committee regarding the issues described in the previous paragraph, the Audit Committee and the Company's management were unable to reach an agreement with Crowe Horwath regarding these issues.

During the year ended December 31, 2017 and in the subsequent interim period through April 12, 2018 (the date of the dismissal of Crowe Horwath), there were no other disagreements with Crowe Horwath on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of Crowe Horwath, would have caused it to make reference to the subject matter of the disagreement in connection with its report, had such report been issued, on the Company's financial statements for such year.

As previously disclosed, Squar Milner served as the Company's independent registered public accounting firm for the fiscal year ended December 31, 2016, and in connection with such engagement the Company consulted with Squar Milner regularly regarding accounting, auditing and financial reporting issues. Subsequently and except as discussed in the following paragraph, during the fiscal year ended December 31, 2017 and through April 12, 2018, neither the Company, nor anyone on its behalf, consulted Squar Milner with respect to (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's financial statements, and neither a written report was provided to the Company nor oral advice was provided to the Company that was an important factor considered by the Company in reaching a decision as to any accounting, auditing or financial reporting issue; or (ii) any matter that was either the subject of a disagreement (as defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions) or a reportable event (as described in Item 304(a)(1)(v) of Regulation S-K).

Beginning in March 2018, the Company consulted with Squar Milner regarding the adequacy of the Company's ALLL for the fiscal year ended December 31, 2016 and discussed the matters identified by Crowe Horwath as reported above. Squar Milner orally expressed that it believed that the Company's ALLL at December 31, 2016 was adequate and that it would address the matters identified by Crowe Horwath during their audit of the Company's financial statements for the year ended December 31, 2017. The Company provided Crowe Horwath with a copy of the foregoing disclosures and requested that Crowe Horwath review the disclosures and provide a letter addressed to the SEC as specified by Item 304(a)(3) of Regulation S-K stating that it agrees with the statements made in the Current Report, which Crowe Horwath provided and the Company filed with the SEC as an exhibit to its Current Report on Form 8-K filed on April 18, 2018.

2017 Engagement of Crowe Horwath

As described in the Company's Current Report on Form 8-K filed April 12, 2017, in April 2017, the Audit Committee had formerly engaged the services of Crowe Horwath as its independent registered public accounting firm to audit the Company's consolidated financial statements for the fiscal year ending December 31, 2017. As a result of the engagement, the Company did not renew the engagement of its previous independent registered public accounting firm, Squar Milner, effective the same date. The change in accounting firms did not result from any dissatisfaction of the Audit Committee or the Company with the quality or delivery of professional services rendered by Squar Milner. The audit reports of Squar Milner on the Company's consolidated financial statements as of and for the years ended

December 31, 2016 and 2015 did not contain an adverse opinion or a disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope or accounting principles.

In connection with the audits of the Company's consolidated financial statements for each of the fiscal years ended December 31, 2016 and 2015, there were: (1) no disagreements (within the meaning of Item 304(a) of Regulation S-K) between the Company and Squar Milner on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which, if not resolved to the satisfaction of Squar Milner, would cause Squar Milner to make reference to the subject matter of the disagreement in their reports on the Company's financial statements for such years, and (2) no reportable events, as listed in Item 304(a)(1)(v) of Regulation S-K. The Company provided Squar Milner with a copy of the foregoing disclosures and requested that Squar Milner review the disclosures and provide a letter addressed to the U.S. Securities and Exchange Commission as specified by Item 304(a)(3) of Regulation S-K stating that it agrees with the

statements made in the Current Report, which Squar Milner provided and the Company filed with the SEC as an exhibit to its Current Report on Form 8-K filed on April 12, 2017.

During 2015 and 2016, the Company did not consult with Crowe Horwath regarding any of the matters or events set forth in Item 304(a)(2)(i) and (ii) of Regulation S-K.

Audit Fees

Following are disclosures regarding the fees billed by Squar Milner during 2018 and 2017. It is the policy of the Audit Committee that all engagements for auditing services, and non-audit services be preapproved by the Audit Committee. TRANSACTIONS WITH RELATED PERSONS

The Company's Code of Ethics provides that personal interests of directors, officers and employees of the Company must not interfere with, or appear to interfere with, the interests of the Company. Directors, officers and employees of the Company may not compete with the Company or disadvantage the Company by taking for personal gain corporate opportunities or engage in any action that creates actual or apparent conflicts of interest with the Company. Any director or officer involved in a transaction with the Company or that has an interest or a relationship that reasonably could be expected to give rise to a conflict of interest must report the matter promptly to the Audit Committee, which is responsible for determining if the particular situation is acceptable.

The Company does not have a formal policy regarding the review, approval or ratification of related party transactions. As transactions are reported, however, the Board considers any related party transactions on a case-by-case basis to determine whether the transaction or arrangement was undertaken in the ordinary course of business and whether the terms of the transaction are no less favorable to the Company than terms that could have been reached with an unrelated party. If any member of the Board is interested in the transaction, that member will recuse himself from the discussion and decision on the transaction.

Joaquin P. L.G. Cook, President and Chief Executive Officer, is the son of Lourdes A. Leon Guerrero, the former President and Chief Executive Officer of the Company. Mr. Cook's compensation in fiscal 2018 is reported in the Summary Compensation Table elsewhere in this Proxy Statement and he received total compensation of \$335,804 in fiscal 2017.

The following are related party transactions involving the Company's subsidiary relative to lease agreements that have been in existence for over 10 years for two branches of the Bank. The Company believes that the lease agreements are advantageous and believes the terms are fair and reasonable to the Company. Moreover, the amounts related to such transactions do not exceed the amount allowable under NASDAQ Stock Market Rule 5605(a)(2) and SEC rules and regulations to consider any of the related persons noted below as not being independent.

The Bank is leasing an office space in the Yigo Town Center for its Yigo Branch from Ada's Trust & Investment Inc. (Ada's Trust). Patricia P. Ada is a director for the Bank and the General Manager, Board Secretary and Assistant Treasurer for Ada's Trust. The Bank's ten-year lease for the 4000 square foot Yigo Branch began on December 1, 1996. The Bank has four options to renew the Yigo branch lease for five years each. During fiscal year 2018, the Bank paid Ada's Trust \$143,748 for rent. During the five-year and two-year lease term, respectively, total lease payments should equal approximately \$718,740. The members of the Board other than Ms. Ada determined that these lease transactions are beneficial to the Bank and the Company and the terms of the transactions are fair to the Bank and the Company. Assuming that such terms continue to be fair and competitive, the Bank anticipates that it may exercise one or more of its final options to renew the Yigo branch lease.

The Bank is leasing office space in the Macheche Plaza Shopping Center for its Dededo Branch from Macheche Plaza Development (Macheche). Roger P. Crouthamel is a director and Corporate Secretary of the Company and a Managing Partner of and owns a 27% interest in Macheche. The John Kerr Grandchildren's Trust also has a 15% interest in Macheche. Roger P. Crouthamel is the Trustee for The John Kerr Grandchildren's Trust. The Bank's ten-year lease for the 5,574 square foot Dededo Branch began on March 30, 1990. The lease was renegotiated in 1999 to lower the rent and extend the lease for twelve years commencing June 1, 1999. The Bank has two options to renew the lease for five years each. The lease automatically renews for five years provided the Bank does not give the landlord a notice of termination 180 days prior to the termination date. The Bank has not provided the landlord with a notice of termination. During fiscal year 2018, the Bank paid Macheche Development \$160,717 for rent and \$45,300 for common area maintenance. During the ten-year lease term the total lease payments should equal approximately \$2,143,760. The members of the Board other than Mr. Crouthamel determined that this lease transaction is beneficial to the Bank and the Company and the terms of the transaction are fair to the Bank and the Company. The Bank

anticipates that it may exercise the options to renew the lease if it determines that such renewal is in the best interest of the Bank.

Additionally, the Bank has had and expects to have banking transactions in the ordinary course of business with many of the directors and executive officers of the Bank (and their associates), on substantially the same terms (including interest rates, collateral and repayment terms) as those prevailing at the time for comparable loans with persons not related to the Company. During 2018, no loan to any director or executive officer of the Company (or their associates) involved more than the normal risk of collectability or presented other unfavorable features.

Loans made by the Bank to directors and executive officers are subject to the requirements of Regulation O of the Board of Governors of the Federal Reserve System. Regulation O requires, among other things, prior approval of the Board of

Directors with any interested director not participating and dollar limitations on amounts of certain loans, and prohibits any favorable treatment being extended to any director or executive officer in any of the Bank's lending matters. To the best knowledge of the Company, Regulation O has been complied with in its entirety.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's directors and executive officers and persons who own more than 10% of the Company's common stock to file with the SEC initial reports of ownership and reports of changes in ownership of common stock of the Company. Directors, officers, and greater than 10% shareholders are required by SEC regulation to furnish the Company with copies of all Section 16(a) forms they file.

To the Company's knowledge, based on a review of the copies of such reports furnished to the Company and written representations that no other reports were required, during the fiscal year ended December 31, 2018, all Section 16(a) filing requirements applicable to its directors, officers, and 10% shareholders have been met on a timely basis, with the exception of director and officer Martin D. Leon Guerrero for two transactions reported on the Form 4 filed on December 11, 2018. The late filing was as a result of internal notification processes.
