News Release

15 July 2013

CHANGE TO THE BOARD OF DIRECTORS

In compliance with Paragraph 3.59(b) of the JSE Listings Requirement, shareholders are advised of the resignation of Mr Anthony Martin O'Neill ('Tony') as an executive director from the Board of Directors with effect from 19 July 2013. In addition he has decided to take early retirement and will be relinquishing his position at the company as Executive Vice President: Business and Technical Development. Mr O'Neill last working day at the company will be 19 July 2013.

Tony leaves having fulfilled his commitment to assist in the transition of AngloGold Ashanti's new leadership team, which was announced in May. He has served AngloGold Ashanti and its stakeholders with distinction over his five years at the company, providing a wealth of industry experience and technical capability to the board and its committees, as well as to the management team.

"Tony stepped in and played a vital role as Acting Joint Interim Chief Executive earlier this year and helped make sure that there was a seamless transition at AngloGold Ashanti. As a board we are very grateful for the role that he has played leading innovation and exploration over the past 5 years and we are sure that we will continue to reap the benefits of his work for many years to come", Mr Tito Mboweni, AngloGold Ashanti Chairman said.

"AngloGold Ashanti has benefited greatly from having one of the mining industry's most gifted engineers and leaders to help guide it through a challenging operating environment," Chief Executive Officer Mr Srinivasan Venkatakrishnan added, "His input at every level has been greatly valued and he will be greatly missed."

Mr O'Neill joined AngloGold Ashanti in July 2008 with 30 years' experience in the industry. As Executive Vice President: Business and Technical Development where he had full accountability for a wide global portfolio ranging from Exploration, Innovation & Improvement, Business Development, Project Capital, Asset Management, Business Knowledge & Information Technology, Supply Chain and Safety & Environment.

Mr O'Neill was appointed as an executive director on 20 February 2013 and as Joint Acting Chief Executive Officer with Mr Venkatakrishnan with effect from 1 April 2013, following the resignation of Mr Mark Cutifani as CEO on 31 March 2013. Prior to that, Mr O'Neill was Executive Vice President: Business and Technical Development, a position he reverted to following the appointment of Mr Venkatakrishnan as Chief Executive Officer on 8 May 2013.

Certain statements contained in this document, other than statements of historical fact, including, without limitation, those

concerning the economic outlook for the gold mining industry, expectations regarding gold prices, production, cash costs and

other operating results, return on equity, productivity improvements, growth prospects and outlook of AngloGold Ashanti's

operations, individually or in the aggregate, including the achievement of project milestones, commencement and completion of

commercial operations of certain of AngloGold Ashanti's exploration and production projects and the completion of acquisitions

and dispositions, AngloGold Ashanti's liquidity and capital resources and capital expenditures and the outcome and consequence of any potential or pending litigation or regulatory proceedings or environmental issues, are forward-looking

statements regarding AngloGold Ashanti's operations, economic performance and financial condition. These forward-looking

statements or forecasts involve known and unknown risks, uncertainties and other factors that may cause AngloGold Ashanti's

actual results, performance or achievements to differ materially from the anticipated results, performance or achievements

expressed or implied in these forward-looking statements. Although AngloGold Ashanti believes that the expectations

reflected

in such forward-looking statements and forecasts are reasonable, no assurance can be given that such expectations will prove

to have been correct. Accordingly, results could differ materially from those set out in the forward-looking statements as a result

of, among other factors, changes in economic, social and political and market conditions, the success of business and operating initiatives, changes in the regulatory environment and other government actions, including environmental approvals,

fluctuations in gold prices and exchange rates, the outcome of pending or future litigation proceedings, and business and

operational risk management. For a discussion of such risk factors, refer to the document entitled "Risk factors related to

AngloGold Ashanti's suite of 2012 reports" on the AngloGold Ashanti online corporate report website at www.aga-reports.com.

These factors are not necessarily all of the important factors that could cause AngloGold Ashanti's actual results to differ

materially from those expressed in any forward-looking statements. Other unknown or unpredictable factors could also have

material adverse effects on future results. Consequently, readers are cautioned not to place undue reliance on forward-looking

statements. AngloGold Ashanti undertakes no obligation to update publicly or release any revisions to these forward-looking

statements to reflect events or circumstances after the date hereof or to reflect the occurrence of unanticipated events, except

to the extent required by applicable law. All subsequent written or oral forward-looking statements attributable to AngloGold

Ashanti or any person acting on its behalf are qualified by the cautionary statements herein. This communication may contain

certain "Non-GAAP" financial measures. AngloGold Ashanti utilises certain Non-GAAP performance measures and ratios in

managing its business. Non-GAAP financial measures should be viewed in addition to, and not as an alternative for, the

reported operating results or cash flow from operations or any other measures of performance prepared in accordance with

IFRS. In addition, the presentation of these measures may not be comparable to similarly titled measures other companies may
