**QUESTIONS AND ANSWERS ABOUT THE PROXY MATERIALS**  
**AND THE ANNUAL MEETING**

**Why am I receiving these materials?**

We sent you this proxy statement and the enclosed form of proxy because our Board of Directors is soliciting your proxy to vote your shares at the Annual Meeting of Stockholders to be held at 3:30 p.m., Central Daylight Time, on May 17, 2006 at the Hotel Sofitel, Fountainebleau Meeting Room, 5601 W. 78<sup>th</sup> Street, Bloomington, Minnesota 55439. This proxy statement provides information that we are required to provide to you under the rules of the Securities and Exchange Commission (the "SEC") for the purpose of assisting you in voting your shares.

**How can I obtain Stratasys Form 10-K?**

A copy of our 2005 Annual Report on Form 10-K is enclosed as a part of our 2005 Annual Report to Stockholders (including beneficial owners of our common stock). Our Form 10-K is also available via our website at [www.stratasys.com](http://www.stratasys.com), or via the SEC's website at [www.sec.gov](http://www.sec.gov). Stockholders may also obtain a copy of our Form 10-K free of charge upon written request to Stratasys, Inc., Attention: Secretary, 14950 Martin Drive, Eden Prairie, Minnesota 55344.

**What items of business will be voted on at the Annual Meeting?**

The election of six directors to serve until the next Annual Meeting of Stockholders and until their successors are duly elected and qualified.

We will also consider any other business that is properly brought before the Annual Meeting.

**How does the Board recommend I vote?**

Our Board recommends that you vote **FOR** each of the named director nominees.

**What shares can I vote?**

Our only class of stock outstanding is common stock, par value \$.01 per share ( "Common Stock" ). Each share of Common Stock outstanding as of the close of business on the record date, March 27, 2006, is entitled to one vote on all items of business at the Annual Meeting. You may vote all shares you owned at that time, which may be (1) shares held directly in your name as the stockholder of record and (2) shares held for you as beneficial owner through a broker, trustee or other nominee such as a bank. On the record date, there were 10,543,816 shares of Common Stock outstanding and entitled to vote. There were 99 stockholders of record on the record date. The closing price of the Common Stock for that date, as quoted on the NASDAQ National Market, was \$27.68.

**What is the difference between holding shares as a stockholder of record and as a beneficial owner?**

Most stockholders hold their shares through a broker or other nominee rather than directly in their own names. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

***Stockholder of Record***

If your shares are registered directly in your name with our transfer agent, North American Transfer Company, you are considered to be, with respect to those shares, a stockholder of record, and these proxy materials are being sent directly to you by Stratasys. You should have stock certificates for those shares. As the stockholder of record, you have the right to grant your voting proxy directly to our proxy holders or to vote in person at the Annual Meeting. We have enclosed a proxy card for your use.

***Beneficial Owner***

If your shares are held in a brokerage account or by a trustee or nominee, you are considered to be the beneficial owner of shares held in street name, and these proxy materials are being forwarded to you together with a voting instruction form by the broker, trustee or nominee or an agent hired by the broker, trustee or nominee. As a beneficial owner, you have the right to direct your broker, trustee or nominee how to vote, and you are also invited to attend the Annual Meeting.

As a beneficial owner is not the stockholder of record, you may not vote these shares directly at the Annual Meeting unless you obtain a legal proxy from the broker, trustee or nominee that holds your shares, giving you the right to vote the shares at the Annual Meeting. Your broker, trustee or nominee has enclosed or provided voting instructions for you to use in directing the broker, trustee or nominee how to vote your shares.

**How can I vote my shares in person at the Annual Meeting?**

Shares held in your name as the stockholder of record may be voted on a ballot. Shares held beneficially in street name may be voted on a ballot only if you bring a legal proxy from the broker, trustee or nominee that holds your shares giving you the right to vote the shares. Even if you plan to attend the Annual Meeting, we recommend that you also submit your proxy or voting instruction form as described below so that your vote will be counted if you later decide not to attend the Annual Meeting.

**How can I vote my shares without attending the Annual Meeting?**

Whether you hold shares directly as a stockholder of record or beneficially in street name, you may direct how your shares are voted without attending the Annual Meeting. If you are a stockholder of record, you may vote by submitting a proxy. If you hold shares beneficially in street name, you may vote by submitting voting instructions to your broker, trustee or nominee. For directions on how to vote, please refer to the instructions below and those on the proxy card or voting instruction form you are provided.

You may cast your vote by proxy as follows:

By Internet Stockholders of record may vote using the Internet by voting at the website listed on the enclosed proxy card. Beneficial owners may vote by accessing the website specified on the voting instruction form provided by their brokers, trustees or nominees. Please check the voting instruction form for Internet voting availability.

## Edgar Filing: STRATASYS INC - Form DEF 14A

By telephone Stockholders of record may vote by using the toll-free telephone number listed on the enclosed proxy card. Beneficial owners may vote by telephone by calling the number specified on the voting instruction forms provided by their brokers, trustees or nominees.

By mailing the proxy card Stockholders of record may vote by completing, signing, dating and mailing the enclosed proxy card in the accompanying pre-addressed postage paid envelope. Beneficial owners may vote by completing, signing and dating the voting instruction forms provided by their brokers, trustees or nominees and mailing them in the enclosed pre-addressed envelope.

### **Are the proxy statement and annual report available electronically?**

This proxy statement and our 2005 Annual Report on Form 10-K are available on our website at [www.stratasys.com](http://www.stratasys.com), or at the SEC's website at [www.sec.gov](http://www.sec.gov).

### **Can I change my vote?**

If you are a stockholder of record and have submitted a proxy card, you can change your vote by attending the Annual Meeting and voting in person. Attendance at the Annual Meeting will not cause your previously granted proxy to be revoked, unless you vote again. You may also revoke your proxy at any time before it is voted by sending a written notice of revocation or by submitting a signed proxy bearing a later date, in either case, to Stratasys, Inc., Attention: Secretary, 14950 Martin Drive, Eden Prairie, Minnesota 55344, or by notifying our Secretary at the Annual Meeting. We must receive any such revocation of proxy by 5:00 p.m., Central Daylight Time, on May 16, 2006, for it to be effective.

If you voted on the Internet or by telephone, you may change your vote by voting at the Annual Meeting or by following the instructions for changing your vote on the enclosed proxy card.

If your shares are held in street name or by a broker, trustee or nominee, you may change your vote by following the instructions provided to you by your broker, trustee or nominee. If you have obtained a legal proxy from your broker, trustee or nominee giving you the right to vote your shares, you can change your vote by attending the Annual Meeting and voting in person.

### **What is the quorum required in order to conduct business at the Annual Meeting?**

A majority of the shares outstanding at the record date must be present at the Annual Meeting in order to establish the quorum necessary to hold the meeting and conduct business. Shares are counted as present at the Annual Meeting if the stockholder attends the meeting in person or is represented at the meeting by proxy.

### **What is the voting requirement to approve the election of directors and any other proposal and how are votes counted?**

Directors are elected by a plurality of the votes cast for the election of directors at the Annual Meeting. In the election of directors, you may vote for all of the nominees or you may withhold your vote with respect to one or more of the nominees. You may vote for any other proposals properly brought before the Annual Meeting, or you may abstain. If you abstain, the abstention has the same effect as a vote against the proposal. If you provide specific instructions (mark boxes) with regard to certain proposals, your shares will be voted as you instruct. If you sign and return your proxy card or voting instruction form without giving specific instructions, your shares will be voted in accordance with the recommendations of the Board. The proxy holders will vote in their discretion on any other matters that properly come before the Annual Meeting.

If you are a stockholder of record and do not return your proxy card, or do not vote via the Internet or by telephone, your shares will not be voted. However, if you hold shares beneficially in street name, the result will be different. If you do not return the voting instruction form, your broker may vote your shares in certain circumstances and on certain proposals. Where brokers are prohibited from exercising discretionary authority for beneficial owners who have not provided voting instructions (commonly referred to as broker non-votes), those shares will be included in determining the presence of a quorum at the meeting, but are not considered present for the purposes of voting on non-discretionary matters. Such shares have no impact on the outcome of such proposals.

**What happens if additional matters are presented at the Annual Meeting?**

Other than the proposal described in this proxy statement, we are not aware of any other business to be acted upon at the Annual Meeting. If you grant a proxy, the persons named as proxy holders, S. Scott Crump and Thomas W. Stenoien, will have the discretion to vote your shares on any additional matters properly presented for a vote at the Annual Meeting in accordance with their best judgment. If for any unforeseen reason any of our nominees is not available as a candidate for reelection as a director, the proxy holders will vote your proxy for such other candidate or candidates as may be nominated by the Board.

**Who will count the votes?**

We will appoint two individuals to act as inspectors of election to tabulate the votes cast at the Annual Meeting.

**What does it mean if I receive more than one set of voting materials?**

It means you have multiple accounts with the transfer agent and/or with brokers and banks. Please complete, sign, date and return to us each proxy card and voting instruction form you receive.

**Who will pay the costs of soliciting votes for the Annual Meeting?**

Stratasys is making this solicitation and will pay the entire cost of preparing, printing, mailing and distributing these proxy materials and soliciting votes with respect to the Annual Meeting. In addition to the mailing of these proxy materials, the solicitation of proxies may be made in person, by telephone or by electronic communication by certain of our directors, officers and other employees, who will not receive any additional compensation for such activities. We will also reimburse brokerage firms, banks, and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses in forwarding proxy and solicitation materials to the beneficial owners of our Common Stock.

**Where can I find the voting results of the Annual Meeting?**

We expect to announce preliminary voting results at the Annual Meeting and publish final results in our quarterly report on Form 10-Q for the second quarter of fiscal year 2006. You can access that Form 10-Q, and all of our other reports filed with the SEC, at our website, [www.stratasys.com](http://www.stratasys.com), or at the SEC's website, [www.sec.gov](http://www.sec.gov).

**Is a list of stockholders entitled to vote at the Annual Meeting available?**

The list of stockholders of record as of the record date will be available at the Annual Meeting. It will also be available during business hours for ten days prior to the date of the Annual Meeting, at our principal executive office, 14950 Martin Drive, Eden Prairie, Minnesota. A stockholder of record of our Common Stock may examine the list for any purpose germane to the Annual Meeting.

**What is the deadline to propose actions for consideration at next year's Annual Meeting?**

If a stockholder intends to present a proposal at our next Annual Meeting of Stockholders, we must receive it no later than December 13, 2006, in order for it to be included in the proxy statement and form of proxy relating to that meeting. If the date of the meeting is changed by more than 30 calendar days from the date on which this year's meeting is held, or if the proposal is to be presented at any meeting other than the next Annual Meeting of Stockholders, we must receive the proposal at our principal executive office at a reasonable time before the solicitation of such proxies for such meeting is made.

Stockholder proposals for business matters to be conducted at the Annual Meeting, including nominations of persons to serve as directors of Stratasys, but not to be considered for inclusion in our proxy statement and form of proxy relating to our 2007 Annual Meeting, must be received no later than February 26, 2007. Such proposals should be directed to our Secretary at 14950 Martin Drive, Eden Prairie, Minnesota 55344.

**YOUR VOTE IS IMPORTANT**

**Whether or not you plan to attend the 2006 Annual Meeting, please read this Proxy Statement and promptly vote your shares on the Internet, by telephone or by completing, signing, and dating your enclosed proxy or voting instruction form and returning it in the enclosed envelope.**

## CORPORATE GOVERNANCE

### **Structure of the Board of Directors.**

Our Board of Directors currently has six members. Directors are elected to serve until the next Annual Meeting of Stockholders and until their successors are duly elected and qualified. The Board has three standing committees, the Audit Committee, the Compensation Committee, and the Nominating and Corporate Governance Committee.

### **Board Independence.**

Our Board of Directors has determined that none of our directors, except S. Scott Crump, the Chairman of the Board, President and Chief Executive Officer, and Ralph E. Crump, S. Scott Crump's father, have a relationship with Stratasys, either as an officer or employee of Stratasys or its subsidiaries or any other relationship that, in the opinion of our Board of Directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. Therefore, each non-management director, other than Ralph E. Crump, is independent within the meaning of the Nasdaq Stock Market, Inc. ( Nasdaq ) listing standards for director independence. Only independent directors serve on the standing committees of the Board, and accordingly, all members of those committees are also independent.

### **Availability of Information and Communications with the Board.**

We have established a Corporate Governance section on our website, at [www.stratasys.com](http://www.stratasys.com), which is accessible by clicking Investors and then clicking Corporate Governance. The charters of our Nominating and Corporate Governance Committee and Audit Committee, as well as our Code of Business Conduct and Ethics, which applies to all of our directors, officers and employees, are posted there. Additional materials may be added in the future. This proxy statement and the 2005 Annual Report on Form 10-K are also available on our website. Stockholders may also obtain free printed copies of these materials by contacting Investor Relations as follows:

Stratasys, Inc.  
14950 Martin Drive  
Eden Prairie, Minnesota 55344  
Attention: Shane Glenn Investor Relations

Email: [sglenn@stratasys.com](mailto:sglenn@stratasys.com)

You may address written communications to our non-management directors or, if requested, the full Board of Directors, by mail or courier to Stratasys, Inc. Attention: Secretary, 14950 Martin Drive, Eden Prairie, Minnesota 55344 or by email to Shane Glenn, [sglenn@stratasys.com](mailto:sglenn@stratasys.com).

Directors are expected to attend our annual meetings of stockholders. All members of the Board attended the 2005 Annual Meeting of Stockholders.

### **Meetings of the Board of Directors and Executive Sessions.**

Our Board of Directors held nine meetings in 2005, three of which were conducted by telephone conference call. Each director attended at least 75% of the aggregate number of Board meetings and Board committee meetings on which that director served during 2005. Independent directors meet separately without management or non-independent directors present before each scheduled meeting of the Board of Directors.

**Board Committees.**

**Audit Committee.** The Audit Committee is composed of four non-management directors. The current members are Arnold J. Wasserman (Chairman), Edward J. Fierko, Clifford H. Schwieter and Gregory L. Wilson, all of whom served on the Committee in 2005. The Board of Directors has determined that under the rules of the SEC and applicable Nasdaq listing standards, all of the members of the Audit Committee are independent. The Board has also determined that Mr. Fierko qualifies under the Nasdaq standards as financially sophisticated and that Messrs. Fierko and Wilson each meet the SEC criteria for an audit committee financial expert.

The Audit Committee held seven meetings in 2005, one of which was conducted by telephone conference call. The Audit Committee is directly responsible for the appointment, compensation, retention and oversight of our independent auditors, who report directly to the Audit Committee. In addition, the Audit Committee is responsible for addressing complaints received by Stratasys regarding any accounting, internal accounting controls or auditing matters, as well as employees' concerns regarding any questionable accounting or auditing matters. The duties of the Audit Committee also include reviewing and considering actions of management in matters relating to audit functions, reviewing reports from various regulatory authorities, reviewing our system of internal controls and procedures, and reviewing the effectiveness of procedures intended to prevent violations of laws and regulations.

The report of the Audit Committee appears on page 16 of this proxy statement.

**Compensation Committee.** The Compensation Committee is composed of four non-management directors. The current members are Clifford H. Schwieter (Chairman), Edward J. Fierko, Arnold J. Wasserman and Gregory L. Wilson, all of whom served on the Committee in 2005. The Board of Directors has determined that under applicable Nasdaq listing standards, all of the members of the Compensation Committee are independent.

The Compensation Committee held four meetings in 2005. The Compensation Committee recommends to the Board policies for executive compensation and approves the remuneration of all our officers. It also administers our stock option and incentive compensation plans and recommends the establishment of and monitors the compensation and incentive program for all Stratasys executives.

The report of the Compensation Committee appears on page 17 of this proxy statement.

**Nominating and Corporate Governance Committee.** The Nominating and Corporate Governance Committee is composed of four non-management directors. The current members are Gregory L. Wilson (Chairman), Edward J. Fierko, Clifford H. Schwieter and Arnold J. Wasserman. The Board of Directors has determined that under applicable Nasdaq listing standards, all of the members of the Nominating and Corporate Governance Committee are independent. A current copy of the Nominating and Corporate Governance Committee's charter is available on our website at [www.stratasys.com](http://www.stratasys.com).

The Nominating and Corporate Governance Committee held two meetings in 2005. In connection with its nominating function, the Committee evaluates and recommends to the Board director nominees to fill vacancies that may occur on the Board of Directors and its standing committees. In connection with its corporate governance function, the Committee reviews and recommends to the Board corporate governance principles applicable to Stratasys, including the evaluation and recommendation of criteria for membership on the Board and the composition and structure of the Board and its committees.

**Consideration of Director Nominees.**

Although the Nominating and Corporate Governance Committee has not established minimum qualifications for director candidates, it will consider, among other factors:

Judgment

Skill

Diversity

Experience with businesses and other organizations of comparable size

The interplay of the candidate's experience with the experience of other Board members

The extent to which the candidate would be a desirable addition to the Board and any committees of the Board  
In addition, the Committee considers specific qualities needed to fill vacancies, such as financial sophistication for potential members of the Audit Committee, and other characteristics desired to achieve a balance of knowledge, experience and capability on the Board.

The Nominating and Corporate Governance Committee will consider all director candidates recommended by stockholders, if they meet the criteria referred to above. Recommendations may be made in writing and sent to the Chairman of the Nominating and Corporate Governance Committee in care of Stratasys, Inc., 14950 Martin Drive, Eden Prairie, Minnesota 55344. Such recommendations must include the following information:

the candidate's name and address

the biographical data of the candidate

the candidate's qualifications

Members of the Nominating and Corporate Governance Committee will assess potential candidates on a regular basis. Any stockholder recommendation of a candidate for election at the 2007 Annual Meeting must be received no later than December 13, 2006 in order for the Nominating and Corporate Governance Committee to consider it.

**Director Compensation Policies.**

S. Scott Crump, the Chairman of the Board, President, Chief Executive Officer and Treasurer, is the only director who is also an employee of Stratasys. He is not paid any fee or additional remuneration for service as a member of the Board, and he is not a member of any Board committee.

Directors who are not employees of Stratasys ( non-management directors ) received an annual fee for Board service of \$12,000 as compensation as well as attendance fees of \$1,500 for each meeting of the Board attended in person and \$250 for each meeting attended by telephone. Each independent director will receive \$2,500 per year for committee service and \$250 for attendance at each committee meeting not held in conjunction with a regularly scheduled meeting of the Board. The Chairman of the Audit Committee receives an additional \$5,000 per year. Directors are reimbursed for travel and other reasonable expenses incurred for the purpose of attending meetings of the Board and its committees.

Non-management directors receive options to purchase 20,000 shares of Common Stock each year as additional compensation for serving on the Board of Directors. Generally, the options are granted in the first quarter of the calendar year. The 2006 option grants to purchase 20,000 shares of Common Stock were made in November 2005.

**Executive Officers.**

In addition to S. Scott Crump, our Chairman, President, Chief Executive Officer, and Treasurer, the following individuals serve as our executive officers:

**Thomas W. Stenoien**, age 55, was appointed as Chief Operating Officer of Stratasys in March 2005. Mr. Stenoien served as Chief Financial Officer of Stratasys from May 1997 to March 2005. Mr. Stenoien has also served as Executive Vice President of Stratasys from 2001 to March 2005 and Secretary since 1999. Mr. Stenoien joined Stratasys in February 1993 as Controller and has also served as Director of Finance.

**Robert F. Gallagher**, age 50, was appointed as Chief Financial Officer of Stratasys in March 2005. Before joining Stratasys, Mr. Gallagher was the Chief Financial Officer of Selas Corporation of America, a manufacturer of micro-miniature components for the electronics industry, which is now known as Intricon Corporation. From October 2000 until June 2002, he was Chief Financial Officer for Visionics Corporation, a provider of biometric technologies and information systems. From October 1989 until June 2000, Mr. Gallagher was employed by TSI Incorporated, a diversified precision instrument company, last holding the position of Chief Financial Officer. From June 2005 to present, Mr. Gallagher has served on the Board of MOCON, Inc., where he is also a member of the audit committee.

**COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION**

During 2005:

None of the members of our Compensation Committee was an officer or former officer or employee of Stratasys or any of our subsidiaries;

None of the members of our Compensation Committee entered into or agreed to enter into any transaction or series of transactions with us or any of our subsidiaries in which the amount involved exceeded \$60,000;

None of our executive officers served on the compensation committee (or another board committee with similar functions) of any entity in which one of that entity's executive officers served on our Compensation Committee;

None of our executive officers was a director of another entity in which one of the entity's executive officers served on our Compensation Committee; and

None of our executive officers served on the compensation committee (or another board committee with similar functions) of another entity in which one of that entity's executive officer's served on our Board of Directors.

**PROPOSAL 1.**  
**ELECTION OF DIRECTORS**

---

The directors to be elected at the Annual Meeting will serve until the next Annual Meeting of Stockholders and until their successors are duly elected and qualified. Proxies not marked to the contrary will be voted **FOR** the election to the Board of Directors of the following six persons, all of whom are incumbent directors. All nominees were elected as directors at the 2005 Annual Meeting. The following information provides the age and business experience as of March 18, 2006, of the nominees for election. All nominees have consented to being named as such in this proxy statement and have agreed to serve if elected.

**S. Scott Crump**, age 52, has served as our Chief Executive Officer, President, Treasurer and a director since our inception in 1988 and as Chief Financial Officer from February 1990 to May 1997. Mr. Crump is, with Lisa H. Crump, his wife, a co-founder of Stratasys, and he is the inventor of Stratasys FDM technology. During the period from 1982 to 1988, Mr. Crump was a co-founder and Vice President of Sales of IDEA, Inc., which later changed its name to SI Technologies, Inc., a leading manufacturer of force, load and pressure transducers. Mr. Crump continued to be a director and shareholder of that company until its sale to Vishay Intertechnologies, Inc. (NYSE: VSH) in April 2005. Mr. Crump, a registered professional engineer, is the son of Ralph E. Crump, a director of Stratasys.

**Ralph E. Crump**, age 82, has been a director of Stratasys since 1990. Mr. Crump is President of Crump Industrial Group, an investment firm located in Trumbull, Connecticut. He was a founder and director of Osmonics, Inc., now GE Osmonics, a manufacturer of reverse osmosis water filtration devices, until it was acquired by General Electric Company (NYSE:GE) in February 2003. Mr. Crump was chairman of SI Technologies, Inc. until April 1, 2005 when it was sold to Vishay Intertechnologies, Inc. (NYSE: VSH). In 1962, Mr. Crump founded Frigitronics, Inc., a manufacturer of ophthalmic goods and medical instruments, and was its President and Chairman of the Board until it was acquired by Revlon in 1986. Mr. Crump is also a director of Mity Enterprises, Inc. (Nasdaq: MITY), a manufacturer of institutional furniture. He is a Trustee of the Alumni Foundation of UCLA and a member of the Board of Overseers for the Thayer Engineering School at Dartmouth College. Mr. Crump is the father of S. Scott Crump.

**Edward J. Fierko**, age 65, has been a director of Stratasys since February 2002. Since May 2003, Mr. Fierko has been President of EJJ Associates, a consulting firm. From March 2003 to May 2003, Mr. Fierko was Vice President of GE Osmonics, Inc., a manufacturer of reverse osmosis water filtration devices. From November 1999 through February 2003, he served as President and Chief Operating Officer of Osmonics, and from November 1998 to September 1999 he served as Executive Vice President of Osmonics. From September 1987 to August 1998, Mr. Fierko was President and CEO of Ecowater International, a holding company with operating companies in the water, waste and special process treatment industry. Prior to that, Mr. Fierko held several management positions over a 23-year career at General Electric Company.

**Clifford H. Schwieter**, age 58, has been a director of Stratasys since 1994. In 2002, Mr. Schwieter became the President and Chief Executive Officer of Concise Logic, Inc., a software development company focused on semiconductor design tools. From 1994 to 2002, Mr. Schwieter was the President and a Managing Director of C.H. Schwieter and Associates, a management and financial consulting firm. From July 1992 to March 1994, he served as President, Chief Executive Officer and a director of Centric Engineering Systems, Inc., which was engaged in the development of mechanical design and analysis software for computing systems ranging from workstations to mainframes and massively parallel networked computing environments. **SECURITY OWNERSHIP OF CERTAIN  
BENEFICIAL OWNERS AND MANAGEMENT**

The following table sets forth the number of shares of Common Stock beneficially owned, directly or indirectly, by (i) each person known by us to be the owner of more than 5% of the outstanding shares of Common Stock, (ii) each director, (iii) each executive officer named in the Summary Compensation Table on page 20 (the Named Executive Officers ) and (iv) all of our directors and executive officers as a group as of March 18, 2006.

The number and percentage of shares beneficially owned is determined in accordance with Rule 13d-3 of the Securities Exchange Act of 1934, and is not necessarily indicative of beneficial ownership for any other purpose. Shares of Common Stock that a person has a right to acquire within 60 days are deemed outstanding for purposes of computing the percentage ownership of that person, but are not deemed outstanding for purposes of computing the percentage ownership of any other person, except with respect to the percentage ownership of all directors and executive officers as a group. We based our calculations of the percentage owned on 10,540,291 shares outstanding on March 17, 2006.

Except as otherwise indicated, each director and Named Executive Officer (1) has sole investment and voting power with respect to the securities indicated or (2) shares investment and/or voting power with that individual's spouse.

The address of each director and Named Executive Officer listed in the table below is c/o Stratasys, Inc., 14950 Martin Drive, Eden Prairie, Minnesota 55344.

**SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE**

Section 16(a) of the Exchange Act requires that our executive officers and directors, and persons who own more than 10% of a registered class of our equity securities, file reports of ownership and changes in ownership with the SEC. SEC regulations also require us to identify in this proxy statement any person subject to this requirement who failed to file any such report on a timely basis.

Based on our review of the reports we have received and written representations that no other reports were required for 2005, we believe that all Section 16(a) reporting requirements applicable to our executive officers and directors in 2005 were satisfied in a timely fashion.

### INDEPENDENT AUDITORS

The firm of Rothstein, Kass & Company, P.C. ( Rothstein Kass ) has audited our financial statements for the fiscal years ended December 31, 2005 and December 31, 2004. Rothstein Kass has served as our independent registered public accounting firm since December 20, 1994. Rothstein Kass has no financial interest, either direct or indirect, in Stratasys. At a meeting held on February 10, 2006, the Audit Committee considered whether the provision of the services, other than the services described as Audit Fees and Audit-Related Fees listed below, is compatible with maintaining the independence of Rothstein Kass, and has concluded that the provision of such services is compatible with maintaining their independence.

Although Rothstein Kass has been retained to review Stratasys quarterly financials for the period ended March 31, 2006, the Audit Committee has not yet selected independent accountants to audit our financial statements for the fiscal year ending December 31, 2006. It was the determination of the Audit Committee that Stratasys should not be obligated at this time to retain a specific firm of independent accountants.

No representative of Rothstein Kass is expected to be present at our Annual Meeting or to make a statement or respond to questions from stockholders.

#### Principal Accountant Fees and Services

The aggregate fees we paid to Rothstein Kass for the years ended December 31, 2005 and 2004 were as follows:

	2005	2004
Audit Fees	\$ 129,595	\$ 141,488 <sup>(c)</sup>
Audit-Related Fees	-0-	-0-
<i>Total Audit and Audit-Related Fees</i>	129,595	141,488
Tax Fees <sup>(a)</sup>	28,000	9,351
All Other Fees <sup>(b)</sup>	10,500	9,168

(a) Tax fees consisted of fees for tax compliance and review, and tax planning and advice.

(b) All Other Fees consisted of fees for the audit of our 401(k) benefit plans.

(c) Audit Fees for 2004 include \$20,000 in fees negotiated subsequent to the completion of our 2004 proxy statement.

The Audit Committee's policy is that all audit and non-audit services to be performed by our independent auditors must be approved in advance. The policy permits the Audit Committee to delegate pre-approval authority to one or more of its members and requires any member who pre-approves such services pursuant to that authority to report his decision to the Committee. The Audit Committee has delegated such authority to its Chair, Arnold Wasserman.

**REPORT OF THE AUDIT COMMITTEE**

The Stratasys Board of Directors adopted a written charter for the Audit Committee, which was amended on March 26, 2004, and is attached as Annex A to Stratasys' 2004 Proxy Statement. Both this Audit Committee and the Board of Directors have determined that the Amended and Restated Audit Committee Charter states appropriate guiding principles for the Audit Committee. In addition, after evaluating the qualifications of the members of the Audit Committee, the Board of Directors determined that its members continue to have the independence and expertise to serve on the Audit Committee as required by all applicable rules and regulations.

In accordance with the provisions of our charter, we have (i) reviewed Stratasys' 2005 audited financial statements with management, (ii) discussed with Stratasys' independent auditors, Rothstein, Kass & Company, P.C. (Rothstein Kass), the matters required to be discussed by Statement on Auditing Standards No. 61 (Codification of Statements on Auditing Standards, AU § 380) as modified or supplemented, and (iii) received the written disclosures and the letter from Rothstein Kass required by Independence Standards Board Standard No. 1, as modified or supplemented. We have also discussed with Rothstein Kass and received its written confirmation that it remains independent accountants with respect to Stratasys.

As part of our responsibilities under our charter, we also reviewed Stratasys' compliance with its Code of Ethics and the effectiveness of procedures intended to prevent violation of laws and regulations.

In addition, we have met with Rothstein Kass prior to the filing of each of Stratasys' quarterly reports on Form 10-Q to discuss the results of its review of the financial information included in those reports.

Management has represented to us, and Rothstein Kass has confirmed, that Stratasys' financial statements were prepared in accordance with accounting principles generally accepted in the United States.

In performing our oversight function, we relied upon advice and information received in our discussions with Stratasys' management, internal accountants, and independent auditors. This advice and information was obtained at the Committee meetings held during the year, during which we engaged both management and Rothstein Kass in current discussions. Each quarter of the fiscal year ended 2005, we met separately with Rothstein Kass. Based on the review and discussions referred to above, we have recommended to the Board of Directors that Stratasys' audited consolidated financial statements for the year ended December 31, 2005 be included in its Annual Report on Form 10-K for that year.

**EXECUTIVE COMPENSATION**

**REPORT OF THE COMPENSATION COMMITTEE  
ON EXECUTIVE COMPENSATION**

Stratasys' executive compensation program is administered by the Compensation Committee of the Board of Directors, which has the responsibility for all aspects of the compensation program for the executive officers of Stratasys. With respect to executive compensation, our primary objective is to establish programs that attract and retain key managers and align their compensation with Stratasys' overall business strategies, values and performance. To this end, we established, and the Board of Directors endorsed, an executive compensation program that consists of three principal components:

base compensation;

cash bonuses; and

stock options.

**Base Salary**

We conduct an annual performance review of the named executive officers for the purpose of determining modifications to base compensation based on prevailing industry salaries, historical compensation levels as compared with past performance, and expected future contributions of the executives. We then recommend the appropriate base compensation to the full Board of Directors.

**Cash Bonuses**

Stratasys also offers incentive plans under which executive officers may be paid cash bonuses. The compensation under these plans is dependent upon the achievement of certain financial, growth, and performance targets established by the Board of Directors.

In connection with the Committee's annual performance review on February 11, 2006, the Committee determined and approved cash bonuses for the named executive officers in respect of the preceding fiscal year. Bonuses to each of the named executive officers were paid during fiscal year 2005 and fiscal year 2006 for the attainment of objectives related to Stratasys' 2005 performance with respect to revenue growth, operating profit growth, and ending backlog.

On February 11, 2006 we approved Stratasys' bonus plan for fiscal year 2006 for Stratasys' named executive officers as well as certain other officers of Stratasys (the 2006 Bonus Plan). In addition, the Committee determined the target performance criteria with respect to fiscal year 2006 bonuses applicable to the named executive officers. The purposes of the 2006 Bonus Plan are to (i) provide incentives to achieve Stratasys' growth, profitability and annual and long-term strategic objectives; (ii) reward performance based on attainment of objectives that are intended to benefit Stratasys and its stockholders; and (iii) attract, retain, and motivate key executives. In arriving at our determinations, we considered the executive's past contributions to Stratasys' growth and the expected contribution of the executive to the Stratasys' long-term growth attainment.

For fiscal year 2006, in order to earn the target bonus, an executive must meet the following objectives, each of which is weighted accordingly: 2006 revenue growth (approximately 50% of the bonus), and 2006 operating profit growth (approximately 50% of the bonus).

### **Stock Options**

Stratasys also offers stock options as a component of its long-term incentive and retention program. Stock options are granted at the date of hire and periodically thereafter. These options align the interest of the executive officer with those of the stockholders, since it is only through stock appreciation linked to Stratasys' performance that the executive will benefit from these plans. In arriving at our recommendations for the amount of such grants, we consider the executive's contribution to Stratasys' performance in the past, and the expected contribution of the executive to Stratasys' long-term growth. Stratasys' policy is to fix the price of the options at or above the fair market value on the date of grant, thereby linking the executive's value realized directly to the gains realized by Stratasys' stockholders.

In connection with our compensation plan for Stratasys' executive officers and other key employees for 2006, we granted stock options to them in November 2005. Statement of Financial Accounting Standards No. 123(R) will require Stratasys to expense options granted after December 31, 2005. In light of the adoption of SFAS 123(R), we are evaluating the possible impact of future grants of options on Stratasys' reported financial results as well as alternative types of stock-based incentive compensation, such as restricted stock, stock appreciation rights and performance shares. We have not yet determined, however, what form stock-based compensation will take in subsequent periods.

### **Chief Executive Officer Compensation**

In arriving at our recommendation for Mr. Crump's total compensation, we considered Stratasys' performance as measured by revenue, revenue growth, profitability, earnings per share, share valuation, and corporate objectives. After considering Mr. Crump's performance in 2005, we recommended a management-by-objective (MBO) profit bonus of \$63,532. Base compensation, determined in early 2005, amounted to \$164,092, an increase from base compensation of \$158,543 earned in 2004.

**STOCK PERFORMANCE GRAPH**

The following graph compares on a cumulative basis the yearly percentage change, assuming dividend reinvestment, over the last five fiscal years in (a) the total stockholder return on our Common Stock with (b) the total return on the Nasdaq (US) Composite Index, and (c) the total return on the information technology sector of the Standard & Poor's SmallCap 600 Index ( S&P 600 Info Tech Index ). The S&P 600 Info Tech Index consists of 125 of the 600 stocks comprising the Standard & Poor's SmallCap 600 Index, a capitalization-weighted index of domestic stocks chosen for market size, liquidity and industry representation.

The following graph assumes that \$100 had been invested in each of Stratasys, the Nasdaq (US) Composite Index, and the S&P 600 Info Tech Index on December 31, 2000.

The immediately preceding sections entitled "Report of the Compensation Committee of the Board of Directors on Executive Compensation" and "Performance Graph" do not constitute soliciting material for purposes of SEC Rule 14a-9, will not be deemed to have been filed with the SEC for purposes of Section 18 of the Securities Exchange Act of 1934, and are not to be incorporated by reference into any other filing that we make with the SEC.
