Explanation of Responses:

- * If the form is filed by more than one reporting person, see Instruction 4(b)(v).
- ** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).
- (1) The number of Common Shares beneficially owned is reported as of January 7, 2010 and consists of 31,902,189 Common Shares underlying 10% Senior Redeemable Convertible Preferred Stock (the "Preferred Stock") and 1,548,052 Common Shares. As of January 7, 2010 each share of Preferred Stock converts into 114.29 Common Shares plus a make-whole premium as of January 7, 2010 amounted to an additional 267.67 Common Shares for 1 share of Preferred Stock.
- (2) The make whole premium is equal to the discounted net present value of future dividends (until June 2010) divided by the Volume Weighted Average Price (VWAP) of the common stock for the last 10 trading days prior to the conversion date discounted 10%. Therefore, the make whole premium fluctuates with the changes in the price of the Common Shares and the amount of future dividends.
- (3) The number of Common Shares beneficially owned is reported as of January 7, 2010 and consists of 31,902,189 Common Shares underlying 10% Senior Redeemable Convertible Preferred Stock (the "Preferred Stock") and 1,548,052 Common Shares. The increased holding is due primarily to a decrease in the VWAP of the Common Share price, which entitles the holders of the Preferred Stock to an increased amount of Common Shares as part of the future dividends, thereby increasing the reportable position.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, see Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
