PROXY STATEMENT
FOR THE 2005 ANNUAL MEETING OF THE STOCKHOLDERS
TO BE HELD ON DECEMBER 2, 2005

ANNUAL MEETING

GENERAL

This proxy statement is furnished in connection with the solicitation of proxies by the board of directors of EYI Industries Inc. ("we", "us", "our", the "Company" or "EYI") for use at the 2005 annual meeting of the stockholders to be held on December 2, 2005 at 10:00 a.m. (Pacific Time) at Bellagio Hotel & Casino at 3600 S. Las Vegas Blvd., Las Vegas, NV 89109, Renoir 1 Room, and at any adjournment thereof, for the purposes set forth in the accompanying notice of annual meeting.

This proxy statement, the notice of meeting and the enclosed form of proxy are expected to be mailed to our stockholders on or about 2005.

ENTITLEMENT TO VOTE

If you are a record holder of shares of our common stock on the record date, you may vote those shares of our common stock in person at the annual meeting or by proxy in the manner described below under "Voting of Proxies." If you hold shares of our common stock in a "street name" through a broker or other financial institution, you must follow the instructions provided by your broker or other financial institution regarding how to instruct your broker or financial institution to vote your shares.

VOTING OF PROXIES

You can vote the shares that you own on the record date by either attending the annual meeting in person or by filling out and sending in a proxy in respect of the shares that you own. Your execution of a proxy will not affect your right to attend the annual meeting and to vote in person.

You may revoke your proxy at any time before it is voted by:

- (a) filing a written notice of revocation of proxy with our corporate secretary at any time before the taking of the vote at the annual meeting;
- (b) executing a later-dated proxy relating to the same shares and delivering it to our corporate secretary at any time before the taking of the vote at the annual meeting; or
- (c) attending the annual meeting, giving affirmative notice at the annual meeting that you intend to revoke your proxy and voting in person. Please note that your attendance at the annual meeting will not, in and of itself, revoke your proxy.

All shares of common stock represented by properly executed proxies received at or prior to the annual meeting that have not been revoked will be voted in accordance with the instructions of the stockholder

Edgar Filing: EYI INDUSTRIES INC. - Form DEF 14A

who has executed the proxy. If no choice is specified in a proxy, the shares represented by the proxy will be voted FOR the election of all the nominees to serve as our directors and FOR the approval of all of the other proposals set forth in the accompanying notice of meeting. The shares represented by each proxy will also be voted for or against such other matters as may properly come before the annual meeting in the discretion of the persons named in the proxy as proxy holders. We are not aware of any other matters to be presented for action at the annual meeting.

Any written revocation of proxy or subsequent later-dated proxy should be delivered to the office of EYI's legal counsel, O'Neill Law Group PLLC c/o 435 Martin Street, Suite 1010 Blaine, Washington, USA 98230 Fax No. (360) 332-2291.

RECORD DATE AND SHARES ENTITLED TO VOTE

Our board of directors has fixed the close of business on October 10, 2005 as the record date for the determination of stockholders entitled to notice of and to vote at the annual meeting. At the record date, there were 226,259,804 shares of our common stock issued, outstanding, and entitled to vote at the annual meeting. Holders of common stock are entitled to one vote at the annual meeting for each share of common stock held of record at the record date. There are no separate voting groups or separate series of stock. There is no cumulative voting in the election of directors.

QUORUM

A quorum is necessary to hold a valid meeting of our stockholders. The required quorum for the transaction of business at the annual meeting is twenty percent (20%) of our issued and outstanding shares as of the record date.

In order to be counted for purposes of determining whether a quorum exists at the annual meeting, shares must be present at the annual meeting either in person or represented by proxy. Shares that will be counted for purposes of determining whether a quorum exists will include:

1. shares represented by properly executed proxies for which voting instructions have been given, including proxies which are marked "Abstain" or "Withhold" for any matter;
2. shares represented by properly executed proxies for which no instruction has been given; and
3. broker non-votes.

Broker non-votes occurs when shares held by a broker for a beneficial owner are not voted with respect to a particular proposal because the broker has not received voting instructions from the beneficial owner and the broker does not have discretionary authority to vote such shares.

VOTES REQUIRED

The affirmative vote of the holders of a plurality of the shares of common stock voting is required for the election of our directors. This means that the nominees who receive the greatest number of votes for each open seat will be elected. Votes may be cast in favor of the election of directors

Edgar Filing: EYI INDUSTRIES INC. - Form DEF 14A

or withheld. A vote is withheld when a properly executed proxy is marked WITHHOLD for the election of one or more directors. Votes that are withheld will be counted for the purposes of determining the presence or absence of a quorum but will have no other effect on the election of directors. Broker non-votes will have no effect on the election of directors.

The affirmative vote of the holders of a majority of our common stock represented at the annual meeting in person or by proxy is required to:

(a) approve of the amendment to our Articles of Incorporation to increase our authorized number of shares of our common stock from 300,000,000 to 1,000,000,000; and

(b) elect two directors to serve until their successors are duly elected and qualified.

Stockholders may vote in favor or against any of these proposals, or they may abstain. Abstentions and broker non-votes will be counted for purposes of determining the presence or absence of a quorum and will have no effect on the vote with respect to these proposals.

STOCKHOLDER PROPOSALS

No proposals have been received from any stockholder to be considered at the annual meeting.

OTHER MATTERS

It is not expected that any matters other than those referred to in this proxy statement will be brought before the annual meeting. If other matters are properly presented, however, the persons named as proxy appointees will vote in accordance with their best judgment on such matters. The grant of a proxy also will confer discretionary authority on the persons named as proxy appointees to vote in accordance with their best judgment on matters incidental to the conduct of the annual meeting.

SOLICITATION OF PROXIES

This proxy solicitation is being made on behalf of our board of directors. We will solicit proxies initially by mail. Further solicitation may be made by our directors, officers and employees personally, by telephone, facsimile, e-mail, internet or otherwise, but they will not be specifically compensated for these services. Upon request, we will reimburse brokers, dealers, banks or similar entities acting as nominees for their reasonable expenses incurred in forwarding copies of the proxy materials to the beneficial owners of the shares of our common stock they hold as of the record date. We will bear the expenses incurred in connection with printing, filing and mailing of this proxy statement.

Edgar Filing: EYI INDUSTRIES INC. - Form DEF 14A

February 17, 2004, our board of directors approved the Stock Compensation Program (the "Plan"). The Plan became effective on March 30, 2004. Under the Plan, options to purchase up to 25,000,000 shares of our common stock may be granted to our employees, officers, directors, and eligible consultants of our company. The Plan provides that the option price be the fair market value of the stock at the date of grant as determined by the Board of Directors. Options granted become exercisable and expire as determined by the Board of Directors.

Stock Compensation Program

On February 17, 2004, we established our Stock Compensation Program. The purpose of the Plan is to advance the interests of our company and our stockholders by strengthening our ability to obtain and retain the services of the types of employees, consultants, officers and directors who will contribute to our long term success and to provide incentives which are linked directly to increases in stock value which will inure to the benefit of all our stockholders. The Plan is administered by our Board of Directors or by a committee of two or more non-employee directors appointed by the Board of Directors (the "Administrator"). Subject to the provisions of the Plan, the Administrator has full and final authority to grant the awards of stock options and to determine the terms and conditions of the awards and the number of shares to be issued pursuant thereto. Options granted under the Plan may be either "incentive stock options," which qualify for special tax treatment under the Internal Revenue Code of 1986, as amended, (the "Code"), nonqualified stock options or restricted shares.

All of our employees and members of our Board of Directors are eligible to be granted options. Individuals who have rendered or are expected to render advisory or consulting services to us are also eligible to receive options. The maximum number of shares of our common stock with respect to which options or rights may be granted under the Plan to any participant is 25,000,000 shares, subject to certain adjustments to prevent dilution.

The exact terms of the option granted are contained in an option agreement between us and the person to whom such option is granted.

Edgar Filing: EYI INDUSTRIES INC. - Form DEF 14A

Eligible employees are not required to pay anything to receive options. The exercise price for incentive stock options must be no less than 85% of the fair market value of the common stock on the date of grant. The exercise price for nonqualified stock options is determined by the Administrator in its sole and complete discretion. An option holder may exercise options from time to time, subject to vesting. Options will vest immediately upon death or disability of a participant and upon certain change of control events.

The Administrator may amend the Plan at any time and in any manner, subject to the following: (1) no recipient of any award may, without his or her consent, be deprived thereof or of any of his or her rights thereunder or with respect thereto as a result of such amendment or termination; and (2) any outstanding incentive stock option that is modified, extended, renewed, or otherwise altered must be treated in accordance with Section 424(h) of the Code.

The Plan terminates on March 30, 2014 unless sooner terminated by action of the Board of Directors. All awards granted under the Plan expire ten years from the date of grant, or such shorter period as is determined by the Administrator. No option is exercisable by any person after such expiration. If an award expires, terminates or is cancelled, the shares of our common stock not purchased thereunder may again be available for issuance under the Plan.

We filed a registration statement under the Securities Act of 1933, as amended, to register the 25,000,000 shares of our common stock reserved for issuance under the Plan on March 30, 2004.

None of the following persons has any substantial or material interest, directly or indirectly, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the annual meeting except for our current and future directors and executive officers inasmuch as they may be granted stock options or stock awards pursuant to our 2004 Stock Incentive Plan:

1. each person who has been one of our directors or executive officers at any time since the beginning of our last fiscal year;
2. each nominee for election as one of our directors; or
3. any affiliate or associate of any of the foregoing persons.

There is no family relationship between any of our officers or directors.

COMPENSATION OF DIRECTORS

As at December 31, 2004, our directors were reimbursed for reasonable out-of-pocket expenses in connection with attendance at board of director and committee meetings, and are periodically granted options to purchase shares of our common stock at the discretion of our board of directors or our stock option committee, when constituted.

MEETINGS OF DIRECTORS DURING THE 2004 FISCAL YEAR

During our 2004 fiscal year, a total of two meetings of our board of directors were held and various matters were approved by consent resolution. All of our directors attended each of the meetings of our board of directors held during the 2004 fiscal year.

COMMITTEES OF OUR BOARD OF DIRECTORS

Audit Committee

The entire board of directors performs the functions of an audit committee, but no written charter governs the actions of the board of directors when performing the functions of an audit committee. The board of directors approves the selection of our independent accountants and meets and interacts with the independent accountants to discuss issues related to financial reporting. In addition, the board of directors reviews the scope and results of the audit with the independent accountants, reviews with management and the independent accountants our annual operating results, considers the adequacy of our internal accounting procedures and considers other auditing and accounting matters including fees to be paid to the independent auditor and the performance of the independent auditor.

For the fiscal year ending December 31, 2004, the board of directors:

1. Reviewed and discussed the audited financial statements with management of EYI;
2. Discussed with Williams & Webster, P.S., the independent auditors of EYI, the matters required to be discussed by Statement on Accounting Standards No. 61 (communications with Audit Committees); and
3. Reviewed and discussed the written disclosures and the letter from EYI's independent auditors on the matters relating to the auditor's independence from EYI.

Based upon the board of directors' review and discussion of the matters above, the board of directors authorized inclusion of the audited

Edgar Filing: EYI INDUSTRIES INC. - Form DEF 14A

financial statements for the year ended December 31, 2004 to be included in our Annual Report on Form 10-KSB for the year ended December 31, 2004 filed with the Securities and Exchange Commission.

We presently do not have a compensation committee, an executive committee of our board of directors, stock plan committee or any other committees. However, our board of directors will consider establishing various committees during the current fiscal year.

Nomination Committee

Our board of directors does not maintain a nominating committee. As a result, no written charter governs the director nomination process. Other than Bruce Nants, none of our directors qualify as independent under the rules and regulations of NASDAQ and the SEC. The size of EYI and the size of the board of directors, at this time, do not require a separate nominating committee. Our independent directors annually review all director performance over the past year and make recommendations to the board of directors for future nominations. When evaluating director nominees, our independent directors consider the following factors:

- (i) The appropriate size of EYI's board of directors;
- (ii) The needs of EYI with respect to the particular talents and experience of its directors;
- (iii) The knowledge, skills and experience of nominees, including experience in finance, administration or public service, in light of prevailing business conditions and the knowledge, skills and experience already possessed by other members of the board;
- (iv) Experience with accounting rules and practices; and
- (v) The desire to balance the benefit of continuity with the periodic injection of the fresh perspective provided by new board members.

Other than the foregoing, there are no stated minimum criteria for director nominees, although the board of directors may also consider such other factors as it may deem are in the best interests of EYI and its stockholders. In addition, the Board of Directors identifies nominees by first evaluating the current members of the board willing to continue in service. Current members of the board with skills and experience that are relevant to our business and who are willing to continue in service are considered for re-nomination. If any member of the board does not wish to continue in service or if the board decides not to re-nominate a member for re-election, the board then identifies the desired skills and experience of a new nominee in light of the criteria above. Current members of the board of directors are polled for suggestions as to individuals meeting the criteria described above. The board may also engage in research to identify qualified individuals. To date, we have not engaged third parties to identify or evaluate or assist in identifying potential nominees, although we reserve the right in the future to retain a third party search firm, if necessary. The board of directors does not typically consider stockholder nominees because it believes that its current nomination process is sufficient to identify directors who serve our best interests.

Code of Ethics

Edgar Filing: EYI INDUSTRIES INC. - Form DEF 14A

We adopted a Code of Ethics applicable to our Chief Executive Officer, Chief Financial Officer, Corporate Controller and certain other finance executives, which is a "code of ethics as defined by applicable rules of the SEC. Our Code of Ethics is attached to our Annual Report on Form 10-KSB filed with the SEC on April 14, 2004. If we make any amendments to our Code of Ethics other than technical, administrative, or other non-substantive amendments, or grant any waivers, including implicit waivers, from a provision of our Code of Ethics to our chief executive officer, chief financial officer, or certain other finance executives, we will disclose the nature of the amendment or waiver, its effective date and to whom it applies in a Current Report on Form 8-K filed with the SEC.

COMPLIANCE WITH SECTION 16(a) OF THE SECURITIES EXCHANGE ACT

Section 16(a) of the Exchange Act requires our executive officers and directors, and persons who beneficially own more than ten percent of our equity securities, to file reports of ownership and changes in ownership with the SEC. Officers, directors and greater than ten percent stockholders are required by SEC regulation to furnish us with copies of all Section 16(a) forms they file. Based on our review of the copies of such forms received by us, we believe that during the fiscal year ended December 31, 2004 all such filing requirements applicable to our officers and directors were complied with exception that reports were filed late by the following persons:

PROPOSAL NUMBER TWO

AMENDMENT OF ARTICLES OF INCORPORATION TO INCREASE THE NUMBER OF SHARES OF AUTHORIZED COMMON STOCK

On October 19, 2005, our board of directors approved an amendment to the Articles of Incorporation of EYI to increase the authorized common stock of EYI to 1,000,000,000 shares of common stock. The increase to the number of shares will require an amendment to our Articles of Incorporation. Our board of directors has directed that the increase to the shares of authorized common stock and the corresponding amendment to our Articles of Incorporation be submitted for approval by our stockholders.

Our board of directors has determined that it would be in the best interests of EYI to amend its Articles of Incorporation to increase the number of authorized shares of common stock from 300,000,000 shares to 1,000,000,000 shares. Each additional share of common stock will have the same rights and privileges as each share of currently authorized common stock. Our board of directors believes it is in the best interests of EYI to increase the number of authorized shares in order to give EYI greater flexibility in financing its business operations, and to allow EYI to avoid holding further stockholder meetings to increase its authorized capital to meet its financing requirements. The shares will be available for issuance by our board of directors for proper corporate purposes, including but not limited to, stock dividends, stock splits, acquisitions, financings and compensation plans. The issuance of additional shares of common stock could have the effect of diluting earnings per share, voting power and shareholdings of stockholders. It could also have the effect of making it more difficult for a third party to acquire control of EYI. We anticipate issuing additional shares of common stock in connection with future financings of EYI. We presently do not have any agreement or other arrangement: (i) for any for any financing involving the issuance of shares of our common stock and there is no assurance we will enter into any equity financing arrangement; (ii) for issuing any additional shares of our common stock. Current stockholders do not have preemptive rights to subscribe for, purchase or

Edgar Filing: EYI INDUSTRIES INC. - Form DEF 14A

reserve any shares of the authorized capital stock of EYI.

If the increase to our authorized shares of common stock is approved by our stockholders, we will file an amendment to our Articles of Incorporation with the Secretary of the State of Nevada as practicable after stockholder approval is obtained.

OUR BOARD OF DIRECTORS RECOMMENDS A VOTE IN FAVOR OF THE INCREASE TO THE AUTHORIZED NUMBER OF SHARES OF COMMON STOCK AND A CORRESPONDING AMENDMENT TO EYI'S ARTICLES OF INCORPORATION.

INDEPENDENT PUBLIC ACCOUNTANTS

Our current principal accountants are Williams and Webster, P.S. ("WW"). WW have audited EYI's financial statements for the fiscal years ended December 31, 2004, 2003 and 2002. EYI is not recommending that its principal accountants be submitted to the stockholders of EYI for election, approval or ratification because EYI is not required to do so under its Articles of Incorporation, its bylaws or the Nevada Revised Statutes. EYI anticipates that a representative of Williams & Webster, P.S. will not be present at the annual meeting.

AUDIT FEES

The aggregate fees billed for the two most recently completed fiscal years ended December 31, 2004 and 2003 for professional services rendered by the principal accountant for the audit of our annual financial statements and review of the financial statements included our Quarterly Reports on Form 10-QSB and services that are normally provided by the accountant in connection with statutory and regulatory filings or engagements for these fiscal periods were as follows:

	Year Ended December 31, 2004	Year Ended December 31, 2003
Audit		
Related Fees	\$106,500	\$56,710
Tax Fees	\$0	\$2,150
All Other Fees	\$0	\$1,000
Total	\$106,500	\$59,860

INDEPENDENCE

Our audit committee pre-approves all non-audit services to be performed by our principal accountant in accordance with our audit committee charter.
