ITEM 1. DESCRIPTION OF BUSINESS.

History

American Capital Holdings, Inc. ("the Company") originated through a series of transactions and restructurings from US Amateur Sports Company, one of ten wholly-owned subsidiaries of eCom eCom.com ("eCom"), an internet-based e-commerce company with businesses ranging from sports memorabilia and equipment to data compression technology. eCom eCom.com trades on the OTC/Bulletin Board

Edgar Filing: AMERICAN CAPITAL HOLDINGS INC - Form 10KSB/A

under the symbol 'ECEC.'

eCom incorporated in the State of Florida on June 14, 1994 as US Amateur Sports, Inc., but on December 17, 1998, eCom's directors voted to change the name from US Amateur Sports, Inc. to eCom eCom.com, Inc. in the belief that the proposed name more accurately reflected the nature of the core business-- electronic commerce. At a Special Meeting of Shareholders held on January 25, 1999, the shareholders approved an amendment to Articles of Incorporation of US Amateur Sports Company in order to adopt the new name. At that time, a current report on Form 8-K was filed with the Securities and Exchange Commission, and the name change became effective on January 27, 1999.

Throughout these transactions and restructurings, and as the market's infatuation with dot-coms began to wane, eCom began to lose market capitalization. From the historical high share price of \$21.50 in April 1999, shares saw a rapid decline to a low of \$.01 in February 2003. eCom concluded that it did not have the financial resources necessary to develop all ten of its business units collectively, so in an effort to preserve and restore shareholder value, eCom decided to spin off the ten subsidiaries into independent companies. The rationale behind this move was that each independent company would be better suited to obtain their own funding, and to develop and execute their distinct business plans. eCom would then be able to develop and streamline its business plan as well. This belief was based in part on eCom's experience with potential business partners who sought involvement with only one operating segment of eCom's multi-faceted business.

On December 1, 2003, eCom's Board of Directors approved the spin-off, and USA SportsNet, Inc. emerged as an independent company, and subsequently changed its name to American Capital Holdings, Inc. ("the Company"), in anticipation of making a certain acquisition. After the spin-off, the Company was presented with an opportunity to acquire certain assets of a company then known as American Capital Holdings, Inc., now known and referred to as ACHI. On January 12, 2004, the Company entered into an Asset Purchase Agreement with ACHI whereby the Company agreed to acquire certain assets of ACHI in return for 95% of the total stock ownership of the Company. In order to accomplish this transaction, the Company effected a 20-to-1 reverse stock split, which reduced its outstanding shares to 2,497,756 shares, and agreed to issue ACHI 49,995,112 shares. ACHI agreed to accept the issuance of 13,561,804 at closing, and assigned the right to receive these shares to its principle, Barnard A. Richmond, who is now the President of the Company. The remaining 36,393,308 shares were reserved for issuance by the Company in connection with future acquisitions and financing.

4

AMERICAN CAPITAL HOLDINGS, INC.

The Spin Off. On December 1, 2003, the Board of Directors of eCom approved the spin-off of the Company. They voted to issue to the shareholders of eCom one share of the Company for every one share of eCom owned as of the record date of January 5, 2004. Fractional shares are to be purchased by the Company. No payment will be required of the eCom shareholders.

Pursuant to Staff Legal Bulletin No. 4 issued September 16, 1997, the SEC has addressed the Division of Corporation Finance's views regarding whether the registration requirements of Section 5 of the Securities Act of 1933 applies to spin-offs. The Division has taken the view that the subsidiary does not have to register a spin-off under the Securities Act when it meets certain requirements.

Edgar Filing: AMERICAN CAPITAL HOLDINGS INC - Form 10KSB/A

1. The parent company's shareholders do not provide consideration for the spun-off shares;
2. The spin-off is pro-rata to the parent company's shareholders;
3. The parent company provides adequate information about the spin-off and the subsidiary to its shareholders and to the trading markets;
4. The parent company has a valid business purpose for the spin-off; and
5. If the parent company spins-off "restricted securities," it has held those securities for at least two years.

The Company believes that the spin-off of ACH shares to the shareholders of eCom meets the above requirements and does not have to register the spin-off company under the Securities Act. As a result, the common shares to be issued pursuant to the spin-off company may be issued without restriction except for affiliates of eCom.

Assets Acquired from American Capital Holdings, Inc. The assets acquired from ACHI consist primarily of approximately \$10.8 million of investment interests in ten developing companies (described below), approximately \$5.3 million of restricted securities, approximately \$233,000 of marketable securities, approximately \$100,000 in cash, and proprietary investment programs known as Energy Tax Incentive Preferred Securities ("ETIPS") and Guaranteed Principal Insured Convertible Securities ("GPICS") which ACHI had developed. See the American Capital Holdings balance sheet included in the Financial Statements section of this report.

Acquisition of Spaulding. On December 30, 2003, prior to the Company's acquisition from ACHI, ACHI entered into a letter agreement with Spaulding Ventures, LLC, pursuant to which ACHI agreed to acquire all of Spaulding's assets in return for 2,093,351 shares of ACHI common stock, plus warrants to purchase a total of 209,335 additional shares of ACHI common stock at a purchase price of \$6.00 per share. As part of its acquisition from ACHI of the assets ACHI acquired from Spaulding, the Company has agreed to replace the shares and warrants issued by ACHI with shares and warrants of the Company. In order to facilitate the distribution of these securities by Spaulding to its shareholders, the Company intends file a Registration Statement with the Securities and Exchange Commission registering the distribution to Spaulding's shareholders of both the acquisition shares and the shares to be issued upon exercise of the warrants. American Capital has closed out the operations of Spaulding Ventures.

RISK FACTORS

The risk factors discussed below could cause our actual results to differ materially from those expressed in any forward-looking statements. See "Forward-Looking Statements." Although we have attempted to list comprehensively these important factors, we caution you that other factors may in the future prove to be important in affecting our results of operations. New factors emerge from time to time and it is not possible for us to predict all of these factors, nor can we assess the impact of each such factor on the business or the extent to which any factor, or combination of factors, may cause actual results to differ materially from those contained in any forward-looking statement.

The risks described below set forth what we believe to be the most material risks associated with the purchase of our common stock. Before you invest in our common stock, you should carefully consider these risk factors, as well as the other information contained in this prospectus.

LACK OF OPERATING HISTORY. To date, we have been participating exclusively in activities associated with the start-up of the Company, including structuring the Company, acquiring assets, negotiating the acquisition of the insurance subsidiaries needed to sell our products, obtaining the required licenses for our intended insurance subsidiaries, and formulating our marketing strategies. We have not yet commenced operations, and thusly have had no significant revenues since inception. Until our pending acquisitions of Universe Life and Cosmopolitan Life are completed, and until they are capitalized sufficiently to obtain the insurance licenses needed to underwrite our products, we will use the services of third-party insurance carriers in connection with any sales of our products, which will reduce our net revenues. We have not yet realized revenues from sale of our products, and have incurred a net loss of \$(4,638,264) since inception, of which \$(3,023,199) are asset write-downs.

6

AMERICAN CAPITAL HOLDINGS, INC.

We expect our acquisition of Cosmopolitan Life to be completed by May 31, 2005, and some of the proceeds of this offering are designated for additional expansion capitalization of those subsidiaries. We intend to begin sales of our products within 60 days, regardless of the status of this offering, but do not expect significant net revenues until after our acquisitions Cosmopolitan Life is complete.

SPECULATIVE NATURE OF THE COMPANY'S PROPOSED OPERATIONS. The success of our proposed plan of operation will depend primarily on our ability to sell the proprietary products we have created. There can be no assurance that we will be successful in these efforts.

WE WILL FACE INTENSE COMPETITION. We are and will continue to be only one participant in the business of selling life insurance backed financial products. Although we have applied for a patent on our product addressing Statement 45, we will face competition from companies who may offer a similar product that have greater financial resources, broader arrays of products, higher ratings and stronger financial performance, which may impair our ability to retain existing customers, attract new customers and maintain our profitability and financial strength. We operate in a highly competitive industry. Many of our competitors are substantially larger and enjoy substantially greater financial resources, broader and more diversified product lines and more widespread agency relationships. Our products can be expected to face competition with products sold by other insurance companies, financial intermediaries and other institutions based on a number of factors, including

Edgar Filing: AMERICAN CAPITAL HOLDINGS INC - Form 10KSB/A

premium rates, policy terms and conditions, service provided to distribution channels and policyholders, ratings by rating agencies, reputation and commission structures.

THERE ARE NUMEROUS CONFLICTS OF INTEREST THAT MAY ARISE BETWEEN AMERICAN CAPITAL HOLDINGS AND ITS OFFICERS AND DIRECTORS. Because some of our directors are in the business of providing services to the insurance industry, they could encounter conflicts of interest from time to time between the interests of the Company and the interests of their clients. Douglas Sizemore provides consulting services to various insurance companies. Norman E. Taplin is an attorney specializing in insurance regulatory matters. Michael Camilleri owns an actuarial firm which provides services to various insurance entities. Resulting conflicts of interest will be resolved through exercise of such judgment as is consistent with the fiduciary duties of management to the Company.

NO PUBLIC MARKET CURRENTLY EXISTS. Although we intend to apply for listing of our Common Stock on the American Stock Exchange, there is currently no public market for the Company's common stock. There can be no assurance, however, that a market will in fact develop, or that a shareholder ever will be able to sell his shares without considerable delay. If a market should develop, the price may be highly volatile. Factors such as those discussed in this "Risk Factors" section may have a significant impact upon the market price of the Company's stock.

7

AMERICAN CAPITAL HOLDINGS, INC.

WE WILL REQUIRE ADDITIONAL CAPITAL. We have not yet begun sales of our products, and will therefore require additional capital to sustain us until sales begin and we are able to receive revenues from those sales. We may also require additional capital in the future to sustain growth and achieve favorable ratings. The required capital may not be available when needed or may be available only on unfavorable terms. Our long-term strategic capital requirements will depend on many factors including the accumulated statutory earnings of our life subsidiary and the relationship between the statutory capital and surplus of our life subsidiary and (i) the rate of growth in sales of our products; and (ii) the levels of credit risk and/or interest rate risk in our invested assets. To support long-term capital requirements, we may need to increase or maintain the statutory capital and surplus of our life subsidiary through additional financings, which could include debt, equity, financial reinsurance and/or other surplus relief transactions. Such financings, if available at all, may be available only on terms that are not favorable to us. In the case of additional equity offerings, dilution to our shareholders could result, and/or such securities may have rights, preferences and privileges that are senior to those of our common stock. In the case of debt offerings or placements, the holders of the debt will have rights preferences and privileges that are senior to those of our common stock. If we cannot maintain adequate capital, we may be required to limit growth, and such action could adversely affect our business, financial condition and results of operations.

CHANGES IN STATE AND FEDERAL REGULATION MAY AFFECT OUR PROFITABILITY. We are subject to regulation under applicable insurance statutes, including insurance holding company statutes, in the various states in which our current and intended life subsidiaries write insurance. Insurance regulation is intended to provide safeguards for policyholders rather than to protect shareholders of

Edgar Filing: AMERICAN CAPITAL HOLDINGS INC - Form 10KSB/A

insurance companies or their holding companies. Regulators oversee matters relating to trade practices, policy forms, claims practices, guaranty funds, types and amounts of investments, reserve adequacy, insurer solvency, minimum amounts of capital and surplus, transactions with related parties, changes in control and payment of dividends.

State insurance regulators and the National Association of Insurance Commissioners, or NAIC, continually re-examine existing laws and regulations, and may impose changes in the future. Our current and intended life subsidiaries are subject to the NAIC's risk-based capital requirements which are intended to be used by insurance regulators as an early warning tool to identify deteriorating or weakly capitalized insurance companies for the purpose of initiating regulatory action. Our current and intended life subsidiaries also may be required, under solvency or guaranty laws of most states in which they do business, to pay assessments up to certain prescribed limits to fund policyholder losses or liabilities of insolvent insurance companies. In addition, federal legislation and administrative policies in several areas, including pension regulation, age and sex discrimination, financial services regulation, securities regulation and federal taxation, can significantly affect the insurance business. As increased scrutiny has been placed upon the insurance regulatory framework, a number of state legislatures have considered or enacted legislative proposals that alter, and in many cases increase, state authority to regulate insurance companies and holding company

8

AMERICAN CAPITAL HOLDINGS, INC.

systems. The regulatory framework at the state and federal level applicable to our insurance products is continuously evolving. The changing regulatory framework could affect the design of such products and our ability to sell certain products. Any changes in these laws and regulations could materially and adversely affect our business, financial condition and results of operations.

OUR COMMON STOCK IS CURRENTLY CLASSIFIED AS "PENNY STOCK" AND IS NOT A SUITABLE INVESTMENT FOR ALL INVESTORS. Our common stock is a penny stock and is not a suitable investment for all investors. Generally, a penny stock is a security that (i) is priced under five dollars, (ii) is not traded on a national stock exchange or on NASDAQ (as opposed to the Over the Counter Bulletin Board or the "pink sheets"), and (iii) is issued by a company that has less than \$5 million in net tangible assets and has been in business less than three years. Because our common stock is not yet publicly traded, and we have less than \$5,000,000 of net tangible assets, our common stock is currently classified as "penny stock." While we intend to apply for listing on the American Stock Exchange, there can be no assurance that we will be successful. If our common stock does not become listed on the American Stock Exchange, or on another exchange or the NASDAQ, or if our common stock does not trade at or above \$5.00 per share, or if we do not maintain at least \$5,000,000 of net tangible assets, our common stock will continue to be classified as a penny stock. Penny stocks are subject to Securities and Exchange Commission rules that impose special sales practice requirements upon broker-dealers that sell such securities to persons other than established customers or accredited investors. Consequently, the rule may affect the ability of purchasers of our common stock to buy or sell in any market that may develop. In addition, the Securities and Exchange Commission has adopted a number of rules to regulate "penny stocks". These rules may further affect the ability of owners of our common stock to sell their shares in any market that may develop for them. Potential investors should be aware that, according to the Securities and Exchange Commission Release No. 34-29093, the market for penny stocks has suffered in recent years from patterns of fraud and abuse. Such patterns include:

* control of the market for the security by one or a few broker-dealers that

Edgar Filing: AMERICAN CAPITAL HOLDINGS INC - Form 10KSB/A

- are often related to the promoter or issuer;
- * manipulation of prices through prearranged matching of purchases and sales and false and misleading press releases;
- * "boiler room" practices involving high pressure sales tactics and unrealistic price projections by inexperienced sales persons;
- * excessive and undisclosed bid-ask differentials and markups by selling broker-dealers; and
- * the wholesale dumping of the same securities by promoters and broker-dealers after prices have been manipulated to a desired level, along with the inevitable collapse of those prices with consequent investor losses.

We advise you to consult with your investment, tax and other professional financial advisors prior to purchasing our stock. No independent rating agency has reviewed our financial condition to determine whether the stock is a suitable investment for any purchaser. The stock may not be a suitable investment for you based on your ability to withstand a loss of your investment or other aspects of your financial situation, including your income, net worth, financial needs, investment risk profile, return objectives, investment experience and other factors. Prior to purchasing any stock, you should consider your investment allocation with respect to the amount of your contemplated investment in our stock in relation to your other investment holdings and the diversity of those holdings.

ITEM 2. DESCRIPTION OF PROPERTY.

The Company does not own any real property. The Company leases its headquarters, consisting of approximately 1.022 square feet of office and warehouse space located at 100 Village Square Crossings, Suite 202, Palm Beach Gardens, Florida. The lease is for a term of one year, at a rental of \$2,687 per month including sales tax.

ITEM 3. LEGAL PROCEEDINGS.

The Company is not a party to any legal proceedings, except for an Involuntary Bankruptcy Petition filed by the Company, as one of three (3) petitioning creditors, against eCom that is currently pending in the Federal District Court in Broward County, Florida. American Capital Holdings, Inc. is a creditor of eCom and the spin-offs of eCom, and is initiating the bankruptcy proceedings as means to reorganize eCom and the spin-offs of eCom due to failed or failing businesses, and lost shareholder value. In 1999, eCom reached market capitalization of over \$250 million. Since 1999, market capitalization has hit record lows of approximately \$120 thousand, and currently ranges between \$500 thousand and \$1 million. The bankruptcy filing will allow the Company to reorganize and/or divest their interest in order to pursue profitable strategies as a means of restoring lost shareholder value.

ITEM 4. SUBMISSION OF MATTERS TO A VOTE OF SECURITY HOLDERS.

Edgar Filing: AMERICAN CAPITAL HOLDINGS INC - Form 10KSB/A

There were no matters submitted to a vote by the security holders during the fiscal quarter ended May 31, 2004.

ITEM 5. MARKET FOR COMMON EQUITY AND RELATED STOCKHOLDER MATTERS.

MARKET FOR COMMON STOCK. There is currently no trading market for the Company's Common Stock and there can be no assurance that any trading market

10

AMERICAN CAPITAL HOLDINGS, INC.

will ever develop or, if such a market does develop, that it will continue. The Company intends to file a Registration Statement with the Securities and Exchange Commission to register for resale certain shares previously issued, and to register additional shares for sale in order to raise additional capital. Upon effectiveness of the Registration Statement, the Company intends to have its common stock listed for trading on the American Stock Exchange.

If, for any reason, the Company does not meet the qualifications for listing on a major stock exchange, the Company's securities may be traded in the over-the-counter ("OTC") market. The OTC market differs from national and regional stock exchanges in that it (1) is not sited in a single location but operates through communication of bids, offers and confirmations between broker-dealers and (2) securities admitted to quotation are offered by one or more broker-dealers rather than the "specialist" common to stock exchanges.

SECURITY HOLDERS. The Company has approximately 5,500 shareholders. The Company has 1,621,209 shares subject to options, at an exercise price of \$.01 per share.

DIVIDENDS. There have been no cash dividends declared or paid since the Company was formed, and no dividends are contemplated to be paid in the foreseeable future.

RECENT SALES OF UNREGISTERED SECURITIES. In February 2004, the Company issued 13,561,804 shares of its common stock to American Capital Holdings, Inc. in connection with the Company's acquisition of certain assets from that company (See "Description of Business - Acquisition of American Capital Holdings"). Inasmuch as American Capital Holdings had access to comprehensive information about the Company, the shares were issued in reliance upon Section 4(2) of the Securities Act. A legend was placed on the certificates stating that the securities were not registered under the Securities Act and setting forth appropriate restrictions on their transfer or sale.

ITEM 6. MANAGEMENT'S PLAN OF OPERATION.

Our primary business is insurance and related financial products. In addition to traditional offerings such as life insurance, health insurance, and annuities, we will offer financial strategies which utilize insurance as a part of their structure. American Capital Holdings, Inc. owns the patent and the trademarks for five proprietary products:

GPICS(tm) -- Guaranteed Principle Insured Convertible Securities

Edgar Filing: AMERICAN CAPITAL HOLDINGS INC - Form 10KSB/A

ETIPS(tm) -- Energy Tax Incentive Preferred Securities

ETICS(tm) -- Equipment Tax Incentive Convertible Securities

GPACS(tm) -- Guaranteed Pension Accounting Contract Solutions

GPACS(tm)-- Government Pension Accounting Contract Solutions

11

AMERICAN CAPITAL HOLDINGS, INC.

We intend to use the insurance products of our subsidiaries as part of a plan to reduce currently unfunded government and private sector pension plan liability, addressing the needs of governmental and private sector businesses regarding unfunded pension liabilities and other post-employment benefit ("OPEB") liabilities. By purchasing whole and term life insurance products for a pool of employees, of which the employer is beneficiary, and utilizing the tax benefits of mandatory participation in a tax-qualified retirement plan, an employer can realize numerous financial benefits, as described in greater detail below. We intend to collect premiums and commissions on the insurance products sold as a part of the structuring, and also collect a consulting fee for the product itself. Until our pending acquisitions of Universe Life and Cosmopolitan Life are completed, and they are capitalized sufficiently to obtain the insurance licenses needed to underwrite our products, we will use the services of third-party insurance carriers in connection with any sales of our products.

Our GPACS(TM) products, which refers to both the Guaranteed Pension Accounting Contract Solutions product and the Government Pension Accounting Contract Solutions product, relate to a business method of adjusting the balance sheet of a business or governmental organization, and particularly to a system for organizing the unfunded obligations of the organization so that the liability on the balance sheet is offset by an asset. The product also provides a systematic investing capability to enhance the profitability of the organization via investment income, and the improved treatment of tax obligations via qualified plans which exempt OPEB income from FICA tax. The restructuring of the balance sheet in such a manner can generate favorable financial implications such as improved borrowing scenarios, reduction in the cost of insurance coverage, and increases in the value of outstanding or newly-issued bonds.

American Capital Holdings, Inc. plans to utilize the existing sales and marketing divisions of both IS Direct Agency, Inc. and Cosmopolitan Life Insurance Company to target the municipalities and school boards in the states in which the subsidiaries are licensed to sell our financial products.

Our GPICS(TM), ETIPS(TM) and ETICS(TM) products are investment structures designed to maximize the benefit of energy and equipment tax incentives, in order to facilitate investment in energy-related and other business enterprises. An essential feature of these products is a guarantee of the principal invested, as a result of the structuring of the investment. When and if these products are utilized, when applicable, they will require separate SEC registration statements and/or insurance product approvals in the states in which the products are utilized. The sale of these products generates consulting revenue from the strategic planning provided by the Company.

Our plan of operation includes the underwriting of the insurance aspects of our products through our subsidiaries. Pending approvals of our above described proposed acquisitions of Universe Life and Cosmopolitan Life, we will use third party insurance carriers. However, upon receiving the approvals, which are

Edgar Filing: AMERICAN CAPITAL HOLDINGS INC - Form 10KSB/A

expected in due course, we will retain as much premium and commission money as possible within our subsidiaries. We expect to be able to support operating expenses with operating revenues beginning in our fourth quarter.

12

AMERICAN CAPITAL HOLDINGS, INC.

IS Direct Agency, Inc.

American Capital Holdings, Inc. purchased IS Direct Agency ("IS Direct") for 800,000 shares of the common stock of American Capital Holdings. The acquisition was completed May 20, 2004. Included in this acquisition are the assets listed below:

IS Direct Term Quick Website	IS Direct Agency Name
Insurance Licenses	Software
Business Process Methods	Trademarks
Customers	Prospective Customers
Vendor Relationships	Insurance Carrier Relationships
Broker Relationships	

IS Direct is an insurance agency which currently sells primarily term and whole life insurance products. However, upon the completion of our proposed acquisition of Universe Life, a life, health, and annuities carrier, the scope of products available for sale by IS Direct is expected to broaden. In addition to placing the insurance components of our financial products, IS Direct will also sell term life products, annuities, and other traditional insurance products. We expect most of the insurance products sold by IS Direct will eventually be underwritten by Universe Life.

Universe Life

Universe Life is a life insurance company which we expect to use to underwrite the insurance policies required by our GPACS products. We have an agreement to purchase Universe Life, which is planned as another wholly-owned subsidiary of the Company, pending regulatory approval of the change in control by the Insurance Commissioner of the State of Idaho. The agreement stipulates a purchase price of \$100,000 in exchange for 100% ownership. Universe Life will be acquired through receivership with no existing operations, but the process for reinstatement is in progress and should be completed by August 31, 2005.

Universe Life is a life, health and annuities insurance carrier, which is currently licensed to operate in twenty-three (23) states. Universe Life will be initiating the application process to become licensed in all remaining states, and expects to obtain the necessary licenses to operate in all fifty (50) states in the near future. We expect Universe Life to be domiciled in the State of South Carolina, with its principal offices in Charleston. We anticipate merging Universe and Cosmopolitan in the near future as means of jointly utilizing each company's capital surplus resources and/or licenses.

Our application for approval of our acquisition of Universe Life has been filed with the Insurance Commissioner of the State of Idaho. We expect to receive regulatory approval for our purchase of Universe Life by August 31, 2005.

Cosmopolitan Life

On October 30, 2004, we entered into an agreement to purchase one-hundred (100%) percent of the voting shares of Cosmopolitan Life for \$500,000 and a surplus note in the amount of \$250,000. We expect to close our acquisition of Cosmopolitan Life by May 31, 2005, upon regulatory approval by the Arkansas

AMERICAN CAPITAL HOLDINGS, INC.

Department of Insurance. Upon closing, we intend to contribute additional capital to Cosmopolitan Life, from the amount raised pursuant to this offering, in order to provide capital for expansion and additional licensing.

Cosmopolitan Life is a stipulated premium insurer chartered in 1931 in the State of Arkansas. A "stipulated premium insurer" is one issuing policies or certificates promising money or other benefits to a policyholder upon his or her disability or, upon his or her decease, to his or her legal representatives or beneficiaries designated by him or her, which money or benefit is derived from stipulated premiums collected in advance from those policyholders and from interest and other accumulations. Since 1998, Cosmopolitan Life has offered both direct and re-insurance coverage related to health and dental care plans, with a specialty in providing stop-loss coverage for self-funded employer plans.

Until 1998, Cosmopolitan Life was engaged exclusively in providing burial/final expense insurance, and was operated as a small stipulated premium carrier in association with the funeral home business. In 1998, Cosmopolitan Life was acquired by Stephen E. Whitwell and Matt Lile, who implemented plans to grow the company. In 1998 a dental insurance product was file-approved and marketing commenced. Cosmopolitan Life also became involved in providing specific stop-loss coverage for self-funded employer plans for which there was a retro-session agreement. In 2001, Cosmopolitan Life introduced a new product, Employers Choice Health Plan, referred to as ECHP. Recently, most of Cosmopolitan Life's revenues have been realized from re-insurance assumed, while its dental product has been a small but profitable segment for the company. Cosmopolitan Life sees great opportunity for each product to expand and to have great growth potential with the added authority by way of either obtaining Certificate of Authority in additional jurisdictions or by affiliating with an issuing carrier with authority in other jurisdictions to enter into a quota share agreement.

Independent Auditors' Report

To the Board of Directors and Stockholders
American Capital Holdings, Inc.

We have audited the accompanying consolidated balance sheet of American Capital Holdings, Inc. as of May 31, 2004 and the related consolidated statements of operations, changes in shareholders' equity and cash flows for the twelve months ending May 31, 2003 and 2004. AMERICAN CAPITAL HOLDINGS, INC.
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
TWELVE MONTHS ENDED MAY 31, 2004

NOTE A - NATURE OF OPERATIONS

American Capital Holdings, Inc. (the "Company") was incorporated in the State of Florida on January 27, 1999 as U S Amateur Sports Company, a wholly owned subsidiary of eCom eCom.com, Inc. ("eCom") which trades on the OTC/Bulletin Board under the symbol 'ECEC.' On March 19, 2003, the Company changed its name to USA SportsNet Company, and on December 12, 2003 changed its name to American Capital Holdings, Inc. in connection with its spin off by eCom and its acquisition of certain assets of a company formerly known as American Capital Holdings, Inc. (now known as ACHI, Inc.) The Company's main office is located at 100 Village Square Crossing, Suite 202, Palm Beach Gardens, Florida 33410, and the telephone number is (561) 207-6395.

IS Direct Agency, Inc. ("ISDA"), a wholly-owned subsidiary of the company, was incorporated in the State of Florida on May 20, 2004. On May 21, 2004 ISDA acquired the assets of IS Direct Agency, Inc., a New York Corporation. ISDA provides internet based term life insurance quotes.

While a wholly owned subsidiary of eCom, the Company developed an e-commerce Internet infrastructure. This product provided an affordable, user-friendly technological platform and professional resources to facilitate web business development. It also operated an on-line business as a test model using Company developed e-commerce concepts to sell sports products.

The Spin-Off. The Company was one of ten wholly owned subsidiaries of eCom, with varying business plans. In recent years, eCom concluded that it did not have the financial resources necessary to develop all of its ten business units collectively. eCom decided to spin off its subsidiaries into independent companies in the belief that independent companies, each with a distinct business, would be better able to obtain necessary funding and develop their business plans. This belief was based in part on eCom's experience with potential business partners which sought involvement with only one of eCom's subsidiaries, rather than involvement with the multi-faceted eCom.

On December 1, 2003, the Board of Directors of eCom approved the spin-off of the Company. They voted to issue to the shareholders of eCom one share of the

Edgar Filing: AMERICAN CAPITAL HOLDINGS INC - Form 10KSB/A

Company for every one share of eCom owned as of the record date of January 5, 2004. Fractional shares will be purchased by the Company. No payment was required of the eCom shareholders.

Acquisition from American Capital Holdings. After the spin off of the Company was completed, the Company was presented with an opportunity to acquire certain assets of American Capital Holdings, Inc. (now known as, and referred to hereafter as ACHI). On January 12, 2004, the Company entered into an Asset Purchase Agreement with ACHI whereby the Company acquired certain assets, and assume certain liabilities of ACHI in return for the issuance of common stock of the Company in an amount equal to 84.1% of the total ownership of the Company. In order to accomplish this transaction, the Company effected a 20 to 1 reverse stock split, which reduced its outstanding stock to 2,497,756 shares, and agreed

to issue to ACHI 49,955,112 shares. ACHI agreed to accept the issuance of 13,561,804 shares at closing, and assigned its right to receive the 13,561,804 shares to its principle, Barney A. Richmond, now the President of the Company. The remaining 36,393,308 shares were reserved for issuance by the Company in connection with future acquisitions and financings. The Company then changed its name to American Capital Holdings, Inc., and ACHI changed its name to ACHI, Inc. Of the 36,393,308 shares reserved for future issuance, 2,162,099 shares have now been issued to the shareholders of Spaulding Ventures, LLC, in replacement of shares of ACHI to be issued to Spaulding in connection with a prior acquisition of assets by ACHI from Spaulding.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation, Use of Estimates

The Company maintains its accounts on the accrual basis of accounting. The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Revenue Recognition

Revenue and dividends from investments are recognized at the time the investment dividends are declared payable by the underlying investment. Capital gains and losses are recorded on the date of sale of the investment.

Cash

Cash consists of deposits in banks and other financial institutions having original maturities of less than ninety days.

Allowance for Doubtful Accounts

It is the policy of management to review the outstanding accounts receivable at year end, as well as the bad debt write-offs experienced in the past, and establish an allowance for doubtful accounts for uncollectible amounts.

Depreciation

Property and equipment are recorded at cost and depreciated over the

Edgar Filing: AMERICAN CAPITAL HOLDINGS INC - Form 10KSB/A

estimated useful lives of the related assets. Depreciation is computed using the straight-line method.

See accompanying independent accountants' audit report.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Amortization

The accounting for a recognized intangible asset acquired after June 30, 2001 is based on its useful life to the Company. If an intangible asset has a finite life, but the precise length of that life is not known, that intangible asset shall be amortized over management's best estimate of its useful life. An intangible asset with an indefinite useful life is not amortized. The useful life to an entity is the period over which the asset is expected to contribute directly or indirectly to the future cash flows of that entity.

Investments

Investments are stated at the lower of cost and market value.

NOTE N - INCOME TAXES (CONTINUED)

The Company does not believe that the realization of the related net deferred tax asset meets the criteria required by generally accepted accounting principles and, accordingly, the deferred income tax asset arising from such loss carry forward has been fully reserved.

The Company accounts for income taxes in accordance with FASB Statement No. 109, Accounting for Income Taxes (FASB 109). Under FASB 109, income taxes are provided for the tax effects of transactions reported in the financial statements and consist of taxes currently due plus deferred taxes related to certain income and expenses recognized in different periods for financial and income tax reporting purposes. Deferred tax assets and liabilities represent

Edgar Filing: AMERICAN CAPITAL HOLDINGS INC - Form 10KSB/A

the future tax return consequences of those differences, which will either be taxable or deductible when the assets and liabilities are recovered or settled.

Deferred taxes also are recognized for operating losses and tax credits that are available to offset future taxable income and income taxes, respectively. A valuation allowance is provided if it is more likely than not that some or all of the deferred tax assets will not be realized.

NOTE O - STOCKHOLDERS' EQUITY

To facilitate the purchase of the assets of ACHI, the Company recorded a one for twenty reverse split on the Effective Date of the currently outstanding common stock, while maintaining the conversion and exercise prices of the Senior Notes, the Secured Notes, the Subordinated Notes and the related warrants. All prior period share and per-share amounts have been restated to account for the reverse split. Any fractional shares remaining after the reverse split will be paid out in cash to the shareholder on the Effective Date.

Warrants were granted to Promissory Noteholders with detachable warrants. Management has determined that the fair value of each warrant is \$0.01.

The computation of diluted loss per share before extraordinary item for the year ended May 31, 2004 does not include shares from potentially dilutive securities as the assumption of conversion or exercise of these would have an anti-dilutive effect on loss per share before extraordinary items. In accordance with generally accepted accounting principles, diluted loss per share from extraordinary item is calculated using the same number of potential common shares as used in the computation of loss per share before extraordinary items.

NOTE P - DEFERRED TAX ASSET

Deferred income taxes are provided for temporary differences between the financial reporting and income tax basis of the Company's assets and See accompanying independent accountants' audit report.

Deferred tax asset (34%)	168,326

Net deferred tax asset	-

No provision for federal and state income taxes has been recorded because the Company has incurred net operating losses since inception. The Company's net operating loss carry-forward as of May 31, 2004 was approximately \$495,000. These carry-forwards, which will be available to offset future

Edgar Filing: AMERICAN CAPITAL HOLDINGS INC - Form 10KSB/A

taxable income, will expire through the year 2024.

The Company does not believe that the realization of the related net deferred tax asset meets the criteria required by generally accepted accounting principles and, accordingly, the deferred income tax asset arising from such loss carry forward has been fully reserved.

NOTE Q - RELATED PARTY TRANSACTIONS

The Company has accounts receivables due from two related company entities. eCom eCom.com, Inc. owes \$27,067 for services paid to the Company's transfer agent and accountant. Freedom 4 Wireless, Inc. owes the Company \$343,995 for working capital and inventory purchased by ACHI, subsequently purchased by the Company on February 29, 2004. These related party transactions totaled \$371,062 on May 31, 2004.

NOTE R - RECENT ACCOUNTING PRONOUNCEMENTS

The FASB issued SFAS No. 143, Accounting for Asset Retirement Obligations with an effective date for financial statements issued for fiscal years beginning after June 15, 2002. The statement addresses financial accounting and reporting for obligations related with the retirement of tangible long-lived assets and the costs associated with asset retirement. The statement requires the recognition of retirement obligations which will, therefore, generally increase liabilities; retirement costs will be added to the carrying value of long-lived assets, therefore, assets will be increased; and depreciation and accretion expense will be higher in the later years of an assets life than in earlier years. The Company adopted SFAS No. 143 at January 1, 2002. The adoption of SFAS No. 143 had no impact on the Company's operating results or financial positions.

AMERICAN CAPITAL HOLDINGS, INC.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

TWELVE MONTHS ENDED MAY 31, 2004

NOTE R - RECENT ACCOUNTING PRONOUNCEMENTS (CONTINUED)

The FASB also issued SFAS No. 144, Accounting for the Impairment or Disposal of Long-Lived Assets and is effective for financial statements issued for fiscal years beginning January 1, 2002. This statement addresses financial accounting and reporting for the impairment or the disposal of long-lived asset. An impairment loss is recognized if the carrying amount of a long-lived group exceeds the sum of the undiscounted cash flow expected to result from the use and eventual disposition of the asset group. Long-lived assets should be tested at least annually or whenever changes in circumstances indicate that its carrying amount may not be recoverable. This statement does not apply to goodwill and intangible assets that are not amortized. The Company adapted SFAS No. 144 in the first quarter of 2002. The adoption of SFAS No. 144 had no impact on the Company's operating results or financial position.

In April 2002, the FASB issued SFAS No. 145, "Rescission of the FASB Statements No. 4, 44 and 64, Amendment of FASB Statement No. 13, and Technical Corrections" ("SFAS No. 145"). SFAS No. 145 eliminates the requirement to classify gains and losses from the extinguishment of indebtedness as extraordinary, requires certain lease modifications to be treated the same as a sale-leaseback transaction, and makes other non-substantive technical corrections to existing pronouncements. SFAS No. 145 is effective for fiscal years beginning after May 15, 2002. SFAS No. 145 was adopted on June 1, 2003

Edgar Filing: AMERICAN CAPITAL HOLDINGS INC - Form 10KSB/A

and did not have a material effect on the Company's financial position or results of operations.

The FASB issued SFAS No. 150, "Accounting for Certain Financial Instruments with Characteristics of both Liabilities and Equity" and is effective for financial instruments entered into after May 31, 2003. This Statement establishes standards for how an issuer classifies and measures in its statement of financial position certain financial instruments with characteristics of both liabilities and equity. It requires that an issuer classify a financial instrument that is within its scope as a liability because that financial instrument embodies an obligation of the issuer. The Company has adopted SFAS No. 150 and the adoption has had no impact on the Company's operating results or financial position.

Goodwill and intangible assets acquired prior to July 1, 2001 will continue to be amortized and tested for impairment in accordance with pre- SFAS No. 142 requirements until adoption of SFAS No. 142. Under the provision of SFAS No.142, intangible assets with definite useful lives will be amortized to their estimated residual values over those estimated useful lives in proportion to the economic benefits consumed. Such intangible assets remain subject to the impairment provisions of SFAS No. 121. Intangible assets with indefinite useful lives will be tested for impairment annually in lieu of being amortized. The impact of adopting SFAS Nos. 141 and 142 will not cause a material change in the Company's consolidated financial statements as of the date of this report.

See accompanying independent accountants' audit report.
