NOTICE TO THE MARKET

São Paulo, March 31, 2017 – Braskem S.A. (BM&FBOVESPA: BRKM3, BRKM5 and BRKM6; NYSE: BAK; LATIBEX: XBRK) announces to its shareholders and the general market that, on the date hereof, the judge hearing the class action lawsuit filed in the United States of America ruled on the motion to dismiss filed by the Company, partially granting its claims. A motion to dismiss is a preliminary defense that seeks to force the court to analyze if the allegations made by the Lead Plaintiff are sufficient for the lawsuit to advance to the evidentiary stage.

With the denial of some of the allegations made by the Lead Plaintiff, the class action suit will proceed to the discovery phase for the other claims.

More information can be obtained from the Investor Relations Department by calling +55 (11) 3576-9531 or sending an e-mail to braskem-ri@braskem.com.br.

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
