NOTICE TO THE MARKET

São Paulo, August 29, 2017 – Braskem S.A. (B3: BRKM3, BRKM5 and BRKM6; NYSE: BAK; LATIBEX: XBRK) hereby announces to its shareholders and the general market that the plaintiffs of the class action brought against the company in the U.S. Courts filed today, in agreement with Braskem, a motion requesting the alteration of the previously agreed schedule, as the parties are engaged in negotiations to settle said action. However, no final agreement has been reached or presented to the Courts so far, and the terms of the negotiation are still confidential. Any final agreement that may be reached between the parties will be subject to several conditions, including its approval by courts.

For more information, contact Braskem's Investor Relations Department by calling +55 (11) 3576-9531 or sending an e-mail to braskem-ri@braskem.com.br.

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
