**Item 1.02. Termination of a Material Definitive Agreement.**

Following HyperFeed's successful completion of its components of Telerate's ticker plant development, Telerate elected on November 19, 2004 to exercise its contractual right to terminate a License Agreement between HyperFeed and Telerate and pay a termination fee in the amount of \$1,000,000. Under the terms of License Agreement, Telerate had purchased from HyperFeed a perpetual license to HyperFeed's HTPX software in exchange for fees aggregating \$7.3 million, payable over a 35 month period beginning in March 2004. Thus far in 2004, Telerate has paid to HyperFeed license fees aggregating \$1.2 million under the License Agreement. Under the terms of HyperFeed's arrangements with Telerate related to the termination, HyperFeed will generally make available for licensing to Telerate in the future the HTPX software as modified during the term of the License Agreement.
