NOTICE OF ANNUAL MEETING OF SHAREHOLDERS

TO BE HELD JUNE 12, 2015

GENERAL INFORMATION

This proxy statement is furnished to shareholders by the Board of Directors of BAB, Inc. (the "Company") for solicitation of proxies for use at the Meeting of Shareholders at 11:00 a.m. on Friday, June 12, 2015 in the Conference Center located at 540 Lake Cook Road (within the Corporate 500 Centre complex), Deerfield, IL 60015, and all adjournments thereof for the purposes set forth. The Board of Directors is not currently aware of any other matters that may or could properly come before the Meeting.

Shareholders may revoke proxies before exercise by submitting a later dated proxy or by voting in person at the Meeting. Unless a shareholder gives contrary instructions on the proxy card, proxies will be voted at the Meeting (i) for the election of the nominees named herein and on the proxy card to the Board of Directors; (ii) for the appointment of Sassetti LLC as independent registered public accounting firm of the Company; and (iii) in the discretion of the proxy holder as to other matters which may properly come before the Meeting. This proxy statement and the enclosed proxy are being mailed to the shareholders of the Company on or about May 05, 2015.

Please read the proxy carefully. You will find additional information about the Company in the most recent 10-K enclosed, which includes the audited consolidated financial statements for the year ended November 30, 2014.

The Company will make arrangements with brokerage houses, other custodians, nominees and fiduciaries to send proxies and proxy material to the beneficial owners of the shares and will reimburse them for their expenses in so doing. To ensure adequate representation of shares at the Meeting, officers, agents and employees of the Company may communicate with shareholders, banks, brokerage houses and others by telephone, facsimile, or in person to request that proxies be furnished. All expenses incurred in connection with this solicitation will be borne by the Company.

RECORD DATE AND VOTING

The Board of Directors has fixed April 14, 2015 as the record date for the determination of shareholders entitled to vote at the Meeting. As of the close of business on the record date, there were outstanding 7,263,508 shares of Common Stock, \$0.001 par value, which is the only outstanding class of stock of the Company. All matters being voted upon by the shareholders require a majority vote of the shares represented at the Meeting either in person or by proxy, except for election of directors, which is by plurality vote in the event of more nominees than positions (i.e. the four nominees receiving the highest number of votes would be elected).

The presence at the Meeting in person or by proxy of the holders of a majority of the outstanding shares of the Company's Common Stock entitled to vote constitutes a quorum for the transaction of business. Shares voted as abstentions and broker non-votes on any matter (or a "withheld authority" vote as to directors) will be counted as present and entitled to vote for purposes of determining a quorum and for purposes of calculating the vote with respect to such matter, but will not be deemed to have been voted in favor of such matter. "Broker non-votes" are shares held by brokers or nominees which are present in person or represented by proxy, but which are not voted on a particular matter because instructions have not been received from the beneficial owner and the broker indicates that it does not have discretionary authority to vote certain shares on that matter.

BOARD RECOMMENDATIONS

The Board of Directors recommends a vote FOR election of each nominee for director named herein, and FOR ratification of the appointment of Sasseti LLC as independent registered public accounting firm. It is intended that proxies solicited by the Board of Directors will be voted FOR each nominee and FOR each such other proposals unless otherwise directed by the shareholder submitting the proxy.

PRINCIPAL SHAREHOLDERS AND OWNERSHIP OF MANAGEMENT

The following table sets forth as of April 14, 2015, the record and beneficial ownership of Common Stock held by (i) each person who is known to the Company to be the beneficial owner of more than 5% of the Common Stock of the Company; (ii) each current director; (iii) each "named executive officer" (as defined in Regulation S-K, item 401 under the Securities Act of 1933); and (iv) all executive officers and directors of the Company as a group. Securities reported as "beneficially owned" include those for which the named persons may exercise voting power or investment power, alone or with others. Voting power and investment power are not shared with others unless so stated. The number and percent of shares of Common Stock of the Company beneficially owned by each such person as of April 14, 2015, includes the number of shares which such person has the right to acquire within sixty (60) days after such date.

INDEMNIFICATION OF DIRECTORS AND OFFICERS

The Company's Certificate of Incorporation limits personal liability for breach of fiduciary duty by its directors to the fullest extent permitted by the Delaware General Corporation Law ("Delaware Law"). Such Certificate eliminates the personal liability of directors to the Company and its shareholders for damages occasioned by breach of fiduciary duty, except for liability based on breach of the director's duty of loyalty to the Company, liability for acts or omissions not made in good faith, liability for acts or omissions involving intentional misconduct, liability based on payments of improper dividends, liability based on violation of state securities laws and liability for acts occurring prior to the date such provision was added. Any amendment to or repeal of such provisions in the Company's Certificate of Incorporation shall not adversely affect any right or protection of a director of the Company with respect to any acts or omissions of such director occurring prior to such amendment or repeal.

In addition to Delaware Law, the Company's Bylaws provide that officers and directors of the Company have the right to indemnification from the Company for liability arising out of certain actions to the fullest extent permissible by law. Insofar as indemnification for liabilities arising under the Securities Act of 1933 (the "Act") may be permitted to directors, officers or persons controlling the Company pursuant to such indemnification provisions, the Company has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is therefore unenforceable.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's executive officers and directors, and persons who beneficially own more than 10% of the Company's Common Stock, to file initial reports of ownership and reports of changes in ownership with the Securities and Exchange Commission (the "SEC"). Executive officers, directors and greater than ten percent (10%) beneficial owners are required by the SEC to furnish the Company with copies of all Section 16(a) forms they file.

Based upon a review of the copies of such forms furnished to the Company, the Company believes that all Section 16(a) filing requirements applicable to its executive officers and directors were met for the fiscal year ended November 30, 2014.

CERTAIN TRANSACTIONS

The following information relates to certain relationships and transactions between the Company and related parties, including officers and directors of the Company. It is the Company's policy that it will not enter into any transactions with officers, directors or beneficial owners of more than 5% of the Company's Common Stock, or any entity controlled by or under common control with any such person, on terms less favorable to the Company than could be obtained from unaffiliated third parties and all such transactions require the consent of the majority of disinterested members of the Board of Directors.

No aforementioned transactions were entered into during the fiscal year ended November 30, 2014.

AUDIT COMMITTEE

The following is a report of the Audit Committee. The Audit Committee consists of two members, who are both independent directors and both have been deemed to be financial experts as defined in Regulation S-K, Item 407. The two independent directors comply with the definition of "independent directors" as required by current law and regulations. The Audit Committee has adopted a written Audit Charter. See Appendix I in this document for the Charter in its entirety.

Report of Audit Committee

To the Board of Directors of BAB, Inc.:

We have reviewed and discussed with management the Company's audited financial statements as of and for the fiscal year ended November 30, 2014. We ascertain that we meet the criteria as required by the SEC for independent directors.

We have discussed with Sasseti LLC, the Company's independent registered public accounting firm, the matters required to be discussed by PCAOB Auditing Standard No. 16, *Communications with Audit Committees*.

We have received and reviewed the written disclosures and the letter from Sasseti LLC required by PCAOB Rule 3526, *Communication with Audit Committees Concerning Independence*, and have discussed with Sasseti LLC its independence.

Based on the reviews and discussions referred to above, we recommend to the Board of Directors that the financial statements referred to above be included in the Company's Annual Report on Form 10-K for the fiscal year ended November 30, 2014.

Fees for audit services provided by Sasseti LLC for fiscal year 2014 amounted to \$63,400. The tax compliance services were provided by Sasseti LLC during fiscal year 2014 totaled \$12,600. We believe that the payments made to Sasseti LLC are reasonable.

We recommend to the Board of Directors that the firm of Sasseti LLC be retained for fiscal 2015 as the firm's independent registered public accounting firm.

PROPOSAL 2

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Board of Directors, upon recommendation of the Audit Committee, has appointed Sassetti LLC, an independent registered public accounting firm, to audit the financial statements of the Company for the fiscal year ending November 30, 2015. If the shareholders fail to ratify such appointment, the Board of Directors will select another firm to perform the required audit services. A representative of Sassetti LLC is expected to be present at the Meeting with the opportunity to make a statement if such representative desires to do so and is expected to be available to respond to appropriate questions. For both of the fiscal years ending November 30, 2014 and 2013, fees for audit services provided by Sassetti LLC were \$63,400. For both of the fiscal years ending November 30, 2014 and 2013, tax compliance services provided by Sassetti LLC were \$12,600.

PROPOSALS FOR FISCAL 2015 ANNUAL MEETING

It is currently anticipated that the next Meeting, for the fiscal year ending November 30, 2015 (the "2015 Annual Meeting") will be held in May, 2016. Shareholders who intend to submit proposals for inclusion in the 2015 Proxy Statement and Proxy for shareholder action at the 2015 Annual Meeting must do so by sending the proposal and supporting statements, if any, to the Company at its corporate office no later than January 05, 2016.

Additionally, if the Company receives notice of a shareholder proposal after March 22, 2016, the proposal will be considered untimely pursuant to SEC Rules 14a-4 and 14a-5(e) and the persons named in proxies solicited by the Board of Directors of the Company may exercise discretionary voting power with respect to the proposal.

AUDIT COMMITTEE CHARTER

MAY 23, 2008

I. PURPOSE

The primary function of the Audit Committee (**Committee**) is to assist the Board of Directors (**Board**) in fulfilling its oversight responsibilities by reviewing the financial reports and other financial information to be provided by the Company to any governmental body or the public, reviewing the Company's systems of accounting internal control and reviewing the Company's accounting and financial reporting processes. The Committee's primary duties and responsibilities are to:

Be directly responsible for the appointment, compensation, retention and oversight of the work of the independent registered public accounting firm (**independent auditors**) engaged for the purpose of preparing or issuing an audit report on financial statements and on internal control over financial reporting (as required), or performing other audit, review or attest services for the Company. The independent auditors report directly to the Committee.

Establish procedures for the receipt, retention and treatment of complaints regarding accounting, internal accounting controls or auditing matters, including procedures for the confidential, anonymous submission by employees of concerns regarding questionable accounting or auditing matters.

Engage independent counsel and other advisors as it deems necessary to carry out its duties.

Monitor the Company's financial reporting process and internal control system and recommend changes to the Board.

While the Committee shall have the responsibilities and powers set forth in this Charter, it shall not be the duty of the Committee to plan or conduct audits, or to determine whether the Company's financial statements are complete, accurate or in accordance with generally accepted accounting principles (**GAAP**). These are the responsibilities of the Company's management.

The Committee will primarily fulfill these responsibilities by carrying out the specific activities enumerated in Section IV of this Charter.

II. COMPOSITION

The Committee shall be comprised of at least two directors elected by the Board, each of whom shall be an independent director, as defined by current laws and regulations. All members of the Committee will be free from any relationship that, in the opinion of the Board, would interfere with the exercise of his independent judgment as a member of the Committee. All members of the Committee shall be financially literate and at least one member of the Committee shall be designated as a “financial expert” as defined by current laws and regulations. The Committee may hire independent counsel or other consultants as necessary to fulfill its duties.

The members of the Committee shall be elected by the Board at the annual meeting of the shareholders and shall serve until their successors shall be duly elected and qualified.

III. MEETINGS

The Committee shall meet at least four times annually which typically would be prior to issuance of the Company’s quarterly and annual financial statements to the public. The Committee can meet more often as circumstances dictate. Meetings may be executed by conference calls and/or via email of correspondence to/from the Company’s management and independent auditors. The Committee may ask members of management or others to attend the meetings and provide pertinent information as necessary.

IV. RESPONSIBILITIES

To fulfill its responsibilities and duties the Committee shall:

1. Review and recommend amendments to this Charter periodically as conditions dictate.

2. Recommend to the Board the selection, retention or dismissal of the independent auditors (considering independence, effectiveness and cost) and approve the fees and other compensation to be paid to the independent auditors.

3. Conduct investigations to resolve disagreements, if any, between management and the Company’s independent auditor.

4.

Edgar Filing: BAB, INC. - Form DEF 14A

Pre-approve all audit and non-audit services, including the scope and timing, fees and terms thereof, to be performed for the Company by the independent auditors to the extent required by and in the manner consistent with applicable law.

5. Review the representations made by management to the independent auditors via review of the Management Representation letter.

6. Advise the independent auditors that they are ultimately accountable to the Board of Directors and the Committee.

Review the Company's annual and quarterly financial statements as well as the reports, opinions or reviews rendered by the independent auditors in connection with such financial statements and discuss them as necessary with the Company's management and independent auditors prior to public filing.

8. Consult quarterly with the Company's management and the independent auditors as to the quality, not just the acceptability, of Company's accounting principles as applied to its financial reporting.

9. Consult annually with the independent auditors relative to the Company's internal controls.

Based on review of the annual financial statements, the accompanying Report of Independent Registered Public Accounting Firm and discussions with the independent auditors, recommend (or do not recommend) the inclusion of the annual financial statements in the Company's Annual Report on Form 10-K. As part of this review, examine the independent auditors' audit adjustments as well as the schedule of adjustments passed.

10. On an annual basis, obtain and review a formal written statement from the independent auditors disclosing relationships with and services provided to the Company which may affect their objectivity and independence.

Discuss with the independent auditors and management, the integrity of the Company's financial reporting processes, both internal and external, and oversee management's development of and adherence to a sound system of internal accounting controls over financial reporting.

11. Consider, and if appropriate, recommend to the Board changes to the Company's accounting principles and practices as suggested by the independent auditors or management.

Inquire of management and the independent auditors about the significant risks or exposures facing the Company and assess management's actions and proposals to minimize such risks and periodically review compliance with such steps.

Review with management and the independent auditors the critical accounting policies and procedures used by the Company and any alternative treatments within GAAP that have been discussed with management and the ramifications of each alternative.
