### QUESTIONS AND ANSWERS ABOUT HYDROMER'S ANNUAL MEETING AND VOTING

#### What is the purpose of the Annual Meeting?

At the annual meeting, the shareholders will elect eight directors; ratify the Company's choice of independent public accountants and act upon anything else that properly comes before the meeting. In addition, the management will give a report on the Company's performance during the fiscal year beginning July 1, 2008 and ending June 30, 2009.

#### Why Did I Receive This Proxy Statement?

We sent you this proxy statement and the enclosed proxy card because Hydromer's Board of Directors is soliciting your proxy to be used at the Annual Meeting of Shareholders on November 18, 2009, at 10:00 a.m. (ESDT), at 35 Industrial Parkway, Branchburg, NJ 08876, or at any adjournment of the meeting. This proxy statement discloses the information you need to know to vote on an informed basis. We are first mailing this proxy statement and the enclosed proxy card to shareholders on or about September 18, 2009.

#### Who Can Vote?

You are entitled to vote if you owned Hydromer common stock on the record date, which is the close of business on September 1, 2009. Each share of Hydromer common stock that you own, entitles you to one vote.

#### Who can attend the meeting?

Only shareholders of record on the close of business on the record date, or their duly appointed proxies, may attend the meeting. Registration begins at 9:30 a.m.

#### How Many Shares Of Voting Stock Are Outstanding?

On the record date, there were 4,772,318 shares of Hydromer common stock outstanding entitled to vote. Hydromer common stock is our only class of voting

## Edgar Filing: HYDROMER INC - Form DEF 14A

stock.

### What Constitutes A Quorum?

A quorum is a majority of the outstanding shares entitled to vote, which are present or represented by proxy at the meeting i.e. 2,386,160 shares. There must be a quorum for the transaction of business at the annual meeting. If you submit a properly executed proxy card, even if you abstain from voting, your shares will be considered part of the quorum. Broker non-votes (shares held by a broker or nominee that are represented at the meeting, but with respect to which the broker or nominee is not empowered to vote on a particular type of proposal) are also included in determining the presence of a quorum.

### What Am I Voting On?

1. The election of eight individuals to serve on our Board of Directors: Manfred F. Dyck, Ursula M. Dyck, Dieter Heinemann, Robert H. Bea, Dr. Maxwell Borow, Dr. Frederick L. Perl, Michael F. Ryan, Ph.D. and George A. Ziets.
2. The ratification of the selection of Rosenberg Rich Baker Berman & Company as our independent public accountants for the fiscal year beginning July 1, 2009.

3

### How Does The Board Of Directors Recommend I Vote On the Proposals?

The Board of Directors recommends a vote FOR each of the Board's nominees and FOR the appointment of Rosenberg Rich Baker Berman & Company as our independent public accountants for fiscal 2009/2010.

### How Do I Vote?

To vote by proxy you should complete, sign and date the enclosed proxy card and return it promptly in the prepaid envelope provided with this proxy statement.

To vote in person, you may attend the meeting and cast your vote in person.

### May I Revoke My Proxy?

You may revoke your proxy at any time before it is voted in either of the following ways:

1. You may submit another proxy card with a later date.
2. You may notify Hydromer's Secretary in writing before your proxy is voted that you have revoked your proxy.

### If I Plan To Attend The Meeting, Should I Still Vote By Proxy?

Whether you plan to attend the meeting or not, we urge you to vote by proxy. Returning the proxy card will not affect your right to attend the meeting, and your proxy will not be used if you are personally present at the meeting and inform the Secretary in writing prior to the voting that you wish to vote your shares in person. The Secretary will have proxy revocation forms at the meeting in case you want to revoke your proxy and vote in person.

### How Will My Proxy be Voted?

If you properly fill in your proxy card and send it to us, your proxy holder (one of the individuals named on your proxy card) will vote your shares as you have directed. If you hold shares in "street name" you should consult your broker as to his ability to vote your shares if he does not receive instructions from you. We urge you to instruct your broker on how to vote your shares, as shares held in "street name" cannot be voted directly by a shareholder. If you sign the proxy card but do not make specific choices, the proxy holder will vote your shares as recommended by the Board of Directors as follows:

- "FOR" the election of all nominees for Director, PROPOSAL I
- "FOR" ratification of the selection of independent public accountants for 2009/2010, PROPOSAL II

## Edgar Filing: HYDROMER INC - Form DEF 14A

### What Vote Is Required To Approve Proposals?

Directors are elected by a plurality of the shares voting at the meeting. If you do not vote for a particular nominee, or you indicate "withhold authority to vote" for a particular nominee on your proxy, your vote will not count either "for" or "against" the nominee. A "broker non-vote" will also have no effect on the outcome. The ratification of independent public accountants requires a majority of the votes cast.

### How Will Voting On Any Other Business Be Conducted?

Although we do not know of any business to be considered at the meeting other than the proposals described in this proxy statement, if any other business is presented at the meeting, your returned proxy gives authority to proxy holders to vote on these matters at their discretion.

## PROXY STATEMENT

This Proxy Statement, which will be mailed commencing on or about September 18, 2009 to the persons entitled to receive the accompanying Notice of Annual Meeting of Shareholders, is provided in connection with the solicitation of Proxies on behalf of the Board of Directors of HYDROMER, INC., for use at the Annual Meeting of Shareholders to be held at the Company's executive office at 35 Industrial Parkway, Branchburg, New Jersey 08876-3424 at 10 a.m., on November 18, 2009 and at any adjournment thereof, for the purposes set forth in this Notice.

At the close of business on September 1, 2009, the record date stated in the accompanying Notice, the Company had 4,772,318 outstanding shares of Common Stock without par value ("Common Stock"), each of which is entitled to one vote with respect to each matter to come before the Meeting plus the Company has 10,917 shares of Common Stock, which are Treasury Stock and not entitled to vote. The Company has no class or series of stock outstanding other than the Common Stock.

As of September 1, 2009, Manfred F. Dyck, Chairman of the Board, a Director and President of the Company, beneficially owned approximately 33.9% of the outstanding Common Stock of the Company, and his wife Ursula M. Dyck, a Director of the Company, beneficially owned 4.5% of the outstanding Common Stock. In addition, Mr. Dieter Heinemann, a Director of the Company, owned 17.1% of the outstanding Common Stock of the Company. Such ownership, totaling 55.5%, enables these three shareholders to control the outcome of any election or proposal regarding the Company's affairs.

### I. ELECTION OF DIRECTORS (Proposal I)

Eight directors will be elected at the Annual Meeting of Shareholders, each to serve for one year and until a successor shall have been duly chosen and qualified. Each director is elected by a plurality of votes cast. It is the intention of each of the persons named in the accompanying form of Proxy to vote the shares represented thereby in favor of the eight nominees listed in the following table, unless otherwise instructed in the Proxy. In case any of the nominees is unable or declines to serve, the proxy holders reserve the right to vote the shares represented by such Proxy for another person duly nominated by the Board of Directors in his or her stead or, if no other person is so nominated, to vote such shares only for the remaining nominees. The Board of Directors has no reason to believe that any person named will be unable or will decline to serve. Certain information concerning the nominees for election as directors is set forth below. They furnished such information to the Company. The Company notes that director Klaus J. H. Meckeler passed away in late 2008.

### Nominating Committee

The Company does not have a Nominating Committee as the Company's Board of Directors is of the opinion that its current practice of networking to seek out potential candidates results in Board of Director candidates who have a scientific or business background that can adequately represent the interests of the shareholders. All Directors have been re-nominated to stand for election. All candidates have accepted the nomination.

6

### Meetings and Director's Compensation

During the past fiscal year, the Board of Directors of the Company met five times. All Directors attended at least 75% of the meetings, except Mr. Ziets who has been newly nominated.

The compensation for attendance at regular/special meetings either in person or on a video link is \$1,000 per meeting. Attendance via telephone is \$200/meeting. The compensation for operational meetings is \$500/meeting.

In addition, Directors are awarded stock options pursuant to the Stock Option Plan approved on January 22, 1998, as amended (see Stock Options). Directors who waive their stock options are given \$300 for every 2,000 stock options waived. This avoids the Company of having to take an expense for the options at market value under current accounting rules. For the 2008/2009 year, all Directors waived the awarding of their stock options. No director received compensation in excess of \$1,500 for these waivers.

The highest monetary compensation paid to any director in fiscal 2008/2009 was \$6,500. (5 meetings at \$1,000 per meeting plus \$1,500 for waiving 10,000 options)

### Audit Committee

In the event any financially complex issues arise, the Audit Committee is empowered by its charter to retain or hire such independent expertise, as it deems necessary. The Audit Committee Charter is posted on the Company's web site at <http://www.hydromer.com>. The Audit committee met once. It issued the following report:
