The offering was previously announced in a Current Report on Form 8-K filed on November 4, 2014 and a press release furnished therewith.

Director Update

Previously, we reported that long-time director, Charles R. Engles, Ph.D., had informed the Company that he was considering resigning from the board of directors, in light of his association with Stillwater Mining Company, a company that produces the platinum group precious metals used in catalytic converters. Subsequent to that report, Dr. Engles has notified the Company that he plans to remain on the board of directors and also recently resigned as a director of Stillwater Mining Company.

Forward-Looking Statements

Certain statements included in this Current Report on Form 8-K (this Report) are intended as forward-looking statements. These statements include assumptions, expectations, predictions, intentions or beliefs about future events, particularly the plans of any director to remain on the board of directors of the Company. The Company cautions that actual future results may vary materially from those expressed or implied in any forward-looking statements. Specifically, the Company cannot assure you that any of its directors will remain on the board of directors for any particular length of time. Information concerning these and other factors can be found in the Company's filings with the Securities and Exchange Commission. Any forward-looking statements made in this Report speak only as of the date of this Report and, except as required by law, the Company undertakes no obligation to update any forward-looking statement contained in this Report, even if the Company's expectations or any related events, conditions or circumstances change.
