Edgar Filing: CHASE CORP - Form 8-K/A

This Form 8-K/A amends the Current Report on Form 8-K furnished by Chase Corporation (the “Company”) on November 2, 2015 (the “Original Form 8-K”).

Section 2 — Financial Information

Item 2.02 - Results of Operations and Financial Condition

On November 2, 2015, the Company furnished the Original Form 8-K and included as an exhibit thereto a Press Release, dated October 28, 2015, announcing its unaudited financial results for the quarter and year ended August 31, 2015 and related information (the “Original Earnings Release”). This Form 8-K/A is being furnished to report the final financial statements of the Company as described below.

Subsequent to the issuance of the Original Earnings Release, the Company determined an adjustment to decrease the income tax provision from \$4,472,000 to \$4,157,000 for the quarter ended August 31, 2015 and from \$15,128,000 to \$14,813,000 for the year ended August 31, 2015, was required to properly state the financial position of the Company for those periods. The adjustment is the result of the Company finalizing its tax calculations for the fiscal year. The Company plans to file its Annual Report on Form 10-K, reflecting these final adjustments, on November 16, 2015.

The reduction in tax expense results in final generally accepted accounting principles (“GAAP”) net income attributable to Chase Corporation for the quarter ended August 31, 2015 in the amount of \$8,181,000, or \$0.87 per diluted share, and final GAAP net income attributable to Chase Corporation for the year ended August 31, 2015 in the amount of \$26,318,000 or \$2.82 per diluted share. There is no change to the non-GAAP results included in the Original Earnings Release. Certain reclassifications were also made between costs of products and services sold and selling, general and administrative expenses.

The Company has revised its Original Earnings Release and the Unaudited Consolidated Statement of Operations contained therein to give effect to the adjustments described above (the “Revised Earnings Release”). The Revised Earnings Release replaces the Original Earnings Release and has been re-posted on the Company’s website. The Revised Earnings Release is furnished with this Form 8-K/A as Exhibit 99.1 and is incorporated herein by reference.

The information under this Item 2.02 of this report, including Exhibit 99.1, is being furnished under Item 2.02 and shall not be deemed to be “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (“Exchange Act”), or otherwise subject to liability of that section nor shall such information be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act, regardless of any general incorporation language in such filing, except as shall be expressly set forth by specific reference in such filing.
