SECTION 1 – REGISTRANT’S BUSINESS AND OPERATIONS

Item 1.01 Entry into a Material Definitive Agreement.

Restructuring Support Agreements

After an extensive private marketing process, beginning in August 2018, Gastar Exploration Inc. (“Gastar”) embarked on a public marketing process to try to address its balance sheet liabilities. On August 21, 2018, Gastar publicly filed a process letter that again invited proposals and informed the public how any interested party could participate and make a proposal. The process letter established the bid deadline of October 1, 2018 (the “Bid Deadline”). Gastar received three bids on the Bid Deadline, none of which provided a basis for repaying Gastar’s indebtedness described below. Gastar’s board of directors (the “Board”) determined that none of these proposals presented an actionable alternative.

In parallel with the foregoing marketing process, Gastar engaged with funds affiliated with Ares Management LLC (“Ares”) regarding a comprehensive financial restructuring transaction. On October 26, 2018, Gastar and its subsidiary (collectively, the “Company”) entered into a restructuring support agreement (the “RSA”) with (i) AF V Energy I Holdings, L.P., an affiliate of Ares (the “Consenting Term Lender”) and party to the Third Amended and Restated Credit Agreement, dated March 3, 2017 (as amended, restated, modified, or supplemented from time to time, the “Term Credit Agreement”) (ii) certain holders affiliated with Ares (the “Consenting Noteholders”) of the Company’s Convertible Notes due 2022 issued pursuant to the indenture dated March 3, 2017 (as amended, restated, modified or supplemented from time to time, the “Second Lien Indenture”), by and among Gastar, as issuer, the guarantors specified therein and Wilmington Trust, National Association, as trustee and collateral agent and (iii) certain holders affiliated with Ares (the “Ares Equity Holders” together with the Consenting Term Lender and the Consenting Noteholders, the “Consenting Parties”) of Gastar’s outstanding common shares (the “Existing Common Equity”), to support a restructuring (the “Restructuring”) on the terms set forth in the term sheet annexed to the RSA (the “Restructuring Term Sheet”). The RSA contemplates that the Company will file for voluntary relief under chapter 11 (the “Chapter 11 Cases”) of the United States Bankruptcy Code (the “Bankruptcy Code”) in a United States Bankruptcy Court (the “Bankruptcy Court”) to implement the Restructuring pursuant to a “prepackaged” plan of reorganization (the “Plan”) and the various related transactions set forth in or contemplated by the Restructuring Term Sheet, the DIP Term Sheet (defined below) and the Exit Facility Term Sheet (defined below). Shortly after entering into the RSA, the Company commenced solicitation of the Plan consistent with section 1126(b) of the Bankruptcy Code, which solicitation the Company anticipates will conclude on or about October 30, 2018. After the conclusion of such solicitation, the Company intends to commence the Chapter 11 Cases to implement the transactions contemplated by the RSA and Plan.

Pursuant to the terms of the RSA and the Restructuring Term Sheet, the Consenting Parties and other interest holders will receive treatment under the Plan summarized as follows:

- holders of claims under the DIP Facility (defined below) arising on account of the New Money Loans (defined below) will receive pro rata participation in the First Lien Exit Facility (defined below) in an amount equal to such claims arising on account of New Money Loans;
- holders of claims under the DIP Facility, other than claims arising on account of the New Money Loans, will receive (a) pro rata participation in the Second Lien Exit Facility (defined below) up to an aggregate amount of \$200 million and (b) to the extent any such claims exceed \$200 million, such excess will receive a pro rata share of 100% of the common equity in the reorganized Company (the “New Common Equity”);
- holders of claims under the Term Credit Agreement will receive (a) to the extent there is remaining availability under the Second Lien Exit Facility, pro rata participation in the Second Lien Exit Facility in an equal face amount not to exceed \$200 million and (b) to the extent any such claims remain outstanding, their pro rata share of 100% of the New Common Equity, subject to dilution upon the issuance of common stock upon exercise of the New Warrants

described below and pursuant to a new management incentive plan to be entered into at the

discretion of the board of the reorganized Company following emergence from bankruptcy (the “Management Incentive Plan”);

holders of claims under the Second Lien Indenture will receive their pro rata share of 100% of the New Common Equity, subject to dilution upon the issuance of common stock upon exercise of the New Warrants described below and pursuant to the Management Incentive Plan;

holders of claims arising out of any termination of the Company’s hedging or swap arrangements with Cargill, Inc. and NextEra Energy Marketing, LLC (collectively, the “Hedge Parties”) will receive payment in full in cash in monthly installments through December 2019 pursuant to new secured notes;

holders of claims arising pursuant to statutory liens will receive payment in full in cash in two equal installments on the effective date of the Chapter 11 Cases and six months following such date;

holders of claims arising from general unsecured obligations will receive payment in full in cash as set forth in the Plan;

subject to certain conditions, including that such holders not seek official committee status or the appointment of a trustee or examiner, or object to or otherwise oppose the consummation of the Plan, holders of Gastar’s 8.625% Series A Cumulative Preferred Stock and 10.75% Series B Cumulative Preferred Stock (collectively, the “Existing Preferred Equity”) will receive their pro rata share of warrants to purchase 2.5% of the New Common Equity; and

subject to certain conditions, including that such holders not seek official committee status or the appointment of a trustee or examiner, or object to or otherwise oppose the consummation of the Plan, holders of the Existing Common Equity will receive their pro rata share of warrants to purchase 2.5% of the New Common Equity (together with the warrants listed in the previous bullet, the “New Warrants”).

In the event that a DIP Toggle Event (as defined in the Restructuring Term Sheet) has occurred, (i) holders of claims arising from general unsecured obligations will receive a pro rata share of the New Common Equity and (ii) all Existing Preferred Equity and Existing Common Equity and Subordinated Securities Claims will be canceled, released, and extinguished without distribution. The occurrence of a DIP Toggle Event will not affect the other treatments contemplated by the RSA as listed above.

The RSA contains certain covenants on the part of each of the Company and the Consenting Parties, including limitations on the parties’ ability to pursue alternative transactions, commitments by the Consenting Parties to vote in favor of the Plan and commitments of the Company and the Consenting Parties to negotiate in good faith to finalize the documents and agreements governing the Plan. The RSA also provides for certain conditions to the obligations of the parties and for termination upon the occurrence of certain events, including without limitation, the failure to achieve certain milestones and certain breaches by the parties under the RSA.

Also on October 26, 2018, the Company and the Hedge Parties entered into that certain Hedge Party Restructuring Support Agreement (the “Hedge Party RSA”). The Hedge Party RSA and term sheet appended thereto provide for the treatment of claims held by Hedge Parties described above. The Hedge Party RSA contains certain covenants on the part of each of the Company and the Hedge Parties, including commitments by the Hedge Parties to vote in favor of the Plan and commitments of the Company and the Hedge Parties to negotiate in good faith to finalize certain documents and agreements. The Hedge Party RSA also provides for certain conditions to the obligations of the parties and for termination upon the occurrence of certain events, including without limitation, the failure to achieve certain milestones and certain breaches by the parties under the Hedge Party RSA.

Debtor-in-Possession Financing

In connection with the Chapter 11 Cases, certain Consenting Parties and/or their affiliates have agreed to provide, on a committed basis, the Company with superpriority debtor-in-possession financing (the “DIP Facility”) on the terms set forth in the term sheet attached to the RSA (the “DIP Term Sheet”). The DIP Term Sheet provides that, among other things:

• the DIP Facility shall be comprised of term loans in an aggregate amount of approximately \$383.9 million, consisting of \$100 million of new money loans (the “New Money Loans”) and approximately \$283.9 million of refinanced term loan obligations outstanding under the Term Credit Agreement;

• upon entry of and subject to a Bankruptcy Court order granting interim approval of the DIP Facility and subject to the satisfaction or waiver of additional conditions precedent, up to \$15 million of the New Money Loans (the “Interim DIP Tranche”) may be drawn by the Company upon three business days’ notice in one or more draws in an amount that is not less than \$2.5 million for the initial draw and not less than \$500,000 for each subsequent draw (or, if less, the entire amount of the unused balance of the Interim DIP Tranche);

• upon entry of and subject to a Bankruptcy Court order granting final approval (the “Final Order”) of the DIP Facility, and subject to the satisfaction or waiver of additional conditions precedent and an approved budget, up to \$100 million of New Money Loans, minus any amounts of New Money Loans previously drawn by the Company prior to such date (the resulting amount, the “Final DIP Tranche”) may be drawn by the Company upon three business days’ notice in one or more draws in an amount not less than \$500,000 for each draw (or, if less, in the entire amount of the unused balance of the Final DIP Tranche);

• upon entry of and subject to the Final Order and subject to the satisfaction or waiver of additional conditions precedent, including the Company having demonstrated to the reasonable satisfaction of the DIP Lenders acting in good faith, the bona fide need for additional liquidity to preserve lease operating rights in response to actions taken or proposed to be taken by third parties, an amount equal to \$100 million minus the amount of New Money Loans previously drawn by the Company prior to such date (the resulting amount, the “Reserve DIP Tranche”) may be drawn by the Company upon three business days’ notice in one or more draws in an amount not less than \$500,000 for each draw (or, if less, in the entire amount of the unused balance of the Reserve DIP Tranche); and

• subject to entry of the Final Order, approximately \$283.9 million in outstanding term loan obligations consisting of principal and accrued and unpaid interest under the Term Credit Agreement as of the date of the commencement of the Chapter 11 Cases will be repaid from the loans (not constituting New Money Loans) funded under the DIP Facility.

The DIP Facility is subject to approval by the Bankruptcy Court, which has not been obtained at this time. The foregoing description of the DIP Term Sheet does not purport to be complete and is qualified in its entirety by reference to the final, executed documents memorializing the DIP Facility, as approved by the Bankruptcy Court.

Exit Financing

In connection with the Chapter 11 Cases, certain Consenting Parties and/or their affiliates have agreed to provide, on a committed basis, the Company with an exit financing term loan facility (the “Exit Facility”) on the terms set forth in the term sheet attached to the RSA (the “Exit Facility Term Sheet”). The Exit Facility Term Sheet provides for, among other

things, (a) a \$100 million secured delayed draw term loan facility (the “First Lien Exit Facility”) comprised of (i) term loans consisting of New Money Loans funded under the DIP Facility and deemed funded under the First Lien Exit Facility on the effective date of the Plan

and (ii) term loan commitments consisting of an amount equal to any undrawn commitment under the DIP Facility and (b) a secured term loan facility (the “Second Lien Exit Facility”) comprised of up to \$200 million (as may be reduced by the Exit Lenders in their sole discretion on or prior to the effective date of the Plan), in aggregate principal amount of term loans deemed funded on the effective date of the Plan and consisting of DIP Claims and Term Loan Claims (each as defined in the RSA), as applicable (the loans under the First Lien Exit Facility and the Second Lien Exit Facility, collectively, the “Exit Loans”). The Exit Loans may not be reborrowed once repaid.

The Exit Facility is subject to customary closing conditions and approval by the Bankruptcy Court, which has not been obtained at this time. The foregoing description of the Exit Facility Term Sheet does not purport to be complete and is qualified in its entirety by reference to the final, executed documents memorializing the Exit Facility, as approved by the Bankruptcy Court.

Although the Company intends to pursue the restructuring in accordance with the terms set forth in the RSA, there can be no assurance that the Company will be successful in completing a restructuring or any other similar transaction on the terms set forth in the RSA, on different terms or at all.

The foregoing descriptions of the RSA, including the Restructuring Term Sheet the DIP Term Sheet and the Exit Facility Term Sheet attached thereto, and the Hedge Party RSA, are qualified by reference to the full text of such agreements, copies of which are filed herewith as Exhibit 10.1 and 10.2, respectively, and are incorporated herein by reference.

5.01. Commitment of the Consenting Parties.

(a) From the Agreement Effective Date until the occurrence of a Termination Date (as defined in Section 12.05) applicable to the Consenting Parties, each of the Consenting Parties agrees (on a several but not joint basis) to:

(i) to the extent permitted to vote to accept or reject the Plan (and subject to the actual receipt by such Consenting Party of the Disclosure Statement and the Solicitation Materials, in each case, approved by the Bankruptcy Court as containing “adequate information” as such term is defined in section 1125 of the Bankruptcy Code), vote each of its claims against the Company (including each of its Term Loan Claims, Second Lien Claims, and any other claims against the Company (such claims the “Debtor Claims”)) and any interests in the Company (such interests, the “Debtor Interests” and collectively with the Debtor Claims, the “Debtor Claims/Interests”) to accept the Plan by delivering its duly executed and completed ballot(s) accepting the Plan on a timely basis;

(ii) negotiate in good faith the Definitive Documents and use reasonable best efforts to take any and all necessary and appropriate actions in furtherance of the Restructuring Transaction, the Plan and this Agreement;

(iii) use reasonable best efforts to support and take all actions necessary or appropriate to facilitate the solicitation, confirmation and consummation of the Restructuring Transaction and the Plan;

(iv) consent to and use reasonable best efforts to support the release, discharge, exculpation, and injunction provisions contained in the Definitive Documents and, if applicable, not “opt out” of such provisions in the Plan;

(v) not (A) object to or join in any objection to, and use reasonable best efforts to support approval of the Solicitation Materials, the Disclosure Statement Order, the DIP Orders, and the Confirmation Order, or (B) file any motion, pleading, or other document with the Bankruptcy Court or any other court (including any modifications or amendments thereof) that is not materially consistent with this Agreement or the Plan;

(vi) not change or withdraw (or cause to be changed or withdrawn) any vote(s) to accept the Plan. However, if a Termination Date occurs before consummation of the

Restructuring Transaction, to the greatest extent permitted by law, all votes tendered by such Consenting Parties to accept the Plan shall be immediately revoked and deemed void ab initio in accordance with Section 12;

(vii)not (A) object to, delay, impede, or knowingly take any other action to interfere with the acceptance, implementation, or consummation of the Restructuring Transaction, (B) propose, file, support, or vote for any actual or proposed transaction involving any or all of (1) another financial and/or corporate restructuring of the Company, (2) the issuance, sale, or other disposition of any equity or debt interests, or any material assets, of the Company, or (3) a merger, acquisition, disposition, consolidation, business combination, joint venture, liquidation, dissolution, winding up, assignment for the benefit of creditors, recapitalization, refinancing, or similar transaction involving the Company, other than the Restructuring Transaction (each, an “Alternative Transaction”), or (C) support, encourage or direct any other person or entity to take any action prohibited by either (A) or (B) of this Section 5.01(a)(vii).

(b)Notwithstanding the foregoing, nothing in this Agreement and neither a vote to accept the Plan by any Consenting Party nor the acceptance of the Plan by any Consenting Party shall: (i) be construed to prohibit any Consenting Party from contesting whether any matter, fact, or thing is a breach of, or is inconsistent with, this Agreement or the other Definitive Documents, complying with applicable law, or exercising any rights (including any consent and approval rights contemplated under this Agreement or the other Definitive Documents) or remedies specifically reserved in this Agreement or the other Definitive Documents; (ii) be construed to prohibit or limit any Consenting Party from appearing as a party-in-interest in any matter to be adjudicated in the Chapter 11 Cases, so long as, during the period from the Agreement Effective Date until the occurrence of a Termination Date (as defined in Section 12.05) applicable to any Party (the “Effective Period”), such appearance and the positions advocated are not inconsistent with this Agreement; or (iii) impair or waive the rights of any Consenting Party to assert or raise any objection permitted under this Agreement in connection with any hearing on confirmation of the Plan or in the Bankruptcy Court. For the avoidance of doubt, any delay or other effect on consummation of the Restructuring Transaction contemplated by the Plan caused by a Consenting Party’s opposition to: (x) any relief that is inconsistent (other than to a de minimis extent, but, in no event, if adverse to the Company Parties) with such Restructuring Transaction; (y) a motion by the Company to enter into, amend, modify, assume or reject an executory contract, lease, or other arrangement outside of the ordinary course of its business without obtaining the prior written consent of the Consenting Parties; or (z) any relief that is adverse to the interests of the Consenting Parties sought by the Company (or any other party) in violation of this Agreement, shall, in each case, not constitute a violation of this Agreement.

5.02.Commitment of the Company.

(a)From the Agreement Effective Date until the occurrence of a Termination Date applicable to the Company, the Company Parties agree, and agree to cause any of their direct and indirect subsidiaries to:

(i)negotiate in good faith all Definitive Documents and take any and all necessary and appropriate actions in furtherance of the Restructuring Transaction, the Plan, and

this Agreement, including, but not limited to, the timely filing of the Plan, the Disclosure Statement, and any other pleadings or documents necessary to obtain confirmation of the Plan and approval of the Disclosure Statement with the Bankruptcy Court, the submission of verified declarations and other customary evidence in support of confirmation of the Plan and approval of the Disclosure Statement, and making available any expert witnesses and key management of the Company for any and all proceedings involving the Plan and Disclosure Statement;

(ii) seek orders of the Bankruptcy Court in respect of the Restructuring Transaction, including approval of the Solicitation Materials, the Disclosure Statement Order, the DIP Orders, and the Confirmation Order;

(iii) support and seek to consummate the Restructuring Transaction in accordance with this Agreement within the time-frames contemplated under this Agreement and in compliance with each Milestone.

(iv) negotiate, execute and deliver any other agreements necessary to effectuate and consummate the Restructuring Transaction;

(v) use reasonable best efforts to obtain any and all regulatory and/or third party approvals necessary or appropriate in connection with the Restructuring Transaction. For the avoidance of doubt, for purposes of the foregoing sentence and Section 12.02(c), “reasonable best efforts” with respect to an undertaking means the obligation to take all actions that a reasonable person desirous of achieving the result in question would use in similar circumstances to achieve such result as expeditiously as practicable, and shall include, without limitation, the obligation to incur costs, expend resources, engage advisors of recognized standing, and instruct such advisors to take all reasonable actions necessary or advisable to attain the applicable result that is the object of the undertaking in question;

(vi) pay the reasonable and documented fees and expenses of the Consenting Parties as set forth in Section 13 of this Agreement;

(vii) timely file an objection with the Bankruptcy Court to any motion filed with the Bankruptcy Court by a party seeking the entry of an order: (1) directing the appointment of a trustee or examiner (with expanded powers beyond those set forth in section 1106(a)(3) and (4) of the Bankruptcy Code); (2) converting any of the Chapter 11 Cases to a case under chapter 7 of the Bankruptcy Code; (3) dismissing any of the Chapter 11 Cases; or (4) modifying or terminating the Company’s exclusive right to file and/or solicit acceptances of a plan of reorganization, as applicable;

(viii) support and use commercially reasonable efforts to consummate the DIP Facility pursuant to the DIP Orders and the DIP Loan Documents (including the refinancing of the Term Loans with the DIP Loans);

(ix) timely file a formal objection, in form and substance acceptable to the Consenting Parties, to any motion, application, or adversary proceeding: (A) challenging the validity, enforceability, perfection, or priority of, or seeking avoidance or subordination of, any portion of the Term Loan Claims or Second Lien Claims; or (B) asserting any other cause of

action against and/or with respect or relating to such claims or the perpetuation liens securing such claims;

(x) to the extent that any legal or structural impediment arises that would prevent, hinder, or delay the consummation of the transactions contemplated in this Agreement or the Plan, negotiate in good faith appropriate additional or alternative provisions to address any such impediment that are consistent with this Agreement or otherwise acceptable to the Consenting Parties;

(xi) if the Company knows of a breach by any Company Party in respect of any of the obligations, representations, warranties, or covenants of the Company set forth in this Agreement, furnish prompt written notice (and in any event within two (2) calendar days of such knowledge) to the Consenting Parties and promptly take all reasonably available remedial action necessary to cure such breach by any such Company Party;

(xii) in consultation with the Consenting Parties, timely file a formal response to any motion or other pleading filed with the Bankruptcy Court by any party objecting to approval of the Solicitation Materials, the Disclosure Statement Order, the DIP Orders, the Confirmation Order, or any other Definitive Documents contemplated under this Agreement;

(xiii) operate their business in the ordinary course, taking into account the Restructuring Transaction;

(xiv) not enter into an executory contract, lease, or other arrangement outside of the ordinary course of its business without obtaining the prior written consent of the Consenting Parties;

(xv) not assume or reject any executory contract or unexpired lease without obtaining the prior written consent of the Consenting Parties.

(xvi) (A) not modify, amend, supplement, waive any portion of, or terminate the Plan or any other Definitive Documents, in whole or in part, in a manner inconsistent (other than to a de minimis extent, but, in no event, in a manner adverse to the Company Parties) with this Agreement, subject to Section 14 of this Agreement, and (B) take any and all reasonably necessary and appropriate actions in furtherance and support of the effectuation of the transactions contemplated by, and the performance of the terms set forth in, the Hedge RSA (including, without limitation, by complying with the obligations of the Company Parties under the Hedge RSA and seeking to cause the other parties to the Hedge RSA to satisfy their respective obligations under such agreement); and

(xvii) not directly or indirectly: (A) delay, impede, or take any other action to interfere with the acceptance, implementation, or consummation of the Restructuring Transaction, or otherwise take any action which would, or which would reasonably be expected to, breach or be inconsistent with this Agreement; or (B) support, encourage or direct any other person or entity to take any action referred to in this Section 5.02(a)(xvii).

(b)Notwithstanding the foregoing Section 5.02(a) or any other provision of this Agreement, without limiting the rights and obligations of the Parties under Section 12 (including, without limitation, the Company's termination rights under Section 12.02):

(i)Whether or not expressly so provided in this Agreement, the Company shall:

- (A) promptly keep the Consenting Parties fully informed of, and reasonably consult with the Consenting Parties with respect to: (1) the status and satisfaction of (or failure to satisfy) each Milestone; (2) any proposal, offer or expression of interest the Company receives for an Alternative Transaction; (3) any negotiations or discussions described in clauses (A), (B), or (C) of the final proviso of Section 5.02(b)(ii); and (4) any proposed budget, business plan, forecast, projection or valuation of, or relating to, the Company;
- (B) promptly (and, in any event, within one (1) business day) notify counsel to the Consenting Parties of the Company's receipt of any proposal, offer or expression of interest regarding any Alternative Transaction or any proposal, offer, or expression of interest from any Qualifying Prospective Bidder (as defined below). Any such notice shall include the material terms of such proposal, offer or expression of interest, including the identity of the person or group of persons involved, any written documentation evidencing such proposal, offer or expression of interest and any other information received relating to such proposal, offer or expression of interest; and
- (C) promptly (and, in any event, within one (1) business day) inform counsel to the Consenting Parties of (x) any determination by the Company's board of directors (the "Board") (I) pursuant to Section 12.02(b) that its continued support of the Restructuring Transaction would be a breach of its fiduciary duties under applicable law; or (II) pursuant to Section 5.02(c) that it is entitled to take any material action inconsistent with this Agreement or that it is entitled to refrain from taking any material action required by this Agreement with respect to the Restructuring Transaction as a result of applicable law or applicable fiduciary obligations under applicable law or (y) any material changes to any of the matters contemplated in clauses (A) and (B) of this Section 5.02(b)(i) (the foregoing matters contemplated in this Section 5.02(b)(i) collectively, the "Information Sharing and Consultation Rights");

For purposes of Section 5.02(b)(i)(A), "promptly" shall mean at least three (3) business days in advance of the Company failing to attain any Milestone, the occurrence of any relevant

development, acting or omitting to act with respect to any applicable matter or making any applicable decision or determination.

(ii) Immediately upon the Petition Date and thereafter, the Company: shall not (x) propose, file, seek, solicit, or support any Alternative Transaction, (y) induce or initiate any proposal, offer or expression of interest from any person or entity, or (z) enter into any agreement with, provide or otherwise make available any due diligence information (including, without limitation, through the provision of data site access) concerning the Company to, or engage in or continue any discussions or negotiations with, any person or entity concerning any Alternative Transaction, except as set forth in this Agreement. Notwithstanding the foregoing:

(A) The Company shall be entitled to at any time to engage in any discussions or negotiations with any creditor or shareholder of the Company regarding any matter. However, any such creditor or shareholder must have entered into a non-disclosure agreement or otherwise be subject to a confidentiality obligation to the Company no less restrictive than the obligation imposed by the non-disclosure agreement in effect with the Consenting Parties. Any such discussions or negotiations shall be subject to the Information Sharing and Consultation Rights. In addition, notwithstanding the foregoing, in the event that any such discussions or negotiations relate to an Alternative Transaction, such discussions or negotiations shall in all respects be subject to the introductory paragraph of this Section 5.02(b)(ii), sub-clause (B) of this Section 5.02(b)(ii) and clauses (iii) and (iv) of this Section 5.02(b).

(B) Immediately upon the Petition Date and thereafter, the Company shall be entitled to engage in any discussions or negotiations with, including providing data site access and due diligence information concerning the Company to, any party from which the Company receives a proposal, offer or expression of interest with respect to an Alternative Transaction after the Petition Date, only if the Company reasonably believes it is reasonably likely that (A) such party will make an unconditional proposal (other than any required regulatory and/or court approvals) that is of higher value from the perspective of the Company's stakeholders than the Restructuring Transaction (a "Potentially Superior Proposal") and (B) failure to further engage with such party in respect of such proposal, offer, or expression of interest would be inconsistent with the fiduciary duties of the directors then serving on the Board or applicable law (the foregoing parties, the "Qualifying Prospective Bidders").

(iii) If the Company receives a Potentially Superior Proposal that did not result from a breach of Section 5.02(b) of this Agreement, then the Company may terminate this Agreement pursuant to Section 12.02(b) of this Agreement and enter into a definitive agreement with respect to such Potentially Superior Proposal. However, prior to any such termination: (A) the Company must provide the Consenting Parties with reasonable advance written notice

(and, in any event, such notice shall be provided to the Consenting Parties not less than four (4) business days in advance) of the Company's intent to so terminate this Agreement; (B) the Company shall negotiate in good faith with the Consenting Parties, to the extent the Consenting Parties wish to negotiate, with respect to any revisions to the terms of the Restructuring Transaction contemplated by this Agreement proposed by the Consenting Parties; and (C) in determining whether it may still under the terms of this Section 5.02 terminate this Agreement, the Board shall take into account any changes to the terms of the Restructuring Transaction proposed by the Consenting Parties and any other information provided by the Consenting Parties in response to such notice during such five business day period. Any amendment to the financial terms or conditions or other material terms of any such Potentially Superior Proposal will be deemed to be a new Potentially Superior Proposal for purposes of this Section 5.02(b), including with respect to the notice period referred to in this Section 5.02(b), except that the four (4) business day period shall be three (3) business days for such purposes.

(iv) The Company shall not enter into any confidentiality or other agreement with, or subject itself to any confidentiality or other obligation in favor of, a party interested in an Alternative Transaction unless such party consents to the Company identifying and providing to counsel to the Consenting Parties (under a reasonably acceptable confidentiality agreement) the information contemplated under this Section 5.02(b).

(c) Nothing in this Agreement shall require the Company, the Board or any other person or entity, after consulting with external counsel, to take any action or to refrain from taking any action with respect to the Restructuring Transaction to the extent taking or failing to take such action would be inconsistent with applicable law or its fiduciary obligations under applicable law. Provided the Board is acting consistent with its fiduciary obligations, any such action or inaction pursuant to this Section 5.02(c) shall not be deemed to constitute a breach of this Agreement.

5.03. Corporate Structuring Transactions. Notwithstanding anything to the contrary in this Agreement, the Company shall reasonably cooperate with the Consenting Parties to structure the Restructuring Transaction (x) in a tax-efficient manner designed to preserve the Company's favorable tax attributes for the benefit of the Company, as reorganized, and the new equity holders of the Company following the consummation of the Restructuring Transaction and (y) to enable the Company or its successor to emerge on the effective date of the Plan (the "Effective Date") in the organizational form, and with the tax structure and tax elections, requested or consented to by the Consenting Parties. Without limiting the foregoing, and subject to the prior consent of or at the express direction of the Consenting Parties, such tax related structuring may be effectuated through one or more of the following means (or such other means requested or consented to by the Consenting Parties): (a) on or prior to the Effective Date, the Company may effectuate internal corporate reorganizations (i) to preserve and/or house in a holding entity the Company's favorable tax attributes, including, without limitation, the Company's net operating losses, (ii) to contribute certain of the Company's assets, or the assets of any other Company Party, to one or more subsidiaries, (iii) to convert into, transfer its assets to or cause the equity interests in it to be transferred to, in each case, a limited liability company or a limited partnership, and/or (iv) as a result of which the Consenting Parties hold a portion of their equity interests in the reorganized Company through a corporation (the "Corporation") and another portion of such equity interests through a limited liability company or a limited partnership and

(y) the New Warrants (as defined in the Term Sheet) are issued by the Corporation; (b) on or prior to the Agreement Effective Date, the Consenting Second Lien Noteholders may sell or assign their Second Lien Claims (or the rights to receive the new common stock that such holders would receive under the Plan on account of such Second Lien Claims) to third-party investors, subject to the terms of this Agreement; and (c) on or after the Agreement Effective Date, the Company may issue new preferred equity or common equity to third-party investors.

Section 6. Transfer of Debtor Claims/Interests.

(a) During the Effective Period, no Consenting Party shall sell, assign, transfer, permit the participation in, or otherwise dispose of (each, a “Transfer”) any ownership (including any beneficial ownership³) in the Debtor Claims/Interests to any party (other than to an Investment Affiliate⁴ of such Consenting Party or to an entity that is controlled by or is under common control with such Consenting Party), unless the intended transferee executes and delivers to counsel to the Company and counsel to the Consenting Parties on the terms set forth below an executed form of the transfer agreement in the form attached to this Agreement as Exhibit B (a “Transfer Agreement”) (a transferee that satisfies such requirements, a “Permitted Transferee,” and such Transfer, a “Permitted Transfer”):

(b) Notwithstanding Section 6(a): (i) the foregoing provisions shall not preclude a Consenting Party from settling or delivering securities or bank debt that would otherwise be subject to the terms of this Agreement to settle any confirmed transaction pending as of the date of such Party’s entry into this Agreement (subject to compliance with applicable securities laws and it being understood that such securities or bank debt so acquired and held (i.e., not as a part of a short transaction) shall be subject to the terms of this Agreement; and (ii) a Qualified Marketmaker⁵ that acquires any Debtor Claims/Interests subject to this Agreement shall not be required to execute and deliver to counsel a Transfer Agreement in respect of such Debtor Claims/Interests if (A) such Qualified Marketmaker transfers such Debtor Claims/Interests (by purchase, sale, assignment, participation, or otherwise) within five (5) business days of its acquisition to a transferee that is an entity that is not an Affiliate, affiliated fund, or affiliated entity with a common investment advisor; (B) the transferee otherwise is a Permitted Transferee (including, for the avoidance of doubt, the requirement that such transferee execute a Transfer Agreement); and (C) the transfer otherwise is a Permitted Transfer.

³ As used in this Agreement, the term “beneficial ownership” means the direct or indirect economic ownership of, and/or the power, whether by contract or otherwise, to direct the exercise of the voting rights and the disposition of, the Debtor Claims/Interests or the right to acquire such claims or interests.

⁴ As used in this Agreement, “Investment Affiliate” means and refers to any entity that (x) is organized by a holder of Debtor Claims/Interests or an affiliate thereof for the purpose of making equity or debt investments in one or more companies and/or is managed by, controlled by, or under common control with, a holder of Debtor Claims/Interests or an affiliate thereof, (y) is an “accredited investor” within the meaning of Rule 501(a)(1), (3) or (7) of Regulation D promulgated under the Securities Act and (z) is not a disqualified person under Rule 506(d) of Regulation D promulgated under the Securities Act.

⁵ As used in this Agreement, the term “Qualified Marketmaker” means an entity that holds itself out to the public or the applicable private markets as standing ready in the ordinary course of business to purchase from customers and sell to customers claims of the Company (or enter with customers into long and short positions in claims against the Company), in its capacity as a dealer or market maker in claims against the Company.

(c) This Agreement shall in no way be construed to preclude any Consenting Party from acquiring additional Debtor Claims/Interests or effecting a Transfer of all or a portion of its Debtor Claims/Interests to an Investment Affiliate of such Consenting Party or an entity controlled by or under common control with such Consenting Party. However:

(i) any such Consenting Party or entity that acquires Debtor Claims/Interests, as applicable, after the Agreement Effective Date shall promptly notify counsel to the Company of such acquisition including the amount of such acquisition, who shall then promptly notify counsel to the Consenting Parties; and (ii) such Debtor Claims/Interests shall automatically and immediately upon acquisition by such Consenting Party or entity, as applicable, be deemed subject to the terms of this Agreement (regardless of when or whether notice of such acquisition is given to the Company or counsel to the Consenting Parties) and subsequent Transfers shall be subject to this Section 6.

(d) Upon the completion of any Transfer of Debtor Claims in accordance with this Section 6, the transferee shall be deemed a Consenting Party under this Agreement with respect to such transferred rights, obligations and claims and the transferor of such Debtor Claims shall be deemed to relinquish its rights and claims (and be released from its obligations under this Agreement) with respect to such transferred Debtor Claims.

(e) Any Transfer of any Debtor Claims/Interests made in violation of this Section 6 shall be void ab initio and of no force and effect and shall not create any obligation or liability of any Consenting Party or the Company to the purported transferee.

Section Representations and Warranties of Consenting Parties. Each Consenting Party, severally, and not jointly,

7. represents and warrants for itself and not any other person or entity that the following statements are true, correct, and complete, to the best of its actual knowledge, as of the date of this Agreement:

(a) it is the beneficial owner of the face amount of the Debtor Claims/Interests, or is the nominee, investment manager, or advisor for beneficial holders of the Debtor Claims/Interests, as reflected on such Consenting Party's signature page to this Agreement (such Debtor Claims/Interests, the "Owned Debtor Claims/Interests");

(b) such Debtor Claims/Interests are free and clear of any pledge, lien, security interest, charge, claim, equity, option, proxy, voting restriction, right of first refusal, or other limitation on disposition, transfer, or encumbrances of any kind, that would materially and adversely affect such Consenting Parties' ability to perform any of its obligations under this Agreement at the time such obligations are required to be performed;

(c) it has the full power and authority to act on behalf of, vote, and consent to matters concerning the Owned Debtor Claims/Interests;

(d) it is either (i) a qualified institutional buyer as defined in Rule 144A of the Securities Act, (ii) an institutional accredited investor (as defined in Rule 501(a)(1), (2), (3), or (7) under the Securities Act of 1933, as amended (the "Securities Act"), (iii) a Regulation S non-U.S. person, or (iv) the foreign equivalent of (i) or (ii) above.

Section Representations and Warranties of the Company. Each Company Party, severally, and not jointly, represents and warrants for itself and not any other person or entity that the following statements are true, correct, and complete, to the best of its actual knowledge, as of the date of this Agreement and as of the Effective Date:

(a) none of the Company Parties or any of their subsidiaries is in violation or default of: (i) any provision of its respective organizational documents; (ii) the terms of any material indenture, contract, lease, mortgage, deed of trust, note agreement, loan agreement or other agreement, obligation, condition, covenant or instrument to which it is a party or bound or to which its property is subject; or (iii) any statute, law, rule, regulation, judgment, order or decree applicable to the Company or any of its subsidiaries of any court, regulatory body, administrative agency, governmental body, arbitrator or other authority having jurisdiction over the Company or such subsidiary or any of its properties, as applicable, in any material respect;

(d) all employment and other agreements providing any party with a right to payment under the CIC Severance Plan have been duly terminated; and

(e) except as disclosed in the Company's periodic reports filed with the Securities and Exchange Commission or as set forth on Schedule 1 to this Agreement, no Company Party has any material contingent liabilities, non-compete agreements, MFN agreements, continuing indemnification obligations or other material obligations (aside from the Hedge Obligations or those obligations under the Second Lien Notes or the Term Credit Agreement) that would be accelerated, or rights that would be lost, upon the occurrence of a change of control or the commencement of the Chapter 11 Cases.

Section Mutual Representations and Warranties. Each (i) Consenting Party, severally, and not jointly, and (ii) Company Party, on a joint and several basis, represents and warrants for itself and not any other person or entity that the following statements are true, correct, and complete, to the best of its actual knowledge, as of the date of this Agreement:

9.01. Enforceability. It is validly existing and in good standing under the laws of the state of its organization. This Agreement is a legal, valid, and binding obligation of such Party, enforceable against it in accordance with its terms, except as enforcement may be limited by applicable laws relating to or limiting creditors' rights generally or by equitable principles relating to enforceability.

9.02. No Consent or Approval. Except as expressly provided in this Agreement, the Plan, the Restructuring Term Sheet, or the Bankruptcy Code, no consent or approval is required by any other person or entity in order for it to effectuate the Restructuring Transaction contemplated by, and perform the respective obligations under, this Agreement.

9.03.Power and Authority. Except as expressly provided in this Agreement and subject to applicable law, it has all requisite corporate or other power and authority to enter into, execute, and deliver this Agreement and to effectuate the Restructuring Transaction contemplated by, and perform its respective obligations under, this Agreement. Each of the Definitive Documents will be duly authorized and, assuming due authorization, execution and delivery of such Definitive Document by the other parties to such Definitive Document, when executed and delivered by each Party, will constitute a legal, valid, binding instrument enforceable against the Parties in accordance with its terms (subject, as to enforcement of remedies, to applicable bankruptcy, reorganization, insolvency, moratorium or other laws affecting creditors' rights generally from time to time in effect and to general principles of equity).

9.04.Governmental Consents. Except as expressly set forth in this Agreement and with respect to the Company's execution and performance of this Agreement (and subject to any necessary Bankruptcy Court approval, if applicable, and/or regulatory approvals associated with the Restructuring Transaction), the execution, delivery, and performance by it of this Agreement does not, and shall not, require any registration or filing with consent or approval of, or notice to, or other action to, with or by, any federal, state, or other governmental authority or regulatory body.

9.05.No Conflicts. The execution, delivery, and performance of this Agreement does not and shall not: (a) conflict with any provision of law, rules, or regulations applicable to it or any of its subsidiaries in any material respect; (b) conflict with, breach, or result in a default under its certificate of incorporation, bylaws, or other organizational documents or those of any of its subsidiaries; or (c) conflict with, breach, or result in a default under any contractual obligation to which it is a party, which conflict, breach, or default, would have a material adverse effect on the Restructuring Transaction.

9.06.Fiduciary Duties. It has no actual knowledge of any event that, due to any fiduciary or similar duty to any other person or entity, would prevent it from taking any action required of it under this Agreement.

9.07.Other Representations. It has sufficient knowledge and experience to evaluate properly the terms and conditions of the Restructuring Term Sheet, the Plan, and this Agreement. It has been afforded the opportunity to consult with its legal and financial advisors with respect to its decision to execute this Agreement, and it has made its own analysis and decision to enter into this Agreement and otherwise investigated this matter to its full satisfaction.

Section Acknowledgement. Notwithstanding any other provision in this Agreement, this Agreement is not and shall

10. not be deemed to be an offer with respect to any securities or solicitation of votes for the acceptance of a plan of reorganization for purposes of sections 1125 and 1126 of the Bankruptcy Code or otherwise. Any such offer or solicitation will be made only in compliance with all applicable securities laws and provisions of the Bankruptcy Code. The Company will not solicit acceptances of any Plan from Consenting Parties in any manner inconsistent with the Bankruptcy Code or applicable bankruptcy law.

Section 11. Cooperation and Support.

(a)The Company shall provide the Consenting Parties with reasonable advance notice of and an opportunity to review and comment on all Definitive Documents and any related notices and instruments. Such Definitive Documents shall be subject to the consent and approval rights of the Company and the Consenting Parties set forth in Section 3 of this Agreement.

(b)At least five (5) days before the date on which the Company commences the Chapter 11 Cases in accordance with the terms of the Restructuring Term Sheet and this Agreement, the Consenting Parties shall be furnished with and have a reasonable opportunity to review and comment on the Company's drafts of the first-day pleadings (the "First Day Pleadings"). The Company shall use commercially reasonable efforts to incorporate any comments of the Consenting Parties to the First Day Pleadings.

(c)Additionally, during the Effective Period, the Company will use commercially reasonable efforts to provide draft copies of any additional process letters as well as all material motions, pleadings, and documents other than the First Day Pleadings that the Company intends to file with the Bankruptcy Court, in each case, to counsel to the Consenting Parties at least two (2) days before the date on which Company intends to distribute or file such materials. To the extent such documents do not constitute Definitive Documents (which shall be subject to the consent and approval rights of the Company and the Consenting Parties as set forth in Section 3 of this Agreement), the Company shall consult in good faith with, and reasonably consider for incorporation any comments of, counsel to the Consenting Parties regarding the form and substance of such documents.

(d)The Company shall: (i) promptly (and, in any event, within five (5) business days) provide to the Consenting Parties' advisors timely, accurate and complete responses to all reasonable due diligence requests, including those relating to the Consenting Parties' evaluation of the Company's assets, liabilities, operations, businesses, finances, strategies, prospects, and affairs; and (ii) promptly (and, in any event, within three (3) business days) notify counsel to the Consenting Parties of any governmental or third party litigations, investigations, regulatory actions or hearings against or involving any of the Company Parties.

Section 12. Termination Events.

12.01.Consenting Party Termination Events. So long as the Consenting Parties have not failed to perform or comply in all material respects with the terms and conditions of this Agreement (unless such failure is the result of any act, omission or delay on the part of any Company Party in violation of its obligations under this Agreement), this Agreement may be terminated by the Consenting Parties pursuant to this Section 12.01 upon prior written notice delivered in accordance with Section 16.09 of this Agreement, upon the occurrence and continuation of any of the following events (each, a "Consenting Party Termination Event"):

(a)the failure to meet any of the Milestones unless: (i) such failure is the result of any act, omission, or delay on the part of the Consenting Parties in material violation of their obligations under this Agreement; or (ii) such Milestone previously has been waived by the Consenting Parties in accordance with Section 4;

(b)the occurrence of any act, event or omission that provides the Consenting Parties with a termination right specified in the Restructuring Term Sheet;

(c)the occurrence of a breach (other than a de minimis breach, but, in no event, a breach that is adverse to the Company Parties) of this Agreement by any Party other than the Consenting Parties. However, if such breach is capable of being cured, the breaching Party shall have ten (10) calendar days following written notice from the Consenting Parties of the occurrence thereof to cure such breach;

(d)the issuance by any governmental authority, including any regulatory authority, the Bankruptcy Court, or another court of competent jurisdiction, of any injunction, judgment, decree, charge, ruling, or order that, in each case, would have the effect of preventing consummation of all or a material portion of the Restructuring Transaction. However, the Company shall have thirty (30) calendar days after issuance of such injunction, judgment, decree, charge, ruling, or order to obtain relief that would allow consummation of the Restructuring Transaction in a manner that does not prevent or diminish in a material way compliance with the terms of this Agreement;

(e)the (i) conversion of one or more of the Chapter 11 Cases of the Company Parties to a case under chapter 7 of the Bankruptcy Code, (ii) dismissal of one or more of the Chapter 11 Cases of the Company Parties, unless such conversion or dismissal, as applicable, is made with the prior written consent of the Consenting Parties, or (iii) appointment of a trustee, receiver, or examiner with expanded powers beyond those set forth in section 1106(a)(3) or (4) of the Bankruptcy Code in one or more of the Chapter 11 Cases;

(f)without the prior consent of the Consenting Parties, any Company Party: (i) amends, supplements, waives any portion of, terminates or modifies, or files a pleading seeking authority to amend, supplement, waive any portion of, terminate or modify, the Definitive Documents; (ii) suspends or revokes the Restructuring Transaction; or (iii) publicly announces its intention to take any such action specified in Sub-Clauses (i) and (ii) of this subsection. Notwithstanding the foregoing, all Definitive Documents shall remain subject to the consent and approval standards set forth in Section 3 of this Agreement, and, to the extent applicable, the additional obligations with respect to the Definitive Documents set forth in Section 5.02(a);

(g)any of the Definitive Documents do not comply with Section 3 of this Agreement or any other document or agreement necessary to consummate the Restructuring Transaction is not reasonably satisfactory to the Consenting Parties;

(h) any Company Party makes any filing in support of or seeking authority to, enters into an agreement with respect to or consummates, or announces its support for (i) any Alternative Transaction or that it will file any plan of reorganization other than the Plan, or (ii) the sale of any material assets (other than as provided for in the Plan), in each case, without the prior written consent of the Consenting Parties;

(i)the Bankruptcy Court enters any order authorizing the use of cash collateral or post-petition financing that is not consistent (other than to a de minimis extent, but, in no event,

in a manner adverse to the Company Parties) with this Agreement or otherwise consented to by the Consenting Parties;

(j)the Company's failure to consummate the DIP Facility;

(k)the occurrence of any Event of Default under the DIP Loan Documents, or the DIP Orders, as applicable, that has not been cured (if susceptible to cure) or waived in accordance with the terms thereof;

(l)a breach by any Company Party of any representation or warranty of such Company Party set forth in Section 9 of this Agreement that has had, or would reasonably be expected to have, a material adverse effect on the consummation of the Restructuring Transaction that (to the extent curable) remains uncured for a period of ten (10) business days after the receipt by the Company of written notice and description of such breach from any other Party;

(m)any Company Party files a motion, application, or adversary proceeding (or any Company Party or other Party supports any such motion, application, or adversary proceeding filed or commence by any third party) (i) challenging the validity, enforceability, perfection, or priority of, or seeking avoidance or subordination of, the Term Loan Claims or the Second Lien Claims, or (ii) asserting any other cause of action against and/or with respect or relating to such claims or the prepetition liens securing such claims;

(n) any Company Party determines or announces that: (i) pursuant to Section 12.02(b) that its continued support of the Restructuring Transaction would be a breach of its fiduciary duties under applicable law; or (ii) pursuant to Section 5.02(c) that it is entitled to take any material action or that it is entitled to refrain from taking any material action with respect to the Restructuring Transaction as a result of applicable law or applicable fiduciary obligations under applicable law;

(o)any Company Party terminates its obligations under and in accordance with Section 12.02 of this Agreement;

(p)the Bankruptcy Court enters an order terminating any of the Company Parties' exclusive right to file a plan or plans of reorganization or to solicit acceptances of such plan or plans pursuant to section 1121 of the Bankruptcy Code;

(q)the DIP Orders or any of the orders confirming the Plan or approving the Disclosure Statement are reversed, stayed, dismissed, vacated, reconsidered, modified (other than to a de minimis extent, but, in no event, in a manner adverse to the Company Parties), or amended (other than to a de minimis extent, but, in no event, in a manner adverse to the Company Parties) without the consent of the Consenting Parties or a motion for reconsideration, reargument, or rehearing with respect to such orders has been filed and the Company has failed to timely object to such motion;

(r)the Bankruptcy Court enters an order denying confirmation of the Plan. However, the Consenting Parties may not exercise the termination right set forth in this Section 12.01(r) until five (5) business days after the entry of such order;

(s)the occurrence of a Maturity Date (as defined in the DIP Credit Agreement); or

(t)the date on which the Consenting Parties deliver a notice to the Company Parties (which notice may be in the form of an e-mail to counsel to the Company Parties) stating that the Consenting Parties are terminating the Agreement based on their due diligence investigation of the Company Parties and the Consenting Parties' conclusion that such investigation reveals information that, individually or in the aggregate, (a) has had or would reasonably be expected to have a material adverse effect on the financial condition, business, assets, properties, liabilities, operating results and/or operations of the Company Parties or (b) would, or would reasonably be expected to, prevent or materially impair the consummation of the Restructuring Transaction (any such termination, a "Diligence Termination"). For purposes of sub-clause (a) in the preceding sentence, the Parties acknowledge and agree that "material adverse effect" shall mean an adverse effect, individually or in the aggregate with one or more other adverse effects, that causes the Company Parties to expend or incur costs, expenses or other obligations, or suffer or incur a loss or diminution in value, equal to or greater than \$1,000,000. Notwithstanding the foregoing, so long as the Company has promptly and timely provided due diligence materials in response to reasonable requests for the same made by the Consenting Parties, the Consenting Parties may exercise the Diligence Termination only until the date that is fifteen (15) days following the Agreement Effective Date.

The Interim DIP Order will provide that the Consenting Parties are authorized to take any steps necessary (including, without limitation, sending any notice contemplated under this Agreement) to effectuate the termination of this Agreement notwithstanding section 362 of the Bankruptcy Code or any other applicable law. In the event of such termination, no cure period contained in this Agreement shall be extended pursuant to sections 108 or 365 of the Bankruptcy Code or any other applicable law without the prior written consent of the Consenting Parties. Following the commencement of the Chapter 11 Cases and until such time as the Interim DIP Order (which includes the foregoing provision) is entered, the occurrence of any Consenting Party Termination Event in this Section 12.01 shall result in the automatic termination of this Agreement five (5) days following such occurrence unless waived in writing by the Consenting Parties.

12.02. Company's Termination Events. So long as no Company Party has failed to perform or comply in all material respects with the terms and conditions of this Agreement (unless such failure is the result of any act, omission, or delay on the part of the Consenting Parties in violation of their obligations under this Agreement), the Company may terminate this Agreement as to all Parties upon prior written notice, delivered in accordance with Section 16.09 of this Agreement, upon the occurrence of any of the following events:

(a)A material breach by any of the Consenting Parties of any provision set forth in this Agreement that has had, or would reasonably be expected to have, a material adverse impact on the consummation of the Restructuring Transaction that (to the extent curable) remains uncured for a period of five (5) business days after the receipt by the Consenting Parties of notice of such material breach;

(b)after consultation with external counsel, the Board determines that proceeding with the Restructuring Transaction would be inconsistent with applicable law or its fiduciary duties under applicable law and that failure to terminate this Agreement would be inconsistent

with the exercise of its fiduciary obligations or applicable law. However, the Company acknowledges that Section 5.02(b) of this Agreement applies to any deliberation regarding or decision to exercise its termination right set forth in this Section 12.02(b);

(c) the issuance by any governmental authority, including any regulatory authority, the Bankruptcy Court, or another court of competent jurisdiction, of any ruling or order enjoining the consummation of all or a material portion of the Restructuring Transaction, so long as the Company has made reasonable best efforts to cure, vacate, reverse, or have overruled such ruling or order prior to terminating this Agreement; or

(d) the Bankruptcy Court enters an order denying confirmation of the Plan. However, the Company may not exercise the termination right set forth in this Section 12.02(d) until five (5) business days after the entry of such order.

12.03. Mutual Termination. This Agreement, and the obligations of all Parties hereunder, may be terminated by mutual written agreement among each of the Company and the Consenting Parties.

12.04. Termination upon Completion of the Restructuring Transaction. This Agreement shall terminate automatically without any further required action or notice on the Effective Date.

12.05. Effect of Termination. The earliest date on which termination of this Agreement as to a Party is effective in accordance with Sections 12.01, 12.02, 12.03, and/or 12.04 shall be referred to as a "Termination Date." Upon the occurrence of a Termination Date as to a Party, this Agreement shall be of no further force or effect with respect to such Party. Each Party subject to such termination shall: (a) be released from its commitments, undertakings, and agreements under or related to this Agreement; (b) have the rights and remedies that it would have had, had it not entered into this Agreement; and (c) be entitled to take all actions, whether with respect to the Restructuring Transaction or otherwise, that it would have been entitled to take had it not entered into this Agreement. The termination of this Agreement with respect to any Party shall not relieve or absolve any Party of any liability for any breaches of this Agreement that preceded the termination of the Agreement. Upon the occurrence of a Termination Date with respect to the Consenting Parties, any and all consents or ballots tendered by such Consenting Parties shall be deemed, for all purposes, to be null and void ab initio to the fullest extent permitted by law and shall not be used in any manner in connection with the Restructuring Transaction or otherwise. Notwithstanding anything to the contrary in this Agreement, the foregoing shall not be construed to prohibit a Company Party or any of the Consenting Parties from contesting whether any such termination is in accordance with its terms or to seek enforcement of any rights under this Agreement that arose or existed before a Termination Date. Except as expressly provided in this Agreement, nothing in this Agreement is intended to, or does, in any manner waive, limit, impair, or restrict any right of any Consenting Party, or the ability of any Consenting Party, to protect and preserve its rights (including rights under this Agreement), remedies, and interests, including its claims against any Company Party or Consenting Party. Nothing in this Section 12.05 shall restrict any Company Party's right to terminate this Agreement in accordance with Section 12.02(b).

Section Fees and Expenses. Upon receipt of a request for payment, the Company shall promptly pay and reimburse
13. all reasonable and documented fees and out-of-pocket fees and expenses of the Consenting Parties, including the fees and expenses of all attorneys, accountants, advisors, consultants, and other professionals of the Consenting Parties (regardless of whether such fees and expenses are incurred before or after the Petition Date).

Section Amendments; Consents and Waivers. This Agreement (including the Exhibits and Schedules), may not be
14. modified, amended, or supplemented in any manner except in writing signed by the Company and each of the Consenting Parties. Any proposed modification, amendment, or supplement that is not approved by the requisite Parties as set forth above shall be ineffective and void ab initio. For the purposes of this Agreement and the Restructuring Term Sheet, notwithstanding anything to the contrary in this Agreement or the Restructuring Term Sheet any consent, waiver or exercise of discretion by the Consenting Parties required under the Agreement or the Restructuring Term Sheet will be effective only upon the consent, waiver or exercise of such discretion by the (i) the Required Lenders, (ii) the Required Noteholders, and (iii) the Ares Equity Holders.

Section Fiduciary Duties. Nothing in this Agreement shall create any fiduciary duty, or agent relationship, of any of
15. the Consenting Parties to each other, the Company or any of the Company's creditors or other stakeholders.

Section 16. Miscellaneous.

16.01. Further Assurances. Subject to the other terms of this Agreement, the Parties agree to execute and deliver such other instruments and perform such acts, in addition to the matters in this Agreement specified, as may be reasonably appropriate or necessary, or as may be required by order of the Bankruptcy Court, from time to time, to effectuate the Restructuring Transaction, as applicable.

16.02. Complete Agreement. This Agreement (including the Exhibits and Schedules) constitutes the entire agreement among the Parties with respect to the subject matter of this Agreement and supersedes all prior negotiations, agreements, and understandings, whether oral or written, among the Parties with respect thereto.

16.03. Headings. The headings of all sections of this Agreement are inserted solely for the convenience of reference and are not a part of and are not intended to govern, limit, or aid in the construction or interpretation of any term or provision of this Agreement.

16.04. GOVERNING LAW; SUBMISSION TO JURISDICTION; SELECTION OF FORUM; WAIVER OF TRIAL BY JURY. THIS AGREEMENT IS TO BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK APPLICABLE TO CONTRACTS MADE AND TO BE PERFORMED IN SUCH STATE, WITHOUT GIVING EFFECT TO THE CONFLICT OF LAWS PRINCIPLES THEREOF. Each Party to this Agreement agrees that it shall bring any action or proceeding in respect of any claim arising out of or related to this Agreement in either the United States District Court for the Southern District of New York or any New York state court (the "Chosen Courts"). Solely in connection with claims arising under this Agreement, each Party: (a)

irrevocably submits to the exclusive jurisdiction of the Chosen Courts; (b) waives any objection to laying venue in any such action or proceeding in the Chosen Courts; and (c) waives any objection that the Chosen Courts are an inconvenient forum or do not have jurisdiction over any Party to this Agreement or constitutional authority to finally adjudicate the matter. Notwithstanding the foregoing, if the Company Parties commence the Chapter 11 Cases, then the Bankruptcy Court (or court of proper appellate jurisdiction) shall be the exclusive Chosen Court.

16.05.Trial by Jury Waiver. EACH PARTY TO THIS AGREEMENT IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

16.06.Execution of Agreement. This Agreement may be executed and delivered in any number of counterparts and by way of electronic signature and delivery. Each such counterpart, when executed and delivered, shall be deemed an original, and all of which together shall constitute the same agreement. Except as expressly provided in this Agreement, each individual executing this Agreement on behalf of a Party has been duly authorized and empowered to execute and deliver this Agreement on behalf of said Party.

16.07.Interpretation and Rules of Construction. This Agreement is the product of good faith negotiations among the Company and the Consenting Parties. Consequently, this Agreement shall be enforced and interpreted in a neutral manner. Any presumption with regard to interpretation for or against any Party by reason of that Party having drafted or caused to be drafted this Agreement, or any portion of this Agreement, shall not be effective in regard to the interpretation of this Agreement. The Company and the Consenting Parties were each represented by counsel during the negotiations and drafting of this Agreement and continue to be represented by counsel. Accordingly, any rule of law or any legal decision that would provide any Party with a defense to the enforcement of the terms of this Agreement against such Party based upon lack of legal counsel, shall have no application and is expressly waived. In addition, this Agreement shall be interpreted in accordance with section 102 of the Bankruptcy Code. For the purposes of this Agreement, the term "including" shall mean "including, without limitation," whether or not so specified.

16.08.Successors and Assigns. This Agreement is intended to bind and inure to the benefit of the Parties and their respective successors and permitted assigns, as applicable. There are no third party beneficiaries under this Agreement, and the rights or obligations of any Party under this Agreement may not be assigned, delegated, or transferred to any other person or entity.

16.09.Notices. All notices hereunder shall be deemed given if in writing and delivered by electronic mail, courier, or registered or certified mail (return receipt requested) to the following addresses (or at such other addresses as shall be specified by like notice):

or such other address as may have been furnished by a Party to each of the other Parties by notice given in accordance with the requirements set forth above. Any notice given by delivery, mail (electronic or otherwise), or courier shall be effective when received. For purposes of this Agreement, any consents or approvals of the Consenting Parties may be provided by counsel to the Consenting Parties.

16.10.Waiver. If the Restructuring Transaction is not consummated, or if this Agreement is terminated for any reason, the Parties fully reserve any and all of their rights. Pursuant to Federal Rule of Evidence 408 and any other applicable rules of evidence, this Agreement and all negotiations relating to this Agreement shall not be admissible into evidence in any proceeding other than a proceeding to enforce its terms, pursue the consummation of the Restructuring Transaction, or the payment of damages to which a Party may be entitled under this Agreement.

32

16.11. Specific Performance. It is understood and agreed by the Parties that money damages would be an insufficient remedy for any breach of this Agreement by any Party. Consequently, each non-breaching Party shall be entitled to specific performance and injunctive or other equitable relief (without the posting of any bond and without proof of actual damages) as a remedy of any such breach, including an order of the Bankruptcy Court or other court of competent jurisdiction requiring any Party to comply promptly with any of its obligations hereunder.

16.12. Relationship Among Parties. Notwithstanding anything in this Agreement to the contrary, the agreements, representations, warranties, and obligations of the Consenting Parties under this Agreement are, in all respects, several and not joint, and are made in favor of the Company only and not in favor of or for the benefit of any other Consenting Party. The agreements, representations and obligations of the Company Parties under this Agreement are, in all respects, joint and several. No Party shall have any responsibility by virtue of this Agreement for any trading by any other Entity. Unless expressly stated in this Agreement, this Agreement shall be solely for the benefit of the Parties and no other person or entity shall be a third-party beneficiary of this Agreement. Any breach of this Agreement by a Consenting Party shall not result in liability for any other Consenting Party. No prior history, pattern, or practice of sharing confidences among or between the Parties shall in any way affect or negate this Agreement. The Parties to this Agreement acknowledge that this Agreement does not constitute an agreement, arrangement, or understanding with respect to acting together for the purpose of acquiring, holding, voting, or disposing of any equity securities of the Company and the Consenting Parties do not constitute a “group” within the meaning of Rule 13d-5 under the Securities Exchange Act of 1934, as amended. No action taken by any Consenting Party pursuant to this Agreement shall be deemed to constitute or to create a presumption by any of the Parties that the Consenting Parties are in any way acting in concert or as such a “group.”

16.13. Reservation of Rights.

(a) Except as expressly provided in this Agreement or the Restructuring Term Sheet, including Section 5.01 and Section 5.02 of this Agreement, nothing in this Agreement is intended to, or does, in any manner waive, limit, impair, or restrict the ability of any Party to protect, preserve, and assert its rights, remedies, defenses, claims and interests against or with respect to any of the other Parties.

(b) Without limiting Section 12.05 and Sub-Clause (a) of this Section 16.13 in any way, if the Plan is not consummated in the manner set forth, and on the timeline set forth, in this Agreement, or if this Agreement is terminated for any reason, nothing shall be construed in this Agreement as a waiver by any Party of any or all of such Party’s rights, remedies, defenses, claims and interests. Each of the Parties expressly reserves and preserves any and all of its respective rights, remedies, defenses, claims, and interests, subject to Section 16.10 of this Agreement. This Agreement, the Plan, and any related document shall in no event be construed as or be deemed to be evidence of an admission or concession of any kind or nature by any Party, including, but not limited to, with respect to: (i) the valuation of any Company Party or any business of any Company Party; or (ii) the nature, priority, extent, validity and/or perfection of the Consenting Parties’ respective liens on, claims against or interests in any Company Party’s property or assets.

(c) Except as expressly set forth in this Agreement, nothing in this Agreement shall be deemed to be, or construed as, a waiver or release of: (i) any secured claim or any unsecured deficiency claim held by any Consenting Term Lender or any Consenting Second Lien Noteholder; (ii) any claim in respect of the Applicable Premium (as defined in the Term Credit Agreement) (a “First Lien Make-Whole Claim”); (iii) any claim in respect of damages from the breach of the “no-call” protections set forth in the Second Lien Indenture (including in section 4.04 of the Second Lien Indenture), including but not limited to amounts in respect of yield protection (a “Second Lien Yield Protection Claim”); (iv) the right of any Consenting Term Lender or any Consenting Second Lien Noteholder to assert any such secured claim, unsecured deficiency claim, First Lien Make-Whole Claim or Second Lien Yield Protection Claim, including but not limited to the right to credit bid all or a portion of any such claims in accordance with section 363(k) of the Bankruptcy Code; or (v) the right of any Consenting Term Lender or any Consenting Second Lien Noteholder to assert that its claims are fully secured or that it is entitled to payment in full from the collateral securing its claims. Subject to the express terms of this Agreement, any and all secured claims, unsecured deficiency claims, First Lien Make-Whole Claims or Second Lien Yield Protection Claims of any Consenting Term Lender or any Consenting Second Lien Noteholder and the rights to assert such secured claims, unsecured deficiency claims, First Lien Make-Whole Claims and Second Lien Yield Protection Claims are expressly reserved and preserved.

16.14. Severability and Construction. If any provision of this Agreement shall be held by a court of competent jurisdiction to be illegal, invalid, or unenforceable, the remaining provisions shall remain in full force and effect if the essential terms and conditions of this Agreement for each Party remain valid, binding, and enforceable.

16.15. Remedies Cumulative. All rights, powers, and remedies provided under this Agreement or otherwise available in respect of this Agreement at law or in equity shall be cumulative and not alternative. The exercise of any right, power, or remedy by any Party shall not preclude the simultaneous or later exercise of any other such right, power, or remedy by such Party.

16.16. Additional Parties. Without in any way limiting the requirements of Section 6 of this Agreement, additional holders of Debtor Claims/Interests may elect to become Parties to this Agreement upon execution and delivery to the other Parties of a Joinder Agreement in the form attached to this Agreement as Exhibit C. Each such additional Party shall (a) become a Consenting Party under this Agreement in accordance with the terms of this Agreement, (b) be bound by the terms and conditions of this Agreement, and (c) be deemed to make all representations and warranties contained in this Agreement as of the date of the execution and delivery of such Joinder Agreement.

16.17. Other Support Agreements. Until a Termination Date with respect to the Company, the Company shall not enter into any other restructuring support agreement related to a partial or total restructuring of the Company’s balance sheet or assets unless such support agreement is consistent in all respects with the Restructuring Term Sheet and is acceptable to the Consenting Parties in their sole discretion.

16.18. Confidentiality. The terms of any existing confidentiality agreements executed by and among any of the Parties as of the date of this Agreement shall remain in full force and effect in accordance with their terms. Except as required by applicable law, rule, or regulation or as ordered by the Bankruptcy Court or other court of competent jurisdiction, no Party or its advisors shall disclose to any person or entity (including, for the avoidance of doubt, any other Party) the holdings information of any Consenting Party without such Consenting Party's prior written consent. However, the Company may publicly disclose the aggregate holdings of all Consenting Parties.

16.19. Consent Rights Preserved. Notwithstanding any provision in any order approving any First Day Pleading or any other order that grants the Company discretion to take any action that is subject to consent or approval rights of the Consenting Parties hereunder, the entry of such order shall not be deemed a waiver of such consent or approval rights hereunder.

16.20. Email Consents. Where a written consent, acceptance, approval, or waiver is required pursuant to or contemplated by this Agreement, such written consent, acceptance, approval, or waiver shall be deemed to have occurred if, by agreement between counsel to the Parties submitting and receiving such consent, acceptance, approval, or waiver, it is conveyed in writing (including electronic mail) between each such counsel without representations or warranties of any kind on behalf of such counsel.

IN WITNESS WHEREOF, the Parties have executed this Agreement on the day and year first above written.

THIS RESTRUCTURING TERM SHEET DOES NOT CONSTITUTE (NOR SHALL IT BE CONSTRUED AS) AN OFFER OR PROPOSAL WITH RESPECT TO ANY SECURITIES OR A SOLICITATION OF ACCEPTANCES OR REJECTIONS AS TO ANY chapter 11 PLAN. THE PARTIES TO THIS TERM SHEET ACKNOWLEDGE AND AGREE THAT ANY SUCH OFFER, PROPOSAL OR SOLICITATION, IF ANY, WILL BE MADE ONLY IN COMPLIANCE WITH APPLICABLE PROVISIONS OF ALL APPLICABLE LAW. THIS RESTRUCTURING TERM SHEET DOES NOT ADDRESS ALL TERMS THAT WOULD BE REQUIRED IN CONNECTION WITH ANY POTENTIAL RESTRUCTURING. Notwithstanding the foregoing, the payments on account of such Reclamation Claims shall be subject to an aggregate cap of \$2 million, after which any further payments on account of Reclamation Claims will be subject to the consent of the Consenting Parties in their sole discretion. If such consent is denied, any such Reclamation Claims will be treated as Administrative Claims to be paid as set forth above.

v. Hedging Bank Claims: Each holder of any net claims arising out of any termination of the Company’s prepetition hedging or swap arrangements with Cargill, Inc. and NextEra Energy Marketing, LLC (the “Hedge Claims”) shall receive cash in an amount equal to 100% of such holder’s Hedge Claims (the “Hedge Claims Payment Amount”), payable in the following installments:

The foregoing is subject in its entirety to the terms and conditions set forth below in “Parameters Relating to the Issuance of the New Warrants.”

Parameters
Relating to
the Issuance
of the New
Warrants

The issuance of the New Warrants shall be conditioned upon each of the following: (i) the holders of the New Warrants holding passive positions (i.e., no minority governance, registration, or similar rights) following such issuance, and any exercise, of the New Warrants; (ii) such issuance of the New Warrants being

exempt from the registration requirements under the Securities Act of 1933 (the “Securities Act”) and any other applicable federal, state or other securities laws; (iii) in no event shall any fractional New Warrants be required to be issued; (iv) such issuance of New Warrants not resulting in any of the entities holding the reorganized business of the Company following the consummation of the Restructuring Transaction being required to be a publicly held company or otherwise being required to make or file public periodic reports pursuant to any applicable federal, state or other securities laws or otherwise (a “Reporting Triggering Event”); and (v) in no event shall any New Warrants be required to be issued to any competitors of the Company.

Notwithstanding the foregoing, in the event that the issuance of the New Warrants in accordance with the terms set forth in “New Preferred Warrants” and “New Common Warrants” above would result in the issuance of fractional New Warrants, the occurrence of a Reporting Triggering Event or the issuance of New Warrants to a competitor of the Company, then, although such issuances would not be required to be effected pursuant to this Term Sheet as a result of the failure of, as applicable, the condition set forth in clause (iii), clause (iv) and/or clause (v) of the immediately preceding paragraph, the Consenting Parties shall nevertheless, in their sole discretion, be entitled to elect (a “Cash-Out Election”):

(a) in the case of the failure of the condition set forth in such clause (iii) and/or the condition set forth in such clause (iv), to direct that any holder or holders of Existing Preferred Equity and any holders or holders of Existing Common Equity designated by the Consenting Parties (the designation of such holders to be made in the sole discretion of the Consenting Parties, taking into account the purpose of preventing the issuance of fractional New Warrants and/or the occurrence of a Reporting Triggering Event, as the case may be) shall receive instead of New Warrants a distribution of cash in an amount equal to the Value (as defined below) of the New Warrants such holders would have otherwise received but for the failure of the applicable conditions(s) (the “Category I Unavailable Warrants”); and/or

(b) in the case of the failure of the condition set forth in such clause (v), direct that such holders of Existing Preferred Equity and holders of Existing Common Equity that are competitors of the Company shall be entitled to a distribution of cash in an amount equal to the Value of the New Warrants such holders would have otherwise received but for the failure of the applicable condition (the “Category II Unavailable Warrants,” and together with the

Category I Unavailable Warrants, the “Unavailable Warrants”).

In the event that the Consenting Parties make any Cash-Out Election(s), then the amount of New Warrants granted pursuant to “New Preferred Warrants” and “New Common Warrants,” as applicable, shall be reduced by the amount of Unavailable Warrants.

For purposes of the foregoing, “Value” means the value of the applicable New Preferred Warrants or New Common Warrants, as the case may be, as reasonably determined by the Company and the Consenting Parties using the Black Scholes model or such other valuation methodology as is customary for valuations of this type.

The New Warrants will not be registered under the Securities Act or any other applicable federal, state or other securities laws.

The New Warrants will be transferable subject to restrictions pursuant to applicable federal, state and other securities laws. Such New Warrants shall only be transferable to:

(a) “qualified institutional buyers” within the meaning of Rule 144A promulgated under the Securities Act; and

(b) “accredited investors” within the meaning of Rule 501(a)(1), (2), (3) or (7) of Regulation D promulgated under the Securities Act who are not disqualified persons under Rule 506(d) of Regulation D promulgated under the Securities Act.

The New Warrants will also be subject to restrictions:

(i) designed to prevent the occurrence of circumstances that are reasonably expected by the Consenting Parties to require registration or qualification of the New Warrants pursuant to federal, state or other securities laws, or require the Consenting Parties to make or file public periodic reports pursuant to any applicable federal, state or other securities laws or otherwise; and

(ii) on transfers that would subject the Consenting Parties to regulation under the Investment Company Act of 1940, the Investment Advisers Act of 1940 or the U.S. Employee Retirement Income Security Act of 1974, each as amended;

(iii) as specified in the definitive warrant agreement (the “Warrant Agreement”) pursuant to which the New Warrants will be issued; and

(iv) on transfers to competitors.

All holders of New Common Equity issued or issuable upon the exercise of the New Warrants shall be required to become parties to a stockholders or similar agreement with respect to the post-emergence equity in the entities holding the reorganized business

of the Company (the “Stockholders Agreement”). The Warrant Agreement and the Stockholders Agreement shall each be in form and substance acceptable to the Consenting Parties.

In the event that a Sale (as defined below) is consummated prior to the 3-year anniversary of the Effective Date, any Warrants then remaining outstanding and unexercised shall expire worthless and will automatically be cancelled for no further consideration. For the avoidance of doubt, no holder of Warrants shall be entitled to the fair market value of the New Warrants (using the Black Scholes model or otherwise) in connection with a Sale, but shall have the right to exercise the New Warrants at any time prior to such Sale. The Company shall provide the holders of the New Warrants with five (5) business days’ prior written notice of a Sale. The term “Sale” applies to any transaction with respect to the Company (or any successor to the Company) and/or its subsidiaries taken as a whole and means (i) any consolidation, (ii) any merger, (iii) any disposition, transfer, conveyance or sale of all or a majority of the assets or equity interests, (iv) any transaction in which the holders of equity interests are entitled to receive (either directly or upon subsequent liquidation) cash, securities or other property with respect to, or in exchange for, such equity interests and/or (v) any transaction similar to the foregoing.

Notwithstanding anything to the contrary in this Term Sheet, neither the Company nor any of the entities holding the reorganized business of the Company following the consummation of the Restructuring Transaction shall be required to take any action that would result in the Company or such entity, as the case may be, being required to make or file public periodic reports pursuant to any applicable federal, state or other securities laws or otherwise.

Release	<p>Except as expressly set forth in this Restructuring Term Sheet or the definitive documentation for the Restructuring Transaction (the “Definitive Documentation”), the Definitive Documentation shall include full customary debtor and “third party” releases from liability in favor of the Company, each of the DIP Lenders, the DIP Agent, the Consenting Parties, the Term Agent, the Second Lien Trustee, and each of their respective directors, officers, funds, affiliates, members, employees, partners, managers, investment advisors, agents, representatives, principals, consultants, attorneys, professional advisors, heirs, executors, successors and assigns (each in their capacity as such). The releases will cover any claims and causes of action related to or in connection with the Company, the Company’s out-of-court restructuring efforts, the RSA, the Plan, the Restructuring Transaction or the obligations under the DIP Facility, the Term Credit Agreement, the Second Lien Indenture, the Existing Preferred Equity or the Existing</p> <p>Common Equity. The releases described in this section shall contain a carve-out for actual fraud or fraud grounded in deliberate recklessness. For the avoidance of doubt, any claims in respect of avoidance actions against the Consenting Parties shall be released. Nothing in the foregoing shall result in any current or former members of the board of directors of the Company (the “Existing Board”) or any current or former officers of the Company waiving any indemnification claims against the Company or any of its insurance carriers or any rights as beneficiaries of any insurance policies.</p>
Board of Directors	<p>The New Board shall consist of five (5) members. All of the directors for the initial term following the consummation of the Restructuring Transaction shall be selected by the Consenting Parties. In subsequent terms, the directors shall be selected in accordance with the organizational documents of the parent entity holding the reorganized business of the Company.</p>
Senior Officers Employment Agreements	<p>Upon the consummation of the Restructuring Transaction, the Company’s existing senior officers shall continue to serve in their current capacities at the pleasure of the New Board.</p> <p>TBD.</p>
Executory Contracts	<p>The Company shall not enter into an executory contract, lease, or other arrangement outside of the ordinary course of its business without obtaining the prior written consent of the Consenting Parties.</p> <p>The Company shall not assume or reject any executory contract or unexpired lease without obtaining the prior written consent of the Consenting Parties.</p>
Amended Articles & Bylaws	<p>Any existing organizational and corporate governance documents of the entities holding the reorganized business of the Company after giving effect to the Restructuring Transaction shall be subject to amendments and modifications customary in connection with transactions similar to the Restructuring Transaction.</p>
Public / Private Status of Company	<p>The entities holding the reorganized business of the Company shall be privately held and shall not be subject to any United States Securities and Exchange Commission reporting obligations.</p>

Registration Rights	The reorganized Company shall remain a privately held company and will not be required to register any of its post-emergence equity (including, without limitation, the New Common Equity or the New Warrants) for resale under the Securities Act or any other applicable federal, state or other securities laws or to offer to exchange any of such post-emergence equity for securities registered under the Securities Act or any other applicable federal, state or other securities laws.
Fees & Expenses / Expense Reimbursement	The Company shall promptly upon receipt of a request for payment thereof, pay all reasonable and documented out-of-pocket fees and expenses of the Consenting Parties as they are incurred, including but not limited to, the fees and expenses of their legal, financial and other advisors.
Tax, Securities, and Corporate Matters / Related Structure Considerations	The transactions discussed in this Restructuring Term Sheet are subject to ongoing tax diligence, securities compliance, and other corporate review. The Company shall reasonably cooperate with the Consenting Parties to structure the Restructuring Transaction to enable the Company or its successor to emerge on the Effective Date in the organizational form, and with the tax structure and tax elections, requested or consented to by the Consenting Parties. Without limiting the foregoing, if requested by the Consenting Parties, the Company shall effectuate an internal corporate reorganization (i) to convert into, transfer all or a portion of its assets to or cause all or a portion of the equity interests in it to be transferred to, in each case, a limited liability company or a limited partnership, or (ii) as a result of which (x) the Consenting Parties hold a portion of their equity interests in the reorganized Company through a corporation (the "Corporation") and another portion of such equity interests through a limited liability company or a limited partnership and (y) the New Warrants are issued by the Corporation.
Definitive Documentation	The Definitive Documentation and other material agreements relating to the Restructuring Transaction, any Plan or accompanying Disclosure Statement, any of the documents or materials identified in the "Milestones" section of this Restructuring Term Sheet, and any forms of orders submitted to the Bankruptcy Court shall: (i) be consistent with this Restructuring Term Sheet, (ii) be subject to the consent and approval standards set forth in the Restructuring Term Sheet, and (iii) contain such other terms and conditions as are customary for transactions of this type.

Required Lenders / For the purposes of this Restructuring Term Sheet, any consent, waiver or exercise of
Required Noteholders discretion of the Consenting Parties will be effective only upon the consent of the Required Lenders, the Required Noteholders and the Ares Equity Holders.

“Required Lenders” means, as of any date of determination, Term Lenders holding a majority of the outstanding principal amount of the Term Loan Claims held by the Term Lenders in the aggregate.

“Required Noteholders” means, as of any date of determination, Second Lien Noteholders holding a majority of the outstanding

principal amount of the Second Lien Claims held by the Second Lien Noteholders in the aggregate.

DIP Term Sheet

DIP Term Sheet

Gastar exploration inc.¹¹

This term sheet (this “DIP Term Sheet”) is a summary of indicative terms and conditions for a proposed DIP term loan financing (the “DIP Facility”) that is materially consistent with the terms and conditions as set forth in this DIP Term Sheet and otherwise acceptable in form and substance to the Debtors and the DIP Lenders (each as defined below).

This DIP Term Sheet is non-binding and is being presented for discussion and settlement purposes only. Consequently, this DIP Term Sheet is entitled to protection from any use or disclosure to any person or entity pursuant to Federal Rule of Evidence 408 and any other rules or laws of similar import. This DIP Term Sheet does not purport to summarize all of the terms, conditions, covenants and other provisions that may be contained in the fully negotiated and executed definitive documentation in connection with the DIP Facility. Among other things, the transactions described in this DIP Term Sheet are subject in all respects to: (i) internal authorization and approval by the appropriate credit committee of the DIP Lenders; (ii) the execution and delivery of definitive documentation satisfactory in form and substance to the Debtors and the DIP Lenders; (iii) satisfaction or waiver of the conditions precedent set forth in this DIP Term Sheet; (iv) approval by the Bankruptcy Court (as defined below); and (iv) the satisfactory completion of diligence by the DIP Lenders in their sole discretion. This DIP Term Sheet does not constitute a commitment to lend or to provide or arrange any other financing; such an obligation would arise only under a fully negotiated commitment letter if executed by all parties thereto in accordance with its terms.

This DIP Term Sheet and the information contained in this DIP Term Sheet shall remain strictly confidential and may not be shared with any person or entity (other than the Debtors, the DIP Lenders and their respective professionals), unless otherwise consented to by the Debtors or the DIP Lenders, as applicable.

¹¹ This DIP Term Sheet, the terms and provisions set forth in this DIP Term Sheet, and the transactions contemplated by this DIP Term Sheet are in all respects subject to, and may be further revised, modified or changed following, the completion of due diligence by the DIP Lenders (as defined below) and their professionals.

Parties Debtors: Gastar Exploration Inc. (“Gastar”), Northwest Property Ventures LLC, and any other current or future subsidiaries of Gastar, as debtors-in-possession (collectively, the “Debtors”) in the cases to be filed under Chapter 11 of the Bankruptcy Code (the “Chapter 11 Cases”) in the United States Bankruptcy Court for the Southern District of Texas (the “Bankruptcy Court”). The date of commencement of the Chapter 11 Cases is referred to in this DIP Term Sheet as the “Petition Date”.

Borrower: Gastar.

Guarantors: Each of the Debtors (other than Gastar) and each other subsidiary of Gastar that guaranteed the Term Facility (as defined below) or the Second Lien Notes (as defined below) (collectively, the “Guarantors”). All obligations of the Borrower under the DIP Facility will be unconditionally guaranteed on a joint and several basis by the Guarantors, and each Guarantor that is a Debtor shall be deemed to have guaranteed the DIP Obligations (as defined below) pursuant to the Interim Order (as defined below).

DIP Lenders: Funds managed or controlled by Ares Management,

L.P. (together with their successors and permitted assigns, collectively, the “DIP Lenders”).

DIP Agent: Wilmington Trust, National Association (the “DIP Agent”), shall act as administrative agent for the DIP Lenders under the DIP Facility.

Existing Debt Arrangements Term Loan Facility: The Third Amended and Restated Credit Agreement, dated March 3, 2017 (the “Term Credit Agreement”), by and between Gastar, as Borrower, the Guarantors party thereto, the Lenders (the “Term Lenders”) from time to time party thereto and Wilmington Trust, National Association, as administrative agent (the “Term Agent”) (as amended, supplemented or otherwise modified prior to the date hereof, and including all exhibits and guarantee, security and other ancillary documentation in respect thereof, the “Term Facility”; all payment Obligations (as defined in the Term Credit Agreement), under or related to the Term Facility, collectively, the “Term Obligations”).

Second Lien Notes: Those certain notes issued pursuant to the Indenture dated March 3, 2017 (the “Second Lien Indenture”), by and between Gastar, as Issuer, the Guarantors party thereto, and Wilmington Trust, National Association, as trustee and collateral agent (the “Second Lien Trustee”) (as amended, supplemented or otherwise modified prior to the date hereof, and including all exhibits and guarantee, security and other ancillary documentation in respect thereof, the “Second Lien Notes”; all payment Obligations (as defined in the Second Lien Indenture), under or related to the Second Lien Notes, collectively, the “Second Lien Obligations”).

DIP Facility As described in greater detail below, the proceeds of the DIP Facility will be used by the Debtors: (i) subject to the Budget (as defined below) for working capital purposes and funding the administration of the Chapter 11 Cases; and (ii) to effectuate the Term Facility Refinancing (as defined below).

The DIP Facility shall be comprised of term loans in an aggregate amount of approximately \$383.9 million (the “DIP Loans”) and shall consist of the following: (a) \$100 million of new money loans (the “New Money Loans”); and (b) approximately \$283.9 million of refinanced Term Obligations consisting of outstanding principal and accrued and unpaid interest under the Term Facility as of the Petition Date (the “Roll-up Loans”) pursuant to the Term Facility Refinancing.

The DIP Facility and all instruments and documents executed at any time in connection therewith, together with the DIP Orders (as defined below), shall be referred to collectively as the “DIP Loan Documents.” Amounts repaid or prepaid in respect of DIP Loans may not be reborrowed.

Upon entry of and subject to a Bankruptcy Court order granting interim approval of the DIP Facility (such order to be in form and

substance satisfactory to the Debtors in their reasonable discretion and the DIP Lenders in their sole discretion, the “Interim Order”) and subject to satisfaction (or waiver) of the additional Conditions Precedent (defined below) and the draw limitations set forth in the last sentence of this paragraph and so long as consistent with the Budget, up to \$15 million of the New Money Loans (the “Interim DIP Tranche”) may be drawn by the Borrower upon three business days’ notice in one or more draws in an amount that is not less than \$2,500,000 for the initial draw and not less than \$500,000 for each subsequent draw (or, if less, in the amount of the entire unused balance of the Interim DIP Tranche). Notwithstanding the foregoing or anything to the contrary in this DIP Term Sheet, (i) draws under the Interim DIP Tranche shall be limited to no more than one draw per week and (ii) no draw under the Interim DIP Tranche shall in any event exceed the amount actually needed by the Borrower at the applicable time of determination (taking into account the Borrower’s cash on hand at such time) to fund the Chapter 11 Cases and/or the Borrower’s working capital needs (after giving effect to a \$5 million cash minimum liquidity floor, which the Debtors shall be permitted to maintain at all times during the pendency of the Chapter 11 Cases), in each case, over the immediately succeeding 14-day period (any such applicable period, a “Forward Period”) in the amounts expressly provided for in the Budget for such Forward Period, net of (and without duplicating) any amounts previously drawn under the DIP Facility in respect of amounts provided for in the Budget for such Forward Period.

Upon entry of and subject to a Bankruptcy Court order granting final approval of the DIP Facility (such order to be in form and substance satisfactory to the Debtors in their reasonable discretion and the DIP Lenders in their sole discretion, the “Final Order”) and together with the Interim Order, collectively, the “DIP Orders”) and subject to the terms and conditions of the DIP Loan Documents and the draw limitations set forth in the last sentence of this paragraph and so long as consistent with the Budget, up to an amount equal to \$100 million of New Money Loans, minus the amount of New Money Loans previously drawn by the Debtors prior to such date (the resulting amount, the “Final DIP Tranche”) may be drawn by the Borrower upon three business days’ notice in one or more draws in an amount not less than \$500,000 for each draw (or, if less, in the amount of the entire unused balance of the Final DIP Tranche). Notwithstanding the foregoing or anything to the contrary in this DIP Term Sheet, (a) draws under the Final DIP Tranche shall be limited to no more than one draw per week and (b) no draw under the Final DIP Tranche shall in any event exceed the amount actually needed by the Borrower at the applicable time of determination (taking into account the Borrower’s cash on hand at such time) to fund the Chapter 11 Cases and/or the Borrower’s working capital needs, in each case, over the immediately succeeding Forward Period in the amounts expressly provided for in the Budget for such Forward Period, net of

(and without duplicating) any amounts previously drawn under the DIP Facility in respect of amounts provided for in the Budget for such Forward Period.

Upon entry of and subject to the Final Order and subject to the terms and conditions of the DIP Loan Documents and the Debtors having demonstrated to the reasonable satisfaction of the DIP Lenders acting in good faith, the bona fide need of the Debtors for such additional liquidity to preserve lease operating rights in response to actions taken or proposed to be taken by third parties (the “Operating Rights Preservation Activities”) and subject to the draw limitations set forth in the last sentence of this paragraph, up to an amount equal to \$100 million of New Money Loans, minus any amounts of New Money Loans previously drawn by the Debtors prior to such date (the “Reserve DIP Tranche”) may be drawn by the Borrower upon three business days’ notice in one or more draws in an amount not less than \$500,000 for each draw (or, if less, in the entire amount of the unused balance of the Reserve DIP Tranche). Notwithstanding the foregoing or anything to the contrary in this DIP Term Sheet, (i) draws under the Reserve DIP Tranche shall be limited to no more than one draw per week and (ii) no draw under the Reserve DIP Tranche shall in any event exceed the amount actually needed by the Borrower at the applicable time of determination (taking into account the Borrower’s cash on hand at such time) to fund Operating Rights Preservation Activities over the immediately succeeding Forward Period in the amounts expressly approved by the DIP Lenders for such Forward Period, net of (and without duplicating) any amounts previously drawn under the DIP Facility in respect of amounts so approved by the DIP Lenders for such Forward Period.

The date of entry of the Interim Order and satisfaction of the other Conditions Precedent is referred to hereunder as the “Closing Date.”

DIP Liens and Superpriority Status Subject to a “carve-out” as set forth on Exhibit A to this DIP Term Sheet (the “Carve-Out”) and liens securing obligations owed to the Debtors’ hedge counterparties (the “Hedge Carve-Out”), the DIP Facility and all obligations of the Debtors to the DIP Lenders and the DIP Agent under the DIP Loan Documents (collectively, the “DIP Obligations”) shall at all times be secured: (a) pursuant to Bankruptcy Code section 364(d) of the Bankruptcy Code, by first priority priming liens on all encumbered assets of the Debtors (whether existing as of the Petition Date or after-acquired, tangible or intangible, and comprising real or personal property), which liens shall prime all other liens and claims, including the liens securing the Term Obligations and the Second Lien Obligations but excluding the items addressed in clause (c) below; (b) pursuant to Bankruptcy Code section 364(c)(2), first priority liens on all unencumbered assets of the Debtors (whether existing as of the Petition Date or after-acquired, tangible or intangible, and comprising real or personal property) including, upon entry of the Final Order, any causes of action under Bankruptcy Code sections 502(d), 544, 545, 547, 548,

549, 550 or 553 or any other avoidance actions under the Bankruptcy Code or applicable non-bankruptcy law and the proceeds thereof (“Avoidance Actions”) and (c) pursuant to the Bankruptcy Code 364(c)(3), junior-priority liens on all assets of the Debtors to the extent that such assets are subject to valid, perfected and unavoidable Permitted Liens (as such term shall be defined under the DIP Loan Documents) in favor of third parties that were in existence immediately prior to the Petition Date, or to valid and unavoidable Permitted Liens in favor of third parties that were in existence immediately prior to the Petition Date that were perfected subsequent to the Petition Date as permitted by Section 546(b) of the Bankruptcy Code (other than the existing liens and claims in respect of the Term Obligations and the Second Lien Obligations, which existing liens and claims will be primed by the liens described in clause (a) above) (such liens and security interests, collectively, the “DIP Liens”).

Subject to the Carve-Out, the DIP Obligations shall be allowed superpriority claims, pursuant to Bankruptcy Code section 364(c)(1), with priority over all other claims (including claims otherwise having priority under section 507 of the Bankruptcy Code or otherwise).

Use of Proceeds; Carve-Out Subject to the terms and conditions in this DIP Term Sheet, the proceeds of the DIP Facility shall be used only (x) to effect the Term Facility Refinancing and (y) otherwise in accordance with the terms of the Budget (other than with respect to the Reserve DIP Tranche, which may not be reflected in the Budget) and the DIP Loan Documents. Permitted uses for such funds shall include:

(i) to pay (x) all fees due to DIP Lenders and the DIP Agent under the DIP Loan Documents and (y) all reasonable pre- and post-petition professional fees and expenses (including legal, financial advisor, appraisal and valuation-related fees and expenses) incurred by the DIP Lenders and the DIP Agent, including, without limitation, those incurred in connection with the preparation, negotiation, documentation and court approval of the documentation and transactions contemplated by this DIP Term Sheet;

(ii) to provide working capital to the Debtors and to fund the Debtors' general corporate purposes (but not, for the avoidance of doubt, any equityholder or other affiliate of the Debtors except as expressly set forth in this DIP Term Sheet or the DIP Loan Documents);

(iii) fund the fees, costs and expenses of administration of the Chapter 11 Cases (including the Carve-Out); and

(iv) to pay amounts in respect of the adequate protection provided to the Term Facility Secured Parties (as defined below) and the Second Lien Secured Parties (as defined below).

Notwithstanding the foregoing, during the period between entry of

the Interim Order and entry of the Final Order, the proceeds of the DIP Facility shall not be used in connection with the payment of any fees or expenses incurred by any professional retained (or to be retained) in these Chapter 11 Cases.

The liens securing the DIP Obligations, the DIP Obligations status as "super-priority" claims, the "super-priority" claims and liens constituting the Term Facility Adequate Protection Claims (as defined below), and the liens securing the Term Obligations shall be subject to the Carve-Out and the Hedge Carve-Out.

Use of Cash Collateral The Debtors shall be entitled to use cash collateral of the DIP Agent, the Term Agent and the Second Lien Trustee (the "Cash Collateral") in accordance with the Budget and DIP Loan Documents.

¹² "Related Persons" means any person's or entity's respective directors, officers, funds, affiliates, members, employees, partners, managers, investment advisors, agents, representatives, principals, attorneys, consultants, professional advisors, heirs, executors, successors and assigns (each in their capacity as such).

Limitations on
Use of DIP
Proceeds and
Cash Collateral

The DIP Loan Documents shall provide customary and regular restrictions on the Debtors' use of Cash Collateral, the proceeds of the DIP Facility, and the collateral therefor. Those restrictions shall, without limitation, include:

(i) financing any investigation (including discovery proceedings), initiation or prosecution of any adversary action, suit, arbitration, proceeding, application, motion or other litigation of any type adverse to the DIP Agent or the DIP Lenders, the Term Facility Secured Parties, the Second Lien Secured Parties, or any of their respective Related Persons,¹² or their respective rights and remedies under or in respect of the DIP Facility, the Term Facility, the Second Lien Notes, or any interim or final order with respect to the DIP Facility and the adequate protection granted to the Term Facility Secured Parties and the Second Lien Secured Parties;

(ii) financing any action with respect to (a) the Term Facility or the Term Facility Secured Parties, (b) the Second Lien Notes or the Second Lien Secured Parties, (c) any claims, demands, liabilities, responsibilities, disputes, remedies, causes of action, indebtedness or obligations, or (d) the Debtors' Stipulations (as defined below);

(iii) any purpose that is (a) prohibited under the Bankruptcy Code, the Interim Order, the Final Order or the DIP Loan Documents or (b) not expressly provided for in the Budget; and

(iv) making any payment in settlement of any claim, action or proceeding, before any court, arbitrator or other governmental body, which payment is not provided for in the Budget, without the prior written consent of the DIP Lenders holding at least 50.1% of the total DIP Loans and DIP

Commitments (the "Majority DIP Lenders").

Notwithstanding the foregoing, advisors to the official unsecured creditors' committee, if one is appointed with regard to the Chapter 11 Cases, may investigate the liens granted pursuant to, or any claims under or causes of action with respect to, the Term Facility or the Second Lien Notes at an aggregate expense for such investigation not to exceed \$25,000. Further, no portion of such amount may be used to prosecute or support any claims.

Term Facility
Refinancing

Subject to entry of the Final Order, approximately \$283.9 million in outstanding Term Obligations consisting of principal and accrued and unpaid interest under the Term Facility as of the Petition Date will be repaid from the proceeds of the DIP Loans (the "Term Facility Refinancing").

Adequate Protection Adequate Protection for Term Facility: The Term Agent and the Term Lenders (collectively, the “Term Facility Secured Parties”) shall be entitled to adequate protection of their interests in the Collateral (as defined in the Term Credit Agreement, the “Term Facility Collateral”). Such adequate protection shall be in an amount equal to the aggregate diminution in the value of their interests in the Term Facility Collateral (the “Term Facility Adequate Protection Claims”) in the form of:

(i) a senior perfected replacement lien on all Term Facility Collateral, including any such assets of the Debtors’ estates existing as of the Petition Date or thereafter acquired, and all proceeds thereof, to secure the Term Facility Adequate Protection Claims, senior to all other liens on such Term Facility Collateral (other than the DIP Liens), subject to the Carve-Out and the Hedge Carve-Out;

(ii) additional perfected liens on all assets of the Debtors that do not constitute Term Facility Collateral but constitute collateral for the DIP Facility (including, for the avoidance of doubt, any Avoidance Actions and the proceeds thereof upon the entry of the Final Order), senior to all other liens on such collateral (other than the DIP Liens), subject to the Carve-Out and the Hedge Carve-Out (together with the adequate protection liens granted to the Term Facility Secured Parties in clause (i) immediately above, the “Term Facility Adequate Protection Liens”);

(iii) superpriority claims as provided in section 507(b) in the amount of any Term Facility Adequate Protection Claims, with priority over all other superpriority and administrative expense claims except the Carve-Out, the Hedge Carve-Out and the DIP Obligations;

(iv) within three (3) business days following the initial funding of the DIP Loans, payment in cash of all accrued and unpaid reasonable pre-petition fees and expenses of the Term

Facility Secured Parties (including, but not limited to, fees and expenses of their advisors); and

(v) after entry of the Interim Order, monthly payment in cash of the reasonable and documented costs, fees and expenses of the Term Facility Secured Parties (including, but not limited, to fees and expenses of their advisors) in accordance with the Term Credit Agreement.

All interest on the Term Facility, including accrued and unpaid interest as of the Petition Date and interest accruing thereafter, shall not be paid currently, but shall continue to accrue at the non-default rate. To the extent permitted under the Bankruptcy Code and by the Bankruptcy Court, all such interest shall be deemed part of the Term Facility Secured Parties’ secured claim for all purposes, including for purposes of any credit bid under section 363(k) of the Bankruptcy Code.

Adequate Protection for Second Lien Notes: The Second Lien Trustee and the holders of the Second Lien Notes (the “Second Lien Secured Parties”) shall be entitled to adequate protection of their interests in the Collateral (as defined in the Second Lien Indenture, the “Second Lien Collateral”). Such adequate protection shall be in an amount equal to the aggregate diminution in the value of their interests in the Second Lien Collateral (the “Second Lien Adequate Protection Claims”) in the form of:

(i) a senior perfected replacement lien on all the Second Lien Collateral, including any such assets of the Debtors’ estates existing as of the Petition Date or thereafter acquired, and all proceeds thereof, to secure the Second Lien Adequate Protection Claims, senior to all other liens on such Second Lien Collateral (other than the liens thereon securing the DIP Facility, the Term Obligations, or the Term Facility Adequate Protection Claims), subject to the Carve-Out and the Hedge Carve-Out;

(ii) additional perfected liens on all assets of the Debtors that do not constitute Second Lien Collateral (including, for the avoidance of doubt, any Avoidance Actions and the proceeds thereof upon the entry of the Final Order), senior to all other liens on such collateral (other than the DIP Liens, the liens securing the Term Obligations, the Term Facility Adequate Protection Liens, and the Term Facility Adequate Protection Claims), subject to the Carve-Out and the Hedge Carve-Out;

(iii) superpriority claims as provided in section 507(b) in the amount of any Second Lien Adequate Protection Claims, with priority over all other superpriority and administrative expense claims except the Carve-Out, the Hedge Carve-Out, the DIP Obligations, the Term Obligations, the Term Facility Adequate Protection Claims, and the Term Facility Adequate Protection Liens;

All interest on the Second Lien Notes, including accrued and unpaid interest as of the Petition Date and interest accruing thereafter, shall not be paid currently, but shall continue to accrue at the non-default rate. To the extent permitted under the Bankruptcy Code and by the Bankruptcy Court, all such interest shall be deemed part of the Second Lien Secured Parties' secured claim for all purposes, including for purposes of any credit bid under section 363(k) of the Bankruptcy Code.

Scheduled Maturity Date The earliest of (i) thirty (30) days following the Petition Date if the Final Order shall not have been entered by such date, (ii) the effective date of an Acceptable Plan,¹³ (iii) February 15, 2019 and (iv) the date that all DIP Loans shall become due and payable in full in accordance with the terms of the DIP Facility, including due to acceleration (whether voluntary or involuntary). For the avoidance of doubt, upon the maturity of the DIP Obligations, certain of the DIP Obligations shall, under the circumstances provided for in the restructuring term sheet (the "Restructuring Term Sheet") attached to the Restructuring Support Agreement dated as of October 26, 2018 (the "RSA"), be rolled-over into an exit facility as more thoroughly described in the Restructuring Term Sheet.

Interest on the New Money Loans shall be paid in cash monthly and upon any repayment or prepayment. Interest on the Roll-up Loans shall be paid in kind and any reference to “principal amount” of the Roll-up Loans shall include any interest so capitalized and added to the principal amount thereof. Notwithstanding the foregoing, upon the occurrence of any Event of Default under the DIP Facility, and upon written notice from the Majority DIP Lenders, such interest rate margin in respect of the DIP Loans shall automatically increase as of the date of the occurrence of the Event of Default by an additional 3.0% per annum (the “Default Rate”). A customary alternate base rate option will be available (or required) as an alternative to adjusted LIBOR.</p>
Upfront/Arrangement Fee	<p>Interest shall be due and payable on (a) the last day of each interest period for DIP Loans bearing interest at LIBOR and (b) the last business day of each month for DIP Loans bearing interest at an alternate base rate.</p> <p>An upfront and arrangement fee in an aggregate amount equal to 1.75% of the aggregate principal amount of the New Money Loans shall be due and payable to the DIP Lenders in cash on the initial funding date of the New Money Loans.</p>

Budget; Prior to the commencement of the Chapter 11 Cases, the DIP Lenders shall receive an initial 13-week budget commencing with the week during which the Petition Date shall occur. The budget shall contain line items of sufficient detail to reflect the Debtors' consolidated projected receipts and disbursements for such 13-week period, as set forth on a week-by-week basis. The 13-week budget shall be in form and substance satisfactory to the Majority DIP Lenders in their sole discretion (the "Initial Budget"). The Budget (as defined below) shall also contain line items of sufficient detail to reflect the Debtors' consolidated projected professional fees (the "Professional Fees Estimate") and royalty obligations (the "Royalty Estimate"). The Debtors shall provide a new budget to the DIP Lenders on the Thursday of each week, beginning with the Thursday of the second full week after the Petition Date. Once delivered and approved by the Majority DIP Lenders in their sole discretion, each subsequent budget shall become the new budget (together with the Initial Budget, each such subsequent budget, the "Budget"). To the extent such subsequent budget is not approved by the Majority DIP Lenders, the existing budget shall remain as the Budget.

Permitted

Variances

Commencing on the Thursday of the second full week after the Petition Date, the Debtors shall deliver to the DIP Lenders on the Thursday of each calendar week (a) a variance report comparing actual cash disbursements for the preceding Testing Period (as defined below) to the projected cash disbursements for such Testing Period as set forth in the Budget and (b) a variance report comparing actual cash receipts for the preceding Testing Period to the projected cash receipts for such Testing Period as set forth in the Budget, in each case such variance reports to be certified by the chief financial officer of the Debtors (the variance test described in the foregoing clauses (a) and (b), the "Budget Test"). The Budget Test shall not include a test on the Professional Fees Estimate.

"Testing Period" means (a) with respect to the initial Budget Test, the Petition Date through and including the last day of the first full week after the Petition Date and (b) with respect to each subsequent

Budget Test, the first day after the end of the immediately preceding week through and including the last day of the same calendar week.

"Permitted Variance" means for any Testing Period, a variance of not more than (a) 20% less than the amount in the Budget for the operating receipts for such Testing Period measured on a line-by-line basis after giving effect to any Operating Receipt Carryforward (as defined below) and (b) 10% more than the amount in the Budget for the operating disbursements measured on a line-by-line basis after giving effect to any Operating Disbursement Carryforward (as defined below). Additional variances, if any, from the Budget shall be subject to the written consent of the Majority DIP Lenders in their sole discretion.

An "Operating Receipt Carryforward" is the amount by which the amount of actual cash receipts received in a Testing Period exceeds the amount of any projected cash receipts set forth in the Budget for such Testing Period, which amounts shall carry forward into the next succeeding Testing Period.

An "Operating Disbursement Carryforward" is the amount of any projected cash disbursements set forth in the Budget for a Testing Period not expended in such Testing Period, which amounts shall carry forward into the next succeeding Testing Period.

Substantially concurrently with the delivery of the applicable variance report, the Debtors shall deliver to the DIP Lenders a "flash" cash report detailing all cash and cash equivalents of each of the Debtors (broken out by entity) as of the close of business of the last business day of the prior week.

The stipulations, acknowledgements, and agreements of the Debtors set forth in this section are referred to collectively as the “Debtors’ Stipulations”. For the avoidance of doubt, nothing in this DIP Term Sheet or the DIP Orders shall be deemed a waiver of any of the Debtors’, the Term Facility Secured Parties’ or the Second Lien Secured Parties’ respective rights, remedies, claims or defenses, including, but not limited to, any rights, remedies, claims or defenses under the Term Loan Documents, the Second Lien Documents, or under applicable law (including, but not limited to, any claims under Bankruptcy Code section 506(b)). 1. Carve Out.

(a) Carve Out. As used in this [Final/Interim] Order, the “Carve Out” means the sum of (i) all fees required to be paid to the Clerk of the Court and to the Office of the United States Trustee under section 1930(a) of title 28 of the United States Code plus interest at the statutory rate (without regard to the notice set forth in (iii) below); (ii) all reasonable fees and expenses up to \$50,000 incurred by a trustee under section 726(b) of the Bankruptcy Code (without regard to the notice set forth in (iii) below); (iii) to the extent allowed at any time, whether by interim order, procedural order, or otherwise, all unpaid fees and expenses (the “Allowed Professional Fees”) incurred by persons or firms retained by the Debtors pursuant to section 327, 328, or 363 of the Bankruptcy Code (the “Debtor Professionals”) and the Creditors’ Committee (if any) pursuant to section 328 or 1103 of the Bankruptcy Code (the “Committee Professionals” and, together with the Debtor Professionals, the “Professional Persons”) at any time before or on the first business day following delivery by the DIP Agent or the Majority DIP Lenders of a Carve Out Trigger Notice (as defined below), whether allowed by the Court prior to or after delivery of a Carve Out Trigger Notice; and (iv) Allowed Professional Fees of Professional Persons in an aggregate amount not to exceed \$350,000 incurred after the first business day following delivery by the DIP Agent or the Majority DIP Lenders of the Carve Out Trigger Notice, to the extent allowed at any time, whether by interim order, procedural order, or otherwise (the amounts set forth in this clause (iv) being the “Post-Carve Out Trigger Notice Cap”). For purposes of the foregoing, “Carve Out Trigger Notice” shall mean a written notice delivered by email (or other electronic means) by the DIP Agent or the Majority DIP Lenders (or by counsel to either of the foregoing) to the Debtors, their lead restructuring counsel, the U.S. Trustee, and counsel to the Creditors’ Committee (if any), which notice may be delivered following the occurrence and during the continuation of an Event of Default and acceleration of

the DIP Obligations under the DIP Facility, stating that the Post-Carve Out Trigger Notice Cap has been invoked.

(b)Carve Out Reserves. On the day on which a Carve Out Trigger Notice is given by the DIP Agent to the Debtors with a copy to counsel to the Creditors' Committee (if any) (the "Termination Declaration Date"), the Carve Out Trigger Notice shall (i) be deemed a draw request and notice of borrowing by the Debtors for New Money Loans under the Final DIP Tranche (each, as defined in the DIP Loan Documents) (on a pro rata basis based on the then outstanding DIP Loans), in an amount equal to the then unpaid amounts of the Allowed Professional Fees (any such amounts actually advanced shall constitute DIP Loans) and (ii) also constitute a demand to the Debtors to utilize all cash on hand as of such date and any available cash thereafter held by any Debtor to fund a reserve in an amount equal to the then unpaid amounts of the Allowed Professional Fees. The Debtors shall deposit and hold such amounts in a segregated account at or in the name of the DIP Agent in trust to pay such then unpaid Allowed Professional Fees (the "Pre-Carve Out Trigger Notice Reserve") prior to any and all other claims. On the Termination Declaration Date, the Carve Out Trigger Notice shall also (i) be deemed a request by the Debtors for New Money Loans under the Final DIP Tranche (on a pro rata basis based on the then outstanding DIP Loans), in an amount equal to the Post Carve Out Trigger Notice Cap (any such amounts actually advanced shall constitute DIP Loans) and (ii) constitute a demand to the Debtors to utilize all cash on hand as of such date and any available cash thereafter held by any Debtor, after funding the Pre-Carve Out Trigger Notice Reserve, to fund a reserve in an amount equal to the Post Carve Out Trigger Notice Cap. The Debtors shall deposit and hold such amounts in a segregated account at or in the name of the DIP Agent in trust to pay such Allowed Professional Fees benefiting from the Post-Carve Out Trigger Notice Cap (the "Post Carve Out Trigger Notice Reserve" and, together with the Pre-Carve Out Trigger Notice Reserve, the "Carve Out Reserves") prior to any and all other claims. On the first

business day after the DIP Agent gives such notice to such DIP Lenders (as defined in the DIP Loan Documents), notwithstanding anything in the DIP Loan Documents to the contrary, including with respect to the existence of a Default (as defined in the DIP Loan Documents) or Event of Default, the failure of the Debtors to satisfy any or all of the conditions precedent for borrowing of New Money Loans under the Final DIP Tranche under the DIP Facility, any termination of the DIP Facility following an Event of Default, or the occurrence of the Maturity Date, each DIP Lender (on a pro rata basis based on the then outstanding DIP Loans) shall make available to the DIP Agent such DIP Lender's pro rata share with respect to such borrowing in accordance with the DIP Loan Documents. All funds in the Pre-Carve Out Trigger Notice Reserve shall be used first to pay the obligations set forth in clauses (i) through (iii) of the definition of Carve Out set forth above (the "Pre-Carve Out Amounts"), but not, for the avoidance of doubt, the Post-Carve Out Trigger Notice Cap, until paid in full, and then, to the extent the Pre Carve Out Trigger Notice Reserve has not been reduced to zero, to pay the DIP Agent for the benefit of the DIP Lenders, unless the DIP Obligations have been indefeasibly paid in full, in cash, and all DIP Loans have been terminated, in which case any such excess shall be paid to the holders of Term Obligations and Second Lien Obligations in accordance with their rights and priorities as of the Petition Date. All funds in the Post-Carve Out Trigger Notice Reserve shall be used first to pay the obligations set forth in clause (iv) of the definition of Carve Out set forth above (the "Post-Carve Out Amounts"), and then, to the extent the Post Carve Out Trigger Notice Reserve has not been reduced to zero, to pay the DIP Agent for the benefit of the DIP Lenders, unless the DIP Obligations have been indefeasibly paid in full, in cash, and all DIP Loans have been terminated, in which case any such excess shall be paid to the holders of Term Obligations and Second Lien Obligations in accordance with their rights and priorities as of the Petition Date. Notwithstanding anything to the contrary in the DIP Loan Documents, or this [Final/Interim] Order, if either of the Carve Out Reserves is not funded in full in the amounts set

forth in this paragraph [], then, any excess funds in either of the Carve Out Reserves following the payment of the Pre-Carve Out Amounts and Post-Carve Out Amounts, respectively, shall be used to fund the other Carve Out Reserve, up to the applicable amount set forth in this paragraph [], prior to making any payments to the DIP Agent or the holders of Term Obligations and Second Lien Obligations, as applicable. Notwithstanding anything to the contrary in the DIP Loan Documents or this [Final/Interim] Order, following delivery of a Carve Out Trigger Notice, the DIP Agent, the Term Agent, and the Second Lien Trustee shall not sweep or foreclose on cash (including cash received as a result of the sale or other disposition of any assets) of the Debtors until the Carve Out Reserves have been fully funded, but shall have a security interest in any residual interest in the Carve Out Reserves, with any excess paid to the DIP Agent for application in accordance with the DIP Loan Documents. Further, notwithstanding anything to the contrary in this [Final/Interim] Order, (i) disbursements by the Debtors from the Carve Out Reserves shall not constitute DIP Loans (as defined in the DIP Loan Documents) or increase or reduce the DIP Obligations, (ii) the failure of the Carve Out Reserves to satisfy in full the Allowed Professional Fees shall not affect the priority of the Carve Out, and (iii) in no way shall the Budget, Carve Out, Post-Carve Out Trigger Notice Cap, Carve Out Reserves, or any of the foregoing be construed as a cap or limitation on the amount of the Allowed Professional Fees due and payable by the Debtors. For the avoidance of doubt and notwithstanding anything to the contrary in this [Final/Interim] Order, the DIP Facility, or in the Term Facility or Second Lien Notes, the Carve Out shall be senior to all liens and claims securing the DIP Facility, the Term Facility Adequate Protection Claims, and the Second Lien Adequate Protection Claims, and any and all other forms of adequate protection, liens, or claims securing the DIP Obligations, the Term Obligations, or the Second Lien Obligations.

(c)Payment of Allowed Professional Fees Prior to the Termination Declaration Date. Any payment or reimbursement made prior to the occurrence of the

Termination Declaration Date in respect of any Allowed Professional Fees shall not reduce the Carve Out.

(d)No Direct Obligation To Pay Allowed Professional Fees. None of the DIP Agent, DIP Lenders, Term Lenders, the holders of Second Lien Notes, the Term Agent, or the Second Lien Trustee shall be responsible for the payment or reimbursement of any fees or disbursements of any Professional Person incurred in connection with the Chapter 11 Cases or any successor cases under any chapter of the Bankruptcy Code. Nothing in this [Interim/Final] Order or otherwise shall be construed to obligate the DIP Agent, the DIP Lenders, the Term Lenders, the holders of Second Lien Notes, the Term Agent, or the Second Lien Trustee in any way, to pay compensation to, or to reimburse expenses of, any Professional Person or to guarantee that the Debtors have sufficient funds to pay such compensation or reimbursement.

(e)Payment of Carve Out On or After the Termination Declaration Date. Any payment or reimbursement made on or after the occurrence of the Termination Declaration Date in respect of any Allowed Professional Fees shall permanently reduce the Carve Out on a dollar-for-dollar basis. Any funding of the Carve Out shall be added to, and made a part of, the DIP Obligations secured by the DIP Facility collateral and shall be otherwise entitled to the protections granted under this [Final/Interim] Order, the DIP Loan Documents, the Bankruptcy Code, and applicable law.

(vii) not object to or join in any objection to, on any grounds, including but not limited to, avoidance, disallowance, expungement, recharacterization, subordination, or otherwise, the Hedge Claims;

(viii) timely file an objection or response with the Bankruptcy Court to any motion, or other pleading, filed with the Bankruptcy Court by a party seeking the entry of an order: (1) directing the appointment of a trustee or examiner (with expanded powers beyond those set forth in section 1106(a)(3) and (4) of the Bankruptcy Code); (2) converting any of the Chapter 11 Cases to a case under chapter 7 of the Bankruptcy Code; (3) dismissing any of the Chapter 11 Cases; (4) modifying or terminating the Company's exclusive right to file and/or solicit acceptances of a plan of reorganization, as applicable; or (5) objecting to the Hedge Claims; and

(ix) not directly or indirectly: (A) delay, impede, or take any other action to interfere with the acceptance, implementation, or consummation of the Restructuring Transaction, or otherwise take any action which would, or which would reasonably be expected to, breach or be inconsistent with this Agreement; or (B) support, encourage or direct any other person or entity to take any action referred to in this Section 4.02(a)(ix).

(b) Nothing in this Agreement shall require the Company, the Board or any other person or entity, after consulting with counsel, to take any action or to refrain from taking any action with respect to the Restructuring Transaction to the extent taking or failing to take such action would be inconsistent with applicable law or its fiduciary obligations under applicable law.

Section Representations and Warranties of Hedge Parties. Each Hedge Party, severally, and not jointly, represents and warrants for itself and not any other person or entity that the following statements are true, correct, and complete, to the best of its actual knowledge, as of the date of this Agreement and the Hedge Termination Date (as defined in the Hedge Party Term Sheet):

(a) it is the owner of the Hedge Claims;

(b) such Hedge Claims are free and clear of any pledge, lien, security interest, charge, claim, equity, option, proxy, voting restriction, right of first refusal, or other limitation on disposition, transfer, or encumbrances of any kind, that would materially and adversely affect such Hedge Party's ability to perform any of its obligations under this Agreement at the time such obligations are required to be performed; and

(c) it has the full power and authority to act on behalf of, vote, and consent to matters concerning such Hedge Claims.

Section Mutual Representations and Warranties. Each (i) Hedge Party, severally, and not jointly, and (ii) Company
6. Party, on a joint and several basis, represents and warrants for itself and not any other person or entity that the following statements are true, correct, and complete, to the best of its actual knowledge, as of the date of this Agreement:

6.01.Enforceability. It is validly existing and in good standing under the laws of the state of its organization. This Agreement is a legal, valid, and binding obligation of such Party, enforceable against it in accordance with its terms, except as enforcement may be limited by applicable laws relating to or limiting creditors' rights generally or by equitable principles relating to enforceability.

6.02.No Consent or Approval. Except as expressly provided in this Agreement, the Plan (if applicable), the Hedge Party Term Sheet, or the Bankruptcy Code, no consent or approval is required by any other person or entity in order for it to effectuate the Restructuring Transaction contemplated by, and perform the respective obligations under, this Agreement.

6.03.Power and Authority. Except as expressly provided in this Agreement and subject to applicable law, it has all requisite corporate or other power and authority to enter into, execute, and deliver this Agreement and to effectuate the Restructuring Transaction contemplated by, and perform its respective obligations under, this Agreement. Each of the Definitive Documents will be duly authorized and, assuming due authorization, execution and delivery of such Definitive Document by the other parties to such Definitive Document, when executed and delivered by each Party, will constitute a legal, valid, binding instrument enforceable against the Parties in accordance with its terms (subject, as to enforcement of remedies, to applicable bankruptcy, reorganization, insolvency, moratorium or other laws affecting creditors' rights generally from time to time in effect and to general principles of equity).

6.04.Other Representations. Each Party represents and warrants that it has sufficient knowledge and experience to evaluate properly the terms and conditions of the Restructuring Term Sheet, the Plan (if applicable), and this Agreement. Each Party further represents and warrants that it has been afforded the opportunity to consult with its legal and financial advisors with respect to its decision to execute this Agreement, and it has made its own analysis and decision to enter into this Agreement and otherwise investigated this matter to its full satisfaction.

Section Cooperation and Support. The Company shall provide the Hedge Parties with reasonable advance notice of
7. and an opportunity to review and comment on each Definitive Document. The form and substance of such Definitive Document shall be subject to the consent and approval rights of the Company and the Hedge Parties set forth in Section 3 of the Restructuring Support Agreement.

Section 8. Termination Events.

8.01.Hedge Party Termination Events. With respect to any Hedge Party, so long as such Hedge Party has not failed to perform or comply in all material respects with the terms and conditions of this Agreement (unless such failure is the result of any act, omission or delay on

the part of any Company Party in violation of its obligations under this Agreement), this Agreement may be terminated by such Hedge Party as to such Hedge Party pursuant to this Section 8.01 upon prior written notice delivered in accordance with this Agreement, upon the occurrence and continuation of any of the following events:

- (a) the occurrence of a material breach of this Agreement by any Party other than the terminating Hedge Party. However, if such breach is capable of being cured, the breaching Party shall have five (5) business days following written notice from such Hedge Party of the occurrence thereof to cure such breach;
- (b) the (i) conversion of one or more of the Chapter 11 Cases of the Company Parties to a case under chapter 7 of the Bankruptcy Code, (ii) dismissal of one or more of the Chapter 11 Cases of the Company Parties, unless such conversion or dismissal, as applicable, is made with the prior written consent of such Hedge Party, or (iii) appointment of a trustee, receiver, or examiner with expanded powers beyond those set forth in section 1106(a)(3) or (4) of the Bankruptcy Code in one or more of the Chapter 11 Cases;
- (c) any of the Definitive Documents do not comply with Section 3 of this Agreement;
- (d) a material breach by any Company Party of any representation or warranty of such Company Party set forth in Section 6 of this Agreement that could reasonably be expected to have a material adverse impact on the consummation of the Restructuring Transaction that (to the extent curable) remains uncured for a period of ten (10) business days after the receipt by the Company of written notice and description of such breach from any other Party;
- (e) any Company Party terminates its obligations under and in accordance with Section 8.02 of this Agreement;
- (f) the failure to meet any of the Milestones unless: (i) such failure is the result of any act, omission, or delay on the part of such Hedge Party in material violation of its obligations under this Agreement; or (ii) such Milestone previously has been waived by such Hedge Party; or
- (g) any other Hedge Party terminates its obligations under and in accordance with this Section 8.01.

8.02. Company's Termination Events. So long as no Company Party has failed to perform or comply in all material respects with the terms and conditions of this Agreement (unless such failure is the result of any act, omission, or delay on the part of the Hedge Parties in violation of their obligations under this Agreement), the Company may terminate this Agreement as to all Parties upon prior written notice, delivered in accordance with Section 11.09 of this Agreement, upon the occurrence of any of the following events:

- (a) A material breach by any of the Hedge Parties of any provision set forth in this Agreement that has an adverse effect on the Company and that (to the extent curable) remains uncured for a period of five (5) business days after the receipt by the Hedge Parties of notice of such material breach;

(b) the Board determines, after consulting with counsel, that proceeding with the Restructuring Transaction would be inconsistent with its fiduciary duties or applicable law and that failure to terminate this Agreement would be inconsistent with the exercise of its fiduciary obligations or applicable law; or

(c) the Bankruptcy Court enters an order denying confirmation of the Plan.

8.03. Mutual Termination. This Agreement, and the obligations of all Parties hereunder, may be terminated by mutual written agreement among each of the Company and the Hedge Parties.

8.04. Termination upon Completion of the Restructuring Transaction. This Agreement shall terminate automatically without any further required action or notice on the effective date of the Plan.

8.05. Effect of Termination. Upon the termination of this Agreement as to a Party, this Agreement shall be of no further force or effect with respect to such Party. Each Party subject to such termination shall: (a) be released from its commitments, undertakings, and agreements under or related to this Agreement; (b) have the rights and remedies that it would have had, had it not entered into this Agreement; and (c) be entitled to take all actions, whether with respect to the Restructuring Transaction or otherwise, that it would have been entitled to take had it not entered into this Agreement. The termination of this Agreement with respect to any Party shall not relieve or absolve any Party of any liability for any breaches of this Agreement that preceded the termination of the Agreement.

Section Fees and Expenses. Upon receipt of a request for payment, the Company shall promptly pay and reimburse
9. all reasonable and documented fees and out-of-pocket fees and expenses of the Hedge Parties, including the fees and expenses of all attorneys, accountants, advisors, consultants, and other professionals of the Hedge Parties (regardless of whether such fees and expenses are incurred before or after the Petition Date).

Section Amendments; Consents and Waivers. This Agreement (including the Exhibits and Schedules), may not be
10. modified, amended, or supplemented in any manner except in writing signed by the Company and each of the Hedge Parties. Any proposed modification, amendment, or supplement that is not approved by the requisite Parties as set forth above shall be ineffective and void ab initio.

Section 11. Miscellaneous.

11.01. Further Assurances. Subject to the other terms of this Agreement, the Parties agree to execute and deliver such other instruments and perform such acts, in addition to the matters in this Agreement specified, as may be reasonably appropriate or necessary, or as may be required by order of the Bankruptcy Court, from time to time, to effectuate the Restructuring Transaction, as applicable.

11.02. Complete Agreement. This Agreement (including the Exhibits and Schedules) constitutes the entire agreement among the Parties with respect to the subject matter of this

Agreement and supersedes all prior negotiations, agreements, and understandings, whether oral or written, among the Parties with respect thereto.

11.03.Headings. The headings of all sections of this Agreement are inserted solely for the convenience of reference and are not a part of and are not intended to govern, limit, or aid in the construction or interpretation of any term or provision of this Agreement.

11.04.GOVERNING LAW; SUBMISSION TO JURISDICTION; SELECTION OF FORUM; WAIVER OF TRIAL BY JURY. THIS AGREEMENT IS TO BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK APPLICABLE TO CONTRACTS MADE AND TO BE PERFORMED IN SUCH STATE, WITHOUT GIVING EFFECT TO THE CONFLICT OF LAWS PRINCIPLES THEREOF. Each Party to this Agreement agrees that it shall bring any action or proceeding in respect of any claim arising out of or related to this Agreement in either the United States District Court for the Southern District of New York or any New York state court (the "Chosen Courts"). Solely in connection with claims arising under this Agreement, each Party: (a) irrevocably submits to the exclusive jurisdiction of the Chosen Courts; (b) waives any objection to laying venue in any such action or proceeding in the Chosen Courts; and (c) waives any objection that the Chosen Courts are an inconvenient forum or do not have jurisdiction over any Party to this Agreement or constitutional authority to finally adjudicate the matter. Notwithstanding the foregoing, if the Company Parties commence the Chapter 11 Cases, then the Bankruptcy Court (or court of proper appellate jurisdiction) shall be the exclusive Chosen Court.

11.05.Trial by Jury Waiver. EACH PARTY TO THIS AGREEMENT IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

11.06.Execution of Agreement. This Agreement may be executed and delivered in any number of counterparts and by way of electronic signature and delivery. Each such counterpart, when executed and delivered, shall be deemed an original, and all of which together shall constitute the same agreement. Except as expressly provided in this Agreement, each individual executing this Agreement on behalf of a Party has been duly authorized and empowered to execute and deliver this Agreement on behalf of said Party.

11.07.Interpretation and Rules of Construction. This Agreement is the product of good faith negotiations among the Company and the Hedge Parties. Consequently, this Agreement shall be enforced and interpreted in a neutral manner. Any presumption with regard to interpretation for or against any Party by reason of that Party having drafted or caused to be drafted this Agreement, or any portion of this Agreement, shall not be effective in regard to the interpretation of this Agreement. The Company and the Hedge Parties were each represented by counsel during the negotiations and drafting of this Agreement and continue to be represented by counsel. Accordingly, any rule of law or any legal decision that would provide any Party with a defense to the enforcement of the terms of this Agreement against such Party based upon lack of legal counsel, shall have no application and is expressly waived. In addition, this Agreement shall be interpreted in accordance with section 102 of the Bankruptcy Code. For the purposes of

this Agreement, the term “including” shall mean “including, without limitation,” whether or not so specified.

11.08.Successors and Assigns. This Agreement is intended to bind and inure to the benefit of the Parties and their respective successors and permitted assigns, as applicable. There are no third party beneficiaries under this Agreement, and the rights or obligations of any Party under this Agreement may not be assigned, delegated, or transferred to any other person or entity.

11.11.Specific Performance. It is understood and agreed by the Parties that money damages would be an insufficient remedy for any breach of this Agreement by any Party. Consequently, each non-breaching Party shall be entitled to specific performance and injunctive or other equitable relief (without the posting of any bond and without proof of actual damages) as a remedy of any such breach, including an order of the Bankruptcy Court or other court of competent jurisdiction requiring any Party to comply promptly with any of its obligations hereunder.

11.12.Severability and Construction. If any provision of this Agreement shall be held by a court of competent jurisdiction to be illegal, invalid, or unenforceable, the remaining provisions shall remain in full force and effect if the essential terms and conditions of this Agreement for each Party remain valid, binding, and enforceable.

11.13.Remedies Cumulative. All rights, powers, and remedies provided under this Agreement or otherwise available in respect of this Agreement at law or in equity shall be cumulative and not alternative. The exercise of any right,

power, or remedy by any Party shall not preclude the simultaneous or later exercise of any other such right, power, or remedy by such Party.

24

11.14.Email Consents. Where a written consent, acceptance, approval, or waiver is required pursuant to or contemplated by this Agreement, such written consent, acceptance, approval, or waiver shall be deemed to have occurred if, by agreement between counsel to the Parties submitting and receiving such consent, acceptance, approval, or waiver, it is conveyed in writing (including electronic mail) between each such counsel without representations or warranties of any kind on behalf of such counsel.

Hedge Party Term Sheet

Gastar Exploration Inc.

HEDGE PARTY TERM SHEET

October 26, 2018

This term sheet (the “Hedge Party Term Sheet”) summarizes the material terms and conditions of certain transactions in connection with an in-court restructuring (the “Restructuring Transaction”) of the capital structure and financial obligations of Gastar Exploration Inc., a Delaware corporation (“Gastar”), and its subsidiary related to the obligations of Gastar under the applicable Initial Swap Party ISDAs (as defined in the hereinafter defined Existing Intercreditor Agreement, the “Initial Swap Party ISDAs”) entered into between Gastar and each of the Hedge Parties (as defined below). This Hedge Party Term Sheet is attached to and made a part of the Hedge Party Restructuring Support Agreement (as amended, modified or supplemented from time to time, the “Hedge Party RSA”¹⁸), dated as of October 26, 2018, by and among the Company and the Hedge Parties (as each such term is defined below).

THIS HEDGE PARTY TERM SHEET DOES NOT CONSTITUTE (NOR SHALL IT BE CONSTRUED AS) AN OFFER OR PROPOSAL WITH RESPECT TO ANY SECURITIES OR A SOLICITATION OF ACCEPTANCES OR REJECTIONS AS TO ANY chapter 11 PLAN. THE PARTIES TO THIS TERM SHEET ACKNOWLEDGE AND AGREE THAT ANY SUCH OFFER, PROPOSAL OR SOLICITATION, IF ANY, WILL BE MADE ONLY IN COMPLIANCE WITH APPLICABLE PROVISIONS OF ALL APPLICABLE LAW. THIS HEDGE PARTY TERM SHEET DOES NOT ADDRESS ALL TERMS THAT WOULD BE REQUIRED IN CONNECTION WITH ANY RESTRUCTURING TRANSACTION.

OVERVIEW

Parties to the Restructuring Company: Gastar; Northwest Property Ventures, LLC; and any other future subsidiaries of Gastar (collectively, the “Company”).

Hedge Parties: Each of Cargill, Inc. (“Cargill”) and NextEra Energy Marketing, LLC (“NextEra”, and together with Cargill, the “Hedge Parties”), in its capacity as holder of claims arising under or related to the Company’s prepetition transactions entered into by such Hedge Party with any Company Party under the applicable Initial Swap Party ISDA, including all liabilities and other obligations of the Company outstanding as of the date of commencement of the Chapter 11 Cases (the “Petition Date”) and all claims of the applicable Hedge Party arising out of the termination thereof (such claims, with respect to any Hedge Party individually or with respect to the Hedge Parties collectively, as the context requires, the “Hedge Claims”).

The Company and the each of the Hedge Parties is referred to in this Hedge Party Term Sheet as a “Party”, and they are collectively referred to in this Restructuring Term Sheet as the “Parties”.

¹⁸ Capitalized terms used but not defined herein have the meaning given to them in the Hedge Party RSA.

Treatment of The Restructuring Transaction will be implemented pursuant to the Chapter 11 Cases on the terms set forth in the Plan.

Hedge
Claims

The Plan shall provide that, on the effective date of the Plan (the “Effective Date”), each holder of Hedge Claims shall receive cash in an amount equal to 100% of such holder’s Hedge Claims (the “Hedge Claims Payment Amount”), payable in the following installments:

(i) on the Effective Date, an amount (the “Catch-Up Payment Amount”) equal to the product of:

(a) the number of monthly settlement payments that would have occurred after the Hedge Termination Date and on or prior to the Effective Date had the Hedge Claims not been liquidated divided by 14; and

(b) the Hedge Claims Payment Amount; and

(ii) the remaining amount of the Hedge Claims Payment Amount owed to each Hedge Party in equal monthly installments with such remaining amount to be paid in full by December 31, 2019 pursuant to new secured notes issued to each Hedge Party (such notes, the “Hedge Party Secured Notes”) that will be secured by an uncapped first priority security interest in and lien on the Collateral (as defined below), which security interest and lien shall rank pari passu with the liens granted to the holders of the senior-most creditors (with respect to debt for borrowed money) of the Company (which, for the avoidance of doubt, may be the creditors under the first lien exit facility after the Effective Date (the “Exit Facility”) to be provided on the Effective Date by funds affiliated with Ares Management, L.P. (“Ares”) under the Plan). Funds in the Exit Facility will be available to make payments under the Hedge Party Secured Notes.

Each holder of Hedge Claims shall receive under the Plan the treatment described above in full and final satisfaction, settlement, release, and discharge of and in exchange for such holder’s Hedge Claims. Any action to be taken by the Company on the Effective Date may be taken on the Effective Date or as soon as is reasonably practicable thereafter.

Prior to the Effective Date but after effectiveness of the DIP Orders (as defined in the Hedge Party RSA), the Hedge Claims shall be secured by a first priority lien on the same collateral securing the hedge and swap transactions between the Company Parties and the Hedge Parties as of the date of the Hedge Party RSA in accordance with the Existing Intercreditor Agreement and Security Instruments (as defined in the hereinafter defined Existing Intercreditor Agreement). The Hedge Parties’ existing senior secured liens and security interests shall be acknowledged and

preserved in the DIP Order, and shall not be primed.

Prior to the effectiveness of the DIP Orders, the Hedge Claims shall be secured by the liens on and security interests in the Collateral (as defined in the Existing Intercreditor Agreement), in accordance with the terms of the Existing Intercreditor Agreement and Security Instruments.

Liquidation
of Hedge
Claims

On or as soon as practicable following the Petition Date (the “Hedge Termination Date”), each Hedge Party shall exercise its rights under the Initial Swap Party ISDA to which it is a party to terminate all of the transactions in effect under such Initial Swap Party ISDA in accordance with the terms of such Initial Swap Party ISDA and such transactions. Upon the designation of an early termination date under the Initial Swap Party ISDAs, the Hedge Parties shall take all steps necessary to liquidate the Hedge

Claims. The Hedge Claims will be allowed in full in the Chapter 11 Cases and such amounts will be fully secured and treated as a secured claim as set forth in the Plan in accordance with this Hedge Party Term Sheet.

Milestones The Hedge Parties' support for the transactions described in this Hedge Party Term Sheet is contingent on the Company commencing the Chapter 11 Cases by no later than November 20, 2018 and securing confirmation of the Plan and the Plan having gone effective by no later than 180 days after the Petition Date (collectively, the "Milestones").

Release The Definitive Documentation, including the Plan, shall include full customary debtor and "third party" releases from liability in favor of the Company, each of the Hedge Parties, and each of their respective directors, officers, funds, affiliates, members, employees, partners, managers, investment advisors, agents, representatives, principals, consultants, attorneys, professional advisors, heirs, executors, successors and assigns (each in their capacity as such).

Collateral On and after the Effective Date, the Hedge Party Secured Notes will be secured by an uncapped, first priority lien on and security interest in the collateral that secures the Exit Facility that ranks pari passu with the liens granted to the holders of the senior-most creditors (with respect to debt for borrowed money) of the Company Parties (which, for the avoidance of doubt, may be the creditors under the Exit Facility after the Effective Date).

For the avoidance of doubt, subject to certain thresholds and exceptions to be agreed among the Company and Ares, the Exit Facility and Hedge Claims will be secured by a perfected first-priority security interest in and lien on substantially all of the Company's tangible and intangible assets (collectively,

the "Collateral"), including, without limitation, (i) all of the Company's deposit, securities and commodities accounts, in each case, subject to certain customary exceptions and subject to control agreements, and (ii) oil and gas properties of the Company comprising not less than each of (a) 90% of the PV10 of the proved reserves attributable to such properties of the Company and (b) 90% of the net acres of such properties with no associated proved reserves of the Company, in each case, subject to exceptions for "excluded property" to be agreed among the Company and Ares.

Repayment Terms The initial principal amount of each Hedge Party Secured Note shall be equal to the difference between (i) the full amount of the applicable Hedge Claims Payment Amount and (ii) the applicable Catch-Up Payment Amount. Pursuant to the Hedge Party Secured Notes, the Company shall pay to each Hedge Party an amount equal to the Catch-Up Payment Amount applicable to such Hedge Party on the Effective Date and then on the first business day of each month thereafter in equal monthly installments until the initial principal amount of the Hedge Party Secured Note is paid in full, which shall occur by no later than December 31, 2019. Except as provided below, no Hedge Party Secured Note will accrue interest. Any payments made in respect of any Hedge Party Secured Note shall be made to the Hedge Parties pro rata in accordance with each Hedge Party's proportionate share of the total amount of Hedge Claims.

Default Interest In the event that the Company fails to satisfy any of its payment obligations under any Hedge Party Secured Note, and such failure remains unremedied for a period of five business days, the Hedge Party Secured Note will accrue interest at a rate of 5% per annum until such time as such payment default has been remedied (including payment of all such accrued interest). The balance of the Hedge Parties' rights and remedies upon the occurrence of a payment default will be governed by the Intercreditor Agreement (as defined below). If the Company fails to cure any payment default within 30 calendar days of the original payment date, it shall be an event of default under the Hedge Party Secured Note.

Intercreditor Agreement	<p>The Hedge Party Secured Notes will be subject to an intercreditor agreement (the “Intercreditor Agreement”) by and among the Hedge Parties, the Company, and the administrative and collateral agent under the Exit Facility (the “Exit Facility Agent”). The terms of the Intercreditor Agreement shall be in form and substance substantially similar to the terms contained in that certain Intercreditor Agreement (the “Existing Intercreditor Agreement”), dated as of March 3, 2017, by and between, among others, the Hedge Parties, the Company, and Wilmington Trust, National Association, in its capacity as administrative and collateral agent under the Company’s existing first lien term loan credit agreement and otherwise in form and substance acceptable to the Company, the Hedge Parties, and the Exit Facility Agent. Upon the occurrence of a payment default or other event of default under any Hedge Party Secured Note, the applicable Hedge Party shall have rights substantially similar to the rights and remedies arising under the Existing Intercreditor Agreement, including the rights and remedies of a Hedge Party arising upon the occurrence of a “Triggering Event”.</p> <p>None of the Hedge Party Secured Notes, the Intercreditor Agreement, or the Plan shall contain any restriction on any refinancing of the Exit Facility so long as (a) the indebtedness evidenced by the Hedge Party Secured Notes is permitted by such refinancing debt, (b) the Hedge Party Secured Notes continue to be secured by an uncapped, first priority lien on and security interest in the collateral that secures the Exit Facility that ranks pari passu with the liens granted to the holders of the senior-most creditors (with respect to debt for borrowed money) of the Company Parties (which, for the avoidance of doubt, may be the creditors under the Exit Facility after the Effective Date) and on a senior basis during any bankruptcy filing period, and (c) in connection with such refinancing facility, the new lenders either execute a joinder to the Intercreditor Agreement or enter into a new intercreditor agreement that is either (i) substantially similar to the Intercreditor Agreement, or (ii) not materially less advantageous to the Hedge Parties than the Intercreditor Agreement and does not have the effect of disproportionately disadvantaging or otherwise discriminating against any Hedge Party, or the Hedge Parties as a whole, as compared to the Intercreditor Agreement. The Intercreditor Agreement shall contain (a) an agreement to such effect by the Hedge Parties and (b) a consent to any such refinancing by the Hedge Parties.</p>
Definitive Documentation	<p>Each Hedge Party Secured Note shall: (a) contain standard representations and warranties for senior secured credit agreements; (b) contain standard affirmative and negative covenants related to payment and otherwise standard for senior secured credit agreements; (c) contain standard events of default for senior secured credit agreements, (d) be consistent with this Hedge Party Term Sheet; and (e) otherwise be in form and substance acceptable to the Hedge Parties and the Company; provided that such representations, warranties, covenants and events of default shall be no more burdensome (from the Company’s perspective) than the representations, warranties, covenants and events of default in the documents memorializing the Exit Facility.</p>

Exhibit 10.3

AMENDMENT NO. 1 TO EMPLOYMENT AGREEMENT

THIS AMENDMENT NO. 1 (this “Amendment”), is dated as of October 22, 2018 (the “Effective Date”) and amends the Employment Agreement (the “Agreement”) by and between Stephen Roberts (“Executive”) and Gastar Exploration Inc. (the “Company”) effective as of September 7, 2018. Capitalized terms used and not otherwise defined herein shall have the meanings assigned to them in the Agreement.

WHEREAS, the Company desires to amend the terms of severance provided in the Agreement.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto, intending to be legally bound, hereby agree as follows:

1. Section 4(h) of the Agreement is hereby amended to read as follows:

“Notwithstanding this Section 4, in the event Executive is not eligible to receive severance benefits under this Agreement, nothing herein precludes Executive’s eligibility for severance benefits under any other Company severance plan or as may be required by law. 3. This Amendment shall not be amended, modified or supplemented except by a written instrument signed by the parties hereto. The failure of a party to insist on strict adherence to any term of this Amendment on any occasion shall not be considered a waiver or deprive that party of the right thereafter to insist upon strict adherence to that term or any other term of this Amendment. No waiver of any provision of this Amendment shall be construed as a waiver of any other provision of this Amendment. Any waiver must be in writing.

4. This Amendment shall inure to the benefit of the Company and its successors and assigns and shall be binding upon the Company and its successors and assigns. This Amendment

is personal to Executive, and Executive shall not assign or delegate his rights or duties under this Amendment, and any such assignment or delegation shall be null and void.

5. This Amendment may be executed and delivered (including by facsimile, "pdf" or other electronic transmission) in any number of counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same agreement.

Exhibit 10.4

AMENDMENT NO. 1 TO EMPLOYMENT AGREEMENT

THIS AMENDMENT NO. 1 (this “Amendment”), is dated as of October 22, 2018 (the “Effective Date”) and amends the Employment Agreement (the “Agreement”) by and between Michael Gerlich (“Executive”) and Gastar Exploration Inc. (the “Company”) effective as of September 10, 2018. Capitalized terms used and not otherwise defined herein shall have the meanings assigned to them in the Agreement.

RECITALS

WHEREAS, the Company and Executive previously entered into the Agreement; and

WHEREAS, the Company desires to amend the terms of severance provided in the Agreement.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto, intending to be legally bound, hereby agree as follows:

1. Section 4(d) of the Agreement is hereby amended to read as follows:

“For purposes of this Agreement, “Good Reason” means either of the following, in each case, without Executive’s consent: (i) a reduction in Executive’s Base Salary or target Annual Bonus entitlement, as in effect from time to time, or (ii) a relocation of Executive’s principal place of employment with the Company or its successor by more than thirty (30) miles. The occurrence of an event that would otherwise constitute Good Reason will cease to be an event constituting Good Reason if Executive does not timely provide notice to the Company within thirty (30) days of the date on which Executive first becomes aware of the occurrence of that event. During the 18-month period following a Change of Control, “Good Reason” shall include a material diminution in Executive’s titles, duties, compensation or authorities, provided that Executive acknowledges that the Company ceasing to be a publicly traded Company alone will not constitute a material diminution in Executive’s titles, duties, compensation or authorities or otherwise constitute “Good Reason” under this Agreement. For this purpose, “Change of Control” shall have the meaning set forth in the Gastar Exploration, Ltd. Employee Change of Control Severance Plan (“CIC Plan”), as in effect on the Effective Date; provided, however, that the following shall not constitute a Change of Control: the acquisition (whether by purchase, merger, consolidation, combination or other similar transaction) by any person of a controlling interest in the business or operations of the Company (x) resulting from a plan of reorganization pursuant to cases filed by the Company under chapter 11 of title 11 of the United States Bankruptcy Code or (y) by Ares Management, L.P. (“Ares”) or one or more of funds, investment vehicles, other entities or accounts managed by affiliates of Ares. The Company shall have fifteen (15) days following receipt of Executive’s written notice in which to correct in all material respects the

circumstances constituting Good Reason, and Executive must terminate employment within thirty (30) days following expiration of the Company's fifteen (15)-day cure period. Otherwise, any claim of such circumstances constituting "Good Reason" shall be deemed irrevocably waived by Executive."

2. Section 4(i) of the Agreement is hereby amended to read as follows:

"Notwithstanding this Section 4, in the event Executive is not eligible to receive severance benefits under this Agreement, nothing herein precludes Executive's eligibility for severance benefits under any other Company severance plan or as may be required by law. For the avoidance of doubt, Executive acknowledges that Executive (i) will not be eligible for any benefits under the CIC Plan and (ii) Executive has no further rights under the CIC Plan."

3. This Amendment shall only serve to amend and modify the Agreement to the extent specifically provided herein. All terms, conditions, provisions and references of and to the Agreement which are not specifically modified, amended and/or waived herein shall remain in full force and effect and shall not be altered by any provisions herein contained. All prior agreements, promises, negotiations and representations, either oral or written, relating to the subject matter of this Amendment not expressly set forth in this Amendment are of no force or effect.

4. This Amendment shall not be amended, modified or supplemented except by a written instrument signed by the parties hereto. The failure of a party to insist on strict adherence to any term of this Amendment on any occasion shall not be considered a waiver or deprive that party of the right thereafter to insist upon strict adherence to that term or any other term of this Amendment. No waiver of any provision of this Amendment shall be construed as a waiver of any other provision of this Amendment. Any waiver must be in writing.

5. This Amendment shall inure to the benefit of the Company and its successors and assigns and shall be binding upon the Company and its successors and assigns. This Amendment is personal to Executive, and Executive shall not assign or delegate his rights or duties under this Amendment, and any such assignment or delegation shall be null and void.

6. This Amendment may be executed and delivered (including by facsimile, "pdf" or other electronic transmission) in any number of counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same agreement.

NEWS RELEASE

Gastar Announces Comprehensive Restructuring Plan to Be Implemented with Pre-Packaged Chapter 11 Cases

HOUSTON, October 26, 2018 - Gastar Exploration Inc. (OTCQB: GSTC) (the “Company” or “Gastar”) today announced that it has entered into a restructuring support agreement (the “RSA”) with the Company’s largest (and only) funded-debt creditors and largest common shareholders, certain funds affiliated with Ares Management LLC (collectively, “Ares”). Subject to the terms and conditions of the RSA, Ares has agreed to support the Company’s restructuring, which will result in trade creditors and other operational obligations unimpaired, eliminate more than \$300 million of the Company’s funded-debt obligations and preferred equity interests (OTCQB: GSTPA and GSTPB), cancel existing common equity interests, and provide \$100 million in new, committed financing to fund the Company’s restructuring process and ongoing business operations. The restructuring will be implemented through a pre-packaged chapter 11 plan of reorganization and chapter 11 cases to be filed in the Bankruptcy Court for the Southern District of Texas.

Additionally, the Company today announced that it has entered into a separate restructuring support agreement (the “Hedge Party RSA”) with the counterparties to the Company’s existing hedging and swap arrangements (collectively, the “Hedge Parties”), the Company’s largest creditor constituency other than Ares. Pursuant to the Hedge Party RSA, the Hedge Parties will support the Company’s restructuring in return for

payment in full in monthly installments through December 2019 pursuant to a new secured note.

The agreed restructuring was developed after extensive marketing efforts failed to yield any viable proposals to repay or refinance the Company's existing indebtedness or to sell the Company or its assets. The Company needs new capital to continue to operate, and the RSA and related new capital commitment will ensure that the Company can continue to operate its business in the ordinary course. Post-restructuring, the Company will have a strengthened balance sheet that will facilitate capital investment in operations.

To implement the restructuring, the Company has commenced solicitation of a prepackaged chapter 11 plan of reorganization, which solicitation will conclude on or about October 30, 2018. Shortly after the conclusion of plan solicitation, the Company intends to commence chapter 11 cases in the Southern District of Texas. The RSA contemplates a balance sheet restructuring that is not intended to affect the Company's operations. In addition, the Company expects to receive certain relief from the Bankruptcy Court which should enable the Company to honor and pay its ongoing trade obligations in the ordinary course of business.

Commenting today, Jerry R. Schuyler, interim Chief Executive Officer and Board Chairman of Gastar Exploration Inc., said, "The restructuring agreement we signed today is a comprehensive plan that will ensure Gastar remains competitive in its industry. We can now set our sights on facilitating a smooth, efficient in-court restructuring while continuing to meet our obligations to our employee and vendor constituencies. I am proud of the exceptional hard work and dedication of all our employees throughout this process."

Pre-Packaged Plan of Reorganization Terms

The pre-packaged chapter 11 plan of reorganization contemplated by the RSA (the "Plan") provides the following distributions:

holders of administrative and priority claims, as well as general unsecured claims, will receive payment in full in cash;

all drawn amounts under the new money component of the Company's debtor-in-possession financing (to be provided by Ares) will roll over into a new exit facility, with all undrawn commitments remaining available to fund the Company's post-emergence cash needs;

holders of all obligations related to the Company's prepetition hedging program will receive payment in cash in equal monthly installments pursuant to a new secured note through December 2019;

Ares will receive \$200 million in new take-back term loans and 100 percent of the common equity of reorganized Gastar (subject to any warrants received by the current preferred and common equity holders) as a result of their obligations under the Company's debtor-in-possession financing and first lien term loan and all of the Company's second lien convertible note obligations; and

holders of existing preferred and common equity will together receive new warrants exercisable for up to 5% of the common equity of reorganized Gastar so long as they do not object to, or otherwise attempt to interfere with, the Company's restructuring.

The RSA and the Plan contemplate certain releases and exculpations. The transactions contemplated by the RSA and the Plan are subject to court approval and other terms and conditions.

Subject to Bankruptcy Court approval of the Plan and the satisfaction of certain conditions to the Plan and related transactions, the Company expects to consummate the Plan and emerge from chapter 11 before the end of 2018. There can be no assurances that the Plan will be approved or confirmed by the Bankruptcy Court, by that time, or at all.

As previously disclosed on August 1, 2018, after an extensive private marketing process, the Company announced it was embarking on a public marketing process to try to address its balance sheet liabilities. On August 21, 2018, the Company publicly filed a process letter that invited proposals and informed the public how any interested party could participate and make a proposal. The process letter established the bid deadline of October 1, 2018 (the “Bid Deadline”). The Company received three bids on the Bid Deadline, none of which provided a cash bid sufficient to repay the Company’s indebtedness. The Company’s board of directors (the “Board”) determined that none of these proposals presented an actionable alternative. Ultimately, the Board determined that the RSA represents the highest and best alternative available to the Company at this time.

Any party interested in making a higher and better proposal to the Company can do so now or during the first 30 days of the chapter 11 cases and should refer to the process letter filed publicly on August 21, 2018.
