PROXY STATEMENT

VOTING AND OTHER MATTERS

General

The accompanying proxy is solicited on behalf of 4Cable TV International, Inc., a Nevada corporation (“we,” “our,” “us,” or the “Company”), by our Board of Directors (the “Board”) for use at our special meeting of stockholders to be held at 1:30 pm local time on January 30, 2015, or at any adjournment thereof, for the purposes set forth in this proxy statement and in the accompanying notice. The meeting will be held at 1248 Highway 501 Business, Conway, South Carolina 29526.

These proxy solicitation materials will be distributed on or about January 20, 2015 to all stockholders entitled to vote at the meeting.

Voting Securities and Voting Rights

Our authorized capital stock consists of 90,000,000 shares of common stock at a par value of \$0.001 per share, and 10,000,000 shares of preferred stock at a par value of \$0.001 per share. Holders of common stock are entitled to one vote per share. They are not entitled to cumulative voting rights. No shares of preferred stock have been issued.

Stockholders of record at the close of business on December 31, 2014 are entitled to notice of and to vote at the meeting or any postponement or adjournment thereof. On the record date, there were issued and outstanding 46,690,000 shares of our common stock, par value \$0.001 per share. Each holder of common stock voting at the meeting, either in person or by proxy, may cast one vote per share of common stock held on all matters to be voted on at the meeting.

The presence, in person or by proxy, of the holders of a majority of the total number of shares entitled to vote constitutes a quorum for the transaction of business at the meeting. Assuming that a quorum is present, the affirmative vote of a majority of the shares of our common stock represented at the special meeting and entitled to vote on the subject matter is required to approve amending our Articles of Incorporation and approving the Amended and Restated 4Cable TV International, Inc. 2014 Equity Incentive Plan (the “Equity Incentive Plan”).

Votes cast by proxy or in person at the meeting will be tabulated by the election inspector appointed for the meeting who will determine whether a quorum is present. The election inspector will treat abstentions as shares that are present and entitled to vote for purposes of determining the presence of a quorum, but as unvoted for purposes of determining the approval of any matter submitted to the stockholders for a vote. If you are the beneficial owner of shares held by a broker or other custodian, you may instruct your broker how you would like your shares voted. If you wish to vote the shares you own beneficially at the meeting, you must first request and obtain a “legal proxy” from your broker or other custodian. If you choose not to provide instructions or a legal proxy, your shares are referred to as “uninstructed shares.” Uninstructed shares will be considered as present but not entitled to vote with respect to that matter.

Voting of Proxies

When a proxy is properly executed and returned, the shares it represents will be voted at the meeting as directed. If no specification is indicated, the shares will be voted (1) to approve an amendment to our Articles of Incorporation to authorize 300,000,000 shares of common stock, par value \$0.001 per share, (2) to approve the Equity Incentive Plan, and (3) as the persons specified in the proxy deem advisable on any such other matters as may come before the special meeting.

You may vote your shares using any of the following methods:

1. You may vote by mail. Mark, sign and date the accompanying proxy card and return it in the postage-paid envelope we have provided or return it to c/o 4Cable TV International, Inc., 1248 Highway 501 Business, Conway, South Carolina 29526.
2. You may vote in person at the meeting. If you are a registered stockholder and attend the meeting, you may deliver your completed proxy card in person. Additionally, we will pass out ballots to registered stockholders who wish to vote in person at the meeting. If you are a beneficial owner of shares held in street name who wishes to vote at the meeting, you will need to obtain a legal proxy from your bank or broker, bring it with you to the meeting, and hand it in with a signed ballot that will be provided to you at the meeting. Beneficial owners will not be able to vote their shares at the meeting without a legal proxy.

Revocability of Proxies

Any person giving a proxy may revoke the proxy at any time before its use by delivering a written notice of revocation or a duly executed proxy bearing a later date or a later-dated vote by mail or by attending the meeting and voting in person. The written notice of revocation or duly executed proxy bearing a later date should be addressed to the Company's Secretary.

Solicitation

This proxy is solicited on behalf of our Board. We will pay for this solicitation. In addition, we may reimburse brokerage firms and other persons representing beneficial owners of shares for expenses incurred in forwarding solicitation materials to such beneficial owners. Proxies also may be solicited by certain of our directors and officers, personally or by telephone or e-mail, without additional compensation.

No Appraisal Rights

Under Nevada Law, stockholders are not entitled to appraisal rights with respect to the amendment to our Articles of Incorporation or the approval of the Equity Incentive Plan, and we will not independently provide our stockholders with any such right.

Interest of Certain Persons in Matters to Be Acted Upon

None of our officers or directors has any interest in any of the matters to be acted upon at the special meeting, except that, our officers and directors may receive grants of securities under the Equity Incentive Plan.

Annual Report and Other Matters

Our Annual Report on Form 10-K for the fiscal year ended December 31, 2013, which was made available to stockholders preceding this proxy statement on the website of the Securities and Exchange Commission, or SEC, located at www.sec.gov, contains financial and other information about our company, but is not incorporated into this proxy statement and is not to be considered a part of these proxy soliciting materials or subject to Regulations 14A or 14C or to the liabilities of Section 18 of the Securities Exchange Act of 1934, as amended.

We will provide, without charge, a printed copy of our Annual Report on Form 10-K for the fiscal year ended December 31, 2013 as filed with the SEC to each stockholder of record as of the record date that requests a copy in writing. Any exhibits listed in the Form 10-K report also will be furnished upon request at the actual expense incurred by us in furnishing such exhibits. Any such requests should be directed to our Company's secretary at our executive

offices set forth in this proxy statement.

PROPOSAL ONE

PROPOSAL TO AMEND THE ARTICLES OF INCORPORATION
TO INCREASE THE TOTAL AUTHORIZED NUMBER OF SHARES OF COMMON STOCK

On December 4, 2014, the Board approved an amendment to the Company's Articles of Incorporation to increase the authorized number of shares of common stock from 90,000,000 to 300,000,000 shares of common stock, par value \$0.001. If approved by the stockholders, the proposed amendment will become effective upon the electronic filing of the Certificate of Amendment to the Articles of Incorporation with the Secretary of State of Nevada, which will occur as soon as reasonably practicable. A copy of the proposed amendment is enclosed herein as Annex A to this Proxy Statement.

The Board believes that it is in our Company's best interests to increase the number of authorized shares of common stock in order to have additional authorized but unissued shares available for issuance to meet business needs as they arise. We currently have only 43,310,000 shares of authorized but unissued shares of common stock. The Board believes that the availability of additional shares will provide our Company with the flexibility to issue common stock for possible future financings, stock dividends or distributions, acquisitions, stock option plans, and other proper corporate purposes that may be identified in the future by the Board, without the possible expense and delay of holding a special stockholders' meeting. The issuance of additional shares of common stock may have a dilutive effect on earnings per share and, for stockholders who do not purchase additional shares to maintain their pro rata interest in our Company, on such stockholders' percentage voting power.

The authorized shares of common stock in excess of those issued will be available for issuance at such times and for such corporate purposes as the Board may deem advisable, without further action by our stockholders, except as may be required by applicable law or by the rules of any stock exchange or national securities association trading system on which the securities may be listed or traded. Upon issuance, such shares will have the same rights as the outstanding shares of common stock. Holders of common stock have no preemptive rights. The availability of additional shares of common stock is particularly important in the event that the Board determines to undertake any actions on an expedited basis and thus to avoid the time, expense and delay of seeking stockholder approval in connection with any potential issuance of common stock.

We have no arrangements, agreements, understandings, or plans at the current time for the issuance or use of the additional shares of common stock proposed to be authorized. The Board does not intend to issue any common stock except on terms which the Board deems to be in the best interests of our Company and its then existing stockholders.

The increase in the authorized number of shares of common stock could have possible anti-takeover effects. These authorized but unissued shares could (within the limits imposed by applicable law) be issued in one or more transactions that could make a change of control of the Company more difficult, and therefore more unlikely. The additional authorized shares could be used to discourage persons from attempting to gain control of the Company by diluting the voting power of shares then outstanding or increasing the voting power of persons that would support the Board in a potential takeover situation, including by preventing or delaying a proposed business combination that is opposed by the Board although perceived to be desirable by some stockholders. The Board does not have any current knowledge of any effort by any third party to accumulate our securities or obtain control of the Company by means of a merger, tender offer, solicitation in opposition to management or otherwise.

Required Vote

Approval of the amendment to the Articles of Incorporation to increase the number of authorized shares of common stock requires the receipt of the affirmative vote of a majority of the shares of the Company's common stock issued and outstanding as of the record date.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE "FOR" APPROVAL OF THE AMENDMENT TO THE ARTICLES OF INCORPORATION TO INCREASE THE AUTHORIZED NUMBER OF SHARES OF COMMON STOCK.

PROPOSAL TWO

APPROVAL OF THE COMPANY'S AMENDED AND RESTATED 2014 EQUITY INCENTIVE PLAN

The Company's Amended and Restated 4Cable TV International, Inc. 2014 Equity Incentive Plan (the "Equity Incentive Plan") has been approved by the Board in order to ensure (i) favorable federal income tax treatment for grants of incentive stock options under Section 422 of the Internal Revenue Code of 1986, as amended from time to time, including regulations thereunder and successor provisions and regulations thereto (the "Code"), and (ii) continued eligibility to receive a federal income tax deduction for certain compensation paid under our Equity Incentive Plan by complying with Rule 162(m) of the Code.

Our Board and management all believe that the effective use of stock-based long-term incentive compensation is vital to our ability to achieve strong performance in the future. The Equity Incentive Plan will maintain and enhance the key policies and practices adopted by our management and Board to align employee and stockholder interests. In addition, our future success depends, in large part, upon our ability to maintain a competitive position in attracting, retaining and motivating key personnel. We believe that the adoption of the Equity Incentive Plan is essential to permit our management to continue to provide long-term, equity-based incentives to present and future employees.

On December 4, 2014, the Board authorized the grant of stock options to purchase an aggregate of 7,500,000 shares of the Company's common stock to several individuals pursuant to the original 2014 Equity Incentive Plan. There are currently no other plans, arrangements, commitments or understandings for the issuance of equity based incentives pursuant to the Equity Incentive Plan.

Summary of the Equity Incentive Plan

The principal provisions of the Equity Incentive Plan are summarized below. This summary is not a complete description of all of the Equity Incentive Plan's provisions, and is qualified in its entirety by reference to the Equity Incentive Plan which is attached as Annex B to this Proxy Statement. Capitalized terms in this summary not defined in this Proxy Statement have the meanings set forth in the Equity Incentive Plan.

Purpose and Eligible Participants. The purpose of the Equity Incentive Plan is to attract, retain and reward high-quality executive, employees and other persons who provide services to the Company and or its affiliates and subsidiaries, by enabling these persons to acquire a proprietary interest in the Company. As of the mailing date of this Proxy Statement, no less than [11] individuals are eligible to participate in the Equity Incentive Plan.

Types of Awards. The Equity Incentive Plan permits the grant of the following types of awards, in the amounts and upon the terms determined by the Committee:

Options. Options may either be incentive stock options ("ISOs") which are specifically designated as such for purposes of compliance with Section 422 of the Internal Revenue Code or non-qualified stock options ("NSOs"). Options shall vest as determined by the Committee or the applicable employment agreement, subject to certain statutory limitations regarding the maximum term of ISOs and the maximum value of ISOs that may vest in one year. The exercise price of each Option shall be determined by the Committee, provided that such price will not be less than the fair market value of a share on the date of the grant of the ISO. The term for the Options may be set by the Committee but in no event shall the term exceed ten (10) years from the date of grant. Recipients of options have no rights as a stockholder with respect to any shares covered by the award until the award is exercised and a stock certificate or book entry evidencing such shares is issued or made, respectively.

Stock Appreciation Rights. Generally, upon exercise of a stock appreciation right, the recipient will receive cash, shares of Company stock, or a combination of cash and stock, with a value equal to the excess of: (i) the fair market value of a specified number of shares of Company stock on the date of the exercise, over (ii) a specified exercise price or grant price. The grant price of a stock appreciation right and all other terms and conditions will be established by the Committee in its sole discretion or as set forth in the applicable Award agreement. The term of a stock appreciation right will be set by the Committee but in no event will the term exceed ten (10) years from the date of grant.

Restricted Stock Awards. Restricted stock awards consist of shares granted to a participant that are subject to one or more risks of forfeiture. Restricted stock awards may be subject to risk of forfeiture based on the passage of time or the satisfaction of other criteria, such as continued employment or Company performance. Recipients of restricted stock awards are entitled to vote and receive dividends attributable to the shares underlying the award beginning on the grant date.

Restricted Stock Units. Restricted stock units consist of a right to receive shares in the future in consideration of the performance of services, but subject to the fulfillment of such conditions during the Restriction Period as the Board may specify. Each such grant or sale may be made without additional consideration or in consideration of a payment by a Participant that is less than the Fair Market Value at the date of grant. Recipients of restricted stock units have no rights as a stockholder with respect to any shares covered by the award until the date a stock certificate or book entry evidencing such shares is issued or made, respectively.

Performance Awards. Performance awards are earned upon achievement of performance objectives during a performance period established by the Committee. Recipients of performance awards have no rights as a stockholder with respect to any shares covered by the award until the date a stock certificate or book entry evidencing such shares is issued or made, respectively.

Number of Shares. Subject to adjustment as provided in the Equity Incentive Plan, the total number of shares of Common Stock reserved and available for delivery in connection with awards under the Equity Incentive Plan shall be 8,000,000. Any shares of Common Stock delivered under the Equity Incentive Plan shall consist of authorized and issued or unissued shares. Subject to the adjustments provided in Section 13(d) of the Equity Incentive Plan, no contraction of the number of shares of Common Stock outstanding will affect the validity or enforceability of any awards then outstanding.

Administration. Subject to the terms of the Equity Incentive Plan, the Compensation Committee of the Board (the "Committee"), or if none, the Board, shall have full and final authority, in each case subject to and consistent with the provisions of the Equity Incentive Plan, to: interpret the provisions of the Equity Incentive Plan; select Eligible Employees, Directors and Consultants to become Participants; make Awards; determine the type, number and other terms and conditions of, and all other matters relating to, Awards; prescribe Award agreements (which need not be identical for each Participant); adopt, amend and rescind rules and regulations for the administration of the Equity Incentive Plan; construe and interpret the Equity Incentive Plan and Award agreements and correct defects, supply omissions or reconcile inconsistencies therein; and make all other decisions and determinations as the Committee may deem necessary or advisable for the administration of the Equity Incentive Plan. Except as otherwise determined by the Board, unless the context otherwise requires, all actions and determinations that the Equity Incentive Plan contemplates that the Board may take may be taken by the Committee in its stead.

Amendments. The Board, or the Committee acting pursuant to such authority as may be delegated to it by the Board, may amend, alter, suspend, discontinue or terminate the Equity Incentive Plan or the Committee's authority to grant Awards under the Equity Incentive Plan, provided that, without the consent of an affected Participant, except as otherwise contemplated by the Equity Incentive Plan or the terms of an Award agreement, no such Board action may materially and adversely affect the rights of a Participant under any previously granted and outstanding Award. Except as otherwise provided in the Equity Incentive Plan, the Committee may waive any conditions or rights under, or amend, alter, suspend, discontinue or terminate any Award theretofore granted and any Award agreement relating thereto, provided that, without the consent of an affected Participant, except as otherwise contemplated by the Equity Incentive Plan or the terms of an Award agreement, no Committee action may materially and adversely affect the rights of such Participant under such Award.

Term. The Committee may grant awards pursuant to the Equity Incentive Plan until it is discontinued or terminated; provided, however, that no Award may be granted under the Equity Incentive Plan after January 31, 2024.

Change of Control. Notwithstanding any provision of the Equity Incentive Plan to the contrary and unless otherwise provided in the applicable Award agreement, in the event of any Change of Control:

8

- (1) Any Option carrying a right to exercise that was not previously exercisable and vested shall become fully exercisable and vested as of the time of the Change of Control and shall remain exercisable and vested for the balance of the stated term of such Option without regard to any Termination of Employment, subject to certain exceptions;
- (2) Any SARs outstanding as of the date the Change of Control occurs will become fully vested and will be exercisable in accordance with procedures established by the Committee;
- (3) Any restrictions and other conditions applicable to any Restricted Stock or Restricted Stock Units held by the Participant will lapse and such Restricted Stock or Restricted Stock Units will become fully vested as of the date of the Change of Control;
- (4) Any Performance Shares or Performance Units held by the Participant relating to Performance Periods before the Performance Period in which the Change of Control occurs that have been earned but not paid will become immediately payable in cash; and
- (5) Any Other Stock-Based Awards that vest solely on the basis of the passage of time will be treated in connection with a Change of Control in the same manner as are Awards of Restricted Shares and RSUs, as described in Section 13(a)(3) of the Equity Incentive Plan.

Payment. Payment of Awards may be in the form of cash, Stock, other Awards or combinations thereof as the Committee may determine, and with such restrictions as it may impose. The Committee, either at the time of grant or by subsequent amendment, may require or permit deferral of the payment of Awards under such rules and procedures as it may establish. It also may provide that deferred settlements include the payment or crediting of interest or other earnings on the deferred amounts, or the payment or crediting of dividend equivalents where the deferred amounts are denominated in Stock equivalents.

Transfer Restrictions. No Award or other right or interest of a Participant under the Plan shall be pledged, hypothecated or otherwise encumbered or subject to any lien, obligation or liability of such Participant to any party (other than the Company or a subsidiary), or assigned or transferred by such Participant otherwise than by will or the laws of descent and distribution or to a Beneficiary upon the death of a Participant, and Options, SARs or Other Stock-Based Awards that may be exercisable shall be exercised during the lifetime of the Participant only by the Participant or his or her guardian or legal representative, except that Options (other than ISOs), SARs and Other Stock-Based Awards may be transferred to one or more Beneficiaries or other transferees during the lifetime of the Participant, and may be exercised by such transferees in accordance with the terms of such Option, SAR, or Other Stock Based Award but only if and to the extent such transfers are permitted by the Committee pursuant to the express terms of an Option, SAR or Other Stock-Based Award agreement (subject to any terms and conditions which the Committee may impose thereon). A Beneficiary, transferee, or other person claiming any rights under the Plan from or through any Participant shall be subject to all terms and conditions of the Plan and any Award agreement applicable to such Participant, except as otherwise determined by the Committee, and to any additional terms and conditions deemed necessary or appropriate by the Committee.

Federal Income Tax Matters

Options. Under present law, an optionee will not recognize any taxable income on the date an NSO is granted pursuant to the Equity Incentive Plan. Upon exercise of the option, however, the optionee must recognize, in the year of exercise, compensation taxable as ordinary income in an amount equal to the difference between the option price and the fair market value of Company common stock on the date of exercise. Upon the sale of the shares, any resulting gain or loss will be treated as capital gain or loss. The Company will receive an income tax deduction in its fiscal year in which NSOs are exercised equal to the amount of ordinary income recognized by those optionees

exercising options, and must comply with applicable tax withholding requirements.

ISOs granted under the Equity Incentive Plan are intended to qualify for favorable tax treatment under Section 422 of the Internal Revenue Code. Under Section 422, an optionee recognizes no taxable income when the option is granted. Further, the optionee generally will not recognize any taxable income when the option is exercised if he or she has at all times from the date of the option's grant until three months before the date of exercise been an employee of the Company. The Company ordinarily is not entitled to any income tax deduction upon the grant or exercise of an incentive stock option. This favorable tax treatment for the optionee, and the denial of a deduction for the Company, will not, however, apply if the optionee disposes of the shares acquired upon the exercise of an incentive stock option within two years from the granting of the option or one year from the receipt of the shares.

Restricted Stock Awards. Generally, no income is taxable to the recipient of a restricted stock award in the year that the award is granted. Instead, the recipient will recognize compensation taxable as ordinary income equal to the fair market value of the shares in the year in which the risks of forfeiture restrictions lapse. Alternatively, if a recipient makes an election under Section 83(b) of the Internal Revenue Code, the recipient will, in the year that the restricted stock award is granted, recognize compensation taxable as ordinary income equal to the fair market value of the shares on the date of the award. The Company normally will receive a corresponding deduction equal to the amount of compensation the recipient is required to recognize as ordinary taxable income, and must comply with applicable tax withholding requirements.

Restricted Stock Units. A recipient of restricted stock units will generally recognize compensation taxable as ordinary income in an amount equal to the fair market value of the shares (or the amount of cash) distributed to settle the restricted stock units on the vesting date(s). The Company normally will receive a corresponding deduction at the time of vesting, equal to the amount of compensation the recipient is required to recognize as ordinary taxable income, and must comply with applicable tax withholding requirements.

Performance Awards. A recipient of performance awards will recognize compensation taxable as ordinary income equal to the value of the shares of Company common stock or the cash received, as the case may be, in the year that the recipient receives payment. The Company normally will receive a deduction equal to the amount of compensation the recipient is required to recognize as ordinary taxable income, and must comply with applicable tax withholding requirements.

Stock Appreciation Rights. Generally, a recipient of a stock appreciation right will recognize compensation taxable as ordinary income equal to the value of the shares of Company common stock or the cash received in the year that the stock appreciation right is exercised. The Company normally will receive a corresponding deduction equal to the amount of compensation the recipient is required to recognize as ordinary taxable income, and must comply with applicable tax withholding requirements.

THE FOREGOING IS ONLY A SUMMARY OF THE EFFECT OF U.S. FEDERAL INCOME TAXATION WITH RESPECT TO THE GRANT AND EXERCISE OF AWARDS UNDER THE EQUITY INCENTIVE PLAN. IT DOES NOT PURPORT TO BE COMPLETE, AND DOES NOT DISCUSS THE TAX CONSEQUENCES OF AN INDIVIDUAL'S DEATH OR THE PROVISIONS OF THE INCOME TAX LAWS OF ANY MUNICIPALITY, STATE OR FOREIGN COUNTRY IN WHICH ANY ELIGIBLE INDIVIDUAL MAY RESIDE.

Required Vote

Approval of the Equity Incentive Plan requires the receipt of the affirmative vote of a majority of the shares of the Company's common stock issued and outstanding as of the record date.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE "FOR" APPROVAL OF THE EQUITY INCENTIVE PLAN.

AMENDED AND RESTATED
4CABLE TV INTERNATIONAL, INC.
2014 EQUITY INCENTIVE PLAN

Pursuant to Section 3(i) of the 4Cable TV International, Inc. 2014 Equity Incentive Plan (the “Original Plan”), 4Cable TV International, Inc. (the “Company”) hereby adopts this Amended and Restated 4Cable TV International, Inc. 2014 Equity Incentive Plan (the “Plan”), which amends and restates the Original Plan, which was adopted upon approval of the Board of Directors of the Company on January 30, 2014.

1. Purpose. The purpose of this Amended and Restated 4Cable TV International, Inc. 2014 Equity Incentive Plan is to assist the Company and its subsidiaries in attracting, retaining, and rewarding high-quality executives, employees, and other persons who provide services to the Company and/or its Affiliates and Subsidiaries, by enabling these persons to acquire or increase a proprietary interest in the Company.

2. Definitions. For purposes of the Plan, the following terms shall be defined as set forth below, in addition to such terms defined in Section 1 hereof:

(a) “Affiliate” means an entity which is not a Subsidiary, but in which the Company has an equity interest, provided, however, that no entity will be considered an Affiliate for purposes of an Award of Nonqualified Stock Options or SARs to an employee or director of, or consultant to, the entity unless the Stock would be considered “service recipient stock” within the meaning of Code Section 409A, in the context of such an Award.

(b) “Award” means an award under the Plan of Options, SARs, Restricted Stock, Restricted Stock Units, Performance Shares, Performance Units or Other Stock-Based Awards granted under the Plan.

(4) failure by the Participant to cooperate in any corporate investigation, or

(5) breach by the Participant of any material provision of an employment agreement entered into between the Company or its subsidiaries and the Participant, which breach is not corrected by the Participant within ten (10) calendar days after receipt by the Participant of written notice from the Company or Affiliate of such breach.

For purposes of this definition, no act or failure to act by the Participant shall be considered “intentional” unless done or omitted to be done by the Participant in bad faith and without reasonable belief that the Participant’s action or omission was in the best interests of the Company or Affiliate.

(f) “Change of Control” means the happening of any of the following events:

(1) The acquisition by any individual, entity or group (within the meaning of Section 13(d)(3) or 14(d)(2) of the Exchange Act (a “Person”)) of beneficial ownership (within the meaning of Rule 13d-3 promulgated under the Exchange Act) of 20% or more of either (A) the then outstanding shares of Stock (the “Outstanding Company Common Stock”) or (B) the combined voting power of the then outstanding voting securities of the Company entitled to vote generally in the election of directors (the “Outstanding Company Voting Securities”), provided, however, that the following acquisitions shall not constitute a Change of Control: (i) any acquisition directly from the Company; (ii) any acquisition by the Company; (iii) any acquisition by any employee benefit plan (or related trust) sponsored or maintained by the Company or any company controlled by the Company; or (iv) any acquisition by any corporation pursuant to a transaction described in clauses (A), (B) and (C) of paragraph (3) of this Section 2(f); or

(3) Approval by the stockholders of the Company of a reorganization, merger, share exchange or consolidation (a “Business Combination”), unless, in each case following such Business Combination: (A) all or substantially all of the individuals and entities who were the beneficial owners, respectively, of the Outstanding Company Common Stock and Outstanding Company Voting Securities immediately prior to such Business Combination beneficially own, directly or indirectly, more than 50% of, respectively, the then-outstanding shares of common stock and the combined voting power of the then-outstanding voting securities entitled to vote generally in the election of directors, as the case may be, of the corporation resulting from such Business Combination (including, without limitation, a corporation that as a result of such transaction owns the Company through one or more subsidiaries) in substantially the same proportions as their ownership, immediately prior to such Business Combination of the Outstanding Company Common Stock and Outstanding Company Voting Securities, as the case may be; (B) no Person (excluding any employee benefit plan (or related trust) of the Company or such corporation resulting from such Business Combination) beneficially owns, directly or indirectly, 25% or more of, respectively, the then outstanding shares of common stock of the corporation resulting from such Business Combination or the combined voting power of the then-outstanding voting securities of such corporation Company except to the extent that such Person owned 25% or more of the Outstanding Company Common Stock or Outstanding Company Voting Securities prior to the Business Combination; and (C) at least a majority of the members of the board of directors of the corporation resulting from such Business Combination were members of the Incumbent Board at the time of the execution of the initial agreement, or of the action of the Board, providing for such Business Combination; or

(4) Approval by the stockholders of the Company of (A) a complete liquidation or dissolution of the Company or (B) the sale or other disposition of all or substantially all of the assets of the Company, other than to a corporation with respect to which, following such sale or other disposition: (i) more than 50% of, respectively, the then-outstanding shares of common stock of such corporation and the combined voting power of the then-outstanding voting securities of such corporation entitled to vote generally in the election of directors is then beneficially owned, directly or indirectly, by all or substantially all of the individuals and entities who were the beneficial owners, respectively, of the

Outstanding Company Common Stock and Outstanding Company Voting Securities immediately prior to such sale or other disposition in substantially the same proportion as their ownership, immediately prior to such sale or other disposition, of the Outstanding Company Common Stock and Outstanding Company Voting Securities, as the case may be; (ii) less than 25% of, respectively, the then outstanding shares of common stock of such Company and the combined voting power of the then outstanding voting securities of such Company entitled to vote generally in the election of directors is then beneficially owned, directly or indirectly, by any Person (excluding any employee benefit plan (or related trust) of the Company or such Company), except to the extent that such Person owned 25% or more of the Outstanding Company Common Stock or Outstanding Company Voting Securities prior to the sale or disposition; and (iii) at least a majority of the members of the board of directors of such corporation were members of the Incumbent Board at the time of the execution of the initial agreement, or of the action of the Board, providing for such sale or other disposition of assets of the Company or were elected, appointed or nominated by the Board.

3. Administration.

(a) Authority of the Committee. The Plan shall be administered by the Committee. The Committee shall have full and final authority, in each case subject to and consistent with the provisions of the Plan, to: interpret the provisions of the Plan; select Eligible Employees, Directors and Consultants to become Participants; make Awards; determine the type, number and other terms and conditions of, and all other matters relating to, Awards; prescribe Award agreements (which need not be identical for each Participant); adopt, amend and rescind rules and regulations for the administration of the Plan; construe and interpret the Plan and Award agreements and correct defects, supply omissions or reconcile inconsistencies therein; and make all other decisions and determinations as the Committee may deem necessary or advisable for the administration of the Plan. Except as otherwise determined by the Board, unless the context otherwise requires, all actions and determinations that the Plan contemplates that the Board may take may be taken by the Committee in its stead.

(b) Manner of Exercise of Committee Authority. Any action of the Committee shall be final, conclusive and binding on all persons, including the Company, Affiliates, Subsidiaries, Participants, Beneficiaries, transferees under Section 13(c) hereof or other persons claiming rights from or through a Participant, and shareholders. The Committee shall exercise its authority only by a majority vote of its members at a meeting or without a meeting by a writing signed by a majority of its members. The express grant of any specific power to the Committee, and the taking of any action by the Committee, shall not be construed as limiting any power or authority of the Committee. The Committee may delegate to officers or managers of the Company, Affiliates or Subsidiaries, or committees thereof, the authority, subject to such terms as the Committee shall determine, to perform administrative functions to the extent permitted under applicable law. The Committee may appoint agents to assist it in administering the Plan.

(c) Limitation of Liability. The Committee and each member thereof shall be entitled, in good faith, to rely or act upon any report or other information furnished to it, him or her by any Executive Officer, other officer or employee of the Company or a subsidiary, the Company's independent auditors, consultants or any other agents assisting in the administration of the Plan. Members of the Committee and any officer or employee of the Company or a subsidiary acting at the direction or on behalf of the Committee shall not be personally liable for any action or determination taken or made in good faith with respect to the Plan, and shall, to the extent permitted by law, be fully indemnified and protected by the Company with respect to any such action or determination.

4. Stock Subject to Plan.

(a) Overall Number of Shares Available for Delivery. Subject to adjustment as provided in Section 13(d) hereof, the total number of shares of Common Stock reserved and available for delivery in connection with Awards under the Plan shall be 8,000,000, provided, however, that the total number of shares of Common Stock with respect to which ISOs may be granted shall not exceed 8,000,000. Any shares of Common Stock delivered under the Plan shall consist of authorized and issued or unissued shares. Subject to the adjustments provided in Section 13(d) hereof, no contraction of the number of shares of Common Stock outstanding will affect the validity or enforceability of any Awards then outstanding.

(b) Application of Limitation to Grants of Awards. No Award may be granted if the number of shares of Common Stock to be delivered in connection with such Award exceeds the number of shares of Common Stock remaining available under the Plan minus the number of shares of Common Stock issuable in settlement of or relating to then-outstanding Options. The Committee may adopt reasonable counting procedures to ensure appropriate counting, avoid double counting and make adjustments if the number of shares of Common Stock actually delivered differs from the number of shares previously counted in connection with an Award.

(c) Availability of Shares Not Delivered under Awards. Shares of Common Stock subject to an Award under the Plan which Award is canceled, expired, forfeited or otherwise terminated without a delivery of shares to the

Participant or with the return to the Company of shares previously delivered, including the number of shares surrendered in payment of any taxes relating to any Award, hereof will again be available for Awards under the Plan, except that if any such shares could not again be available for Awards to a particular Participant under any applicable law or regulation, such shares shall be available exclusively for Awards to Participants who are not subject to such limitation. Notwithstanding the foregoing, (i) shares of Stock tendered in payment of the exercise price of an Option, (ii) shares of Stock withheld by the Company to satisfy any tax withholding obligation with respect to an Award, and (iii) shares of Stock that are repurchased by the Company on the open market with the proceeds of the exercise of an Option, may not again be available for issuance in connection with Awards under the Plan. Also notwithstanding the foregoing, if the Spread Value of a SAR is paid in shares of Stock, the shares representing the excess, if any, of (a) the number of shares of Stock subject to the SAR over (b) the number of shares of Stock delivered in payment of the Spread Value may not again be available for issuance in connection with Awards under the Plan.

B-6

5. Eligibility. Awards may be granted under the Plan to Eligible Employees, Directors and Consultants.

6. Awards – General Terms and Limitations.

(a) Awards Granted at Fair Market Value. The exercise price of an Option and the grant price of a SAR may not be less than 100% of the Fair Market Value on the date of grant. In addition, to the extent that the value of an Other Stock-Based Award is based on Spread Value, the grant price for the Other Stock-Based Award may not be less than 100% of the Fair Market Value on the date of grant. Notwithstanding the foregoing, in connection with any reorganization, merger, consolidation or similar transaction in which the Company or any Subsidiary or Affiliate of the Company is a surviving corporation, the Committee may grant Options, SARs or Other Stock-Based Awards in substitution for similar awards granted under a plan of another party to the transaction, and in such case the exercise price or grant price of the substituted Options, SARs or Other Stock-Based Awards granted by the Company may equal or exceed 100% of the Fair Market Value on the date of grant reduced by any unrealized gain existing as of the date of the transaction in the option, stock appreciation right or other award being replaced, with the adjusted exercise price determined in accordance with the requirements of Section 409A of the Code (in the case of a Nonqualified Stock Option) or Section 425 of the Code (in the case of an Incentive Stock Option).

(b) Annual Award Limitation. The total number of Restricted Stock, RSUs and other shares of Stock subject to or underlying Options, SARs, Performance Shares, Performance Units and Other Stock-Based Awards awarded to any Participant during any year may not exceed ten percent (10%) of the outstanding shares. A Performance Share or Performance Unit paid to a Participant with respect to any Performance Period may not exceed \$500,000 times the number of years in the Performance Period.

(c) Performance-Based Awards. In the discretion of the Committee, any Award granted pursuant to the Plan may be designated as a performance-based award intended to qualify, through the application of Management Objectives over a specified Performance Period, as “performance-based compensation” within the meaning, and in accordance with the provisions, of Code Section 162(m).

7. Terms of Options.

(a) General. Options may be granted on the terms and conditions set forth in this Section 7. In addition, the Committee may impose on any Option or the exercise thereof, at the date of grant, such additional terms and conditions, not inconsistent with the provisions of the Plan, as the Committee shall determine, including terms requiring forfeiture of Options in the event of the Participant’s Termination of Employment and terms permitting a Participant to make elections relating to his or her Option. Options granted under the Plan will be in the form of Incentive Stock Options or Nonqualified Stock Options. The Committee shall (subject to Section 13(i)) retain full power and discretion to accelerate, waive or modify, at any time, any term or condition of an Option that is not mandatory under the Plan.

(b) Specific Terms of Options. The Committee is authorized to grant Options to Participants on the following terms and conditions:

(1) Exercise Price. The exercise price per share of Common Stock purchasable under an Option shall be determined by the Committee, provided that such exercise price shall be not less than the Fair Market Value of a share of Common Stock on the date of grant of such Option.

(2) Vesting. Each Participant shall acquire a nonforfeitable right to Options awarded to him in accordance with the provisions of the agreement evidencing the Award of the Options.

(3) Time and Method of Exercise. The Committee shall determine, at the date of grant or thereafter, the time(s) at which or the circumstances under which an Option may be exercised in whole or in part (including based on completion of future service requirements), the methods by which such exercise price may be paid or deemed to be paid, the form of such payment, including, without limitation, cash or Common Stock held for more than six months, and the methods by or forms in which Common Stock will be delivered or deemed to be delivered to Participants. The specific circumstances under which a Participant may exercise an Option will be set forth in the agreement evidencing the Award of the Option to the Participant.

B-7

(4) ISOs. Except as otherwise expressly provided in the Plan, the Committee may designate, at the time of grant, that the Option is an ISO under Section 422 of the Code. ISOs may be granted only to those Eligible Employees who are entitled to acquire incentive stock options from the Company under Code Section 422. The terms of any ISO granted under the Plan shall comply in all respects with the provisions of Code Section 422. Anything in the Plan to the contrary notwithstanding, no term of the Plan relating to ISOs shall be interpreted, amended or altered, nor shall any discretion or authority granted under the Plan be exercised, so as to disqualify either the Plan or any ISO under Code Section 422, unless the Participant has first requested the change that will result in such disqualification. If any provision of the Plan or any Option designated by the Committee as an ISO shall be held not to comply with requirements necessary to entitle such Option to such tax treatment, then (1) such provision shall be deemed to have contained from the outset such language as shall be necessary to entitle the Option to the tax treatment afforded under Section 422 of the Code, and (2) all other provisions of the Plan and the Award agreement shall remain in full force and effect. An Option granted under the Plan will be an ISO only if the agreement evidencing the award of the Option specifically states that the Option is to be an ISO; if the Agreement does not so state, the Option will be a Nonqualified Stock Option. In addition, an Option may be an ISO only if it is awarded within ten years after the Effective Date.

(5) Term of Options. Options will terminate after the first to occur of the following:

- (i) Expiration of the Option as provided in the applicable Award agreement as determined by the Committee;
- (ii) Termination of the Option Award, as provided for in Section 7(b)(7), following the Participant's Termination of Employment; or
- (iii) Ten years from the date of grant.

(6) Acceleration/Extension of Exercise Time. The Committee, in its sole discretion, shall have the right (but shall not in any case be obligated) to permit purchase of shares under any Option prior to the time such Option would otherwise vest under the terms of the applicable Award agreement. In addition, the Committee, in its sole discretion, shall have the right (but shall not in any case be obligated) to permit any Option granted under the Plan to be exercised after its termination date described in Section 7(b)(7), but in no event later than the last day of the term of the Option as set forth in the applicable Award agreement. Notwithstanding the foregoing, the Committee will not extend the exercise period of any Option to the extent that the extension would cause the Option to be considered nonqualified deferred compensation subject to the provisions of Section 409A.

(7) Exercise of Options Upon Termination of Employment, Death or Disability. Except as otherwise provided in this Section 7(b)(7) or in Section 7(b)(6), or as otherwise expressly provided in a Participant's Award agreement as authorized by the Committee, the right of the Participant to exercise Options shall terminate upon the Participant's Termination of Employment, regardless of whether or not the Options were vested in whole or in part on the date of Termination of Employment.

(i) Termination of Employment. Any Option or portion thereof that is not exercisable on the date of a Participant's Termination of Employment shall immediately expire, and any Option or portion thereof which is exercisable on the date of such Termination of Employment may be exercised during a three-month period after such date (after which period the Option shall expire), but in no event may the Option be exercised after its expiration under the terms of the Award agreement. Notwithstanding the foregoing, if the Participant's Termination of Employment is by the Company or an Affiliate for Cause or by the Participant other than for Good Reason, then any Option or unexercised portion thereof granted to said Participant shall immediately expire upon such Termination of Employment.

(ii) Disability or Death of Participant. In the event of the Disability or death of a Participant under the Plan while the Participant is employed by the Company or an Affiliate, any Option or portion thereof which is not exercisable on the date of such Disability or death shall immediately expire, and any Option or portion thereof which is exercisable on the date of such Disability or death may be exercised at any time from time to time, within a one-year period after the date of such Disability or death, by the Participant, the guardian of his estate, the executor or administrator of his estate or by the person or persons to whom his rights under the Option shall pass by will or the laws of descent and distribution (after which period the Option will expire), but in no event may the Option be exercised after its expiration under the terms of the Award agreement, and provided that an exercise of an Incentive Stock Option later than three months after the date of the Participant's death shall be treated as the exercise of a Nonqualified Stock Option..

8. Terms of Stock Appreciation Rights.

(a)General. A SAR represents the right to receive a payment, in cash, shares of Stock or both (as determined by the Committee), equal to the Spread Value on the date the SAR is exercised. The grant price of a SAR and all other applicable terms and conditions will be established by the Committee in its sole discretion and will be set forth in the applicable Award agreement. Subject to the terms of the applicable Award agreement, a SAR will be exercisable, in whole or in part, by giving written notice of exercise to the Company, but in no event will a SAR be exercisable later than the tenth anniversary of the date on which it was granted.

(b)Specific Terms of SARs. The Committee is authorized to grant SARs to Participants on the following terms and conditions:

(1) Term of SARs. SARs will terminate after the first to occur of the following:

(i) Expiration of the SAR as provided in the applicable Award agreement as determined by the Committee;

(ii)Termination of the SAR Award, as provided for in Section 8(b)(2), following the Participant's Termination of Employment; or

(iii) Ten years from the date of grant.

(2)Exercise of Stock Appreciation Rights Upon Termination of Employment, Death or Disability. Except as otherwise provided in this Section 8(b)(2), or as otherwise expressly provided in a Participant's Award agreement as authorized by the Committee, the right of the Participant to exercise the SAR shall terminate upon the Participant's Termination of Employment, regardless of whether or not the SAR was vested in whole or in part on the date of Termination of Employment.

(i)Termination of Employment. Any SAR or portion thereof that is not exercisable on the date of a Participant's Termination of Employment shall immediately expire, and any SAR or portion thereof which is exercisable on the date of such Termination of Employment may be exercised during a three-month period after such date (after which period the SAR shall expire), but in no event may the SAR be exercised after its expiration under the terms of the Award agreement. Notwithstanding the foregoing, if the Participant's Termination of Employment is by the Company or an Affiliate for Cause or by the Participant other than for Good Reason, then any SAR or unexercised portion thereof granted to said Participant shall immediately expire upon such Termination of Employment.

(ii)Disability or Death of Participant. In the event of the Disability or death of a Participant under the Plan while the Participant is employed by the Company or an Affiliate, any SAR or portion thereof which is not exercisable on the date of such Disability or death shall immediately expire, and any SAR or portion thereof that is exercisable on the date of such Disability or death may be exercised at any time from time to time, within a one-year period after the date of such Disability or death, by the Participant, the guardian of his estate, the executor or administrator of his estate or by the person or persons to whom his rights under the SAR shall pass by will or the laws of descent and distribution (after which period the SAR will expire), but in no event may the SAR be exercised after its expiration under the terms of the Award agreement.

9. Terms of Restricted Stock Awards.

(a) General. Shares of Restricted Stock may be granted on the terms and conditions set forth in this Section 9. In addition, the Committee may impose on any Award of Restricted Stock, at the date of grant, such additional terms and conditions, not inconsistent with the provisions of the Plan, as the Committee shall determine, including terms requiring forfeiture of shares of Restricted Stock in the event of the Participant's Termination of Employment and terms permitting a Participant to make elections relating to his or her shares of Restricted Stock. The Committee shall (subject to Section 13(i)) retain full power and discretion to accelerate, waive or modify, at any time, any term or condition of an Award of shares of Restricted Stock that is not mandatory under the Plan. Except in cases in which the Committee is authorized to require other forms of consideration under the Plan, or to the extent other forms of consideration must be paid to satisfy the requirements of Nevada law, no consideration other than services may be required for the grant of any shares of Restricted Stock.

(b) Vesting. Each Participant shall acquire a nonforfeitable right to shares of Restricted Stock awarded to him in accordance with the provisions of the agreement evidencing the Award of the Restricted Stock.

(c) Ownership Rights. Subject to the terms of the Plan, to divestment based on the forfeiture restrictions applying to an Award of Restricted Stock and to the other terms of the Award agreement, (i) Restricted Stock granted pursuant to an Award shall for all purposes be issued and outstanding shares of Common Stock, and (ii) the Participant shall be the record owner of the Restricted Stock granted by the Award, shall have the right to vote the Restricted Stock as Common Stock on any matter upon which holders of Common Stock are entitled to vote, and shall be entitled to dividends and distributions on the Restricted Stock which are payable with respect to outstanding shares of Common Stock.

10. Terms of Restricted Stock Units.

(a) Agreement to Grant Stock. Each such grant or sale shall constitute the agreement by the Company to deliver shares of Common Stock to the Participant in the future in consideration of the performance of services, but subject to the fulfillment of such conditions during the Restriction Period as the Board may specify.

(b) Exercise Price. Each such grant or sale may be made without additional consideration or in consideration of a payment by such Participant that is less than the Fair Market Value at the date of grant.

(c) Restrictions. Each such grant or sale shall be subject to such forfeiture and other restrictions as may be determined by the Board at the date of grant, and may provide for the lapse or other modification of such restrictions in the event of a Change of Control.

(d) Voting and Dividend Rights. While and to the extent that forfeiture restrictions apply to an Award, the Participant shall have no right to transfer any rights under his or her Award and shall have no rights of ownership in the Restricted Stock Units and shall have no right to vote them, but the Board may, at or after the date of grant, authorize the payment of dividend equivalents on the shares underlying such units on either a current or deferred or contingent basis, either in cash, in additional shares of Common Stock, or in other rights or property.

11. Performance Shares and Performance Units.

(a) Agreement to Grant Units. Each grant shall specify the number of Performance Shares or Performance Units to which it pertains, which number may be subject to adjustment to reflect changes in compensation or other factors.

(b) Performance Periods. The Performance Period with respect to each Performance Share or Performance Unit shall be such period of time commencing with the date of grant as shall be determined by the Board on the date of grant.

(c) Specification of Performance Goals. Any grant of Performance Shares or Performance Units shall specify Management Objectives which, if achieved, will result in payment or early payment of the Award, and each grant may specify in respect of such specified Management Objectives a minimum acceptable level of achievement and shall set forth a formula for determining the number of Performance Shares or Performance Units that will be earned if performance is at or above the minimum level, but falls short of full achievement of the specified Management Objectives. The grant of Performance Shares or Performance Units shall specify that, before the Performance Shares or Performance Units shall be earned and paid, the Board must certify that the Management Objectives have been satisfied.

(d) Time and Form of Payment. Each grant shall specify the time and manner of payment of Performance Shares or Performance Units that have been earned. Any grant may specify that the amount payable with respect thereto may be paid by the Company in cash, in shares of Common Stock or in any combination thereof and may either grant to the Participant or retain in the Board the right to elect among those alternatives.

(e) Limitations on Awards. Any grant of Performance Shares may specify that the amount payable with respect thereto may not exceed a maximum specified by the Board at the Date of Grant. Any grant of Performance Units may specify that the amount payable or the number of shares of Common Stock issued with respect thereto may not exceed maximums specified by the Board at the date of grant.

(f) Dividend Equivalents. The Board may, at or after the date of grant of Performance Shares, provide for the payment of dividend equivalents to the holder thereof on either a current or deferred or contingent basis, either in cash, in additional shares of Common Stock or in other rights or property.

12. Other Stock-Based Awards.

(a) Other Stock-Based Awards. The Committee may grant Awards, other than Options, SARs, Restricted Stock, RSUs, Performance Shares or Performance Units, that are denominated in, valued in whole or in part by reference to, or otherwise based on or related to Stock. The purchase, exercise, exchange or conversion of Other Stock-Based Awards granted under this Section 12 and all other terms and conditions applicable to the awards will be determined by the Committee in its sole discretion and will be set forth in the applicable Award agreement.

13. General Provisions.

(a) Change of Control. Notwithstanding any provision of the Plan to the contrary and unless otherwise provided in the applicable Award agreement, in the event of any Change of Control:

(1) Any Option carrying a right to exercise that was not previously exercisable and vested shall become fully exercisable and vested as of the time of the Change of Control and shall remain exercisable and vested for the balance of the stated term of such Option without regard to any Termination of Employment, subject only to (A) applicable restrictions set forth in Section 13(b) and (c) hereof and (B) the Board's right to cancel all Options and, if an Option in the Board's judgment has value based on its exercise price, provide for a payment of the aggregate spread in the

cancelled Options. In addition, a Participant who is an Executive Officer of the Company and whose employment is involuntarily terminated by the Company within 60 days after a Change of Control will be permitted to surrender for cancellation within 60 days after the Change of Control any Option or portion of an Option to the extent not exercised and to receive a payment of shares of Stock having an aggregate Fair Market Value on the date the Participant surrenders the Option equal to the excess, if any, of (A) the Change of Control Price, over (B) the exercise price of the Option. The provisions of this Section 13(a)(1) will not be applicable to any Options granted to a Participant if the Change of Control results from the Participant's beneficial ownership (within the meaning of Rule 13d(3) under the Exchange Act) of Stock or Voting Securities;

B-11

(2) Any SARs outstanding as of the date the Change of Control occurs will become fully vested and will be exercisable in accordance with procedures established by the Committee. The provisions of this Section 13(a)(2) will not be applicable to any SARs granted to a Participant if the Change of Control results from the Participant's beneficial ownership (within the meaning of Rule 13d(3) under the Exchange Act) of Stock or Voting Securities;

(3) Any restrictions and other conditions applicable to any Restricted Stock or Restricted Stock Units held by the Participant will lapse and such Restricted Stock or Restricted Stock Units will become fully vested as of the date of the Change of Control;

(4) Any Performance Shares or Performance Units held by the Participant relating to Performance Periods before the Performance Period in which the Change of Control occurs that have been earned but not paid will become immediately payable in cash. In addition, any Performance Shares or Performance Units awarded to a Participant for a Performance Period that has not been completed at the time of the Change of Control will be deemed satisfied at the target level for the Performance Period, and payment with respect to the Performance Shares or Performance Units will be made in cash upon the Change of Control. Notwithstanding the foregoing, if the Committee in its sole discretion determines that any Performance Shares or Performance Units awarded would be considered nonqualified deferred compensation within the meaning of Section 409A of the Code, and if the Change of Control would not be considered a "change in control" for purposes of Section 409A of the Code, then a Participant's entitlement to payment with respect to the Performance Shares or Performance Units will be determined as described above in Section 13(a)(4), but payment with respect to such Performance Shares or Performance Units will be made on the date originally scheduled for payment or, if earlier, upon the Participant's Termination of Employment; and

(5) Any Other Stock-Based Awards that vest solely on the basis of the passage of time will be treated in connection with a Change of Control in the same manner as are Awards of Restricted Shares and RSUs, as described in Section 13(a)(3) above. Other Stock-Based Awards that vest on the basis of satisfaction of performance criteria will be treated in connection with a Change of Control in the same manner as are Performance Shares and Performance Units, as described in Section 13(a)(4) above, except that payment will be made only in shares of Stock. Notwithstanding the foregoing, if the committee in its sole discretion determines that any Other Stock-Based Award would be considered nonqualified deferred compensation within the meaning of Section 409A of the Code, and if the Change of Control would not be considered a "change in control" for purposes of Section 409A of the Code, then a Participant's entitlement to payment with respect to the Other Stock-Based Award will be determined as described above in this Section 13(a)(5), but payment with respect to such Other Stock-Based Award will be made on the date originally scheduled for payment, or, if earlier, upon the Participant's Termination of Employment.

(b) Compliance with Legal and Other Requirements. The Company may, to the extent deemed necessary or advisable by the Committee, postpone the issuance or delivery of Common Stock or payment of other benefits under any Award until completion of such registration or qualification of such Common Stock or other required action under any federal or state law, rule or regulation, listing or other required action with respect to any stock exchange or automated quotation system upon which the Common Stock or other securities of the Company may in the future be listed or quoted, or compliance with any other obligation of the Company, as the Committee may consider appropriate, and may require any Participant to make such representations, furnish such information and comply with or be subject to such other conditions as it may consider appropriate in connection with the issuance or delivery of Common Stock or payment of other benefits in compliance with applicable laws, rules, and regulations, listing requirements, or other obligations.

(c) Limits on Transferability; Beneficiaries. No Award or other right or interest of a Participant under the Plan shall be pledged, hypothecated or otherwise encumbered or subject to any lien, obligation or liability of such Participant to any party (other than the Company or a subsidiary), or assigned or transferred by such Participant otherwise than by will or the laws of descent and distribution or to a Beneficiary upon the death of a Participant, and

Options, SARs or Other Stock-Based Awards that may be exercisable shall be exercised during the lifetime of the Participant only by the Participant or his or her guardian or legal representative, except that Options (other than ISOs), SARs and Other Stock-Based Awards may be transferred to one or more Beneficiaries or other transferees during the lifetime of the Participant, and may be exercised by such transferees in accordance with the terms of such Option, SAR, or Other Stock Based Award but only if and to the extent such transfers are permitted by the Committee pursuant to the express terms of an Option, SAR or Other Stock-Based Award agreement (subject to any terms and conditions which the Committee may impose thereon). A Beneficiary, transferee, or other person claiming any rights under the Plan from or through any Participant shall be subject to all terms and conditions of the Plan and any Award agreement applicable to such Participant, except as otherwise determined by the Committee, and to any additional terms and conditions deemed necessary or appropriate by the Committee.

B-12

(d) Adjustments. In the event that any dividend or other distribution (whether in the form of cash, Common Stock, or other property), capital contribution, recapitalization, forward or reverse split, reorganization, merger, acquisition, consolidation, spin-off, combination, repurchase, share exchange, liquidation, dissolution or other corporate transaction or event affects the Common Stock such that an adjustment is determined by the Committee to be appropriate under the Plan, then the Committee shall, in such manner as it may deem equitable, adjust any or all of (1) the number and kind of shares of Common Stock which may be delivered in connection with Awards granted thereafter, (2) the number and kind of shares of Common Stock subject to or deliverable in respect of Awards and (3) the exercise price, grant price or purchase price relating to any Award and/or make provision for payment of cash or other property in respect of any outstanding Award. In addition, the Committee is authorized to make such adjustments in the terms and conditions of, and the criteria included in, Awards as the Committee deems equitable in recognition of unusual or nonrecurring events (including, without limitation, events described in the preceding sentence, as well as acquisitions and dispositions of businesses and assets) affecting the Company, Subsidiary or any business unit, or the financial statements of the Company or Subsidiary, or in response to changes in applicable laws, regulations, accounting principles, tax rates and regulations or business conditions or in view of the Committee's assessment of the business strategy of the Company, Subsidiary or business unit thereof, performance of comparable organizations, economic and business conditions, personal performance of a Participant, and any other circumstances deemed relevant.

(e) Payments and Payment Deferrals. Payment of Awards may be in the form of cash, Stock, other Awards or combinations thereof as the Committee may determine, and with such restrictions as it may impose. The Committee, either at the time of grant or by subsequent amendment, may require or permit deferral of the payment of Awards under such rules and procedures as it may establish. It also may provide that deferred settlements include the payment or crediting of interest or other earnings on the deferred amounts, or the payment or crediting of dividend equivalents where the deferred amounts are denominated in Stock equivalents. Notwithstanding the foregoing, no action will be taken or authorized pursuant to this Section 13(e) to the extent that it would violate the requirements of Section 409A of the Code or cause any Award of Options or SARs to be considered to provide for the deferral of compensation within the meaning of Section 409A of the Code.

The Committee may require that each person acquiring shares of Stock pursuant to an Award to represent to and agree with the Company in writing that such person is acquiring the shares without a view to the distribution thereof. The certificates for such shares may include any legend that the committee deems appropriate to reflect any restrictions on transfer. All certificates for shares of Stock or other securities delivered under the Plan will be subject to such stock transfer orders and other restrictions as the Committee may deem advisable under the rules, regulations and other requirements of the Commission, any stock exchange upon which the Stock is then listed and any applicable Federal, state or foreign securities law, and the Committee may cause a legend or legends to be put on any such certificates to make appropriate reference to such restrictions.

(f) Award Agreements. Each Award under the Plan will be evidenced by a written agreement (which need not be signed by the recipient unless otherwise specified by the Committee or otherwise provided under the Plan) that sets forth the terms, conditions and limitations for each Award. Such terms may include, but are not limited to, the term of the Award, vesting and forfeiture provisions, and the provisions applicable in the event of the recipient's Termination of Employment. The Committee may amend an Award agreement, provided that no such amendment may materially and adversely affect an outstanding Award without the Award recipient's consent.

(g) Foreign Employees. In order to facilitate the making of any grant or combination of grants under this Plan, the Board may provide for such special terms for Awards to Participants who are foreign nationals or who are employed by the Company or any Subsidiary outside of the United States of America as the Board may consider necessary or appropriate to accommodate differences in local law, tax policy or custom. Moreover, the Board may approve such supplements to or amendments, restatements or alternative versions of this Plan as it may consider necessary or appropriate for such purposes, without thereby affecting the terms of this Plan as in effect for any other

purpose, and the secretary or other appropriate officer of the Company may certify any such document as having been approved and adopted in the same manner as this Plan. No such special terms, supplements, amendments or restatements, however, shall include any provisions that are inconsistent with the terms of this Plan as then in effect unless this Plan could have been amended to eliminate such inconsistency without further approval by the stockholders of the Company.

B-13

- (h) **Taxes.** The Company and any Affiliate or Subsidiary is authorized to withhold from any payment to a Participant amounts of withholding and other taxes due or potentially payable in connection with any transaction involving an Award, and to take such other action as the Committee may deem advisable to enable the Company and Participants to satisfy obligations for the payment of withholding taxes and other tax obligations relating to any Award. This authority shall include authority to withhold or receive Common Stock or other property and to make cash payments in respect thereof in satisfaction of a Participant's tax obligations (not to exceed the minimum statutorily required tax withholding), either on a mandatory or elective basis in the discretion of the Committee.
- (i) **Changes to the Plan and Awards.** The Board, or the Committee acting pursuant to such authority as may be delegated to it by the Board, may amend, alter, suspend, discontinue or terminate the Plan or the Committee's authority to grant Awards under the Plan, provided that, without the consent of an affected Participant, except as otherwise contemplated by the Plan or the terms of an Award agreement, no such Board action may materially and adversely affect the rights of a Participant under any previously granted and outstanding Award. Except as otherwise provided in the Plan, the Committee may waive any conditions or rights under, or amend, alter, suspend, discontinue or terminate any Award theretofore granted and any Award agreement relating thereto, provided that, without the consent of an affected Participant, except as otherwise contemplated by the Plan or the terms of an Award agreement, no Committee action may materially and adversely affect the rights of such Participant under such Award.
- (j) **Limitation on Rights Conferred under Plan.** Neither the Plan nor any action taken hereunder shall be construed as (i) giving any Eligible Employee or Participant the right to continue as an Eligible Employee or Participant or in the employ or service of the Company or a subsidiary, (ii) interfering in any way with the right of the Company or a Subsidiary to terminate any Eligible Employee's or Participant's employment or service at any time, (iii) giving an Eligible Employee or Participant any claim to be granted any Award under the Plan or to be treated uniformly with other Participants and employees, or (iv) conferring on a Participant any of the rights of a shareholder of the Company unless and until the Participant is duly issued or transferred shares of Common Stock in accordance with the terms of an Option or an Award of Restricted Stock. To the extent that an employee of a Subsidiary or Affiliate receives an Award under the Plan, that Award can in no event be understood or interpreted to mean that the Company is the employee's employer or that the employee has an employment relationship with the Company.
- (k) **Provisions Held Invalid or Unenforceable.** If any provision of the Plan is held invalid or unenforceable, the invalidity or unenforceability will not affect the remaining parts of the Plan, and the Plan will be enforced and construed as if such provision had not been included.
- (l) **Nonexclusivity of the Plan.** The adoption of the Plan by the Board shall not be construed as creating any limitations on the power of the Board or a committee thereof to adopt such other compensation and incentive arrangements for employees, agents and brokers of the Company and its subsidiaries as it may deem desirable.
- (m) **Payments in the Event of Forfeitures; Fractional Shares.** Unless otherwise determined by the Committee, in the event of a forfeiture of a share of Common Stock, Option or SAR with respect to which a Participant paid cash or other consideration, the Participant shall be repaid the amount of such cash or other consideration.
- (n) **Governing Law.** The validity, construction and effect of the Plan, any rules and regulations under the Plan, and any Award agreement shall be determined in accordance with Nevada law, without giving effect to principles of conflicts of laws, and applicable federal law.
- (o) **Plan Effective Date.** The Plan has been adopted by the Board and the shareholders of the Company as of the Effective Date.
- (p) **Last Grant Date.** No Award may be granted under the Plan after January 31, 2024.

(q) **Unfunded Status of Plan.** It is presently intended that the Plan constitute an “unfunded” plan for incentive and deferred compensation. The Committee may authorize the creation of trusts or other arrangements to meet the obligations created under the Plan to deliver Stock or make payments; however, unless the Committee otherwise determines, the structure of such trusts or other arrangements must be consistent with the “unfunded” status of the Plan.
