Item 8.01 Other Events.

As previously disclosed, on February 13, 2018, GNC Holdings, Inc. (the “Company”) entered into a Securities Purchase Agreement (the “Securities Purchase Agreement”) by and between the Company and Harbin Pharmaceutical Group Holdings Co., Ltd. (the “Investor”), pursuant to which the Company agreed to issue and sell to the Investor, and the Investor agreed to purchase from the Company, 299,950 shares of a newly created series of convertible preferred stock of the Company, designated as “Series A Convertible Preferred Stock,” for a purchase price of \$1,000 per share, or an aggregate of approximately \$300 million (the “Transaction”).

On September 7, 2018, the Company and Investor received written notice from the Committee on Foreign Investment in the United States (“CFIUS”) that it had concluded its review of the transactions contemplated by the Securities Purchase Agreement and determined that, upon receipt of customary confirmations, there are no unresolved national security concerns with respect to such transactions.

The Investor previously advised the Company that the Investor received regulatory approvals for the Transaction from the respective competent local subdivisions of the State-owned Assets Supervision and Administration of State Counsel of the People’s Republic of China (“PRC”) and the Ministry of Commerce of the PRC. Receipt of regulatory approvals for the Transaction from the respective competent local subdivisions of the National Development and Reform Commission of the PRC and the State Administration of Foreign Exchange of the PRC is pending at this time.

Receipt of CFIUS clearance satisfies one of the remaining conditions to the closing of the transactions contemplated by the Securities Purchase Agreement. The closing remains subject to certain additional closing conditions, including receipt of the remaining regulatory approvals in the PRC and the negotiation of definitive documentation of the Chinese joint venture between the Company and the Investor. The Company continues to target completion of the Transaction by the end of 2018, but there can be no assurance that the remaining closing conditions will be satisfied or waived within that timeframe.
