Item 4. Description of Securities.

Item 5. Interests of Named Experts and Counsel.  
-----

Item 6. Indemnification of Directors and Officers.  
-----

The Mississippi Business Corporation Act provides for indemnification of directors and officers in certain events. Directors and officers are entitled to indemnification if they are wholly successful, on the merits or otherwise, in the defense of any proceeding to which such person is a party because he or she was a director or officer of the corporation against reasonable expenses incurred by him in connection with the proceeding. A corporation may indemnify an individual who is a party to a proceeding because he or she is or was a director or officer against a liability incurred in the proceeding if the person conducted himself in good faith and he or she reasonably believed, in the case of conduct in his official capacity, that his conduct was in the best interests of the corporation, and, in all other cases, that his conduct was not opposed to the best interests of the corporation, and, in the case of any criminal proceeding, that he or she had no reasonable cause to believe his conduct was unlawful or, he or she engaged in conduct for which broader indemnification has been made permissible or obligatory under a provision of the corporation's articles of incorporation. Unless ordered by a court, a corporation may not indemnify a director or officer in connection with a proceeding by or in the right of the corporation, except for reasonable expenses incurred in connection with the proceeding if it is determined that the director has met the relevant standard of conduct specified above, or, in connection with any proceeding with respect to conduct for which he or she was adjudged liable on the basis that he or she received a financial benefit to which he or she was not entitled, whether or not involving action in his or her official capacity.

Under the Mississippi Business Corporation Act, a corporation may, additionally, before final disposition of a proceeding, advance funds to pay for or reimburse the reasonable expenses incurred by the director or officer who is a party to a proceeding under certain circumstances.

As permitted by the Mississippi Business Corporation Act, Article VI, Section 2, of the Registrant's bylaws permit it to indemnify or reimburse the expenses of any person against all reasonable expenses incurred in connection with any litigation or proceeding in which such person may have been involved because he or she is or was a director (including honorary or advisory directors) officer or employee of the corporation or of any other firm, corporation or organization which he or she served in any such capacity at the request of the corporation; provided, such person shall have no right to indemnification or reimbursement in relation to any matters in which he or she is finally adjudged to have been guilty of or liable for negligence or willful misconduct in the performance of his or her duties; and, provided further, that no person shall be so indemnified

Edgar Filing: TRUSTMARK CORP - Form S-8

or reimbursed in relation to any administrative proceeding or action instituted by any appropriate bank regulatory agency which proceeding or action results in a final order assessing civil monetary penalties or requiring affirmative action by an individual or individuals in the form of payments to the corporation.

The Registrant has also purchased a directors' and officers' liability insurance policy. Within the coverage limit, the policy provides coverage (a) to the Registrant's directors and officers where the Registrant either is not permitted by law or is unable, due to insolvency, to indemnify its directors and officers; and (b) to the Registrant where the Registrant does indemnify the directors and officers as permitted, and/or required by law.

Item 7. Exemption from Registration Claimed.  
-----

Not applicable.

Item 8. Exhibits.  
-----

An Exhibit Index appears at page 7 hereof.

Item 9. Undertakings.  
-----

(a) Rule 415 Offerings. The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to section 13 or section 15(d) of the Exchange Act that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the

Edgar Filing: TRUSTMARK CORP - Form S-8

Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) Filings incorporating subsequent Exchange Act documents by reference. The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to section 13(a) or section 15(d) of the Exchange Act that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Filing of registration statement on Form S-8. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
