Item 4.01 Change in Registrant's Certifying Accountant.

The Audit Committee (the "Audit Committee") of the Board of Directors of PPG Industries, Inc. (the "Company") conducted a comprehensive, competitive process to determine the Company's independent registered public accounting firm for the Company's 2013 fiscal year. The Audit Committee invited four national accounting firms to participate in this process, including Deloitte & Touche LLP ("Deloitte"), the Company's then independent registered public accounting firm. As a result of this process, effective February 22, 2013, the Audit Committee approved the engagement of PricewaterhouseCoopers LLP ("PricewaterhouseCoopers") as the Company's independent registered public accounting firm for the Company's 2013 fiscal year and dismissed Deloitte from that role.

Deloitte's reports on the Company's consolidated financial statements as of and for the fiscal years ended December 31, 2012 and December 31, 2011 did not contain an adverse opinion or a disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles. The audit reports of Deloitte on the effectiveness of internal control over financial reporting as of December 31, 2012 and 2011 did not contain any adverse opinion, nor were they qualified or modified as to uncertainty, audit scope, or accounting principles.

During the fiscal years ended December 31, 2012, and December 31, 2011, and the subsequent interim period through the date of the filing of this Form 8-K, there were (i) no "disagreements" as that term is defined in Item 304(a)(1)(iv) of Regulation S-K, between the Company and Deloitte on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, any of which that, if not resolved to Deloitte's satisfaction, would have caused Deloitte to make reference to the subject matter of any such disagreement in connection with its reports for such years and interim period and (ii) no reportable events within the meaning of Item 304(a)(1)(v) of Regulation S-K during the two most recent fiscal years or the subsequent interim period.

The Company provided Deloitte with a copy of the disclosures it is making in this Current Report on Form 8-K (the "Report"). The Company requested that Deloitte furnish a letter addressed to the Securities and Exchange Commission stating whether or not it agrees with the statements made herein. A copy of Deloitte's letter dated February 26, 2013 is attached as Exhibit 16.1 hereto.

During the fiscal years ended December 31, 2012, and December 31, 2011, and the subsequent interim period through the date of the filing of this Form 8-K, neither the Company nor anyone on its behalf has consulted with PricewaterhouseCoopers regarding (i) the application of accounting principles to a specific transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's financial statements and neither a written report nor oral advice was provided to the Company that PricewaterhouseCoopers concluded was an important factor considered by the Company in reaching a decision as to any accounting, auditing, or financial reporting issue, (ii) any matter that was the subject of a disagreement within the meaning of Item 304(a)(1)(iv) of Regulation S-K, or (iii) any reportable event within the meaning of Item 304(a)(1)(v) of Regulation S-K.
