(c) The description of the Company’s Common Stock included in its Registration Statement on Form 8-A (File No. 000-19450) filed with the Commission on January 11, 2006 under the Exchange Act, including any amendment thereto or report filed for the purpose of updating such description.

Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

As a corporation incorporated under Delaware law, the Company's indemnification of its directors and officers is governed by the Delaware General Corporation Law (the "DGCL"). The Company's Certificate of Incorporation (the "Charter") provides indemnification to its directors and officers to the fullest extent permitted by the DGCL, as discussed in greater detail below. The Company maintains an insurance policy designed to reimburse the Company for any payments arising from such indemnification.

Section 102(b)(7) of the DGCL allows a corporation to eliminate the personal liability of a director to the corporation or its stockholders for monetary damages for a breach of fiduciary duty as a director, except for liability (i) for any breach of the director's duty of loyalty to the corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the DGCL, or (iv) for any transaction from which the director derived an improper personal benefit. Article VIII of the Charter contains such a provision eliminating the personal liability of a director to the corporation or its stockholders for monetary damages for a breach of fiduciary duty to the fullest extent permitted by the DGCL.

The Charter further provides that if the DGCL is amended to authorize corporate action further eliminating or limiting the personal liability of directors, then the liability of a director of the Company shall be eliminated or limited to the fullest extent permitted by the DGCL as so amended.

In addition, Section 145 of the DGCL authorizes a court to award, or a corporation's board of directors to grant, indemnity to directors and officers under certain circumstances for liabilities incurred in connection with their activities in such capacities (including reimbursement for expenses incurred). Article VIII of the Charter provides for mandatory indemnification of any current or former directors or officers of the Company and certain other employees or agents (each a "Covered Person") for all expenses, liabilities and losses incurred in any action, suit or proceeding by reason of his or her actions in such capacity on behalf of the Company, provided that the Company shall be required to indemnify such Covered Person in connection with any action, suit or proceeding (or part thereof) commenced by such Covered Person only if the commencement of such action, suit or proceeding (or part thereof) by such Covered Person was authorized by the Company's board of directors.

The Company has a defense to any action by a director or officer claiming the right to the foregoing indemnity that the claimant has not met the standards of conduct that make it permissible under the DGCL for the Company to indemnify the claimant for the amount claimed. The Company has the burden of proving the defense.

The foregoing is only a general summary of certain aspects of Delaware law and the Charter, in each case dealing with indemnification of directors and officers, and does not purport to be complete. It is qualified in its entirety by reference to the relevant provisions of the DGCL and the Charter, which is attached as Exhibit 4.1 to this Registration Statement.

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;

Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
