Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of the Registrant

Amended and Restated Credit Agreement

On May 16, 2013, the Company entered into an amended and restated credit agreement with Wells Fargo Bank, National Association, as administrative agent, swing line lender and a letter of credit issuer, and the lenders party thereto. The amended and restated credit agreement consists of (i) a \$100.0 million, five-year term A loan facility, (ii) a \$275.0 million seven-year term B loan facility and (iii) a \$125.0 million, five-year revolving loan facility, including a \$10.0 million swingline subfacility and a \$10.0 million subfacility for letters of credit. The amended and restated credit agreement also provides the ability to increase the loan facilities for up to the greater of \$100.0 million and the amount that is equal to the greatest amount of additional debt that would not cause the Company to exceed certain specified conditions.

Borrowings under the amended and restated credit agreement bear interest through maturity at a variable rate based upon, at the Company’s option, either the Eurodollar rate or the base rate (which is the highest of the administrative agent’s prime rate, one-half of 1.00% in excess of the overnight federal funds rate, and 1.00% in excess of the one-month Eurodollar rate), plus in each case, an applicable margin. The applicable margin for Eurodollar rate loans for the revolving loans and the term A loans ranges, based on the applicable leverage ratio, from 1.75% to 2.50% per annum and the applicable margin for base rate loans ranges, based on the applicable leverage ratio, from 0.75% to 1.50% per annum. The applicable margin for Eurodollar rate loans for the term B loans is 2.50% per annum and the applicable margin for base rate loans is 1.50% per annum. The Company is required to pay a commitment fee equal to 0.40% per annum on the undrawn portion available under the revolving loan facility if its leverage ratio is greater than or equal to 3.00:1.00, a commitment fee equal to 0.35% per annum if its leverage ratio is less than 3.00:1.00 but greater than or equal to 2.50:1.00, a commitment fee equal to 0.30% per annum if its leverage ratio is less than 2.50:1.00 but greater than or equal to 2.00:1.00, and a commitment fee equal to 0.25% per annum if its leverage ratio is less than 2.00:1.00. Additionally, the Company is required to pay variable per annum fees equal to the applicable margin for Eurodollar rate loans in respect of outstanding letters of credit.

During the five years after the closing date, the Company will be required to make quarterly amortization payments on the term A loan facility in the aggregate annual amount equal to 10% of the original principal amount of the term A Loan facility. During the seven years after the closing date, the Company will be required to make quarterly amortization payments on the term B loan facility in the aggregate annual amount equal to 1% of the original principal amount of the term B Loan facility. The Company is also required to make mandatory prepayments of loans under the amended and restated credit agreement, subject to specified exceptions, from excess cash flow and with the proceeds of asset sales, debt issuances and specified other events.

The Company’s obligations under the amended and restated credit agreement are guaranteed by substantially all of its direct and indirect domestic subsidiaries. The obligations under the amended and restated credit agreement and the guarantees are secured by a lien on substantially all of the Company’s tangible and intangible property and by a pledge of all of the equity interests in its direct and indirect domestic subsidiaries and a pledge of 65% of the equity interests in its first-tier foreign subsidiaries.

In addition to other covenants, the amended and restated credit agreement places limits on the Company’s and its subsidiaries’ ability to, incur liens, incur additional indebtedness, make loans and investments, engage in mergers and acquisitions, engage in asset sales, declare dividends or redeem or repurchase capital stock, alter the business conducted by the Company and its subsidiaries, transact with affiliates, prepay, redeem or purchase subordinated debt and amend or otherwise alter debt agreements.

The amended and restated credit agreement also contains a financial covenant requiring the Company to maintain a maximum ratio of consolidated funded debt to consolidated EBITDA that ranges from 4.25:1.00 to 3.25:1.00. For the six month period ending December 30, 2013, the amended and restated credit agreement requires a maximum leverage ratio of not more than 4.25:1.00. A failure
