Annual Meeting of Stockholders
June 22, 2004

Edgar Filing: GERMANY FUND INC - Form DEF 14A

PROXY STATEMENT

This Proxy Statement is furnished by the Board of Directors of The Germany Fund, Inc., (the "Board of Directors" or "Board"), a Maryland corporation (the "Fund"), in connection with the solicitation of proxies for use at the Annual Meeting of Stockholders (the "Meeting") to be held at 3:30 P.M., New York time, on June 22, 2004 at 280 Park Avenue, 40th Floor West, New York, New York 10017. The purpose of the Meeting and the matters to be considered are set forth in the accompanying Notice of Annual Meeting of Stockholders.

If the accompanying form of proxy is executed properly and returned, shares represented by it will be voted at the Meeting in accordance with the instructions on the proxy. However, if no instructions are specified, shares will be voted FOR the election of five (5) directors of the Fund ("Directors") (Proposal 1) and FOR the ratification of the appointment by the Audit Committee and the Board of PricewaterhouseCoopers LLP as independent auditors for the Fund (Proposal 2). A proxy may be revoked at any time prior to the time it is voted by written notice to the Secretary of the Fund, by submitting a subsequently executed proxy or by attendance at the Meeting and voting in person.

The close of business on April 30, 2004 has been fixed as the record date for the determination of stockholders entitled to notice of, and to vote at, the Meeting. On that date, the Fund had 15,163,981 shares of Common Stock outstanding and entitled to vote. Each share will be entitled to one vote on each matter that comes before the Meeting. It is expected that the Notice of Annual Meeting, this Proxy Statement and the form of proxy will first be mailed to stockholders on or about May 26, 2004.

A quorum is necessary to hold a valid meeting. If stockholders entitled to cast one-third of all votes entitled to be cast at the Meeting are present in person or by proxy, a quorum will be established. The Fund intends to treat properly executed proxies that are marked "abstain" and broker non-votes (defined below) as present for the purposes of determining whether a quorum has been achieved at the Meeting. Under Maryland law, abstentions do not constitute a vote "for" or "against" a matter and will be disregarded in determining the "votes cast" on an issue. A "broker non-vote" occurs when a broker holding shares for a beneficial owner does not vote on a particular matter because the broker does not have discretionary voting power with respect to that matter and has not received instructions from the beneficial owner.

PROPOSAL 1: ELECTION OF DIRECTORS

The Fund's charter (the "Charter") provides that the Board of Directors be divided into three classes of Directors serving staggered three-year terms and until their successors are elected and qualify. The term of office for Directors in Class II expires at the 2004 Annual Meeting, Class III at the next succeeding annual meeting and Class I at the following succeeding Annual Meeting. Three Class II nominees and two Class I nominees are proposed in this Proxy Statement for election.

Should any vacancy occur on the Board of Directors, the remaining Directors would be able to fill such vacancy by the affirmative vote of a majority of the remaining Directors in office, even if the remaining Directors do not constitute a quorum. Any Director elected by the Board to fill a vacancy would hold office until the remainder of the full term of the class of Directors in which the vacancy occurred and until a successor is elected and qualifies. If the size of the Board is increased, additional Directors will be apportioned among the three classes to make all classes as nearly equal as possible.

Edgar Filing: GERMANY FUND INC - Form DEF 14A

Unless authority is withheld, it is the intention of the persons named in the accompanying form of proxy to vote each proxy for the election of the nominees listed below. Each nominee has indicated that he will serve as a Director if elected, but if any nominee should be unable to serve, proxies will be voted for any other person determined by the persons named in the form of proxy in accordance with their discretion.

Information Regarding Directors and Officers

The following table shows certain information about the nominees for election as Directors and about Directors whose terms will continue, including beneficial ownership of Common Stock of the Fund. Each has served as a Director of the Fund since the Fund's inception in 1986, except for Ambassador Burt, who was elected to the Board on June 30, 2000, Mr. Langhammer, who was elected to the Board on May 9, 2003, Mr. Cannon, who was elected to the Board on April 23, 2004, and Dr. Bock, who was elected to the Board on May 5, 2004.

(2) The Family of Investment Companies consists of the Fund, The New Germany Fund, Inc. and The Central Europe and Russia Fund, Inc., which are closed-end funds and share the same investment adviser and manager and hold themselves out as related companies.

The Board of Directors presently has four standing committees including an audit committee (the "Audit Committee"), an advisory committee (the "Advisory Committee"), an executive committee (the "Executive Committee") and a nominating committee (the "Nominating Committee").

The Audit Committee, comprising Messrs. Burt, Cannon, Wadsworth and Walbrol, operates pursuant to a written charter which is attached hereto as Exhibit A. The Audit Committee's organization and responsibilities are contained in the Audit Committee Report, which is included in this Proxy Statement, and in its written charter. The members of the Audit Committee are "independent" as required by the independence standards of Rule 10A-3 under the Securities Exchange Act of 1934. The Board of Directors has determined that each member of the Audit Committee is financially literate and has determined that each of Messrs. Cannon and Wadsworth meets the requirements for an audit committee financial expert under the rules of the Securities and Exchange Commission ("SEC"). Although the Board has determined that these individuals meet the requirements for an audit committee financial expert, their responsibilities are the same as those of the other audit committee members. They are not auditors or accountants, do not perform "field work" and are not full-time employees. The SEC has determined that an audit committee member who is designated as an audit committee financial expert will not be deemed to be an "expert" for any purpose as a result of being identified as an audit committee financial expert. The Audit Committee met five times during the fiscal year ended December 31, 2003.

The Advisory Committee, comprising Messrs. Bierbaum, Burt, Wadsworth and Walbrol, makes recommendations to the full Board with respect to the Management Agreement between the Fund and Deutsche Bank Securities Inc. ("DBSI") and the Investment Advisory Agreement between the Fund and Deutsche Asset Management International GmbH ("DeAM"). The Advisory Committee met once during the past fiscal year.

8

The Executive Committee, comprising Messrs. Burt, Strenger, Wadsworth and Walbrol, has the authority to act for the Board on all matters between meetings of the Board subject to any limitations under applicable state law. During the past fiscal year the Executive Committee did not meet.

The Nominating Committee, comprising Messrs. Burt, Wadsworth and Walbrol, operates pursuant to a written charter which is attached hereto as Exhibit B. The Board has determined that each of the members is not an "interested person" as the term is defined in Section 2(a)(19) of the Investment Company Act of 1940, as amended. The Nominating Committee's organization and responsibilities are set forth in the Nominating Committee Charter. Generally, the Nominating Committee identifies, evaluates and selects and nominates, or recommends to the Board of Directors, candidates for the Board or any committee of the Board. To be eligible for nomination as a Director a person must, at the time of such person's nomination, have Relevant Experience and Country Knowledge and must not have any Conflict of Interest, as those terms are defined in the Fund's By-laws. The relevant portions of the Fund's By-laws describing these requirements are included as Exhibit C. The Nominating Committee may also take into account additional factors listed in the Nominating Committee Charter, which generally relate to the nominee's industry knowledge, business experience, education, ethical reputation, special skills, ability to work well in group settings and

Edgar Filing: GERMANY FUND INC - Form DEF 14A

the ability to qualify as an "independent director."

The Nominating Committee will consider nominee candidates properly submitted by stockholders in accordance with applicable law, the Fund's Articles of Incorporation or By-laws, resolutions of the Board and the qualifications and procedures set forth in the Nominating Committee Charter and this proxy statement. A stockholder or group of stockholders seeking to submit a nominee candidate (i) must have beneficially owned at least 5% of the Fund's common stock for at least two years, (ii) may submit only one nominee candidate for any particular meeting of stockholders, and (iii) may submit a nominee candidate for only an annual meeting or other meeting of stockholders at which directors will be elected. The stockholder or group of stockholders must provide notice of the proposed nominee pursuant to the requirements found in the Fund's By-laws. Generally, this notice must be received not less than 90 days nor more than 120 days prior to the first anniversary of the date of mailing of the notice for the preceding year's annual meeting. Such notice shall include the specific information required by the Fund's By-laws. The relevant portions describing these requirements are included as Exhibit C. The Nominating Committee will evaluate nominee candidates properly submitted by stockholders on the same basis as it considers and evaluates candidates recommended by other sources. The Nominating Committee met twice during the past fiscal year.

All members on each of the four committees of the Board are non-interested persons (except that Mr. Strenger, an interested person, is a member of the Executive Committee, and Mr. Bierbaum, an interested person, is a member of the Advisory Committee).

During the past fiscal year, the Board of Directors had four regular meetings, and each incumbent Director that served as a Director during the past fiscal year attended at least 75% of the aggregate number of meetings of the Board and meetings of Board Committees on which that Director served. The Board has a policy that encourages Directors to attend the Annual Meeting of Stockholders, to the extent travel to the Annual Meeting of Stockholders is reasonable for that Director. Two Directors attended the 2003 Annual Meeting of Stockholders.

To communicate with the Board of Directors or an individual Director of the Fund, a stockholder must send a written communication to the Fund's principal office at the address listed in the Notice of Annual Meeting of Stockholders accompanying this Proxy Statement, addressed to the Board of Directors of the Fund or an individual Director and the Secretary of the Fund. The Secretary of the Fund will direct the correspondence to the appropriate parties.

The Fund pays each of its Directors who is not an interested person of the Fund, the investment adviser or the manager an annual fee of \$7,500 plus \$750 for each Board and Committee meeting attended. Each such Director who is also a Director of The New Germany Fund, Inc. or The Central Europe and Russia Fund, Inc. also receives the same annual and per-meeting fees for services as a Director of each such fund. Effective as of April 24, 2002, no Director of all three funds is paid for attending more than two funds' board and committee meetings when meetings of the three funds are held concurrently, and, effective as of January 1, 2002, no such Director receives more than the annual fee of two funds. Each of the Fund, The Central Europe and Russia Fund, Inc. and The New Germany Fund, Inc. reimburses the Directors (except for those employed by the Deutsche Bank Group) for travel expenses in connection with Board meetings. These three funds, together with 201 other open- and closed-end funds advised by wholly-owned entities of the Deutsche Bank Group in the United States, represent

the entire Fund Complex within the meaning of the applicable rules and regulations of the SEC. The following table sets forth (a) the aggregate compensation from the Fund for the fiscal year ended December 31, 2003, and (b) the total compensation from the Fund Complex that includes the Fund for the fiscal year ended December 31, 2003 and for such other funds whose fiscal year ended October 31, 2003, for each Director who is not an interested person of the Fund, and for all such Directors as a group:

(1) Mr. Voscherau resigned as a Director of the Fund, effective May 5, 2004.

No compensation is paid by the Fund to Directors or officers who are interested persons of the Fund or of any entity of the Deutsche Bank Group.

The Board unanimously recommends a vote FOR Proposal 1.

Required Vote. Provided a quorum has been established, the affirmative vote of a plurality of the votes cast at the Meeting is required for the election of each Director. For purposes of the election of Directors, abstentions will have no effect on the result of the vote.

PROPOSAL 2: RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

The Audit Committee has approved PricewaterhouseCoopers LLP (the "Firm" or "PwC") as independent auditors for the Fund for the fiscal year ending December 31, 2004. A majority of members of the Board of Directors, including a majority of the members of the Board of Directors who are not "interested" Directors (as defined in the 1940 Act) of the Fund, have ratified the appointment of PwC as the Fund's independent auditors for that fiscal year. Based principally on representations from the Firm, the Fund knows of no direct financial or material indirect financial interest of such Firm in the Fund. That Firm, or a predecessor firm, has served as the independent auditors for the Fund since inception.

Neither our charter nor By-laws requires that the stockholders ratify the appointment of PwC as our independent auditors. We are doing so because we believe it is a matter of good corporate practice. If the stockholders do not ratify the appointment, the Audit Committee and the Board of Directors will reconsider whether or not to retain PwC, but may retain such independent auditors. Even if the appointment is ratified, the Audit Committee and the Board of Directors in their discretion may change the appointment at any time during the year if they determine that such change would be in the best interests of the Fund and its stockholders. It is intended that the persons named in the accompanying form of proxy will vote for PwC. A representative of PwC will be

Edgar Filing: GERMANY FUND INC - Form DEF 14A

present at the Meeting and will have the opportunity to make a statement and is expected to be available to answer appropriate questions concerning the Fund's financial statements.

The Board unanimously recommends a vote FOR Proposal 2.

Required Vote. Provided a quorum has been established, the affirmative vote of a majority of the votes cast at the Meeting is required for the ratification of the appointment by the Audit Committee and the Board of Directors of PwC as independent auditors for the Fund for the fiscal year ending December 31, 2004. For purposes of Proposal 2, abstentions will have no effect on the result of the vote.

INFORMATION WITH RESPECT TO THE FUND'S INDEPENDENT AUDITORS

The following table shows fees paid to PwC by the Fund during the Fund's two most recent fiscal years: (i) for audit and non-audit services provided to the Fund, and (ii) for engagements for non-audit services pre-approved by the Audit Committee for the Fund's manager and investment adviser and certain entities controlling, controlled by, or under common control with the manager and investment adviser that provide ongoing services to the Fund (collectively, the "Adviser Entities"), which engagements relate directly to the operations and financial reporting of the Fund. The Audit Committee of each Board will review, at least annually, whether PwC's receipt of non-audit fees from the Fund, the Fund's manager, the Fund's investment adviser and all Adviser Entities is compatible with maintaining PwC's independence.

1 "Audit Fees" are the aggregate fees billed for professional services for the audit of the Fund's annual financial statements and services provided in connection with statutory and regulatory filings or engagements.

2 "Audit Related Fees" are the aggregate fees billed for assurance and related services reasonably related to the performance of the audit or review of financial statements and are not reported under "Audit Fees."

3 "Tax Fees" are the aggregate fees billed for professional services for tax advice, tax compliance and tax planning.

4 "All Other Fees" are the aggregate fees billed for products and services other than "Audit Fees," "Audit Related Fees" and "Tax Fees."

Audit Committee Pre-Approval Policies and Procedures. Generally, the Audit Committee must pre-approve (i) all services to be performed for the Fund by the Fund's independent auditors and (ii) all non-audit services to be performed by the Fund's independent auditors for the Fund's investment adviser or any Adviser Entities with respect to operations and financial reporting of the Fund. The Chair of the Audit Committee may approve or deny the request to engage the auditors to provide any fund services or fund-related services that are not listed on the pre-approved list if the cost associated with the request is

Edgar Filing: GERMANY FUND INC - Form DEF 14A

\$50,000 or less, or at the Chair's discretion, determine to call a special meeting of the Audit Committee for the purpose of considering the proposal. Should the Chair of the Audit Committee be unavailable, any other member of the Audit Committee may serve as an alternate for the

11

purpose of approving or denying the request. The auditors shall report to the Audit Committee at each of its regular meetings all audit or non-audit services to the Fund and all non-audit services to the Adviser Entities that relate directly to the Fund's operations and financial reporting initiated since the last such report was rendered, including a general description of the services and projected fees and the means by which such services were approved by the Audit Committee. The engagement of the auditors to provide certain services customarily required by a Fund in the ordinary course of its operation or by an Adviser Entity in the ordinary course of its operation is approved by the Audit Committee subject to pre-determined dollar limits. In all cases where an Adviser Entity engages the auditors to provide audit or non-audit services not previously described here and the projected fees for such engagement exceed \$25,000, the auditors will notify the Audit Committee not later than their next meeting.

All Non-Audit Fees. The table below shows the aggregate non-audit fees billed by PwC for services rendered to the Fund and to the Adviser Entities that provide ongoing services to the Fund, whether or not such engagements relate directly to the operations and financial reporting of the Fund, for the two most recent fiscal years for the Fund.

AUDIT COMMITTEE REPORT

The purposes of the Audit Committee are to 1) assist the Board of Directors in its oversight of (i) the integrity of the Fund's financial statements; (ii) the Fund's compliance with legal and regulatory requirements; (iii) the independent auditors' qualifications and independence, and (iv) the performance of the independent auditors; and 2) to prepare this report. Each member of the Audit Committee is "independent," as required by the independence standards of Rule 10A-3 under the Securities Exchange Act of 1934. The Audit Committee operates pursuant to a written charter, a copy of which is attached as Exhibit A to this Proxy Statement. As set forth in the Audit Committee Charter, management of the Fund and applicable service providers are responsible for the preparation, presentation and integrity of the Fund's financial statements and for the effectiveness of internal control over financial reporting. Management and applicable service providers are responsible for maintaining appropriate accounting and financial reporting principles and policies and internal control over financial reporting and other procedures that provide for compliance with accounting standards and applicable laws and regulations. The independent auditors are responsible for planning and carrying out a proper audit of the Fund's annual financial statements and expressing an opinion as to their conformity with generally accepted accounting principles.

In the performance of its oversight function, the Audit Committee has considered and discussed the audited financial statements with Management and the independent auditors of the Fund. The Audit Committee has also discussed with the independent auditors the matters required to be discussed by Statement

Edgar Filing: GERMANY FUND INC - Form DEF 14A

on Auditing Standards No. 61, Communication with Audit Committees, as currently in effect. The Audit Committee has also considered whether the provision of any non-audit services not pre-approved by the Audit Committee provided by the Fund's independent auditors to the Fund's investment adviser, manager or to any entity controlling, controlled by or under common control with the Fund's investment adviser or manager that provides ongoing services to the Fund is compatible with maintaining the auditors' independence. Finally, the Audit Committee has received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, as currently in effect, and has discussed with the auditors their independence.

12

The members of the Audit Committee are not full-time employees of the Fund and are not performing the functions of auditors or accountants. As such, it is not the duty or responsibility of the Audit Committee or its members to conduct "field work" or other types of auditing or accounting reviews or procedures or to set auditor independence standards. The Audit Committee's considerations and discussions referred to above do not assure that the audit of the Fund's financial statements has been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with generally accepted accounting principles or that the Fund's auditors are in fact "independent."

Based upon the reports and discussions described in this report, and subject to the limitations on the role and responsibilities of the Audit Committee referred to above and in the Charter, the Audit Committee recommended to the Board of Directors of the Fund that the audited financial statements of the Fund be included in the Fund's annual report to stockholders for the fiscal year ended December 31, 2003.

THE GERMANY FUND, INC.
(the "Company")

AUDIT COMMITTEE CHARTER
(Amended and Restated as of October 31, 2003; and
further amended on April 23, 2004)

- I. Composition of the Audit Committee: The Audit Committee shall be comprised of at least three directors, each of whom shall satisfy the independence requirements of Rule 10A-3 under the Securities Exchange Act of 1934. (1) The Board of Directors (the "Board") shall determine that each member is "financially literate," and that at least one member of the Audit Committee has "accounting or related financial management expertise," as such qualifications are interpreted by the Board in its business judgment, and whether any member of the Audit Committee is an "audit committee financial expert," as defined by the Securities and Exchange Commission (the "SEC"). If the Board has determined that a member of the Audit Committee is an audit committee financial expert, it may presume that such member has accounting or related financial management expertise.

No director may serve as a member of the Audit Committee if such director serves on the audit committees of more than two other public companies unless the Board determines that such simultaneous service would not impair the ability of such director to effectively serve on the Audit Committee. The Board has determined that simultaneous service on the audit committees of The New Germany Fund, Inc. and The Central Europe and Russia Fund, Inc. (the "Related Funds") would not impair a director's ability to effectively serve on the Audit Committee because, among other reasons, the boards of directors and audit committees of all three closed-end funds generally meet concurrently, have substantial director overlaps, have common service providers, and have many operating, financial reporting and accounting issues in common. The Board has further determined that service on the Audit Committee of the Company and the audit committees of the Related Funds should be considered service on a single public company audit committee for purposes of the three-audit committee limitation.

Members shall be appointed by the Board, and shall serve at the pleasure of the Board and for such term or terms as the Board may determine.

The Board shall designate one member of the Audit Committee as its chairperson.

- II. Purposes of the Audit Committee: The purposes of the Audit Committee are to:
1. assist Board oversight of (i) the integrity of the Company's financial statements, (ii) the Company's compliance with legal and regulatory requirements, (iii) the independent auditors' qualifications and independence, and (iv) the performance of the independent auditors; and
 2. prepare the report required to be prepared by the Audit Committee

Edgar Filing: GERMANY FUND INC - Form DEF 14A

pursuant to the rules of the SEC for inclusion in the Company's annual proxy statement.

-
- (1) In order to satisfy Rule 10A-3 of the 1934 Act, a member of the Audit Committee may not (1) accept directly or indirectly any consulting, advisory or other compensatory fee from the Company other than (a) director's fees and (b) any other regular benefits that other directors receive, or (2) be an "interested person" of the Company as such term is defined in Section 2(a)(19) of the Investment Company Act of 1940.

A-1

The function of the Audit Committee is oversight. The management of the Company, including the service providers so contractually obligated, is responsible for the preparation, presentation and integrity of the Company's financial statements and for the effectiveness of internal control over financial reporting. Management and applicable service providers are responsible for maintaining appropriate accounting and financial reporting principles and policies and internal control over financial reporting and other procedures that provide for compliance with accounting standards and applicable laws and regulations. The independent auditors are responsible for planning and carrying out a proper audit of the Company's annual financial statements and other procedures. In fulfilling their responsibilities hereunder, it is recognized that members of the Audit Committee are not full-time employees of the Company and are not, and do not represent themselves to be, performing the functions of auditors or accountants. As such, it is not the duty or responsibility of the Audit Committee or its members to conduct "field work" or other types of auditing or accounting reviews or procedures or to set auditor independence standards, and each member of the Audit Committee shall be entitled to rely on (i) the integrity of those persons and organizations within and outside the Company from which it receives information, (ii) the accuracy of the financial and other information provided to the Audit Committee by such persons or organizations absent actual knowledge to the contrary (which shall be promptly reported to the Board of Directors), and (iii) representations made by management as to any non-audit services provided by the auditors to the Company, to the Company's investment manager or investment adviser or any entity in a control relationship with the investment manager or investment adviser, or to the Company's custodian (including sub-custodians).

The independent auditors shall submit to the Audit Committee annually a formal written statement (the "Auditors' Statement") describing: the auditors' internal quality-control procedures; any material issues raised by the most recent internal quality-control review or peer review of the auditors, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the auditors, and any steps taken to deal with any such issues; and (to assess the auditors' independence) all relationships between the independent auditors and the (a) Company, (b) the Company's investment manager or investment adviser, and (c) any entity in a control relationship with the investment manager or investment adviser, whether or not it provides services to the Company, and including at least the matters set forth in Independence Standards Board No. 1. The description of relationships should include a description of the non-audit services, including the fees associated therewith, that were not pre-approved by the Company's Audit Committee.

The independent auditors shall submit to the Audit Committee annually a

Edgar Filing: GERMANY FUND INC - Form DEF 14A

formal written statement of the fees billed in each of the last two fiscal years for each of the following categories of services rendered by the independent auditors: (i) the audit of the Company's annual financial statements or services that are normally provided by the independent auditors in connection with statutory and regulatory filings or engagements; (ii) assurance and related services not included in clause (i) that are reasonably related to the performance of the audit or review of the Company's financial statements, in the aggregate and by each service; (iii) tax compliance, tax advice and tax planning services, in the aggregate and by each service; and (iv) all other products and services rendered by the independent auditors, in the aggregate and by each service. The statement as to (ii), (iii) and (iv) should include (and separately disclose) fees billed in each of the last two fiscal years for the indicated services to (a) the Company, (b) the Company's investment manager and investment adviser, and (c) any entity in a control relationship with the investment manager or investment adviser that provides ongoing services to the Company.

A-2

- III. Meetings of the Audit Committee: The Audit Committee shall meet semi-annually or more frequently if circumstances dictate, to discuss with management and the independent auditor the annual audited financial statements and to address the matters set forth in Article IV. The Audit Committee should meet separately at least annually with each of management and the independent auditors to discuss any matters that the Audit Committee or any of these persons or firms believe should be discussed privately. The Audit Committee may request any officer or employee of the Company or any service provider, outside counsel to the Company or the independent directors or the Company's independent auditors to attend a meeting of the Audit Committee or to meet with any members of, or consultants to, the Audit Committee. Members of the Audit Committee may participate in a meeting of the Audit Committee by means of conference call or similar communications equipment by means of which all persons participating in the meeting can hear each other.
- IV. Duties and Powers of the Audit Committee: To carry out its purposes, the Audit Committee shall have the following duties and powers:
1. with respect to the independent auditors,
 - (i) to be directly responsible for the appointment, retention, compensation, and oversight of the work of the independent auditors (including the resolution of disagreements between management and the independent auditors regarding financial reporting), who shall report directly to the Audit Committee; provided that the auditor appointment shall be subject to ratification by the Board;
 - (ii) to be directly responsible for the appointment, retention, compensation and oversight of the work of any registered public accounting firm, other than the independent auditors, engaged for the purpose of preparing or issuing an audit report or to perform audit, review or attestation services, which firm shall report directly to the Audit Committee;
 - (iii) to pre-approve, or to adopt appropriate procedures to pre-approve, all audit and non-audit services to be provided by the independent auditors, including applicable non-audit services provided to the Company's investment manager and

Edgar Filing: GERMANY FUND INC - Form DEF 14A

investment adviser and any entity in a control relationship with the investment manager or investment adviser that provides ongoing services to the Company;

- (iv) to ensure that the independent auditors prepare and deliver annually an Auditors' Statement (it being understood that the independent auditors are responsible for the accuracy and completeness of this Statement), and to discuss with the independent auditors any relationships or services disclosed in this Statement that may impact the quality of audit services or the objectivity and independence of the Company's independent auditors;
- (v) to obtain from the independent auditors in connection with any audit a timely report relating to the Company's annual audited financial statements describing all critical accounting policies and practices used, all alternative treatments of financial information within generally accepted accounting principles that have been discussed with management, ramifications of the use of such alternative disclosures and treatments, and the treatment preferred by the independent auditors, and any material written communications between the independent auditors and management, such as any "management" letter or schedule of unadjusted differences;
- (vi) to review and evaluate the qualifications, performance and independence of the independent auditors, as well as the lead partner of the independent auditors;

A-3

- (vii) to discuss with management the timing and process for implementing the rotation of the lead audit partner, the concurring partner and any other active audit engagement team partner and consider whether there should be a regular rotation of the audit firm itself; and
 - (viii) to take into account the opinions of management in assessing the independent auditors' qualifications, performance and independence;
2. with respect to financial reporting principles and policies and internal audit controls and procedures,
- (i) to advise management, relevant service providers and the independent auditors that they are expected to provide or cause to be provided to the Audit Committee a timely analysis of significant financial reporting issues and practices;
 - (ii) to consider any reports or communications (and management's and/or applicable service providers' responses thereto) submitted to the Audit Committee by the independent auditors required by or referred to in SAS 61 (as codified by AU Section 380), as may be modified or supplemented, including reports and communications related to:

 - o disagreements with management;
 - o consultation by management with other accountants;
 - o major issues discussed with management prior to retention of the independent auditors;
 - o difficulties encountered with management in performing the audit;
 - o the independent auditors' judgments about the preferability, not just acceptability, of the Company's accounting principles; and
 - o reviews, if any, of interim financial information conducted in accordance with generally accepted auditing standards by the independent auditors;
- (iii) to meet with management, the independent auditors and, if appropriate, the relevant service providers:
- o to discuss the scope of the annual audit;

A-4

- (iv) to inquire of the Company's chief executive officer and chief financial officer as to the existence of any significant deficiencies or material weaknesses in the design or operation of internal control over financial reporting which are reasonably likely to adversely affect the Company's ability to record, process, summarize and report financial information and any fraud, whether or not material, that involves management or service providers that have a significant role in the Company's internal control over financial reporting;
- (v) to discuss with management and any relevant service providers the semi-annual financial statements at the next Audit Committee meeting following their issuance;
- (vi) to discuss guidelines and policies governing the process by which management of the Company and the relevant service providers of the Company assess and manage the Company's

Edgar Filing: GERMANY FUND INC - Form DEF 14A

exposure to risk, and to discuss the Company's most significant financial risk exposures and the steps management has taken to monitor and control such exposures;
