Item 4.02. Non-Reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Interim Review.

- (a) On October 22, 2008, Cadence Design Systems, Inc. (Cadence) issued a press release announcing that it had preliminarily determined that approximately \$24 million of revenue relating to customer contracts signed during the first quarter of 2008 was recognized during the first quarter of 2008, but should have been recognized ratably over the duration of the contracts. Cadence s audit committee, with its independent counsel, has initiated an investigation of this matter after Cadence became aware of the issue during its regular review of its third quarter results.

On October 22, 2008, the audit committee of the Board of Directors of Cadence and the Interim Office of the Chief Executive of Cadence concluded that Cadence expects to restate its quarterly financial statements for the periods ending March 29, 2008 and June 28, 2008 to correct the revenue recognition with respect to these contracts and have therefore concluded that Cadence s financial statements included in the quarterly reports on Form 10-Q for the periods ending March 29, 2008 and June 28, 2008 should no longer be relied upon.

The audit committee of the Board of Directors of Cadence and the Interim Office of the Chief Executive of Cadence have discussed the matters disclosed in this filing with Cadence s independent registered public accounting firm.
