- (WI) Security purchased on a when-issued basis.

#### **Income Tax Information**

The following information is presented on an income tax basis. Differences between amounts for financial statement

and federal income tax purposes are primarily due to timing differences in recognizing income on taxable market discount securities and timing differences in recognizing certain gains and losses on investment transactions.

At May 31, 2005, the cost of investments was \$125,666,216.
