Item 2.02 Results of Operations and Financial Condition.

In accordance with General Instruction B.2. of Form 8-K, the following information, including Exhibit 99.1, shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934 (the “Exchange Act”) or otherwise subject to the liabilities of that section, nor shall such information and Exhibit be deemed incorporated by reference in any filing under the Securities Act of 1933 or the Exchange Act, except as shall be expressly set forth by specific reference in such a filing.

On October 31, 2011, SM Energy Company (the “Company”) issued a press release announcing its results of operations for the third quarter of 2011. As indicated in the press release, the Company scheduled a third quarter 2011 earnings teleconference call for November 1, 2011, at 8:00 a.m. (Mountain Time). The teleconference call, and a replay of that call, is publicly accessible, and the press release includes instructions as to when and how to access the teleconference and the location on the Company's web site where the teleconference information will be available. A copy of the press release is furnished as Exhibit 99.1 to this report and incorporated by reference herein.

The press release also contains information about the Company's operating cash flow, which is a “non-GAAP financial measure” under SEC rules. The press release also presents information about the Company's net cash provided by operating activities, which is the most directly comparable GAAP financial measure, and contains a reconciliation of operating cash flow to net cash provided by operating activities for the periods presented, a presentation of other cash flow information under GAAP, and a statement indicating why management believes that the presentation of operating cash flow provides useful information to investors.

The press release contains information about the Company's adjusted net income, which is a “non-GAAP financial measure” under SEC rules. The press release also presents information about the Company's net income, which is the most directly comparable GAAP financial measure, and contains a reconciliation of adjusted net income to net income for the periods presented and a statement indicating why management believes that the presentation of adjusted net income provides useful information to investors.
