Represents a grant of restricted common shares under the Company's Amended and Restated Incentive Award Plan. The restricted common shares vest and the restrictions cease to apply on one-third of the award on each February 15th over a three year period beginning February 15, 2018.

Represents a grant of performance shares which may convert into an equivalent number of restricted common shares of the Company based on the Company's share price appreciation inclusive of all dividends (TRS), and its TRS relative to its peer group, over the three-year measurement period from February 14, 2017 through February 13, 2020. The share price targets will be reduced on a penny-for-penny basis with respect to any dividend payments made during the measurement period.

With respect to 50% of the performance shares, 20% of this portion of the award will be earned if the Company's aggregate TRS equals 18% over the three-year measurement period, 60% of this portion of the award will be earned if the Company's TRS equals 26.5%, and 100% of this portion of the award will be earned if the Company's TRS equals or exceeds 35%. With respect to the other 50% of the performance shares, 20% of this portion of the award will be earned if the Company's TRS is in the 40th percentile of its peer group over the three-year measurement period, 60% of this portion of the award will be earned if the Company's TRS is in the 55th percentile of its peer group during this period, and 100% of this portion of the award will be earned if the Company's TRS is in the 70th percentile of its peer group or greater during this period. The performance shares will convert on a pro-rata basis by linear interpolation between share price appreciation thresholds.
