ITEM 5. OTHER EVENTS AND REGULATION FD DISCLOSURE

On August 5, 2004, Farmstead Telephone Group, Inc. issued a press release announcing that that on August 2, 2004, the Company received notification from Avaya, Inc. that, effective July 30, 2004, it was terminating the Authorized Remarketing Supplier aftermarket program (the "ARS Program") under which the Company sold "Classic Avaya(TM)" products. The Company will be allowed continued use of the Classic Avaya licensed trade mark for a period of 90 days from the termination date. Avaya is currently developing successor programs to the ARS Program, and the Company expects to be included in these programs. Since the beginning of 2004, in anticipation of the possible termination of the ARS Program, the Company has been selling "Farmstead Certified" refurbished equipment in addition to "Classic Avaya"-labeled refurbished equipment. The Company believes that the termination of the ARS Program will not have a material adverse impact on the Company. The press release is attached hereto as Exhibit 99.1.
