### ABOUT THE ANNUAL MEETING

#### WHAT IS THE PURPOSE OF THE ANNUAL MEETING?

At the Annual Meeting, shareholders will act upon the following matters: the adoption of an amendment to the Articles to increase the number of authorized shares of Common Stock from 25,000,000 to 40,000,000 shares and to increase the number of authorized shares of Preferred Stock from 5,000,000 to 8,000,000 shares; the election of three directors of Penn Treaty, each to serve for a three-year term expiring at the annual meeting of shareholders in 2004; the ratification of our selection of PricewaterhouseCoopers LLP as the independent public accountants for Penn Treaty and its subsidiaries for the year ending December 31, 2001; and any other business that may properly be brought before the Annual Meeting.

#### WHO IS ENTITLED TO VOTE?

Only shareholders of record on the record date, which was the close of business on Monday, April 9, 2001, will be entitled to receive notice of, and to vote at, the Annual Meeting and any adjournments or postponements. Each share of common stock is entitled to one vote.

#### HOW DO I VOTE?

If you complete and properly sign the accompanying proxy card and return it

## Edgar Filing: PENN TREATY AMERICAN CORP - Form PRE 14A

to us, it will be voted as you direct. If you are a registered shareholder and attend the Annual Meeting, you may deliver your completed proxy card in person or vote in person at the Annual Meeting.

### WHAT CONSTITUTES A QUORUM?

The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the shares of Common Stock outstanding on the record date will constitute a quorum, permitting business to be conducted at the Annual Meeting. As of the record date, 7,820,634 shares of Common Stock were outstanding, held by 354 shareholders of record.

### HOW DOES DISCRETIONARY VOTING AUTHORITY APPLY?

If you sign and return your proxy card, but do not make any selections, you give discretionary authority to the persons named as proxy holders on the proxy card, Irving Levit, A. J. Carden and Michael F. Grill, to vote on the proposals and any other matters that may arise at the Annual Meeting.

### WHAT ARE THE BOARD'S RECOMMENDATIONS?

Unless you give other instructions on your proxy card, the proxy holders will vote in accordance with the recommendations of the Board of Directors. The Board recommends a vote:

- o FOR the adoption of an amendment to the Articles to increase the number of authorized shares of Common Stock from 25,000,000 to 40,000,000 shares and to increase the number of authorized shares of Preferred Stock from 5,000,000 to 8,000,000 shares; and

2

- o FOR election of the three nominees for director of Penn Treaty, Jack D. Baum, Alexander M. Clark and Matthew W. Kaplan; and
- o FOR the ratification of our selection of PricewaterhouseCoopers LLP as the independent public accountants for Penn Treaty and its subsidiaries for the year ending December 31, 2001.

With respect to any other matter that properly comes before the meeting, the proxy holders will vote as recommended by the Board or, if no recommendation is given, in their own discretion.

### WHAT VOTE IS REQUIRED TO AMEND THE ARTICLES?

The approval of the amendment to the Articles will require the affirmative vote, either in person or by proxy, of the holders of shares representing at least sixty-seven percent (67%) of the outstanding shares of Common Stock. Abstentions and broker non-votes will be included in the calculation of a quorum and will have the effect of votes cast against the proposal.

### WHAT VOTE IS REQUIRED TO ELECT THE DIRECTORS?

The three nominees for Director receiving the highest number of votes cast by shareholders entitled to vote for Directors (there being no cumulative voting) will be elected to serve on the Board. Abstentions and broker non-votes will be included in the calculation of a quorum but will have no effect on the result of the vote.

## Edgar Filing: PENN TREATY AMERICAN CORP - Form PRE 14A

CAN I CHANGE MY VOTE AFTER I RETURN MY PROXY CARD?

Yes. Even after you have submitted your proxy, you may change your vote at any time before the proxy is exercised by filing with the Secretary of Penn Treaty either a notice of revocation or a duly executed proxy bearing a date later than the date on the proxy you submitted. The powers of the proxy holders to vote your proxy will be suspended if you attend the Annual Meeting in person and request to change your vote or vote in person, although attendance at the Annual Meeting will not by itself revoke a previously granted proxy.

3

WHO BEARS THE COST OF SOLICITATION OF PROXIES?

We bear the cost of preparing, printing, assembling and mailing this proxy statement and other material furnished to shareholders in connection with the solicitation of proxies for the Annual Meeting.

WHEN ARE SHAREHOLDER PROPOSALS DUE FOR THE YEAR 2002 ANNUAL MEETING?

To be included in next year's proxy statement, shareholder proposals must be submitted in writing by December 31, 2001 to: Secretary, Penn Treaty American Corporation, 3440 Lehigh Street, Allentown, PA 18103. If any shareholder wishes to present a proposal to the 2002 annual meeting that is not included in Penn Treaty's proxy statement for that meeting and does not submit such proposal to the Secretary of Penn Treaty until after March 16, 2002, then the persons named in the proxy card for the 2002 annual meeting will be allowed to use their discretionary voting authority when the proposal is raised at the 2002 annual meeting, without any discussion of the matter in the proxy statement for that meeting.

### PROPOSAL I - AMENDMENT TO ARTICLES

At the Meeting, the shareholders will be asked to vote on a resolution approving an amendment (the "Proposed Amendment") to Article FIFTH of the Articles to increase the number of authorized shares of Common Stock, par value \$.10 per share ("Common Stock"), from 25,000,000 to 40,000,000 shares and to increase the number of authorized shares of Preferred Stock, par value \$1.00 per share ("Preferred Stock"), from 5,000,000 to 8,000,000 shares.

As of April 9, 2001, 7,820,634 shares of Common Stock were issued and outstanding, 1,381,117 shares of Common Stock were reserved for issuance under our stock option plans, 2,628,340 shares of Common Stock were reserved for issuance upon conversion of our 6 1/4% Convertible Subordinated Notes due 2003 ("Convertible Subordinated Notes") and no shares of Preferred Stock were outstanding. On April 23, 2001, we issued rights to purchase shares of Common Stock to the holders of Common Stock and holders of our 6 1/4% Convertible Subordinated Notes due 2003 ("Convertible Subordinated Notes"). If all of the rights are exercised, we expect that we will be required to issue substantially all of our currently authorized shares of Common Stock and all of our currently authorized shares of Preferred

4

Stock.

The increase in the authorized number of shares of Common Stock and

## Edgar Filing: PENN TREATY AMERICAN CORP - Form PRE 14A

Preferred Stock is being proposed because the Board of Directors believes that it is advisable to have authorized but unissued shares of Common Stock and Preferred Stock available for various corporate purposes. If the proposed amendment is approved, the Board of Directors shall have the power to issue Preferred Stock in one or more series and to fix the number of shares of each series and all designations, preferences, qualifications, limitations, restrictions and special or relative rights, if any, of the shares in each series.

Penn Treaty may from time to time consider acquisitions, stock dividends or stock splits, and public or private financings to provide Penn Treaty with capital, all of which may involve the issuance of additional shares of Common Stock or Preferred Stock or securities convertible into Common Stock or Preferred Stock. In addition, the authorized capital stock could be used for stock options, warrants, employee benefit plans, shareholder rights plans (which could contain anti-takeover measures) and other distributions. The Board of Directors believes that having authority to issue additional shares of Common Stock and Preferred Stock, without, except as required by law, obtaining specific shareholder approval will avoid the possible delay of calling and holding a special meeting of shareholders to increase Penn Treaty's authorized capital at the time a transaction may be proposed, so as to enhance Penn Treaty's ability to take prompt advantage of market conditions and to respond promptly to any future acquisition opportunities.

The Company has no present plan, understanding or arrangement to issue any of the additional shares of Common Stock or Preferred Stock that will be authorized if the proposed amendment is approved.

The authorization of additional shares of Common Stock and Preferred Stock will not, by itself, have any effect on the rights of holders of existing Common Stock. Depending on the circumstances, any issuance of additional shares of Common Stock or Preferred Stock may dilute the present equity ownership of current shareholders. If the proposed amendment is approved, the Board of Directors will have the authority to issue the additional authorized shares of Common Stock or Preferred Stock to such persons and for such consideration as it may determine

5

without further action by the shareholders except as required by law, the Articles or the rules of any stock exchange or national interdealer quotation system on which Penn Treaty's securities may then be listed.

Although the proposed amendment is not intended to be an anti-takeover measure, shareholders should note that, under certain circumstances, the additional shares of Common Stock and Preferred Stock could be used to make any attempt to gain control of Penn Treaty or the Board of Directors more difficult or time-consuming. The proposed amendment might be considered to have the effect of discouraging an attempt by another person or entity, through the acquisition of a substantial number of shares of Penn Treaty's stock, to acquire control of Penn Treaty, because the issuance of the additional shares of Common Stock or Preferred Stock could be used to dilute the stock ownership of a person or entity seeking to obtain control and to increase the cost to a person or entity seeking to acquire a majority of the voting power of Penn Treaty. If so used, the effect of the additional authorized shares of Common Stock and Preferred Stock might be (i) to deprive shareholders of an opportunity to sell their stock at a higher price as a result of a tender offer or other purchase of shares by a person seeking to obtain control of Penn Treaty or (ii) to assist incumbent management in retaining its present position.

## Edgar Filing: PENN TREATY AMERICAN CORP - Form PRE 14A

The Articles do contain certain provisions intended to be anti-takeover in nature including provisions: (i) authorizing the Board of Directors, without further action by the shareholders, to issue shares of preferred stock; (ii) creating a staggered Board of Directors, divided into three classes, each of which is comprised of three directors elected for a three-year term with one class being elected each year; (iii) requiring the approval of 67% of the voting power of the stock entitled to vote in the election of directors to remove directors without cause; (iv) requiring the affirmative vote of shareholders owning at least 67% of the outstanding shares of the Common Stock in order for Penn Treaty to: (a) amend, repeal or add any provision to the Articles; (b) merge or consolidate with another corporation, other than a wholly-owned subsidiary; (c) exchange shares of the Common Stock in such a manner that a corporation, person or entity acquires the issued or outstanding shares of Common Stock pursuant to a vote of shareholders; (d) sell, lease, convey, encumber or otherwise dispose of all or substantially all of the property or business of Penn Treaty; or (e) liquidate or dissolve Penn Treaty; and (v) permitting the Board of Directors to oppose a tender offer or other offer for

6

Penn Treaty's securities, and allowing the Board of Directors to consider any pertinent issue in determining whether to oppose any such offer. In addition, Penn Treaty's By-laws require shareholders to give timely written notice to Penn Treaty and to provide certain information with respect to any candidate nominated by shareholders for election as a director of Penn Treaty.

The Pennsylvania Business Corporation Law of 1988, as amended (the "BCL") also contains certain shareholder protection provisions applicable to Penn Treaty that may have an anti-takeover effect including (i) a "control transaction" provision that allows holders of voting shares of a corporation to "put" their stock to an acquiror for fair value in the event of a control transaction (the acquisition of 20% of the voting stock of the corporation); (ii) an "interested shareholder" provision that precludes the beneficial owner of 20% of the voting stock of a corporation or certain affiliates of the corporation from engaging in a business combination with the corporation for a period of five years unless: (a) the board approves the business combination or the acquisition of shares in advance, or (b) if the interested shareholder owns 80% of such stock, the business combination is approved by a majority of the disinterested shareholders and the transaction satisfies certain "fair price" provisions; (iii) a provision authorizing corporations to adopt shareholders' rights plans with discriminatory provisions (sometimes referred to as poison pills) which take effect only in the event of a control transaction; (iv) a provision allowing directors taking action with respect to a tender offer or takeover proposal to consider the effects of any action upon employees, suppliers, customers, communities where the corporation is located and all other pertinent factors when determining whether the action is in the best interests of the corporation; and (v) a provision removing the statutory right of shareholders to call special meetings of shareholders or to propose amendments to the articles of incorporation.

The foregoing provisions may discourage certain types of transactions that involve a change of control of Penn Treaty and ensure a measure of continuity in the management of the business and affairs of Penn Treaty. While Penn Treaty does not currently have a shareholders' rights plan or poison pill, the effect of the above-described provisions may be to deter hostile takeovers at a price higher than the prevailing market price for the Common Stock and to permit current management to remain in control of Penn Treaty.

In addition to the provisions of the BCL, the insurance laws and regulations of Pennsylvania, which are applicable to Penn Treaty, provide, among other things, that without the consent of the insurance commissioner of such state, no person may acquire control of Penn Treaty and that any person or holder of shares of Common Stock or securities convertible into such Common Stock possessing 10% or more of the aggregate voting power of the Common Stock (inclusive of shares issuable upon conversion of all convertible securities) will be presumed to have acquired such control unless each such insurance commissioner, upon application, has determined otherwise.

The holders of Common Stock have no preemptive rights to purchase additional shares of Common Stock.

If the proposed amendment is approved by the shareholders at the Meeting, the first paragraph of Article FIFTH of the Articles will be amended and restated so that such first paragraph of such Article FIFTH shall be and read in its entirety as follows:

"FIFTH: The aggregate number of shares which the Corporation shall have authority to issue is 40,000,000 shares of common stock, par value \$.10 per share ("Common Stock"); and 8,000,000 shares of preferred stock, par value \$1.00 per share ("Preferred Stock")."

No other changes will be required to the current Article FIFTH of the Articles.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE ADOPTION OF THE PROPOSED AMENDMENT TO THE ARTICLES.

#### PROPOSAL II - ELECTION OF DIRECTORS

Our Board of Directors currently has nine members and is divided into three classes, each comprised of three Directors who serve for terms of three years and until their successors have been elected and qualified. At the Annual Meeting, the Board will nominate Jack D. Baum, Alexander M. Clark and Matthew W. Kaplan to be elected as Class II Directors of Penn Treaty, to hold office until the 2004 annual meeting and until their successors have been elected and qualified. The nominees have each consented to serve if elected to the Board. If for any reason any of the nominees becomes unable or is unwilling to serve at the time of the Annual Meeting, the proxy holders, unless you instruct them otherwise, will vote for a substitute nominee or nominees in their

discretion. We do not anticipate that any nominee will be unavailable for election.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE ELECTION OF THE ABOVE NOMINEES FOR A FIXED TERM OF THREE YEARS.

The following table and paragraphs set forth information about the current nominees and the other persons who will continue to serve as Directors of Penn Treaty. The information has been furnished to Penn Treaty by each person nominated as a Director and each person whose term of office as a Director will continue after the Annual Meeting.

### GENERAL INFORMATION REGARDING DIRECTORS AND EXECUTIVE OFFICERS

HOW OFTEN DID THE BOARD MEET DURING 2000?

During 2000, the Board of Directors held four meetings. Each Director attended at least 75% of the meetings of the Board and the Committees of the Board on which he served. The average attendance of directors at Board and Committee meetings held during 2000 was 97%.

WHAT COMMITTEES HAS THE BOARD ESTABLISHED?

To assist in the discharge of its responsibilities, the Board of Directors has three committees - the Audit Committee, the Compensation Committee and the Executive Committee. The Board of Directors does not have a nominating committee. The total combined attendance for all Committee meetings was 100%.

AUDIT COMMITTEE. The principal functions of the Audit Committee are to assist the Board of Directors in the oversight of executive management's responsibilities related to Penn Treaty's internal control process. In connection with this function, the Audit Committee reviews various policies and practices of management related to Penn Treaty's responsibilities to its investors, customers, employees and the general public.

The Audit Committee is comprised of three outside directors, Mr. Clark, Mr. Grebe, and Mr. Stangherlin. Mr. Stangherlin previously served as the Secretary to Penn Treaty and its subsidiaries from 1988 to 2000. The Board of Directors has

12

determined in its business judgment that Mr. Stangherlin's membership on the Audit Committee is in the best interests of Penn Treaty and its shareholders based upon his substantial experience as a member of Penn Treaty's Board of Directors and private industry management tenure. Penn Treaty believes that each member of the Audit Committee is now independent as independence is defined in the New York Stock Exchange listing standards. The Audit Committee has a written charter, adopted in September 2000. The Audit Committee held three meetings

## Edgar Filing: PENN TREATY AMERICAN CORP - Form PRE 14A

during 2000.

COMPENSATION COMMITTEE. The principal functions of the Compensation Committee are to review and evaluate, at least annually, the performance of the chief executive officer and other senior officers of Penn Treaty and its subsidiaries, and to set their remuneration, including incentive rewards. The members of the Compensation Committee during 2000 were Mr. Clark, Mr. Grebe and Mr. Stangherlin. The Compensation Committee met once in 2000.

EXECUTIVE COMMITTEE. During the periods between Board meetings, the Executive Committee exercises all of the powers of the Board of Directors, except that the Executive Committee may not elect directors, change the membership of or fill vacancies in the Executive Committee, fix the compensation of the Directors, change the Bylaws, or take any action restricted by the Pennsylvania Business Corporation Law or the Bylaws (including actions delegated to another Board Committee). The members of the Executive Committee during 2000 were Mr. Levit, Mr. Carden and Mr. Stangherlin. The Executive Committee met once in 2000.

### HOW ARE DIRECTORS COMPENSATED?

Each Director receives a fee of \$400 for each regular Board meeting attended. In addition, Mr. Clark, Mr. Grebe and Mr. Stangherlin receive a monthly fee of \$200 for their service as members of Penn Treaty's Audit Committee.

### CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

IMC, an insurance agency which is owned by Irving Levit, produced approximately \$41,000, \$34,000 and \$43,000 of new and renewal premiums for PTNA for the years ended December 31, 1998, 1999 and 2000, respectively, for which it received commissions of approximately \$10,000, \$8,000 and \$10,000 respectively. While IMC

has only been minimally involved in the sale of insurance products since 1979 and IMC'S operations since that time have not been significant, IMC continues to receive overriding commissions from Penn Treaty of 5% on business written for PTNA by any IMC general agents who were appointed prior to 1979 and any of their sub-agents hired prior and subsequent to January 1979 and one agent appointed in 1981. For the years ended December 31, 1998, 1999 and 2000 these overriding commissions totaled approximately \$559,000, \$543,000 and \$551,000, respectively. The premium revenues on which such overrides are paid are based on commissions which are higher than those currently paid to independent agents.

Director Nominee Matthew W. Kaplan is President and Chief Executive Officer of U.S. Care, Inc. During the year ended December 31, 2000, U.S. Care engaged in certain consulting and marketing capacities for PTNA for which it received customary overriding commission fees.

The terms on which commissions have been paid to IMC and U.S. Care are consistent with (i) the terms on which commissions have been paid by Penn

Treaty to comparable unaffiliated agencies in the past and currently to one unaffiliated agency performing similar services and (ii) the terms on which commissions are paid in the industry in general, and were no less favorable than would have been obtained from unrelated third parties. To the extent that Penn Treaty engages in future transactions with any of its affiliates, all such transactions will likewise be on terms no less favorable than could be obtained from unaffiliated parties and will be approved by a majority of Penn Treaty's disinterested directors.

Director Francis R. Grebe is a partner at the investment counseling firm of James M. Davidson and Company, an affiliate of Davidson Capital Management. Davidson Capital Management manages a portion of our investment portfolio for which it received fees of \$242,000 and \$300,000 for the years ended December 31, 1999 and 2000, respectively. Mr. Grebe is not directly involved with any of Penn Treaty's investment matters. Mr. Grebe serves as a financial advisor to Irving Levit on some of Mr. Levit's personal matters.

Director Alexander M. Clark is a Managing Director with Advest, Inc. Advest, Inc. has engaged in, and may in the future engage in, investment banking and other commercial dealings in the ordinary course of business with Penn Treaty. Advest, Inc. has received and will receive customary fees for these transactions.

### COMPLIANCE WITH SECTION 16(a) REPORTING

The rules of the Securities and Exchange Commission require that Penn Treaty disclose delinquent filings for reports of stock ownership (and changes in stock ownership) by its directors and executive officers. To the best of Penn Treaty's knowledge, all Form 3, Form 4 and Form 5 reports were timely filed, except for the Form 3 report for Mr. Grebe.

The Board of Directors, upon recommendation of the Audit Committee, has selected the firm of PricewaterhouseCoopers LLP as the independent public accountants of Penn Treaty and its subsidiaries for the year ending December 31,

Edgar Filing: PENN TREATY AMERICAN CORP - Form PRE 14A

2001. In taking this action, the members of the Board and the Audit Committee considered carefully PricewaterhouseCoopers' performance for the Company in that capacity since 1986, its independence with respect to the services to be performed and its general reputation for

adherence to professional auditing standards. A representative of PricewaterhouseCoopers LLP is expected to be present at the Meeting for the purpose of making a statement if he so desires and to respond to appropriate questions. If the stockholders do not approve this proposal, the Audit Committee and the Board of Directors will consider the matter of the appointment of independent public accountants.

AUDIT FEES

The aggregate fees billed by PricewaterhouseCoopers for professional services required for the audit of the Company's annual financial statements for the year ended December 31, 2000 and the reviews of the interim financial statements included in the Company's Forms 10-Q for the year ended December 31, 2000 were approximately \$470,000.

FINANCIAL INFORMATION SYSTEMS DESIGN AND IMPLEMENTATION FEES

No fees were billed by PricewaterhouseCoopers for financial information systems design and implementation services for the year ended December 31, 2000.

ALL OTHER FEES

The aggregate fees billed by PricewaterhouseCoopers for additional professional services rendered by PricewaterhouseCoopers for the year ended December 31, 2000, other than for the services described above, were approximately \$320,000. Prior to engaging PricewaterhouseCoopers for these additional services, the Audit Committee considered whether the provision of these services was compatible with maintaining PricewaterhouseCoopers' independence.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" RATIFICATION OF THE APPOINTMENT OF PRICEWATERHOUSECOOPERS LLP AS THE INDEPENDENT PUBLIC ACCOUNTANTS FOR PENN TREATY AND ITS SUBSIDIARIES FOR THE YEAR ENDING DECEMBER 31, 2001.

### PENSION PLAN AND 401(k) PLAN

On August 1, 1996, Penn Treaty adopted a 401(k) retirement plan, covering substantially all employees with one year of service. Under the plan, participating employees may contribute up to 15% of their annual salary on a pre-tax basis, and Penn Treaty equally matches employee contributions up to the first 3% of the employee's salary. The Penn Treaty and employee portions of the plan vest immediately. Penn Treaty's expense in 2000 under the plan was \$147,000. Penn Treaty may elect to make a discretionary contribution to the plan, which will be contributed proportionately to each eligible employee. Penn Treaty did not make a discretionary contribution in 2000.

18

### INCENTIVE STOCK OPTION PLANS

The shareholders of Penn Treaty adopted an Incentive Stock Option Plan (the "Plan") in March 1987. No options have been granted under the Plan since October 1997. The Plan, as amended by shareholder action on May 25, 1990, May 28, 1993, and May 23, 1997, provided for the granting of options to purchase up to 1,200,000 shares of our common stock. Stock options have been granted and are outstanding to date with respect to 685,000 shares of our common stock. The exercise prices of such options range from \$8.71 to \$35.475 per share. In October 1997, options to purchase 72,250 shares of common stock were granted under the Plan at an exercise price of \$32.25 per share and options to purchase 29,000 shares of common stock were granted under the Plan at \$35.475 per share. No stock options were granted under the Plan during 1999 or 2000.

As of April 9, 2001, stock options with respect to 44,008 shares have been canceled and stock options with respect to 198,402 shares have been exercised. Options granted under the Plan are intended to qualify as "incentive stock options" within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended. A committee of the Board of Directors had the authority to administer the Plan and to grant options to key employees (including officers, whether or not they were Directors) of Penn Treaty and its subsidiaries. The exercise price of all options granted under the Plan could not be less than the fair market value of the shares on the date of grant (110% of fair market value in the case of a grant to any person who holds more than 10% of the combined voting power of all classes of outstanding stock.) The maximum allowable term of each option was ten years (five years in the case of holders of more than 10% of the combined voting power of all classes of outstanding stock), and the options become exercisable in four equal, annual installments commencing one year from the option grant date.

The shareholders of Penn Treaty adopted a new Employee Non-Qualified Incentive Stock Option Plan in May 1998 (the "1998 Plan"). The 1998 Plan authorizes Penn Treaty to grant "incentive stock options" under Section 422 of the Internal Revenue Code, and non-qualified stock options, covering up to an aggregate of 600,000 shares of our common stock. The purpose of the 1998 Plan is to enable Penn Treaty to offer officers, directors and employees of Penn Treaty and its subsidiaries options to acquire equity interests in Penn Treaty, thereby attracting, retaining and rewarding such persons, and strengthening the mutuality

of interests between such persons and our shareholders. The maximum allowable term of each option granted under the 1998 Plan is ten years (five years in the case of holders of more than 10% of the combined voting power of all classes of outstanding stock), and the options become exercisable in four equal, annual installments commencing one year from the option grant date. In February 2000, 156,000 stock options were granted under the 1998 Plan at an exercise price of \$19.25 per share.

#### AGENT STOCK OPTION PLAN

In October 1994, the Board of Directors of Penn Treaty authorized a stock option plan for its agents (the "Agent Plan"). The Agent Plan, adopted by the Board of Directors in May 1995, provides for the grant of options to purchase up to 300,000 shares of common stock and is designed to reward Penn Treaty's agents by providing for the grant of options to purchase common stock to agents who attain certain sales objectives determined by the Board of Directors. The exercise price of all options granted under the Agent Plan may not be less than the fair market value of the shares on the date of grant. The maximum allowable term of each option is ten years, and the options become exercisable in four equal annual installments commencing one year from the option grant date. Under the Agent Plan, stock options have been granted and are outstanding to date with respect to 58,450 shares. Prices of these options range from \$12.63 to \$32.25 per share. In October 1997, 23,600 stock options were granted under the Agent Plan at an exercise price of \$32.25 per share. No options were granted under the Agent Plan during 1999 and 2000.

#### CHANGE IN CONTROL AGREEMENTS

Penn Treaty has entered into Change in Control Agreements with each of the executive officers named in the Summary Compensation Table. Under these agreements, if Penn Treaty merges into another entity or ownership of the voting control of Penn Treaty otherwise changes and, as a result of such change in control, any of the named executive officers are terminated or their positions or work locations are materially changed at any time during the three year period (five years in the case of the Company's President and Chief Executive Officer) after the change in control, they will be entitled to receive a lump sum payment of their base salary through the end of the three-year period (or five-year period in the case of the Company's President and Chief Executive Officer) and they shall be entitled to continue to receive certain other insurance and retirement benefits for the remainder of the three-year period

(or five-year period in the case of the Company's President and Chief Executive Officer).

#### COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The members of the Compensation Committee of the Board of Directors during 2000 were Mr. Clark, Mr. Grebe and Mr. Stangherlin, who are non-employee directors. Mr. Stangherlin also served as the Secretary of Penn Treaty, the Agency, PTNA, ANIC and AINIC until May 2000.

#### AUDIT COMMITTEE REPORT

With respect to the audited financial statements of Penn Treaty and its subsidiaries for the year ended December 31, 2000, the Audit Committee:

## Edgar Filing: PENN TREATY AMERICAN CORP - Form PRE 14A

- o has reviewed and discussed the audited financial statements with management of Penn Treaty;

### COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

Penn Treaty's Executive Compensation Program is administered by the Compensation Committee (the "Committee"), a committee of the Board of Directors consisting of independent non-employee directors. The primary functions of the Committee are to review and evaluate the performance and leadership of the Chief Executive Officer and all other executive officers and to recommend compensation amounts to the Board of Directors. In 2000, the Committee compared all executive compensation with industry and regional executive compensation levels and believes that Penn Treaty's compensation levels compare conservatively to other comparable executive positions. The Board of Directors accepted and adopted all of the Committee's recommendations concerning executive compensation amounts during 2000.

The Committee seeks to:

- o provide compensation that is closely linked to Company and individual performance;
- o align the interests of Penn Treaty's executives with those of its shareholders through award opportunities that can result in ownership of common stock;
- o ensure that compensation is sufficiently competitive to attract and retain high quality executive talent.

Consistent with these objectives, the Committee employs a system of quantitative measures and qualitative assessments in evaluating and measuring executive officer performance. Quantitative measures include earnings performance, return on assets and growth of revenues. Qualitative assessments include the quality and measured progress of the operations of Penn Treaty and the success of strategic actions taken.

In addition to company-wide measures of performance, the Committee

## Edgar Filing: PENN TREATY AMERICAN CORP - Form PRE 14A

considers performance factors particular to each executive officer, such as the performance of the departments for which such officer had management responsibility, individual managerial accomplishments and contribution to the achievement of corporate goals.

### CEO COMPENSATION

In accordance with the Committee's general practice and Penn Treaty's compensation policies, Mr. Levit's compensation for the 2000 fiscal year was based principally upon Penn Treaty's performance and Mr. Levit's ongoing contribution to that

22

performance. The increases in Mr. Levit's salary and the amount of his bonus were determined in the Committee's sole discretion after its consideration of competitive data, the Board's assessment of Mr. Levit's performance and recognition of Penn Treaty's performance during 2000.
