PROXY STATEMENT
FOR ANNUAL MEETING OF SHAREHOLDERS

APRIL 16, 2002

GENERAL INFORMATION

This proxy statement is furnished in connection with the solicitation by the Board of Directors of PRG-Schultz International, Inc. ("PRG-Schultz" or the "Company") of proxies for use at the Annual Meeting of Shareholders to be held on May 15, 2002, at 9:00 a.m., at the Company's offices, 2300 Windy Ridge Parkway, Atlanta, Georgia 30339-8426.

This proxy statement and the accompanying form of proxy are first being mailed to shareholders on or about April 16, 2002. The shareholder giving the proxy may revoke it at any time before it is exercised at the meeting by: (i) delivering to the Secretary of the Company a written instrument of revocation bearing a date later than the date of the proxy; (ii) duly executing and delivering to the Secretary a subsequent proxy relating to the same shares; or (iii) attending the meeting and voting in person; however, attendance at the meeting will not in and of itself constitute revocation of a proxy. Any proxy that is not revoked will be voted at the annual meeting in accordance with the shareholder's instructions. If a shareholder returns a properly signed and dated proxy card but does not mark any choices on one or more items, his or her shares will be voted in accordance with the recommendations of the Board of Directors as to such items. The proxy card gives authority to the proxies to vote shares in their discretion on any other matter properly presented at the annual meeting.

The Company will pay all expenses in connection with the solicitation of proxies, including postage, printing and handling and the expenses incurred by brokers, custodians, nominees and fiduciaries in forwarding proxy material to beneficial owners. In addition to solicitation by mail, solicitation of proxies may be made personally or by telephone, facsimile or other means by directors, officers and employees of the Company and its subsidiaries. Directors, officers and employees of the Company will receive no additional compensation for any such further solicitation. The Company has retained Innisfree M&A Incorporated to assist in such solicitation. The fee to be paid such firm is not expected to exceed \$10,000, plus reasonable out-of-pocket costs and expenses.

Only shareholders of record of the Company's common stock at the close of business on March 29, 2002 (the "Record Date") are entitled to notice of, and to vote at, the annual meeting. On the Record Date, the Company had outstanding a total of 63,777,181 shares of common stock. Each share will be entitled to one vote, non-cumulative, on each matter to be considered at the annual meeting. A majority of the outstanding shares of common stock, present in person or represented by proxy at the annual meeting, will constitute a quorum for the transaction of business at the annual meeting. Abstentions and broker non-votes are counted for purposes of determining the presence or absence of a quorum for

Edgar Filing: PRG SCHULTZ INTERNATIONAL INC - Form DEF 14A

the transaction of business.

Votes cast by proxy or in person at the annual meeting will be counted by the person or persons appointed by the Company to act as inspector(s) of election for the meeting. Prior to the meeting, the inspector(s) will sign an oath to perform their duties in an impartial manner and to the best of their abilities. The inspector(s) will ascertain the number of shares outstanding and the voting power of each of such shares, determine the shares represented at the meeting and the validity of proxies and ballots, count all votes and ballots and perform certain other duties as required by law.

Nominees for election as directors will be elected by a plurality of the votes cast by the holders of shares entitled to vote in the election. Accordingly, the four nominees in Class III receiving the highest vote totals will be elected as directors of the Company at the annual meeting. It is expected that shares beneficially owned by current executive officers and directors of the Company, which in the aggregate represent approximately 25 percent of the outstanding shares of common stock, will be voted in favor of management's nominees for director, for the amendment to the Company's Articles of Incorporation, against the shareholder proposal concerning the Company's Shareholder Protection Rights Agreement (the "Shareholder Proposal"), for the amendment to the Company's Stock Incentive Plan, and for the amendment to the Company's Employee Stock Purchase Plan (the "ESPP"). With respect to election of directors, abstentions, votes "withheld" and broker non-votes will be disregarded and will have no effect on the outcome of the vote. Abstentions, votes "withheld" and broker non-votes will have the effect of a vote against the proposal to amend the Company's Articles of Incorporation. With respect to the Shareholder Proposal and with respect to the proposals to approve the amendments to the Stock Incentive Plan and ESPP, abstentions and broker non-votes will be disregarded and will have no effect on the outcome of the vote. There are no rights of appraisal or similar dissenters' rights with respect to any matter to be acted upon pursuant to this proxy statement. Assuming a quorum is present, any proposal properly presented at the meeting will be approved if the votes cast in favor of it exceed the votes cast against it, except in the case of the proposal to amend the Articles of Incorporation, which requires the affirmative vote of a majority of the Company's outstanding shares of common stock.

RECOMMENDATION OF THE BOARD OF DIRECTORS

The Board of Directors of the Company recommends a vote FOR the election of each of the nominees named below for election as director, FOR the proposal to amend the Company's Articles of Incorporation, AGAINST the Shareholder Proposal, FOR the proposal to approve the amendment to the Stock Incentive Plan, and FOR the proposal to approve the amendment to the ESPP.

ELECTION OF DIRECTORS

The Company currently has 13 directors. The Board is divided into three classes of directors, designated as Class I, Class II and Class III. The classes serve staggered three-year terms. Shareholders annually elect directors to serve for the three-year term applicable to the class for which such directors are nominated or until their successors are elected and qualified. At the annual meeting, shareholders will be voting to elect four directors to serve as Class III directors.

The terms of Arthur N. Budge, Jr., Thomas S. Robertson and Jackie M. Ward, currently serving as Class III directors, will expire at the annual meeting, and

Edgar Filing: PRG SCHULTZ INTERNATIONAL INC - Form DEF 14A

they are nominees for election as directors at the annual meeting. The Board has also nominated N. Colin Lind to serve as a Class III director. Fred W.I. Lachotzki currently serves as a Class III director but is not standing for reelection at the annual meeting.

The proxy holders intend to vote FOR election of all the nominees named below as directors of the Company, unless otherwise specified in the proxy. Those directors of the Company elected at the annual meeting to be held on May 15, 2002 to serve as Class III directors will serve a three-year term or until their successors are elected and qualified. Each of the nominees has consented to serve on the Board of Directors if elected. Should any nominee for the office of director become unable to accept nomination or election, which is not anticipated, it is the intention of the persons named in the proxy, unless otherwise specifically instructed in the proxy, to vote for the election of such other person as the Board of Directors may nominate.

Set forth below are the name, age and director class of each director nominee and director continuing in office following the annual meeting and the period during which each has served as a director.

INFORMATION ABOUT THE BOARD OF DIRECTORS AND COMMITTEES OF THE BOARD

MEETINGS OF THE BOARD OF DIRECTORS

During 2001, there were eight meetings of the Board of Directors. Each incumbent director who was a director during 2001 attended more than 75 percent of the aggregate of all meetings of the Board of Directors and any committees on which that director served.

DIRECTOR COMPENSATION

The Company compensates its non-employee directors \$20,000 per year for their service on the Board and any committee thereof. Directors are reimbursed for all out-of-pocket expenses, if any, incurred in attending Board and

Edgar Filing: PRG SCHULTZ INTERNATIONAL INC - Form DEF 14A

committee meetings. The Board of Directors has approved an automatic annual grant of options under the Company's Stock Incentive Plan to directors not employed by the Company to purchase from 2,500 to 7,500 shares of common stock; provided, however, that no grants will be made in any year unless the Company's fully diluted earnings per share (before business acquisitions and restructuring expenses) for such year shall have increased by at least 25 percent over the previous year. A 25 percent increase in the adjusted earnings per share will result in a grant of options to purchase 2,500 shares of common stock while each additional one percent increase in adjusted earnings per share will result in a grant of options to purchase an additional 200 shares of common stock, up to a maximum annual grant of options to purchase 7,500 shares of common stock. The per share option exercise price will be the closing price of the Company's common stock on The Nasdaq National Market on December 31 of the year of grant,

4

or if no sale of the common stock was made on that date, on the next preceding date on which there was such a sale. Automatic grants currently vest at 20 percent per annum, although any future grants are expected to vest at 25 percent per annum. Since the Company did not attain the minimum 25 percent increase in adjusted earnings per share in 2001 over 2000, no automatic grant of stock options was made to the non-employee directors for 2001.

To offer additional compensation that is tied to future appreciation in the Company's common stock to nine outside directors, on January 24, 2002, the Company granted 10,000 options that were immediately vested to each of Ms. Ward and Messrs. Budge, Cohen, Golden, Greimann, Lachotzki, Levine, Lowrey and Robertson. The per share exercise price was the closing price as of the date of grant.

Jonathan Golden, a director of the Company, provides consulting services to the Company through JGPC. Mr. Golden is the sole shareholder of JGPC. During 2001, the Company paid JGPC aggregate consulting fees of approximately \$72,000. The Company currently pays JGPC a consulting fee of \$6,000 per month. The consulting agreement may be terminated by either party for any reason upon not less than 30 days prior notice.

Concurrently with the acquisition of the business of HSA-Texas on January 24, 2002, Howard Schultz became Chairman of the Board. The Company also entered into an employment agreement with Mr. Schultz that expires on January 24, 2004. Pursuant to his employment agreement, Mr. Schultz receives an annual base salary of \$400,000, but is not eligible for a bonus. In addition, he received options to purchase 250,000 shares of the Company's common stock at an exercise price per share of \$9.28, which was equal to the closing price of the Company's common stock on the closing date. These options vest over a four-year period at 25 percent per year. Mr. Schultz also is eligible to participate in the Company's employee benefit plans and other benefits pursuant to his employment agreement.

Concurrently with the acquisition of the business of HSA-Texas on January 24, 2002, Andrew Schultz became an Executive Vice President of the Company. The Company also entered into an employment agreement with Mr. Schultz that expires on January 24, 2004. Pursuant to his employment agreement, Mr. Schultz receives an annual base salary of \$240,000 and is eligible to receive a maximum bonus of up to 70 percent of his annual base salary. Mr. Schultz also is eligible to participate in the Company's employee benefit plans and other benefits pursuant to his employment agreement.

Blum and its affiliates, who currently beneficially own approximately 13.71 percent of the Company's outstanding common stock, including stock obtainable upon conversion of convertible notes, purchased \$40 million of the \$125 million

Edgar Filing: PRG SCHULTZ INTERNATIONAL INC - Form DEF 14A

of notes issued in the Company's convertible notes offering in November and December 2001. These notes are currently convertible into 5,167,960 shares of common stock. Blum, in accordance with its contractual rights, has designated an observer to attend the Company's board meetings. Mr. Lind, a Managing Partner of Blum, is a nominee for election as a Class III director at the annual meeting. See "Ownership of Directors, Principal Shareholders and Certain Executive Officers" for additional stock ownership information.

Following the termination of Mr. Lachotzki's term as a director, the Company expects to enter into an employment agreement with him. The agreement is expected to have a term of 18 months and to provide for aggregate compensation of \$75,000 over its term.

AUDIT COMMITTEE

The Company's Audit Committee consists of four outside directors: Messrs. Budge, Cohen, Greimann and Lowrey. The Audit Committee met four times in 2001. The Audit Committee reviews the general scope of the Company's annual audit and the nature of services to be performed for the Company in connection therewith, acting as liaison between the Board of Directors and the Company's independent auditors. The Audit Committee also formulates and reviews various Company policies, including those relating to accounting practices and the internal control structure of the Company. In addition, the Audit Committee is responsible for recommending, reviewing and monitoring the performance of the Company's independent auditors. See "Report of the Audit Committee."

5

COMPENSATION COMMITTEE

The Company's Compensation Committee consists of four directors: Messrs. Golden, Levine and Robertson and Ms. Ward. The Compensation Committee met four times in 2001. The Compensation Committee is responsible for reviewing and establishing the annual compensation for all executive officers, including the salary and the compensation package of each such officer, including incentive awards. The Compensation Committee also administers the Company's benefit plans, including the Stock Incentive Plan, the Executive Incentive Plan, the Management and Professional Incentive Plan and the ESPP; provided, however, that the Board of Directors has delegated all rights to determine awards of stock-based compensation to individuals who file reports pursuant to Section 16 of the Securities Exchange Act of 1934 (the "Exchange Act") to a subcommittee of the Compensation Committee consisting of Messrs. Levine and Robertson and Ms. Ward, each of whom is a "non-employee" director, as such term is defined in Rule 16b-3 promulgated pursuant to the Exchange Act and is an "outside" director, as such term is defined in the regulations promulgated pursuant to Section 162(m) of the Internal Revenue Code of 1986 (the "Code"). See "Report of the Compensation Committee on Executive Compensation."

NOMINATING COMMITTEE

The Company has a standing Nominating Committee of the Board of Directors consisting of three directors: Messrs. Golden, Lachotzki and Robertson. Mr. Lachotzki will not be standing for reelection at the annual meeting. The Nominating Committee did not meet in 2001. The Nominating Committee has the responsibility to consider and recommend nominees for the Board of Directors and to assess the performance of the Board. The Nominating Committee will consider nominees recommended by security holders to the extent that such security holders comply with the Company's advance notice Bylaw provisions.

Edgar Filing: PRG SCHULTZ INTERNATIONAL INC - Form DEF 14A

Notwithstanding anything to the contrary that is or may be set forth in any of the Company's filings under the Securities Act of 1933 or the Securities Exchange Act of 1934 that might incorporate Company filings, including this proxy statement, in whole or in part, the following Report of the Audit Committee and the Performance Graph shall not be incorporated by reference into any such filings.

REPORT OF THE AUDIT COMMITTEE

The Board of Directors maintains an Audit Committee comprised of four of the Company's outside directors. The Board of Directors and the Audit Committee believe that the Audit Committee's current member composition satisfies the rule of the National Association of Securities Dealers, Inc. ("NASD") that governs audit committee composition, including the requirement that audit committee members all be "independent directors" as that term is defined by NASD Rule 4200(a)(15). Mr. Budge was appointed to the Audit Committee on February 26, 2002, subsequent to the actions described in this report.

The Audit Committee oversees the Company's financial process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process, including the systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed and discussed the audited financial statements in the Company's 2001 Annual Report with management including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements. The Board has adopted a written Audit Committee Charter.

The Audit Committee reviewed and discussed with the Company's independent auditors, KPMG LLP, who are responsible for expressing an opinion on the conformity of the 2001 audited financial statements with accounting principles generally accepted in the United States of America, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Audit Committee under auditing standards generally accepted in the United States of America, including Statement on Auditing Standards No. 61. In addition, the Audit Committee has discussed with the independent auditors the auditors' independence from management and the Company, including the matters in the written disclosures and the letter from the independent auditors required by the Independence Standards Board, Standard No. 1.

The Audit Committee discussed with the Company's independent auditors the overall scope and plans for their 2001 audit. The Audit Committee met with the independent auditors to discuss the results of their audit, their evaluation of the Company's internal controls and the overall quality of the Company's financial reporting.

6

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors (and the Board has approved) that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2001 for filing with the Securities and Exchange Commission. The Audit Committee and the Board have also approved the selection of the Company's independent auditors.

FEES PAID TO THE COMPANY'S INDEPENDENT AUDITORS FOR 2001

Edgar Filing: PRG SCHULTZ INTERNATIONAL INC - Form DEF 14A

The Company incurred the following fees for services performed by KPMG LLP for 2001:

Audit Fees

Fees for the year 2001 audit and the review of Forms 10-Q in 2001 were approximately \$435,000.

Financial Information Systems Design and Implementation Fees

KPMG LLP did not render any services or receive any payment from the Company related to financial information systems design and implementation for the year ended December 31, 2001.

All Other Fees

Aggregate fees billed for all other services rendered by KPMG LLP for the year ended December 31, 2001 were approximately \$670,000, of which other audit related fees amounted to \$334,000 and other services amounted to \$336,000, consisting of \$289,000 for international audit and tax services and \$47,000 for other non-audit professional services.

The Audit Committee has determined that the payments made to its independent accountants for non-audit services for 2001 are compatible with maintaining such auditors' independence.

Management is responsible for planning the Company's financial reporting process and compliance of the consolidated financial statements with generally accepted accounting principles. The Company's independent auditors are responsible for auditing those financial statements. The Audit Committee necessarily must rely, without independent verification, on (a) management's representation that the financial statements have been prepared with integrity and objectivity and in conformity with accounting principles generally accepted in the United States of America, and (b) on the representations of the independent auditors included in their report on the Company's financial statements.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The Compensation Committee is composed entirely of directors who are not employed by the Company. The Committee considers and establishes compensation policies and approves benefit plans as well as specifically setting salary, annual incentive levels, and long-term incentive levels for the Chief Executive Officer and other members of executive management. Mr. Levine was appointed to the Compensation Committee on February 26, 2002, subsequent to the actions described in this report.

Edgar Filing: PRG SCHULTZ INTERNATIONAL INC - Form DEF 14A

COMPENSATION PHILOSOPHY

The Compensation Committee continually reviews and refines the Company's executive compensation programs. A high emphasis is placed on performance-based incentives. The Compensation Committee believes that having greater levels of each executive's compensation determined by performance-based incentives, and enhancing the incentives for exceptional performance, serves to greater align the executive's interests with those of the Company's shareholders.

The following objectives were used by the Compensation Committee in designing the Company's 2001 executive compensation program. The compensation program must:

- o Attract, motivate and retain key executives;
- o Align key management and shareholder interests; and
- o Provide incentives that reward executive management performance only if the Company's performance meets planned results, and provide an enhanced incentive if performance exceeds such planned results, as part of the Company's pay for performance philosophy.

EXECUTIVE COMPENSATION PROGRAM

The 2001 executive compensation program consisted of base salary, annual incentives and long-term remuneration in the form of deferred compensation arrangements and non-qualified stock options.

Base Salary

In determining the appropriate base salary levels for 2001, the Compensation Committee considered several factors, including current industry practices, external market surveys of similarly sized companies and a review of peer group compensation. For 2001, base salaries were set by the Compensation Committee for members of executive management with the following factors in mind: (i) the fact that rapidly growing responsibilities and complexities are inherent in key positions, (ii) the need to retain key executives with industry knowledge within the Company, and (iii) the need to attract new talent. All of these factors were considered subjectively with no particular emphasis or weight given to any one factor.

Annual Incentive Compensation

The 2001 annual incentives for executive management pursuant to the Company's Management and Professional Incentive Plan included several performance criteria: Company pro forma earnings per share, Company revenues, Company operating income, functional expense control, cash collections and specific business or personal performance objectives. The Management and Professional Incentive Plan was designed to align pay more directly to financial results, with increases and decreases in incentive pay from year to year tied to financial targets achieved and missed, respectively. Components of the executive officers' annual incentive compensation were established by the Compensation Committee. The 2001 annual incentive compensation for all executive officers was based on Company pro forma earnings per share attainment and Company revenue. The 2001 annual incentives for each executive officer contained targets for each incentive component to ensure that no annual incentive compensation would be earned for substandard performance. Additionally, maximum limits were in effect for each incentive component pertaining to each executive officer. No incentive bonuses were awarded to any of the Named Executive Officers for 2001.

Edgar Filing: PRG SCHULTZ INTERNATIONAL INC - Form DEF 14A

Deferred Compensation

The Company historically has provided, and continues to provide, non-qualified deferred compensation arrangements for certain executive officers. The purpose of these arrangements is to assist in the retention of these executives by allowing a portion of their total compensation to be deferred along with a full or partial matching obligation by the Company. In most instances, the matching obligation vests over a series of years of continuing employment with the Company. Each executive officer negotiated the deferred compensation component of his compensation package when he entered into his employment agreement with the Company. Mr. Cook does not have a deferred compensation element in his employment agreement. Since deferred compensation is accrued and paid in accordance with provisions of the related employment agreements, no additional determinations with respect to this compensation component are made by the Compensation Committee.

8

Other Long-Term Incentive Compensation

The Company's shareholders approved an additional long-term incentive program through the adoption of the Company's Stock Incentive Plan. All executive officers have received option grants under the Stock Incentive Plan. The use of stock options is meant to align the interests of key executives and shareholders. All options granted to executive officers under the Stock Incentive Plan through the date of this proxy statement have been at fair market value on the date of the grant. Generally, option grants made before 2001 vest ratably over five years of continuous employment with the Company. Option grants made beginning in 2001 generally will vest ratably over four years of continuous employment with the Company. In 2001, the Compensation Committee elected to vest all options in the event of a change in control. The Compensation Committee grants options to key employees of the Company, based upon the following subjective factors: current position, level of performance, potential for future responsibilities and the number of vested and unvested options already held. The size of the grant is intended to create meaningful opportunities for stock ownership for the executive officers. All decisions with respect to stock compensation to executive officers are made by the Compensation Subcommittee, the members of which in 2001 were Mr. Robertson and Ms. Ward. In August 2000, Messrs. Cook, Toma and Perlberg agreed to the cancellation of options to purchase 480,000, 100,000 and 232,500 shares of common stock, respectively. They received no consideration for the cancellation, and the Company had no obligation to issue any options to them in the future. In March 2001, the Compensation Committee determined to make additional grants of options to Messrs. Cook, Toma and Perlberg to purchase 200,000, 135,000 and 150,000 shares, respectively. These additional grants were made in consideration of a number of factors, including the relative performance and duties of each individual, and taking into consideration their remaining option holdings subsequent to the cancellation. All options were granted at the closing price of the common stock on the Nasdaq National Market on the date of grant of \$6.56.

Compliance with Code Section 162(m)

The maximum amount that an employer may claim as a compensation deduction with respect to certain employees in a given fiscal year, pursuant to Section 162(m) of the Code is \$1.0 million, unless an exemption for performance-based compensation is met. The Compensation Committee believes it is unlikely that any executive officers of the Company will, in the near future, receive in excess of \$1.0 million in aggregate compensation, other than those individuals with respect to whom the performance-based compensation exemption has been satisfied

Edgar Filing: PRG SCHULTZ INTERNATIONAL INC - Form DEF 14A

or severance payments are made.

Compensation of Chief Executive Officer

On March 20, 1996, Mr. Cook signed a revised employment agreement with the Company. This agreement currently expires in the year 2005, but provides for automatic one-year renewals upon expiration of each year of employment, such that it always has a five-year term, subject to prior notice of non-renewal by the Board of Directors. The Compensation Committee has approved an amendment to Mr. Cook's employment agreement that would reduce its term to three years. Under Mr. Cook's employment agreement, the Compensation Committee fixed the 2001 salary of Mr. Cook at \$500,000.

An annual incentive compensation arrangement pursuant to the Management and Professional Incentive Plan was established for Mr. Cook pursuant to which he was eligible to earn an annual cash incentive of up to 200 percent of his annual base salary if the Company achieved certain pro forma earnings per share goals for 2001. The target goal for 2001 was not met, and Mr. Cook did not earn a bonus for 2001.

Mr. Cook's incentive option program under his employment agreement provided that option grants would be made under the Stock Incentive Plan if 2001 adjusted earnings per share exceeded the level achieved in 2000 by 30 percent or more. Since the Company's adjusted earnings per share did not exceed the level achieved in 2000, no stock options were granted to Mr. Cook for 2001 under Mr. Cook's incentive option program. The amendments that have been approved to Mr. Cook's employment agreement delete the provisions regarding the incentive option program. As a result, any future option grants to Mr. Cook will be made at the discretion of the Compensation Subcommittee. However, as discussed above, to offer Mr. Cook compensation that is tied to future appreciation in the Company's common stock, on March 26, 2001, the Company granted 200,000 non-qualified stock options to Mr. Cook at an

9

exercise price of \$6.56 per share, 50 percent of which were immediately vested, with the remainder vesting 50 percent on each of the first two anniversaries of the grant. The per share exercise price was the closing price as of the date of grant.

EMPLOYMENT AGREEMENTS

The Company has entered into an employment agreement, as amended, with Mr. Cook that currently expires December 31, 2005. The following description reflects changes in Mr. Cook's employment agreement that have been approved by the Compensation Committee, although definitive agreements have not been executed. The employment agreement provides for automatic one-year

renewals upon the expiration of each year of employment (such that it always has a three-year term), subject to prior notice of non-renewal by the Board of Directors. Pursuant to Mr. Cook's employment agreement, Mr. Cook receives an annual base salary of \$500,000, and an annual maximum bonus of up to 200 percent of his annual base salary based upon the Company's performance for the respective year. For the year 2002, any additional grant of options to Mr. Cook will be at the sole discretion of the Compensation Committee. If Mr. Cook is terminated for cause he will receive base salary through the date of termination. Mr. Cook also receives a car allowance of \$30,000 per year. If Mr. Cook is terminated without cause, the Company elects not to renew his employment agreement, or if Mr. Cook voluntarily resigns or resigns for "Good Reason," he

Edgar Filing: PRG SCHULTZ INTERNATIONAL INC - Form DEF 14A

is eligible to receive severance payments equal to three years of base salary and bonus, up to a maximum amount not to be deemed an "excess parachute payment" under the Code, and all outstanding options immediately become vested. "Good Reason" means any of the following occurring without Mr. Cook's consent:

- o the assignment of duties or a position or title inconsistent with or lower than the duties, position or title provided in Mr. Cook's employment agreement;
- o a requirement that Mr. Cook perform a substantial portion of his duties outside Atlanta, Georgia;
- o a reduction of Mr. Cook's compensation unless the Board or an appropriate committee of the Board has authorized a general compensation decrease for all executive officers of the Company;
- o Mr. Cook is removed by the Company as CEO without cause;
- o the acquisition by any person, entity or group of 50 percent or more of the combined voting power of the then outstanding securities of the Company;
- o certain events of merger, consolidation, or transfer of assets of the Company ("Change in Control") resulting in a minority ownership by Company shareholders in the successor company following the Change in Control;
- o the existing directors of the Company prior to a Change in Control constitute less than a majority of the directors of the successor company following the Change in Control; or
- o there shall have occurred any other transaction or event that the Board of Directors of the Company in its discretion identifies as a Change in Control for this purpose.

Mr. Cook also is entitled to receive certain supplemental insurance coverage and other personal benefits under his employment agreement, including Company-paid health insurance coverage for Mr. Cook and his wife (not to exceed \$25,000 per year, plus cost-of-living adjustments) following his retirement, and until age 80. Mr. Cook has agreed not to compete with the Company or to solicit specified categories of the Company's clients or employees for a period of 18 months following termination of employment.

The Company also has entered into employment agreements with Messrs. Toma, Perlberg, Ellis and Kramer. The agreements with Messrs. Toma and Kramer automatically renewed on December 31, 2001 and provide for automatic one-year renewals upon the expiration of each year of employment, subject to prior notice of non-renewal by the Board of Directors. Mr. Perlberg's agreement is terminable upon 30 days' notice. Mr. Ellis' agreement terminates in October 2003. Messrs. Toma, Perlberg, Ellis and Kramer have agreed not to compete with the Company nor to solicit specified categories of clients or employees of the Company for a period of 18 months following termination of their respective employment.

The following discussion reflects changes in Mr. Toma's employment agreement that have been approved by the Compensation Committee, although definitive agreements have not been executed. Mr. Toma receives an annual base salary of \$400,000 with a maximum bonus of up to 100 percent of his annual base salary based upon the Company's annual performance. For the year 2002, any additional award of options to Mr. Toma will be at the sole discretion of the Compensation Committee. In addition, the Company has agreed to make annual contributions in the amount of \$65,000 per year to a deferred compensation program for Mr. Toma, which amounts will vest 50 percent immediately and the

Edgar Filing: PRG SCHULTZ INTERNATIONAL INC - Form DEF 14A

remainder over a ten-year period. If Mr. Toma is terminated other than for cause or if Mr. Toma resigns for "Good Reason" (defined to be substantially equivalent to the definition of "Good Cause" contained in Mr. Cook's employment arrangement, with the additional qualifying event of Mr. Cook's removal without cause as Chief Executive Officer of the Company), he is eligible to receive a severance benefit consisting of (1) two years of base salary, target bonus and auto allowance, (2) a contribution of two years of the annual deferred compensation credit to a rabbi trust established for deferred

13

compensation, and (3) payment of employee COBRA premiums, plus a full state and federal tax gross-up sufficient to pay any applicable excise taxes on items (1) through (3). The Company also has agreed to provide Mr. Toma and his wife with certain other personal benefits, including Company-paid health insurance coverage (not to exceed \$20,000 per year, plus cost-of-living adjustments) following his retirement, and until age 80.

As of January 25, 2002, Mr. Perlberg receives a base salary of \$400,000 per annum with a maximum bonus of up to 80 percent of his base salary. The Company also makes matching contributions in the aggregate amount of \$25,000 per year to Mr. Perlberg's deferred compensation program, which amounts vest over a ten year period. In February 2001, pursuant to his employment agreement, Mr. Perlberg received a sign-on bonus equal to 33 percent of his base salary paid in 2000. Upon termination without cause, a change in control, or a resignation for Good Reason (defined to be substantially equivalent to the definition of "Good Cause" contained in Mr. Cook's employment agreement, with the additional qualifying event of Mr. Cook no longer serving as Chief Executive Officer and an individual other than Mr. Perlberg being appointed as Chief Executive Officer of the Company, so long as Mr. Perlberg remains for a transition period), Mr. Perlberg will receive severance payments equal to 24 months of base salary, bonus at target level, and car allowance, paid monthly, and all outstanding stock options, restricted stock awards and deferred compensation contributions held by him or made for his benefit shall immediately vest.

Mr. Ellis receives a base salary of \$300,000 per annum with a maximum bonus of up to 70 percent of his base salary and a minimum bonus of \$50,000 per annum. For 2001, Mr. Ellis waived his minimum bonus. He received no consideration for the waiver; however, the Company made a \$35,000 donation to a charitable entity designated by Mr. Ellis. Upon termination without cause or a resignation for Good Reason (defined to be substantially equivalent to the definition of "Good Reason" contained in Mr. Cook's employment agreement, with the additional qualifying event of Mr. Cook no longer serving as Chief Executive Officer, or the liquidation or dissolution of the Company), any then unvested portion of Mr. Ellis' 250,000 share option grant made upon rejoining the Company will immediately vest and Mr. Ellis will receive a severance payment equal to 24 months of base salary and car allowance, plus a bonus of \$100,000, and a full state and federal tax gross-up sufficient to pay any applicable excise taxes on such amounts.

Mr. Kramer receives an annual base salary of \$265,000 with a maximum bonus of up to 70 percent of his annual base salary. Mr. Kramer elected to defer payment of \$25,000 of his base salary pursuant to a deferred compensation plan. In addition, the Company has agreed to make annual matching contributions in the aggregate amount of \$25,000 per year to Mr. Kramer's deferred compensation program, which amounts vest over a ten year period. Upon termination, other than for cause or by voluntary resignation, Mr. Kramer will receive severance payments equal to six months of base salary.

STOCK INCENTIVE PLAN

Edgar Filing: PRG SCHULTZ INTERNATIONAL INC - Form DEF 14A

On June 15, 1998, the Company, with the approval of its shareholders, amended its Stock Incentive Plan, which currently, as amended, provides for the grant of options to acquire a maximum of 10,875,000 shares of common stock, subject to certain adjustments. As of March 29, 2002, options for 7,713,172 shares were outstanding (after adjustment for forfeitures) and options for 1,656,103 shares had been exercised. Options may be granted under the Stock Incentive Plan to employees, officers or directors of and consultants and advisors to, the Company and its subsidiaries. The Company estimates that, as of March 29, 2002, approximately 1,400 employees (including officers) and nine non-employee directors of the Company were eligible to participate in the Stock Incentive Plan. Unless sooner terminated by the Board or pursuant to its terms, no additional grants may be made under the Plan subsequent to June 2008. The Board has approved an amendment to the Stock Incentive Plan that would, among other things, increase by 1,750,000 shares the number of shares eligible for issuance thereunder. See "Proposal to Approve Increase in Authorized Shares Under the PRG-Schultz International, Inc. Stock Incentive Plan."

EMPLOYEE STOCK PURCHASE PLAN

In May 1997, the Company's shareholders approved the adoption of the ESPP. The ESPP is intended to be an "Employee Stock Purchase Plan" as defined in Code Section 423. Under the ESPP, eligible employees may authorize payroll deductions at the end of a semi-annual purchase period of from 1 percent to 10 percent of their compensation (as defined in the ESPP), with a minimum deduction of \$10 per pay period and a maximum aggregate deduction of \$10,625 during each semi-annual purchase period, to purchase common stock at a price of 85 percent of the fair market value thereof as of the first Trading Day (as defined in the ESPP) of the offering period. The aggregate number of shares of common stock that may be purchased by all participants under the ESPP may not exceed 1,125,000, subject to certain adjustments. As of December 31, 2001, 473,955 shares had been issued under the ESPP. The Company estimates that, as of December 31, 2001, approximately 1,900 employees of the Company and its subsidiaries were eligible to participate in the ESPP. The ESPP will terminate December 31, 2007 or upon

14

the earlier decision of the Company's Compensation Committee or the earlier exercise of aggregate purchase rights of all shares of common stock reserved for purchase under the ESPP. The Board has approved an amendment to the ESPP that would increase by 1,500,000 shares the number of shares eligible for issuance thereunder. See "Proposal to Approve Increase in Authorized Shares Under the PRG-Schultz International, Inc. Employee Stock Purchase Plan."

THE COMPANY'S 401(K) PLAN

The Company assumed, effective immediately prior to completion of its initial public offering, the 401(k) plan sponsored by a predecessor of the Company. This plan (the "401(k) Plan") is a tax-qualified retirement plan designed to meet the requirements of Sections 401(a) and 401(k) of the Code. Under the 401(k) Plan, participants may elect to make pre-tax savings deferrals of from 1 percent to 15 percent of their compensation each year, subject to annual limits on such deferrals (e.g., \$10,500 in 2001) imposed by the Code. The Company may also in its discretion, on an annual basis, make a matching contribution with respect to a participant's elective deferrals and/or may make additional Company contributions. The only form of benefit payment under the 401(k) Plan is a single lump-sum payment equal to the balance in the participant's account. Under the 401(k) Plan, the vested portion of a participant's accrued benefit is payable upon such employee's termination of employment, attainment of age 59 1/2 (with respect to 100 percent vested

Edgar Filing: PRG SCHULTZ INTERNATIONAL INC - Form DEF 14A

accounts only), retirement, total and permanent disability or death.

CERTAIN TRANSACTIONS

The following members of Mr. Cook's immediate family are employed by the Company and received compensation in 2001 in the approximate amounts set forth beside their names: David H. Cook, brother -- \$185,923, Harriette L. Cook, sister-in-law -- \$90,000, Pamela M. Cook, sister -- \$115,000, and Allen R. Sluiter, brother-in-law -- \$197,800.

Mr. Toma's sister-in-law, Maria A. Neff, is employed with the Company as Senior Vice President of Human Resources. For 2001, the Company paid Ms. Neff compensation, including amounts deferred, of approximately \$209,000.

On January 24, 2002, the Company acquired the business of HSA-Texas and certain of its affiliates (the "Schultz acquisition") for 14,759,970 unregistered shares of the Company's common stock and the assumption of certain HSA-Texas liabilities, including aggregate net debt of approximately \$65.7 million, a portion of which was repaid at closing. In addition, options to purchase approximately 1.1 million shares of the Company's common stock were issued in exchange for outstanding HSA-Texas options. Immediately following these transactions, Howard Schultz, now a director of the Company, and Andrew Schultz, now a director and Executive Vice President of the Company, collectively beneficially owned 4,512,366 shares and 5,522,758 shares, respectively, of the Company's common stock. In addition, the Company assumed approximately \$7.4 million of the amount owing to Howard Schultz for loans to HSA-Texas.

The Company, Howard Schultz, Andrew Schultz, certain trusts affiliated with the Schultz family, Mr. Cook, and Mr. Toma are party to a shareholder agreement entered into in connection with the Schultz acquisition. The agreement terminates January 24, 2004, provided that it may terminate sooner upon any of the following events: certain loan defaults by the Company, certain business combinations valued in excess of \$50.0 million between the Company and another entity, certain registered offerings of Company common stock in excess of \$50.0 million, or certain amendments to the Company's articles of incorporation or changes in the number of the Company's directors. The agreement prohibits the parties from transferring more than \$20.0 million of Company stock in any six-month period without written consent by all parties, except: to certain family members or affiliates, pursuant to a board-approved tender offer or exchange offer, as part of a public sale in a "brokers' transaction" (as defined in Securities Act Rule 144), in certain registered offerings contemplated by the registration rights agreement described below; or pursuant to certain charitable or gratuitous transfers not exceeding, in the aggregate, \$10.0 million in any given twelve-month period. In addition, the parties must cause any shares of the Company's common stock they beneficially own to be voted as recommended by a majority of the Company's Board of Directors consisting of at least 9 out of 13 directors (or, if the size of the board should change, an equal proportion). This requirement does not apply if the board withdraws its recommendation before the vote. The parties are generally prohibited from causing a vote, or voting, in favor of a sale of the Company unless the board has recommended it. They also may not participate in or encourage the solicitation of proxies in opposition to the Company's board; form or participate in a group for the purpose of acquiring, holding, voting or effecting the transfer of any of the Company's common stock; or take any action that might require the Company to publicly announce a sale of the Company, unless the board has recommended the sale.

The Company also entered into a registration rights agreement under which the Company became obligated to file a registration statement on Form S-3 on or before the closing of the Schultz acquisition to register up to \$10.0 million of the Company's common

stock as directed by Howard and Andrew Schultz. Although this Form S-3 was filed, the shares to be registered were sold in a private transaction, and the Company was authorized to withdraw the Form S-3, with no obligation to refile it. The agreement also requires the Company, upon written request, to register the shares of common stock issued in the Schultz acquisition for resale pursuant to a firm commitment underwritten public offering, subject to certain exceptions. However, the Company is not required to file more than one registration statement or file a registration statement covering less than \$5.0 million of common stock. The Company is required to pay all registration expenses except under certain circumstances, including when the registration request is subsequently withdrawn, unless the selling shareholders agree that the request will count as the demand registration under the registration rights agreement. The registration rights agreement also provides for indemnification by the Company of each holder of registrable securities, indemnification of the Company by each holder of registrable securities participating in any registration, and indemnification of any underwriters by each of the Company and all sellers of registrable securities with respect to claims arising from such registration.

The Company expects to enter into a five-year sublease of approximately 2500 square feet of its new Atlanta, Georgia headquarters office space with CT Investments, LLC, a limited liability company that is owned 90 percent by Mr. Cook and 10 percent by Mr. Toma. The sublease is expected to provide for the same rental rate as is paid by the Company under the master lease, with aggregate rental payments estimated at approximately \$258,800 over the entire five-year term. The sublease is expected to be terminable by CT Investments should Mr. Cook at any time cease his affiliation with the Company. The Company has also entered into an agreement to lease office space located in Dallas, Texas from Howard Schultz and Andrew Schultz. The term of the lease extends for a period of approximately three years at an annual rate of \$83,100. The Company also entered into a lease for additional Dallas, Texas office space from Howard and Andrew Schultz on a month to month basis in February 2002. This lease will terminate on April 30, 2002, and an aggregate of approximately \$90,600 of rental is expected to have been paid by the Company thereunder.

The Company also assumed options held by Arthur Budge, Jr., a director-nominee of the Company, to purchase 167,631 shares of HSA-Texas common stock, in connection with the Schultz acquisition. The HSA-Texas options, with an exercise price of \$9.06 per share, converted into options to purchase 248,295 shares of the Company's common stock at an exercise price of \$6.12 per share (reflecting an option conversion ratio of 1.4812).

See "Director Compensation" for a discussion of certain additional transactions.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the Company's executive officers and directors and persons who beneficially own more than 10 percent of the Company's stock to file initial reports of ownership and reports of changes in ownership with the Securities and Exchange Commission. Executive officers, directors and greater than 10 percent beneficial owners are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on its review of copies of forms received by it pursuant to Section 16(a) of the Securities Exchange Act of 1934, as amended, or written

Edgar Filing: PRG SCHULTZ INTERNATIONAL INC - Form DEF 14A

representations from certain reporting persons, the Company believes that with respect to 2001, all Section 16(a) filing requirements applicable to its executive officers, directors and greater than 10 percent beneficial owners were timely satisfied.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The Company's Compensation Committee consists of Messrs. Golden, Levine and Robertson and Ms. Ward. The Company has paid the law firm of Arnall Golden Gregory LLP, of which Mr. Golden's personal corporation, JGPC, serves as a partner, compensation for legal services rendered since 1991 and expects to continue utilizing this firm's services in the future. See "Director Compensation" for payments made to JGPC for certain consulting services.

PROPOSAL TO AMEND THE ARTICLES OF INCORPORATION TO PROVIDE THAT DIRECTORS MAY ONLY BE REMOVED BY SHAREHOLDERS FOR CAUSE

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THIS PROPOSAL.

The Company's Bylaws provide that the shareholders may remove one or more directors from office, with or without cause, by action of a majority of the votes entitled to be cast. Based on the recommendation of a special committee of the Board, the Board has approved an amendment to the Company's Articles of Incorporation, subject to approval by the shareholders, that provides that directors may only be removed for cause, by a majority of the votes entitled to be cast. If approved, this amendment will supersede the Bylaws, and an amendment to the Company's Shareholder Protection Rights Agreement (the "Rights Plan") removing the "continuing director" provisions will become effective, as described below.

HISTORY AND RECOMMENDATION.

At the annual meeting of shareholders held on May 25, 2001, the holders of the Company's common stock approved a shareholder proposal that recommended that the Company redeem the poison pill created under the Rights Plan because it contained a "continuing director" provision, unless approved by the affirmative vote of a majority of shares of the Company entitled to vote at a meeting of shareholders held as soon as practicable.

In the proxy materials provided to the shareholders for the annual meeting held May 25, 2001, the Board of Directors recommended that the shareholder proposal not be approved, and noted:

The "continuing directors" provisions of the Rights Plan require approval by a majority of the continuing directors to redeem the Rights Plan, amend the Rights Plan, or exclude a person or group who acquires beneficial ownership of more than 15 percent of the outstanding Company common stock from being considered an Acquiring Person under the Rights Plan. Continuing directors are those directors who were in office at the time of adoption of the Rights Plan or whose nominations were approved by directors then in office. Your Board believes that the continuing directors provisions are an appropriate means to manage serious conflicts of interest.

At a meeting of the Board of Directors of the Company on July 24, 2001, the Board appointed a special committee, consisting of Messrs. Golden, Greimann and

Edgar Filing: PRG SCHULTZ INTERNATIONAL INC - Form DEF 14A

Lowrey, to review the Rights Plan and to report their recommendations for further Company action on the Rights Plan to the Board. On March 12, 2002, the special committee recommended that the Board of Directors not redeem the Rights, but did recommend that the Rights Plan be amended to remove the "continuing director" provisions, effective upon shareholder approval of this proposed amendment to the Company's Articles of Incorporation. On that date, the Board amended the Rights Plan to remove the "continuing director" provisions, effective upon shareholder approval of this proposal. If this proposal is approved, the amendment to the Rights Plan will take effect immediately. If this proposal is not approved, however, the amendment to the Rights Plan will not become effective and the "continuing director" provision will remain in the Rights Plan.

The Company's Board of Directors presently consists of three classes, each elected for a three-year term. The Board of Directors believes this "staggered board," which only replaces one-third of the Board each year, provides important continuity and encourages the Board of Directors to manage the Company with a view to the long term. If the "continuing director" provision of the Rights Plan is eliminated, but the articles are not amended, then all directors can be removed without cause at any time, denying shareholders the benefits of the staggered board. Georgia law provides that the directors of a corporation that has a staggered board may only be removed for cause unless a Bylaw or article amendment approved by the corporation's shareholders states otherwise. The Company's Bylaws were submitted to its shareholders for approval immediately prior to the Company's initial public offering. Since the Bylaws provided for removal of Directors without cause, the shareholders unknowingly eliminated one of the principal benefits of a staggered board. This unintended effect led the Company to adopt the Rights Plan with "continuing director" provisions. The Company wishes to comply with the shareholders' request that the "continuing director" provisions be removed from the Rights Plan, but does not believe that such action would be in the shareholders' best interest unless this proposed amendment to the Company's Articles of Incorporation is approved. Further, the Board believes that shareholders will not be deprived of any significant rights if the proposal is approved since the shareholders' ability to remove directors for cause encompasses a broad power allowing them to remove directors in most instances in which such removal would be in the best interests of the Company and its shareholders. Accordingly, the Board of Directors, at the recommendation of the special committee, has recommended that the shareholders approve the proposal to amend the Company's Articles of Incorporation to provide that directors may only be removed for cause.

SHAREHOLDER PROPOSAL

The following proposal and supporting statement was submitted by College Retirement Equities Fund ("CREF"), 730 Third Avenue, New York, New York 10017, in November 2001 for inclusion in this proxy statement and on the Company's form of proxy, and for presentation at the annual meeting. At the time of making the proposal, CREF represented that it held 231,637 shares of common stock of the Company. CREF has indicated that a representative will be present at the annual meeting to support the resolution.

RESOLUTION

WHEREAS, the Company's Board of Directors, without shareholder approval, has adopted a plan, commonly known as a "poison pill," with a "dead-hand" provision that permits only the Board members who adopted the

Edgar Filing: PRG SCHULTZ INTERNATIONAL INC - Form DEF 14A

poison pill, or their hand-picked successors, to redeem the pill;

WHEREAS, this type of poison pill, unlike most, not only allows the current Board to effectively thwart acquisition offers that may be favored by a majority of shareholders, but also can deny shareholders the right to replace this Board with new directors empowered to redeem the poison pill and permit such offers to go forward, unless the new directors have been recommended or approved by the continuing directors;

WHEREAS, we believe that a "dead-hand" poison pill has a coercive effect on the shareholders' basic right to freely elect a new Board with normal decision-making authority in this important area;

WHEREAS, we believe that such a "dead-hand" poison pill interferes with good corporate governance and can reduce the value of the Company's shares to the detriment of shareholders.

WHEREAS, in 2001, holders of a large majority of shares (64 percent of shares voted for or against) supported this shareholder resolution at Profit Recovery Group International;

RESOLVED, that the shareholders request the Board of Directors to redeem the "dead-hand" poison pill, unless approved by the affirmative vote of a majority of shares of the Company entitled to vote at a meeting of shareholders held as soon as practicable.

SUPPORTING STATEMENT

By adopting the poison pill without shareholder approval, the current Board unilaterally deprived shareholders of the traditional right to sell their shares to potential bidders. By adding the "dead-hand" feature, we believe this Board also denies appropriate decision-making authority to a new Board, elected by shareholders, to decide what is in the best interests of shareholders on this important subject.

Traditional poison pills have been defended with the argument that directors generally can be trusted to act in the shareholders' interest, and if they do not, they can be replaced by the shareholders with other directors.

Adoption of a "dead-hand" poison pill, however, is different. We believe it has the effect of "entrenching" the current Board by coercing shareholders to vote for incumbent directors to preserve the possibility of redemption of the pill, and is intended to preclude proxy contests for corporate control.

We believe that the right of shareholders freely to elect a board of directors with full power to represent the shareholders' interests is the foundation-stone of good corporate governance. By supporting this resolution, shareholders can send a message that we value our right to elect a Board that is prepared and able to represent shareholder interests on all proper matters; and that we will not support unilateral actions by the Board that restrict our ability to meaningfully exercise our voting rights.

BOARD OF DIRECTORS' RECOMMENDATION

Based on the review of the issue conducted by its special committee, which resulted in the proposed amendment to the Company's Articles of Incorporation and related contingent elimination of the "continuing director" provision of the Rights Plan, your Board believes that redemption of the Rights Plan would not be in the best interests of the Company and its shareholders, unless the proposed amendment to the Articles of Incorporation is approved. The Board recommends a vote AGAINST the Shareholder Proposal for the reasons explained below.

THE RIGHTS PLAN WAS ADOPTED IN THE BEST INTERESTS OF ALL SHAREHOLDERS.

The Board adopted the Rights Plan in 2000 with the aim of protecting the interests of all shareholders and maximizing the value of each shareholder's investment in the Company. The Board believes that the Rights Plan is an important tool to protect shareholder interests. The Rights Plan will not prevent takeover proposals, but rather is designed to encourage potential acquirers to negotiate directly with the Board and to enhance the Board's ability to defend against inadequate and coercive takeover attempts and achieve the best possible value for all of the Company's shareholders.

Shareholder rights plans have been adopted by approximately 2,000 other U.S. corporations. Virtually all of these plans were adopted without shareholder approval. According to a March 6, 2000 report by the Investor Responsibility Research Center, nearly 60 percent of S&P 500 companies have rights plans.

The Rights Plan enhances the negotiating position of the Board and deters abusive takeover tactics such as a bid for some but not all of the shares. In addition to fair and equal treatment, the Rights Plan provides the Board with the necessary time and flexibility once a takeover offer is received to respond appropriately and, if desirable, to negotiate the highest possible price with a potential acquirer.

The Board believes that redemption of the Rights Plan at this time would remove a critical incentive for a potential acquirer to negotiate with the Board and eliminate a tool designed to maximize shareholder value and ensure that all shareholders are treated fairly and equally.

The Board is aware of the concerns that some shareholders have expressed about the possible abuse of shareholders rights plans by other companies. The true test of the benefits of the Rights Plan is how your Board uses it. Therefore, the real issue posed by CREF'S proposal is whether the shareholders can rely on the Board to perform its fiduciary obligations and utilize this tool properly if and when the need arises to protect the interests of our shareholders. In this regard, you should know that the interests of the Board are perfectly aligned with the interests of their fellow shareholders. Members of and nominees to your Board, together with their families and related interests, own approximately 32 percent of the Company's outstanding shares.

THE "CONTINUING DIRECTOR" PROVISIONS ARE A CRITICAL ELEMENT OF THE RIGHTS PLAN.

The "continuing director" provisions of the Rights Plan require approval by a majority of the continuing directors to redeem the Rights Plan, amend the Rights Plan, or exclude a person or group who acquires beneficial ownership of more than 15 percent of the outstanding Company common stock from being considered an Acquiring Person under the Rights Plan. Continuing directors are those directors who were in office at the time of adoption of the Rights Plan or whose nominations were approved by directors then in office. Your Board believes that the "continuing director" provisions are an appropriate means to manage serious conflicts of interest.

Edgar Filing: PRG SCHULTZ INTERNATIONAL INC - Form DEF 14A

A potential acquirer, acting together with other market players or through the solicitation of proxies, could gain control of sufficient voting power to replace the Board with "interested" directors who would then amend or redeem the Rights Plan and approve the acquirer's proposal to acquire the Company. While this may be in the best interests of the acquirer, it may not be in the best interests of other shareholders. The "continuing director" provisions do not limit the right of shareholders, including any potential acquirer, to elect directors. Rather, they merely require that any transaction between a potential acquirer and the Company be approved by directors who are not affiliated with the acquirer or otherwise interested in the transaction. The Board believes this procedure reinforces the fundamental purpose of the Rights Plan to protect the interests of shareholders.

The "continuing director" provisions are neither unique nor an unlawful affront to traditional concepts of good corporate governance. To the contrary, Georgia corporate law, under which the Company is incorporated, contains continuing directors concepts to deal with similar conflict of interest transactions with interested shareholders. In fact, the one court to consider the issue

19

in the context of Georgia law has specifically ruled that "continuing director" provisions substantially the same as those in our Rights Plan are consistent with Georgia corporate law and held them to be enforceable.

As noted above at "Proposal to Amend the Articles of Incorporation to Provide That Directors May Only Be Removed by Shareholders for Cause," a special committee of the Board has considered the resolution approved by the shareholders at the Company's May 25, 2001 annual meeting, which was the same as the current proposal. After due consideration, that committee recommended to the Board that the Rights Plan be amended to eliminate the "continuing director" provision, effective upon approval by the shareholders of the amendment to the Company's Articles of Incorporation to provide that directors may only be removed for cause. On March 12, 2002, the Board approved this amendment, effective upon approval of the proposal to amend the Articles of Incorporation.

FOR THE ABOVE REASONS, THE BOARD OF DIRECTORS RECOMMENDS THAT SHAREHOLDERS VOTE "AGAINST" THE SHAREHOLDER PROPOSAL.

PROPOSAL TO APPROVE AN INCREASE IN AUTHORIZED SHARES UNDER
THE PRG-SCHULTZ INTERNATIONAL, INC.
STOCK INCENTIVE PLAN

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THIS PROPOSAL.

In June 1998, the Board and the Company's shareholders approved the Stock Incentive Plan. The Plan was subsequently amended to increase the number of shares available for issuance thereunder, bringing to 10,875,000 the total number of shares that may be issued under the Plan. As of March 29, 2002, options to purchase 7,713,172 shares and 119,000 shares of restricted stock were outstanding under the Stock Incentive Plan (after adjustment for forfeitures) and options to purchase 1,656,103 shares of common stock had been exercised. No stock appreciation rights are outstanding under the Stock Incentive Plan. Unless sooner terminated by the Board, the Stock Incentive Plan terminates in June 2008. As of March 29, 2002, an additional 1,374,225 shares remained available under the Stock Incentive Plan for issuance in connection with future awards thereunder. Subject to shareholder approval, the Board has approved an amendment to the Stock Incentive Plan that provides for a 1,750,000 share increase in the

Edgar Filing: PRG SCHULTZ INTERNATIONAL INC - Form DEF 14A

number of shares of Company common stock that may be granted thereunder. In addition, the Board has approved an amendment to limit the term of future options granted under the Stock Incentive Plan to no more than seven years and an amendment to limit the maximum number of shares that may be covered by future stock awards (as differentiated from options or stock appreciation rights) under the Stock Incentive Plan to 300,000 shares. The material provisions of the Stock Incentive Plan are summarized below.

ELIGIBILITY FOR PARTICIPATION UNDER THE STOCK INCENTIVE PLAN

Options, including incentive stock options ("ISOs") and non-qualified stock options ("NSOs"), stock appreciation rights ("SARs") and stock awards ("Stock Awards") may be granted under the Stock Incentive Plan to key employees, officers or directors of, and consultants and advisors to, the Company and its subsidiaries. The Company estimates that, as of the date of this Proxy Statement, approximately 1,400 employees (including officers) and nine non-employee directors of the Company are eligible to participate in the Stock Incentive Plan. Nothing contained in the Stock Incentive Plan or in any agreement entered into pursuant thereto may confer upon any person any right to continue as a director, officer or employee of the Company or its subsidiaries or as a consultant or advisor, or limit in any way any right of shareholders or of the Board, as applicable, to remove such person.

SHARES RESERVED UNDER THE STOCK INCENTIVE PLAN; INDIVIDUAL GRANT LIMITS

The Stock Incentive Plan currently provides for the grant of awards to acquire a maximum of 10,875,000 shares of common stock (including options for shares subject to previous grants under the Company's 1996 Stock Option Plan), subject to adjustment in the event of stock dividends, stock splits, combination of shares, recapitalizations, or other changes in the outstanding common stock. Shares issued under the Stock Incentive Plan may consist, in whole or in part, of authorized and unissued shares, treasury shares or shares purchased on the open market. The maximum number of SARs and shares subject to options that may be granted to any one individual during any consecutive 12-month period under the Stock Incentive Plan is 500,000. The maximum number of shares that may be granted pursuant to future Stock Awards under the Stock Incentive Plan is 300,000 shares.

20

PURPOSE OF THE STOCK INCENTIVE PLAN

The Company desires to attract and retain persons of skill and experience and to encourage their highest levels of performance on behalf of the Company and its subsidiaries. The Stock Incentive Plan affords eligible persons the opportunity to acquire equity ownership in the Company. A portion of the options issued pursuant to the Stock Incentive Plan may constitute ISOs within the meaning of Section 422 of the Code or any succeeding provisions. The Stock Incentive Plan is not qualified under Section 401(a) of the Code and is not subject to the provisions of the Employee Retirement Income Security Act of 1974.

DURATION OF THE STOCK INCENTIVE PLAN

Awards may be granted pursuant to the Stock Incentive Plan from time to time prior to the earlier of (1) June 14, 2008; or (2) the date on which all shares available for issuance under the Stock Incentive Plan have been issued.

ADMINISTRATION OF THE STOCK INCENTIVE PLAN

Edgar Filing: PRG SCHULTZ INTERNATIONAL INC - Form DEF 14A

The Stock Incentive Plan is administered by the Compensation Committee. Subject to the terms of the Stock Incentive Plan, in administering the Stock Incentive Plan and the awards granted under the Stock Incentive Plan, the Compensation Committee has authority to determine:

- o the employees of the Company and its subsidiaries to whom ISOs may be granted;
- o the directors, officers and employees of the Company and its subsidiaries and the consultants and advisors to whom NSOs, SARs and Stock Awards may be granted;
- o the time or times at which awards may be granted;
- o the number of shares subject to each award and, for options and SARs, the exercise price thereof;
- o whether each option granted shall be an ISO or a NSO;
- o the time or times when each option and SAR shall become exercisable and the duration of the exercise period, including any acceleration thereof,
- o whether restrictions are to be imposed on shares subject to options and the nature of such restrictions;
- o whether and under what circumstances cash payments shall be made upon the termination of options or SARs, and whether and under what circumstances stock acquired pursuant to the exercise of an option or SAR shall be repurchased by the Company; and
- o the terms of any Stock Awards.

The Compensation Committee also interprets the Stock Incentive Plan and prescribes and rescinds rules and regulations relating to and consistent with the Stock Incentive Plan.

The Board of Directors has delegated all rights to determine awards of stock-based compensation to individuals who file reports pursuant to Section 16 of the Exchange Act to a subcommittee of the Compensation Committee (the "Subcommittee") consisting of at least two directors, each of whom is a "non-employee" director, as such term is defined in Rule 16b-3 promulgated pursuant to the Exchange Act and is an "outside" director, as defined in the regulations promulgated pursuant to Section 162(m) of the Code.

The current Compensation Committee members are Mr. Golden, Chairman, Messrs. Levine and Robertson, and Ms. Ward. Messrs. Levine and Robertson and Ms. Ward comprise the Subcommittee. Under the Stock Incentive Plan, acts by a majority of the Compensation Committee, or acts reduced to or approved in writing by a majority of the members of the Compensation Committee, shall be the valid acts of the Compensation Committee.

No members of the Board of Directors or the Compensation Committee shall be liable for any action or determination made in good faith with respect to the Stock Incentive Plan or any stock options or other awards made under such plan. No member of the Board or the Compensation Committee shall be liable for any act

Edgar Filing: PRG SCHULTZ INTERNATIONAL INC - Form DEF 14A

or omission of any other member of the Board or the Compensation Committee or for any act or omission on his own part, including but not limited to the exercise of any power or discretion given to him under the Stock Incentive Plan, except those resulting from that member's own gross negligence or willful misconduct. In addition to rights of indemnification as a member of the Board or Compensation Committee, each member of the Board and the Compensation Committee shall be entitled to indemnification by the Company with respect to administration of the Stock Incentive Plan and the granting of rights and benefits under it.

AMENDMENT OF THE STOCK INCENTIVE PLAN

The Stock Incentive Plan may be terminated or amended by the Board of Directors at any time, except that the following actions may not be taken without shareholder approval:

- o materially altering the number of shares that may be issued under the Stock Incentive Plan (except by certain adjustments under the Stock Incentive Plan);
- o materially modifying the persons or classes of persons eligible to participate in the Stock Incentive Plan;
- o materially increasing the benefits accruing to participants under the Stock Incentive Plan;
- o modifying the exercise price at which options and SARs may be offered (except by adjustment pursuant to the Stock Incentive Plan); and
- o extending the maximum option period under, or the term of, the Stock Incentive Plan.

Awards may not be granted under the Stock Incentive Plan after the date of termination of the Stock Incentive Plan, but options and SARs granted prior to that date remain exercisable according to their terms.

PLAN BENEFITS

During 2001, and from January 1, 2002 through March 29, 2002, the number and exercise price of options granted to executive officers as a group, non-executive directors and non-executive employees pursuant to the Company's Stock Incentive Plan were as set forth below. See "Summary Compensation Table" and "Stock Option Grants in Last Fiscal Year" table above for discussion of the number of securities underlying options granted to the Named Executive Officers. For a discussion of potential future grants to the Non-Executive Director Group, see "Director Compensation."

GROUP -----	NUMBER OF OPTIONS -----	EXERCISE PRICE OR RANGE OF EXERCISE PRICES -----	NUMB OPT ---
		2001	
Executive Officer Group (5 persons).....	585,000	\$6.56 - \$11.46	66
Non-Executive Director Group.....	70,000	\$6.56	90

Edgar Filing: PRG SCHULTZ INTERNATIONAL INC - Form DEF 14A

All Employees excluding Executive Officer Group..... 785,000 \$6.37 - \$11.46 1,44

GRANT OF STOCK OPTIONS AND SARs

The Compensation Committee may grant stock options and SARs to eligible persons in such amounts and on such terms not inconsistent with the Stock Incentive Plan as it may deem appropriate up to the number of shares remaining subject to the Stock Incentive Plan. The Company and each eligible person shall execute an agreement providing for the grant of stock options or SARs in accordance with the pertinent provisions of the Stock Incentive Plan.

22

OPTION AND SAR EXERCISE PRICE

The exercise price per share for the shares subject to ISOs, NSOs and SARs may not be less than the fair market value of Company common stock on the date of grant, provided, however, that in the case of an ISO to be granted to an employee owning more than 10 percent of the total combined voting power of all classes of stock of the Company, the exercise price per share shall be not less than 110 percent of the fair market value per share of common stock on the grant date. The "fair market value" shall be the closing price of the common stock on the Nasdaq National Market on the day of grant or if no sale of the common stock has been made on such date, on the next preceding day on which there was such a sale. On April 11, the closing price of the Company's common stock on the Nasdaq National Market was \$13.65.

VESTING OF OPTIONS

Unless otherwise provided by the Compensation Committee, options granted under the Stock Incentive Plan after January 2001 generally vest at the rate of 25 percent per annum over a four-year period so that all options are vested after four years. Prior to February 2001, options granted under the Stock Incentive Plan generally vested at a rate of 20 percent per year. The Compensation Committee has the authority to accelerate or waive the vesting period for any option granted under the Stock Incentive Plan upon the attainment of performance goals established by the Compensation Committee for the grantee(s). Pursuant to its authority under the Stock Incentive Plan, the Compensation Committee provided in January 2001 that upon a change in control of the Company, all unvested stock options would be fully vested.

ADJUSTMENTS TO EXERCISE PRICE AND NUMBER OF SHARES

If the shares of common stock are subdivided or combined, or a stock dividend is declared and paid, the number of shares of common stock subject to the Stock Incentive Plan and to the individual limits thereunder deliverable upon the exercise of Stock Options or SARs and subject to Stock Awards shall be increased or decreased proportionately, and the purchase price per share of options and SARs shall be adjusted to reflect such subdivision, combination or stock dividend. If, while unexercised options or SARs remain outstanding under the Stock Incentive Plan, the Company proposes to merge or consolidate with another corporation, whether or not the Company is to be the surviving corporation, or if the Company proposes to liquidate or sell or otherwise dispose of substantially all of its assets, or substantially all of the outstanding shares of stock of the Company are to be sold, then the Compensation Committee may, in its sole discretion, either:

Edgar Filing: PRG SCHULTZ INTERNATIONAL INC - Form DEF 14A

- o make appropriate provision for the protection of any such outstanding options and SARs by the substitution on an equitable basis of appropriate stock of the surviving corporation or its parent in the merger or consolidation or other reorganized corporation that will be issuable in respect to the shares of common stock of the Company subject to such options and SARs, provided that, with respect to ISOs, such provision shall satisfy the requirement that no additional benefits shall be conferred upon optionees as a result of such substitution within the meaning of Section 424(a) of the Code, and that the excess of the aggregate fair market value of the shares subject to the options immediately after such substitution over the purchase price thereof is not more than the excess of the aggregate fair market value of the shares subject to such options immediately before such substitution over the purchase price thereof; or
- o upon written notice to the grantees, provide that all unexercised options and SARs must be exercised within a specified number of days of the date of such notice or they will be terminated.

In no event shall the Compensation Committee be obligated to take any action as a result of any such transaction, it being acknowledged that it is in the Compensation Committee's sole discretion to determine if, and to what extent, any such action shall be taken.

DURATION AND TERMINATION OF OPTIONS AND SARs

Each option and SAR expires on the date specified by the Compensation Committee, but not more than seven years from the grant date in the case of NSOs, SARs and most ISO's granted after January 2002, and five years from the grant date in the case of ISOs granted to an employee owning more than 10 percent of the total combined voting power of all classes of stock of the Company; provided, however, that if approved by the Compensation Committee, after request by the grantee, ISOs may be converted into NSOs and the term of such option may be extended. Options granted prior to February 2002 generally expired either five or ten years from the date of grant.

23

MEANS OF EXERCISE OF OPTIONS AND SARs

Options and SARs are exercised by giving written notice to the Company at its principal office address, accompanied, in the case of an option, by full payment of the purchase price therefor and the applicable withholding tax, either (i) in United States dollars in cash or by check, or (ii) if permitted by the Compensation Committee, the delivery of shares of common stock having a fair market value equal as of the date of the exercise to the cash exercise price of the option; provided, however, that such shares must have been held for at least six months.

NON-TRANSFERABILITY OF OPTIONS, SARs AND STOCK AWARDS

No option, SAR or Stock Award is transferable except by will or by the laws of descent and distribution, and all options and SARs are exercisable, during the lifetime of the grantee, only by the grantee or the grantee's guardian or legal representative. Shares subject to options, SARs or Stock Awards granted under the Stock Incentive Plan that have lapsed or terminated may again be subject to awards thereunder.

RESTRICTIONS ON STOCK AWARDS

Edgar Filing: PRG SCHULTZ INTERNATIONAL INC - Form DEF 14A

Each Stock Award shall be subject to such conditions, restrictions and contingencies as the Compensation Committee shall determine. These may include continuous service and/or the achievement of specified performance measures. The performance measures that may be used by the Compensation Committee for such Stock Awards shall be measured by revenues, income, or such other criteria as the Committee may specify. If vesting is conditioned solely upon continuous service, the vesting schedule for Stock Awards shall cover a period of not less than three years (subject to acceleration of vesting in the event of a change in control of the Company and, to the extent permitted by the Compensation Committee, in the event of the participant's death, disability, or involuntary termination). No more than 300,000 shares may be granted in the future as Stock Awards.

TAX TREATMENT

The following discussion addresses certain anticipated U.S. federal income tax consequences associated with awards made under the Stock Incentive Plan. It is based on the Code and interpretations thereof as in effect on the date of this Proxy Statement. This summary is not intended to be exhaustive and, among other things, does not describe state, local or foreign tax consequences.

A company, such as the Company, for which an individual is performing services will generally be allowed to claim as a deduction for federal income tax purposes amounts that are includable in the income of such individual as compensation income in the Company's taxable year in which the employee's taxable year of inclusion ends, provided that such amounts qualify as reasonable compensation for the services rendered. This general rule will apply to the deductibility of a participant's compensation income resulting from participation in the Stock Incentive Plan. The timing and amount of the federal income tax deduction available to the Company will, therefore, depend upon the timing and amount of compensation income recognized by a participant as a result of participation in the Stock Incentive Plan. The following discusses the timing and amount of compensation income recognized by participants and the accompanying federal income tax deduction that may be available to the Company.

Incentive Stock Options. A participant to whom an ISO which qualifies under Section 422 of the Code is granted generally will not recognize compensation income (and the Company will not be entitled to a federal income tax deduction) upon the grant or the exercise of the option. To obtain nonrecognition treatment from the exercise of an ISO, however, the participant must be an employee of the Company or a subsidiary continuously from the date of grant of the option until three months prior to the exercise of the option. If termination of employment is due to disability of the participant, ISO treatment will be available if the option is exercised within one year of termination. If an option originally designated as an ISO is exercised after these periods, the option will be treated as a NSO for income tax purposes and compensation income will be recognized by the participant (and a federal income tax deduction generally will be available to the Company) in accordance with the rules discussed below concerning NSOs.

The Code provides that ISO treatment will not be available to the extent that the fair market value of shares subject to ISOs (determined as of the date of grant of the ISOs) that become exercisable for the first time during any calendar year exceeds \$100,000. If the \$100,000 limitation is exceeded, the options in excess of the limitation are treated as NSOs when exercised.

While a participant may not recognize compensation income upon exercise of an ISO, the excess of the fair market value of the shares of common stock received over the exercise price for the option is an adjustment for alternative minimum tax purposes and can affect the optionee's alternative minimum tax liability under applicable provisions of the Code. The increase, if any, in an

optionee's alternative minimum tax liability resulting from exercise of an ISO will not, however, create a deductible compensation expense for the Company.

When a participant sells shares of common stock received upon exercise of an ISO more than one year after the exercise of the option and more than two years after the grant of the option, the participant will normally not recognize any compensation income, but will instead recognize capital gain or loss from the sale in an amount equal to the difference between the sales price for the shares of common stock and the option exercise price. If, however, a participant sells the shares of common stock within one year after exercising the ISO or within two years after the grant of the ISO, the participant will recognize compensation income (and the Company generally will be entitled to a federal income tax deduction) in an amount equal to the lesser of (i) the excess, if any, of the fair market value of the shares of common stock on the date of exercise of the option over the option exercise price, and (ii) the excess, if any, of the sales price for the shares over the option exercise price. Any other gain or loss on such sale (in addition to the compensation income mentioned previously) will normally be capital gain or loss.

Nonqualified Stock Options. A participant to whom a NSO is granted will not normally recognize income at the time of grant of the option. When a participant exercises a NSO, the participant will generally recognize compensation income (and the Company generally will be entitled to a federal income tax deduction) in an amount equal to the excess, if any, of the fair market value of the shares of common stock when acquired over the option exercise price. The amount of gain or loss recognized by a participant from a subsequent sale of shares of common stock acquired from the exercise of a NSO will be equal to the difference between the sales price for the shares of common stock and the sum of the exercise price of the option plus the amount of compensation income recognized by the participant upon exercise of the option.

SARs. The recipient of an SAR generally will not recognize any compensation income upon grant of the SAR. At the time of exercise of an SAR, however, the recipient should recognize compensation income (and the Company generally will be entitled to a federal income tax deduction) in an amount equal to the amount of cash, or the fair market value of the shares, received.

Restricted Stock Awards. If stock received pursuant to a Stock Award made through the Stock Incentive Plan is subject to a substantial restriction on continued ownership that is dependent upon the recipient continuing to perform services for the Company or its affiliated companies (a "substantial risk of forfeiture"), the participant should not recognize compensation income upon receipt of the shares of common stock unless he/she makes a so-called "83(b) election" as discussed below. Instead, the participant will recognize compensation income (and the Company generally will be entitled to a federal income tax deduction) when the shares of common stock are no longer subject to a substantial risk of forfeiture, in an amount equal to the fair market value of the stock at that time. Absent a participant making an 83(b) election, dividends paid with respect to shares of common stock that are subject to a substantial risk of forfeiture will be treated as compensation income for the participant (and a compensation deduction generally will be available to the Company for the dividend) until the shares of common stock are no longer subject to a substantial risk of forfeiture.

Different tax rules will apply to a participant who receives shares of common stock subject to a risk of forfeiture if the participant files an 83(b) election. If, within 30 days of receipt of the shares of common stock, a

Edgar Filing: PRG SCHULTZ INTERNATIONAL INC - Form DEF 14A

participant files an 83(b) election with the Internal Revenue Service and the Company, then, notwithstanding that the shares of common stock are subject to a risk of forfeiture, the participant will recognize compensation income upon receipt of the shares of common stock (and the Company generally will be entitled to a federal income tax deduction) in an amount equal to the fair market value of the stock at the time of the award. If the 83(b) election is made, any dividends paid with respect to the shares of common stock will not result in compensation income for the participant (and will not entitle the Company to a federal income tax deduction). Rather, the dividends paid will be treated as any other dividends paid with respect to common stock, as ordinary income which is not compensation.

TAX WITHHOLDING

Whenever the Company proposes, or is required, to distribute shares of common stock under the Stock Incentive Plan, the Company may require the recipient to satisfy any federal, state and local tax withholding requirements prior to the delivery of any certificate for such shares or, in the discretion of the Committee, the Company may withhold from the shares to be delivered shares sufficient to satisfy all or a portion of such tax withholding requirements.

25

UNFUNDED STATUS OF THE STOCK INCENTIVE PLAN

The Stock Incentive Plan is intended to constitute an "unfunded" plan for incentive and deferred compensation. With respect to any payments not yet made to a participant by the Company, nothing contained in the Stock Incentive Plan shall give any such participant or optionee any rights that are greater than those of a general creditor of the Company.

PROPOSAL TO APPROVE INCREASE IN AUTHORIZED SHARES UNDER PRG-SCHULTZ INTERNATIONAL, INC. EMPLOYEE STOCK PURCHASE PLAN

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THIS PROPOSAL.

In January 1997, the board and the Company's shareholders approved the ESPP. As of December 31, 2001, 473,955 shares had been purchased under the ESPP, and an additional 651,045 shares remained available for purchase in accordance with the terms of the ESPP. Unless sooner terminated by the Board, the ESPP terminates in December 2007. Subject to shareholder approval, the Board has approved an amendment to the ESPP, which provides for a 1,500,000 share increase in the number of shares of Company common stock that may be purchased thereunder.

The ESPP provides eligible employees (defined below) with an opportunity to purchase the Company's common stock through payroll deductions. The ESPP is intended to assist eligible employees in acquiring a stock ownership interest in the Company pursuant to a plan that is intended to qualify as an "ESPP" under Section 423 of the Code, to help eligible employees provide for their future security and to encourage them to remain in the employment of the Company and participating subsidiaries. The material provisions of the ESPP are summarized below.

SHARES RESERVED UNDER THE PLAN

Edgar Filing: PRG SCHULTZ INTERNATIONAL INC - Form DEF 14A

The ESPP currently provides for the purchase of a maximum of 1,125,000 shares of common stock, subject to adjustment in the event of stock dividends, stock splits, combination of shares, recapitalizations, or other changes in the outstanding common stock. Shares issued under the ESPP may consist, in whole or in part, of authorized and unissued shares, treasury shares or shares purchased on the open market.

ELIGIBLE PARTICIPANTS

All employees of the Company, or of certain other corporations, the majority of the voting stock of which is owned by the Company (a "Subsidiary"), whose customary employment is at least 20 hours per week and five months per year will be eligible to participate in the ESPP. Currently, PRG-Schultz USA, Inc., PRG-Schultz Canada, Inc., The Profit Recovery Group Servicios (Mexico), S. de R.L. de C.V., PRG-Schultz UK Ltd., Meridian VAT Reclaim, Inc., Meridian VAT Reclaim (Canada) Ltd., and Meridian VAT Reclaim Operations Ltd. and its three direct subsidiaries are the only Subsidiaries whose employees are eligible to participate in the Plan. Additional Subsidiaries may be added by the Committee in the future. As of March 29, 2002, approximately 1,300 employees were eligible to participate in the ESPP.

CERTAIN MATERIAL FEATURES OF THE PLAN

The ESPP provides for two purchase periods ("Plan Periods") of six months each beginning on January 1 and July 1 of each year. On the last day of each Plan Period, each eligible employee shall be entitled to purchase shares of common stock at a purchase price equal to 85 percent of the closing sale price of a share of common stock on the Nasdaq National Market on the first trading day of the Plan Period.

Payment for shares of common stock purchased under the ESPP will be made by authorized payroll deductions from an eligible employee's "Base Pay." "Base Pay" means an eligible employee's total regular straight-time and overtime earnings received from the Company or a Subsidiary during a Plan Period, including payments for incentive compensation, but excluding other special payments. Eligible employees who elect to participate in the ESPP will designate a stated whole percentage equaling at least 1 percent, but no more than 10 percent, of Base Pay, to be deposited into a separate account, subject to a maximum aggregate deduction of \$10,625 in each Plan Period. On the date of exercise, the entire periodic deposit account of each participant in the ESPP is used to purchase whole shares of common stock. No fractional shares will be purchased, and the amount remaining in the employee's account after

26

such application will be held for the purchase of common stock in the next purchase period. No interest will be paid on any amounts deducted and credited to a participant's account. Participants will be entitled to receive, as soon as practicable after the end of a purchase period, a stock certificate for the number of purchased shares.

No participant in the ESPP is permitted to purchase common stock under the ESPP at a rate that exceeds \$25,000 in fair market value of common stock for each calendar year. If the number of shares for which purchase rights are exercised exceeds the number of shares available in any Plan Period under the ESPP, the shares available for sale will be allocated pro rata among the participants in such Plan Period in proportion to the relative amounts in their accounts. All funds received by the Company from the sale of common stock under the ESPP may be used for any corporate purpose.

Edgar Filing: PRG SCHULTZ INTERNATIONAL INC - Form DEF 14A

PLAN BENEFITS

To date (without taking into account the proposed amendment to the ESPP), the Company has issued and sold an aggregate of 473,955 shares of common stock pursuant to the ESPP and 651,045 shares of common stock are available for future issuance thereunder. Based on the number of employees that have elected to participate in the current offering period, the majority of the remaining shares under the ESPP will be used during the next few Plan Periods. Accordingly, unless the stockholders approve the amendment to the ESPP, the Company will have insufficient shares available after the next Plan Periods.

Participation in the ESPP is voluntary and is dependent on each eligible employee's election to participate and his or her determination as to the level of payroll deductions. Accordingly, future purchases under the ESPP are not determinable. Non-employee directors are not eligible to participate in the ESPP. The following table sets forth certain information regarding shares purchased under the ESPP during the Company's last fiscal year by all current executive officers as a group and all employees (excluding the executive officers) as a group:

TAX TREATMENT

The following discussion addresses certain anticipated U.S. federal income tax consequences associated with awards made under the ESPP. It is based on the Code and interpretations thereof as in effect on the date of this Proxy Statement. This summary is not intended to be exhaustive and, among other things, does not describe state, local or foreign tax consequences.

Edgar Filing: PRG SCHULTZ INTERNATIONAL INC - Form DEF 14A

The ESPP is intended to qualify as an employee stock purchase plan within the meaning of Section 423 of the Code. Under the Code, an employee who elects to participate in an offering under the ESPP will not recognize income at the time the offering commences or at the time the shares purchased under the ESPP are transferred to him or her. If an employee disposes of such shares after two years from the date the offering of such shares is deemed to have been made for federal income tax purposes - generally the first day of each Plan Period - (the "Grant Date") and after one year from the date of the transfer of such shares to him or her, or if the employee holds such shares until his or her death, the employee will be required to include in income, as ordinary income for the year in which such disposition or death occurs, an amount equal to the excess of (i) the lesser of (x) the fair market value of such shares at the time of disposition or death or (y) the fair market value of such shares as of the Grant Date, over (ii) the purchase price. The employee's basis in the shares disposed of will be increased by the amount of ordinary income so includable in income as a result of such disposition, and any gain or loss computed with reference to such adjusted basis which is recognized at the time of the disposition will be long-term capital gain or loss. In such event, the Company (or the subsidiary by which the employee is employed) will not be entitled to any deduction for federal income tax purposes.

If an employee disposes of the shares purchased under the ESPP within two years of the Grant Date or one year of the date of the transfer of the shares, the employee will be required to include in income, as ordinary income for the year in which such disposition occurs, an amount equal to the excess of (i) the fair market value of such shares on the date of purchase over (ii) the purchase price. The employee's basis in such shares disposed of will be increased by the amount of ordinary income includable in income as a result of such disposition, and any gain or loss computed with reference to such adjusted basis that is recognized at the time of disposition will be a capital gain or loss, either short-term or long-term, depending on the holding period for such shares. In the event of a disposition within such two-year or one-year period, the Company (or the subsidiary by which the employee is employed) will be entitled to a deduction for federal income tax purposes in an amount equal to the amount the employee is required to include in income as ordinary income as a result of such disposition.

Plan Administration and Termination

The ESPP is administered by the Company's Compensation Committee. The Committee may adopt rules and procedures not inconsistent with the provisions of the ESPP for its administration. The Committee's interpretation and construction of the ESPP is final and conclusive.

The Committee may at any time, or from time to time, alter or amend the ESPP in any respect, except that, without approval of the shareholders of the Company, no amendment may change the number of shares reserved for purchase under the ESPP or adversely affect the rights of any participant with respect to amounts previously credited to his or her ESPP account.

The Committee shall have the right to terminate the ESPP or any offering thereunder at any time for any reason. Unless terminated earlier, the ESPP shall terminate at the time purchase rights have been exercised with respect to all shares of common stock reserved for grant under the ESPP. Upon expiration or termination of the ESPP, any amount not applied toward the purchase of common stock will be refunded.

INDEPENDENT AUDITORS

The accounting firm of KPMG LLP are the independent auditors of the Company. Approval or selection of the independent auditors of the Company is not

Edgar Filing: PRG SCHULTZ INTERNATIONAL INC - Form DEF 14A

submitted for a vote at the annual meeting. The Board of Directors of the Company has historically selected the independent auditors of the Company, with the advice of the Audit Committee, and the Board believes that it would be to the detriment of the Company and its shareholders for there to be any impediment to the Board's exercising its judgment to remove the Company's independent auditors if, in its opinion, such removal is in the best interest of the Company and its shareholders.

It is anticipated that a representative from the accounting firm of KPMG LLP will be present at the annual meeting to answer appropriate questions and make a statement if the representative desires to do so.

SHAREHOLDER PROPOSALS

Appropriate proposals of shareholders intended to be presented at the Company's 2003 Annual Meeting of Shareholders pursuant to Rule 14a-8 promulgated under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), must be received by the Company by December 17, 2002 for inclusion in its Proxy Statement and form of proxy relating to that meeting. In addition, all shareholder proposals submitted outside of the shareholder proposal rules promulgated pursuant to Rule 14a-8 under the Exchange Act must be received by the Company by January 16, 2003 in order to be considered timely. If such shareholder proposals are not timely received, proxy holders will have discretionary voting authority with regard to any such shareholder proposals that may come before the 2003 Annual Meeting. With regard to such shareholder proposals, if the date of the 2003 Annual Meeting is subsequently advanced or delayed by more than 30 days from the date of the 2002 Annual Meeting, the Company shall, in a timely manner, inform shareholders of the change and the date by which proposals must be received.

IT IS IMPORTANT THAT PROXIES BE RETURNED PROMPTLY. SHAREHOLDERS WHO DO NOT EXPECT TO ATTEND THE MEETING IN PERSON ARE URGED TO SIGN, COMPLETE, DATE AND RETURN THE PROXY CARD IN THE ENCLOSED ENVELOPE, TO WHICH NO POSTAGE NEED BE AFFIXED IF MAILED IN THE UNITED STATES.

SECTION 3. ADMINISTRATION.

(a) By Committee. The Plan shall be administered by a Committee of not less than two Directors who are not employees of the Company, who shall be members of the Board and who shall serve at the pleasure of the Board. The functions of the Committee specified in the Plan may be exercised by the Board, if and to the extent that no Committee exists which has the authority to so administer the Plan.

(b) Authority of Committee The Committee shall have full authority to grant, pursuant to the terms of the Plan, Stock Options, SARs and Stock Awards to directors, officers and other key employees, consultants and advisors eligible to be Plan Participants under Section 5 hereof. The Committee shall have the authority to adopt, alter and repeal such rules, guidelines and practices governing the Plan as it shall, from time to time, deem advisable; to interpret the terms and provisions of the Plan and any award under the Plan (and any agreements relating thereto); and to otherwise supervise the administration of the Plan. Without limiting the generality of the foregoing, the Committee shall have the authority:

(i) to select the directors, officers and other key employees of, and consultants and advisors to, the Company and any Subsidiaries, Parent and Affiliate to whom Stock Options, SARs and other Stock Awards may from time to time be granted hereunder;

(ii) to determine whether and to what extent Incentive Stock Options, Non-Qualified Stock Options, SARs and other Stock Awards or any combination thereof are to be granted hereunder to one or more eligible persons;

(iii) to determine the number of shares subject to each such Option, SAR and other Stock Award granted hereunder;

(iv) to determine the terms and conditions, not inconsistent with the terms of the Plan, of any Option, SAR or other Stock Award granted hereunder including, but not limited to, the exercise price, or any vesting, acceleration, or forfeiture restrictions regarding any Option, SAR or other Stock Award and/or the shares of Stock relating thereto, or any other restrictions and to waive any such terms or conditions in each case on such factors as the Committee shall determine, in its sole discretion; and

(v) to determine whether and under what circumstances cash payments shall be made upon the termination of a Stock Option, SAR or other Stock Award, and whether and under what circumstances Stock acquired pursuant to the exercise of a Stock Option or SAR or pursuant

Committee's sole discretion and shall be final and binding on all persons, including the Company and Plan Participants.

(d) Indemnification. In addition to such other rights of indemnification that they may have as directors of the Company or as members of the Committee, the members of the Committee shall be indemnified by the Company against the reasonable expenses, including attorneys' fees actually and necessarily incurred in connection with the defense of any action, suit or proceeding, or in connection with any appeal therein, to which they or any of them may be a party by reason of any action taken or failure to act under or in connection with the Plan or any option granted thereunder, and against all amounts paid by them in settlement thereof (provided such settlement is approved by independent legal counsel selected by the Company) or paid by them in satisfaction of a judgment in any such action, suit or proceeding, except in relation to matters as to which it shall be adjudged in such action, suit or proceeding that such Committee member is liable for negligence or misconduct in the performance of his or her duties.

SECTION 4. STOCK SUBJECT TO PLAN.

The total number of shares of Stock reserved and available for distribution under the Plan shall be 12,625,000 shares (including shares subject to previous grants under the Company's 1996 Stock Option Plan), subject to adjustment as set forth herein, increased from time to time by action of the Board of Directors and the Stockholders of the Company. Such shares may consist, in whole or in part, of authorized and unissued shares or treasury shares. If any outstanding Option, SAR or other Stock Award under the Plan expires or is terminated, the shares allocated to the unexercised portion of such Option, SAR or other Stock Award shall again be available for future Stock Option grants.

Notwithstanding the foregoing,

- (i) The maximum number of shares that may be covered by awards granted to any one individual pursuant to Section 6 (relating to Options and SARs) shall be 500,000 shares during any consecutive 12 month period.
- (ii) On or before March 12, 2002, the maximum number of shares that may be covered by Stock Awards granted to any one individual pursuant to Section 7 shall be 500,000 shares during any consecutive 12 month period. After March 12, 2002, the maximum number of shares that may be covered by Stock Awards granted to any one individual pursuant to Section 7 shall be 300,000 shares during any consecutive 12 month period. The maximum number of shares covered by Stock Awards that may be granted after March

4

12, 2002 pursuant to Section 7 shall be, in the aggregate, 300,000 shares.

In the event of any transaction described in Section 8(d) hereof, such substitution or adjustment shall be made in the aggregate number of shares reserved for issuance under the Plan, in the individual maximums set forth above, in the number and option price of shares subject to outstanding Options and SARs and in the number of shares subject to outstanding Stock Awards such that each Plan Participant will continue to hold the same economic equivalent he had immediately prior to such transaction and such that all maximums will be increased or decreased in accordance with such transaction, provided that the number of shares subject to any such award shall always be a whole number.

Edgar Filing: PRG SCHULTZ INTERNATIONAL INC - Form DEF 14A

SECTION 5. ELIGIBILITY.

Directors, officers and key employees of, and consultants and advisors to, the Company and any Subsidiaries, Parent and Affiliate thereof who are responsible for or contribute to the management, growth and/or profitability of the business of the Company and/or any Subsidiaries, Parent and Affiliate thereof are eligible to be Plan Participants and to receive awards under the Plan.

SECTION 6. TERMS AND CONDITIONS OF OPTIONS AND SARs.

Stock Options granted under the Plan may be of two types: (i) Incentive Stock Options, and (ii) Non-Qualified Stock Options. The Committee shall have the authority to grant to any eligible person Incentive Stock Options, Non-Qualified Stock Options, or both types of Stock Options; provided, however, that no person who is not an employee of the Company, its Parent or its Subsidiaries shall be eligible to be granted Incentive Stock Options.

Options and SARs granted under the Plan shall be subject to the following terms and conditions and shall contain such additional terms and conditions, not inconsistent with the terms of the Plan, as the Committee shall deem desirable:

(a) Option Designation. Each Option granted under the Plan shall be clearly identified at the time of grant as an Incentive Stock Option or a Non-Qualified Stock Option. An Incentive Stock Option may not be granted in tandem stock option arrangements under the Plan (i.e., where an Incentive Stock Option is issued together with a Non-Qualified Stock Option and the exercise of either type of Option affects the right to exercise the other type of Option).

(b) Written Agreement. Each Option and SAR granted under the Plan shall be evidenced by a written agreement in such form as the Committee shall from time to time approve. All such agreements shall comply with and be subject to the terms of the Plan.

(c) Exercise Price. The "Exercise Price" of each Option and SAR granted under this Section 6 shall be established by the Committee or shall be

5

determined by a method established by the Committee at the time the Option or SAR is granted; except that the Exercise Price shall not be less than the greater of 100% of the Fair Market Value or the par value of a share of Stock as of the Pricing Date, as defined below. However, if the Plan Participant owns more than 10% of the total combined voting power of all classes of capital stock of the Company or any Subsidiary or Parent, the Exercise Price of an Incentive Stock Option granted to such Plan Participant shall not be less than 110% of the Fair Market Value of a share of Stock as of the Pricing Date. For purposes of the preceding sentence, the "Pricing Date" shall be the date on which the Option or SAR is granted, except that the Committee may provide that: (i) the Pricing Date is the date on which the recipient is hired or promoted (or similar event), if the grant of the Option or SAR occurs not more than 90 days after the date of such hiring, promotion or other event; and (ii) if an Option or SAR is granted in tandem with, or in substitution for, an outstanding award, the Pricing Date is the date of grant of such outstanding award.

(d) Term. The term of each Stock Option and SAR shall be fixed by the Committee, but no Stock Option granted on or before March 12, 2002 shall be exercised more than ten years (or, in the case of an Incentive Stock Option

Edgar Filing: PRG SCHULTZ INTERNATIONAL INC - Form DEF 14A

granted to an employee who owns stock possessing more than 10% of the total combined voting power of all classes of stock of the Company or any Subsidiary or Parent, more than five years) after the date the Option is granted. Stock Options and SARs granted after March 12, 2002 shall not be exercised more than seven years after the date the Option is granted.

(e) Exercisability. Stock Options and SARs shall be exercised at such time or times and subject to such terms and conditions as shall be determined by the Committee at or after grant. If the Committee provides, in its sole discretion, that any Stock Option or SAR is exercisable only in installments, the Committee may waive such installment exercise provisions at any time at or after grant in whole or in part, based on such factors as the Committee shall determine, in its sole discretion.

(f) Method of Exercise. Subject to whatever installment exercise provisions apply pursuant to Section 6(e) hereof, Options and SARs may be exercised in whole or in part at any time during the term thereof, by giving written notice of exercise to the Company specifying the number of shares to be purchased or the amount of the SAR to be exercised.

Such notice shall be accompanied by payment in full of the purchase price in the case of an Option, either by cash, check, note or such other instrument as the Committee may accept. As determined by the Committee, in its sole discretion, at or after grant, payment in full or in part may also be made in the form of Stock already owned by the Optionee based, in each case, on the fair market value of the Stock on the date the Option is exercised, as determined for this purpose by the Committee in its sole discretion; provided, however, that in no event shall payment in full or in part for the exercise of an Option be made with any Stock which, as of the date of exercise of the Option, has been owned by the Optionee less than six (6) months. If the Committee permits such payment in the form of Stock, the certificate or certificates representing the shares of

6

Stock to be delivered shall be duly executed in blank by the Optionee or shall be accompanied by a stock power duly executed in blank suitable for purposes of transferring such shares to the Company. Fractional shares of Stock will not be accepted in payment of the purchase price of shares acquired upon exercise of the Option.

No shares of Stock shall be issued until full payment therefor has been made.

(g) Settlement of Award. Distribution following exercise of an Option or SAR, and shares of Stock distributed pursuant to such exercise, shall be subject to such conditions, restrictions and contingencies as the Committee may establish. Settlement of SARs may be made in shares of Stock (valued at their Fair Market Value at the time of exercise), in cash, or in a combination thereof, as determined in the discretion of the Committee. The Committee, in its discretion, may impose such conditions, restrictions and contingencies and may waive any such conditions, restrictions and contingencies, at or after grant, or otherwise accelerate the vesting of any Option or SAR, at any time, in its discretion with respect to shares of Stock acquired pursuant to the exercise of an Option or an SAR as the Committee determines to be desirable.

SECTION 7. STOCK AWARDS.

Each Stock Award shall be subject to such conditions, restrictions and contingencies as the Committee shall determine. These may include continuous service and/or the achievement of performance measures. The performance measures

Edgar Filing: PRG SCHULTZ INTERNATIONAL INC - Form DEF 14A

that may be used by the Committee for such Awards shall be measured by revenues, income, or such other criteria as the Committee may specify. The Committee may designate a single goal criterion or multiple goal criteria for performance measurement purposes, with the measurement based on absolute Company or business unit performance and/or on performance as compared with that of other publicly-traded companies. If the right to become vested in a Stock Award granted under this Section 7 is conditioned on the completion of a specified period of service with the Company or any Subsidiary or Parent without achievement of performance measures or other objectives being required as a condition of vesting, then the required period of service for vesting shall be not less than three years (subject to acceleration of vesting, to the extent permitted by the Committee, in the event of the Participant's death, disability, change in control or involuntary termination).

SECTION 8. MISCELLANEOUS.

(a) Non-Transferability of Options, SARs and Stock Awards. No Option, SAR or Stock Award shall be transferable by a Plan Participant otherwise than by will or by the laws of descent and distribution, and all Options and SARs shall be exercisable, during the Plan Participant's lifetime, only by the Plan Participant.

(b) Investment Representations. The Company may require any grantee, as a condition of exercising an Option or SAR, to give written assurances in substance and form satisfactory to the Company to the effect that such person is acquiring the Stock subject to the Option or SAR for his own account for

7

investment and not with any present intention of selling or otherwise distributing the same, and to such other effect as the Company deems necessary or appropriate in order to comply with federal and applicable state securities laws.

(c) Compliance with Securities Laws. Each Option and SAR shall be subject to the requirement that, if at any time counsel to the Company shall determine that the listing, registration, or qualification of the shares subject to such Option and SAR upon any securities exchange or under any state or federal law, or the consent or approval of any governmental or regulatory body, is necessary as a condition of, or in connection with, the issuance or purchase of shares thereunder, such Option or SAR may not be exercised in whole or in part unless such listing, registration, qualification, consent, or approval shall have been effected or obtained on conditions acceptable to the Committee. Nothing herein shall be deemed to require the Company to apply for or to obtain such listing, registration, or qualification.

(d) Recapitalization. If the outstanding shares of Stock are changed into or exchanged for a different number or kind of shares or other securities of the Company by reason of any recapitalization, reclassification, stock split, stock dividend, combination, subdivision or similar transaction, then, subject to any required action by the stockholders of the Company, the number and kind of shares of Stock subject to outstanding Options, SARs or Stock Awards and available under the Plan and price per share of Stock for any outstanding Options and SARs shall be proportionately adjusted; provided, however, that no fractional shares shall be issued or made subject to an Option, SAR or Stock Award in making the foregoing adjustments. All adjustments made by the Committee under this Section shall be final, conclusive and binding upon the holders of Options, SARs and Stock Awards.

(e) Reorganization. If, while unexercised Options and/or SARs remain

Edgar Filing: PRG SCHULTZ INTERNATIONAL INC - Form DEF 14A

outstanding under the Plan, the Company proposes to merge or consolidate with another corporation, whether or not the Company is to be the surviving corporation, or if the Company proposes to liquidate or sell or otherwise dispose of substantially all of its assets or substantially all of the outstanding shares of Stock of the Company are to be sold, then the Committee may, in its sole discretion, either (i) make appropriate provision for the protection of any such outstanding Options and SARs by the substitution on an equitable basis of appropriate stock of the surviving corporation or its parent in the merger or consolidation, or other reorganized corporation that will be issuable in respect to the shares of Stock of the Company subject to such Options and SARs, provided that, with respect to Incentive Stock Options, such provision shall satisfy the requirement that no additional benefits shall be conferred upon Optionees as a result of such substitution within the meaning of Section 424(a) of the Code, and that the excess of the aggregate fair market value of the shares subject to the Options immediately after such substitution over the purchase price thereof is not more than the excess of the aggregate fair market value of the shares subject to such Options immediately before such substitution over the purchase price thereof, or (ii) upon written notice to the Plan Participants, provide that all unexercised Options and SARs must be exercised within a specified number of days of the date of such notice or they will be terminated. In any such case, the Committee may, in its discretion, accelerate the date on which outstanding Options and SARs become exercisable. In

8

no event, however, shall the Committee be obligated to take any action as a result of any transaction described in this Section 8(e), it being acknowledged that it is in the Committee's sole discretion to determine if, and to what extent, the action authorized by this Section 8(e) shall be taken.

(f) Rights as a Shareholder. A Plan Participant shall have no rights as a shareholder with respect to any shares subject to an Option or SAR until the date of issue of a stock certificate to him or her for such shares and only after such shares are fully paid. No adjustment shall be made for dividends or other rights for which the record date is prior to the date such stock certificate is issued.

(g) Annual Limitation For Incentive Stock Options. To the extent that the Fair Market Value (determined as of the date of grant of an Option) of shares of Stock with respect to which an Incentive Stock Option first becomes exercisable by an Optionee during any calendar year exceeds \$100,000, such excess portion of the Stock Option shall thereafter be treated as a Non-Qualified Stock Option.

SECTION 9. NO SPECIAL EMPLOYMENT RIGHTS.

Nothing contained in the Plan or in any agreement pursuant to which an Option, SAR or Stock Award is granted under the Plan shall confer upon any Plan Participant any right with respect to the continuation of his employment or other engagement by the Company or any Subsidiary, Parent or Affiliate or interfere in any way with the ability of the Company or any Subsidiary, Parent or Affiliate at any time to terminate such employment or other engagement or to increase or decrease the compensation of the Plan Participant from the rate in existence at the time of the grant of an award.

SECTION 10. OTHER EMPLOYEE BENEFITS.

The amount of any compensation deemed to be received by an Plan Participant as a result of the exercise of an Option or the sale of shares received upon such exercise will not constitute "earnings" with respect to which any other benefits of such Plan Participant are determined, including, without limitation,

Edgar Filing: PRG SCHULTZ INTERNATIONAL INC - Form DEF 14A

benefits under any pension, profit sharing, life insurance, or salary continuation plan.

SECTION 11. WITHHOLDING.

The Company's obligation to deliver shares upon the exercise of any Option or SAR granted under the Plan or to make any payments required by any option agreement shall be subject to the grantee's satisfaction of any applicable federal, state, and local income and employment tax and withholding requirements in a manner and form satisfactory to the Company.

9

SECTION 12. GOVERNING LAW.

The Plan, all awards granted under the Plan and actions taken thereunder shall be governed by and construed in accordance with the laws of the State of Georgia.

SECTION 13. AMENDMENT OF THE PLAN.

The Board may at any time and from time to time amend, suspend, alter, or discontinue the Plan in any respect, except that the Board may not, without the approval of the Company's shareholders:

(a) except as expressly provided in Section 8(d) hereof, alter the total number of shares reserved for issuance pursuant to the Plan;

(b) change the price at which Options and SARs may be granted pursuant to Section 6(c) hereof;

(c) change the persons or class of persons eligible to participate in the Plan;

(d) extend the maximum Option period under Section 6(d) hereof or the term of the Plan described in Section 14(b) hereof; or

(e) materially increase the benefits accruing to Plan Participants.

The Committee may amend the terms of any award, prospectively or retroactively, but, subject to Section 3 hereof, no such amendment shall impair the rights of any holder without the holder's consent.

SECTION 14. EFFECTIVE DATE AND DURATION OF THE PLAN.

(a) Effective Date. The Plan shall become effective when approved by the Company's shareholders.

(b) Termination. Unless the Plan is sooner terminated in accordance with the terms herein, no further grants of awards may be made under the Plan after the earlier of (i) the close of business on the day next preceding the tenth anniversary of the date of its adoption by the shareholders and (ii) the date on which all shares available for issuance under the Plan shall have been issued pursuant to Stock Awards or the exercise of Options or SARs. Notwithstanding the foregoing, Options granted prior to the date specified in (i) above may extend beyond that date.

Edgar Filing: PRG SCHULTZ INTERNATIONAL INC - Form DEF 14A

"Purchase Right" means a Participant's option to purchase shares of Common Stock that is deemed to be outstanding during a Purchase Period. A Purchase Right represents an "option" as such term is used under Section 423 of the Code.

"Subsidiaries" means subsidiaries of The Profit Recovery Group International, Inc. of which it owns the majority of the outstanding voting shares and which have been designated by the Committee as Subsidiaries; provided, however, that prior to any such designation by the Committee, each of The Profit Recovery Group International I, Inc., The Profit Recovery Group Canada, Inc., The ShapsGroup, Inc. and Accounts Payable Recovery Services, Inc. shall be deemed a Subsidiary.

"Trading Day" refers to a day during which the Nasdaq National Market System is available for trading shares of Common Stock.

3. ELIGIBILITY

(a) Participation in the Plan is voluntary. All employees of the Company, including officers and directors, whose customary employment is at least 20 hours per week and 5 months per year who have been employed since the fifth day of the first month of the preceding Purchase Period (January 5, 1997 for the Purchase Period beginning July 1, 1997) are eligible to participate in the Plan.

(b) Notwithstanding any provision of the Plan to the contrary, no employee may participate in the Plan:

(i) if following a grant of Purchase Rights under the Plan, the employee would own, directly or by attribution pursuant to Section 424(d) of the Code, stock, Purchase Rights or other stock options to purchase stock representing 5% or more of the total combined voting power or value of all classes of the Company's stock; or

(ii) to the extent a grant of Purchase Rights under the Plan would permit the employee's rights to purchase stock under all the Company's Code Section 423 employee stock purchase plans to accrue at a rate exceeding \$25,000.00, based on the Fair Market Value of the stock (at the time of grant), for each calendar year in which such Purchase Right is outstanding.

4. SECURITIES SUBJECT TO THE PLAN AND PURCHASE PERIODS

(a) The Plan covers an aggregate of 2,625,000 shares of Common Stock (subject to adjustment as provided in Section 15 hereof), which may be authorized but unissued shares, reacquired shares or shares bought on the open market. If any Purchase Right that shall have been granted shall expire or terminate for any reason without having been exercised in full, the unpurchased shares of Common Stock shall again become available for purposes of the Plan, unless the Plan shall have been terminated.

(b) Except as discussed below for the first year the Plan is in effect, there will be two purchase periods (each a "Purchase Period") each calendar year. There will be only one Purchase Period in calendar 1997, which will begin on July 1, 1997 and end on December 31, 1997. Thereafter, in each year that the Plan is in effect, the first Purchase Period will begin on January 1 and end on June 30 of each year that the Plan is in effect. The second Purchase Period will begin on July 1 and end on December 31 of each year the Plan is in effect.

5. PARTICIPATION

Eligible employees become Participants in the Plan by authorizing payroll

Edgar Filing: PRG SCHULTZ INTERNATIONAL INC - Form DEF 14A

deductions for that purpose through a form (the "Participation/Withdrawal Form") filed with the Plan Administrator no later than fifteen (15) days prior to the start date of a Purchase Period.

6. PAYROLL DEDUCTIONS

(a) In order to purchase Common Stock an employee must indicate on the Participation/Withdrawal Form the contribution percentage he or she wishes to authorize the Company to deduct at regular payroll intervals, in integral percentage amounts ranging from 1% to 10% of such Participant's Base Pay for the applicable payroll period, with a minimum deduction of \$10.00 per payday and a maximum aggregate deduction of \$10,625.00 during each Purchase Period. The Committee has the power, exercisable at any time prior to the start of a Purchase Period, to increase or decrease the \$10,625.00 maximum for that Purchase Period. The maximum, as thus adjusted, will continue in effect from Purchase Period to Purchase Period until the Committee once again exercises its power to adjust the maximum. The Participation/Withdrawal Form will include authorization for the Company to make payroll deductions from the Participant's Base Pay.

(b) In order to comply with the Federal tax laws, a Participant may not be granted Purchase Rights under the Plan and any other Code Section 423 employee stock purchase plan of the Company with respect to more than \$25,000.00 worth of Common Stock for any calendar year such Purchase Rights to purchase Common Stock are outstanding pursuant to the terms of such plans. The \$25,000.00 limit is determined

2

according to the Fair Market Value of the Common Stock on the first day (grant date) of the Purchase Period. Participants will be notified if these limitations become applicable to them.

(c) The amounts deducted shall be credited to the Participant's account under the Plan, but no actual separate account will be established by the Company to hold such amounts. There shall be no interest paid on the balance outstanding in a Participant's account. The deducted amounts may be commingled with the general assets of the Company and may be used for its general corporate purposes.

(d) Payroll deductions begin on the first payday of each Purchase Period, and end on the last payday of each Purchase Period. Eligible employees may participate in the Plan and purchase shares only by means of payroll deductions, except as set forth in the following sentence. A Participant may not make any separate cash payment into his or her account, except that employees on an approved leave of absence may continue participating in the Plan, at the sole discretion of the Plan Administrator, by making cash payments to the Company on a normal payday equal to the amount of the normal payroll deduction had a leave of absence not occurred. The right of a Participant on an approved leave of absence to continue participating in the Plan shall terminate if such leave of absence exceeds 90 days, unless and so long as the Participant's right to re-employment by the Company after a longer leave is guaranteed by statute or contract.

(e) So long as a Participant remains an employee of the Company, payroll deductions will continue in effect from Purchase Period to Purchase Period, unless at least fifteen (15) days prior to the first day of the next succeeding Purchase Period the Participant:

(i) elects a different rate by filing a new Participation/Withdrawal Form with the Plan Administrator; or

Edgar Filing: PRG SCHULTZ INTERNATIONAL INC - Form DEF 14A

(ii) withdraws from the Plan in accordance with Section 9 hereof.

(f) Unless a Participant files with the Plan Administrator a new Participation/Withdrawal Form electing to withdraw prior to 15 days before the beginning of the affected Purchase Period as permitted under the Plan, such Participant's payroll deductions will continue throughout such Purchase Period and his or her Purchase Right to purchase Common Stock will be deemed to be fully and automatically exercised on the last day of such Purchase Period with respect to payroll deductions made during that period.

7. PURCHASE PRICE

(a) On the first day of each Purchase Period, a Participant is deemed to have been granted a Purchase Right to purchase on the last day of the Purchase Period as many full shares of Common Stock as such Participant will be able to purchase with the payroll deductions credited to such Participant's account during such period.

(b) The price at which each Purchase Right to purchase Common Stock may be exercised is 85% of the Fair Market Value of the Common Stock on the Nasdaq National Market System on the first Trading Day of a Purchase Period.

(c) The number of shares purchasable by each Participant per Purchase Period will be the number of whole shares obtained by dividing the amount collected from the Participant (through payroll deductions during that Purchase Period) by the purchase price in effect for that Purchase Period. Any amount remaining in the Participant's account after such application will be held for the purchase of Common Stock in the next Purchase Period.

8. EXERCISE OF PURCHASE RIGHT

(a) Each outstanding Purchase Right will be exercised automatically on the Exercise Date. The exercise of the Purchase Right is to be effected by applying the amount credited to each Participant's account as of the Exercise Date to the purchase on the Exercise Date of whole shares of Common Stock at the purchase price in effect for the Purchase Period.

3

(b) Fractional shares will not be issued under the Plan, and any amount remaining in the Participant's account after such application will be held for the purchase of Common Stock in the next Purchase Period.

(c) If the number of shares for which Purchase Rights are exercised exceeds the number of shares available in any Purchase Period under the Plan, the shares available for sale will be allocated by the Plan Administrator pro rata among the Participants in such Purchase Period in proportion to the relative amounts in their accounts. Any amounts not thereby applied to the purchase of Common Stock under the Plan will be refunded to the Participants after the end of the Purchase Period.

9. WITHDRAWAL AND TERMINATION OF PURCHASE RIGHTS

(a) A Participant may withdraw from the Plan by providing written notice to the Plan Administrator at any time prior to 15 days before the end of the current Purchase Period. Such notice shall be on the Participation/Withdrawal Form. The Participation/Withdrawal Form will permit such a Participant to make the following election:

Edgar Filing: PRG SCHULTZ INTERNATIONAL INC - Form DEF 14A

(i) The Participant may elect to immediately terminate his or her outstanding Purchase Rights, and such withdrawal will become effective by the tenth day following the Plan Administrator's receipt of the Participant's Participation/Withdrawal Form, at which time all outstanding Purchase Rights will be terminated and all accumulated payroll deductions will be refunded without penalty; or

(ii) The Participant may elect to continue his or her participation in the Plan through the end of the current Purchase Period, and thus exercise such Participant's outstanding Purchase Rights on the following Exercise Date, but terminate his or her participation in the Plan for subsequent Purchase Periods. Payroll deductions for such a Participant will continue until the end of the current Purchase Period. After the applicable Exercise Date, no further Purchase Rights will be granted to the Participant, and no further payroll deductions will be made.

(b) Except as otherwise provided by applicable law, any Participant who withdraws from the Plan pursuant to Section 9(a) will not be eligible to rejoin the Plan for the Purchase Period underway at the time of withdrawal, and will have to re-enroll in the Plan by completing and filing a new Participation/Withdrawal Form should such individual wish to resume participation in a subsequent Purchase Period.

(c) If a Participant ceases to be an employee of the Company for any reason during a Purchase Period, his or her outstanding Purchase Right will immediately terminate, and all sums previously collected from such Participant during such Purchase Period under the terminated Purchase Right will be refunded.

(d) The Committee may, at its option, treat any attempt to borrow by an employee on the security of his or her accumulated payroll deductions as an election under Section 9(a)(i) hereof to withdraw such deductions.

10. RIGHTS AS SHAREHOLDER

(a) A Participant is not a shareholder until the Participant exercises his or her Purchase Right. Thus, a Participant will not have a right to any dividend or distribution made prior to the Exercise Date. Following the Exercise Date, however, the Participant shall have all of the rights of a shareholder with respect to the shares purchased.

(b) Participants will be entitled to receive, as soon as practicable after the Exercise Date, a stock certificate for the number of purchased shares upon a written request made to the Custodian. The Custodian may impose upon, or pass through to, the Participant a reasonable fee for withdrawal of shares of Common Stock in the form of stock certificates. It is the responsibility of each Participant to keep his or her address current with the Company through the Plan Administrator and with the Custodian.

11. SALE OF COMMON STOCK ACQUIRED UNDER THE PLAN

(a) In general, participants who are not officers or directors of the Company may sell the shares of Common Stock they acquire under the Plan at any time without restriction. Officers and directors of the

Company should consult with legal counsel prior to attempting to sell or otherwise dispose of any shares of Common Stock acquired under the Plan.

(b) A Participant shall immediately provide information to the Plan Administrator if the Participant transfers any shares purchased through the Plan

Edgar Filing: PRG SCHULTZ INTERNATIONAL INC - Form DEF 14A

within two (2) years from the date of grant of the related Purchase Right. Such transfer shall include disposition by sale, gift or other manner. The Participant may be requested to disclose the manner of the transfer, the date of the transfer, the number of shares involved and the transfer price. By executing the Participation/Withdrawal Form, each Participant obligates himself or herself to provide such information to the Plan Administrator.

(c) The Company is authorized to withhold from any payment to be made to a Participant, including any payroll and other payments not related to the Plan, amounts of withholding and other taxes due in connection with any transaction under the Plan, and a Participant's enrollment in the Plan will be deemed to constitute his or her consent to such withholding.

12. PLAN ADMINISTRATION

(a) The Plan shall be administered by the Committee.

(b) The Committee shall have the plenary power, subject to and within the limits of the express provisions of the Plan:

(i) to determine the commencement and termination date of the offering of Common Stock under the Plan; and

(ii) to interpret the terms of the Plan, establish and revoke rules for the administration of the Plan and correct or reconcile any defect or inconsistency in the Plan.

(c) The Committee may delegate all or part of its authority to administer the Plan to the Plan Administrator, who may in turn delegate the day-to-day operations of the Plan to the Custodian. The Custodian will establish and maintain, as agent for the Participants, accounts for the purposes of holding shares of Common Stock and/or cash contributions as may be necessary or desirable for the administration of the Plan.

(d) The Board may waive or modify any requirement that a notice or election be made or filed under the Plan a specified period in advance in an individual case or by adoption of a rule or regulation under the Plan, without the necessity of an amendment to the Plan.

13. TRANSFERABILITY

(a) Any account maintained by the Custodian for the benefit of a Participant with respect to shares acquired pursuant to the Plan may only be in the name of the Participant; provided, however, that the Participant may elect to maintain such account with right of joint ownership with such Participant's spouse. Such election may only be made on a form (the "Joint Account Form") provided by the Company.

(b) Neither payroll deductions credited to a Participant's account nor any Purchase Rights of or other rights to acquire Common Stock under the Plan may be assigned, transferred, pledged or otherwise disposed of by Participants other than by will or the laws of descent and distribution, and during the lifetime of a Participant, Purchase Rights may be exercised only by the Participant.

14. MERGER OR LIQUIDATION OF THE COMPANY

In the event the Company merges with another corporation and the Company is not the surviving entity, or in the event all or substantially all of the stock or assets of the Company are acquired by another company, or in the event of certain other similar transactions, the Committee may, in connection with any such transaction, cancel each outstanding Purchase Right and refund all sums previously collected from Participants under the canceled Purchase Rights, or,

Edgar Filing: PRG SCHULTZ INTERNATIONAL INC - Form DEF 14A

in its discretion, cause each Participant with outstanding Purchase Rights to have his or her outstanding Purchase Right exercised immediately prior to such

5

transaction and thereby have the balance of his or her account applied to the purchase of whole shares of Common Stock at the purchase price in effect for the Purchase Period, which would be treated as ending with the effective date of such transaction. The balance of the account not so applied will be refunded to the Participant.

15. ADJUSTMENT FOR CHANGES IN CAPITALIZATION

To prevent dilution or enlargement of the rights of Participants under the Plan, appropriate adjustments may be made in the event any change is made to the Company's outstanding Common Stock by reason of any stock dividend, stock split, combination of shares, exchange of shares or other change in the Common Stock effected without the Company's receipt of consideration. Adjustments may be made to the maximum number and class of securities issuable under the Plan, the maximum number and class of securities purchasable per outstanding Purchase Right and the number and class of securities and price per share in effect under each outstanding Purchase Right. Any such adjustments will be made by the Committee in its sole discretion.

16. AMENDMENT AND TERMINATION

The Committee may terminate or amend the Plan at any time; provided, however, such termination or amendment may not affect or change Purchase Rights previously granted under the Plan without the consent of the affected Participant, and any amendment that effects any change in the aggregate number of shares which may be issued under the Plan or changes the type of corporation whose employees may receive options under the Plan shall be subject to shareholder approval. If not sooner terminated by the Committee, the Plan shall terminate at the time Purchase Rights have been exercised with respect to all shares of Common Stock reserved for grant under the Plan.

17. SHAREHOLDER APPROVAL

The Plan is subject to the approval of shareholders of the Company in accordance with the provisions of Georgia law.

18. NO EMPLOYMENT RIGHTS

Participation in the Plan will not impose any obligations upon the Company to continue the employment of the Participant for any specific period and will not affect the right of the Company to terminate such person's employment at any time, with or without cause.

19. STOCK LEGEND

All shares of Common Stock issued pursuant to the Plan shall contain the following legend: "The shares of Common Stock represented by this Certificate have been issued on _____ pursuant to PRG-Schultz International, Inc. Employee Stock Purchase Plan."

20. COSTS

Except as set forth in Section 10(b), costs and expenses incurred in the administration of the Plan and the maintenance of accounts with the Custodian will be paid by the Company, to the extent provided in this Section 20. Any

Edgar Filing: PRG SCHULTZ INTERNATIONAL INC - Form DEF 14A

brokerage fees and commissions for the purchase of Common Stock under the Plan (including shares of Common Stock purchased upon reinvestment of dividends and distributions) will be paid by the Company, but any brokerage fees and commissions for the sale of shares of Common Stock under the Plan by a Participant will be borne by such Participant.

21. REPORTS

After the close of each Purchase Period, each Participant in the Plan will receive a report from the Custodian indicating the amount of the Participant's contributions to the Plan during the Purchase Period, the amount of the contributions applied to the purchase of Common Stock for the Purchase Period, the purchase

6

price per share in effect for the Purchase Period and the amount of the contributions (if any) carried over to the next Purchase Period.

22. GOVERNING LAW

The validity, construction and effect of the Plan and any rules and regulations relating to the Plan will be determined in accordance with laws of the State of Georgia, without giving effect to principles of conflicts of laws, and applicable Federal law.

23. COMPLIANCE WITH LEGAL AND OTHER REQUIREMENTS

The Plan, the granting and exercising of Purchase Rights hereunder, and the other obligations of the Company, the Plan Administrator and the Custodian under the Plan will be subject to all applicable federal, state or international laws, rules, and regulations, and to such approvals by or registrations with any regulatory or governmental agency as may be required. The Company may, in its discretion, postpone the issuance or delivery of shares of Common Stock upon exercise of Purchase Rights until completion of such registration or qualification of such shares of Common Stock or other required action under any federal or state law, rule, or regulation, listing or other required action with respect to any automated quotation system or stock exchange upon which the shares of Common Stock or other Company securities are designated or listed, or compliance with any other contractual obligation of the Company, as the Company may consider appropriate in connection with the issuance or delivery of shares of Common Stock in compliance with applicable laws, rules, and regulations, designation or listing requirements, or other contractual obligations.

24. WITHHOLDING OF TAXES

By electing to participate in the Plan, each Participant acknowledges that the Company and its participating Subsidiaries are required to withhold taxes with respect to the amounts deducted from the Participant's Base Pay and accumulated for the benefit of the Participant under the Plan, and each Participant agrees that the Company and its participating Subsidiaries may deduct additional amounts from the Participant's Base Pay when amounts are added to the Participant's account, used to purchase common stock or refunded, in order to satisfy such withholding obligations. If the Participant makes a disposition, within the meaning of Section 424(c) of the Code and the regulations promulgated thereunder, of any share or shares issued to such Participant pursuant to such Participant's exercise of an option, and such disposition occurs within the two-year period commencing on the day after the option is being treated as granted for purposes of Section 423 of the Code or within the one-year period commencing on the day after the Exercise Date, such

Edgar Filing: PRG SCHULTZ INTERNATIONAL INC - Form DEF 14A

Participant shall, within ten (10) days of such disposition, notify the Company thereof and thereafter immediately deliver to the Company any amount of federal, state or local income taxes and other amounts which the Company informs the Participant the Company is required to withhold. The Company may also satisfy any applicable withholding amounts by deducting the necessary amounts of withholding from the Participant's wages and, in the Committee's sole discretion, any other amounts owed to or held for the account of the Participant.
