## SEL-LEB MARKETING, INC. AND SUBSIDIARY

### NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (Unaudited)

#### Note 1 - Organization and basis of presentation:

In the opinion of management, the accompanying unaudited condensed consolidated financial statements reflect all adjustments, consisting of normal recurring accruals, necessary to present fairly the financial position of Sel-Leb Marketing, Inc. ("Sel-Leb") and its 80%-owned subsidiary, Ales Signature, Ltd. ("Ales"), as of September 30, 2001, their results of operations for the nine and three months ended September 30, 2001 and 2000, their changes in stockholders' equity for the nine months ended September 30, 2001 and their cash flows for the nine months ended September 30, 2001 and 2000. Sel-Leb and Ales are referred to together herein as the "Company." Information included in the condensed consolidated balance sheet as of December 31, 2000 has been derived from the audited consolidated balance sheet included in the Company's Form

## Edgar Filing: SEL-LEB MARKETING INC - Form 10QSB

10-KSB for the year ended December 31, 2000 (the "10-KSB") previously filed with the Securities and Exchange Commission (the "SEC"). Pursuant to rules and regulations of the SEC, certain information and disclosures normally included in financial statements prepared in accordance with accounting principles generally accepted in the United States of America have been condensed or omitted from these consolidated financial statements unless significant changes have taken place since the end of the most recent fiscal year. Accordingly, these unaudited condensed consolidated financial statements should be read in conjunction with the consolidated financial statements, notes to consolidated financial statements and the other information in the 10-KSB.

The consolidated results of operations for the nine and three months ended September 30, 2001 are not necessarily indicative of the results to be expected for the full year ending December 31, 2001.

### Note 2 - Earnings (loss) per share:

As further explained in Note 1 in the 10-KSB, the Company has adopted the provisions of Statement of Financial Accounting Standards No. 128, "Earnings per Share" ("FAS 128"), which require the presentation of "basic" earnings (loss) per common share and, if appropriate, "diluted" earnings per common share. Basic earnings (loss) per share is calculated by dividing net income (loss) by the weighted average number of common shares outstanding during each period. The calculation of diluted earnings per share is similar to that of basic earnings per share, except that the denominator is increased to include the number of additional common shares that would have been outstanding if all potentially dilutive common shares, such as those issuable upon the exercise of stock options and warrants, were issued during the period.

### Note 2 - Earnings (loss) per share (concluded):

In computing diluted earnings per share for the nine and three months ended September 30, 2001 and 2000, the assumed exercise of all of the Company's outstanding stock options and warrants, adjusted for the application of the treasury stock method, would have increased the weighted average number of common shares outstanding as shown in the table below:

Basic weighted average shares outstanding	2,261,018	2,261,018	2,261,018

## Note 3 - Note payable under revolving line of credit:

As further explained in Note 3 in the 10-KSB, during December 1998, the Company entered into a loan agreement pursuant to which Merrill Lynch Business Financial Services, Inc. ("Merrill Lynch") is providing the Company with a credit facility (the "Facility"). The Facility consists of a revolving line of credit for borrowings against the Company's eligible accounts receivable and inventories and three term loans (see Note 4 in the 10-KSB). As of September 30, 2001, the maximum amount the Company could borrow under the line of credit was \$4,150,000 through October 31, 2001. Borrowings under the revolving line of credit, bear interest which is payable monthly, and totaled \$3,958,836 at September 30, 2001. Based on amendments to the loan agreement, on October 31, 2001 the revolving line of credit was extended to October 31, 2002, with maximum borrowings reduced to \$3,800,000, and interest, payable monthly, at 2.75% above the 30 day London Interbank Offering Rate. Outstanding borrowings under the Facility are secured by substantially all of the Company's assets.

## Note 4 - Stock options and warrants:

The Cosmetics segment is comprised of the acquisition, sale and distribution of all other products, including "celebrity endorsed" and "tie-in" cosmetics and health and beauty aid products and designer and all other fragrances.

The following discussion and analysis of the Company's results of operations, liquidity and financial condition should be read in conjunction with the Condensed Consolidated Financial Statements of the Company and related notes thereto. This Quarterly Report on Form 10-QSB contains certain forward-looking statements, including statements concerning the adequacy of the Company's sources of cash to finance its current and future operations. Actual results could differ materially from those projected in the forward-looking statements due to a number of factors, including but not limited to general trends in the retail industry (both general as well as electronic outlets), the ability of the Company to extend its financing arrangements (or obtain satisfactory alternative financing) on favorable terms, or at all beyond the term of the recently renewed operating line of credit, the ability of the Company to successfully implement its expansion plans, consumer acceptance of any products developed and sold by the Company, the ability of the Company to develop its "celebrity" product business, the ability of the Company to sell its specially purchased merchandise at favorable prices, on a timely basis or at all, and other factors set forth herein or in reports and other documents filed by the Company with the SEC. In addition, quarterly results in the Company's two business segments do not necessarily indicate trends in the Company's overall business operations, due to the timing of special purchases, special sales and large sales to any one particular customer.

The Company has two principal business segments (see Note 6 to the Company's Condensed Consolidated Financial Statements - Unaudited) - Opportunity and Cosmetics.

- (A) The "Opportunity" segment of our business is comprised of the acquisition, sale and distribution of name-brand and off-brand products which are purchased from either manufacturers, wholesalers, or retailers as a result of close-outs, overstocks and/or change-of-packaging of name-brand items. The net decrease in sales in this segment of our business, was approximately \$299,000, and

10

resulted primarily from management's continuing, conscious decisions to restrict sales to companies that management feels may pose severe credit risks. This was partially offset by the introduction during the second quarter of 2000 of a line of specially purchased merchandise, which increased this segment's overall sales during the first quarter of 2001, and the introduction of another, newly developed line of products, introduced during the third quarter of 2001.

- (B) The "Cosmetic" segment of our business is comprised of the acquisition, sale and distribution of all other products, including "celebrity endorsed" and "tie-in" cosmetics and health and beauty aid products and designer and all other fragrances. Sales of certain components of this segment increased as a result of increased sales in the electronic media portion of the business, as well as the successful continued introduction of new products and development of new customers. However, this increase did not offset the reduction in sales compared to the same period last year for a specialty fragrance line, which was completely sold out during the year 2000, which, in the first nine months of 2000, had sales of approximately \$ 1,400,000
- (C) Cost of sales for the "Opportunity" segment of our business decreased from approximately 67% of sales in 2000 to 60% of sales in 2001. This decrease resulted primarily from significantly higher margins on the sale of a line of specially purchased merchandise, which was introduced during the second quarter of 2000, further improved by the introduction during the third quarter of 2001 of a newly developed line of products which yield significantly higher margins.
- (D) Cost of sales for the "Cosmetic" segment of our business was approximately 77% of sales for the nine months ended September 30, 2000 as compared to 78% for the nine months ended September 30, 2001. The decrease of approximately \$255,000 resulted primarily from lower sales.
- (E) Selling, general and administrative expenses consist principally of payroll, rent, commissions, royalties, insurance, professional fees, and travel and promotional expenses. The increase during the nine months ended September 30, 2001 versus the nine months ended September 30, 2000 is primarily the result of higher costs due to more sales being made through

# Edgar Filing: SEL-LEB MARKETING INC - Form 10QSB

outside sales agencies and the electronic media, which have higher associated selling expenses.

- (F) Other income represents proceeds from the settlement of a legal action brought against one of the Company's licensors for an alleged breach of contract.
- (G) The decrease in interest expense during the nine month period ended September 30, 2001 versus the nine month period ended September 30, 2000 results primarily from lowered overall borrowings and reductions in the borrowing.

- (A) The net increase in sales of the Opportunity segment of our business was approximately \$21,000.
- (B) The net sales of the Cosmetics segment decreased as a result of lower cosmetics sales, partially offset by increases in the electronic media segment.
- (C) Cost of sales for the "Opportunity" segment of our business decreased from approximately 62% of sales in 2000 to 56% of sales in 2001. This decrease resulted primarily from significantly higher profit margins on continuing sales of specially purchased merchandise, and, sales of newly developed products introduced during the third quarter of 2001, which also yield high profit margins.
- (D) Cost of sales for the "Cosmetic" segment of our business was approximately 71% of sales for the three months ended September 30, 2000 as compared to 75% for the three months ended September 30, 2001. The decrease in margins for this segment resulted primarily from the Company's decision to provide sales at lower margins to customers with whom the Company is hopeful of doing significant business in the future. This decrease was partially offset by increased sales in the electronic media portion of our business, which generally yields a higher gross profit margin.
- (E) The decrease in selling, general and administrative expenses during the three months ended September 30, 2001 versus the three months ended September 30, 2000 is primarily the result of managements continuing efforts at monitoring and controlling these costs.
- (F) The decrease in interest expense during the three month period ended September 30, 2001 versus the three month period ended September 30, 2000 results primarily from lower overall borrowings coupled with significant reductions in the borrowing rate.

### Liquidity and Capital Resources

At September 30, 2001 we had working capital of approximately \$9,158,000 including cash and cash equivalents of approximately \$73,000. Cash and cash equivalents decreased during the nine months ended September 30, 2001 from approximately \$214,000 to \$73,000 as more fully discussed below.

During the nine months ended September 30, 2001 we used approximately \$58,000 of cash in our operations, primarily to increase inventory by approximately \$188,000, in order to meet anticipated sales demands. The increase in accounts receivable of approximately \$2,511,000 was funded by operating profits of approximately \$667,000 and increases in accounts payable, accrued expenses and other liabilities of approximately \$1,851,000.

In addition, during the nine months ended September 30, 2001 we used approximately \$89,000 in our financing activities, primarily in a net repayment of our debt.

## Edgar Filing: SEL-LEB MARKETING INC - Form 10QSB

Our cash and cash equivalent position of approximately \$73,000 at September 30, 2001 result primarily from various financing activities. In December, 1998 we entered into a credit facility ("Facility") with Merrill Lynch Business Financial Services, Inc. ("Merrill Lynch"), as more fully described in Notes 3 and 4 to the annual report which has been previously filed on Form 10-KSB, and in Note 3 of the Condensed Consolidated Financial Statements at September 30, 2001. At September 30, 2001, the credit facility provided for the following:

- 1) A revolving line of credit with maximum borrowings of \$4,150,000 against the Company's eligible accounts receivable and inventories through October 31, 2001. At September 30, 2001 we had \$3,958,836 outstanding under the revolving line of credit, representing a net increase in our borrowings under the revolving line of credit of \$554,331 from December 31, 2000.
- 2) A \$900,000 term loan originated in December 1998 payable in monthly installments of \$10,714 plus interest through January 2006. This term loan had an outstanding balance of \$546,427 as of September 30, 2001.
- 3) A \$500,000 term loan originated in October 1999 payable in monthly installments of \$8,333 plus interest through November 2004. This term loan had an outstanding balance of \$316,669 as of September 30, 2001.
- 4) A \$600,000 term loan originated in December 2000 payable in monthly installments of \$50,000 plus interest through December 2001. This term loan had an outstanding balance of \$150,000 as of September 30, 2001.

Each of the aforementioned term loans with Merrill Lynch require interest to be paid monthly at 2.65% above the 30-day commercial paper rate (an effective rate of 5.32% at September 30, 2001).

Effective October 31, 2001, the Company obtained an extension of its revolving line of credit through October 31, 2002. The maximum borrowing under the renewed line of credit is \$3,800,000, with interest to be paid monthly at the rate of 2.75% above the 30 day London Interbank Offering Rate.

In addition to the Merrill Lynch credit facility, on September 26, 1997 the Paterson Restoration Corporation provided us with a \$100,000 term loan, which bears interest at 6% and provides for monthly installments in the amount of \$1,461 through October 1, 2004. On December 28, 1999 the Paterson Restoration Corporation provided us with an additional \$100,000 term loan, which bears interest at 6% and provides for monthly installments of \$1,461 through January 1, 2007. As of September 30, 2001 \$49,324 and \$79,895 were outstanding under the 1997 loan and the 1999 loan, respectively.

Pursuant to the terms of the term loans, we made principal payments of \$645,941 during the nine months ended September 30, 2001.

As of November 13, 2001, the outstanding balance under the revolving line of credit was \$3,432,424 and under the term loans, including the Paterson Restoration Corporation was \$999,657.

The Company anticipates that its working capital, together with anticipated cash flow from the Company's operations, will be sufficient to satisfy the Company's cash requirements for at least twelve months. In the event the Company's plans change, due to unanticipated expenses or difficulties or otherwise, or if the working capital and projected cash flow otherwise are insufficient to fund operations, the Company could be required to seek financing sooner than currently anticipated. Except for the renewed Facility, which expires on October 31, 2002, and the term loans under the Facility, the Company has no current arrangements with respect to, or sources of, financing. Accordingly, there can be no assurance that financing will be available to the Company when needed, on

commercially reasonable terms, or at all. The Company's inability to obtain adequate financing when needed could have a material adverse effect on the Company. In addition, any equity financing obtained by the Company could involve substantial dilution to the interests of the Company's stockholders.

Capitalized terms used herein and not defined herein shall have the meaning set forth in the Loan Documents.

Subject to the terms hereof, effective as of the "Effective Date" (as defined below), the Loan Documents are hereby amended as follows:

(a) The "Maturity Date" of the WCMA Line of Credit is hereby extended to October 31, 2002.

(b) The term "Maximum WCMA Line of Credit" shall mean an amount equal to the lesser of: (A) 80% of Customer's domestic Accounts and Chattel Paper, as shown on its regular books and records (excluding Accounts over 90 days old, Chattel Paper with installments or other sums more than 90 days past due, and Accounts and Chattel Paper directly or indirectly due from any person or entity not domiciled in the continental United States, Alaska or Hawaii, or from any shareholder, officer or employee of Customer or any affiliated entity) plus 50% of Customer's Inventory, as shown on its regular books and records, up to a maximum of \$2,750,000.00, and LESS the aggregate outstanding balance of Customer's Term Loan Nos. 9811551601, 9911550701, and 0012552001, or (B) \$3,800,000.00.

(c) The term "Interest Rate" shall mean a variable per annum rate of interest equal to the sum of 2.75% and the One-Month LIBOR. "One-Month LIBOR" shall mean, as of the date of any determination, the interest rate then most recently published in the "Money Rates" section of THE WALL STREET JOURNAL as the one-month London Interbank Offered Rate. The Interest Rate will change as of the date of publication in THE WALL STREET JOURNAL of a One-Month LIBOR that is different from that published on the preceding Business Day. In the event that THE WALL STREET JOURNAL shall, for any reason, fail or cease to publish the One-Month LIBOR, MLBFS will choose a reasonably comparable index or source to use as the basis for the Interest Rate.

(d) The "Line Fee" for the period ending October 31, 2002, shall be \$38,000.00. Customer hereby authorizes and directs MLBFS to charge said amount to WCMA Account No. 885-07E38 on or at any time after the Effective Date

Except as expressly amended hereby, the Loan Documents shall continue in full force and effect upon all of their terms and conditions.

By its execution of this Letter Agreement, the below-named Guarantor hereby consents to the foregoing modifications to the Loan Documents, and hereby agrees that the "Obligations" under its Unconditional Guaranty and/or agreements providing collateral shall extend to and include the Obligations of Customer under the Loan Documents, as amended hereby.

The obligations of MLBFS under this Letter Agreement are subject to its receipt (where applicable) and satisfaction with the following:

- (1) 09/30/01 Accounts Receivable Aging and Inventory Report; and
- (2) 10/31/01 Accounts Receivable Aging and Inventory Report, if Effective Date is after 11/15/01.

Provided that no Event of Default, or event which with the giving of notice, passage of time, or both, would constitute an Event of Default, shall then have occurred and be continuing under the terms of the Loan Documents, and each of the conditions specified above shall have been met to our satisfaction, the amendments and agreements in this Letter Agreement will become effective on the date (the "Effective Date") upon which: (a) Customer and the Guarantor shall have executed and returned the duplicate copy of this Letter Agreement enclosed herewith; and (b) an officer of MLBFS shall have reviewed and approved this Letter Agreement as being consistent in all respects with the original internal authorization hereof.

Notwithstanding the foregoing, if Customer and the Guarantor do not execute and return the duplicate copy of this Letter Agreement within 14 days from the date hereof, or if for any other reason (other than the sole fault of MLBFS) the Effective Date shall not occur within said 14-day period, then all of said amendments and agreements will, at the sole option of MLBFS, be void.
