Item 5. Other Events. During its publicly announced conference call with shareholders and other interested parties held on December 18, 2001, Medix Resources, Inc. announced that its business plan indicated that the following financial goals could be attained provided adequate financing is available to fund the deployment of the Cymedix product suite to physicians and physicians adopt and use the technology according to the plan's assumptions:

2002 - Revenue - \$3.6MM; \$10.6MM Loss  
2003 - Revenue - \$41.4MM; \$19.2MM Net Income  
2004 - Revenue - \$142.2MM; \$93.5MM Net Income

Adoption Assumptions

12,000 physicians per market, 2 markets rolled out per year

In addition the company reiterated its previous announcement to introduce its new product suite, Cymedix III during the first quarter of 2002.

The next conference call will be held on March 19, 2002.

Information herein contains forward-looking statements that involve risks and uncertainties that might adversely affect the Company's operating results in the future to a material degree. Such risks and uncertainties include, without limitation, the ability of the Company to raise capital to finance the development of its software products, the effectiveness and the marketability of those products, the ability of the Company to protect its proprietary information, and the establishment of an efficient corporate operating structure as the Company grows. These and other risks and uncertainties are presented in detail in the Company's Form 10-KSB for 2000, and its Form 10-Q for the third quarter of 2001, which were filed with the Securities and Exchange Commission. This information is available from the SEC or the Company
