Notice to the Market

COSAN S.A. INDÚSTRIA E COMÉRCIO (Bovespa: CSAN3) ("COSAN"), pursuant to CVM Instruction 358, of January 3, 2002, hereby announces the constitution of its subsidiary Radar Propriedades Agrícolas S.A. ("RADAR"), whose corporate purpose is to identify and acquire rural properties with high appreciation potential for subsequent leasing and/or sale.

Over the last decade COSAN has developed a technical center specialized in evaluating the agricultural potential of rural properties through the use of internally designed tools, including georeferencing and agricultural and weather modeling, enabling a rapid and precise evaluation of arable land for crops, including sugarcane.

This excellence center will be made available to RADAR through a service agreement under market conditions. COSAN will have preference rights regarding the leasing of sites owned by RADAR, also under market conditions. RADAR's management will be independent, with dedicated and exclusive professionals.

COSAN will retain approximately 18.9% of RADAR's capital, with the remaining 81.1% being divided among other investors. COSAN will initially invest US\$35,000,000.00 and the other investors, US\$150,000,000.00. A second investment is expected within the next two years. According to the shareholders' agreement executed on this date, COSAN will retain the majority of votes on RADAR's Board of Directors, thereby retaining control of the company. In addition, COSAN has a 10-year option to subscribe 20% of RADAR's capital stock for the same amount as the initial capitalization.
