This Amendment No. 2 (this Amendment) amends and supplements the Tender Offer Statement on Schedule TO filed with the Securities and Exchange Commission (the SEC) on October 28, 2009, by Ireland Acquisition Corporation, a Delaware corporation (the Offeror) and a wholly-owned subsidiary of Sprint Nextel Corporation, a Kansas corporation (Sprint Nextel), and Sprint Nextel, as amended by Amendment No. 1 filed with the SEC by the Offeror and Sprint Nextel on November 13, 2009 (as so amended, the Schedule TO). The Schedule TO relates to the offer by the Offeror to purchase all of the outstanding shares of common stock, par value \$0.01 per share (Shares), of iPCS, Inc., a Delaware corporation (the Company), for \$24.00 per share, net to the seller in cash, less any required withholding taxes and without interest, upon the terms and conditions set forth in the Offer to Purchase, dated October 28, 2009 (the Offer to Purchase), a copy of which is attached to the Schedule TO as Exhibit (a)(1)(A), and in the related Letter of Transmittal, a copy of which is attached to the Schedule TO as Exhibit (a)(1)(B) (which, together with the Offer to Purchase, as amended from time to time, constitute the Offer). This Amendment is being filed on behalf of the Offeror and Sprint Nextel.

**Item 5. Past Contacts, Transactions, Negotiations and Agreements.**

**Item 11. Additional Information.**

The information set forth in Items 5(b) and 11(a)(1) of the Schedule TO and in the section entitled 7. Certain Information Concerning the Company Certain Projected Financial Data of the Company of the Offer to Purchase is hereby amended and supplemented by adding the following to the end of each of Items 5(b) and 11(a)(1) of the Schedule TO and at the end of such section of the Offer to Purchase:

The information set forth in the table provides readers financial measures calculated using generally accepted accounting principles (GAAP) and other measures which are derived from GAAP (Non-GAAP Financial Measures). These Non-GAAP Financial Measures reflect conventions or standard measures of liquidity, profitability or performance commonly used by the investment community in the telecommunications industry for comparability purposes. These Non-GAAP Financial Measures are a supplement to GAAP financial measures and should not be considered as an alternative to, or more meaningful than, GAAP financial measures. The Non-GAAP Financial Measures included in the table are the following:

Adjusted EBITDA represents earnings before interest, taxes, and depreciation and amortization as adjusted for stock-based compensation expense, gain or loss on the disposal of property and equipment, and expenses associated with the Company's litigation with Sprint Nextel and gain on settlements related to the Company's litigation with Sprint Nextel. The Offeror and Sprint Nextel believe that Adjusted EBITDA provides useful information to investors because it is an indicator of the strength and performance of the Company's

ongoing business operations, including its ability to fund discretionary spending such as capital expenditures and other investments and its ability to incur and service debt. While depreciation and amortization are considered operating costs under GAAP, these expenses primarily represent non-cash current period costs associated with the use of long-lived tangible and intangible assets. Adjusted EBITDA, which excludes extraordinary items, is commonly used as a basis for investors, analysts and credit rating agencies to evaluate and compare the periodic and future operating performance and value of companies within the telecommunications industry.

Free Cash Flow represents the net cash flows provided by operating activities less the net cash flows used in investing activities during the relevant period. The Offeror and Sprint Nextel believe that Free Cash Flow provides useful information to investors, analysts and the respective management of the Offeror and Sprint Nextel about the cash generated by core operations after interest and the ability to fund scheduled debt maturities and other financing activities, including discretionary refinancing and retirement of debt and purchase or sale of investments.

Set forth below are reconciliations of Adjusted EBITDA and Free Cash Flow to the most comparable GAAP financial measures based on the projected financial data provided by the Company to Sprint Nextel (totals may not add due to rounding):
