SOLICITATION AND REVOCABILITY OF PROXIES

This Proxy Statement is furnished in connection with the solicitation of Proxies by the Board of Directors of Rocky Mountain Chocolate Factory, Inc. (the Company) for use only at the Annual Meeting of the Company's shareholders to be held at the time and place and for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders.

Each shareholder, even though he or she now plans to attend the meeting, is requested to promptly submit his or her Proxy and voting instructions as soon as possible. Any shareholder present at the meeting may withdraw his or her Proxy and vote personally on each matter brought before the meeting.

A Notice of Internet Availability of Proxy Materials, which includes instructions about how to access this proxy statement, our 2010 Annual Report to Shareholders and the proxy card, is first being sent out on or about July 9, 2010. A person giving his or her Proxy has the power to revoke it at any time before it is exercised by (1) delivering written notice of revocation to the Secretary of the Company (2) duly executing and delivering a Proxy for the Annual Meeting bearing a later date or (3) voting in person at the Annual Meeting.

The Company will bear the cost of this solicitation of Proxies, including the charges and expenses of brokerage firms and others for forwarding solicitation materials to beneficial owners of the Company's Common Stock, par value \$0.03 per share (the Common Stock). In addition, the Company's officers, directors and other regular employees, without additional compensation, may solicit Proxies by mail, email, personal interview, telephone or telegraph.

VOTING SECURITIES

The close of business on July 1, 2010 has been fixed as the record date for the determination of holders of record of the Common Stock entitled to notice of and to vote at the Annual Meeting. On the record date, approximately 6,030,938 shares of the Common Stock were outstanding and eligible to be voted at the Annual Meeting.

For each share of Common Stock held on the record date, a shareholder is entitled to one vote on all matters to be voted on at the Annual Meeting, except the election of directors.

Shareholders have cumulative voting rights in the election of directors, and there is no condition precedent to the exercise of those rights. Under cumulative voting, each shareholder is entitled to as many votes as shall equal the number of his or her shares multiplied by six, the number of directors to be elected, and he or she may cast all of those votes for a single nominee or divide them among any two or more nominees as he or she sees fit. It is the intention of the Proxy holders to exercise voting rights in order to elect the maximum number of nominees named below. An instruction on the Proxy to withhold authority to vote for any nominee will be deemed an authorization to vote cumulatively for the remaining nominees, unless otherwise indicated.

With respect to the proposal for ratification of the appointment of Ehrhardt Keefe Steiner & Hottman PC as the Company's independent registered public accounting firm, shareholders may vote FOR, AGAINST or ABSTAIN. If you vote your shares without providing specific instructions regarding this proposal, your shares will be voted FOR this proposal.

Important Notice Regarding the Availability of Proxy Materials for the Shareholder Meeting to be held on August 18, 2010.

The proxy statement and the Company's annual report on form 10-K are available on the internet at www.edocumentview.com/RMCF.

VOTING PROCEDURES

The vote required for the election of directors is a plurality of the shares of Common Stock present or represented by proxy at the meeting and entitled to vote thereon, provided a quorum is present. The vote required for the ratification of the appointment of Ehrhardt Keefe Steiner & Hottman PC as the Company's independent registered public accounting firm, and the approval of any other

Table of Contents

item to be acted upon at the Annual Meeting, is the affirmative vote of a majority of the shares entitled to vote on the matter and present or represented by proxy at the meeting, provided a quorum is present. A quorum is established by the presence or representation at the Annual Meeting of the holders of a majority of the Company's voting shares. Brokers who hold shares in street name have discretionary authority to vote on certain routine items even if they have not received instructions from the persons entitled to vote such shares. However, brokers do not have authority to vote on nonroutine items without such instructions. Such broker non-votes (shares held by brokers or nominees as to which they have no discretionary power to vote on a particular matter and have received no instructions from the persons entitled to vote such shares) are counted as present and entitled to vote for purposes of determining whether a quorum is present but are not considered entitled to vote on any nonroutine matter to be acted upon. For matters requiring the affirmative vote of a plurality of the shares of Common Stock present or represented at the Annual Meeting, such as Proposal 1, broker non-votes would have no effect on the outcome of the vote. For matters requiring the affirmative vote of a majority of the shares of Common Stock present or represented at the Annual Meeting and entitled to vote, broker non-votes would not be counted as among the shares entitled to vote with respect to such matters. Thus, the effect of any broker non-votes with respect to such matters would be to reduce the number of affirmative votes required to approve the proposals and the number of negative votes required to block such approval.

Shareholders are not entitled to any rights of appraisal or similar dissenters' rights with respect to any matter to be acted upon at the Annual Meeting, because, pursuant to Colorado law, the matters to be acted upon do not give rise to any such dissenters' rights.

Shareholders may vote their proxy on the internet at www.investorvote.com/rmcf.

Involvement in Certain Legal Proceedings

On March 29, 1994, a class action was filed in the Circuit Court for the 21st Judicial District, Centerville, Hickman County, Tennessee against National Development Company, Inc. and Sunstates Corporation for breach of contract by a class of purchasers of real property in a recreational development developed and marketed by National Development Company, Inc. The plaintiffs brought the class action to recover for the diminution in value of their properties caused by the failure of National Development Corporation to complete the primary lake in the development. On January 19, 1999, Mr. Engle was added as a defendant to the class action, alleging that Mr. Engle operated the two defendant corporations as his alter ego. On January 24, 2000, the court found defendant National Development Company, Inc. liable for over \$2.5 million to the plaintiffs for the diminution in value of their real property based on a failure to build an adjacent lake as promised. On August 30, 2005, a judgment was entered against Mr. Engle, personally, for the amount of the original judgment plus statutory interest.

In a related case filed on October 29, 2007, in the Circuit Court for the Second Circuit, State of Hawaii, plaintiffs pursued a class action against Mr. Engle and others, to set aside fraudulent transfers, for declaratory and injunctive relief and for damages. In that complaint, the plaintiffs claimed they were unable to collect on the Tennessee judgment and alleged that Mr. Engle engaged in a scheme to aggressively and fraudulently transfer assets and earnings to his wife to hinder, delay and defraud his creditors. Following a trial, a jury verdict was entered against Mr. Engle on March 3, 2010, whereby he was found to have fraudulently transferred shares of stock valued at \$10,768,450, and the jury awarded punitive damages to the plaintiffs of \$43,073,800. Post-trial motions are continuing in this case as of the date of this Proxy Statement.

AUDIT COMMITTEE REPORT

Management is responsible for the Company's internal controls and the financial reporting process. The independent registered public accounting firm is responsible for performing an independent audit of the Company's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes. It is not our duty or our responsibility to conduct auditing or accounting reviews or procedures. We are not employees of the Company and we may not be, and we may not represent ourselves to be, or to serve as, accountants or auditors by profession or experts in the fields of accounting or auditing. Therefore, we have relied, without independent verification, on management's representation that the financial statements have been prepared with integrity and objectivity and in conformity with accounting principles generally accepted in the United States of America, and on the representations of the independent registered public accounting firm included in the report on the Company's financial statements. Our oversight does not provide us with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies, or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, our considerations and discussions with management and the independent registered public accounting firm do not assure that the Company's financial statements are presented in accordance with generally accepted accounting principles, that the audit of the Company's financial statements has been carried out in accordance with the standards of the Public Company Oversight Board (United States) or that the Company's independent registered public

accounting firm is in fact independent.

In this context, the Audit Committee has met and held discussions separately with management and the independent registered public accounting firm. Management represented to the Audit Committee that the Company's audited financial statements were prepared in accordance with accounting principles generally accepted in the United States of America, and the Audit Committee

has reviewed and discussed the audited financial statements with management and the independent registered public accounting firm. The Audit Committee discussed with the independent registered public accounting firm matters required to be discussed by the Statement on Auditing Standards No. 61, *Communication with Audit Committees*, as adopted by the Public Company Accounting Oversight Board (the "PCOAB") in Rule 3200T.

The Company's independent registered public accounting firm also provided to the Audit Committee the written disclosure required by the PCAOB regarding the independent accounting firm's communications with the Audit Committee concerning independence. The Audit Committee discussed with the independent registered public accounting firm that firm's independence and considered whether the non-audit services provided by the independent registered public accounting firm are compatible with maintaining its independence.

Based on the Audit Committee's discussion with management and the independent registered public accounting firm, and the Audit Committee's review of the representation of management and the report of the independent registered public accounting firm to the Audit Committee, the Audit Committee recommended that the Board of Directors include the audited financial statements in the Company's Annual Report on Form 10-K for the year ended February 28, 2010 filed with the Securities and Exchange Commission.

(2) Represents the grant date fair value for restricted stock unit awards granted during fiscal 2010 computed in accordance with the requirements of FASB ASC Topic 718, excluding any expected forfeiture rate.

A summary of the assumptions we applied in calculating these amounts is set forth in the Notes to Financial Statements included in our Annual Report on Form 10-K for the fiscal years.

The following narrative discusses material information necessary to understand the information in the tables above. **Bonus and Stock Awards.** The Compensation Committee, upon recommendation from our Chief Executive Officer, approved discretionary bonus payments for our named executive officers to reward them for their hard work to preserve the progress that the Company had made towards its financial and strategic goals and to prepare the Company for continued growth. These bonuses for fiscal 2010 performance were paid as a combination of cash and restricted stock units, with the specific allocation between cash and restricted stock units negotiated with each named executive officer. The amounts reflected in the **Stock Awards** and **Bonus** columns of the Summary Compensation Table and in the **Grants of Plan-Based Awards Table** reflect these bonus payments.

Benefits. Our named executive officers generally receive health and welfare benefits under the same programs and subject to the same terms and conditions as our other salaried employees. Other elements of compensation for the Company's named executive officers are participation in company-wide life insurance, long-term disability insurance, medical benefits and the ability to defer compensation pursuant to a 401(k) plan. The named executive officers also receive matching contributions by the Company under the Company's 401(k) plan at a rate of 25% to 50% of 6% of base salary, which is the same benefit available to all salaried employees.

Potential Payments on Termination or Change in Control

We have arrangements with each of our named executive officers providing for post-employment payments under certain conditions, as described below.

Employment Agreements. The Company has entered into employment agreements with certain executives of the Company which contain, among other things, change in control severance provisions. Specifically, the Company has entered into employment agreements with Franklin E. Crail, Edward L. Dudley, Jay B. Haws and Bryan J. Merryman. The employment agreements generally provide that, if the Company terminates the executive's employment under circumstances constituting a triggering termination, the executive will be entitled to receive, among other benefits, 2.99 times the sum of (i) the executive's annual salary and (ii) the lesser of (a) two times the bonus that would be payable to the executive for the bonus period in which the change in control occurred and (b) 25% of the executive's annual salary. The executive will also receive an additional payment of \$16,200, which represents the estimated cost to the executive of obtaining accident, health, dental, disability and life insurance coverage for the 18-month period following the expiration of COBRA coverage.

A change in control, as used in these employment agreements, generally means a change in the control of the Company following (1) a person acquiring direct or indirect beneficial ownership of 20% or more of the Company's then outstanding voting securities, without the prior approval of two-thirds of the Board of Directors, (2) a merger or other consolidation transaction in which the Company's Board of Directors prior to the transaction constitutes less than a majority of the Company's Board of Directors after the transaction or (3) the members of the Company's Board of Directors during any consecutive two-year period ceasing to be the majority of the Board of Directors at the conclusion of that period. A triggering termination generally occurs when an executive is terminated during a specified period preceding a change in control of the Company, or if the executive or the Company terminates the executive's employment under circumstances constituting a triggering termination during a specified period after a change in control. A triggering termination also includes a voluntary termination by the executive within five business days before an anticipated change in control with the concurrence of two concurring persons (either the Chairman of the Board of Directors or a member of the Company's Compensation Committee) that the change in control is likely to occur during such five-business day period. In such event, the executive must agree to continue to work on an at-will basis, without compensation, until the change in control occurs. If the change in control does not occur within ten business days, the executive must refund the severance payment to the Company.

2007 Equity Compensation Plan. The 2007 Equity Incentive Plan provides that in the event of a company transaction in which all of the named executive officer's unvested restricted stock units are not converted, assumed or replaced by the successor company, such restricted stock units will immediately vest and become payable immediately prior to the company transaction. In addition, in the event of a change in control, all of the named executive officer's unvested restricted stock units will immediately vest and become payable.

Assuming the applicable triggering event took place on February 28, 2010, the named executive officers would have been eligible for payments set forth in the following table. These payments are estimates. If a specific triggering event had actually occurred, the named executive officer would only receive the payments that applied to that specific triggering event. These payments would come from us if the triggering event occurred before a change in control and from the successor company if after a change in control.

Name of Executive Officer	Change in Control Severance Payment (\$)(1)	Payment for Insurance Coverage (\$)	RSU Acceleration (2)

Gregory L. Pope Senior Vice President Franchise Development			\$132,541
Jay B. Haws Vice President Creative Services	\$590,525	\$16,200	\$124,342

(1) These amounts are based on 2.99 times 125% of each executive's salary in place during fiscal year 2010.

(2) Assumes that the intrinsic value per share is \$8.54 per share, the closing price of the common stock on February 26, 2010, the last business day of our fiscal year.

DIRECTOR COMPENSATION

Directors of the Company do not receive any compensation for serving on the Board. Compensation committee members are paid quarterly, \$750 each for committee members and \$1,500 for the committee chairman. Audit committee members are paid quarterly, \$500 each for committee members and \$1,500 for the committee chairman. Additionally, audit committee members receive \$250 for each meeting held by phone and \$500 for each meeting held in person. Also, an audit committee member attending all of the audit meetings for any fiscal year will receive a \$1,000 bonus for that year. Directors who are not also officers or employees of the Company are entitled to receive stock awards under the 2007 Plan.

Formerly, the 2000 Director's Plan provided for automatic grants of nonqualified stock options to directors of the Company who are not also employees or officers of the Company. The 2000 Director's Plan provided that, during the term of the 2000 Director's Plan, options were granted automatically to new nonemployee directors upon their election. Each such option permitted the nonemployee director to purchase 32,340 shares of Common Stock at an exercise price equal to the fair market value of the Common Stock on the date of grant of the option. Each year following adoption of the 2000 Director's Plan, on a date established by the Compensation Committee, during the term of the 2000 Director's Plan, options to purchase 3,234 shares of Common Stock were granted automatically to each nonemployee director, if any, who is serving the Company as a director on such date. On August 17, 2007 shareholders approved the Company's 2007 Equity Incentive Plan which replaced all outstanding equity plans, including the 2000 Director's Plan. The 2007 Plan does not provide for automatic grants of nonqualified stock options to directors of the Company who are not also employees or officers of the Company. Each year following adoption of the 2007 Plan the Compensation Committee, in its administration of the Plan, will make a determination if any awards to nonemployee directors, including awards to nonemployee directors upon their election, are to be made. On March 22, 2010 the compensation committee approved the issuance of 1,000 shares of unrestricted stock to each nonemployee director.

The Audit Committee is responsible for appointing, setting compensation for and overseeing the work of the independent auditor. The Audit Committee has established a policy regarding pre-approval of all audit and permissible non-audit services to be provided by the independent auditor. Such policy requires that all audit and permissible non-audit services to be provided by the independent auditor must be submitted to the Audit Committee for approval at a meeting of the Audit Committee or by unanimous written consent of the Audit Committee in lieu of a meeting. The Audit Committee has determined that the provision of the services listed above is compatible with maintaining the principal accountant's independence, and has approved the same.
