**PART III - NARRATIVE**

Wipro Limited (the Company) requires additional time to complete the review and processing of its Annual Report on Form 20-F for its fiscal year ended March 31, 2010. The Company could not file its Form 20-F by September 30, 2010, because the Company was unable to finish compiling certain financial and narrative information in order to complete its Form 20-F by the initial filing date.

As the Company disclosed in its Form 6-K dated March 1, 2010, the Company discovered embezzlement by one of its employees during the period from November 2006 to December 2009. In response to the discovery of this embezzlement, the Company, together with its Audit Committee, conducted an investigation to determine, among other things, the materiality of the amounts embezzled and to assess the design and implementation of internal control processes. Based on its review of the facts discovered during its investigation, the Company believes that the amounts embezzled were not material. The Company has since recovered substantially all of the embezzled amounts.

As a result of the investigation of the embezzlement matter, the Audit Committee commenced an investigation, together with its independent counsel and the accountants they engaged, to evaluate certain issues that arose out of that investigation, including the appropriateness of certain accounting entries. The investigation has not yet been completed. After the investigation is completed, the Company will finalize its Annual Report on Form 20-F, including its evaluation of internal controls over financial reporting.

Therefore, the Company is unable to file its Annual Report on Form 20-F until after September 30, 2010. The Company currently expects to file its Annual Report on Form 20-F by November 10, 2010.
