PROXY STATEMENT

for the ANNUAL MEETING OF SHAREHOLDERS

This Proxy Statement is furnished by and on behalf of the board of directors (the Board of Directors or Board) of Starbucks Corporation, a Washington corporation (Starbucks or the Company), in connection with the solicitation of proxies for use at the Annual Meeting of Shareholders of the Company to be held at 10 a.m. (Pacific Time) on Wednesday, February 9, 2005 (the Annual Meeting), at Marion Oliver McCaw Hall (McCaw Hall) at the Seattle Center, located on Mercer Street, between Third and Fourth Avenues, in Seattle, Washington, and at any adjournment thereof. Directions to McCaw Hall and a map are provided on the back cover of this Proxy Statement. This Proxy Statement and the enclosed proxy card will be first mailed on or about January 3, 2005 to the Company's shareholders of record on December 2, 2004 (the Record Date).

A shareholder who delivers an executed proxy pursuant to this solicitation may revoke it at any time before it is exercised by (i) executing and delivering a later dated proxy card to the secretary of the Company prior to the Annual Meeting, (ii) delivering written notice of revocation of the proxy to the secretary of the Company prior to the Annual Meeting, or (iii) attending and voting in person at the Annual Meeting. Attendance at the Annual Meeting, in and of itself, will not constitute a revocation of a proxy. Proxies will be voted as instructed by the shareholder or shareholders granting the proxy. Unless contrary instructions are specified, if the enclosed proxy is executed and returned (and not revoked) prior to the Annual Meeting, the shares of common stock, \$0.001 par value per share (the Common Stock), of the Company represented thereby will be voted: (1) FOR the election of the four director candidates nominated by the Board of Directors; (2) FOR approval of the Starbucks Corporation 2005 Long-Term Equity Incentive Plan, including the reservation of an additional 24,000,000 shares of common stock that may be issued as awards under the plan; (3) FOR the ratification of the selection of Deloitte & Touche LLP as the Company's independent registered public accounting firm for the fiscal year ending October 2, 2005; (4) AGAINST the proposal requiring the Board of Directors to establish a policy and goal of purchasing all or substantially all of the Company's coffee as Fair Trade Certified™ coffee by 2010; and (5) in accordance with the best judgment of the named proxies on any other matters properly brought before the Annual Meeting.

The presence, in person or by proxy, of holders of a majority of the outstanding shares of Common Stock is required to constitute a quorum for the transaction of business at the Annual Meeting. Abstentions and broker non-votes (shares held by a broker or nominee that does not have the authority, either express or discretionary, to vote on a particular matter) are counted for purposes of determining the presence or absence of a quorum for the transaction of business at the Annual Meeting. Under Washington law, if a quorum is present, a nominee for election to a position on the Board of Directors will be elected as a director if the votes cast for the nominee exceed the votes cast against the nominee and exceed the votes cast for any other nominee for that position. If a quorum is present, approval of all other matters that properly come before the meeting requires that the votes cast in favor of such actions exceed the votes cast against such actions. Abstentions and broker non-votes will not be counted either in favor of or against the election of nominees for director or other proposals. Proxies and ballots will be received and tabulated by Mellon Investor Services LLC, the Company's transfer agent and the inspector of elections for the Annual Meeting.

The expense of preparing, printing and mailing this Proxy Statement and the proxies solicited hereby will be borne by the Company. Proxies will be solicited by mail and may also be solicited by directors, officers and other employees of the Company, without additional remuneration, in person or by telephone or facsimile transmission. In addition, the Company has retained The Altman Group, Inc. to act as a proxy solicitor in conjunction with the Annual Meeting. The Company has agreed to pay that firm \$15,000, plus reasonable out

Table of Contents

of pocket expenses, for proxy solicitation services. The Company will also request brokerage firms, banks, nominees, custodians and fiduciaries to forward proxy materials to the beneficial owners of shares of Common Stock as of the Record Date and will reimburse such persons for the cost of forwarding the proxy materials in accordance with customary practice. Your cooperation in promptly voting your shares and submitting your proxy by telephone, the Internet or by completing and returning the enclosed proxy card will help to avoid additional expense.

At the close of business on December 8, 2004, there were 399,976,509 shares of Common Stock outstanding and there were no outstanding shares of any other class of stock. Holders of shares of Common Stock are entitled to cast one vote per share on all matters.

The Company's Director Nominations Process

The Company's Board of Directors has, by resolution of the Board, adopted a Director Nominations Policy (the "Nominations Policy"), which is available at www.starbucks.com/aboutus/corporate_governance.asp. The purpose of the Nominations Policy is to describe the process by which candidates for possible inclusion in the Company's recommended slate of director nominees (the "Candidates") are selected. The Nominations Policy is administered by the Nominating and Corporate Governance Committee (the "Nominating Committee") of the Company.

Minimum Criteria for Board Members

Each Candidate must possess at least the following specific minimum qualifications:

Each Candidate shall be prepared to represent the best interests of all of the Company's shareholders and not just one particular constituency.

Each Candidate shall be an individual who has demonstrated integrity and ethics in his/her personal and professional life and has established a record of professional accomplishment in his/her chosen field.

No Candidate, or family member (as defined in the Marketplace Rules of The Nasdaq Stock Market, Inc. ("Nasdaq")), or affiliate or associate (each as defined in Rule 405 under the Securities Act of 1933, as amended) of a Candidate, shall have any material personal, financial or professional interest in any present or potential competitor of the Company.

Each Candidate shall be prepared to participate fully in Board activities, including active membership on at least one Board committee and attendance at, and active participation in, meetings of the Board and the committee of which he or she is a member, and not have other

Table of Contents

personal or professional commitments that would, in the Nominating Committee's sole judgment, interfere with or limit his or her ability to do so.

Each Candidate shall be willing to make, and financially capable of making, the required investment in the Company's stock in the amount and within the timeframe specified in the Company's Corporate Governance Principles and Practices.

Desirable Qualities and Skills

In addition, the Nominating Committee also considers it desirable that Candidates possess the following qualities or skills:

Each Candidate should contribute to the Board's overall diversity—diversity being broadly construed to mean a variety of opinions, perspectives, personal and professional experiences and backgrounds, such as gender, race and ethnicity differences, as well as other differentiating characteristics.

Each Candidate should contribute positively to the existing chemistry and collaborative culture among Board members.

Each Candidate should possess professional and personal experiences and expertise relevant to the Company's goal of being one of the world's leading consumer brands. At this stage of the Company's development, relevant experiences might include, among other things, large company CEO experience, senior level international experience, senior level multi-unit small box retail or restaurant experience and relevant senior level expertise in one or more of the following areas—finance, accounting, sales and marketing, organizational development, information technology and public relations.

Internal Process for Identifying Candidates

The Nominating Committee has two primary methods for identifying Candidates (other than those proposed by the Company's shareholders, as discussed below). First, on a periodic basis, the Nominating Committee solicits ideas for possible Candidates from a number of sources: members of the Board; senior level Company executives; individuals personally known to the members of the Board; and research, including database and Internet searches.

Second, the Nominating Committee may from time to time use its authority under its charter to retain at the Company's expense one or more search firms to identify Candidates (and to approve such firms' fees and other retention terms). If the Nominating Committee retains one or more search firms, they may be asked to identify possible Candidates who meet the minimum and desired qualifications expressed in the Nominations Policy, to interview and screen such candidates (including conducting appropriate background and reference checks), to act as a liaison among the Board, the Nominating Committee and each Candidate during the screening and evaluation process and thereafter to be available for consultation as needed by the Nominating Committee.

The Nominations Policy divides the process for Candidates proposed by shareholders into the general nomination right of all shareholders and proposals by Qualified Shareholders (as defined below).

General Nomination Right of All Shareholders

Any shareholder of the Company may nominate one or more persons for election as a director of the Company at an annual meeting of shareholders if the shareholder complies with the notice, information and consent provisions contained in the Company's Amended and Restated Bylaws. The Company has an advance notice bylaw provision. In order for the director nomination to be timely, a shareholder's notice to the Company's executive vice president, general counsel and secretary must be delivered to the Company's principal executive offices not less than 120 days prior to the anniversary of the date of the Company's proxy statement released to shareholders in connection with the previous year's annual meeting. In the event that the

Table of Contents

Company sets an annual meeting date that is not within 30 days before or after the anniversary of the date of the immediately preceding annual shareholders meeting, notice by the shareholder must be received no later than the close of business on the tenth day following the day on which notice of the date of the annual meeting was mailed or public disclosure of the date of the annual meeting was made, whichever occurs first. The procedures described in the next paragraph are meant to establish an additional means by which certain shareholders can have access to the Company's process for identifying and evaluating Candidates, and is not meant to replace or limit shareholders' general nomination rights in any way.

Proposals by Qualified Shareholders

In addition to those Candidates identified through its own internal processes, in accordance with the Nominations Policy, the Nominating Committee will evaluate a Candidate proposed by any single shareholder or group of shareholders that has beneficially owned more than 5% of the Common Stock for at least one year (and will hold the required number of shares through the annual shareholders meeting) and that satisfies the notice, information and consent provisions in the Nominations Policy (a Qualified Shareholder). All Candidates (whether identified internally or by a Qualified Shareholder) who, after evaluation, are then recommended by the Nominating Committee and approved by the Board, will be included in the Company's recommended slate of director nominees in its proxy statement.

In order to be considered by the Nominating Committee for an upcoming annual meeting of shareholders, a notice from a Qualified Shareholder regarding a potential Candidate must be received by the Nominating Committee not less than 120 calendar days before the anniversary of the date of the Company's proxy statement released to shareholders in connection with the previous year's annual meeting. If the Company changes its annual meeting date by more than 30 days from year to year, the notice must be received by the Nominating Committee no later than the close of business on the tenth day following the day on which notice of the date of the upcoming annual meeting is publicly disclosed.

Any Candidate proposed by a Qualified Shareholder must be independent of the Qualified Shareholder in all respects as determined by the Nominating Committee or by applicable law. Any Candidate submitted by a Qualified Shareholder must also meet the definition of an independent director under Nasdaq rules.

Evaluation of Candidates

The Nominating Committee will consider all Candidates identified through the processes described above, and will evaluate each of them, including incumbents, based on the same criteria.

If, based on the Nominating Committee's initial evaluation, a Candidate continues to be of interest to the Nominating Committee, the Chair of the Nominating Committee will interview the Candidate and communicate the Chair's evaluation to the other Nominating Committee members, the chairman of the Board and chief global strategist, and the president and chief executive officer. Later reviews will be conducted by other members of the Nominating Committee and senior management. Ultimately, background and reference checks will be conducted and the Nominating Committee will meet to finalize its list of recommended Candidates for the Board's consideration.

Timing of the Identification and Evaluation Process

The Company's fiscal year ends each year on the Sunday closest to September 30. The Nominating Committee usually meets in September and November to consider, among other things, Candidates to be recommended to the Board for inclusion in the Company's recommended slate of director nominees for the next annual meeting and the Company's proxy statement. The Board usually meets each November to vote on, among other things, the slate of director nominees to be submitted to and recommended for election by shareholders at the annual meeting, which is typically held in February or March of the following calendar year.

Table of Contents

Future Revisions to the Nominations Policy

The Nominations Policy is intended to provide a flexible set of guidelines for the effective functioning of the Company's director nominations process. The Nominating Committee intends to review the Nominations Policy at least annually and anticipates that modifications will be necessary from time to time as the Company's needs and circumstances evolve, and as applicable legal or listing standards change. The Nominating Committee may amend the Nominations Policy at any time, in which case the most current version will be available on the Company's web site.

Affirmative Determinations Regarding Director Independence and Other Matters

The Board has determined that each of the following directors is an independent director as such term is defined in Nasdaq Marketplace Rule 4200(a)(15):

Barbara Bass
William W. Bradley
Craig J. Foley
Olden Lee
Gregory B. Maffei
James G. Shennan
Myron E. Ullman, III
Craig E. Weatherup

In this proxy statement the directors who have been affirmatively determined by the Board to be independent directors under this rule are referred to individually as an Independent Director and collectively as the Independent Directors.

The Board of Directors has also determined that each member of the three committees of the Board meets the independence requirements applicable to those committees prescribed by Nasdaq, the Securities and Exchange Commission (SEC) and/or the Internal Revenue Service. The Board of Directors has further determined that Gregory B. Maffei, a member of the Audit and Compliance Committee of the Board of Directors, is an audit committee financial expert as such term is defined in Item 401(h) of Regulation S-K promulgated by the SEC. If elected by shareholders at the Annual Meeting, it is expected that Ms. Hobson will be appointed to the Audit and Compliance Committee of the Board (the Audit Committee).

With the assistance of legal counsel to the Company, the Nominating Committee reviewed the applicable legal standards for Board member and Board committee independence and the criteria applied to determine audit committee financial expert status, as well as the answers to annual questionnaires completed by each of the Independent Directors. On the basis of this review, the Nominating Committee delivered a report to the full Board of Directors and the Board made its independence and audit committee financial expert determinations based upon the Nominating Committee's report and each member's review of the information made available to the Nominating Committee.

Presiding Director

Bi-annually, at the first meeting of the Board following the annual meeting of shareholders, the Independent Directors select from their group an Independent Director to preside at all meetings of the Independent Directors. Mr. Shennan was selected after the 2004 Annual Meeting of Shareholders as Presiding Director. The Independent Directors meet in executive session at each Board meeting.

Compensation of Directors

Only non-employee directors are compensated for serving as directors of the Company. In May 2003, the Board of Directors, on recommendation from the Nominating Committee, adopted new guidelines for the compensation of the Company's non-employee directors. Under these guidelines, for each fiscal year of service non-employee directors receive a retainer of \$100,000 and \$100,000 in equity compensation. Non-employee

Table of Contents

directors may elect to receive the \$100,000 retainer in cash or in the form of deferred stock units under the Starbucks Corporation Directors Deferred Compensation Plan, as amended and restated effective September 29, 2003 (the NED Deferral Plan), or options to acquire Common Stock under the Starbucks Corporation Amended and Restated 1989 Stock Option Plan for Non-Employee Directors (the NED Option Plan). Non-employee directors may elect to receive the \$100,000 in equity compensation in the form of either deferred stock units under the NED Deferral Plan or options granted under the NED Option Plan. Elections regarding the form of compensation to be received for a fiscal year must be made prior to the beginning of the fiscal year, and non-employee directors receive their compensation in accordance with those elections in November.

Upon first joining the Board of Directors, non-employee directors are granted options to acquire 30,000 shares of Common Stock under the NED Option Plan. These options vest in equal annual installments over a three-year period and have an exercise price equal to the fair market value of the Common Stock on the date of grant. New non-employee directors first become eligible to receive the retainer and equity compensation described above in respect of the first full fiscal year after they join the Board of Directors. In accordance with these guidelines, if elected by shareholders at the Annual Meeting, Ms. Hobson will be granted an option to purchase 30,000 shares of the Common Stock and will first be eligible to receive the annual retainer and equity compensation in fiscal 2006.

Non-employee directors may elect to receive all or a portion of their \$100,000 retainer and \$100,000 in equity compensation in the form of options to acquire Common Stock granted under the NED Option Plan. The number of options granted under the NED Option Plan is determined by dividing the dollar amount of compensation elected to be received in that form by the fair market value of the Common Stock on a predetermined date, multiplied by three. These options vest one year after the date of grant and have an exercise price equal to the last quoted price of the Common Stock on the National Market Tier of Nasdaq on the grant date.

Under the NED Deferral Plan, non-employee directors have the option of deferring all or a portion of their \$100,000 retainer and \$100,000 in equity compensation by electing to receive deferred stock units instead. The number of deferred stock units credited to a director's account under the NED Deferral Plan is determined by dividing the amount elected to be deferred by the fair market value of the Common Stock on a predetermined date. Upon ceasing to serve on the Board of Directors, non-employee directors participating in the plan receive cash or shares of Common Stock equal to the value or number of deferred stock units with which they have been credited.

As has been described above, prior to the first day of fiscal 2004, each of the non-employee directors made an election with respect to how to receive his or her retainer for fiscal 2004 and how to receive his or her equity compensation. Messrs. Foley, Lee, Ullman and Weatherup elected to receive all of their respective compensation, both retainer and equity compensation, in the form of stock options, and therefore in November 2003 each received an option to purchase 19,698 shares of Common Stock at an exercise price of \$30.46 per share under the NED Option Plan. Mr. Maffei elected to receive his compensation, both retainer and equity compensation, in the form of deferred stock units, and therefore in November 2003 he deferred 6,566 stock units based on a value of \$30.46 per unit under the NED Deferral Plan. Ms. Bass and Mr. Bradley elected to receive their retainers in cash and their equity compensation in the form of deferred stock units, and therefore in November 2003 each received a cash payment of \$100,000 and deferred 3,283 stock units based on a value of \$30.46 per unit under the NED Deferral Plan. Each of, Arlen I. Prentice, who retired from the Board during fiscal 2004, and Mr. Shennan elected to receive his retainer in cash and his equity compensation in the form of stock options, and therefore in November 2003 each received a cash payment of \$100,000 and an option to purchase 9,849 shares of Common Stock at an exercise price of \$30.46 per share under the NED Option Plan. During fiscal 2004, Mr. Behar received an option to purchase 10,000 shares of Common Stock at an exercise price of \$30.46 per share vesting in one annual installment under the Starbucks Corporation Amended and Restated Key Employee Stock Option Plan 1994 (the Key Employee Plan) for services rendered as a director.

Board and Committee Meetings

During fiscal 2004, the Board of Directors had three standing committees: the Compensation and Management Development (the Compensation Committee), the Audit Committee, and the Nominating Committee. Committee and committee chair assignments are made annually by the Board at its meeting immediately following the annual meeting of shareholders. The Board of Directors held five meetings, the Compensation Committee held five meetings, the Audit Committee held seven meetings and the Nominating Committee held four meetings. It is the policy of the Board of Directors and each of the Board's committees to hold an executive session without management present at each Board meeting. During fiscal 2004, each director attended at least 75% of all meetings of the Board of Directors and Board committees on which he or she served. The report of each of the committees is set forth below.

Audit and Compliance Committee Report

During fiscal 2004, Messrs. Foley, Maffei, Shennan and Weatherup served on the Audit Committee. On November 16, 2004, Mr. Foley announced his decision to retire from the Board and the Audit Committee effective immediately prior to the Annual Meeting. If elected by shareholders at the Annual Meeting, Ms. Hobson will be appointed to the Audit Committee. Each of Messrs. Foley, Maffei, Shennan and Weatherup meets the independence criteria prescribed by applicable law and the rules of the SEC for audit committee membership and is an independent director as defined in Nasdaq Marketplace Rule 4200(a)(15). Each of Messrs. Foley, Maffei, Shennan and Weatherup meets Nasdaq's financial knowledge requirements, and Mr. Maffei, designated by the Board of Directors as the audit committee financial expert under SEC rules, meets Nasdaq's professional experience requirements as well. The Audit Committee operates pursuant to a written charter, which complies with the applicable provisions of the Sarbanes-Oxley Act of 2002 and related rules of the SEC and Nasdaq. The charter is available on the Company's web site at www.starbucks.com/aboutus/corporate_governance.asp. As more fully described in its charter, the Audit Committee is responsible for overseeing the Company's accounting and financial reporting processes, including the quarterly review and the annual audit of the Company's consolidated financial statements by Deloitte & Touche LLP (Deloitte), the Company's independent registered public accounting firm. As part of fulfilling its responsibilities, the Audit Committee reviewed and discussed the audited consolidated financial statements for fiscal 2004 with management and the Company's independent registered public accounting firm and discussed those matters required by Statement on Auditing Standards No. 61 (Communication with Audit Committees), as amended, with the Company's independent registered public accounting firm. The Audit Committee received the written disclosures and the letter required by Independent Standards Board Statement No. 1 (Independence Discussions with Audit Committee) from Deloitte, and discussed that firm's independence with representatives of the firm.

Based upon the Audit Committee's review of the audited consolidated financial statements and its discussions with management, the internal audit function and the Company's independent registered public accounting firm, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements for the fiscal year ended October 3, 2004 in the Company's Annual Report on Form 10-K filed with the SEC.

Compensation and Management Development Committee Report

During fiscal 2004, Ms. Bass and Messrs. Prentice, Ullman and Lee served on the Compensation Committee, with Ms. Bass serving as Chair. Mr. Prentice retired from the Board and the Compensation Committee effective March 29, 2004, immediately prior to the 2004 Annual Meeting of Shareholders. Each director who served on the Compensation Committee during fiscal 2004 qualified as an outside director under Section 162(m) of the Internal Revenue Code (the Code), a non-employee director as such term is defined in Rule 16b-3 promulgated under the Securities Exchange Act of 1934, as amended (the Exchange Act), and an independent director as such term is defined in Nasdaq Marketplace Rule 4200(a)(15). The Compensation Committee is responsible for conducting an annual review of the Company's compensation packages for executive officers, including the president and chief executive officer, and the chairman of the Board and chief global strategist. In connection therewith, the Compensation Committee reviews and recommends to the Independent Directors (i) the annual base salary level, (ii) the annual cash bonus opportunity level, and (iii) the long-term incentive opportunity for each executive officer. The Compensation Committee's recommendations are reviewed and approved by the Independent Directors.

The Compensation Committee reviews and makes recommendations to the Independent Directors on remuneration of certain executive officers of the Company, including the executive officers named in the Summary Compensation Table set forth in the Executive Compensation section of this Proxy Statement (such named executives, the Named Executive Officers). The Compensation Committee reviews (and makes recommendations to the Independent Directors on), payments of bonuses under the Company's Executive Management Bonus Plan (the EMB Plan).

The president and chief executive officer and chairman and chief global strategist may participate in the discussions by the Independent Directors regarding compensation of the Company's executive officers, but they may not be present when the Independent Directors vote whether to approve the Compensation Committee's recommendations with respect to their own compensation.

Compensation Components: The Board of Directors believes that compensation paid to executive officers should be closely aligned with the performance of the Company on both a short-term and long-term basis, and that such compensation should assist the Company in attracting and retaining key executives critical to its long-term success. To that end, it is the view of the Board that the compensation packages for executive officers should consist of three components: (i) annual base salary; (ii) incentive bonuses, the amount of which is dependent on both Company and individual performance during the prior fiscal year; and (iii) stock option awards designed to align executive officers' interests with those of shareholders by rewarding outstanding performance and providing long-term incentives.

The Compensation Committee reviews and makes recommendations to the Independent Directors on total annual compensation for the chairman and chief global strategist, the president and chief executive officer and certain other executive officers after reviewing each component of such executive's compensation against executive compensation surveys prepared by an outside compensation consultant selected and retained by the Compensation Committee. The surveys used for comparison reflect compensation levels and practices for persons holding comparable positions at targeted peer group companies. The compensation comparator group is not limited to companies listed on the National Market tier of Nasdaq, and includes an array of companies in specialty retail and other industries with high growth and strong brand image characteristics. In addition to reviewing executive officers' compensation against the comparator group, the Compensation Committee also solicits appropriate input from the Company's president and chief executive officer regarding total compensation for those executives reporting directly to him. Management provides to the Compensation Committee, at its request, a breakdown of material total compensation components for each executive officer, both historical and prospective. The Compensation Committee makes this information available to the Independent Directors, who determine the compensation of these executive officers after considering recommendations received from the Compensation Committee.

Total Compensation: Based on the Company's fiscal 2004 performance, the Compensation Committee recommended that total compensation for executive officers for fiscal 2004 (the sum of base salary, incentive bonus and long-term compensation delivered through stock option awards) should be positioned around the

Table of Contents

90th percentile of selected peer group companies. Based on the most recent data available, Starbucks ranked in the top three among selected peer companies in one- and three-year total shareholder return and revenue growth, and three-year compounded annual net income growth.

Base Salary: Base salaries for executive officers are reviewed on an annual basis and at the time of promotion or other increase in responsibilities. Increases in salary are based on subjective evaluation of such factors as the level of responsibility, individual performance, level of pay and Company peer group pay levels. In fiscal 2004, Mr. Smith's base salary was determined in accordance with the factors above. In fiscal 2004, Mr. Smith's base salary was \$1,190,000 (although the amount actually paid and reflected in the Summary Compensation Table is less because the salary was effective December 1, 2003, approximately two months into the fiscal year), an amount at the competitive target of the 50th percentile of salaries paid by targeted peer companies.

Incentive Bonus: Incentive bonuses are generally granted based on a percentage of each executive officer's base salary. During fiscal 2004, the president and chief executive officer, the chairman and chief global strategist, the segment presidents and the executive vice presidents of the Company participated in the EMB Plan. The EMB Plan, as in effect during fiscal 2004, was designed to enable at least 80% of the target amounts of incentive bonuses paid to executive officers to qualify as performance-based compensation (as defined in Section 162(m) of the Code) and therefore be deductible by the Company for tax purposes. It is the Company's intention and general practice to pay performance-based compensation that is deductible, but the Company may from time to time pay amounts that are not deductible to meet hiring, retention or other compensation objectives.

The Compensation Committee recommends to the Independent Directors the objective performance measure or measures, bonus target percentages and other terms and conditions of awards under the EMB Plan. During fiscal 2004, target bonus amounts under the EMB Plan were expressed as a percentage of base salary and were established according to the overall intended competitive position and competitive survey data for comparable positions in peer group companies. For fiscal 2004, the bonus targets for participating officers ranged from 50% to 100% of base salary depending on position. For Messrs. Smith and Schultz, the EMB Plan provided a bonus target of approximately \$1,190,000, or 100% of base salary, for achievement of 100% of the objective performance goal. After the end of the fiscal year, the Compensation Committee determined the extent to which the performance goals were achieved and recommended to the Independent Directors the amount of the award to be paid to each participant.

Under the EMB Plan as in effect during fiscal 2004, 80% of the target bonus was based on the achievement of the specified objective performance goal recommended by the Compensation Committee (and approved by the Independent Directors) for the fiscal year (other than for Messrs. Schultz and Smith, for whom 100% of the target bonus was based on the objective performance goal). In fiscal 2004, an earnings per share target was the objective performance measure upon which the objective performance goal was based. The terms of the objective performance goal permit bonus payouts of up to 200% of the target bonus in the event (as was the case in fiscal 2004) that the Company's actual financial performance is better than the earnings per share target based on a scale approved by the Independent Directors upon recommendation from the Compensation Committee. Twenty percent (20%) of the target bonus for each officer other than Messrs. Schultz and Smith was based on specific individual performance, which changes somewhat each year according to strategic plan initiatives and the responsibilities of the positions. Relative weights assigned to each individual performance goal typically range from 5% to 35% of the 20% target bonus based on specific individual performance. All performance goals were established and approved by the Independent Directors within the first 90 days of fiscal 2004.

The total bonus award is determined according to the level of achievement of both the objective performance and individual performance goals. Below a threshold level of performance, no awards may be granted pursuant to the objective performance goal and the Independent Directors, acting on the recommendation of the Compensation Committee may, in their discretion, reduce the awards pursuant to either objective or individual performance goals. Under the terms of the EMB Plan, Mr. Smith earned the maximum allowable bonus of \$2,380,000 for fiscal 2004, based on the achievement of the objective

Table of Contents

performance goal. Because the Company achieved earnings per share greater than that required to obtain 100% of the target bonus amount attributed to the objective performance goal, the bonus paid to Mr. Smith was above his annual base salary and above the competitive target of the 50th percentile of bonuses paid by target peer group companies. Mr. Smith also received a discretionary bonus of \$110,000 paid in recognition of extraordinary performance during the first quarter of fiscal 2004.

Stock Options: In fiscal 2004, long-term performance based compensation of executive officers took the form of option awards under the Key Employee Plan. The Board of Directors believes that equity-based compensation ensures that the Company's executive officers have a continuing stake in the long-term success of the Company. All options granted by the Company have been granted as non-qualified stock options with an exercise price equal to the closing price of the Common Stock on the date of grant and, accordingly, will have value only if the market price of the Common Stock increases after that date.

In determining the size of stock option grants to executive officers under the Key Employee Plan, the Compensation Committee bases its recommendations to the Independent Directors on such considerations as the value of options awarded to comparable positions in peer group companies, Company and individual performance against the strategic plan, the number of options currently held by the officer, the allocation of overall share usage attributed to executive officers and the relative proportion of long-term incentives within the total compensation mix. In fiscal 2004, Mr. Smith was granted an option to purchase 550,000 shares of Common Stock. Mr. Smith's option, like the stock options granted to the other executive officers, was granted on November 20, 2003 and reflects the Company's and such officers' performance for fiscal 2003.

Independent Registered Public Accounting Firm Fees

The following table sets forth the aggregate fees billed to the Company for fiscal 2004 and fiscal 2003 by Deloitte:

	Fiscal 2004	Fiscal 2003
Audit Fees	\$ 1,578,000	\$ 1,364,000
Audit-Related Fees	28,000	107,000
Tax Fees	95,000	98,000
All Other Fees		
Total	\$ 1,701,000	\$ 1,569,000

Audit-Related Fees consist of fees for assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements and are not reported under *Audit Fees*. This category includes fees related to audit and attest services not required by statute or regulations, due diligence related to mergers, acquisitions and investments and consultations concerning financial accounting and reporting standards.

Tax Fees consist of fees for professional services for tax compliance, tax advice and tax planning. These services include assistance regarding federal, state and international tax compliance, return preparation, tax audits and customs and duties.

The Audit Committee has considered whether the provision of non-audit services is compatible with maintaining the independence of Deloitte and has concluded that it is.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of the Independent Registered Public Accounting Firm

The Audit Committee is responsible for appointing, setting compensation for and overseeing the work of the independent registered public accounting firm. The Audit Committee has established a policy requiring its pre-approval of all audit and permissible non-audit services provided by the independent registered public accounting firm. The policy is available at www.starbucks.com/aboutus/corporate_governance.asp. The policy provides for the general pre-approval of specific types of services and gives detailed guidance to management as to the specific services that are eligible for general pre-approval and provides specific cost limits for each such service on an annual basis. The policy requires specific pre-approval of all other permitted services. For both types of pre-approval, the Audit Committee considers whether such services are consistent with the rules of the SEC on auditor independence. The Audit Committee's charter delegates to its Chair the authority to address any requests for pre-approval of services between Audit Committee meetings, and the Chair must report any pre-approval decisions to the Audit Committee at its next scheduled meeting. The policy prohibits the Audit Committee from delegating to management the Audit Committee's responsibility to pre-approve permitted services of the independent registered public accounting firm.

Requests for pre-approval for services that are eligible for general pre-approval must be detailed as to the services to be provided and the estimated total cost and are submitted to the Company's controller. The controller then determines whether the services requested fall within the detailed guidance of the Audit Committee in the policy as to the services eligible for general pre-approval. The independent registered public

accounting firm and management must report to the Audit Committee on a timely basis regarding the services provided by the independent registered public accounting firm in accordance with general pre-approval.

None of the services related to the *Audit-Related Fees* or *Tax Fees* described above was approved by the Audit Committee pursuant to the waiver of pre-approval provisions set forth in applicable rules of the SEC.

Table of Contents**Stock Option Grants in Fiscal 2004**

The following table sets forth information regarding options to purchase shares of Common Stock granted to the Named Executive Officers during fiscal 2004. The Company has no outstanding stock appreciation rights. The amounts shown for each Named Executive Officer below as potential realizable values are based entirely on hypothetical annualized rates of stock appreciation of five percent and ten percent compounded over the full ten-year terms of the options. These assumed rates of growth were selected by the SEC for illustration purposes only and are not intended to predict future stock prices, which will depend upon overall stock market conditions and the Company's future performance and prospects. Consequently, there can be no assurance that the Named Executive Officers will receive the potential realizable values shown in this table.

Edgar Filing: STARBUCKS CORP - Form DEF 14A

Includes 10,631,540 shares remaining available for issuance under employee stock purchase plans and 21,110,155 shares under stock option plans.

The shares to be issued under plans not approved by shareholders relate to the Company's 1991 Company-Wide Stock Option Plan (the Bean Stock Plan), the Company's UK Share Save Plan and the Company's UK Share Incentive Plan, the successor to the UK Share Save Plan. The Bean Stock Plan is the Company's broad-based stock option plan and provides for the annual issuance of stock options to eligible employees. The Bean Stock Plan was approved and adopted by the Board in 1991 and did not require shareholder approval. Generally, options are granted annually under the Bean Stock Plan. These grants require Board approval, are linked to performance goals of the Company and are granted to employees as a percentage of base salary. In fiscal 2004, 39,338 employees were granted options under the Bean Stock Plan.

The Company's UK Share Save Plan, which is a U.K. Inland Revenue approved Save-As-You-Earn plan, allows eligible employees in the United Kingdom to save for a three-year period through payroll deductions toward the purchase of the Common Stock at a discount from the fair market value on the first day

of business of a three-year offering period. The total number of shares issuable under the plan is 600,000, of which 35,774 were issued as of October 3, 2004. The Compensation Committee accepted the recommendation of management to suspend future offerings under the UK Share Save Plan, and effectively replace the UK Share Save Plan with the UK Share Incentive Plan. The last offering under the UK Share Save Plan was in December 2002 and will mature in February 2006.

The Company's UK Share Incentive Plan, which is a U.K. Inland Revenue approved plan, allows eligible employees in the United Kingdom to purchase shares of the Common Stock through payroll deductions during six-month offering periods at the lower of the price at the beginning and the price at the end of the offering period. The Company awards one matching share for each six shares purchased under the plan. The total number of shares issuable under the plan is 700,000, of which no shares were issued as of October 3, 2004. The initial six-month offering period under the plan ended October 31, 2004, resulting in the issuance of 2,706 shares of Common Stock under the plan on November 1, 2004.

Employment and Severance Arrangements

Messrs. Donald, Casey and Pace have severance arrangements with the Company pursuant to which each of them will be entitled to receive a severance payment in the event he is terminated by the Company without cause, as defined in his original offer letter from the Company. Under those circumstances, Mr. Donald will be entitled to a payment equal to two times his annual base salary plus his targeted bonus at the time of termination, Mr. Casey will be entitled to continued payment of his annual base salary for a period of 12 months after the date of his termination, and Mr. Pace will be entitled to a payment equal to his annual base salary plus his targeted bonus at the time of termination, in each case less lawful deductions.

Mr. Smith and the Company entered into an employment agreement on December 8, 2004. Under the agreement, Mr. Smith will continue to serve as president and chief executive officer of the Company through March 31, 2005. From April 1, 2005 through June 30, 2007, Mr. Smith will have the title of former ceo and will be asked to provide reasonable advisory services from time to time on an "as needed" basis through the chairman and chief global strategist or through the president and chief executive officer of the Company, or any of their respective designees. Through March 31, 2005, Mr. Smith will continue to receive his current base salary, which annualizes to \$1,190,000. From April 1, 2005 through June 30, 2007, Mr. Smith will be paid a salary that annualizes to \$25,000. In the event that Mr. Smith dies before July 1, 2007, the Company will pay his estate a single sum equal to the unpaid salary he would have received through the full term of the agreement.

Depending upon the Company's performance and in accordance with the terms of the EMB Plan, Mr. Smith will be eligible for a pro rated bonus for fiscal 2005 based on approximately six months during fiscal 2005 during which Mr. Smith will have served as the Company's president and chief executive officer. Any bonus paid to Mr. Smith for fiscal 2005 under the EMB Plan will be subject to the approval of the Compensation Committee and of the Independent Directors. All stock options held by Mr. Smith will vest in accordance with the terms under which they were originally granted.

The Company may terminate the agreement if Mr. Smith is unable to perform his duties because of physical or mental disability. The agreement may also be terminated "for cause" to include, but not be limited to, Mr. Smith's unreasonable refusal to perform his duties or any material violation of the Company's Standards of Business Conduct. Certain Transactions and Compensation Arrangements

During fiscal 2003 and 2002, the Company chartered an aircraft operated by Devon Air Holdings, LLC (Devon Air), a limited liability company wholly-owned by Mr. Schultz, the Company's chairman of the Board of Directors and chief global strategist, for executive business travel. The Company paid \$133,810 and \$475,344 in fiscal 2003 and 2002, respectively, for the charter of this aircraft, based on a discounted rate for actual hours flown.

During fiscal 2003, the Company entered into a series of agreements with Canarsie Holdings, LLC (Canarsie), a limited liability company wholly-owned by Mr. Schultz and his wife. Canarsie operated the aircraft formerly operated by Devon Air until May 2004 when it was sold. Pursuant to an Aircraft Interchange Agreement dated as of October 28, 2002, each of the Company and Canarsie agreed to lease its aircraft to the other on an as-needed basis at prescribed rates with monthly reconciliations of amounts owed. Based on differences in hours flown and cost per flight hour for each aircraft, Canarsie paid the Company net amounts of \$0 and \$23,400 during fiscal 2004 and 2003, respectively, before applicable taxes under this agreement. The Company and Canarsie agreed to provide use of each other's aircraft on a time-sharing basis under Time-Sharing Agreements dated October 28, 2002. Pursuant to these agreements, during fiscal 2004 and 2003 the Company paid Canarsie \$103,200 and \$77,000, respectively, before applicable taxes for the use of Canarsie's aircraft, and Canarsie did not use the Company's aircraft and so made no payments to the Company. Pursuant to a lease agreement dated as of April 21, 2003, between the Company and Canarsie, the Company leased to Canarsie the use of a portion of an airplane hangar with office space for the purposes of storing, repairing and maintaining an airplane owned or leased by Canarsie. Canarsie paid the Company rent of \$7,000 per month for the use of this leased space, and paid \$49,000 and \$84,000 in rent to the Company during fiscal 2004 and fiscal 2003, respectively. Canarsie and the Company also equally shared the cost of an office manager for aircraft operations and an aircraft cleaner. Canarsie paid the Company an aggregate of \$39,853 and \$36,228 during fiscal 2004 and fiscal 2003, respectively, for these personnel costs. The Company and Canarsie also shared certain expenses related to pilot training, with Canarsie paying the Company \$8,250 during fiscal 2003 for its share of those expenses. Due to the sale of the aircraft operated by Canarsie in May 2004, the Company does not expect to have any further business dealings with Canarsie.

In April 2001, Mr. Schultz and a group of investors organized as The Basketball Club of Seattle, LLC (the Basketball Club) purchased the franchises for The Seattle Supersonics and The Seattle Storm basketball teams. Upon such purchase, the Basketball Club assumed pre-existing Team Sponsorship Agreements between the former owners and the Company. Pursuant to such agreements, the Company paid the Basketball Club and those franchises an aggregate of \$800,164, \$777,884 and \$739,593 in fiscal 2004, 2003 and 2002, respectively. Mr. Schultz holds a controlling ownership interest in the Basketball Club.

The Company establishes certain compensation arrangements with its executive officers at the time of hire. The arrangements include starting salary, bonus eligibility, initial stock option grants and relocation packages, where appropriate. In addition, most of such arrangements specify that the executive officer will receive an amount equal to twelve months of base salary as severance in the event that he or she is terminated for any reason other than cause. Neither Mr. Schultz nor Mr. Smith has such an arrangement with the Company.

Mr. Behar, a member of the Board of Directors who had previously retired as an executive of the Company in 1999, returned to serve as the Company's president, North America from September 2001 through December 2002. Mr. Behar deferred compensation of (1) \$546,154, representing the unpaid portion of Mr. Behar's fiscal 2002 base salary, (2) \$623,872, representing Mr. Behar's fiscal 2002 bonus, and (3) \$629,974 representing income earned by Mr. Behar during fiscal 2003. In May 2003, Mr. Behar and the Company entered into an eight-year agreement (which superseded an earlier agreement of December 2001) that describes how the Company will pay Mr. Behar these deferred amounts, as well as an additional \$25,000 per year for Mr. Behar's services as an advisor to the Company. From November 1, 2002 until October 31, 2010 (the Term), Mr. Behar will be paid bi-weekly an amount that annualizes to \$250,000 per year.

In the event that Mr. Behar dies before the Term expires, the Company will pay, or cause an insurer to pay, Mr. Behar's surviving spouse (or Mr. Behar's estate if his wife does not survive him) a single sum equal

Table of Contents

to the unpaid amount Mr. Behar would have received through the full Term of the agreement. The Company may terminate the agreement for cause and Mr. Behar may terminate the agreement at any time by providing the Company with written notice of his resignation. A termination of the May 2003 agreement, regardless of the reason for the termination, does not affect the Company's obligation to pay Mr. Behar income he has already earned, but deferred under the agreement. Mr. Behar and his spouse are eligible to receive employee benefits in accordance with the terms of the Company's medical, dental, vision and savings plans for the Term of the agreement. Mr. Behar is not eligible to participate in the NED Option Plan until he ceases to be employed by the Company for at least a year, but in the discretion of the Compensation Committee, Mr. Behar is eligible to receive stock option grants under the Key Employee Plan.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires the Company's directors and executive officers, and persons who beneficially own more than 10% of the Common Stock, to file with the SEC initial reports of beneficial ownership (Forms 3) and reports of changes in beneficial ownership of Common Stock and other equity securities of the Company (Forms 4). Officers, directors and greater than 10% shareholders of the Company are required by SEC rules to furnish to the Company copies of all Section 16(a) reports that they file. To the Company's knowledge, based solely on a review of the copies of such reports furnished to the Company and written representations that no other reports were required, all Section 16(a) filing requirements applicable to its officers, directors and greater than 10% beneficial owners were complied with for fiscal 2004.

PROPOSAL 2 APPROVAL OF STARBUCKS CORPORATION

2005 LONG-TERM EQUITY INCENTIVE PLAN

General Information

On November 17, 2004, the Board adopted, subject to shareholder approval, the Starbucks Corporation 2005 Long-Term Equity Incentive Plan (the 2005 Equity Incentive Plan). The Board has long believed that employee ownership in the Company serves the best interest of all shareholders, by promoting a focus on long-term increase in shareholder value. The 2005 Equity Incentive Plan continues to support this, by increasing the flexibility the Company has in awarding equity-based compensation that meets the ongoing objective of aligning compensation with shareholder value.

Broad-based equity compensation is an essential and long-standing element of the Company's culture and success. It continues to be a critical element to attract and retain the most talented Partners (employees), officers and directors available to execute Starbucks long-term goal of operating at least 30,000 retail locations worldwide. The Company grants equity-based compensation to Partners at all levels of the organization, including eligible part-time Partners. Historically, the Company has used stock option awards as equity incentives, and in fiscal 2004 granted options at market prices to nearly 40,000 people. Equity-based compensation provides an opportunity for Partners, officers and directors to acquire an interest in our business, and thus provides rewards for exceptional performance and long-term incentives for their future contributions to the Company's success and ultimately shareholder value.

The Company currently awards stock options to Partners through the Starbucks Corporation 1991 Company-Wide Stock Option Plan (Bean Stock); stock options to Company executives through the Starbucks Corporation Amended and Restated Key Employee Stock Option Plan-1994; and stock options to Company non-employee directors through the Starbucks Corporation Amended and Restated 1989 Stock Option Plan for Non-Employee Directors (collectively referred to as the Current Plans).

The 2005 Equity Incentive Plan allows for increased flexibility in the types of equity awards that can be granted in the future, whereas the Current Plans allow for stock options grants only. The greater flexibility of the 2005 Equity Incentive Plan, in types and specific terms of awards, will allow future awards to be based on then-current objectives for aligning compensation with increasing long-term shareholder value. Shareholder

approval of the 2005 Equity Incentive Plan will permit the Company to award long-term equity incentive compensation that achieves these goals.

As of December 1, 2004 and taking into account the shares subject to options that were granted in November 2004, the Company has an aggregate of approximately 14,000,000 shares remaining for future awards under the Current Plans. No further awards will be made pursuant to the Current Plans upon shareholder approval of the 2005 Equity Incentive Plan, and the remaining shares available for future awards will be issued in connection with awards made under the 2005 Equity Incentive Plan. Additionally, the Company is requesting 24,000,000 new shares be approved for future awards under the 2005 Equity Incentive Plan.

The following is a summary of the material terms of the 2005 Equity Incentive Plan and is qualified in its entirety by reference to the 2005 Equity Incentive Plan. A copy of the 2005 Equity Incentive Plan is attached to this proxy statement as *Appendix A*.

Summary of the 2005 Equity Incentive Plan

Administration

The Compensation Committee will administer the 2005 Equity Incentive Plan, with certain actions subject to the review and approval of the full Board or a panel consisting of all of the Independent Directors. The Committee will have full power and authority to determine when and to whom awards will be granted, including the type, amount, form of payment and other terms and conditions of each award, consistent with the provisions of the 2005 Equity Incentive Plan. In addition the Committee has the authority to interpret the 2005 Equity Incentive Plan and the awards granted under the plan, and establish rules and regulations for the administration of the plan. The Committee may delegate the administration of the plan to the Company's officers, including the maintenance of records of the awards and the interpretation of the terms of the awards.

Eligible Participants

Any Partner, officer, consultant or director providing services to the Company or to any affiliate of the Company, who is selected by the Committee, is eligible to receive awards under the 2005 Equity Incentive Plan.

Shares Available for Awards

The aggregate number of shares of the Common Stock that may be issued as awards under the 2005 Equity Incentive Plan will include approximately 14,000,000 shares of Common Stock as of December 1, 2004 that are not subject to a grant or a pending grant or as to which the award granted has been forfeited under the Current Plans, and an additional 24,000,000 shares of Common Stock. The aggregate number of shares of Common Stock which may be granted to any one participant in any one year under the 2005 Equity Incentive Plan is 1,750,000. The maximum aggregate number of shares of Common Stock which may be granted as incentive stock options (ISOs) is 21,000,000. The Committee may adjust the aggregate number of shares reserved for issuance under the plan in the case of a stock dividend or other distribution, including a stock split, merger, extraordinary dividend, or other similar corporate transaction or event, in order to prevent dilution or enlargement of the benefits or potential benefits intended to be provided under the 2005 Equity Incentive Plan.

If any shares of Common Stock subject to any award or to which an award relates, granted under the Current Plans or the 2005 Equity Incentive Plan, are forfeited, become unexercisable, or if any award terminates without the delivery of any shares, the shares of Common Stock previously set aside for such awards will be available for future awards under the 2005 Equity Incentive Plan.

The aggregate number of shares of Common Stock that may be issued under the 2005 Equity Incentive Plan will be reduced by 2.1 for each share delivered in settlement of any award of restricted stock, restricted stock unit or stock appreciation right (SAR) and one share for each share delivered in settlement of an option.

Table of Contents

Types of Awards and Terms and Conditions

The 2005 Equity Incentive Plan permits the grant of the following awards:

nonqualified stock options

incentive stock options

restricted stock

restricted stock units

stock appreciation rights

Awards may be granted alone, in addition to, or in combination with any other award granted under the 2005 Equity Incentive Plan.

Stock Options

The holder of an option will be entitled to purchase a number of shares of Common Stock at a specified exercise price during a specified time period, all as determined by the Committee. The option exercise price may be payable either in cash or, at the discretion of the Committee, in shares of Common Stock having a fair market value on the exercise date equal to the exercise price.

Restricted Stock and Restricted Stock Units

The holder of restricted stock will own shares of Common Stock subject to restrictions imposed by the Committee (including for example, restrictions on the right to vote the restricted shares or to receive any dividends with respect to the shares) and subject to forfeiture to the Company if the holder does not satisfy certain requirements (including, for example, continued employment with the Company) for a specified period of time. The holder of restricted stock units will have the right, subject to any restrictions imposed by the Committee, to receive shares of Common Stock, or a cash payment equal to the fair market value of those shares, at some future date determined by the Committee, provided that the holder has satisfied certain requirements (including, for example, continued employment with the Company until such future date).

The awards of restricted stock and restricted stock units that are intended to qualify as performance based compensation within the meaning of Section 162(m) of the Internal Revenue Code will be subject to the attainment of performance goals relating to the performance criteria selected by the Committee. Performance goals must be based solely on one or more of the following business criteria: (i) cash flow; (ii) earnings per share, including earnings per share as adjusted (a) to exclude the impact of any (1) significant acquisitions or dispositions of businesses by the Company, (2) one-time, non-operating charges and (3) accounting changes (including but not limited to any accounting changes that require the expensing of stock options and any accounting changes the Company adopts early); and (b) for any stock split, stock dividend or other recapitalization; (iii) earnings before interest, taxes, and amortization; (iv) return on equity; (v) total shareholder return; (vi) share price performance; (vii) return on capital; (viii) return on assets or net assets; (ix) revenue; (x) income; (xi) operating income; (xii) operating profit; (xiii) profit margin; (xiv) return on operating revenue; (xv) return on invested capital; (xvi) market price; (xvii) brand recognition/acceptance; (xviii) customer satisfaction; (xix) productivity; or (xx) sales growth and volume.

Stock Appreciation Rights

Participants may be granted tandem SARs (consisting of SARs with underlying options) and stand-alone SARs. The holder of a tandem SAR is entitled to elect between the exercise of the underlying option for shares of Common Stock or the surrender of the option in exchange for the receipt of a cash payment equal to the excess of the fair market value on the surrender date over the aggregate exercise price payable for such shares. The holder of stand-alone SARs will be entitled to receive the excess of the fair market value (on the exercise date) over the exercise price for such shares.

Table of Contents

Change of Control

In the event of a Change of Control of the Company (as defined in the 2005 Equity Incentive Plan), subject to certain limitations and restrictions as more fully described in the 2005 Equity Incentive Plan:

options and SARs may become fully vested and immediately exercisable;

restriction periods and restrictions imposed on restricted stock or restricted stock units that are not performance-based may lapse; and

restrictions and deferral limitations and other conditions applicable to other awards may lapse, and the awards may become free of restrictions, limitations or conditions and become fully vested and transferable.

Generally, accelerated vesting or lapse of restrictions on awards held by a Partner will occur only if a Partner's employment is terminated within a year after a Change in Control, the acquiring company does not assume outstanding awards or substitute equivalent awards or other conditions in the Plan are satisfied.

Termination of Employment

Vested Awards granted under the 2005 Equity Incentive Plan will expire, terminate, or otherwise be forfeited as follows:

three (3) months after termination of a participant, including voluntary termination by the participant, other than in the circumstances described below;

upon termination of a participant Partner for Misconduct (as defined in the 2005 Equity Incentive Plan);

twelve (12) months after the date on which a participant, other than a non-employee director, suffers total or permanent Disability (as defined in the 2005 Equity Incentive Plan);

twelve (12) months after the death of a participant;

thirty-six (36) months after the date of the participant's Retirement (as defined in the 2005 Equity Incentive Plan).

Duration, Termination and Amendment

The 2005 Equity Incentive Plan will terminate on the tenth anniversary of the date the Company's shareholders approve the plan, unless terminated by the Board or the Committee earlier, or extended by an amendment approved by the Company's shareholders. No awards may be made after the termination date. However, unless otherwise expressly provided in an applicable award agreement, any award granted under the 2005 Equity Incentive Plan prior to the expiration may extend beyond the end of such period through the award's normal expiration date.

The Board, and the Committee, may generally amend or terminate the plan as determined to be advisable. Shareholder approval may also be required for certain amendments by the Internal Revenue Code, the rules of Nasdaq, or rules of the Securities and Exchange Commission. The Board or the Committee has specific authority to amend the plan without shareholder approval to comply with legal, regulatory and listing requirements and to avoid unanticipated consequences determined to be inconsistent with the purpose of the plan or any award agreement.

Prohibition on Repricing Awards

Without the approval of the Company's shareholders, no option or SAR may be amended to reduce its exercise price or grant price and no option or SAR may be canceled and replaced with an option or SAR having a lower exercise price.

Table of Contents

Transferability of Awards

Unless otherwise provided by the Committee, awards under the 2005 Equity Incentive Plan may only be transferred by will or the laws of descent and distribution. The Committee may permit further transferability pursuant to conditions and limitations that it may impose, except that no transfers for consideration will be permitted.

Federal Income Tax Consequences

The federal income tax consequences of awards under the 2005 Equity Incentive Plan to the Company and the Company's Partners, officers and directors are complex and subject to change. The following discussion is only a summary of the general rules applicable to the 2005 Equity Incentive Plan. Recipients of awards under the 2005 Equity Incentive Plan should consult their own tax advisors since a taxpayer's particular situation may be such that some variation of the rules described below will apply.

Options

Options granted under the 2005 Equity Incentive Plan may be either incentive stock options or nonqualified stock options. Incentive stock options are options which are designated as such by the Company and which meet certain requirements under Section 422 of the Internal Revenue Code of 1986, as amended (the "Code") and the regulations thereunder. Any option which does not satisfy these requirements will be treated as a nonqualified stock option.

Incentive Stock Options

If an option granted under the 2005 Equity Incentive Plan is treated as an incentive stock option, the optionee will not recognize any income upon either the grant or the exercise of the option, and the Company will not be entitled to a deduction for federal tax purposes. Upon a sale of the shares, the tax treatment to the optionee and the Company will depend primarily upon whether the optionee has met certain holding period requirements at the time he or she sells the shares. In addition, as discussed below, the exercise of an incentive stock option may subject the optionee to alternative minimum tax liability.

If an optionee exercises an incentive stock option and does not dispose of the shares received within two years after the date the option was granted or within one year after the transfer of the shares to him or her, any gain realized upon the disposition will be characterized as long-term capital gain and, in such case, the Company will not be entitled to a federal tax deduction.

If the optionee disposes of the shares either within two years after the date the option is granted or within one year after the transfer of the shares to him or her, the disposition will be treated as a disqualifying disposition and an amount equal to the lesser of (1) the fair market value of the shares on the date of exercise minus the exercise price, or (2) the amount realized on the disposition minus the exercise price, will be taxed as ordinary income to the optionee in the taxable year in which the disposition occurs. (However, in the case of gifts, sales to related parties, and certain other transactions, the full difference between the fair market value of the stock and the purchase price will be treated as compensation income). The excess, if any, of the amount realized upon disposition over the fair market value at the time of the exercise of the option will be treated as long-term capital gain if the shares have been held for more than one year following the exercise of the option.

The exercise of an incentive stock option may subject an optionee to alternative minimum tax liability. The excess of the fair market value of the shares at the time an incentive stock option is exercised over the purchase price of the shares is included in income for purposes of the alternative minimum tax even though it is not included in taxable income for purposes of determining the regular tax liability of an optionee. Consequently, an optionee may be obligated to pay alternative minimum tax in the year he or she exercises an incentive stock option.

In general, the Company will not be entitled to a federal income tax deduction upon the grant, exercise, or termination of an incentive stock option. However, in the event an optionee sells or otherwise disposes of the stock received on the exercise of an incentive stock option in a disqualifying disposition, the Company will be

Table of Contents

entitled to a deduction for federal income tax purposes in an amount equal to the ordinary income, if any, recognized by the optionee upon disposition of the shares, provided that the deduction is not otherwise disallowed under the Code.

Nonqualified Stock Options

Nonqualified stock options granted under the 2005 Equity Incentive Plan do not qualify as incentive stock options and will not qualify for any special tax benefits to the optionee. An optionee generally will not recognize any taxable income at the time he or she is granted a nonqualified option. However, upon its exercise, the optionee will recognize ordinary income for federal tax purposes measured by the excess of the then fair market value of the shares over the exercise price. The income realized by the optionee will be subject to income and other employment withholding taxes.

The optionee's basis for determination of gain or loss upon the subsequent disposition of shares acquired upon the exercise of a nonqualified stock option will be the amount paid for such shares plus any ordinary income recognized as a result of the exercise of such option. Upon disposition of any shares acquired pursuant to the exercise of a nonqualified stock option, the difference between the sale price and the optionee's basis in the shares will be treated as a capital gain or loss and generally will be characterized as long-term capital gain or loss if the shares have been held for more than one year at the time of their disposition.

In general, the Company will not be entitled to a federal income tax deduction upon the grant or termination of a nonqualified stock option or a sale or disposition of the shares acquired upon the exercise of a nonqualified stock option. However, upon the exercise of a nonqualified stock option, the Company will be entitled to a deduction for federal income tax purposes equal to the amount of ordinary income that an optionee is required to recognize as a result of the exercise, provided that the deduction is not otherwise disallowed under the Code.

Restricted Stock and Restricted Stock Units

Generally, the holder of restricted stock will recognize ordinary compensation income at the time the stock becomes vested. The amount of ordinary compensation income recognized will be equal to the excess, if any, of the fair market value of the stock on the date it becomes vested over any amount paid by the holder in exchange for stock.

In the case of restricted stock units, the holder will recognize ordinary compensation income at the time the stock is received equal to the excess of value of the stock on the date of receipt over any amount paid by the holder in exchange for stock. If the holder of a restricted stock unit receives the cash equivalent of the stock issuable under the restricted stock unit in lieu of actually receiving the stock, the holder will recognize ordinary compensation income at the time of the receipt of such cash in the amount of the cash received. In the case of both restricted stock and restricted stock units, the income recognized by the holder will generally be subject to U.S. income tax withholding and employment taxes.

In the year that the recipient of a stock award recognizes ordinary taxable income in respect of restricted stock or a restricted stock unit, the Company will be entitled to a deduction for federal income tax purposes equal to the amount of ordinary income that the recipient is required to recognize, provided that the deduction is not otherwise disallowed under the Code.

Stock Appreciation Rights

As discussed above, the Company may grant either stand-alone SARs or tandem SARs under the 2005 Equity Incentive Plan. Generally, the recipient of a SAR will not recognize any taxable income at the time the SAR is granted.

With respect to stand-alone SARs, if the holder receives the appreciation inherent in the SARs in cash, the cash will be taxable as ordinary compensation income to the employee at the time that it is received. If the holder receives the appreciation inherent in the stand-alone SARs in stock, the holder will recognize ordinary

Table of Contents

compensation income equal to the excess of the fair market value of the stock on the day it is received over any amounts paid by the holder for the stock.

With respect to tandem SARs, if a holder elects to surrender the underlying option in exchange for cash or stock equal to the appreciation inherent in the underlying option, the tax consequences to the holder will be the same as discussed above relating to stand-alone SARs. If the holder elects to exercise the underlying option, the holder will be taxed at the time of exercise as if he or she had exercised a nonqualified stock option (discussed above), i.e., the holder will recognize ordinary income for federal tax purposes measured by the excess of the then fair market value of the shares of stock over the exercise price.

The income recognized by the holder of a stand-alone SAR or tandem SAR will generally be subject to U.S. income tax withholding and employment taxes.

In general, the Company will not be entitled to a federal income tax deduction upon the grant or termination of stand-alone SARs or tandem SARs. However, upon the exercise of either a stand-alone SAR or a tandem SAR, the Company will be entitled to a deduction for federal income tax purposes equal to the amount of ordinary income that the holder is required to recognize as a result of the exercise, provided that the deduction is not otherwise disallowed under the Code.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE SHAREHOLDERS VOTE FOR THE APPROVAL OF THE STARBUCKS CORPORATION 2005 LONG-TERM EQUITY INCENTIVE PLAN.

PROPOSAL 3 RATIFICATION OF SELECTION OF INDEPENDENT

REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee requests that shareholders ratify its selection of Deloitte to serve as the Company's independent registered public accounting firm for fiscal 2005. Deloitte audited the consolidated financial statements of the Company for fiscal 2004. Representatives of Deloitte will be present at the Annual Meeting and will have an opportunity to make a statement if they so desire and to respond to questions by shareholders.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE RATIFICATION OF THE SELECTION OF DELOITTE & TOUCHE LLP AS THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM OF THE COMPANY.

PROPOSAL 4 SHAREHOLDER PROPOSAL

The Company is not responsible for the content of this shareholder proposal or supporting statement. The proposal and supporting statement have been reproduced in the form received by the Company.

Mr. Garth Shaneyfelt, 26 Grinnell Street, Greenfield, Massachusetts 01301, who is the beneficial owner of 120 shares of the Common Stock, has notified us that he intends to present the following proposal at the Annual Meeting:

2004 Shareholder Proposal on Fair Trade Sourcing

Whereas Starbucks has a written Commitment to OriginsTM, its mission includes sustaining coffee communities and the Starbucks Guiding Principle (#3) states apply the highest standards to the purchasing of our coffee.

Whereas Starbucks has a 5 year plan (see Corporate Social Responsibility Report 2003) to increase the amount of sustainable coffee we purchase from suppliers who successfully adopt Starbucks Coffee Sourcing Guidelines from 13.5 million pounds to 225 million pounds.

Edgar Filing: STARBUCKS CORP - Form DEF 14A

Whereas even this sustainable coffee is not all Fair Trade (In 2003, only 2.1 million pounds was Fair Trade certified.) and there is no goal other than to maintain our commitment to purchasing Fair Trade Certified coffee, and increase the number of places where Fair Trade Certified coffee is available.

Whereas this total represents less than (\leq) 2% of the total beans Starbucks buys each year.

Table of Contents

Whereas coffee farmers today earn less per pound than they did 6 years ago, and in many cases less than their cost of production forcing them out of business.

Whereas Starbucks' continued growth and profitability is directly tied to its ability to procure a continued supply of high quality coffee beans (Starbucks 10K filing 12/23/2003).

Resolved: The shareholders request that the Board of Directors establish policy and goals to have all, or substantially all, of Starbucks coffee Fair Trade certified by 2010.

The Proponent's Statement in Support of Proposal No. 4

When a core guiding principle of our business is . . . apply the highest standards to purchasing. . . , but the amount Fair Trade certified is actually less than 2% and even the sustainable certified is less than 15% the stated Commitment to Origins has the appearance of green-washing. To be truly sustainable the Commitment to Origins must extend to all farmers and suppliers. If even 50% of the farmers are unable to maintain their high quality coffee plantations, the long-term supply of these beans will be greatly diminished. We believe 100% Fair-trade certification is the best long-term way to wealth and continued growth for Starbucks' farmers, suppliers, and shareholders. If you agree, please mark your proxy FOR this resolution.

Board of Directors' Response

Starbucks shares the interests of the Fair Trade movement in ensuring farmers receive fair prices for their crops, which enables farmers and their families to have a better quality of life. Starbucks has developed industry-leading policies and practices to encourage a sustainable approach to high-quality coffee production. These policies and practices include purchasing Fair Trade Certified™ coffee, and also do much more. Because Starbucks sustainability practices are much more far-reaching and impactful, we believe purchasing all or substantially all of our coffee as Fair Trade Certified™ coffee would, on balance, reduce rather than increase the total benefits flowing from Starbucks to our coffee suppliers and their communities.

Starbucks is one of the largest purchasers of Fair Trade Certified™ coffee in the U.S. and is also licensed to sell Fair Trade Certified™ coffee in 20 other countries. In fiscal 2004, Starbucks purchased approximately 4.8 million pounds of Fair Trade Certified™ coffee, more than double the amount purchased in the prior fiscal year. Starbucks stores represented more than 20% of all retail locations in the U.S. where Fair Trade Certified™ coffee was sold in 2003. We are committed to purchasing Fair Trade Certified™ coffee and increasing the number of places where Fair Trade Certified™ coffee is available.

However, purchasing Fair Trade Certified™ coffee is just one of a number of ways we seek to ensure the future availability of the highest quality coffee and to ensure coffee farmers are treated fairly in their business relationships with us. Our broad, holistic approach includes the following measures: reward farmers who adopt Starbucks coffee sourcing guidelines; pay farmers fair prices and offer favorable terms; invest in social programs that benefit coffee-producing communities; purchase certified and conservation coffees; and provide farmers access to affordable credit. This helps create a transparently traded, sustainable coffee supply chain.

Under our coffee sourcing guidelines, called C.A.F.E. Practices (for Coffee and Farmer Equity Practices), Starbucks gives preference to suppliers who demonstrate economic fairness, socially responsible working conditions and progressive environmental practices. We believe the C.A.F.E. Practices do much more to achieve the shared goals of Starbucks and the Fair Trade movement than simply purchasing only Fair Trade Certified™ coffee. For example, unlike Fair Trade certification, C.A.F.E. Practices require suppliers to verify how much farmers *actually receive* out of the premium purchase prices Starbucks pays in order to be a preferred supplier. We now have at least some visibility into how much farmers receive under approximately 75% of our coffee purchase contracts, which we would like to increase to 100%. We have set a goal to increase the amount of coffee we purchase under the C.A.F.E. Practices to at least 225 million pounds in fiscal 2007, which by our current estimates would represent over 60% of our purchased coffee in fiscal 2007.

Starbucks is committed to paying a fair price to farmers for all of its coffee, including Fair Trade Certified™ coffee, because it's the right thing to do, and so they can continue to grow the high quality coffee on which Starbucks business depends. Starbucks helps farmers earn more and provide better support for their

Table of Contents

families by paying outright negotiated prices rather than prevailing market prices, which insulates them from downturns in the market. In fiscal 2003, Starbucks purchased 97% of its green coffee at outright prices and paid an average price of \$1.20 per pound when prices of commercial-grade *arabica* coffee ranged from \$0.55-\$0.70 per pound. In addition to paying outright prices, we seek to enter into long-term contracts, which give farmers economic security, and establish direct relationships, which allow farmers to keep as much as possible of the purchase price. Starbucks took a major step toward establishing direct relationships with farmers by opening a farmer support center in San Jose, Costa Rica in early 2004, where we work directly with farmers to help ensure the future supply of high-quality, sustainable green coffee from existing and potential sources in Central America.

Further, in fiscal 2003, Starbucks invested more than \$1 million in social programs that benefited farming communities in nine countries from Colombia to Indonesia. Starbucks has an alliance with Conservation International to protect the environment in coffee-growing regions and help local coffee farmers earn more for their crops. Several Starbucks leaders are also personally involved with Conservation International, including Starbucks president and ceo, Orin Smith, who is an active member of its board of directors.

We also purchase coffees that have been certified or verified by independent third parties under Starbucks Commitment to Origins™. Certified coffees include organic and Fair Trade Certified™. Conservation coffee is shade-grown from projects managed by Conservation International's Conservation Coffee™ program. Starbucks has initiated projects managed by the Conservation Coffee™ program in Mexico, Colombia and Peru, and currently is developing similar projects in Costa Rica and Panama.

Coffee farmers often need access to credit to meet expenses that arise before their crops can be brought to market. Starbucks is an industry leader in making affordable credit available to farmers, having supported a number of loan programs to provide farmers with an alternative to borrowing from local money-lenders, who often charge exorbitant interest rates. We have made a total of \$6 million available through three different funds that loan to small-holder farmers who have almost no other access to affordable credit.

For these reasons and in light of the policies and programs discussed above, we believe that if Starbucks were limited to purchasing all or substantially all of our coffee as Fair Trade Certified™ coffee, the result would be fewer rather than greater benefits to our coffee suppliers and their communities. If Starbucks purchased only Fair Trade Certified™ coffee, we would lose the opportunity we have gained through the C.A.F.E. Practices to promote transparency of prices, encourage better environmental practices and improve social conditions in coffee-growing regions, because those are not factors in whether coffee can be certified as Fair Trade.

The Fair Trade certification system does not certify enough high-quality coffee, either in quantity or variety, to support our business, and it allows only small farms that are organized into cooperatives to participate. Less than three percent of the world's coffee is produced by farmers on the Fair Trade registry. This three percent figure includes some Fair Trade Certified™ coffees that would not meet our high quality standards, such as low-altitude *robusta* beans. Neither the quantity, range nor variety of Fair Trade Certified™ coffee available is sufficient to support the full line of our coffee products or our projected growth. Moreover, less than three percent of the world's farmers are on the Fair Trade registry. Because of their size and/or their independence from cooperatives, the majority of Starbucks producers are not a part of nor are they eligible to be a part of the Fair Trade system. Therefore, if Starbucks committed to purchasing only Fair Trade Certified™ coffee, we believe many of the farms and communities our purchases and policies have been sustaining would be endangered, the supply of high-quality sustainable coffee would be reduced, and the quality of life for coffee farmers and their communities around the world would be diminished rather than enhanced.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE AGAINST THE PROPOSAL TO REQUIRE THE COMPANY TO PURCHASE ALL OR SUBSTANTIALLY ALL OF ITS COFFEE AS FAIR TRADE CERTIFIED™ COFFEE BY 2010.

2005 LONG-TERM EQUITY INCENTIVE PLAN

(Effective , 2005)

2005 LONG-TERM EQUITY INCENTIVE PLAN

PART I

PURPOSE, ADMINISTRATION AND RESERVATION OF SHARES

SECTION 1. *Purpose of the Plan.* The purposes of this Plan are (a) to attract and retain the most talented Partners, officers and Directors available, and (b) to promote the growth and success of the Company's business, (i) by aligning the long-term interests of Partners, officers and Directors with those of the shareholders by providing an opportunity to acquire an interest in the Company and (ii) by providing both rewards for exceptional performance and long term incentives for future contributions to the success of the Company and its Subsidiaries.

The Plan permits the grant of Incentive Stock Options, Nonqualified Stock Options, Restricted Stock, Restricted Stock Units, or SARs, at the discretion of the Committee and as reflected in the terms of the Award Agreement. Each Award will be subject to conditions specified in the Plan, such as continued employment or satisfaction of performance criteria.

This Plan will serve as a framework for the Committee to establish sub-plans or procedures governing the grants to Partners, Directors and Consultants and Partners working outside of the United States. The awards granted under the Former Plans shall continue to be administered under the Former Plans until such time as those options are exercised, expire or become unexercisable for any reason.

SECTION 2. *Definitions.* As used herein, the following definitions shall apply:

(a) *Active Status* shall mean (i) for Partners, the absence of any interruption or termination of service as a Partner, (ii) for Directors, that the Director has not been removed from the Board for cause (as determined by the Company's shareholders), and (iii) for Consultants, the absence of any interruption, expiration, or termination of such person's consulting or advisory relationship with the Company or any Subsidiary or the occurrence of any termination event as set forth in such person's Award Agreement. Active Status shall not be considered interrupted (A) for a Partner in the case of sick leave, maternity leave, infant care leave, medical emergency leave, military leave, or any other leave of absence properly taken in accordance with the policies of the Company or any applicable Subsidiary as may be in effect from time to time, and (B) for a Consultant, in the case of any temporary interruption in such person's availability to provide services to the Company or any Subsidiary which has been granted in writing by an authorized officer of the Company. Whenever a mandatory severance period applies under applicable law with respect to a termination of service as a Partner, Active Status shall be considered terminated upon such Partner's receipt of notice of termination in whatever form prescribed by applicable law.

(b) *Award* shall mean any award or benefits granted under the Plan, including Options, Restricted Stock, Restricted Stock Units, and SARs.

(c) *Award Agreement* shall mean a written or electronic agreement between the Company and the Participant setting forth the terms of the Award.

(viii) to establish sub-plans, procedures or guidelines for the grant of Awards to Partners, Directors, Consultants and Partners working outside of the United States; and

(ix) to make all other determinations deemed necessary or advisable for the administration of the Plan;

Provided that, no consent of a Participant is necessary under clauses (i) or (vi) if a modification, amendment, acceleration, or deferral, in the reasonable judgment of the Committee confers a benefit on the Participant or is made pursuant to an adjustment in accordance with Section 5.

(c) *Effect of Committee's Decision.* All decisions, determinations, and interpretations of the Committee shall be final and binding on all Participants, the Company (including its Subsidiaries), any shareholder and all other persons.

SECTION 4. *Shares Subject to the Plan.*

(a) *Reservation of Shares.* The shares of Common Stock reserved under this Plan will include reserved shares of Common Stock that are not subject to a grant or as to which the option award granted has been forfeited under the Former Plans, and an additional 24,000,000 shares of Common Stock. Subject to the provisions of Sections 5 of the Plan, the maximum aggregate number of Shares (adjusted, proportionately, in the event of any stock split or stock dividend with respect to the Shares) which may be granted as Incentive Stock Options under the Plan shall not exceed 21,000,000. The aggregate number of Shares available for issuance under the Plan will be reduced by 2.1 Shares for each Share delivered in settlement of any award of Restricted Stock, Restricted Stock Unit, or SAR and one Share for each Share delivered in settlement of an Option. If an Award expires, is forfeited or becomes unexercisable for any reason without having been exercised in full, the undelivered Shares which were subject thereto shall, unless the Plan shall have been terminated, become available for future Awards under the Plan. Without limiting the foregoing, unless the Plan shall have been terminated, Shares underlying an Award that has been exercised, either in part or in full,

including any Shares that would otherwise be issued to a Participant that are used to satisfy any withholding tax obligations that arise with respect to any Award, shall become available for future Awards under the Plan except to the extent Shares were issued in settlement of the Award. Shares available for issuance under the Plan shall be increased by any shares of Common Stock subject to outstanding awards under the Former Plans on the date of shareholder approval of the Plan that later cease to be subject to such awards for any reason other than such awards having been exercised, subject to adjustment from time to time as provided in Section 5, which shares of Common Stock shall, as of the date such shares cease to be subject to such awards, cease to be available for grant and issuance under the Former Plans, but shall be available for issuance under the Plan. The Shares may be authorized but unissued, or reacquired shares of Common Stock. The Company, during the term of this Plan, will at all times reserve and keep available such number of Shares as shall be sufficient to satisfy the requirements of the Plan.

(b) *Time of Granting Awards.* The date of grant of an Award shall, for all purposes, be the date on which the Company completes the corporate action relating to the grant of such Award and all conditions to the grant have been satisfied, provided that conditions to the exercise of an Award shall not defer the date of grant. Notice of a grant shall be given to each Participant to whom an Award is so granted within a reasonable time after the determination has been made.

(c) *Securities Law Compliance.* Shares shall not be issued pursuant to the exercise of an Award unless the exercise of such Award and the issuance and delivery of such Shares pursuant thereto shall comply with all relevant provisions of law, including, without limitation, the Securities Act of 1933, as amended, the Exchange Act, the rules and regulations promulgated under either such Act, and the requirements of any stock exchange or quotation system upon which the Shares may then be listed or quoted, and shall be further subject to the approval of counsel for the Company with respect to such compliance.

(d) *Substitutions and Assumptions.* The Board or the Committee shall have the right to substitute or assume Awards in connection with mergers, reorganizations, separations, or other transactions to which Section 424(a) of the Code applies, provided such substitutions and assumptions are permitted by Section 424 of the Code and the regulations promulgated thereunder. The number of Shares reserved pursuant to Section 4(a) may be increased by the corresponding number of Awards assumed and, in the case of a substitution, by the net increase in the number of Shares subject to Awards before and after the substitution.

SECTION 5. *Adjustments to Shares Subject to the Plan.* If any change is made to the Shares by reason of any stock split, stock dividend, recapitalization, combination of shares, exchange of shares or other change affecting the outstanding Shares as a class without the Company's receipt of consideration, appropriate adjustments shall be made to (i) the maximum number and/or class of securities issuable under the Plan, (ii) the number and/or class of securities and/or the price per Share covered by outstanding Awards under the Plan and (iii) the Maximum Annual Participant Award. The Committee may also make adjustments described in (i)-(iii) of the previous sentence in the event of any distribution of assets to shareholders other than a normal cash dividend. In determining adjustments to be made under this Section 5, the Committee may take into account such factors as it deems appropriate, including the restrictions of applicable law and the potential tax consequences of an adjustment, and in light of such factors may make adjustments that are not uniform or proportionate among outstanding Awards. Adjustments, if any, and any determinations or interpretations, including any determination of whether a distribution is other than a normal cash dividend, made by the Committee shall be final, binding and conclusive. For purposes of this Section 5, conversion of any convertible securities of the Company shall not be deemed to have been effected without receipt of consideration.

Except as expressly provided herein, no issuance by the Company of shares of any class, or securities convertible into shares of any class, shall affect, and no adjustment by reason thereof shall be made with respect to, the number or price of Shares subject to an Award.

(b) *Maximum Annual Participant Award.* The aggregate number of Shares with respect to which an Award or Awards may be granted to any one Participant in any one taxable year of the Company (the Maximum Annual Participant Award) shall not exceed 1,750,000 shares of Common Stock (increased, proportionately, in the event of any stock split or stock dividend with respect to the Shares). If an Option is in tandem with a SAR, such that the exercise of the Option or SAR with respect to a Share cancels the tandem SAR or Option right, respectively, with respect to each Share, the tandem Option and SAR rights with respect to each Share shall be counted as covering but one Share for purposes of the Maximum Annual Participant Award.

(c) *No Employment/ Service Rights.* Nothing in the Plan shall confer upon any Participant the right to an Award or to continue in service as a Partner or Consultant for any period of specific duration, or interfere with or otherwise restrict in any way the rights of the Company (or any Subsidiary employing or retaining such person), or of any Participant, which rights are hereby expressly reserved by each, to terminate such person's services at any time for any reason, with or without cause.

SECTION 7. *Procedure for Exercise of Awards; Rights as a Shareholder.*

The notification to the brokerage firm shall be made in accordance with procedures of such brokerage firm approved by the Company. Full payment may, as authorized by the Committee, consist of any consideration and method of payment allowable under Section 7(b) of the Plan. The Company shall issue (or cause to be issued) such share certificate promptly upon exercise of the Award. In the event that the exercise of an Award is treated in part as the exercise of an Incentive Stock Option and in part as the exercise of a Nonqualified Stock Option pursuant to Section 10(a), the Company shall issue a share certificate evidencing the Shares treated as acquired upon the exercise of an Incentive Stock Option and a separate share certificate evidencing the Shares treated as acquired upon the exercise of a Nonqualified Stock Option, and shall identify each such certificate accordingly in its share transfer records. No adjustment will be made for a dividend or other right for which the record date is prior to the date the share certificate is issued, except as provided in Section 5 of the Plan.

(b) *Method of Payment.* The consideration to be paid for any Shares to be issued upon exercise or other required settlement of an Award, including the method of payment, shall be determined by the Committee at the time of settlement and which forms may include: (i) with respect to an Option, a request that the Company or the designated brokerage firm conduct a cashless exercise of the Option; (ii) cash; and (iii) tender of shares of Common Stock owned by the Participant in accordance with rules established by the Committee from time to time. Shares used to pay the exercise price shall be valued at their Fair Market Value on the exercise date. Payment of the aggregate exercise price by means of tendering previously-owned shares of Common Stock shall not be permitted when the same may, in the reasonable opinion of the Company, cause the Company to record a loss or expense as a result thereof.

(c) *Withholding Obligations.* To the extent required by applicable federal, state, local or foreign law, the Committee may and/or a Participant shall make arrangements satisfactory to the Company for the satisfaction of any withholding tax obligations that arise with respect to any Incentive Stock Option, Nonqualified Stock Option, SAR, Restricted Stock or Restricted Stock Units, or any sale of Shares. The Company shall not be required to issue Shares or to recognize the disposition of such Shares until such

obligations are satisfied. These obligations may be satisfied by having the Company withhold a portion of the Shares that otherwise would be issued to a Participant under such Award or by tendering Shares previously acquired by the Participant in accordance with rules established by the Committee from time to time.

(d) *Shareholder Rights.* Except as otherwise provided in this Plan, until the issuance (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company) of the share certificate evidencing such Shares, no right to vote or receive dividends or any other rights as a shareholder shall exist with respect to the Shares subject to the Award, notwithstanding the exercise of the Award.

(e) *Non-Transferability of Awards.* An Award may not be sold, pledged, assigned, hypothecated, transferred, or disposed of in exchange for consideration, except that an Award may be transferred by will or by the laws of descent or distribution and may be exercised, during the lifetime of the Participant, only by the Participant; unless the Committee permits further transferability, on a general or specific basis, in which case the Committee may impose conditions and limitations on any permitted transferability.

SECTION 8. *Expiration of Awards.*

(a) *Expiration, Termination or Forfeiture of Awards.* Unless otherwise provided in the applicable Award Agreement or any severance agreement, vested Awards granted under this Plan shall expire, terminate, or otherwise be forfeited as follows:

(i) three (3) months after the date the Company delivers a notice of termination of a Participant's Active Status, other than in circumstances covered by (ii), (iii), (iv) or (v) below;

(ii) immediately upon termination of a Participant's Active Status for Misconduct;

(iii) twelve (12) months after the date on which a Participant other than a Non-Employee Director ceased performing services as a result of his or her total and permanent Disability;

(iv) twelve (12) months after the date of the death of a Participant whose Active Status terminated as a result of his or her death; and

(v) thirty-six (36) months after the date on which the Participant ceased performing services as a result of Retirement.

(b) *Extension of Term.* Notwithstanding subsection (a) above, the Committee shall have the authority to extend the expiration date of any outstanding Option, other than an Incentive Stock Option, or SAR in circumstances in which it deems such action to be appropriate (provided that no such extension shall extend the term of an Option or SAR beyond the date on which the Option or SAR would have expired if no termination of the Participant's Active Status had occurred).

SECTION 9. *Effect of Change of Control.* Notwithstanding any other provision in the Plan to the contrary, the following provisions shall apply unless otherwise provided in the most recently executed agreement between the Participant and the Company, or specifically prohibited under applicable laws, or by the rules and regulations of any applicable governmental agencies or national securities exchanges or quotation systems.

(a) *Acceleration.* Awards of a Participant shall be Accelerated (as defined in Section 9(b) below) as follows:

(i) With respect to Non-Employee Directors, upon the occurrence of a Change of Control;

(ii) With respect to any Partner, upon the occurrence of a Change of Control described in Section 2(f)(i);

(iii) With respect to any Partner who Resigns for Good Reason or whose Active Status is terminated within one year after a Change of Control described in Section 2(f)(ii) or (iii);

(iv) With respect to any Partner, upon the occurrence of a Change of Control described in Section 2(f)(iv) in connection with which each Award is not assumed or an equivalent award substituted by such successor entity or a parent or subsidiary of such successor entity; and

(v) With respect to any Partner who Resigns for Good Reason or whose Active Status is terminated within one year after a Change of Control described in Section 2(f)(iv) in connection with which each Award is assumed or an equivalent award substituted by the successor entity or a parent or subsidiary of such successor entity.

(b) *Definition.* For purposes of this Section 9, Awards of a Participant being Accelerated means, with respect to such Participant:

(i) any and all Options and SARs shall become fully vested and immediately exercisable, and shall remain exercisable throughout their entire term;

(ii) any restriction periods and restrictions imposed on Restricted Stock or Restricted Stock Units that are not performance-based shall lapse; and

(iii) the restrictions and deferral limitations and other conditions applicable to any other Awards shall lapse, and such other Awards shall become free of all restrictions, limitations or conditions and become fully vested and transferable to the full extent of the original grant.

PART III

SPECIFIC TERMS APPLICABLE TO OPTIONS, STOCK AWARDS AND SARs

SECTION 10. *Grant, Terms and Conditions of Options.*

(a) *Designation.* Each Option shall be designated in an Award Agreement as either an Incentive Stock Option or a Nonqualified Stock Option. However, notwithstanding such designations, to the extent that the aggregate Fair Market Value of the Shares with respect to which Options designated as Incentive Stock Options are exercisable for the first time by any Partner during any calendar year (under all plans of the Company) exceeds \$100,000, such excess Options shall be treated as Nonqualified Stock Options. Options shall be taken into account in the order in which they were granted.

(b) *Terms of Options.* The term of each Incentive Stock Option shall be no more than ten (10) years from the date of grant. However, in the case of an Incentive Stock Option granted to a Participant who, at the time the Option is granted, owns Shares representing more than ten percent (10%) of the voting power of all classes of shares of the Company or any Parent or Subsidiary, the term of the Option shall be no more than five (5) years from the date of grant. The terms of all Nonqualified Stock Options shall be at the discretion of the Committee.

(c) *Option Exercise Prices.*

(i) The per Share exercise price under an Incentive Stock Option shall be as follows:

(A) If granted to a Partner who, at the time of the grant of such Incentive Stock Option, owns shares representing more than ten percent (10%) of the voting power of all classes of shares of the Company or any Parent or Subsidiary, the per Share exercise price shall be no less than 110% of the Fair Market Value per Share on the date of grant.

(B) If granted to any other Partner, the per Share exercise price shall be no less than 100% of the Fair Market Value per Share on the date of grant.

(ii) The per Share exercise price under a Nonqualified Stock Option or SAR shall be no less than one hundred percent (100%) of the Fair Market Value per Share on the date of grant.

(iii) In no event shall the Board or the Committee be permitted to Reprice an Option after the date of grant without shareholder approval.

Table of Contents

(d) *Vesting.* To the extent Options vest and become exercisable in increments, such Options shall cease vesting as of the date of the Optionee's Disability or termination of such Optionee's Active Status for reasons other than Retirement or death, in each of which cases such Options shall immediately vest in full.

(e) *Substitution of Stock SARs for Options.* Notwithstanding anything in this Plan to the contrary, if the Company is required to or elects to record as an expense in its consolidated statements of earnings the cost of Options pursuant to FAS 123 or a similar accounting requirement, the Committee shall have the sole discretion to substitute, without receiving Participants' permission, SARs paid only in stock for outstanding Options; provided, the terms of the substituted stock SARs are the same as the terms of the Options, the number of shares underlying the number of stock SARs equals the number of shares underlying the Options and the difference between the Fair Market Value of the underlying Shares and the grant price of the SARs is equivalent to the difference between the Fair Market Value of the underlying shares and the exercise price of the Options.

(f) *Exercise.* Any Option granted hereunder shall be exercisable at such times and under such conditions as determined by the Committee at the time of grant, and as are permissible under the terms of the Plan. An Option may not be exercised for a fraction of a Share.

SECTION 11. *Grant, Terms and Conditions of Stock Awards.*

(a) *Designation.* Restricted Stock or Restricted Stock Units may be granted either alone, in addition to, or in tandem with other Awards granted under the Plan. Restricted Stock or Restricted Stock Units may include a dividend equivalent right, as permitted by Section 5. After the Committee determines that it will offer Restricted Stock or Restricted Stock Units, it will advise the Participant in writing or electronically, by means of an Award Agreement, of the terms, conditions and restrictions, including vesting, if any, related to the offer, including the number of Shares that the Participant shall be entitled to receive or purchase, the price to be paid, if any, and, if applicable, the time within which the Participant must accept the offer. The offer shall be accepted by execution of an Award Agreement or as otherwise directed by the Committee. Restricted Stock Units may be paid as permitted by Section 7(b). The term of each award of Restricted Stock or Restricted Stock Units shall be at the discretion of the Committee.

(b) *Performance Criteria.* Restricted Stock and Restricted Stock Units granted pursuant to the Plan that are intended to qualify as performance based compensation under Section 162(m) of the Code shall be subject to the attainment of performance goals relating to the Performance Criteria selected by the Committee and specified at the time such Restricted Stock and Restricted Stock Units are granted. For purposes of this Plan, Performance Criteria means one or more of the following (as selected by the Committee): (i) cash flow; (ii) earnings per share, including as adjusted (A) to exclude the impact of any (1) significant acquisitions or dispositions of businesses by the Company, (2) one-time, non-operating charges, or (3) accounting changes (including the early adoption of any accounting change mandated by any governing body, organization or authority); and (B) for any stock split, stock dividend or other recapitalization; (iii) earnings before interest, taxes, and amortization; (iv) return on equity; (v) total shareholder return; (vi) share price performance; (vii) return on capital; (viii) return on assets or net assets; (ix) revenue; (x) income; (xi) operating income; (xii) operating profit; (xiii) profit margin; (xiv) return on operating revenue; (xv) return on invested capital; (xvi) market price; (xvii) brand recognition/acceptance; (xviii) customer satisfaction; (xix) productivity; or (xx) sales growth and volume. Any of these Performance Criteria may be used to measure the performance of the Company as a whole or any business unit or division of the Company.

(c) *Vesting.* Unless the Committee determines otherwise, the Award Agreement shall provide for the forfeiture of the non-vested Shares underlying Restricted Stock or Restricted Stock Units upon the termination of a Participant's Active Status. To the extent that the Participant purchased the Shares granted under such Restricted Stock or Restricted Stock Units and any such Shares remain non-vested at the time the Participant's Active Status terminates, the termination of Active Status shall cause an immediate sale of such non-vested Shares to the Company at the original price per Share paid by the Participant.

SECTION 12. *Grant, Terms and Conditions of SARs.*

(a) *Grants.* The Committee shall have the full power and authority, exercisable in its sole discretion, to grant SARs to selected Participants. The Committee is authorized to grant both tandem stock appreciation rights, consisting of SARs with underlying Options (Tandem SARs), and stand-alone stock appreciation rights (Stand-Alone SARs) as described below. The terms of SARs shall be at the discretion of the Committee. In no event shall the Board or the Committee be permitted to Reprice a SAR after the date of grant without shareholder approval.

(b) *Tandem SARs.*

(i) Participants may be granted a Tandem SAR, exercisable upon such terms and conditions as the Committee shall establish, to elect between the exercise of the underlying Option for Shares or the surrender of the Option in exchange for a distribution from the Company in an amount equal to the excess of (A) the Fair Market Value (on the Option surrender date) of the number of Shares in which the Participant is at the time vested under the surrendered Option (or surrendered portion thereof) over (B) the aggregate exercise price payable for such vested Shares.

(ii) No such Option surrender shall be effective unless it is approved by the Committee, either at the time of the actual Option surrender or at any earlier time. If the surrender is so approved, then the distributions to which the Participant shall become entitled under this Section 12(b) may be made in Shares valued at Fair Market Value (on the Option surrender date), in cash, or partly in Shares and partly in cash, as the Committee shall deem appropriate.

(iii) If the surrender of an Option is not approved by the Committee, then the Participant shall retain whatever rights he or she had under the surrendered Option (or surrendered portion thereof) on the Option surrender date and may exercise such rights at any time prior to the later of (A) five (5) business days after the receipt of the rejection notice or (B) the last day on which the Option is otherwise exercisable in accordance with the terms of the instrument evidencing such Option, but in no event may such rights be exercised more than ten (10) years after the date of the Option grant.

(c) *Stand-Alone SARs.*

(i) A Participant may be granted a Stand-Alone SAR not tied to any underlying Option under Section 10 of the Plan. The Stand-Alone SAR shall cover a specified number of Shares and shall be exercisable upon such terms and conditions as the Committee shall establish. Upon exercise of the Stand-Alone SAR, the holder shall be entitled to receive a distribution from the Company in an amount equal to the excess of (A) the aggregate Fair Market Value (on the exercise date) of the Shares underlying the exercised right over (B) the aggregate base price in effect for those Shares.

(ii) The number of Shares underlying each Stand-Alone SAR and the base price in effect for those Shares shall be determined by the Committee at the time the Stand-Alone SAR is granted. In no event, however, may the base price per Share be less than the Fair Market Value per underlying Share on the grant date.

(iii) The distribution with respect to an exercised Stand-Alone SAR may be made in Shares valued at Fair Market Value on the exercise date, in cash, or partly in Shares and partly in cash, as the Committee shall deem appropriate.

(d) *Exercised SARs.* The Shares issued in settlement of any SARs exercised under this Section 12 shall not be available for subsequent issuance under the Plan. In accordance with Section 4, Shares underlying any exercised SARs that were not issued in settlement of the SAR shall become available for future issuance under the Plan.

PART IV

TERM OF PLAN AND SHAREHOLDER APPROVAL

SECTION 13. *Term of Plan.* The Plan shall become effective as of the Effective Date. It shall continue in effect until the tenth anniversary of the Effective Date or until terminated under Section 14 of the Plan or extended by an amendment approved by the shareholders of the Company pursuant to Section 14(a).

SECTION 14. *Amendment and Termination of the Plan.*

(a) *Amendment and Termination.* The Board or the Committee may amend or terminate the Plan from time to time in such respects as the Board may deem advisable (including, but not limited to amendments which the Board deems appropriate to enhance the Company's ability to claim deductions related to stock option exercises); provided that to the extent required by the Code or the rules of Nasdaq or the SEC, shareholder approval shall be required for any amendment of the Plan. Subject to the foregoing, it is specifically intended that the Board or Committee may amend the Plan without shareholder approval to comply with legal, regulatory and listing requirements and to avoid unanticipated consequences deemed by the Committee to be inconsistent with the purpose of the Plan or any Award Agreement.

(b) *Participants in Foreign Countries.* The Committee shall have the authority to adopt such modifications, procedures, and sub-plans as may be necessary or desirable to comply with provisions of the laws of foreign countries in which the Company or its Subsidiaries may operate to assure the viability of the benefits from Awards granted to Participants performing services in such countries and to meet the objectives of the Plan.

(c) *Effect of Amendment or Termination.* Any amendment or termination of the Plan shall not affect Awards already granted and such Awards shall remain in full force and effect as if this Plan had not been amended or terminated, unless mutually agreed otherwise between the Participant and the Committee, which agreement must be in writing and signed by the Participant and the Company.

SECTION 15. *Shareholder Approval.* The effectiveness of the Plan is subject to approval by the shareholders of the Company in accordance with applicable Nasdaq rules.
