**Item 7.01. Regulation FD Disclosure.**

On July 6, 2007, Bristow Group Inc. (the Company ) posted to the Investor Relations page of its website a corrected version of the growth update (the Growth Update ) reported in Bristow s Current Report on Form 8-K dated July 6, 2007 (the Original Filing ). A schedule attached to the Growth Update as furnished with the Original Filing erroneously reported two quarters during which Bristow expects delivery of four large aircraft for its Eastern Hemisphere division. This amendment is filed solely to correct such information. A corrected copy of the Growth Update is furnished as Exhibit 99.1 hereto.

The Growth Update reports that, pro forma for the issuance in June 2007 of \$300 million aggregate principal amount of 7 1/2% senior notes due 2017, Bristow s capital structure as of March 31, 2007 resulted in approximately 45% adjusted leverage. Adjusted leverage is a non-GAAP financial measure consisting of Bristow s debt plus its GE aircraft leases and U.K. unfunded pension obligations, divided by Bristow s book capitalization. Bristow s management believes that disclosure of this measure provides useful information because it provides greater transparency with respect to Bristow s payment obligations. Non-GAAP financial measures should not be considered as a substitute for, or superior to, measures of financial performance prepared in accordance with GAAP.

Information on Bristow s website is not incorporated by reference in this Form 8-K. The information in this Form 8-K and the attached exhibit shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934 (the Exchange Act ) or otherwise subject to the liabilities of that Section, nor shall it be deemed incorporated by reference in any registration statement or other filing under the Securities Act of 1933 or the Exchange Act unless Bristow expressly states that such information is to be considered filed under the Exchange Act or incorporates it by specific reference in such filing.
