PROXY STATEMENT

2004 ANNUAL MEETING OF STOCKHOLDERS

General Information

This Proxy Statement is furnished to holders of Royal Gold, Inc. (the Company) common stock, in connection with the solicitation of proxies on behalf of the Board of Directors of the Company, to be voted at the Annual Meeting of Stockholders of the Company (the Annual Meeting) to be held on Wednesday, November 10, 2004, at 9:30 a.m. This Proxy Statement and the proxy card were first mailed to Stockholders on or about October 8, 2004.

Stockholders Entitled to Vote

All Stockholders of record of the Common Stock (\$0.01 par value) of the Company (Common Stock) at the close of business on September 17, 2004 (the Record Date), are entitled to vote at the Annual Meeting and at any and all postponements and adjournments thereof. As of the Record Date, there were 20,783,359 shares of Common Stock outstanding and entitled to vote.

Voting Your Shares

Each share of Common Stock that you own entitles you to one vote. Your proxy card shows the number of shares of Common Stock that you own.

You may vote your shares by signing and returning the enclosed proxy. If you vote by proxy, the proxy holders (each or any of the individuals named on the proxy) will vote your shares as you instruct on the proxy. If you sign and return the proxy, but do not give instructions on how to vote your shares, your shares will be voted (1) **FOR** the election of directors as described herein under Proposal 1 Election of Directors, (2) **FOR** the approval and adoption of the Company's 2004 Omnibus Long-Term Incentive Plan as described herein under Proposal 2 Approval and Adoption of the Company's 2004 Omnibus Long-Term Incentive Plan, and (3) **FOR** ratification of the appointment of the Company's independent auditors described herein under Proposal 3 Ratification of Appointment of Independent Auditors.

You may vote by telephone or by the Internet by following the telephone or Internet voting instructions that are included with your proxy card. If you vote by telephone or the Internet, you do not need to return your proxy card.

You may attend the Annual Meeting and vote in person. You will be given a ballot when you arrive. However, if your stock is held in the name of your broker, bank or another nominee, you must get a signed proxy from the broker, bank or other nominee giving you the right to vote your shares. This will be the only way we can be sure that the broker, bank or other nominee has not already voted your shares on your behalf.

Revocation of Proxy or Voting Instruction Form

You may revoke your proxy at any time before the proxy is voted at the Annual Meeting. This can be done by either submitting another properly completed proxy card with a later date, sending a written notice of revocation to the Secretary of the Company with a later date or by attending the Annual Meeting and voting in person. You should be aware that simply attending the Annual Meeting

Table of Contents

will not automatically revoke your previously submitted proxy, rather you must notify a Company representative at the Annual Meeting of your desire to revoke your proxy and vote in person. Written notice revoking a proxy should be sent to the Corporate Secretary, Royal Gold, Inc., 1660 Wynkoop Street, Suite 1000, Denver, Colorado 80202.

Votes Required to Approve the Proposals

The holders of a majority of the issued and outstanding shares of Common Stock of the Company entitled to vote at the Annual Meeting must be present in person or represented by proxy in order to constitute a quorum for all matters to come before the meeting. Abstentions and broker non-votes will be counted as being present in person for purposes of determining whether there is a quorum. The affirmative vote of sixty percent (60%) of the shares that are represented and entitled to vote at a meeting at which a quorum is present shall be the act of the Stockholders.

All voting rights are vested exclusively in the holders of the Common Stock. As of the Record Date, there were 20,783,359 shares of Common Stock outstanding. Each share of Common Stock entitles the Stockholder to one vote on all matters that may come before the Annual Meeting.

Votes at the Annual Meeting will be tabulated and certified by Computershare Trust, the Company's Transfer Agent. Computershare Trust will treat shares of Common Stock represented by a properly signed and returned proxy as present at the Annual Meeting for purposes of determining a quorum, without regard to whether the proxy is marked as casting a vote or abstaining.

In the election of directors, each Stockholder eligible to vote may vote the number of shares of Common Stock held for each director to be elected, but cumulative voting is not permitted. Under Delaware law, holders of Common Stock are not entitled to appraisal or dissenters rights with respect to the matters to be considered at the Annual Meeting.

Tabulation of Votes

Abstentions will be counted as shares present and entitled to be voted. Thus, abstentions will count the same as a vote **AGAINST** Proposals 1, 2 or 3. Brokers have discretion to vote shares they hold in street name on certain routine matters. The election of directors and the ratification of the appointment of independent auditors are considered routine matters. The approval of the Company's 2004 Omnibus Long-Term Incentive Plan is considered a non-routine matter. Thus, brokers that do not vote your shares with respect to Proposals 1 and 3 will be treated as abstentions and will count the same as a vote **AGAINST** Proposals 1 and 3. Broker non-votes, however, are not counted as shares present and entitled to be voted with respect to the matters which the broker does not have discretionary voting power with respect to that item and has not received instructions from the beneficial owner. Thus, broker non-votes will not affect the outcome of the voting on Proposal 2.

Solicitation Costs

The enclosed proxy card and voting instruction form is being solicited on behalf of the Board of Directors of the Company. In addition to solicitation of proxies by mail, the Company's directors, officers or employees, without additional compensation, may make solicitations by telephone, facsimile, or personal interview. The Company has retained Georgeson Shareholder Communications Inc. to aid in the solicitation of brokers, banks, intermediaries and other institutional holders in the United States and Canada for a fee of \$9,500, plus reimbursement for out-of-pocket expenses. All costs of the solicitation of proxies will be borne by the Company. The Company will also reimburse the banks and brokers for their reasonable out-of-pocket expenses in forwarding proxy materials to beneficial owners of shares of Common Stock.

MEETINGS AND COMMITTEES OF THE BOARD

During the fiscal year ended June 30, 2004, the Board of Directors held five regular meetings, and on six separate occasions action was taken by unanimous written consent. Each director attended (in person or by telephone) at least 75% of the aggregate number of meetings of the Board and of the Committee(s) of the Board on which he served, except for Mr. Gousseland, who attended in person or by telephone, at least 60% of the aggregate number of meetings of the Board, and all of the Committee(s) of the Board on which he served. It is the Company's policy that each member of the Board of Directors is expected to attend each Annual Meeting of Stockholders. All directors, except for one, attended last year's Annual Meeting of Stockholders.

Independence of Directors

The independent members of the Board of Directors have determined that each of the directors, except for Messrs. Dempsey and Jensen, who are officers of the Company, is independent under Rule 4200(a)(15) of the NASD listing standards. The Board considers Mr. Peiker independent since he has not been involved with the day to day management of the Company since February 1992 and does not serve on any Committees of the Board. The Board of Directors has determined that the directors designated as independent have no relationship with the Company that may interfere with the exercise of their independent judgment.

Lead Director

The Board of Directors has elected a lead, independent director who presides over executive sessions of the independent directors scheduled at each regular Board meeting. This lead director position is a rotating position on a yearly basis. The lead director serves as liaison between the Chairman and other independent directors. The Board of Directors has selected John W. Goth to serve as lead director for the 2005 fiscal year.

Table of Contents

Audit Committee

The Board of Directors has a standing Audit Committee. The Audit Committee consists of James W. Stuckert, John W. Goth, and Donald Worth. All members of the Audit Committee are independent under Rule 4200(a)(15) of the NASD listing standards and Section 10A(m)(3) of the Securities Exchange Act of 1934, as amended. The Audit Committee held eight meetings during the fiscal year. The Board of Directors has recently adopted an amended Charter for the Audit Committee, which is attached as Appendix A.

The Audit Committee assists the Board in its oversight of the integrity of the Company's financial statements and compliance with legal and regulatory requirements and corporate policies and controls. The Audit Committee has the sole authority to retain and terminate the Company's independent auditors, approve all auditing services and related fees and the terms of any agreements, and to pre-approve any non-audit services to be rendered by the Company's independent auditors. The Audit Committee is responsible for confirming the independence and objectivity of the independent auditors. The Audit Committee is also responsible for preparation of the annual report of the Audit Committee for public disclosure in the Company's Proxy Statement. The Board of Directors has determined that James Stuckert is an audit committee financial expert as that term is defined in Item 401(h) of Regulation S-K. As an audit committee financial expert, Mr. Stuckert satisfies the Nasdaq financial literacy and sophistication requirements.

Compensation, Nominating and Corporate Governance Committee

In August 2004, the Board of Directors changed its standing Compensation Committee to the Compensation, Nominating and Corporate Governance Committee. The Compensation, Nominating and Corporate Governance Committee consists of John W. Goth, James W. Stuckert and Pierre Gousseland, all of whom are considered independent directors under Rule 4200(a)(15) of the NASD listing standards. The Committee held four meetings during the fiscal year. The Board has adopted a Charter for the Compensation, Nominating and Corporate Governance Committee, which is attached as Appendix B.

The Compensation, Nominating and Corporate Governance Committee assumes the role of implementing compensation plans for top executives, as well as directors. The Committee's function is to review new or modified programs in the areas of executive salary, incentive compensation, and stock plans; and review and make recommendations to the Company's Board of Directors concerning the levels and forms of compensation paid to the officers and key employees of the Company. It also is responsible for preparation of the Annual Report on Executive Compensation for public disclosure in the Company's Proxy Statement.

The Compensation, Nominating and Corporate Governance Committee advises the Board of Directors on various corporate governance issues, in addition to compensation matters as discussed above. Additionally, it proposes to the Board of Directors slates of directors to be recommended for election at the Annual Meeting of Stockholders (and any directors to be elected by the Board of Directors to fill vacancies). In selecting director nominees, the Committee assesses the nominee's independence, as well as considers his or her experience, areas of expertise, diversity, perspective, broad business judgment and leadership, all in the context of an assessment of the perceived needs of the Board at that time. Further, the Committee will consider director candidates recommended by Stockholders using the same criteria outlined above, provided such written recommendations are submitted to the Secretary of the Company in accordance with the advance notice and other provisions of the Company's Bylaws.

Communication with Stockholders

Any Stockholder who desires to contact the Company's Board of Directors may do so by writing to the Vice President and Corporate Secretary, Royal Gold, Inc., 1660 Wynkoop Street, Suite 1000, Denver, Colorado 80202. Any such communication should state the number of shares beneficially owned by the Stockholder making the communication. The Secretary will forward any such communication to the Chairman of the Compensation, Nominating and Corporate Governance

During fiscal year 2004, no consulting fees or expenses were paid to Mr. Peiker under his consulting agreement. In March 2004, Mr. Peiker's consulting agreement with the Company was terminated.

**COMPLIANCE WITH SECTION 16(a) OF THE
SECURITIES EXCHANGE ACT OF 1934**

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's officers and directors, and persons who own more than 10% of a registered class of the Company's equity securities, to file reports of ownership and changes in ownership to the Securities and Exchange Commission. Officers, directors and greater than 10% Stockholders are required by the regulations of the Securities and Exchange Commission to furnish the Company with copies of all Section 16(a) reports they file. Based solely on its review of copies of such reports received and written representations from certain persons that no other reports were required for those persons, the Company believes that all filing requirements applicable to its officers, directors and greater than 10% Stockholders were met for the fiscal year ended June 30, 2004, and all transactions are reflected in this Proxy Statement.

Employment Contracts

Edgar Filing: ROYAL GOLD INC - Form DEF 14A

Four of the six officers of the Company are employed pursuant to an employment contract providing for salary at current salary levels. Each of the employment contracts is renewable, for a term

Table of Contents

of 12 months, every February. Pursuant to each of the employment contracts, salary and benefits are to be continued for 12 months following the employee's involuntary termination, or following the employee's voluntary termination for good reason after a change in control event. A change in control event, as defined in the employment contracts, will occur upon: (1) the acquisition, directly or indirectly, by any person or related group of persons, of beneficial ownership of securities possessing more than 30% of the total combined voting power of the Company's outstanding securities; (2) a change in the composition of the Board over a period of 18 consecutive months or less such that 50% or more of the Board members cease to be directors who either (A) have been directors continuously since the beginning of such period, or (B) have been unanimously elected or nominated by the Board for election as directors during such period; (3) a stockholder-approved merger or consolidation to which the Company is a party and, in which, (A) the Company is not the surviving entity, or (B) securities possessing more than 30% of the total combined voting power of the Company's outstanding securities are transferred to a person or persons different from the persons holding those securities immediately prior to such transaction; or (4) the sale, transfer or other disposition of all or substantially all of the Company's assets in complete liquidation or dissolution of the Company.

Pension Plans

In fiscal 1994, the Company established a variation of a Simplified Employee Pension (SEP) Plan, known as a Salary Reduction/Simplified Employee Pension Plan (SARSEP). Management chose this Plan because of regulatory compliance simplicity, avoidance of significant administrative expense, availability of substantial tax-advantaged investment opportunities, and relative freedom from significant vesting or other limitations. Under this Plan, the Company may contribute to a designated IRA account, on an annual basis, up to 15% of each employee-participant's base compensation. Each such contribution would, within limits, be a deductible expense to the Company; would be free of federal income taxation as to the employee; and would be subject to continuing investment, on a tax-deferred basis, until assets are actually distributed to the employee. All Company employees are eligible to participate in the SARSEP Plan.

Compensation Committee Interlocks and Insider Participation

The Company's Compensation, Nominating and Corporate Governance Committee during the 2004 fiscal year consisted of Mr. Goth, who served as Chairman, Mr. Stuckert and Mr. Gousseland. No member of the Committee was, at any time during the 2004 fiscal year or at any other time, an officer or employee of the Company. No executive officer of the Company served on the Compensation Committee of another entity, or any other committee of the Board of Directors of another entity performing similar functions during the Company's past fiscal year.

Report of the Compensation, Nominating and Corporate Governance Committee on Executive Compensation

The information contained in the following Report on Executive Compensation shall not be deemed soliciting material or filed with the SEC, nor shall such information be incorporated by reference into a future filing under the Securities Act of 1933 and the Securities Exchange Act of 1934, except to the extent the Company specifically incorporates this Report by reference therein.

The Compensation, Nominating and Corporate Governance Committee of the Board of Directors is composed entirely of directors who are not officers or employees of the Company. The Committee is responsible for, among other things, setting and administering the policies that govern the compensation for the executive officers of the Company. The Committee evaluates the performance of management and recommends to the full Board of Directors the compensation level for all officers and key employees. The Committee also administers the Company's Equity Incentive Plan and determines the amount of stock options granted to officers and key employees.

The primary objectives of the Company's executive compensation program are: to attract and retain key executives who are critical to the long-term success of the Company by offering compensation packages believed to be appropriate in light of compensation in the industry; to evaluate

Table of Contents

executive performance in light of the Company's performance; to provide an economic framework that will motivate executives to achieve goals consistent with the Company's business strategy; to reward performance that benefits all Stockholders; and to provide a compensation package that recognizes individual results and contributions to the overall success of the Company.

The Compensation, Nominating and Corporate Governance Committee's policy objectives are to pay base salaries that are comparable with those paid by the mining industry. Due to the Company's small staff, compensation practices are flexible and entrepreneurial, with compensation geared to meeting the requirements of the Company and the individual. Bonus payments are paid when individual performance and significant achievements for the Company's future revenue growth or other circumstances warrant special recognition. Bonuses are based upon the contribution of each individual and are usually paid on an annual basis. Long-term incentives, in the form of stock options, are another component of executive compensation and are granted to ensure an incentive exists to maximize shareholder wealth by tying executive compensation to share price performance, and to reward those executives making a long-term commitment to the Company.

The Committee evaluates a variety of information when reviewing salary levels and when making recommendations to the full Board. When reviewing individual performance of officers of the Company, the Committee also takes into account the views of the Company's Chairman and Chief Executive Officer. Before or at the end of each year, the Committee evaluates each individual officer's performance in order to determine whether to recommend the payment of bonuses and/or options and, if so, the amount of each such bonus and/or options.

In making recommendations concerning executive compensation, the Committee reviews individual executive compensation, individual performance, corporate performance, stock price appreciation, and total return to Stockholders of the Company. The Board of Directors usually establishes the salary levels of the Company's executives and officers at its May meeting.

The Committee also reviews and approves stock option awards, under the Company's Equity Incentive Plan. The purpose of stock option awards is to provide key employees with an incentive to continue as employees of the Company over the long-term, and to align such employees' long-range interests with those of the Stockholders by providing the opportunity of having an equity interest in the Company. The Committee grants stock option awards based on salary, level of responsibility, and performance. All stock options are granted with an exercise price equal to the market price of the Common Stock on the date of grant. Incentive Stock Options vest in one year and have a 10-year term. Non-Statutory Options typically vest on the date of grant and have a 10-year term.

During the fiscal year ended June 30, 2004, options to acquire 69,000 shares were awarded to officers of the Company.

Chief Executive Officer. In evaluating the performance and setting the compensation of the Chairman and Chief Executive Officer, the Committee took into account the base salaries of chief executive officers of other mining companies, including some of the companies that are referenced in the XAU Gold Index which are listed in the Cumulative Total Shareholder Return Chart. The Committee also assessed Mr. Dempsey's individual performance, including his leadership with respect to the development of long-term business strategies for the Company to improve its economic value. The Committee also evaluates the performance of the Company when making compensation decisions regarding the Chief Executive Officer. The Committee took into account the longevity of Mr. Dempsey's service to the Company and its belief that Mr. Dempsey is an excellent representative of the Company to the public by virtue of his stature in the community and the industry in which the Company operates.

The Committee believes that the Chairman and Chief Executive Officer, as well as the other officers of the Company, are strongly motivated and are dedicated to the growth of the Company and to increasing Stockholder value. Because of the leadership provided by the Chairman and other officers of the Company, the Committee felt that bonuses should be awarded for the Chairman as well as the other officers of the Company. Therefore, in fiscal 2004, a bonus of \$150,000 was awarded to

Table of Contents

the Chairman, and bonuses totaling \$275,000 were awarded to the other officers. A salary increase of \$13,000 was given to the Chairman and the salaries of the other officers were also increased.

This Report has been submitted by the following members of the Compensation, Nominating and Corporate Governance Committee of the Board of Directors:

Directors Compensation

During fiscal 2004, each non-employee director of the Company received an annual fee of \$12,000 for service as a director. The outside directors fee has remained fixed at \$12,000 per year since 1997. Since November 2001, non-employee directors have also received a fee in the amount of \$500 for each scheduled Board meeting. In May 2003, the Board of Directors approved the Chairman of the Audit Committee to receive a yearly fee of \$1,000 and for all Audit Committee members to receive a fee of \$500 per meeting. There were no fees paid to the members of the Compensation, Nominating and Corporate Governance Committee.

At a meeting of the Board of Directors in August 2004, it was recommended and approved that (1) each non-employee director of the Company receive an annual fee of \$15,000, (2) the fee for each scheduled Board meeting be increased to \$700; (3) the yearly fee for the Chairman of the Audit Committee be increased to \$2,000; (4) the Chairman of the Compensation, Nominating and Corporate Governance Committee receive a yearly fee of \$2,000; and (5) the members of the Compensation, Nominating and Corporate Governance Committee receive a fee of \$500 per meeting.

Pursuant to the Company's Equity Incentive Plan, each non-employee director also is granted annually a Non-Statutory Option (NSO) to purchase 5,000 shares of Common Stock, at an exercise price equal to the fair market value of the Company's Common Stock on the date of grant. Accordingly, on November 11, 2003, each non-employee director of the Company was granted 5,000 NSOs, at an exercise price of \$18.75 per share. These options have a ten-year term and are exercisable immediately with respect to 2,500 shares and after 12 months with respect to the other 2,500 shares.

The Company believes that the XAU Gold Index is more representative of the gold mining industry whereas the Standard and Poor's Gold Index reflects only one gold mining company.

PROPOSAL 2.

APPROVAL AND ADOPTION OF THE COMPANY'S 2004 OMNIBUS LONG-TERM INCENTIVE PLAN

This section provides a summary of the terms of the 2004 Omnibus Long-Term Incentive Plan (the "Plan") and the proposal to approve the Plan.

The Board of Directors approved the Plan on October 6, 2004, subject to approval from Stockholders at the Annual Meeting. The Board of Directors is requesting Stockholders to approve and adopt the Plan because the Board believes the adoption and approval of the Plan is essential to the Company's continued success. The purpose of the Plan is to attract and to encourage the continued employment and service of, and maximum efforts by, officers, key employees and other key individuals by offering those persons an opportunity to acquire or increase a direct proprietary interest in the operations and future success of the Company. In the judgment of the Board of Directors, an initial or increased grant under the Plan will be a valuable incentive and will serve to the ultimate benefit of Stockholders by aligning more closely the interests of participants in the Plan with those of the Company's Stockholders.

On the Record Date, the number of shares of Common Stock reserved for issuance under the 2004 Omnibus Long-Term Incentive Plan was equal to the sum of nine hundred thousand (900,000) shares of Common Stock and any shares of Common Stock available for grant (including shares which become available due to forfeitures of outstanding awards) under the Company's Equity Incentive Plan. The aggregate number of shares of Common Stock which cumulatively may be available for issuance pursuant to awards other than options or SARs may not exceed four hundred fifty thousand (450,000). All shares of Common Stock issuable under the plan may be issued as incentive stock options. The number of shares reserved for issuance under the 2004 Omnibus Long-Term Incentive Plan will be increased by the number of shares of Common Stock repurchased with the proceeds from any option exercises. The number of shares added pursuant to stock repurchases with option proceeds shall not exceed the total amount of such option proceeds divided by the fair market value of the Common Stock on the date of the exercise of the applicable option. For this purpose, option proceeds include the cash paid for the option price and the tax benefit to the Company of such option exercise.

On the Record Date, the closing price of our Common Stock was \$15.75 per share. There are currently no participants in the 2004 Omnibus Long-Term Incentive Plan. Because participation and the types of awards under the 2004 Omnibus Long-Term Incentive Plan are subject to the discretion of the Compensation, Nominating and Corporate Governance Committee, the benefits or amounts that will be received by any participant or groups of participants if the 2004 Omnibus Long-Term Incentive Plan is approved are not currently determinable. On the Record Date, there were approximately six executive officers, eight employees and seven non-employee directors of the Company and its subsidiaries who were eligible to participate in the 2004 Omnibus Long-Term Incentive Plan.

Unless otherwise indicated, properly executed proxies will be voted in favor of Proposal 2 to approve the 2004 Omnibus Long-Term Incentive Plan.

Description of the Plan

A description of the provisions of the Plan is set forth below. This summary is qualified in its entirety by the detailed provisions of the Plan, a copy of which is attached as Appendix C to this Proxy Statement.

Administration. The Compensation, Nominating and Corporate Governance Committee is responsible for administering the Plan. Subject to the terms of the Plan, the Committee may select participants to receive awards, determine the types of awards and terms and conditions of awards, and interpret provisions of the Plan.

Common Stock Reserved for Issuance under the Plan. The Common Stock issued or to be issued under the Plan consists of authorized but unissued shares and treasury shares. If any shares

Table of Contents

covered by an award are not purchased or are forfeited, or if an award otherwise terminates without delivery of any Common Stock, then the number of shares of Common Stock counted against the aggregate number of shares available under the Plan with respect to the award will, to the extent of any such forfeiture or termination, again be available for making awards under the Plan.

Eligibility. Awards may be made under the Plan to employees of or consultants to the Company or any of our affiliates, including any such employee who is an officer or director of the Company or of any affiliate, and to any other individual whose participation in the plan is determined to be in the best interest of the Company by the Board of Directors.

Amendment or Termination of the Plan. The Board of Directors may terminate or amend the Plan at any time and for any reason. The Plan shall terminate in any event ten years after its effective date. Amendments will be submitted for Stockholder approval to the extent required by the Internal Revenue Code or other applicable laws, rules or regulations.

Options. The Plan permits the granting of options to purchase shares of Common Stock intended to qualify as incentive stock options under the Internal Revenue Code and stock options that do not qualify as incentive stock options.

The exercise price of each stock option may not be less than 100% of the fair market value of our Common Stock on the date of grant. The fair market value is generally determined as the closing price of the Common Stock on The Nasdaq Stock Market on the determination date. In the case of certain 10% Stockholders who receive incentive stock options, the exercise price may not be less than 110% of the fair market value of the Common Stock on the date of grant. An exception to these requirements is made for options that the Company grants in substitution for options held by employees of companies that the Company acquires. In such a case the exercise price is adjusted to preserve the economic value of the employee's stock option from his or her former employer.

The term of each stock option is fixed by the Compensation, Nominating and Corporate Governance Committee and may not exceed ten years from the date of grant. The Committee determines at what time or times each option may be exercised and the period of time, if any, after retirement, death, disability or termination of employment during which options may be exercised. Options may be made exercisable in installments. Additionally, the Committee may accelerate the exercisability of options.

In general, an optionee may pay the exercise price of an option by cash, certified check, by tendering shares of Common Stock (which if acquired from the Company have been held by the optionee for at least six months), or by means of a broker-assisted cashless exercise.

Stock options and stock appreciation rights may not be repriced absent Stockholder approval. This provision applies to both direct repricings (lowering the exercise price of an outstanding grant) and indirect repricings (canceling an outstanding grant and granting a replacement grant with a lower exercise price).

Stock options granted under the Plan may not be sold, transferred, pledged or assigned other than by will or under applicable laws of descent and distribution. However, the Company may permit limited transfers of non-qualified options for the benefit of immediate family members of grantees to help with estate planning concerns.

Other Awards. The Compensation, Nominating and Corporate Governance Committee may also award:

shares of unrestricted stock, which are shares of Common Stock at no cost or for a purchase price determined by the Committee which are free from any restrictions under the Plan. Unrestricted shares of Common Stock may be issued to participants in recognition of past services or other valid consideration, and may be issued in lieu of cash compensation to be paid to participants.

restricted stock, which is shares of Common Stock subject to restrictions.

stock units, which are Common Stock units subject to restrictions.

Table of Contents

dividend equivalent rights, which are rights entitling the recipient to receive credits for dividends that would be paid if the recipient had held a specified number of shares of Common Stock.

stock appreciation rights, which are a right to receive a number of shares or, in the discretion of the Committee, an amount in cash or a combination of shares and cash, based on the increase in the fair market value of the shares underlying the right during a stated period specified by the Committee.

performance and annual incentive awards, ultimately payable in Common Stock or cash, as determined by the Committee. The Committee may grant multi-year and annual incentive awards subject to achievement of specified goals tied to business criteria (described below). The Committee may specify the amount of the incentive award as a percentage of these business criteria, a percentage in excess of a threshold amount or as another amount that need not bear a strictly mathematical relationship to these business criteria. The Committee may modify, amend or adjust the terms of each award and performance goal. Awards to individuals who are covered under Section 162(m) of the Internal Revenue Code, or who the Committee designates as likely to be covered in the future, will comply with the requirement that payments to such employees qualify as performance-based compensation under Section 162(m) of the Internal Revenue Code to the extent that the Committee so designates. Such employees include the chief executive officer and the five highest compensated executive officers (other than the chief executive officer) determined at the end of each year (the covered employees).

Effect of Certain Corporate Transactions. Certain change of control transactions involving the Company, such as a sale of the Company, may cause awards granted under the Plan to vest, unless the awards are continued or substituted for in connection with the change of control transaction.

Adjustments for Stock Dividends and Similar Events. The Committee will make appropriate adjustments in outstanding awards and the number of shares available for issuance under the Plan, including the individual limitations on awards, to reflect Common Stock dividends, stock splits and other similar events.

Section 162(m) of the Internal Revenue Code. Section 162(m) of the Internal Revenue Code limits publicly-held companies such as the Company to an annual deduction for federal income tax purposes of \$1 million for compensation paid to their covered employees. However, performance-based compensation is excluded from this limitation. The Plan is designed to permit the Committee to grant awards that qualify as performance-based for purposes of satisfying the conditions of Section 162(m).

To qualify as performance-based:

- (1) the compensation must be paid solely on account of the attainment of one or more pre-established, objective performance goals;
- (2) the performance goal under which compensation is paid must be established by a compensation committee comprised solely of two or more directors who qualify as outside directors for purposes of the exception;
- (3) the material terms under which the compensation is to be paid must be disclosed to and subsequently approved by shareholders of the corporation before payment is made in a separate vote; and
- (4) the Committee must certify in writing before payment of the compensation that the performance goals and any other material terms were in fact satisfied.

In the case of compensation attributable to stock options, the performance goal requirement (summarized in (1) above) is deemed satisfied, and the certification requirement (summarized in (4) above) is inapplicable, if the grant or award is made by the Committee; the plan

Table of Contents

under which the option is granted states the maximum number of shares with respect to which options may be granted during a specified period to an employee; and under the terms of the option, the amount of compensation is based solely on an increase in the value of the Common Stock after the date of grant.

Under the Plan, one or more of the following business criteria, on a consolidated basis, and/or with respect to specified subsidiaries or business units (except with respect to the total stockholder return and earnings per share criteria), are used exclusively by the Committee in establishing performance goals:

total stockholder return;

such total stockholder return as compared to total return (on a comparable basis) of a publicly available index such as, but not limited to, the Standard & Poor's 500 Stock Index;

net income;

pretax earnings;

earnings before interest expense, taxes, depreciation and amortization;

pretax operating earnings after interest expense and before bonuses, service fees and extraordinary or special items;

operating margin;

earnings per share;

return on equity;

return on capital;

return on investment;

operating earnings;

working capital;

ratio of debt to stockholders' equity;

revenue; and

free cash flow and free cash flow per share.

These business criteria may be calculated based on either Generally Accepted Accounting Principles (GAAP) or non-GAAP measures. In addition, these criteria may be measured on an absolute basis or on a relative basis (i.e., performance in relation to peer companies).

Under the Internal Revenue Code, a director is an "outside director" of the Company if he or she is not a current employee of the Company; is not a former employee who receives compensation for prior services (other than under a qualified retirement plan); has not been an officer of the Company; and does not receive, directly or indirectly (including amounts paid to an entity that employs the director or in which the director has at least a five percent ownership interest), remuneration from the Company in any capacity other than as a director.

The maximum number of shares of Common Stock subject to options or SARs that can be awarded under the Plan to any person is 100,000 per year. The maximum number of shares of Common Stock that can be awarded under the Plan to any person, other than pursuant to an option or SAR, is 100,000 per year. The maximum amount that may be earned as an annual incentive award or other cash award in any fiscal year by any one person is \$1,000,000 and the maximum amount that may be earned as a performance award or other cash award in respect of a

performance period by any one person is \$2,000,000.

Federal Income Tax Consequences

Incentive Stock Options. The grant of an option will not be a taxable event for the grantee or for the Company. A grantee will not recognize taxable income upon exercise of an incentive stock option (except that the alternative minimum tax may apply), and any gain realized upon a disposition of our Common Stock received pursuant to the exercise of an incentive stock option will be taxed as long-term capital gain if the grantee holds the shares of Common Stock for at least two years after the date of grant and for one year after the date of exercise (the holding period requirement). The Company will not be entitled to any business expense deduction with respect to the exercise of an incentive stock option, except as discussed below.

For the exercise of an option to qualify for the foregoing tax treatment, the grantee generally must be a Company employee or an employee of a subsidiary of the Company from the date the option is granted through a date within three months before the date of exercise of the option.

If all of the foregoing requirements are met except the holding period requirement mentioned above, the grantee will recognize ordinary income upon the disposition of the Common Stock in an amount generally equal to the excess of the fair market value of the Common Stock at the time the option was exercised over the option exercise price (but not in excess of the gain realized on the sale). The balance of the realized gain, if any, will be capital gain. The Company will be allowed a business expense deduction to the extent the grantee recognizes ordinary income, subject to the Company's compliance with Section 162(m) of the Internal Revenue Code and to certain reporting requirements.

Non-Qualified Options. The grant of an option will not be a taxable event for the grantee or the Company. Upon exercising a non-qualified option, a grantee will recognize ordinary income in an amount equal to the difference between the exercise price and the fair market value of the Common Stock on the date of exercise. Upon a subsequent sale or exchange of shares acquired pursuant to the exercise of a non-qualified option, the grantee will have taxable capital gain or loss, measured by the difference between the amount realized on the disposition and the tax basis of the shares of Common Stock (generally, the amount paid for the shares plus the amount treated as ordinary income at the time the option was exercised).

If the Company complies with applicable reporting requirements and with the restrictions of Section 162(m) of the Internal Revenue Code, it will be entitled to a business expense deduction in the same amount and generally at the same time as the grantee recognizes ordinary income.

A grantee who has transferred a non-qualified stock option to a family member by gift will realize taxable income at the time the non-qualified stock option is exercised by the family member. The grantee will be subject to withholding of income and employment taxes at that time. The family member's tax basis in the shares of Common Stock will be the fair market value of the shares of Common Stock on the date the option is exercised. The transfer of vested non-qualified stock options will be treated as a completed gift for gift and estate tax purposes. Once the gift is completed, neither the transferred options nor the shares acquired on exercise of the transferred options will be includable in the grantee's estate for estate tax purposes.

In the event a grantee transfers a non-qualified stock option to his or her ex-spouse incident to the grantee's divorce, neither the grantee nor the ex-spouse will recognize any taxable income at the time of the transfer. In general, a transfer is made incident to divorce if the transfer occurs within one year after the marriage ends or if it is related to the end of the marriage (for example, if the transfer is made pursuant to a divorce order or settlement agreement). Upon the subsequent exercise of such option by the ex-spouse, the ex-spouse will recognize taxable income in an amount equal to the difference between the exercise price and the fair market value of the shares of Common Stock at the time of exercise. Any distribution to the ex-spouse as a result of the exercise of the option will be subject to employment and income tax withholding at this time.

Restricted Stock. A grantee who is awarded restricted stock will not recognize any taxable income for federal income tax purposes in the year of the award, provided that the shares of Common Stock are subject to restrictions (that is, the restricted stock is nontransferable and subject to a

Table of Contents

substantial risk of forfeiture). However, the grantee may elect under Section 83(b) of the Internal Revenue Code to recognize compensation income in the year of the award in an amount equal to the fair market value of the Common Stock on the date of the award (less the purchase price, if any), determined without regard to the restrictions. If the grantee does not make such a Section 83(b) election, the fair market value of the Common Stock on the date the restrictions lapse (less the purchase price, if any) will be treated as compensation income to the grantee and will be taxable in the year the restrictions lapse and dividends paid while the Common Stock is subject to restrictions will be subject to withholding taxes. If the Company complies with applicable reporting requirements and with the restrictions of Section 162(m) of the Internal Revenue Code, it will be entitled to a business expense deduction in the same amount and generally at the same time as the grantee recognizes ordinary income.

Stock Units. There are no immediate tax consequences of receiving an award of stock units under the Plan. A grantee who is awarded stock units will be required to recognize ordinary income in an amount equal to the fair market value of shares issued to such grantee at the end of the restriction period or, if later, the payment date. If the Company complies with applicable reporting requirements and with the restrictions of Section 162(m) of the Internal Revenue Code, it will be entitled to a business expense deduction in the same amount and generally at the same time as the grantee recognizes ordinary income.

Dividend Equivalent Rights. Participants who receive dividend equivalent rights will be required to recognize ordinary income in an amount distributed to the grantee pursuant to the award. If the Company complies with applicable reporting requirements and with the restrictions of Section 162(m) of the Internal Revenue Code, it will be entitled to a business expense deduction in the same amount and generally at the same time as the grantee recognizes ordinary income.

Stock Appreciation Rights. There are no immediate tax consequences of receiving an award of stock appreciation rights under the Plan. Upon exercising a stock appreciation right, a grantee will recognize ordinary income in an amount equal to the difference between the exercise price and the fair market value of the Common Stock on the date of exercise. If the Company complies with applicable reporting requirements and with the restrictions of Section 162(m) of the Internal Revenue Code, it will be entitled to a business expense deduction in the same amount and generally at the same time as the grantee recognizes ordinary income.

Performance and Annual Incentive Awards. The award of a performance or annual incentive award will have no federal income tax consequences for the Company or for the grantee. The payment of the award is taxable to a grantee as ordinary income. If the Company complies with applicable reporting requirements and with the restrictions of Section 162(m) of the Internal Revenue Code, it will be entitled to a business expense deduction in the same amount and generally at the same time as the grantee recognizes ordinary income.

Unrestricted Common Stock. Participants who are awarded unrestricted common stock will be required to recognize ordinary income in an amount equal to the fair market value of the shares of Common Stock on the date of the award, reduced by the amount, if any, paid for such shares. If the Company complies with applicable reporting requirements and with the restrictions of Section 162(m) of the Internal Revenue Code, it will be entitled to a business expense deduction in the same amount and generally at the same time as the grantee recognizes ordinary income.

New Plan Benefits

On the Record Date, the number of shares of Common Stock reserved for issuance under the 2004 Omnibus Long-Term Incentive Plan was equal to 900,000 shares of Common Stock. On the Record Date, the closing price of our Common Stock was \$15.75 per share. There are currently no participants in the 2004 Omnibus Long-Term Incentive Plan. Because participation and the types of awards under the 2004 Omnibus Long-Term Incentive Plan are subject to the discretion of the Compensation, Nominating and Corporate Governance Committee, the benefits or amounts that will be received by any participant or groups of participants if the 2004 Omnibus Long-Term Incentive Plan is approved are not currently determinable. On the Record Date, there were approximately six executive

officers, eight employees and seven non-employee directors of the Company and its subsidiaries who were eligible to participate in the 2004 Omnibus Long-Term Incentive Plan.

AUDIT COMMITTEE AND RELATED MATTERS

The information contained in the following Audit Committee Report shall not be deemed soliciting material or filed with the SEC, nor shall such information be incorporated by reference into a future filing under the Securities Act of 1933 and the Securities Exchange Act of 1934, except to the extent the Company specifically incorporates this Report by reference therein.

Audit Committee Report

The Company's Audit Committee is comprised of three members who are independent within the meaning of such term under Rule 4200 (a)(15) of the NASD listing standards and the meaning of such term under the Sarbanes-Oxley Act of 2002 and regulations promulgated under the Act. Each member of the Audit Committee is able to read and understand fundamental financial statements and at least one member has past employment experience in finance or accounting or other comparable experience. The Committee actively oversees the Company's financial condition and results of operations. The main function of the Audit Committee is to ensure that effective accounting policies are implemented and that internal controls are put in place in order to deter fraud, anticipate financial risks and promote accurate, high quality and timely disclosure of financial and other material information to the public markets, the Board of Directors and the Stockholders. The Audit Committee also reviews and recommends to the Board of Directors the approval of the annual financial statements and provides a forum, independent of management, where the Company's auditors can communicate any issues of concern.

The independent members of the Audit Committee believe that the present composition of the Committee accomplishes all of the necessary goals and functions of an audit committee as recommended by the Blue Ribbon Committee on Improving the Effectiveness of Corporate Audit Committees and adopted by the U.S. stock exchanges and the Securities and Exchange Commission. The Board of Directors has adopted an amended and restated Charter for the Audit Committee. The Audit Committee Charter, as amended, is attached as Appendix A. The amended Charter specifies the scope of the Audit Committee's responsibilities and how it should carry out those responsibilities.

The Audit Committee has reviewed and discussed the audited financial statements of the Company for the fiscal year ended June 30, 2004, with the Company's management. The Audit Committee has discussed with PricewaterhouseCoopers LLP, the Company's independent auditors, the matters required to be discussed by Statement on Auditing Standards No. 61 (Communications with Audit Committees), as amended by Statement on Auditing Standards No. 90 (Audit Committee Communications). The Audit Committee has also received the written disclosures and the letter from PricewaterhouseCoopers LLP required by Independence Standards Board Standard No. 1 (Independence Discussion with Audit Committees) and the Audit Committee has discussed the independence of PricewaterhouseCoopers LLP with that firm.

Based on the review and discussions with the Company's auditors, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended June 30, 2004, for filing with the U.S. Securities and Exchange Commission.

The audit committee shall be composed of at least three (3) directors who are independent of the management of the corporation and are free of any relationship that, in the opinion of the board of directors (which shall be guided by any applicable rules and regulations of the Securities and Exchange Commission (the SEC) and the listing requirements of the applicable securities market), would interfere with their exercise of independent judgment as a committee member. All members of the audit committee shall be financially literate, as such qualification is determined by the board of directors in its business judgment and must meet the experience requirements of the rules and regulations of the SEC and of the listing standards of the applicable stock market. In addition, at least one member of the committee shall have past employment experience in accounting or related financial management experience as the board of directors interprets such qualifications in its business judgment.

Compensation of Members

In so doing, it is the responsibility of the audit committee to maintain free and open means of communication between the board of directors, the independent auditors, and the financial management of the corporation.

Responsibilities

In carrying out its responsibilities, the audit committee believes its policies and procedures should remain flexible, in order to best react to changing conditions and to ensure to the directors and shareholders that the corporate accounting, audit and reporting practices of the corporation are in accordance with all requirements and are of the highest quality. While the audit committee has the responsibilities and duties set forth in this Charter, it is not the responsibility of the committee to plan and conduct the audits itself or to determine that the corporation's financial statements are complete and accurate and are in accordance with generally accepted accounting principles. The committee's responsibility in this regard is one of oversight and review.

The audit committee shall:

1. Hold regular meetings at least quarterly and such special meetings as may be called by the Chairman of the Audit Committee, or senior management, or at the request of the independent auditors of the corporation.
2. Be directly responsible for the appointment, compensation, oversight (including the resolution of disagreements between management and the independent auditors regarding financial reporting), and, where appropriate, replacement of the independent auditors engaged to audit the financial statements of the corporation and its divisions and subsidiaries or to perform other audit, review or attest services to the corporation. The independent auditors shall report directly to the audit committee.
3. In connection with the appointment, compensation, retention and oversight of the independent auditors, meet with members of senior management and the financial

management of the corporation who work with the independent auditors to review the scope of the proposed audit for the current year and the adequacy of the audit procedures to be utilized, and the appropriateness of the fees proposed to be charged for such services. The audit committee shall also solicit on a regular basis the views of management concerning the quality and timeliness of the independent auditor s services.

4. Meet with the independent auditors, senior management and financial management of the corporation to review the scope of the proposed audit for the current year and the audit procedures to be utilized, and to review and approve in advance all audit and non-audit related services to be performed by the independent auditors. The audit committee may delegate its authority to pre-approve non-audit services to one or more members of the committee to the extent permitted by applicable rules and regulations of the SEC and the listing requirement of the applicable stock market.

The conclusions of the independent auditors of the quality and acceptability of the corporation s critical accounting principles and judgments used in preparing the financial statements, including the consistent application of such accounting principles, alternative accounting principles that have been discussed with management and the independent auditors preferred treatment;
 - g. Any other matters required to be communicated to the independent auditors under Statements on Auditing Standards Nos. 61 and 90 (Communications with Audit Committees); and
 - h. Based upon its reviews and discussions, determine whether to recommend to the board of directors that the audited financial statements be included in the corporation s annual report on Form 10-K.
6. Review the interim financial statements and the quarterly report on Form 10-Q with senior management and the financial management of the corporation and the independent auditors prior to filing the report with the SEC to determine that the independent auditors are satisfied with the disclosure and content of the financial statements and other information contained in the report.
7. Provide for inclusion in the corporation s proxy statement a report to shareholders as required by the rules and regulations of the SEC and the listing requirements of the applicable stock market.

and the independent auditors' report on management's evaluation of the internal controls;

- c. Any actions being taken to correct any material weaknesses in such controls;
 - d. The process to maintain and update internal control documentation and to address weaknesses in controls as they may occur.
9. Elicit any recommendations for the improvement of such internal control procedures or particular areas where new or more detailed controls or procedures are desirable. Particular emphasis should be given to the adequacy of such internal controls to expose any payments, transactions, or procedures that might be deemed illegal or otherwise improper.
 10. Ensure the receipt from the independent auditors of a formal written statement delineating all relationships between the auditor and the corporation, consistent with Independence Standards Board Standard 1; actively engage in a dialogue with the independent auditor with respect to any disclosed relationships or services that may impact the objectivity and independence of the auditor; and take appropriate action to ensure the independence of the independent auditor.
 11. Review the internal financial function of the corporation including the independence and authority of its reporting obligations, the proposed audit plans for the coming year, and the coordination of such plans with the independent auditors.
 12. Provide sufficient opportunity for the independent auditors to meet with the members of the audit committee without members of management present. Among the items to be discussed in these meetings are the independent auditors' evaluation of the corporation's financial, accounting, and auditing personnel, and the cooperation that the independent auditors received during the course of the audit.
 13. Review accounting and financial planning within the corporation, and set hiring policies for employees or former employees of the independent auditors.
 14. Review and approve any related-party business transactions, preferably in advance, in which the corporation's officers or directors have an interest and that would be required to be reported by the corporation in its periodic reports pursuant to the rules and regulations of the SEC.
 15. Such procedures shall allow for the confidential, anonymous submission of complaints from employees of the corporation regarding any questionable accounting or auditing matters.
 16. Review the adequacy of the charter of the audit committee annually or more often if needed and submit any recommended changes to the board of directors for approval.
 17. Submit the minutes of all meetings of the audit committee to, or discuss the matters discussed at each committee meeting with, the board of directors.
 18. Investigate any matter brought to its attention within the scope of its duties, with the power to retain, at the corporation's expense, outside counsel, accountants, experts and other advisors for this purpose if, in its judgment, that is appropriate.

3. ADMINISTRATION OF THE PLAN

3.1. Board.

The Board shall have such powers and authorities related to the administration of the Plan as are consistent with the Company's certificate of incorporation and by-laws and applicable law. The Board shall have full power and authority to take all actions and to make all determinations required or provided for under the Plan, any Award or any Award Agreement, and shall have full power and authority to take all such other actions and make all such other determinations not inconsistent with the specific terms and provisions of the Plan that the Board deems to be necessary or appropriate to the administration of the Plan, any Award or any Award Agreement. All such actions and determinations shall be by the affirmative vote of a majority of the members of the Board present at a meeting or by unanimous consent of the Board executed in writing in accordance with the Company's certificate of incorporation and by-laws and applicable law. The interpretation and construction by the Board of any provision of the Plan, any Award or any Award Agreement shall be final, binding and conclusive.

3.2. Committee.

The Board from time to time may delegate to the Committee such powers and authorities related to the administration and implementation of the Plan, as set forth in **Section 0** above and other applicable provisions, as the Board shall determine, consistent with the certificate of incorporation and by-laws of the Company and applicable law.

(i) Except as provided in Subsection (ii) and except as the Board may otherwise determine, the Committee, if any, appointed by the Board to administer the Plan shall consist of two or more Outside Directors of the Company who: (a) qualify as "outside directors" within the meaning of Section 162(m) of the Code and who (b) meet such other requirements as may be established from time to time by the Securities and Exchange Commission for plans intended to qualify for exemption under Rule 16b-3 (or its successor) under the Exchange Act and who comply with the independence requirements of the stock exchange on which the Common Stock is listed.

(ii) The Board may also appoint one or more separate committees of the Board, each composed of one or more directors of the Company who need not be Outside Directors, who may administer the Plan with respect to employees or other Service Providers who are not officers or directors of the Company, may grant Awards under the Plan to such employees or other Service Providers, and may determine all terms of such Awards.

In the event that the Plan, any Award or any Award Agreement entered into hereunder provides for any action to be taken by or determination to be made by the Board, such action may be taken or such determination may be made by the Committee if the power and authority to do so has been delegated to the Committee by the Board as provided for in this Section. Unless otherwise expressly determined by the Board, any such action or determination by the Committee shall be final, binding and conclusive. To the extent permitted by law, the Committee may delegate its authority under the Plan to a member of the Board.

3.3. Terms of Awards.

Subject to the other terms and conditions of the Plan, the Board shall have full and final authority to:

(i) designate Grantees,

(ii) determine the type or types of Awards to be made to a Grantee,

(iii) determine the number of shares of Stock to be subject to an Award,

(iv) establish the terms and conditions of each Award (including, but not limited to, the exercise price of any Option, the nature and duration of any restriction or condition (or provision for lapse thereof) relating to the vesting, exercise, transfer, or forfeiture of an Award or the shares

Table of Contents

of Stock subject thereto, and any terms or conditions that may be necessary to qualify Options as Incentive Stock Options),

(v) prescribe the form of each Award Agreement evidencing an Award, and

(vi) amend, modify, or supplement the terms of any outstanding Award. Such authority specifically includes the authority, in order to effectuate the purposes of the Plan but without amending the Plan, to modify Awards to eligible individuals who are foreign nationals or are individuals who are employed outside the United States to recognize differences in local law, tax policy, or custom.

As a condition to any subsequent Award, the Board shall have the right, at its discretion, to require Grantees to return to the Company Awards previously made under the Plan. Subject to the terms and conditions of the Plan, any such new Award shall be upon such terms and conditions as are specified by the Board at the time the new Award is made. The Board shall have the right, in its discretion, to make Awards in substitution or exchange for any other award under another plan of the Company, any Affiliate, or any business entity to be acquired by the Company or an Affiliate. The Company may retain the right in an Award Agreement to cause a forfeiture of the gain realized by a Grantee on account of actions taken by the Grantee in violation or breach of or in conflict with any employment agreement, non-competition agreement, any agreement prohibiting solicitation of employees or clients of the Company or any Affiliate thereof or any confidentiality obligation with respect to the Company or any Affiliate thereof or otherwise in competition with the Company or any Affiliate thereof, to the extent specified in such Award Agreement applicable to the Grantee. Furthermore, the Company may annul an Award if the Grantee is an employee of the Company or an Affiliate thereof and is terminated for Cause as defined in the applicable Award Agreement or the Plan, as applicable. The grant of any Award shall be contingent upon the Grantee executing the appropriate Award Agreement.

Notwithstanding the foregoing, no amendment or modification may be made to an outstanding Option or SAR which reduces the Option Price or SAR Exercise Price, either by lowering the Option Price or SAR Exercise Price or by canceling the outstanding Option or SAR and granting a replacement Option or SAR with a lower exercise price without the approval of the stockholders of the Company, provided, that, appropriate adjustments may be made to outstanding Options and SARs pursuant to **Section 17**.

3.4. Deferral Arrangement.

The Board may permit or require the deferral of any award payment into a deferred compensation arrangement, subject to such rules and procedures as it may establish, which may include provisions for the payment or crediting of interest or dividend equivalents, including converting such credits into deferred Stock equivalents and restricting deferrals to comply with hardship distribution rules affecting 401(k) plans.

3.5. No Liability.

No member of the Board or of the Committee shall be liable for any action or determination made in good faith with respect to the Plan or any Award or Award Agreement.

3.6. Book Entry.

Notwithstanding any other provision of this Plan to the contrary, the Company may elect to satisfy any requirement under this Plan for the delivery of stock certificates through the use of book-entry.

4. STOCK SUBJECT TO THE PLAN

Stock issued or to be issued under the Plan shall be authorized but unissued shares; or, to the extent permitted by applicable law, issued shares that have been reacquired by the Company. Subject to adjustment as provided in **Section 17** hereof, the number of shares of Stock available for issuance under the Plan shall be the sum of nine hundred thousand (900,000), and any shares of Stock available for grant (including shares which become available due to forfeitures of outstanding awards)

Table of Contents

under the Company's Equity Incentive Plan. Notwithstanding the preceding sentence and also subject to adjustment as provided in **Section 17** hereof, the aggregate number of shares of Stock which cumulatively may be available for issuance pursuant to Awards other than Awards of Options or SARs shall not exceed four hundred fifty thousand (450,000), and the aggregate number of shares of Stock that may be issued under the Plan shall not exceed nine hundred thousand (900,000). If any shares covered by an Award are not purchased or are forfeited, or if an Award otherwise terminates without delivery of any Stock subject thereto, then the number of shares of Stock counted against the aggregate number of shares available under the Plan with respect to such Award shall, to the extent of any such forfeiture or termination, again be available for making Awards under the Plan. If the Option Price of any Option granted under the Plan, or if pursuant to **Section 18.3** the withholding obligation of any Grantee with respect to an Option or other Award, is satisfied by tendering shares of Stock to the Company (by either actual delivery or by attestation) or by withholding shares of Stock, the number of shares of Stock issued net of the shares of Stock tendered or withheld shall be deemed delivered for purposes of determining the maximum number of shares of Stock available for delivery under the Plan. The number of shares of Stock reserved under this **Section 4** shall be increased by the number of any shares of Stock that are repurchased by the Company with Option Proceeds in respect of the exercise of an Option; provided, however, that the number of shares of Stock contributed to the number of shares reserved under this **Section 4** in respect of the use of Option Proceeds for repurchase shall not be greater than: (A) the amount of such Option Proceeds divided by, (B) the Fair Market Value on the date of exercise of the applicable Option. The Board shall have the right to substitute or assume Awards in connection with mergers, reorganizations, separations, or other transactions to which Section 424(a) of the Code applies, provided such substitutions and assumptions are permitted by Section 424 of the Code and the regulations promulgated thereunder. The number of shares of Stock reserved pursuant to **Section 4** may be increased by the corresponding number of Awards assumed and, in the case of a substitution, by the net increase in the number of shares of Stock subject to Awards before and after the substitution.

5. EFFECTIVE DATE, DURATION AND AMENDMENTS

5.1. Effective Date.

The Plan shall be effective as of the Effective Date, subject to approval of the Plan by the Company's stockholders within one year of the Effective Date. Upon approval of the Plan by the stockholders of the Company as set forth above, all Awards made under the Plan on or after the Effective Date shall be fully effective as if the stockholders of the Company had approved the Plan on the Effective Date. If the stockholders fail to approve the Plan within one year after the Effective Date, any Awards made hereunder shall be null and void and of no effect.

5.2. Term.

The Plan shall terminate automatically ten (10) years after its adoption by the Board and may be terminated on any earlier date as provided in **Section 5.3**.

5.3. Amendment and Termination of the Plan.

The Board may, at any time and from time to time, amend, suspend, or terminate the Plan as to any shares of Stock as to which Awards have not been made. An amendment shall be contingent on approval of the Company's stockholders to the extent stated by the Board, required by applicable law or required by applicable stock exchange listing requirements.

6. AWARD ELIGIBILITY AND LIMITATIONS

6.1. Service Providers and Other Persons.

Subject to this **Section 6**, Awards may be made under the Plan to: (i) any Service Provider to the Company or of any Affiliate, including any Service Provider who is an officer or director of the Company, or of any Affiliate, as the Board shall determine and designate from time to time, (ii) any

Table of Contents

Outside Director, and (iii) any other individual whose participation in the Plan is determined to be in the best interests of the Company by the Board.

6.2. Successive Awards.

An eligible person may receive more than one Award, subject to such restrictions as are provided herein.

6.3. Limitation on Shares of Stock Subject to Awards and Cash Awards.

During any time when the Company has a class of equity security registered under Section 12 of the Exchange Act:

(i) the maximum number of shares of Stock subject to Options or SARs that can be awarded under the Plan to any person eligible for an Award under **Section 6** hereof is one hundred thousand (100,000) per calendar year;

(ii) the maximum number of shares that can be awarded under the Plan, other than pursuant to an Option or SARs, to any person eligible for an Award under **Section 6** hereof is one hundred thousand (100,000) per calendar year; and

(iii) the maximum amount that may be earned as an Annual Incentive Award or other cash Award in any calendar year by any one Grantee shall be \$1,000,000, and the maximum amount that may be earned as a Performance Award or other cash Award in respect of a performance period by any one Grantee shall be \$2,000,000.

The preceding limitations in this **Section 6.3** are subject to adjustment as provided in **Section 17** hereof.

6.4. Stand-Alone, Additional, Tandem, and Substitute Awards.

Awards granted under the Plan may, in the discretion of the Board, be granted either alone or in addition to, in tandem with, or in substitution or exchange for, any other Award or any award granted under another plan of the Company, any Affiliate, or any business entity to be acquired by the Company or an Affiliate, or any other right of a Grantee to receive payment from the Company or any Affiliate. Such additional, tandem, and substitute or exchange Awards may be granted at any time. If an Award is granted in substitution or exchange for another Award, the Board shall require the surrender of such other Award in consideration for the grant of the new Award. In addition, Awards may be granted in lieu of cash compensation, including in lieu of cash amounts payable under other plans of the Company or any Affiliate, in which the value of Stock subject to the Award is equivalent in value to the cash compensation (for example, Stock Units or Restricted Stock), or in which the Option Price, grant price or purchase price of the Award in the nature of a right that may be exercised is equal to the Fair Market Value of the underlying Stock minus the value of the cash compensation surrendered (for example, Options granted with an Option Price discounted by the amount of the cash compensation surrendered).

7. AWARD AGREEMENT

Each Award granted pursuant to the Plan shall be evidenced by an Award Agreement, in such form or forms as the Board shall from time to time determine. Award Agreements granted from time to time or at the same time need not contain similar provisions but shall be consistent with the terms of the Plan. Each Award Agreement evidencing an Award of Options shall specify whether such Options are intended to be Non-qualified Stock Options or Incentive Stock Options, and in the absence of such specification such options shall be deemed Non-qualified Stock Options.

Table of Contents

8. TERMS AND CONDITIONS OF OPTIONS

8.1. Option Price.

The Option Price of each Option shall be fixed by the Board and stated in the Award Agreement evidencing such Option. The Option Price of each Option shall be at least the Fair Market Value on the Grant Date of a share of Stock; *provided, however*, that in the event that a Grantee is a Ten Percent Stockholder, the Option Price of an Option granted to such Grantee that is intended to be an Incentive Stock Option shall be not less than 110 percent of the Fair Market Value of a share of Stock on the Grant Date. In no case shall the Option Price of any Option be less than the par value of a share of Stock.

8.2. Vesting.

Subject to **Sections 8.3** and **17.3** hereof, each Option granted under the Plan shall become exercisable at such times and under such conditions as shall be determined by the Board and stated in the Award Agreement. For purposes of this **Section 8.2**, fractional numbers of shares of Stock subject to an Option shall be rounded down to the next nearest whole number. No Option shall be exercisable in whole or in part prior to the date the Plan is approved by the Stockholders of the Company as provided in **Section 5.1** hereof.

8.3. Term.

Each Option granted under the Plan shall terminate, and all rights to purchase shares of Stock thereunder shall cease, upon the expiration of ten years from the date such Option is granted, or under such circumstances and on such date prior thereto as is set forth in the Plan or as may be fixed by the Board and stated in the Award Agreement relating to such Option (the Termination Date); *provided, however*, that in the event that the Grantee is a Ten Percent Stockholder, an Option granted to such Grantee that is intended to be an Incentive Stock Option shall not be exercisable after the expiration of five years from its Grant Date.

8.4. Termination of Service.

Each Award Agreement shall set forth the extent to which the Grantee shall have the right to exercise the Option following termination of the Grantee's Service. Such provisions shall be determined in the sole discretion of the Board, need not be uniform among all Options issued pursuant to the Plan, and may reflect distinctions based on the reasons for termination of Service.

8.5. Limitations on Exercise of Option.

Notwithstanding any other provision of the Plan, in no event may any Option be exercised, in whole or in part, prior to the date the Plan is approved by the stockholders of the Company as provided herein or after the occurrence of an event referred to in **Section 17** hereof which results in termination of the Option.

8.6. Method of Exercise.

An Option that is exercisable may be exercised by the Grantee's delivery to the Company of written notice of exercise on any business day, at the Company's principal office, on the form specified by the Company. Such notice shall specify the number of shares of Stock with respect to which the Option is being exercised and shall be accompanied by payment in full of the Option Price of the shares for which the Option is being exercised plus the amount (if any) of federal and/or other taxes which the Company may, in its judgment, be required to withhold with respect to an Award. The minimum number of shares of Stock with respect to which an Option may be exercised, in whole or in part, at any time shall be the lesser of (i) 100 shares or such lesser number set forth in the applicable Award Agreement and (ii) the maximum number of shares available for purchase under the Option at the time of exercise.

8.7. Rights of Holders of Options.

Unless otherwise stated in the applicable Award Agreement, an individual holding or exercising an Option shall have none of the rights of a stockholder (for example, the right to receive cash or dividend payments or distributions attributable to the subject shares of Stock or to direct the voting of the subject shares of Stock) until the shares of Stock covered thereby are fully paid and issued to him. Except as provided in **Section 17** hereof, no adjustment shall be made for dividends, distributions or other rights for which the record date is prior to the date of such issuance.

8.8. Delivery of Stock Certificates.

Promptly after the exercise of an Option by a Grantee and the payment in full of the Option Price, such Grantee shall be entitled to the issuance of a stock certificate or certificates evidencing his or her ownership of the shares of Stock subject to the Option.

8.9. Transferability of Options.

Except as provided in **Section 8.10**, during the lifetime of a Grantee, only the Grantee (or, in the event of legal incapacity or incompetency, the Grantee's guardian or legal representative) may exercise an Option. Except as provided in **Section 8.10**, no Option shall be assignable or transferable by the Grantee to whom it is granted, other than by will or the laws of descent and distribution.

8.10. Family Transfers.

If authorized in the applicable Award Agreement, a Grantee may transfer, not for value, all or part of an Option which is not an Incentive Stock Option to any Family Member. For the purpose of this **Section 8.10**, a not for value transfer is a transfer which is (i) a gift, (ii) a transfer under a domestic relations order in settlement of marital property rights; or (iii) a transfer to an entity in which more than fifty percent of the voting interests are owned by Family Members (or the Grantee) in exchange for an interest in that entity. Following a transfer under this **Section 8.10**, any such Option shall continue to be subject to the same terms and conditions as were applicable immediately prior to transfer. Subsequent transfers of transferred Options are prohibited except to Family Members of the original Grantee in accordance with this **Section 8.10** or by will or the laws of descent and distribution. The events of termination of Service of **Section 8.4** hereof shall continue to be applied with respect to the original Grantee, following which the Option shall be exercisable by the transferee only to the extent, and for the periods specified, in **Section 8.4**.

8.11. Limitations on Incentive Stock Options.

An Option shall constitute an Incentive Stock Option only (i) if the Grantee of such Option is an employee of the Company or any Subsidiary of the Company; (ii) to the extent specifically provided in the related Award Agreement; and (iii) to the extent that the aggregate Fair Market Value (determined at the time the Option is granted) of the shares of Stock with respect to which all Incentive Stock Options held by such Grantee become exercisable for the first time during any calendar year (under the Plan and all other plans of the Grantee's employer and its Affiliates) does not exceed \$100,000. This limitation shall be applied by taking Options into account in the order in which they were granted.

9. TERMS AND CONDITIONS OF STOCK APPRECIATION RIGHTS

9.1. Right to Payment.

An SAR shall confer on the Grantee to whom it is granted a right to receive, upon exercise thereof, the excess of (A) the Fair Market Value of one share of Stock on the date of exercise over (B) the grant price of the SAR as determined by the Board. The Award Agreement for an SAR shall specify the grant price of the SAR, which may be fixed at the Fair Market Value of a share of Stock on the date of grant or may vary in accordance with a predetermined formula while the SAR is outstanding. SARs may be granted in conjunction with all or part of an Option granted under the Plan or at any subsequent time during the term of such Option, in conjunction with all or part of any other Award or without regard

to any Option or other Award. An SAR granted in tandem with an outstanding Option following the Grant Date of such Option may have a grant price that is equal to the Option Price, even if such grant price is less than the Fair Market Value of a share of Stock on the grant date of the SAR.

9.2. Other Terms.

The Board shall determine at the date of grant or thereafter, the time or times at which and the circumstances under which an SAR may be exercised in whole or in part (including based on achievement of performance goals and/or future service requirements), the time or times at which SARs shall cease to be or become exercisable following termination of Service or upon other conditions, the method of exercise, method of settlement, form of consideration payable in settlement, method by or forms in which Stock will be delivered or deemed to be delivered to Grantees, whether or not an SAR shall be in tandem or in combination with any other Award, and any other terms and conditions of any SAR.

10. TERMS AND CONDITIONS OF RESTRICTED STOCK AND STOCK UNITS

10.1. Grant of Restricted Stock or Stock Units.

Awards of Restricted Stock or Stock Units may be made for no consideration (other than par value of the shares which is deemed paid by Services already rendered).

10.2. Restrictions.

At the time a grant of Restricted Stock or Stock Units is made, the Board may, in its sole discretion, establish a period of time (a restricted period) applicable to such Restricted Stock or Stock Units. Each Award of Restricted Stock or Stock Units may be subject to a different restricted period. The Board may, in its sole discretion, at the time a grant of Restricted Stock or Stock Units is made, prescribe restrictions in addition to or other than the expiration of the restricted period, including the satisfaction of corporate or individual performance objectives, which may be applicable to all or any portion of the Restricted Stock or Stock Units in accordance with **Section 14.1** and **14.2**. Notwithstanding the foregoing and except in the case of accelerated vesting for Grantees whose age plus years of Service total at least sixty-five (65), (i) Restricted Stock that vests solely by the passage of time shall not vest in full in less than three (3) years from the Grant Date and (ii) Restricted Stock for which vesting may be accelerated by achieving performance targets shall not vest in full in less than one (1) year from the Grant Date. Neither Restricted Stock nor Stock Units may be sold, transferred, assigned, pledged or otherwise encumbered or disposed of during the restricted period or prior to the satisfaction of any other restrictions prescribed by the Board with respect to such Restricted Stock or Stock Units.

10.3. Restricted Stock Certificates.

The Company shall issue, in the name of each Grantee to whom Restricted Stock has been granted, stock certificates representing the total number of shares of Restricted Stock granted to the Grantee, as soon as reasonably practicable after the Grant Date. The Board may provide in an Award Agreement that either (i) the Secretary of the Company shall hold such certificates for the Grantee's benefit until such time as the Restricted Stock is forfeited to the Company or the restrictions lapse, or (ii) such certificates shall be delivered to the Grantee, provided, however, that such certificates shall bear a legend or legends that comply with the applicable securities laws and regulations and makes appropriate reference to the restrictions imposed under the Plan and the Award Agreement.

10.4. Rights of Holders of Restricted Stock.

Unless the Board otherwise provides in an Award Agreement, holders of Restricted Stock shall have the right to vote such Stock and the right to receive any dividends declared or paid with respect to such Stock. The Board may provide that any dividends paid on Restricted Stock must be reinvested in shares of Stock, which may or may not be subject to the same vesting conditions and restrictions applicable to such Restricted Stock. All distributions, if any, received by a Grantee with respect to

Table of Contents

Restricted Stock as a result of any stock split, stock dividend, combination of shares, or other similar transaction shall be subject to the restrictions applicable to the original Grant.

10.5. Rights of Holders of Stock Units.

10.5.1. Voting and Dividend Rights.

Unless the Board otherwise provides in an Award Agreement, holders of Stock Units shall have no rights as stockholders of the Company. The Board may provide in an Award Agreement evidencing a grant of Stock Units that the holder of such Stock Units shall be entitled to receive, upon the Company's payment of a cash dividend on its outstanding Stock, a cash payment for each Stock Unit held equal to the per-share dividend paid on the Stock. Such Award Agreement may also provide that such cash payment will be deemed reinvested in additional Stock Units at a price per unit equal to the Fair Market Value of a share of Stock on the date that such dividend is paid.

10.5.2. Creditor's Rights.

A holder of Stock Units shall have no rights other than those of a general creditor of the Company. Stock Units represent an unfunded and unsecured obligation of the Company, subject to the terms and conditions of the applicable Award Agreement.

10.6. Termination of Service.

Unless the Board otherwise provides in an Award Agreement or in writing after the Award Agreement is issued, upon the termination of a Grantee's Service, any Restricted Stock or Stock Units held by such Grantee that have not vested, or with respect to which all applicable restrictions and conditions have not lapsed, shall immediately be deemed forfeited. Upon forfeiture of Restricted Stock or Stock Units, the Grantee shall have no further rights with respect to such Award, including but not limited to any right to vote Restricted Stock or any right to receive dividends with respect to shares of Restricted Stock or Stock Units.

10.7. Purchase of Restricted Stock.

The Grantee shall be required, to the extent required by applicable law, to purchase the Restricted Stock from the Company at a Purchase Price equal to the greater of (i) the aggregate par value of the shares of Stock represented by such Restricted Stock or (ii) the Purchase Price, if any, specified in the Award Agreement relating to such Restricted Stock. The Purchase Price shall be payable in a form described in **Section 12** or, in the discretion of the Board, in consideration for past Services rendered to the Company or an Affiliate.

10.8. Delivery of Stock.

Upon the expiration or termination of any restricted period and the satisfaction of any other conditions prescribed by the Board, the restrictions applicable to shares of Restricted Stock or Stock Units settled in Stock shall lapse, and, unless otherwise provided in the Award Agreement, a stock certificate for such shares shall be delivered, free of all such restrictions, to the Grantee or the Grantee's beneficiary or estate, as the case may be.

11. TERMS AND CONDITIONS OF UNRESTRICTED STOCK AWARDS

The Board may, in its sole discretion, grant (or sell at par value or such other higher purchase price determined by the Board) an Unrestricted Stock Award to any Grantee pursuant to which such Grantee may receive shares of Stock free of any restrictions (Unrestricted Stock) under the Plan. Unrestricted Stock Awards may be granted or sold as described in the preceding sentence in respect of past services and other valid consideration, or in lieu of, or in addition to, any cash compensation due to such Grantee.

Table of Contents

12. FORM OF PAYMENT FOR OPTIONS AND RESTRICTED STOCK

12.1. General Rule.

Payment of the Option Price for the shares purchased pursuant to the exercise of an Option or the Purchase Price for Restricted Stock shall be made in cash or in cash equivalents acceptable to the Company.

12.2. Surrender of Stock.

To the extent the Award Agreement so provides, payment of the Option Price for shares purchased pursuant to the exercise of an Option or the Purchase Price for Restricted Stock may be made all or in part through the tender to the Company of shares of Stock, which shares, if acquired from the Company and if so required by the Company, shall have been held for at least six months at the time of tender and which shall be valued, for purposes of determining the extent to which the Option Price or Purchase Price has been paid thereby, at their Fair Market Value on the date of exercise or surrender.

12.3. Cashless Exercise.

With respect to an Option only (and not with respect to Restricted Stock), to the extent permitted by law and to the extent the Award Agreement so provides, payment of the Option Price for shares purchased pursuant to the exercise of an Option may be made all or in part by delivery (on a form acceptable to the Board) of an irrevocable direction to a licensed securities broker acceptable to the Company to sell shares of Stock and to deliver all or part of the sales proceeds to the Company in payment of the Option Price and any withholding taxes described in **Section 18.3**.

12.4. Other Forms of Payment.

To the extent the Award Agreement so provides, payment of the Option Price for shares purchased pursuant to exercise of an Option or the Purchase Price for Restricted Stock may be made in any other form that is consistent with applicable laws, regulations and rules.

13. TERMS AND CONDITIONS OF DIVIDEND EQUIVALENT RIGHTS

13.1. Dividend Equivalent Rights.

A Dividend Equivalent Right is an Award entitling the recipient to receive credits based on cash distributions that would have been paid on the shares of Stock specified in the Dividend Equivalent Right (or other award to which it relates) if such shares had been issued to and held by the recipient. A Dividend Equivalent Right may be granted hereunder to any Grantee as a component of another Award or as a freestanding award. The terms and conditions of Dividend Equivalent Rights shall be specified in the grant. Dividend equivalents credited to the holder of a Dividend Equivalent Right may be paid currently or may be deemed to be reinvested in additional shares of Stock, which may thereafter accrue additional equivalents. Any such reinvestment shall be at Fair Market Value on the date of reinvestment. Dividend Equivalent Rights may be settled in cash or Stock or a combination thereof, in a single installment or installments, all determined in the sole discretion of the Board. A Dividend Equivalent Right granted as a component of another Award may provide that such Dividend Equivalent Right shall be settled upon exercise, settlement, or payment of, or lapse of restrictions on, such other award, and that such Dividend Equivalent Right shall expire or be forfeited or annulled under the same conditions as such other award. A Dividend Equivalent Right granted as a component of another Award may also contain terms and conditions different from such other award.

13.2. Termination of Service.

Except as may otherwise be provided by the Board either in the Award Agreement or in writing after the Award Agreement is issued, a Grantee's rights in all Dividend Equivalent Rights or interest equivalents shall automatically terminate upon the Grantee's termination of Service for any reason.

14. TERMS AND CONDITIONS OF PERFORMANCE AND ANNUAL INCENTIVE AWARDS

14.1. Performance Conditions.

The right of a Grantee to exercise or receive a grant or settlement of any Award, and the timing thereof, may be subject to such performance conditions as may be specified by the Board. The Board may use such business criteria and other measures of performance as it may deem appropriate in establishing any performance conditions, and may exercise its discretion to reduce the amounts payable under any Award subject to performance conditions, except as limited under Sections 14.2 hereof in the case of a Performance Award or Annual Incentive Award intended to qualify under Code Section 162(m). If and to the extent required under Code Section 162(m), any power or authority relating to a Performance Award or Annual Incentive Award intended to qualify under Code Section 162(m), shall be exercised by the Committee and not the Board.

14.2. Performance or Annual Incentive Awards Granted to Designated Covered Employees.

If and to the extent that the Committee determines that a Performance or Annual Incentive Award to be granted to a Grantee who is designated by the Committee as likely to be a Covered Employee should qualify as performance-based compensation for purposes of Code Section 162(m), the grant, exercise and/or settlement of such Performance or Annual Incentive Award shall be contingent upon achievement of pre-established performance goals and other terms set forth in this Section 14.2.

14.2.1. Performance Goals Generally.

The performance goals for such Performance or Annual Incentive Awards shall consist of one or more business criteria and a targeted level or levels of performance with respect to each of such criteria, as specified by the Committee consistent with this **Section 14.2**. Performance goals shall be objective and shall otherwise meet the requirements of Code Section 162(m) and regulations thereunder including the requirement that the level or levels of performance targeted by the Committee result in the achievement of performance goals being substantially uncertain. The Committee may determine that such Performance or Annual Incentive Awards shall be granted, exercised and/or settled upon achievement of any one performance goal or that two or more of the performance goals must be achieved as a condition to grant, exercise and/or settlement of such Performance or Annual Incentive Awards. Performance goals may differ for Performance or Annual Incentive Awards granted to any one Grantee or to different Grantees.

14.2.2. Business Criteria.

One or more of the following business criteria for the Company, on a consolidated basis, and/or specified subsidiaries or business units of the Company (except with respect to the total stockholder return and earnings per share criteria), shall be used exclusively by the Committee in establishing performance goals for such Performance or Annual Incentive Awards: (1) total stockholder return; (2) such total stockholder return as compared to total return (on a comparable basis) of a publicly available index such as, but not limited to, the Standard & Poor's 500 Stock Index; (3) net income; (4) pretax earnings; (5) earnings before interest expense, taxes, depreciation and amortization; (6) pretax operating earnings after interest expense and before bonuses, service fees, and extraordinary or special items; (7) operating margin; (8) earnings per share; (9) return on equity; (10) return on capital; (11) return on investment; (12) operating earnings; (13) working capital; (14) ratio of debt to stockholders' equity; (15) revenue and (16) free cash flow and free cash flow per share. Business criteria may be measured on an absolute basis or on a relative basis (i.e., performance relative to peer companies) and on a GAAP or non-GAAP basis.

14.2.3. Timing For Establishing Performance Goals.

Performance goals shall be established not later than 90 days after the beginning of any performance period applicable to such Performance or Annual Incentive Awards, or at such other date as may be required or permitted for performance-based compensation under Code Section 162(m).

Table of Contents

14.2.4. Performance or Annual Incentive Award Pool.

The Committee may establish a Performance or Annual Incentive Award pool, which shall be an unfunded pool, for purposes of measuring Company performance in connection with Performance or Annual Incentive Awards.

14.2.5. Settlement of Performance or Annual Incentive Awards; Other Terms.

Settlement of such Performance or Annual Incentive Awards shall be in cash, Stock, other Awards or other property, in the discretion of the Committee. The Committee may, in its discretion, reduce the amount of a settlement otherwise to be made in connection with such Performance or Annual Incentive Awards. The Committee shall specify the circumstances in which such Performance or Annual Incentive Awards shall be paid or forfeited in the event of termination of Service by the Grantee prior to the end of a performance period or settlement of Performance Awards.

14.3. Written Determinations.

All determinations by the Committee as to the establishment of performance goals, the amount of any Performance Award pool or potential individual Performance Awards and as to the achievement of performance goals relating to Performance Awards, and the amount of any Annual Incentive Award pool or potential individual Annual Incentive Awards and the amount of final Annual Incentive Awards, shall be made in writing in the case of any Award intended to qualify under Code Section 162(m). To the extent required to comply with Code Section 162(m), the Committee may delegate any responsibility relating to such Performance Awards or Annual Incentive Awards.

14.4. Status of Section 14.2 Awards Under Code Section 162(m).

It is the intent of the Company that Performance Awards and Annual Incentive Awards under Section 14.2 hereof granted to persons who are designated by the Committee as likely to be Covered Employees within the meaning of Code Section 162(m) and regulations thereunder shall, if so designated by the Committee, constitute qualified performance-based compensation within the meaning of Code Section 162(m) and regulations thereunder. Accordingly, the terms of Section 14.2, including the definitions of Covered Employee and other terms used therein, shall be interpreted in a manner consistent with Code Section 162(m) and regulations thereunder. The foregoing notwithstanding, because the Committee cannot determine with certainty whether a given Grantee will be a Covered Employee with respect to a fiscal year that has not yet been completed, the term Covered Employee as used herein shall mean only a person designated by the Committee, at the time of grant of Performance Awards or an Annual Incentive Award, as likely to be a Covered Employee with respect to that fiscal year. If any provision of the Plan or any agreement relating to such Performance Awards or Annual Incentive Awards does not comply or is inconsistent with the requirements of Code Section 162(m) or regulations thereunder, such provision shall be construed or deemed amended to the extent necessary to conform to such requirements.

15. PARACHUTE LIMITATIONS

Notwithstanding any other provision of this Plan or of any other agreement, contract, or understanding heretofore or hereafter entered into by a Grantee with the Company or any Affiliate, except an agreement, contract, or understanding hereafter entered into that expressly modifies or excludes application of this paragraph (an Other Agreement), and notwithstanding any formal or informal plan or other arrangement for the direct or indirect provision of compensation to the Grantee (including groups or classes of Grantees or beneficiaries of which the Grantee is a member), whether or not such compensation is deferred, is in cash, or is in the form of a benefit to or for the Grantee (a Benefit Arrangement), if the Grantee is a disqualified individual, as defined in Section 280G(c) of the Code, any Option, Restricted Stock or Stock Unit held by that Grantee and any right to receive any payment or other benefit under this Plan shall not become exercisable or vested (i) to the extent that such right to exercise, vesting, payment, or benefit, taking into account all other rights, payments, or benefits to or for the Grantee under this Plan, all Other Agreements, and all Benefit Arrangements,

Table of Contents

would cause any payment or benefit to the Grantee under this Plan to be considered a parachute payment within the meaning of Section 280G(b)(2) of the Code as then in effect (a Parachute Payment) and (ii) if, as a result of receiving a Parachute Payment, the aggregate after-tax amounts received by the Grantee from the Company under this Plan, all Other Agreements, and all Benefit Arrangements would be less than the maximum after-tax amount that could be received by the Grantee without causing any such payment or benefit to be considered a Parachute Payment. In the event that the receipt of any such right to exercise, vesting, payment, or benefit under this Plan, in conjunction with all other rights, payments, or benefits to or for the Grantee under any Other Agreement or any Benefit Arrangement would cause the Grantee to be considered to have received a Parachute Payment under this Plan that would have the effect of decreasing the after-tax amount received by the Grantee as described in clause (ii) of the preceding sentence, then the Grantee shall have the right, in the Grantee's sole discretion, to designate those rights, payments, or benefits under this Plan, any Other Agreements, and any Benefit Arrangements that should be reduced or eliminated so as to avoid having the payment or benefit to the Grantee under this Plan be deemed to be a Parachute Payment.

16. REQUIREMENTS OF LAW

16.1. General.

The Company shall not be required to sell or issue any shares of Stock under any Award if the sale or issuance of such shares would constitute a violation by the Grantee, any other individual exercising an Option, or the Company of any provision of any law or regulation of any governmental authority, including without limitation any federal or state securities laws or regulations. If at any time the Company shall determine, in its discretion, that the listing, registration or qualification of any shares subject to an Award upon any securities exchange or under any governmental regulatory body is necessary or desirable as a condition of, or in connection with, the issuance or purchase of shares hereunder, no shares of Stock may be issued or sold to the Grantee or any other individual exercising an Option pursuant to such Award unless such listing, registration, qualification, consent or approval shall have been effected or obtained free of any conditions not acceptable to the Company, and any delay caused thereby shall in no way affect the date of termination of the Award. Specifically, in connection with the Securities Act, upon the exercise of any Option or the delivery of any shares of Stock underlying an Award, unless a registration statement under such Act is in effect with respect to the shares of Stock covered by such Award, the Company shall not be required to sell or issue such shares unless the Board has received evidence satisfactory to it that the Grantee or any other individual exercising an Option may acquire such shares pursuant to an exemption from registration under the Securities Act. Any determination in this connection by the Board shall be final, binding, and conclusive. The Company may, but shall in no event be obligated to, register any securities covered hereby pursuant to the Securities Act. The Company shall not be obligated to take any affirmative action in order to cause the exercise of an Option or the issuance of shares of Stock pursuant to the Plan to comply with any law or regulation of any governmental authority. As to any jurisdiction that expressly imposes the requirement that an Option shall not be exercisable until the shares of Stock covered by such Option are registered or are exempt from registration, the exercise of such Option (under circumstances in which the laws of such jurisdiction apply) shall be deemed conditioned upon the effectiveness of such registration or the availability of such an exemption.

16.2. Rule 16b-3.

During any time when the Company has a class of equity security registered under Section 12 of the Exchange Act, it is the intent of the Company that Awards pursuant to the Plan and the exercise of Options granted hereunder will qualify for the exemption provided by Rule 16b-3 under the Exchange Act. To the extent that any provision of the Plan or action by the Board does not comply with the requirements of Rule 16b-3, it shall be deemed inoperative to the extent permitted by law and deemed advisable by the Board, and shall not affect the validity of the Plan. In the event that Rule 16b-3 is revised or replaced, the Board may exercise its discretion to modify this Plan in any respect necessary to satisfy the requirements of, or to take advantage of any features of, the revised exemption or its replacement.

17. EFFECT OF CHANGES IN CAPITALIZATION

17.1. Changes in Stock.

If the number of outstanding shares of Stock is increased or decreased or the shares of Stock are changed into or exchanged for a different number or kind of shares or other securities of the Company on account of any recapitalization, reclassification, stock split, reverse split, combination of shares, exchange of shares, stock dividend or other distribution payable in capital stock, or other increase or decrease in such shares effected without receipt of consideration by the Company occurring after the Effective Date, the number and kinds of shares for which grants of Options and other Awards may be made under the Plan shall be adjusted proportionately and accordingly by the Company. In addition, the number and kind of shares for which Awards are outstanding shall be adjusted proportionately and accordingly so that the proportionate interest of the Grantee immediately following such event shall, to the extent practicable, be the same as immediately before such event. Any such adjustment in outstanding Options or SARs shall not change the aggregate Option Price or SAR Exercise Price payable with respect to shares that are subject to the unexercised portion of an outstanding Option or SAR, as applicable, but shall include a corresponding proportionate adjustment in the Option Price or SAR Exercise Price per share. The conversion of any convertible securities of the Company shall not be treated as an increase in shares effected without receipt of consideration. Notwithstanding the foregoing, in the event of any distribution to the Company's stockholders of securities of any other entity or other assets (including an extraordinary cash dividend but excluding a non-extraordinary dividend payable in cash or in stock of the Company) without receipt of consideration by the Company, the Company may, in such manner as the Company deems appropriate, adjust (i) the number and kind of shares subject to outstanding Awards and/or (ii) the exercise price of outstanding Options and Stock Appreciation Rights to reflect such distribution.

17.2. Reorganization in Which the Company Is the Surviving Entity Which does not Constitute a Corporate Transaction.

Subject to **Section 17.3** hereof, if the Company shall be the surviving entity in any reorganization, merger, or consolidation of the Company with one or more other entities which does not constitute a Corporate Transaction, any Option or SAR theretofore granted pursuant to the Plan shall pertain to and apply to the securities to which a holder of the number of shares of Stock subject to such Option or SAR would have been entitled immediately following such reorganization, merger, or consolidation, with a corresponding proportionate adjustment of the Option Price or SAR Exercise Price per share so that the aggregate Option Price or SAR Exercise Price thereafter shall be the same as the aggregate Option Price or SAR Exercise Price of the shares remaining subject to the Option or SAR immediately prior to such reorganization, merger, or consolidation. Subject to any contrary language in an Award Agreement evidencing an Award, any restrictions applicable to such Award shall apply as well to any replacement shares received by the Grantee as a result of the reorganization, merger or consolidation. In the event of a transaction described in this Section 17.2, Stock Units shall be adjusted so as to apply to the securities that a holder of the number of shares of Stock subject to the Stock Units would have been entitled to receive immediately following such transaction.

17.3. Corporate Transaction.

Subject to the exceptions set forth in the last sentence of this **Section 17.3** and the last sentence of **Section 17.4**:

(i) upon the occurrence of a Corporate Transaction, all outstanding shares of Restricted Stock and all Stock Units shall be deemed to have vested, and all restrictions and conditions applicable to such shares of Restricted Stock shall be deemed to have lapsed and the shares of stock subject to such Stock Units shall be delivered, immediately prior to the occurrence of such Corporate Transaction, and

Table of Contents

(ii) either of the following two actions shall be taken:

(A) fifteen days prior to the scheduled consummation of a Corporate Transaction, all Options and SARs outstanding hereunder shall become immediately exercisable and shall remain exercisable for a period of fifteen days, or

(B) the Board may elect, in its sole discretion, to cancel any outstanding Awards of Options, Restricted Stock, Stock Units and/or SARs and pay or deliver, or cause to be paid or delivered, to the holder thereof an amount in cash or securities having a value (as determined by the Board acting in good faith), in the case of Restricted Stock or Stock Units, equal to the formula or fixed price per share paid to holders of shares of Stock and, in the case of Options or SARs, equal to the product of the number of shares of Stock subject to the Option or SAR (the Award Shares) multiplied by the amount, if any, by which (I) the formula or fixed price per share paid to holders of shares of Stock pursuant to such transaction exceeds (II) the Option Price or SAR Exercise Price applicable to such Award Shares.

With respect to the Company's establishment of an exercise window, (i) any exercise of an Option or SAR during such fifteen-day period shall be conditioned upon the consummation of the event and shall be effective only immediately before the consummation of the event, and (ii) upon consummation of any Corporate Transaction the Plan, and all outstanding but unexercised Options and SARs shall terminate. The Board shall send written notice of an event that will result in such a termination to all individuals who hold Options and SARs not later than the time at which the Company gives notice thereof to its stockholders.

This **Section 17.3** shall not apply to any Corporate Transaction to the extent that provision is made in writing in connection with such Corporate Transaction for the assumption or continuation of the Options, SARs, Restricted Stock and Stock Units theretofore granted, or for the substitution for such Options, SARs, Restricted Stock and Stock Units for new common stock options and stock appreciation rights and new common stock restricted stock and stock units relating to the stock of a successor entity, or a parent or subsidiary thereof, with appropriate adjustments as to the number of shares (disregarding any consideration that is not common stock) and option and stock appreciation right exercise prices, in which event the Plan, Options, SARs, Restricted Stock and Stock Units theretofore granted shall continue in the manner and under the terms so provided.

17.4. Adjustments.

Adjustments under this **Section 17** related to shares of Stock or securities of the Company shall be made by the Board, whose determination in that respect shall be final, binding and conclusive. No fractional shares or other securities shall be issued pursuant to any such adjustment, and any fractions resulting from any such adjustment shall be eliminated in each case by rounding downward to the nearest whole share. The Board shall determine the effect of a Corporate Transaction upon Awards other than Options, SARs, Stock Units and Restricted Stock, and such effect shall be set forth in the appropriate Award Agreement. The Board may provide in the Award Agreements at the time of grant, or any time thereafter with the consent of the Grantee, for different provisions to apply to an Award in place of those described in **Sections 17.1, 17.2 and 17.3**.

17.5. No Limitations on Company.

The making of Awards pursuant to the Plan shall not affect or limit in any way the right or power of the Company to make adjustments, reclassifications, reorganizations, or changes of its capital or business structure or to merge, consolidate, dissolve, or liquidate, or to sell or transfer all or any part of its business or assets.

18. GENERAL PROVISIONS

18.1. Disclaimer of Rights.

No provision in the Plan or in any Award or Award Agreement shall be construed to confer upon any individual the right to remain in the employ or service of the Company or any Affiliate, or to interfere

Table of Contents

in any way with any contractual or other right or authority of the Company either to increase or decrease the compensation or other payments to any individual at any time, or to terminate any employment or other relationship between any individual and the Company. In addition, notwithstanding anything contained in the Plan to the contrary, unless otherwise stated in the applicable Award Agreement, no Award granted under the Plan shall be affected by any change of duties or position of the Grantee, so long as such Grantee continues to be a director, officer, consultant or employee of the Company or an Affiliate. The obligation of the Company to pay any benefits pursuant to this Plan shall be interpreted as a contractual obligation to pay only those amounts described herein, in the manner and under the conditions prescribed herein. The Plan shall in no way be interpreted to require the Company to transfer any amounts to a third party trustee or otherwise hold any amounts in trust or escrow for payment to any Grantee or beneficiary under the terms of the Plan.

18.2. Nonexclusivity of the Plan.

Neither the adoption of the Plan nor the submission of the Plan to the stockholders of the Company for approval shall be construed as creating any limitations upon the right and authority of the Board to adopt such other incentive compensation arrangements (which arrangements may be applicable either generally to a class or classes of individuals or specifically to a particular individual or particular individuals) as the Board in its discretion determines desirable, including, without limitation, the granting of stock options otherwise than under the Plan.

18.3. Withholding Taxes.

The Company or an Affiliate, as the case may be, shall have the right to deduct from payments of any kind otherwise due to a Grantee any federal, state, or local taxes of any kind required by law to be withheld with respect to the vesting of or other lapse of restrictions applicable to an Award or upon the issuance of any shares of Stock upon the exercise of an Option or pursuant to an Award. At the time of such vesting, lapse, or exercise, the Grantee shall pay to the Company or the Affiliate, as the case may be, any amount that the Company or the Affiliate may reasonably determine to be necessary to satisfy such withholding obligation. Subject to the prior approval of the Company or the Affiliate, which may be withheld by the Company or the Affiliate, as the case may be, in its sole discretion, the Grantee may elect to satisfy such obligations, in whole or in part, (i) by causing the Company or the Affiliate to withhold shares of Stock otherwise issuable to the Grantee or (ii) by delivering to the Company or the Affiliate shares of Stock already owned by the Grantee. The shares of Stock so delivered or withheld shall have an aggregate Fair Market Value equal to such withholding obligations. In no case shall the shares withheld or delivered exceed the minimum required Federal, state, and FICA statutory withholding rates. The Fair Market Value of the shares of Stock used to satisfy such withholding obligation shall be determined by the Company or the Affiliate as of the date that the amount of tax to be withheld is to be determined. A Grantee who has made an election pursuant to this **Section 18.3** may satisfy his or her withholding obligation only with shares of Stock that are not subject to any repurchase, forfeiture, unfulfilled vesting, or other similar requirements.

18.4. Captions.

The use of captions in this Plan or any Award Agreement is for the convenience of reference only and shall not affect the meaning of any provision of the Plan or such Award Agreement.

18.5. Other Provisions.

Each Award granted under the Plan may contain such other terms and conditions not inconsistent with the Plan as may be determined by the Board, in its sole discretion.

18.6. Number and Gender.

With respect to words used in this Plan, the singular form shall include the plural form, the masculine gender shall include the feminine gender, etc., as the context requires.

18.7. Severability.

If any provision of the Plan or any Award Agreement shall be determined to be illegal or unenforceable by any court of law in any jurisdiction, the remaining provisions hereof and thereof shall be severable and enforceable in accordance with their terms, and all provisions shall remain enforceable in any other jurisdiction.

18.8. Governing Law.

The validity and construction of this Plan and the instruments evidencing the Award hereunder shall be governed by the laws of the State of Delaware, other than any conflicts or choice of law rule or principle that might otherwise refer construction or interpretation of this Plan and the instruments evidencing the Awards granted hereunder to the substantive laws of any other jurisdiction.
