Item 5.01. Changes in Control of Registrant.

On September 21, 2004, Registrant entered into a definitive Agreement and Plan of Merger (the Merger Agreement ) pursuant to which Registrant would be acquired by Capital One Auto Finance, Inc. ( COAF ), a wholly-owned subsidiary of Capital One Financial Corporation. Such Merger Agreement was previously filed by Registrant on September 23, 2004, under a Form 8-K reporting Registrant's entry into a material definitive agreement.

On January 11, 2005, following approval and adoption of the Merger Agreement and the transactions contemplated thereby by Registrant's stockholders at a special meeting held on January 6, 2005, a wholly-owned subsidiary of COAF merged with and into Registrant (the Merger ), and Registrant survived the Merger as a wholly-owned subsidiary of COAF. At the effective time of the Merger, each share of common stock of Registrant that was issued and outstanding immediately prior to the effective time was converted into the right to receive \$28.00 per share in cash, without interest. As a result of the Merger, COAF now owns 100% of the outstanding common stock of Registrant.

The aggregate merger consideration paid by COAF for the outstanding shares of common stock of Registrant that were cancelled in the Merger and the stock options of Registrant that were exercised prior to the effective time of the Merger is approximately \$193,040,007. The funding of the aggregate merger consideration was supplied to COAF by Capital One Financial Corporation from its existing cash reserves.

At the effective time of the Merger, all directors of Registrant resigned and were replaced by those individuals who were directors of the COAF merger subsidiary at the effective time.
