2008 Cash Incentive Compensation Program

On March 29, 2008, the Compensation/Nomination/Governance Committee (the Committee) of the board of directors of Assisted Living Concepts, Inc. (the Company) approved the 2008 Cash Incentive Compensation Program for the Company's executive officers and twelve other employees. Annual incentive awards for fiscal 2008 will be granted pursuant to the Company's 2006 Omnibus Incentive Compensation Plan (the 2006 Omnibus Plan). The Committee established bonus targets that are expressed as a percentage of base salary, objective performance criteria that must be met in order for bonuses to be paid, and other terms and conditions of the awards. If paid, these annual incentive awards are paid in cash. The performance goals applicable to these awards are: adjusted EBITDAR and adjusted EBITDAR margin percentages. Adjusted EBITDAR is defined as net income from continuing operations before income taxes, interest expense net of interest income, depreciation and amortization, non-cash equity based compensation expense, transaction costs and non-cash, non-recurring gains and losses, including disposal of assets, impairment of long-lived assets, and rent expense incurred for leased assisted living properties. Both the adjusted EBITDAR and adjusted EBITDAR margin goals must be achieved to earn an award under the program. The following table sets forth the fiscal 2008 annual incentive compensation award for each of the Company's executive officers, assuming the objective performance targets are reached:

Name	Position	Percentage of Base Salary
Laurie A. Bebo	President and Chief Executive Officer	75%
John Buono	Senior Vice President, Chief Financial Office and Treasurer	50%
Eric B. Fonstad	Senior Vice President, General Counsel and Corporate Secretary	35%
Walter A. Levonowich	Vice President and Controller	30%

An additional annual incentive will be awarded if the adjusted EBITDAR goal is met and the adjusted EBITDAR margin goal is exceeded. The additional incentive will be graduated up to 10% of base salary. If the adjusted EBITDAR dollars goal is met, for each margin percentage point or fraction of a percentage point that the adjusted EBITDAR margin goal is exceeded, that percent multiplied by the employee's base salary will be awarded up to a maximum of 10% of base salary.

The foregoing description of the 2008 Cash Incentive Compensation Program is qualified in its entirety by reference to the text of the form of 2008 Cash Incentive Compensation Award Agreement, which is incorporated by reference as Exhibit 10.1 to this Current Report and incorporated herein by reference, and to the text of the 2006 Omnibus Plan, which is incorporated by reference as Exhibit 10.2 to this Current Report and incorporated herein by reference.

2007 Long-Term Equity-Based Compensation Program

On March 29, 2008, the Committee also approved the 2008 Long-Term Equity-Based Compensation Program and granted awards of tandem non-qualified stock options and stock appreciation rights (Options/SARs) to the Company's executive officers and eleven other employees pursuant to the 2006

Omnibus Plan. The aggregate maximum number of Options/SARs granted to all participants was 487,500. The Options/SARs have both time vesting and performance vesting features. If the established performance goals (related to increases in private pay occupancy) are achieved in fiscal 2008, the Options/SARs become exercisable in one-third increments on the first, second and third anniversaries of the grant date. Once exercisable, awards may be exercised either by purchasing shares of the Company's Class A common stock at the exercise price or exercising the stock appreciation right. The Committee has sole discretion to determine whether stock appreciation rights are settled in shares of Class A common stock, cash or a combination of shares of Class A common stock and cash. The Options/SARs have an exercise price of \$5.89 per share, the closing price of the Company's Class A common stock on the New York Stock Exchange on March 31, 2008, the first business day following the March 29, 2008 grant date and expire five years from the date of grant.

The following table sets forth the maximum number of Options/SARs granted to each of the Company's executive officers:

Name	Position	Maximum number of Options/SARs
Laurie A. Bebo	President and Chief Executive Officer	100,000
John Buono	Senior Vice President, Chief Financial Office and Treasurer	50,000
Eric B. Fonstad	Senior Vice President, General Counsel and Corporate Secretary	25,000
Walter A. Levonowich	Vice President and Controller	25,000
