**Item 5. Other Events**

On December 2, 2003, BankAtlantic Bancorp's Board of Directors authorized the spin-off of Levitt Corporation ( Levitt ). BankAtlantic Bancorp ( the Company ) has received a private letter ruling from the Internal Revenue Service that, subject to the terms and conditions of the private letter ruling, the transaction will be tax free to holders of the Company's stock. Upon the consummation of the spin-off, Levitt will no longer be a wholly owned subsidiary of the Company but will be held by the shareholders of the Company on the same pro rata basis as they currently hold the Company's shares.

In connection with the spin-off, the Company will convert a currently outstanding \$30.0 million demand note owed by Levitt to the Company to a five year term note with interest only payable monthly initially at the prime rate and thereafter at the prime rate plus increments of an additional .25% every six months. The Company will also transfer its 4.9% ownership interest in Bluegreen Corporation to Levitt in exchange for a \$5.5 million note and 1.5 shares of Levitt common stock. These additional shares of Levitt will be distributed as part of the spin-off transaction. This note will be due in one year, with principal and interest payable monthly. Additionally, prior to the spin-off, it is anticipated that Levitt will declare an \$8.0 million dividend to the Company payable in the form of a five year note with the same payment terms as the \$30.0 million note described above.

**Item 7. Financial Statements and Exhibits**
