Causeway Boulevard, Suite 800, Metairie, Louisiana, on Thursday, August 26, 2004 at 9:00 a.m. (Central Time) for the purposes described in the attached Notice of Special Meeting of Stockholders. This Proxy Statement and the accompanying form of proxy card are first being mailed or given to our stockholders on or about July 28, 2004.

If the enclosed proxy card is properly given and not revoked, it will be voted in accordance with the instructions, if any, given by the stockholder, and if no instructions are given, it will be voted:

The persons named as proxies in the enclosed form of proxy card were selected by our Board of Directors.

Stockholders are encouraged to vote their proxies by Internet or touch-tone telephone or by completing, signing, dating and returning the enclosed proxy card, but **not** by more than one method. If you do vote by more than one method, only the last vote that is submitted will be counted and each previous vote will be disregarded. Pursuant to the Delaware General Corporation Law and our governing documents, a proxy voted by the Internet or by touch-tone telephone has the same validity as one voted by mail. To vote by Internet or by touch-tone telephone, you need to follow the instructions on the enclosed proxy card.

If your shares are held in street name through a broker, bank or other holder of record, you will receive instructions from the registered holder that you must follow in order for your shares to be voted for you by that record holder. Stockholders who sign proxies have the right to revoke them at any time before they are voted by providing written notice to our Corporate Secretary or delivering a valid, later dated proxy. The giving of the proxy will not affect the right of any stockholder to attend the Special Meeting and vote in person.

PROPOSAL 1:

CORPORATE NAME CHANGE

Historically, we have provided integrated business services to orthodontic practices. Since 2001, we have expanded into providing business services for pediatric dental practices. Recently, we initiated a new division, OCA OutSource, through which we intend to provide business services to general dental practices and other dental and medical practices. We believe that OCA OutSource provides an expansive opportunity for growth. Our Board of Directors believes that we should change our corporate name to reflect this evolution in our business. Accordingly, we are proposing to change our name from Orthodontic Centers of America, Inc. to OCA, Inc. The Board believes this change to be in our best interests because it will better reflect our growth strategy of building on our core orthodontic business, by providing business services to other dental and medical practices.

Subsequent to your vote on the name change, the Board intends to effect this name change by merging a newly-created, wholly-owned subsidiary named OCA, Inc. with and into Orthodontic Centers of America, Inc. We will be the surviving corporation in the merger and will retain our same capitalization, Bylaws and Certificate of Incorporation (except as amended to reflect the new name of OCA, Inc.). Each outstanding share of our common stock will remain unchanged and will continue to remain outstanding upon completion of the merger. This merger is not a corporate reorganization and will have no other effect than to change our name.

Delaware law specifically permits a Delaware corporation such as us to change its corporate name through such a merger, rather than by amending its certificate of incorporation, without seeking stockholder approval. Although a vote of the stockholders is therefore not required to effect this name change, the Board has requested a stockholder vote on this matter to increase awareness of this coming change and to permit stockholders to have input into the change. In the event that the stockholders do not approve this proposal, the matter will be referred to the Board of Directors for further review and action.

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE
PROPOSAL TO CHANGE OUR CORPORATE NAME TO OCA, INC.**

PROPOSAL 2:

STOCKHOLDER PROPOSAL

We have received a stockholder proposal from Amalgamated Bank LongView SmallCap 600 Index Fund (the Proponent), whose address is 11-15 Union Square, New York, New York 10003. The Proponent has requested that we include the following proposal and supporting statement in this proxy statement, and has informed us that it intends to present the proposal for consideration by the stockholders at our Special Meeting. The Proponent purports to beneficially own 20,080 shares of our common stock. The affirmative vote of the holders of a majority of the shares present or represented at the Special Meeting and entitled to vote on the proposal is needed to approve the stockholder proposal. Our Board of Directors recommends that you vote **AGAINST** adoption of this proposal, and we ask that you carefully read and consider our response to this proposal, which follows the proposal.

Beginning of Stockholder Proposal

RESOLVED: The shareholders of Orthodontic Centers of America, Inc. (OCA or the Company) urge the Board of Directors to adopt a policy of nominating independent directors who, if elected by the shareholders, would constitute two-thirds of the Board. For purposes of this proposal, the term Independent Director shall mean a director who is not or who, during the past five years, has not been:

employed by OCA or one of its affiliates in an executive capacity;

an employee or owner of a firm that is a paid adviser or consultant to OCA or one of its affiliates;

employed by a significant OCA customer or supplier;

a party to a personal services contract with OCA or an affiliate thereof, as well as with OCA's Chair, CEO or other executive officer;

an employee, officer or director of a foundation, university or other non-profit organization receiving significant grants or endowments from OCA or one of its affiliates;

a relative of an executive of OCA or one of its affiliates;

part of an interlocking directorate in which OCA's CEO or another executive officer serves on the board of another corporation that employs the director.

Supporting Statement. This proposal seeks to establish a level of independence that we believe will promote clear and objective decision-making in the best long-term interest of all shareholders.

OCA's ten-member board presently fails to meet the proposed level of independence, as at least half of the directors have ties to the Company. The OCA board includes two insiders (Chairman/ President/ CEO Bartholomew F. Palmisano, Sr. and Executive Vice President Dennis J. L. Buchman). In addition, three of the eight outside directors either work at a law firm that provides legal services (Mr. Summers, who is also a former executive at an OCA subsidiary), or are parties to service agreements under which OCA subsidiaries provide business services for a monthly fee (Drs. Bush and Devereux).

We do not believe that such a governing structure is in the best interest of investors. We believe that a board with a substantial and clear majority of independent directors and with audit, compensation and nominating committees composed entirely of independent directors is an essential part of an effective corporate governance system. An independent board can best represent all shareholders and inspire shareholder confidence in the quality and impartiality of its decision-making processes and the decisions themselves, as well as avoid the appearance of conflicts of interest.

The standard of independence that we propose is that recommended by the Council of Institutional Investors, an organization of large pension funds that has been a leading advocate of corporate governance reform.

We urge you to vote FOR this resolution.

End of Stockholder Proposal

Table of Contents

The Board Recommends That You Vote AGAINST This Proposal For The Following Reasons:

In November 2003, the Securities and Exchange Commission (SEC) approved the final corporate governance listing standards of the New York Stock Exchange (NYSE). These standards mandate that OCA and other companies listed on the NYSE have a majority of independent directors. The standards provide specific criteria for determining the independence of directors. Under these standards, no director qualifies as independent unless the board of directors of the listed company affirmatively determines that the director has no material relationship with the listed company (either directly or as a partner, stockholder or officer of an organization that has a relationship with the listed company). Our Board of Directors has determined that each of Kevin M. Dolan, Linda C. Girard, Ashton J. Ryan, Jr., W. Dennis Summers, David W. Vignes and Edward J. Walters, Jr. is independent under these NYSE standards, representing a majority of the current members of the Board.

The Proponent's proposal would add two additional restrictions to the NYSE independence requirements. First, the Proponent seeks to increase the required minimum percentage of independent directors from a majority to two-thirds. Second, the Proponent seeks to use different criteria for determining whether a director is independent.

Minimum Percentage Requirement. While we share the Proponent's interest in strong corporate governance standards, we believe achieving the majority of independent directors required by the NYSE sufficiently addresses the concerns raised in the Proponent's proposal. We also believe that the proposed requirement of a two-thirds independent board is problematic because it would necessitate either expanding the size of the Board beyond a reasonable number of members or would require a number of our non-independent directors to resign, sacrificing their seasoned business experience and unique understanding of our business and the professional and business aspects of orthodontic practices. Also, the balance of independent and non-independent directors would change as directors retire or resign in the normal course, possibly resulting in regular non-compliance with the proposed two-thirds independence requirement. The Board may then be forced to fill the open directorship quickly without adequate time to select the best candidate or to initiate needless resignations and reappointments of existing non-independent directors once a suitable independent candidate is selected to fill the open position.

Additionally, we believe that you should not overlook the critical role served by our directors who are not deemed independent due to their role as executive officers of OCA or practitioners affiliated with OCA, or other background or experience with OCA. These individuals are uniquely situated to provide insight into OCA's opportunities, risks, competitive strengths and weaknesses and the challenges facing the business as a whole. They include two directors who are currently practicing orthodontists affiliated with OCA, as well as a former affiliated orthodontist who now serves as our Executive Vice President. The success of our business is dependent on the success of our affiliated practices, and these directors provide the Board with valuable input from the affiliated practitioner's perspective. We believe that it is in the best interests of OCA and its stockholders that we continue to benefit from these individuals' service on the Board. The requirements proposed by the Proponent would severely limit our ability to do that.

While independent judgment is essential, the Board believes that a majority of independent Board members, combined with independent key committees, regular executive sessions of independent directors and other safeguards against conflicts of interest implemented by the Board, provide the optimum mix of talent, experience and independent judgment and promote clear and objective decision-making in the best interest of all of the stockholders.

Independence Definition. The Board does not believe it is necessary or in the best interests of OCA to adopt independence standards that differ from those prescribed by the NYSE. As part of our ongoing corporate governance initiative, our Board of Directors adopted Director Independence Standards to assist in determining whether a director is independent. Our Director Independence Standards fully implement the independence standards adopted by the NYSE and approved by the SEC. Our Board of Directors has also adopted Corporate Governance Guidelines which mandate that a majority of our directors meet currently existing or future independence standards of the SEC and the NYSE. Our Director Independence Standards

Table of Contents

and our Corporate Governance Guidelines are available on our website at www.4braces.com on our Investor Relations web page under the caption Corporate Governance.

The definition of independence in the Proponent's proposal consists of a list of relationships that preclude a finding of independence. The NYSE definition similarly lists certain relationships that preclude such a finding. However, the NYSE standards not only preclude individuals who have had certain relationships from being independent, but also provide that the Board must broadly consider all relevant facts and circumstances in making its determination as to whether a particular director is independent. Because it is not possible to anticipate or explicitly provide for all relationships that might signal a conflict of interest or bear on the materiality of a director's independence, the Board believes the NYSE requirement assures a more thorough and thoughtful process for determining the independence of directors, and that this approach is more well-balanced than that described in the Proponent's proposal. The Board's consideration of all relevant facts and circumstances provides sufficient protection for stockholders, while preserving the Board's flexibility to select and retain highly qualified Board members who possess experience, knowledge and skills that are particularly relevant to OCA.

Accordingly, the Board believes that stockholders should vote **AGAINST** the Proponent's proposal.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU

VOTE AGAINST THE STOCKHOLDER PROPOSAL.

GENERAL INFORMATION

Stockholder Nominees and Proposals

The Nominating and Corporate Governance Committee considers suggestions for possible nominees for the Board of Directors from several sources, including stockholders. The Charter of the Nominating and Corporate Governance Committee provides that the committee will consider nominees proposed by our stockholders to serve on the Board of Directors if they are properly submitted in accordance with our Stockholder Nominee Policy, which is available on our website at www.4braces.com on our Investor Relations web page under the caption Corporate Governance. Generally, in order for a proposed nominee to be considered, a stockholder must give timely notice in writing to the Corporate Secretary. To be considered timely, a stockholder's notice generally must be received by our Corporate Secretary at our principal office not earlier than the date which is 120, nor later than 90, calendar days before the first anniversary of the date on which we first mailed our proxy statement to stockholders in connection with the prior year's annual meeting of stockholders. Accordingly, stockholders who wish to nominate a candidate for election to our Board of Directors at the 2005 annual meeting of stockholders must deliver written notice to our Corporate Secretary at the address below not earlier than January 5, 2005 nor later than March 21, 2005. Any such recommendation by a stockholder, together with required biographical and other information, should be submitted to the Chairman of the Nominating and Corporate Governance Committee in care of our Corporate Secretary at 3850 N. Causeway Boulevard, Suite 800, Metairie, Louisiana 70002.

Stockholder Proposals for 2005 Annual Meeting

Stockholder proposals intended to be presented at our 2005 annual meeting of stockholders must be received by us at our executive offices at 3850 N. Causeway Boulevard, Suite 800, Metairie, Louisiana 70002 not later than January 5, 2005 in order to be included in our proxy statement and proxy for that annual meeting. Stockholder recommendations for director nominees must be submitted in compliance with our Stockholder Nominee Policy, which is discussed above in the section titled Stockholder Nominees and Proposals.

Discretionary Authority

As to any proposal(s) that a stockholder intends to present for consideration by stockholders at our 2005 annual meeting of stockholders other than by including the proposal(s) in our proxy statement, the individuals named as proxies on the proxy card for the 2005 annual meeting may exercise their discretionary authority in voting such proxies unless we receive notice of the matter(s) to be proposed not later than March 21, 2005. Even if proper notice is received on or prior to March 21, 2005, the individuals named as proxies on the proxy card for that meeting may nevertheless exercise their discretionary authority in voting such proxies with respect to such matter(s) by advising stockholders of the proposal(s) and how the proxies intend to exercise their discretion to vote on these matter(s), unless the stockholder making the proposal(s) solicits proxies with respect to the proposal(s) to the extent required by Rule 14a-4(c)(2) under the Securities Exchange Act of 1934.

Counting of Votes

All matters specified in this Proxy Statement that are to be voted on at the Special Meeting will be by written ballot. Inspectors of election will be appointed to determine, among other things, the number of shares outstanding, the shares represented at the Special Meeting, the existence of a quorum and the authenticity, validity and effect of proxies, to receive votes of ballots, to hear and determine all challenges and questions in any way arising in connection with the right to vote, to count and tabulate all votes and to determine the result. Each item presented herein to be voted on at the Special Meeting must be approved by the affirmative vote of the holders of the number of shares described under each such item. The inspectors of election will treat shares represented by proxies that reflect abstentions as shares that are present and entitled to vote for purposes of determining the presence of a quorum. Abstentions, however, do not constitute a vote for or against any matter and thus will be disregarded in the calculation of a plurality or of votes cast.

Table of Contents

Abstentions will, however, have the effect of a vote against those matters that require a majority of the shares present or represented at the meeting and entitled to vote.

Inspectors of election will treat shares referred to as broker non-votes as shares that are present and entitled to vote for purposes of determining the presence of a quorum. However, for purposes of determining the outcome of any matter as to which the broker has physically indicated on the proxy that it does not have discretionary authority to vote, those shares will be treated as not present and not entitled to vote with respect to that matter (even though those shares are considered entitled to vote for quorum purposes and may be entitled to vote on other matters).

Other Matters

The Board of Directors is not aware of any business to be presented at the Special Meeting other than that described in the accompanying Notice of Special Meeting of Stockholders. If other matters do properly come before the Special Meeting, it is intended that the persons named on the enclosed proxy card will vote on such matters in accordance with the recommendation of our Board of Directors.

Miscellaneous

We will bear the cost of printing, mailing and other expenses in connection with this solicitation of proxies and will also reimburse brokers and other persons holding shares in their names or in the names of nominees for their expenses in forwarding this proxy material to the beneficial owners of such shares. Certain of our directors, officers and employees may, without any additional compensation, solicit proxies in person or by telephone.

Certain Matters Relating to Proxy Materials

The delivery rules regarding proxy statements may be satisfied by delivering a single copy of a proxy statement to an address shared by two or more of our stockholders. This method of delivery is referred to as householding. Currently, we are not householding for registered stockholders, but brokers, dealers, banks or other entities which hold our common stock in street name for beneficial owners of our common stock and which distribute proxy statements they receive to beneficial owners may be householding. Such brokers, dealers, banks or other entities may deliver only one proxy statement to certain multiple stockholders who share an address, unless we or such other distributor has received contrary instructions from one or more of those stockholders. We undertake to deliver promptly upon request to us a separate copy of the proxy statement to a stockholder at a shared address to which a single copy of these documents was delivered. If you hold shares of our common stock as a registered stockholder and prefer to receive separate copies of a proxy statement either now or in the future, please call (504) 834-4392 or send a written request to:
