**Item 8.01 Other Events**

On May 7, 2009, PowerSecure International, Inc., a Delaware corporation (the Company), issued a press release announcing that it had established a new business unit, PowerPackages, to provide utility partners an efficient, dependable continuous power source for customers. The business unit enables the Company to broaden its Interactive Distributed Generation system capabilities by utilizing medium speed engine technology as the system's power source. The Company also announced that it has acquired assets from a third party expert in medium speed engines to be used in the PowerPackages business.

A copy of the Company's press release containing this announcement is filed herewith as Exhibit 99.1 and incorporated herein by this reference.

The press release filed herewith contains forward-looking statements relating to the Company's future performance made within the meaning of and pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. A more thorough discussion of certain risks, uncertainties and other factors that may affect the Company is included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2008 and in subsequent reports, including Quarterly Reports on Form 10-Q and Current Reports on Form 8-K, filed or furnished with the Securities and Exchange Commission.
