Explanation of Responses:

(1) In January 2002, Alternative Technology Resources, Inc. (the "Company") conducted a private placement which was completed on March 31, 2002. The Company sold 1,232,585 shares at \$2.25 per share. Mr. Cameron participated in the January 2002 private placement and purchased 222,222 shares of common stock. Under the terms of the private placement, in the event the Company sold additional shares of common stock at less than \$2.25 per share during the six-month period beginning March 31, 2002, the investors in the January 2002 private placement would purchase an amount of common stock in amount such that the overall purchase price would be equal to the subsequent private placement. Cameron conducted and sold shares of common stock at \$1.00 per share in a private placement. Cameron represents his additional shares related to the January 2002 private placement.
