DRAGON PHARMACEUTICALS INC

Form 425

June 28, 2004

Filed pursuant to Rule 425
and deemed filed pursuant to Rule 14a-12

Subject Company: Oriental Wave Holdings, Ltd.
Filing Person: Dragon Pharmaceutical, Inc.
File No.: 0-27937

Vancouver, B.C., June 23, 2004 - Dragon Pharmaceutical Inc. (TSX: DDD, OTC BB: DRUG) announced today that it has learned that Dragon's stock has been traded on the Berlin-Bremen Stock Exchange without any prior knowledge from the Company. Based on the press releases from many other companies on the Over-the-counter Bulletin Board, we believe that many companies have encountered the same situation and are in the process of addressing it.

"Immediately upon learning of this fact, we have contacted the Berlin-Bremen Stock Exchange in Germany to inquire about the source of the trading of Dragon's stock on such exchange. Dragon's shareholders can be assured that the Company will investigate further to determine whether such trading of its stock on the Berlin-Bremen Stock Exchange has any impact on the Company and we will take appropriate action to make sure it is in the best interest of our shareholders." said Dr. Alexander Wick, Dragon's President and CEO.

About Dragon Pharmaceutical Inc.

Dragon Pharmaceutical Inc. is an international biopharmaceutical company headquartered in Vancouver, Canada, with a GMP production facility in Nanjing, China. Dragon's EPO is currently approved to treat anemia due to renal failure and surgery in 5 countries: China, India, Brazil, Egypt and Peru. Dragon is in final preparation to enter the European Union market and is in progress to obtain additional regulatory approvals throughout Central and Eastern Europe, Asia, Latin America, the Middle East and Africa. In addition, Dragon owns the worldwide licensing right, excluding China, for the recombinant G-CSF produced by Suzhou Zhongkai Bio-pharmaceuticals Company Limited, with which Dragon is actively developing its market potential outside of China.

Dragon Pharmaceutical Inc. announced entering into a definitive agreement to acquire Oriental Wave Holdings Ltd. The proposed acquisition is subject to a number of conditions including regulatory and shareholders' approval. If the proposed acquisition is consummated, the combined company will have diverse and proven product lines under 3 divisions: Pharma division for prescription and over-the-counter generic drugs, Chemical division for bulk pharmaceutical chemicals such as Clavulanic Acid, 7-ACA and sterilized bulk drugs and Biotech division for EPO and in-licensed G-CSF. For details, please refer to the press release on June 14, 2004 - "Dragon and Oriental Wave Announce the Signing of Definitive Agreement to Create a Competitive and Growth Oriented Pharmaceutical Company"
