The facts requiring the restatement of the financial statements included in the 2011 Annual Report were identified during the Registrant's year-end financial review in consultation with BKD LLP, the independent registered public accounting firm engaged by the Registrant to audit the consolidated financial statements of the Registrant and its subsidiaries for the year ended December 31, 2012.

As a result of the restatement of the Financial Statements and because of corresponding revisions to the disclosure and financial statements to be included in the Registrant's Annual Report on Form 10-K for the year ended December 31, 2012 (the 2012 Annual Report), the Registrant was unable, without unreasonable effort or expense, to file the 2012 Annual Report by the March 18, 2013 filing deadline applicable to accelerated filers. The Registrant is in the process of completing the 2012 Annual Report and expects to file it as soon as practicable after the above-referenced revisions are complete.
